TRADITIONAL PUBLISHING

Comparing two types of journal article publishing

Available online free of charge, with as few restrictions as possible.

Allows the authors of an article to retain copyrights to the content.

Sometimes requires authors to pay an article processing fee.

Are usually peer-reviewed.

Available by subscription or per-article fees paid by libraries or individuals.

Usually requires the authors to transfer copyrights to the publisher.

Sometimes requires authors to pay submission & publication fees.

Are usually peer-reviewed.
