TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the Eighth day of March next, at eight of the clock in the forenoon (Polls close at 6:00 p.m.) to ballot for Town Officers and other questions required by law to be decided by ballot. Pursuant to the authority of RSA 39:2-a and the vote of the Town on March 10, 1970, all business other than ballot questions will be recessed until 7:00 p.m., Tuesday, March 15, 1983 at Peterborough Elementary School, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing. (By Ballot)

Article 2. To see if the Town will vote to amend the Zoning Ordinance as proposed by the Planning Board. (By Ballot)

Article 3. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 4. To see if the Town will vote to accept legacies and gifts to the Town in Trust or otherwise by any individual or individuals, or take any other action relating thereto.

Article 5. To see if the Town will vote to authorize the Selectmen to institute semi-annual tax collection pursuant to the provisions of RSA 76:15-a and to contract with a private data processing firm for that purpose, or take any other action relating thereto.

Article 6. To see what sum of money the Town will vote to raise and appropriate for Town Office, Town House, Legal Expense, Street Lighting, Water Charge, Patriotic Purposes, Vital Statistics, Local Planning, Board of Adjustment, Conservation Commission, Supervisors of Checklist, Highway Summer, Highway Winter, Public Works Summary, Highway Garage, Police Department, Fire Department, Ambulance, Library, District Court, Health & Welfare Department, Parks, Recreation Department, Solid Waste, and for any other charge arising within the Town.

Article 7. To see if the Town will vote to raise and appropriate the sum of Two Hundred Fifty-Three Thousand Four Hundred Forty Dollars (\$253,440.00) for the paying of the Town debt and interest, or take any other action relating thereto.

Article 8. To see what sum of money the Town will vote to authorize the Selectmen and Town Treasurer to borrow in anticipation of collection of taxes for the current municipal year and to issue in the name and on the credit of the Town negotiable notes therefore, said notes to be paid in the current municipal year and to raise and appropriate a sum not to exceed Forty-Five Thousand Dollars (\$45,000.00) to cover the interest on the notes, or take any other action relating thereto.

Article 9. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set offs against budgeted appropriations for the following priority purposes and in the amount indicated, or take any other action relating thereto:

APPROPRIATION	AMOUNT
Public Works	\$22,621.00
Police Department	11,020.00
Fire Department	3,266.00
Library	4,626.00
Recreation Department	4,616.00
Solid Waste	3,113.00
TOTAL	\$49,262.00

Article 10. To see if the Town will vote to raise and appropriate the sum of One Thousand Six Hundred Six Dollars and Thirteen Cents (\$1,606.13) provided that the State of New Hampshire appropriate the sum of Ten Thousand Seven Hundred Seven Dollars and Fifty-Six Cents (\$10,707.56) for construction or reconstruction of Class IV or V highways, or take any other action relating thereto.

Article 11. To see if the Town will vote to accept and use from the State of New Hampshire approximately Forty-Four Thousand Three Hundred Nineteen Dollars and Fifty-Eight Cents (\$44,319.58) in Highway subsidy moneys restricted to highway construction or reconstruction, or take any other action relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of One Thousand Eight Hundred Dollars (\$1,800.00) to purchase a pickup truck for the Recreation Department, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of Three Thousand One Hundred Seventy-Five Dollars (\$3,175.00) to replace a 1978 pickup truck for the Public Works Department, or take any other action relating thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of Forty-Three Thousand Dollars (\$43,000.00) to replace a 1976 dump truck and plows for the Public Works Department, or take any other action relating thereto.

Article 15. To see if the Town will vote to adopt an Ordinance as proposed by the Selectmen, to regulate and license pinball machines and coin operated amusements and the location of the same, pursuant to the authority of RSA 31:41-d, or take any other action relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to replace a 1981 police cruiser, or take any other action relating thereto.

Article 17. To see if the Town will vote to establish a Police-Community Relations Committee, to promote a more efficient and effective Police Department working with the townspeople; consisting of five members, none of whom shall be Selectmen, appointed by the Moderator, or take any other action relating thereto. (By Petition)

Article 18. To see if the Town will vote to join with certain other Towns as a member of the proposed Contoocook Valley Solid Waste District, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) for preliminary engineering studies and soils samples at the landfill to comply with the State Solid Waste Districting Law, or take any other action relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Twenty-Two Thousand Dollars (\$22,000.00) for certain repairs to the Town House Cupola, or take any other action relating thereto.

Article 21. To see if the Town will vote to raise and appropriate a sum not to exceed Forty Thousand Dollars (\$40,000.00), or authorize the Selectmen to borrow any or all of that sum upon such terms and conditions as they may negotiate, for the purpose of purchasing the real estate and demolishing of the buildings of Lawrence C. and Beverly Bishop situated on the easterly side of Grove Street adjacent to the Nubanusit River, or take any other action relating thereto.

Article 22. To see if the Town will vote to raise and appropriate a sum not to exceed Forty Thousand Dollars (\$40,000.00) for certain additions and alterations to the Town House heating system, or take any other action relating thereto.

Article 23. To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Five Hundred Eighty-One Dollars and Forty-Four Cents (\$14,581.44) for the Monadnock Community Visiting Nurse Association Inc., or take any other action relating thereto. (By Petition)

Article 24. To see if the Town will vote to raise and appropriate the sum of Three Hundred

Dollars (\$300.00) for the support of the Monadnock Region Association, or take any other action relating thereto. (By Petition)

Article 25. To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for support of the Monadnock Community Day Care Center, or take any other action relating thereto. (By Petition)

Article 26. To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the support of The Grand Monadnock Arts Council, or take any other action relating thereto. (By Petition)

Article 27. To see if the Town will vote to raise and appropriate the sum of Forty-Two Thousand Five Hundred Dollars (\$42,500.00) for granite curbing and related improvements on Union Street from Teixeira Park to the bridge over the Nubanusit River, or take any other action relating thereto. (By Petition)

Article 28. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Peterborough and to the health and welfare of the people of Peterborough, or take any other action relating thereto. (By Petition)

Article 29. To see if the Town will vote to raise and appropriate the sum of Two Thousand Four Hundred Forty-Eight Dollars and Fifty Cents (\$2,448.50) for the Monadnock Family and Mental Health Service, or take any other action relating thereto. (By Petition)

Article 30. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, or take any other action relating thereto.

Article 31. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty-First day of February, in the year of Our Lord Nineteen Hundred Eighty-Three.

Smith,
Batchelder
Rugg

To the Board of Selectmen of the
Town of Peterborough:

We have examined the financial statements (as indexed in the Table of Contents) of the Town of Peterborough for the year ended December 31, 1982. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of the Town of Peterborough as of December 31, 1982, and the results of the financial transactions for the year then ended in conformity with generally accepted accounting principles applicable to government entities applied on a basis consistent with that of the preceding year.

Our examination has been made primarily for the purpose of forming the opinion stated in the preceding paragraph. The data contained in Schedules 1 to 3, inclusive, of this report, although not considered necessary for a fair presentation of financial position, results of operations and changes in financial position in conformity with generally accepted accounting principles, are presented for supplementary analysis purposes. These data have been subjected to the audit procedures applied in the examination of the basic financial statements. In our opinion, the data are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CERTIFIED
PUBLIC ACCOUNTANTS

To the Board of Selectmen of the
Town of Peterborough:

We have examined the financial statements of the Town of Peterborough for the year ended December 31, 1982, and have issued our report thereon dated January 28, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act issued by the Office of Revenue Sharing, U. S. Department of the Treasury, and (2) compared the data on Bureau of Census form RS-8 for the year ended December 31, 1980 with the 1980 audited records of the Town of Peterborough.

In our opinion, for the items tested, the Town of Peterborough complied with the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the Town of Peterborough had not complied with the aforementioned provisions of the Revenue Sharing Act and regulations.

TOWN OF PETERBOROUGH

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1982

1. Summary of significant accounting policies:

The accounting policies of the Town of Peterborough conform to generally accepted accounting principles for local governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of accounting - The accrual basis is used for all fiduciary and proprietary funds. Governmental funds use the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- a. Disbursements for inventory items (materials and supplies) are considered expenditures when purchased.
- b. Prepaid expenses are not normally recorded.

General fixed assets - The Town instituted general fixed assets accounting as of December 31, 1979. However, historical cost records were not readily available for most assets. Therefore, the assets were stated on the following basis:

Land - Independent appraisal in 1974 increased by 41% to reflect current values.

Buildings - Independent appraisal in 1973 increased by 58% by insurance company to reflect current replacement cost. Assets acquired subsequent to appraisal are shown at estimated cost, plus a percentage, to reflect current replacement cost.

Furniture, fixtures and equipment - Estimated current values.

Vehicles - Estimated original cost.

Acquisitions subsequent to 1979 have been recorded at cost.

Property, plant and equipment - Fixed assets in the proprietary funds are stated at cost. Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

	<u>Years</u>
Water -	
Wells and pumping stations	10 - 35
Purification plant and equipment	5 - 50
Storage tanks and distribution mains	5 - 75
Service entrances and meters	7 - 25
Hydrants	25 - 50
Other equipment	3 - 10
Sewer -	
Mains	5 - 50
Treatment plant and pumping station	30
Equipment	3 - 7

TOWN OF PETERBOROUGH

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1982

1. Summary of significant accounting policies (continued):

Investments - Investments are stated at cost.

Continuing appropriations - Appropriations for certain projects and specific items not fully expended at year end are carried forward as continuing appropriations to the next year in which they supplement the appropriations for that year. At year end, continuing appropriations are reported as a component of fund balance and are detailed as follows:

Ambulance purchase	\$20,000
Town House renovation - sprinklers	8,814
Conservation Commission	5,418
Master plan	4,063
Water resources survey	<u>750</u>
	<u>\$39,045</u>

Taxes collected for others - The Town collects taxes for ConVal Regional School District and Hillsborough County which are remitted to them as required by law. These funds are accounted for as agency funds.

Interfund transactions - During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services, construct assets and service debt. The accompanying governmental and fiduciary funds financial statements reflect such transactions as transfers.

Proprietary funds record operating subsidies as other income, whereas the governmental fund paying the subsidy records it as a transfer.

Property taxes - Annually, the Town establishes an amount for abatements, discounts and refunds of property and resident tax revenues known as overlay. All abatements, discounts and refunds are charged to overlay. Overlay is included under the classification of general government in the financial statements.

As prescribed by law, the tax collector sells, at tax sale, all uncollected property taxes in the following year after taxes are due, where applicable. The purchaser, at tax sale, has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the three-year redemption period, the property is tax-deeded to the lienholder.

TOWN OF PETERBOROUGH

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1982

1. Summary of significant accounting policies (continued):

Retirement system - The Town provides for pension benefits to substantially all full-time employees through a contributory system under New Hampshire law. The law prescribes the formula for computing pension benefits and presently does not permit advance funding of pension liabilities. Pension benefits are paid from Town funding and employee contributions based on date of entry. Pension expense for the year ended June 30, 1982, the latest year end of the New Hampshire retirement system, was \$26,808. There is no unfunded past service liability and the value of vested benefits has not been determined. The date of the last actuarial report on the New Hampshire retirement system is June 30, 1979.

2. Purpose of funds and account groups:

The Town reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the Town and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental funds -

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

General fund - Used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Special revenue funds - Used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes or local law.

B. Proprietary funds -

Enterprise funds - These funds account for operations of entities that provide services on user charge or other basis to the general public.

C. Fiduciary funds

Trust and agency funds - These funds are used to account for assets held by the Town in a fiduciary capacity for various purposes, including cemetery operations and taxes collected for other governmental units. Receipts and expenditures of each fund are governed by statutes or local law.

TOWN OF PETERBOROUGH
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1982

3. Budget:

The Town budget represents departmental appropriations as authorized by annual or special Town meetings. The selectmen may transfer funds between operating categories as they deem necessary.

4. Long-term debt:

General - General long-term debt at December 31, 1982 represented the unpaid balance of the 5.10% sewer construction bonds. The bonds are payable in annual installments of \$180,000, plus interest, through 1990.

Water - Notes payable to banks at December 31, 1982 consisted of:

3 1/2% note, payable in annual installments of \$20,000, plus interest, through 1987	\$100,000
5 3/4% note for guaranteed main line extension, payable in annual installments of \$400, plus interest, through 1988	2,400
4 1/4% note for guaranteed main line extension, payable in annual installments of \$900, plus interest, through 1992	9,000
5% note, payable in annual installments of \$17,500, plus interest, through 1997	262,500
6% note for guaranteed main line extension, payable in annual installments of \$866, plus interest, through 1998	<u>13,859</u>
	<u>387,759</u>

Sewer - Notes payable to banks at December 31, 1982, all for guaranteed main line extension, consisted of:

7.5% note, payable in annual installments of \$33,000, plus interest, through 1983	33,000
6.5% note, payable in annual installments of \$978, plus interest, through 1992	9,387
4 1/4% note, payable in annual installments of \$800, plus interest, through 1992	8,000
4 1/2% note, payable in annual installments of \$1,700, plus interest, through 1992	17,000

TOWN OF PETERBOROUGH
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1982

4. Long-term debt (continued):

5.5% note, payable in annual installments of \$265, plus interest, through 1994	3,180
6% note, payable in annual installments of \$485, plus interest, through 1994	5,824
6% note, payable in annual installments of \$295, plus interest, through 1994	3,540
6% note, payable in annual installments of \$1,750, plus interest, through 1995	22,750
5.5% note, payable in annual installments of \$640, plus interest, through 1996	8,960
6% note, payable in annual installments of \$582, plus interest, through 1997	8,744
7.5% note, payable in annual installments of \$1,365, plus interest, through 2000	21,976
10% note, payable in annual installments of \$1,722, plus interest, through 2002	14,660
	157,021
	544,780
Less- Current portion	81,783
	\$462,997

Maturities for long-term debt in subsequent fiscal years from December 31, 1982 are as follows:

1983	\$ 81,783
1984	48,809
1985	48,837
1986	48,868
1987	48,903
1988-2002	267,580
	\$544,780

TOWN OF PETERBOROUGH

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1982

5. Nonexpendable trust funds:

The principal amount of all nonexpendable funds are restricted either by law or specific terms of individual bequests, in that only income earned thereon may be expended. Principal and income balances at December 31, 1982 are as follows:

	<u>Principal</u>	<u>Income</u>	<u>Total</u>
Common Trust A	\$ 37,143	\$ 60,218	\$ 97,361
Common Trust B	30,480	32,694	63,174
Common Trust C	7,154	4,060	11,214
Common Trust D	47,979	8,017	55,996
Common Trust E	56,121	83	56,204
Common Trust F	62,149	10,032	72,181
Library Trust	266,337	20,128	286,465
Albert W. Noone Trust	-	64	64
	<u>\$507,363</u>	<u>\$135,296</u>	<u>\$642,659</u>

6. Expendable trust funds:

Expendable trust funds (capital reserve funds) at December 31, 1982 were:

Water	\$23,098
Sewer	16,103
Ambulance	<u>10,659</u>
	<u>\$49,860</u>

7. Special revenue fund balances:

Special revenue fund balance at December 31, 1982 consisted of:

Revenue sharing fund	\$ 3,616
Library fund	823
Cemetery fund	<u>16,098</u>
	<u>\$20,537</u>

8. Contingencies:

In February, 1980, a former police officer brought suit for \$250,000 against the Town and the police chief, primarily for reasons of sex discrimination. In the Town counsel's opinion, the financial liability of the Town will be minimal, if not nonexistent.

TOWN OF PETERBOROUGH

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1982

8. Contingencies (continued):

A local business has filed a property tax abatement request for approximately \$30,000 for each of the tax years ended March 31, 1979, 1980, 1981, 1982 and 1983. The selectmen have denied the request and the matter is being appealed in court. The outcome is dependent upon the true value of the property. An independent appraiser has verified the Town's figures.

Article 24: \$1,200 to support the Monadnock Community Day Care Center. Motion passed.

Article 25: \$200. for support of the Grand Monadnock Arts Council. Motion passed.

Article 26: Move that the citizens of Peterborough ask N.H. Congressional delegation to support a resolution in the U.S. Congress to Request the President of the United States to propose a mutual freeze on nuclear weapons. Motion passed.

Article 27: \$2,448.50 to be used for the Monadnock Family and Mental Health Service. Motion passed.

Article 28: Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed. Motion passed.

PETERBOROUGH CODE OFFICE REPORT

1982

If last year showed a decline in building permits, this year produced almost a total collapse in the construction field.

It required a great deal of financial courage for both the new owner and the contractor to build a new house this year.

Remodeling in both residential and commercial properties continue to show some strength.

This office welcomes any phone calls or visits where advice is needed on building or Code Office problems.

Respectfully submitted,
Charles R. Brown
Peterborough Code Officer

**REPORT OF SUPERINTENDENT OF PUBLIC WORKS
RELATIVE TO ADMINISTRATION OF**

Town Office
Highway Department
Water Department
Sewer Department
Engineering

Town House
Trees & Forests
Parks
Cemeteries
Solid Waste

The following is a brief report of the Departments that I have administered during the past year.

Highway Department

The past year has been an odd one in many ways for the department. Much of the routine work was not done due to a reduction in personnel. Also, the crew was often times made up of two drivers because there were no laborers available leading to an extremely inefficient and costly operating procedure.

On the brighter side crews installed a much needed drainage system on High Street and made a few improvements on Carley Road.

Over three miles of road were ditched and the streets were sealcoated.

The crew spent a great deal of time repairing vandalism damage which seems to be on the increase over the past few years.

Water Department

The department completed a 2,100 foot main extension from Union Street to MacDowell Road as part of the long term improvements on the system.

The West Peterborough storage tank was cleaned and painted. Vandals apparently took exception to the work and repainted it to their liking the next night.

A new system of corrosion control was instituted at the North Well to correct a low Ph condition.

A Sunday morning water main break on Sand Hill Road washed out 300 feet of roadway and created a diversion for football fans during the NFL strike.

Late in the year a new series of tests by the New Hampshire Water Supply and Pollution Control Commission turned up evidence of industrial solvent contamination in our South Well. The well was immediately taken out of service and steps were taken to bring the reserve Summer Street well on line.

Twenty-two hundred feet of new main was laid connecting the well to the existing main at the Fly Pond. Equipment orders were expedited and intentions are to have the Well on line shortly after the first of the year.

There was one new service installed during the year.

Sewer Department

A five hundred foot mainline extension was installed on Lounsbury Ave. during the summer.

The new remote pump station was heavily damaged by vandals.

There was one new service installed in 1982.

Solid Waste Department

The balefill operation has turned out to be an unqualified success and steps have been taken to make the operation permanent.

Sales of recycled material were slow at the beginning of the year but picked up in the late months. This reflected the general state of the economy.

Trees and Forests

Thirty-nine hazardous trees were removed and only one request was received for a replacement tree.

Town Office

The Town entered the computer age this year when for the first time tax bills were computerized. No problems with the change over were encountered.

Town House

Phase II of the building renovation plan is virtually completed.

The ice hooks on the roof were strengthened and several broken slates were replaced.

Several windows were broken by stones and snowballs during the year.

The need for additional storage space is more pressing than ever as we have material stacked all over the building.

Parks and Cemeteries

The parks and cemeteries were well maintained again by Bud Grant and crew.

Forty-one burials were performed during the past year.

Engineering

This department was evicted during the renovations of the Town House and no longer exists.

Education

Scott Pollock has finished his studies at UNH and has returned to work with the Water Department. He has obtained a Class I Operators license.

Howard Parker, water department foreman, completed a cross connection seminar sponsored by the New Hampshire Water Supply and Pollution Control Commission.

In conclusion, I wish to express my appreciation to the Selectmen; my office staff; Thelma Turner, Becky Baldwin, and Deanna Atkinson; my foremen; Pete Deiana, Howard Parker, and Tom Weeks; fellow department heads and to you our valued citizens, for your continued support and encouragement during the past year.

Respectfully submitted,

John N. Isham

Superintendent of Public Works

REPORT OF THE BOARD OF ADJUSTMENT

The Peterborough Board of Adjustment considered 25 applications during 1982, 16 of which sought special exceptions and nine of which requested variances. Thirteen of the applications for special exceptions were granted and three were denied, while five of the requests for variances were granted and four were denied.

A special exception permits the use of property for a purpose specifically designated in the Zoning Ordinance and is granted in situations where the Board determines that the proposed use will not adversely affect other neighboring properties and will be consistent with the overall character of the respective zoning district. On the other hand, a request for a variance asks the Board to permit a use not otherwise provided for in the Zoning Ordinance, and usually requires the applicant to show that some undue hardship will result unless the variance is granted.

There were seven applications received with respect to property in the Family District, two of which requested special exceptions, and five of which sought variances. The two requests for special exceptions were for permission to conduct customary home occupations, which are businesses carried on in a residence by members of the family and are incidental and secondary to use of the home for residential purposes. The Board granted a request to conduct a taxi service from the applicant's home, but denied the use of a home as an insurance office. The Board granted all but one of the five variance requests, permitting a slightly larger sign than otherwise allowable; allowing the subdivision of a large tract with little road frontage into two lots served by a common driveway; permitting a subdivision which would result in less than the required acreage per dwelling unit for an existing apartment house on the property; and allowing the reconstruction of an old barn which would violate the current setback requirements if it were a new building. The Board denied the variance application which would have permitted construction of a clustered residential development, because such developments are only permitted in the General Residence and Rural Districts, and no hardship was demonstrated.

Seven applications were also received with regard to property in the General Residence District, six of which sought special exceptions, and one of which sought a variance. The Board granted all of the special exceptions, permitting the conversion of a recently discontinued ice business to a shop for the sale of crafts; allowing a former residence to be used as a dental office and apartment; permitting a local church to construct a parking lot on a portion of its property; allowing the conversion of a professional use to a customary home occupation consisting of energy conservation and consultation; permitting the conduct of a limosine business from a residence as a customary home occupation; and allowing a former apartment to be used for office purposes. The variance application was also approved to allow a residential addition to be constructed closer to the street than otherwise allowable under the setback requirements.

The Board received and granted three applications for special exceptions in connection with property located in the Rural District, permitting the use of a large tract for a proposed recreational facility; allowing a customary home occupation consisting of food catering, dried flowers and herbal arrangements; and permitting the construction of additional living units at a local nursing home.

There were eight applications received with regard to property in the Commercial District, five of which sought special exceptions, and three of which requested variances. The Board granted applications to permit the operation of a fast-food service at a local shopping center; to allow a fast food pizza restaurant to be operated in a former auto repair location; and to permit the operation of a retail hardware and building materials home center. On the other hand, the Board denied requests to allow the operation of a fast-food pizza restaurant in space formerly used by a bicycle shop; and to permit enlargement of a commercial sign which already exceeded the allowable square footage. All of the variance requests were denied, including an application to construct a sign larger than the allowable square footage requirements; a request to erect an additional free-standing sign advertising gasoline prices; and an application to con-

struct an automobile dealership sign which would have been larger than the allowable dimensions.

In its decisions during 1982, the Board attempted to apply and interpret the Zoning Ordinance in a consistent manner. Variances of use restrictions were denied except in extraordinary cases, while variances of setback, frontage and other such requirements were granted where reasonably necessary and appropriate. The Board granted special exceptions, often subject to numerous conditions, where it deemed that the spirit and intent of the Zoning Ordinance could be preserved.

SELECTMEN'S REPORT

The year 1982 has passed into history and your Board of Selectmen have striven to fulfill their basic obligation, that is to conduct the administrative affairs of the Town in the most judicious manner possible.

The year 1982 must be considered a good year for the Town in general. There were no earth shaking events either good or bad and the Town and its citizens enjoyed what may be considered normalcy insofar as that term can be defined.

With confidence in the future we embark into 1983 with a determination to prove once again that, "Peterborough is a good Town to live in".

Respectfully submitted,
James R. Lawn, Chairman
Robert H. Grip
Stanley W. Peters
BOARD OF SELECTMEN

1982 PLANNING BOARD REPORT

1982 was not a particularly busy year for the Town Planning Board. Home construction was in a depressed state because of high interest rates and sluggish economy, with the result that the Board received just nine applications for residential subdivision, all but two involving only two lots each. One was for three lots, and the only disapproval was a project of four lots off Spring Road which was declined because of road frontage problems.

The Board allowed two minor boundary adjustments, recommended eight Special Exception cases to the Board of Adjustment, and passed on to the latter Board with the recommendation that it be turned down, a request to locate a business office as a Home Occupation in a residence zone. Twice the Board gave encouragement to a new site for Peterborough Pizza, on lower Main Street and off Grove Street, but neither arrangement materialized, and soon after the end of 1982 the pizza operation closed its Main Street store.

Five site plan reviews were presented for Board action, one in preliminary form. Approved were redevelopment of the Noone Mills at South Peterborough for a complex of retail shops, a restaurant, and offices; expansion of Summerhill Nursing Home on Old Dublin Road; converting a onetime garage on Main Street for use as a maternity and children's clothing store; and a new location for Peterborough Seafoods on Route 202S.

Preliminary site talks were held with representatives of Trinity Evangelical Church about a religious facility off Route 101E, a project which the sponsors indicated they would like to undertake in 1983.

The Board proposed amendments in zoning rules concerning manufactured housing, elderly housing, and signs, all of which were adopted by referendum vote at Town Meeting in March, 1982. For 1983, the Board will have an amendment on the ballot to regulate use of land for aviation purposes.

An injunction was obtained in Superior Court, with the Planning Board joining the Selectmen as parties in the successful legal action to halt mining of gravel from the Earle Naglie land, Middle Hancock Road, until such time as the operation receives necessary zoning approvals.

In the Fall the resignation of William Page as a board member was received and accepted, with thanks for his contributions to the planning functions of town government. He asked to be relieved of the responsibility because of demands on his time by his private career in business consulting. Appointed by the Selectmen to fill Page's term ending in 1984 was Jeffrey Crocker, a practicing attorney with offices in Jaffrey. Also named as an alternate member, the first person so designated, was Donald Harris.

Town planning, as the Board has said in previous annual reports, is a challenging, and ever-changing function of local government. Success in this endeavor can only be measured by how board actions are received, and accepted by other officials and citizens in general. All Board meetings are open to the public, and participation in hearings and discussions is encouraged.

Respectfully submitted,
Richard R. Fernald, Chairman
Paul C. Cummings, Jr., Vice Chairman
Mary N. Emery

**PETERBOROUGH POLICE DEPARTMENT ANNUAL REPORT — 1982
TO THE HONORABLE BOARD OF SELECTMEN
AND THE CITIZENS OF THE TOWN OF PETERBOROUGH**

PERSONNEL

Several changes were made in the Peterborough Police Department roster last year and we now have the finest group of Police Officers in the State of New Hampshire.

Case in point is Officer Ronald Creeley who graduated from the 61st session of the New Hampshire Police Academy on 19 November, 1982 with the highest scholastic average in the entire class. He achieved his 95% average in competition with State Police, Fish & Game, County Sheriffs and city Police Officers.

Special Officer / Dispatcher Lori A. Coffin graduated from the State of New Hampshire Special Officers School on 13 November, 1982, with a scholastic average of 92%, which was the top score in her class.

Peterborough was number one in 1982.

RESIDENTIAL PATROL AND DEPARTMENT EFFICIENCY

The Peterborough Police Department was erroneously and unfairly criticized on these points last year. The facts are as follows:

1. The Peterborough Police Department patrols and checks more residential and commercial property than any other department in the area, and they do this 24 hours a day, 7 days a week, including Sundays and Holidays.

2. The Peterborough Police Department's clearance rate for burglary is double the national average (31% to 14%), and the Peterborough Police clearance rate for theft is three times the national average (57% to 19%).

The Peterborough Police Department average is from the Uniform Crime Reports on file with the New Hampshire State Police. The National average is from the 1982 issue of Crime in the United States, printed by the United States Department of Justice.

ACTIVITY REPORT

Activity	1981	1982
Telephone calls received	11,680	17,332
Vacant property checks	1,173	1,400
Alarms answered	232	207
Assists to other departments	312	347
Prisoners held for other departments	94	46
Doors and windows secured	431	437
Escorts	488	590
Traffic control	1,639	1,740
Lost items	79	142
Found items	93	130
Complaints Received		
Assaults	28	25
Animal complaints	271	296
Burglary	38	48
Bad checks	32	54
Criminal mischief	179	193
Criminal trespass	32	24
Domestic disturbance	61	72
Disorderly conduct	117	34
Drug	73	76
Illegal parking	114	248
Motor vehicle	221	160

Missing persons	25	47
Shoplifting	19	53
Suspicious person	121	126
Suspicious motor vehicle	242	270
Theft	149	121
Arrests/Summons		
Driving While Intoxicated	47	53
Criminal	115	84
Traffic	909	390

REVENUE COLLECTED

1981	Source	1982
\$000.00	Reimbursement for damage	\$ 195.00
42.00	Parking Tickets	158.00
120.00	Pistol Permits	140.00
449.00	Copies of PPD Reports to Insurance Companies	608.00
000.00	MacDowell Dam Patrol	3,347.90
	Total	
\$611.00		\$4,448.90

The Peterborough Police Department is also responsible for the collection of unlicensed dog fees every year. In 1982, we mailed 247 reminders to the owners of unlicensed dogs. If the owner does not respond to the letter, a Peterborough Police Officer calls at the house and eventually the case is referred to the District Court if necessary.

The Town Clerk collected \$1,475.00 in dog license fees in 1977, compared to \$3,231.35 collected for 1981.

SUMMARY

It is my personal and professional opinion that the Peterborough Police Department is one of the best in the State of New Hampshire and we are constantly working to improve it.

Our efficiency and more importantly, our effectiveness, is far above the National Average, and the morale is high despite attacks and criticism from special interest groups.

We have received more letters of gratitude and praise in the last year than we did in the previous four years combined, but we have no intention of resting on those laurels. We will continue to improve in 1983.

I wish to take this opportunity to thank all the people and departments for their support and assistance in the past year.

Sincerely,
Joseph V. McCarthy
Chief of Police

REPORT OF THE FIRE DEPARTMENT 1982

The year 1982 for the Fire Department was the best in years in terms of fire calls and fire losses. We had only a total of 140 calls all year which was a decrease of 79 calls over the previous year. The breakdown of these calls is as follows:

Structure	4
Chimney	31
Brush	8
Mutual Aid	16
Auto-Truck	14
Smoke Invest.	15
False Alarms	26
Auto Accidents	14
Alarm Malfunctions	11
Miscellaneous	11

Based on calls per month January was our busiest with 21 calls. June was our slowest month with 5 calls. Although our most frequent calls continue to be chimney fires they have been decreasing the past two years which tells us our wood burning people are getting better educated with chimney and wood stoves. The number of personnel in the department at present remains at 33. We are gradually losing some of our long service men but have been very successful in gaining some excellent young personnel to come in and take over and attend all the training that is now available.

The ambulance portion of our department also shows a great reduction in the number of calls. Through the cooperation of all the nursing homes and hospital and citizens of all the towns we service we were able to lower our calls from 550 in 1981 to just 370 in 1982 which shows a reduction of 180 calls. We thank everyone involved to be able to accomplish this.

At this time all the officers and personnel of the Peterborough Fire Department wish to thank everyone who has assisted us during the past year and with so much help and cooperation it makes our work that much easier. It certainly is a great satisfaction to all of us at budget time to be supported by the voters as we have in the past. In a few weeks our new ambulance which was voted at last years town meeting will be arriving and we will be retiring our 1973 Cadillac which was our first ambulance and has served us so well through the years. Once again we wish to thank you one and all and will be looking forward toward your continued support.

Lawrence Bishop, Chief

Jere Morris, Deputy

Dennis Cilley, Deputy

RECREATION REPORT 1982

College professors throughout America are now expounding on the fact that leisure is growing faster than our capacity to use it. Certainly an academic and profound concern since it is during leisure that people rise to their greatest potential or sink into their deepest mire. Hence, it is with this in mind that the PRC will continue to pursue wholesome recreational programming for all ages.

Trips to Boston for the Celtics, Bruins, Red Sox, Ice Capades, Annie, Evita, Westside Waltz, The Nutcracker, Walt Disney World on Ice, Quincy Market and New England Flower Show were popularly received in '82. As were the department's 4th Annual weekend trip to Montreal; two night-three day trip to Nantucket Island; and November day trip to Sturbridge Village.

Coed-Volleyball, Basketball, Softball, Cross-Country Skiing, Calligraphy, Aerobic Exercise, Tiny Tot Swimming, Biking, Figure Skating, Soccer, Pop Warner Football, Ice Hockey, Babe Ruth League Baseball, Drama Dance, Waterastics, Track & Field, Walk-Run-Jog Class, Computer Course offerings, Open Gym, Childrens' Easter Hunt, Halloween and Christmas Party as well as the Jaycees 2nd Annual Athletic Skills Tournament at Adams Playground represented further offerings which were well attended this past year.

Adams Playground continues to be the focal point for summer recreation in Peterborough. Swim Team, lessons in Tennis and Arts & Crafts, American Red Cross Swimming Lessons, Softball, Baseball and other special events gave the children plenty to chose from this past summer. The department is also grateful to the PPD for its Bicycle Safety Clinic that took place during the first week of summer playground activities.

Program Director Lynn Castonguay was outstanding coordinating the summer Aquatics Program. Assisting Lynn as lifeguards were: Stephanie Emma, Candy Ingalls, Angele Summers, Lori Johnson and Tom Feller. Bathhouse Attendants were: Christine Temple, Janet Chandler and Joan Norton.

Playground Staff included the following: Russ Fernald (Tennis); Lisa Murphy (Arts & Crafts); Jeff Whitcomb (Athletics); and Kelley Keating (Playground Supervisor). Sue Tatem, of the University of Northern Colorado, assisted in Arts & Crafts in a voluntary work-study program to complete requirements for her degree at UNC.

Chris Cutter and Tim Wakefield assisted Maintenance Foreman Neal Boyd in summer maintenance.

Uncansville, Connecticut won its 3rd consecutive New England Senior Basketball Championship in Peterborough last March.

In August Larry Bishop's Micros won the 1982 Crotched Mountain League Championship while Roland's Exxon captured the 1982 N.H. 16" State Softball Title winning a right to represent New England in the Nationals in Aberdeen, South Dakota.

In September Bellemore Oil of Manchester repeated as Champions of the department's 2nd Annual Johnny "Ecco" Atkoczaits Softball Tournament.

The PRC wishes to express its gratitude to Superintendent of Schools Dr. Robert Reidy, Athletic Director Robert Butson and PES Principal Ken Greenbaum for allowing the PRD to offer year round recreational programs using school facilities.

The PRC is also indebted to AARP Travel Chairperson Susie Scofield for her advise and assistance on trips as well as Joseph Nolan for his kindness and lead role in the department's Christmas Party.

Knowing that Peterborough children born in 1983 will be Conval High School graduates in the year 2000 the PRD has placed a great deal of emphasis this past year in planning long range.

A Community Center for Arts and Athletics as well as an Indoor Pool and Ice Skating facility are now being studied with the hope that the aforementioned children will be able to enjoy

these kinds of facilities when they become students at the local high school. The realization of this kind of planning would also benefit every age and health sector of the community.

Respectfully submitted,
Roland "Beaver" Jutras
Richard Dunning
Roland Patten
Chip Mann
Betty Larson
Kenneth Fields

REPORT OF OVERSEER OF PUBLIC WELFARE

In 1982 5 more requests for Direct relief were received than in 1981. In addition, as in the previous year, several people were assisted through the use of the "Food Bank" established with the generous support of the Congregational Church, and the Fifth annual "Walk for the Hungry".

Thanksgiving and Christmas Holiday Dinners were once again provided by the Peterborough Rotary Club. In addition, the Congregational Church made a generous donation for Christmas baskets.

Operation Santa Claus, under the leadership of the Business and Professional Women's Association, and coordinated volunteer efforts in collecting and distributing Christmas presents for children, was a big success.

Thanks to all who contributed in time and money to the success of this Holiday happiness. Recognition is again given to the local Sears Catalog store for the donation of toys.

\$628.35 was received for distribution from the Common Trust "D", the John Q. Adams fund, Almon T. Hovey fund, Osgood fund, and Malinda Upton fund. In addition, \$169.27 was received from Trust "D" Overseer of Welfare Fund. These funds were distributed during Christmas week.

Chapter 304 of the Laws of 1981 created a Committee to study Settlement Laws of N.H. and the laws which determine the liability of Towns and Counties for people in need of assistance. The final report of the Committee was due Dec. 1st, but has not yet been made public. A basic concept agreed on at an early meeting was that the authority to administer welfare programs should rest with the level of government liable for payment.

As a member of the Legislative Oversight Committee on Health and Welfare it was the recommendation of our Committee that:

1. General Assistance: Currently the responsibility of the town of the town of settlement for 365 days, then the county, or the responsibility of the county if there is no town of settlement shall be the sole responsibility of the town.

2. Old Age Assistance and Aid to the Permanently and Totally Disabled: Currently a shared town, county, and state responsibility; shall be the sole responsibility of the state.

3. Intermediate Nursing Care, currently a shared town, county, state, and federal government responsibility shall be a county/federal responsibility.

4. Juvenile Placement: Currently a town or county responsibility according to settlement; shall be the sole responsibility of the state.

5. Aid to the Needy Blind: Currently a state responsibility, and shall remain so.

It is the Oversight Committee's belief that by clearly delineating which levels of government are responsible for which programs, the state's long history of costly litigation between levels of government over financial liability for public assistance recipients can be ended.

If these changed become a reality, they would not likely be effective before August or September of this year, but could result in considerable saving in this local Welfare Budget in the last quarter of the year, and in future local Welfare Budgets.

Fred E. Murray
Overseer of Public Welfare

HEALTH OFFICERS REPORT

The following inspections, complaints, and requests for assistance were investigated between January 1 and August 1.

Foster Home Inspection2
Family Day Care2
Group Day Care Homes1
Unsanitary Condition in Food Service Facility2
Neighborhood Offensive Odor2
Septic System Complaints4
Tenant-Landlord Complaint3

Fred E. Murray
Health Officer
Jan. 1 to Aug. 1, 1982

The following activities have been conducted Aug. 1 to Jan. 1, 1983

Building Inspections4
Investigation of a Water Source1
Complaint of Doors on 2 Discarded Refrigerators1
Day Care Approvals3
Complaint of Improper Rubbish Disposals1
Complaint Concerning Public Restrooms1
Complaints of No Heat in an Apartment Building3

I wish to thank the Peterborough Police Department for their assistance.

James Grant
Health Officer
Aug. to Jan. 1, 1983

REPORT OF THE PETERBOROUGH CONSERVATION COMMISSION 1982

The task of the Conservation Commission is to help ensure the protection and enhancement of the natural environment of the town. It is responsible for reviewing activities that may be detrimental thereto, and for recommending actions that may be helpful.

With drastic cutbacks in State Wetlands Board appropriations, added responsibility has had to be assumed by local Conservation Commissions for review of dredge and fill applications. Thus, when the Commission receives a copy of each such application it undertakes an on-site study of its wetlands implications. In questionable situations it can hold a public hearing, and in any case can hold up approval for 30 days, and can submit a written report or appear at the Wetlands Board meetings to present specific concerns. A number of dredge and fill applications were reviewed in 1982.

Similarly, the Commission is concerned with the proper implementation of the law governing removal of sand and gravel and proper restoration of land after such removal. In this connection, the Commission actively supported the Selectmen in securing an injunction to stop an instance of unauthorized and improper gravel removal this year.

Commission member Fairfield Raymond, in cooperation with the Hillsborough County Extension Service, completed a study of all important wetlands in the town and prepared a large town map showing these wetlands, which map he had suitably framed for hanging in the Courtroom of the Town House, where it is very useful to the Planning Board and Board of Adjustment in reviewing applications brought before them.

During 1982 the Commission plan for a trail through town-owned conservation lands, from Old Mountain Road to the top of North Pack Monadnock, was carried forward to substantial completion, with the active assistance of the leadership and members of Boy Scout Troop 808. Volunteer supervision of the project was undertaken by Mr. Lee Baker. As the trail terminates on state-owned land, the cooperation of the State Department of Forests and Lands was necessary and was secured. This trail should be completed for the 1983 hiking season and the Commission is most grateful to BSA Troop 808 for its past and projected work toward this end.

The Commission has been watching with active interest the ongoing hydropower redevelopments being carried forward on both the Nubanusit and Contoocook Rivers, as well as the project being undertaken in West Peterborough at the site studied by the Town at the instigation of the Commission. If this project is completed, the town should both recover the original outlay for the study and receive tax income from the installation.

Your Commission requests the help of all Peterborough citizens in its environmental supervision, and actively solicits any inquiries that residents may have as to actions they observe which may seem to them questionable. The recent discovery of pollution in the South Well points up the importance of prevention of unauthorized dumping of waste materials or other water or soil polluting actions. Such help from all citizens can assist our town authorities in assuring the continued safety and attractiveness of our area.

During the year Damon Crumb, a most valuable member of the Commission, moved out of town. The other members were pleased that the Selectmen appointed Mr. Lee Baker, who has volunteered so much of his time to the trail project, to fill Mr. Crumb's unexpired term.

Lee Baker
Theodore A. Brayton
Philip M. DuBois
Nathaniel Bowditch

LIBRARIAN'S ANNUAL REPORT, 1982

Many people have expressed surprise at the cost of books. *Bowker's Annual*, which tabulates figures for libraries and the book trade, sets the average cost of a hardcover book in 1982 at \$25.48. The average price of a paperback book is \$9.70.

To get the most buying power for our book dollars, this library, as a member of the Nubanusit Library Cooperative, joined other cooperatives in New Hampshire and Massachusetts to command a 39.8% discount from the country's largest book jobber. As a result, we were able to add 1,590 books to our collection this year — 1,169 were adult titles and 421 were juvenile titles.

Twenty-five percent of these books were gifts. All books donated to the Friends of the Library Book Sale are checked first by the Librarian to see if they might supplement the collection. In addition to the \$1,700 netted by the book sale, the library received better than three hundred books, swelling the total collection to 42,000. Our circulation, at 62,558, represents 13 books per capita — among the highest in the state.

But what these statistics do not show is the tremendous amount of activity which takes place within the library. As a public building, it is used heavily: 99 different groups used our rooms 941 times. Our magazine area is a popular place to relax and browse. Patrons use the card catalog, the microfilm reader and the computer. They refer to our genealogy collection, request reference service, use our coupon and pattern exchange and attend library-sponsored films and book discussion groups.

Extending our service beyond the library walls, we offer an Outreach Service to homebound readers, Talking Books for the blind or handicapped persons, and a monthly film program for residents of local nursing homes.

Children's programming included preschool storyhour, afterschool films, Paperbacks in the Park, Summer Film Fest, Summer Reading Club and the Little Red Wagon.

A calendar of library events organized by Judy Garabrant and illustrated by Betty James helps patrons keep track of activities. The bimonthly newsletter edited by Ellen Hardsog keeps townspeople abreast of the news "Ad Lib".

Generous patrons continue to extend the library's capabilities. A "friend" gave a new 16mm projector. Mr. George Grimshaw made and donated a handsome oak bookcase to house our original collection. The Trustees were responsible for the addition of a kitchenette in the large meeting room. Elizabeth Yates McGreal secured the kitchen from her studio apartment, now the property of the State of New Hampshire, and Mr. & Mrs. Everett Clement paid for its installation. The Friends of the Library purchased tables, chairs and a new vacuum cleaner for the library.

In a year of so many gains, we must also acknowledge two losses. Gloria Murray, a library employee for seventeen years, retired on December 31, 1982. Gloria's warm manner made everyone feel welcome. Staff and patrons alike miss Mrs. Murray.

Trustees are the behind-the-scenes support of the library. They give time, treasures and talent. We are particularly blessed to have three trustees who compliment one another, and assume different areas of responsibilities. Jonathan Strong, a loyal library supporter, leaves the Board after ten years of service. His overseeing of the library addition, his willingness to receive frantic late-night phone calls, and his clear vision of the budget process were greatly appreciated. Jonathan will be sorely missed.

With a strong board and an enthusiastic staff, we look forward to a successful 1983.

Ann Geisel
Librarian
