SELECTMEN'S STATEMENT - 1963 REPORT

To the Taxpayers of the Town of Lyman:

Financial annual reports usually do not make plain all the matters of significance that occurred during the year. For example, the tabulation of appropriations and expenditures on Page 18, which is a key part of this report, does not point up certain economies affected in 1963.

It was possible to make full payment in 1963 for the new truck authorized at last town meeting instead of spreading payments across four years as first planned. This accomplished two things: saved approximately \$240 in interest charges and relieved our future tax load of about \$3,000. Similarly, last March, it was expected that the estimated cost (\$1,000 or more) of revaluation of the town would be spread across both 1963 and 1964. It was possible, however, to include a \$1,000 payment to the State in 1963 business, leaving a remainder of \$117 to apply in 1964.

No figures in this report reflect the very real economy achieved in building the new Dodge Pond bridge. This is a reinforced concrete arch-type span capable of carrying heavy loads for years to come. Due to the combined effort and skills of Joseph Richards, Jr., highway agent, and of William Stephens, Jr., in charge of construction, the bridge job which had been estimated to cost as much as \$3,000 or more, was brought in for \$1,647, all paid for in 1963. (There will be charges in 1964 for such details as dressing up approaches, fencing, etc.) Also, work done on the Hunt Mountain road between Winfield Fennof, Sr.'s and the Monroe line, about $1\frac{1}{4}$ miles, has brought this road back to a good, passable condition - important not only for access to forest fires, if necessary, but for traffic of visitors to and from Lyman which has increased noticeably. This job was done for the low cost of \$764.

The most visible highway improvement in 1963 was hard-topping of Parker Hill road, west from Tinkerville corner. This was completed as a joint town-state project (TRA) which transfers maintenance of the newly topped section to the State Highway department. In exchange, the town has taken back from the state maintenance a previously hard-topped stretch of the Bath road in "Black Valley." This means there is now a continuous state-

maintained highway from the Lyman line in Sunny Valley, through Tinkerville and clear around Parker Hill road to the Lisbon line at Cole Plain. However, the town is not yet relieved of snow removal and sanding from Tinkerville around to Cole Plain.

These and other projects indicate that Lyman is on the move. Non-residents are showing more and more interest in locating here if only for seasonal residency. A count of 1963 property tax payers shows 51 who are residents (35% of the total assessed valuation), 124 non-resident individuals (39% of total assessed valuation), and 6 corporate taxpayers (26% of total assessed valuation). It is hoped that a "town meeting" can be arranged during the summer months - possibly in August - when selectmen and other town officers can hear from and be heard by our non-resident taxpayers on affairs of Lyman.

Analysis of Change in Financial Condition

(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus

Net Budget Deficit	\$ 8.01	
Tax Collectors Excess Debit	2.00	
Excess Remittance due Town Clerk	4.25	
	\$ 14.26	

Increase in Surplus

Yield Tax Adjustment	.40	
	\$ 13.86	
Net Decrease		\$ 13.86

Comparative Statement of Appropriations and Expenditures-Estimated and Actual Revenues:

(Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1963, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$599.96, less a revenue surplus of \$591.95, resulted in a net budget deficit of \$8.01.

Summary of Receipts and Expenditures

(Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1963, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1963 is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and pay-rolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

General Comments

Current Surplus:

Inasmuch as there were no outstanding long term notes or bonds on December 31, 1963, the Balance Sheet Surplus of \$4,045.51, as heretofore referred to, also represented the current surplus of the Town on that date as shown herewith.

	Dec. 31,62	Dec. 31,63
Total Assets	\$15,713.80	\$10,236.40
Current Liabilities	11,654.43	6,190.89
Current Surplus	\$4,059.37	\$ 4,045.51

Surety Bond of Town Treasurer

The surety bond of the Town Treasurer should be increased from \$4,100.00 to \$7,000.00, in order that the amount of the bond may be more proportional to the amount of funds received and in the custody of the Treasurer.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Lyman for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director
Division of Municipal Accounting

Report of the Forest Fire Warden and your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention, however, is not an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience - a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if the winds develop extinguish it promptly.
2. Carry your rubbish to the public dump- it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarettes or matches. Make this a year-round habit regardless of the safety of your surroundings.
4. Children-caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play. Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

REPORT OF SUPERINTENDENT

To the School Board and Citizens of the Lyman School District:

I herewith submit my twenty-first annual report as Superintendent of Schools.

The total enrollment in your school last year was 51. The average membership was 44.2 and the percent of attendance was 96.3.

There were 14 high school pupils who attended Lisbon Public School on tuition basis.

The present enrollment is as follows: 20 pupils in Grades 1-4, 19 pupils in Grades 5-8 and 17 pupils attending Lisbon High School.

This year there are four Lyman pupils graduating from Lisbon High School: Betty Bonor, Dorita Boudreau, Mabel Presby and Nancy Rothney. These pupils are to be commended for their high school achievements. We urge them to continue with their education.

Mrs. Clara Birch who has served the school district so well for many years, retired in June, 1963. The community extends its appreciation to Mrs. Birch for her many years of service. Lyman children will always regard Mrs. Birch as one of their finest teachers.

Mrs. Bernice Shuttleworth replaced Mrs. Birch in Grades 1-4. She is an efficient teacher and work in the lower grade room is going along smoothly.

Mrs. Ann Joy continues for the second year in the upper grade room, Grades 5-8. Mrs. Joy is an experienced teacher. She likes working in Lyman and understands the children.

Increased State Aid has greatly helped lower the Lyman tax rate. In addition to \$8,273.05 Lyman also received a Special Aid check of \$1,816.00 This Special Aid was voted by the Legislature for the 20 neediest districts in the State.

Water supply at the Lyman Central School during the dry times has been insufficient for many years; therefore, last fall a new spring was developed. The spring appears adequate for all future use and the finishing work will be completed before school closes in June.

We expect a change in the organization of the Supervisory Union in the near future, perhaps during the next two years. This depends on the approach of the State Department of Education to school re-organization in the North Country.

At the present time there are two laws permitting revision of New Hampshire school districts, the Area School law and the Cooperative School District law. Both laws encourage the establishment of larger school districts.

Before supervisory union changes are made, meetings will be held with the school boards in the area. If you have thoughts regarding district organization pass them on to your school board members.

Lyman School District will undoubtedly be aided by funds from the New Hampshire Sweepstakes next year. At the present time there is no way of accurately estimating its effect on taxes.

I certainly appreciate your cooperation in all matters pertaining to the welfare of your children. Your School Board meets when needful. They are attentive to their duties and are most helpful in the operation of the school system. Thank you.

Respectfully submitted,
RONALD A. PERHAM
Superintendent of Schools
