(Ballot Vote) Article 2: passed by ballot vote. YES-404 NO-266

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$1,919,378.00 as posted, which represents the operating budget for the year 1997. Said sum does not include special or individual articles addressed. (Submitted by the Selectmen) (Recommended by the Selectmen and the Majority of the Budget Committee)

Article 3: Presented by David Aho, seconded.

Mr. Aho explained that some items that normally would have their own warrant articles which we would then vote on yearly were now being put in the general maintenance budget. Kathy Kozlowski representing the Budget Advisory Committee, commented in general that the selectmen kept the budget down and that the committee did approve. However there were several items that the committee had outlined and handed out to the assembly to look over and if any one wanted to discuss them that we could at this time.

After much discussion, Mr. Tower made a motion to move the vote.

The motion passed by voice vote.

Mr. Tower then called for the vote on Article 3.

Article 3 then passed by voice vote

Kathy Kozlowski then made a motion to move to Article 9. The motion was seconded. She explained that it was a major issue and wanted the vote before people left the meeting. The motion then passed by voice vote.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of up to Fifty Nine Thousand, Eight Hundred Dollars (\$59,800.00), to contract the services of an individual or a firm to act as Town Administrator. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the contract is completed or in two years, whichever is less. The purpose of the contract is to implement some or all of the recommendations listed in the report titled "Rindge, NH, Town Government, General Assessment", commissioned by Article 17 of the 1996 Town Warrant. (Submitted by the Board of Selectmen) (Recommended by the Board of Selectmen) (Recommended by the Budget Advisory Committee)

Article 9: Presented by David Aho, was seconded. Mr. Aho explained that MRI, the company that the town had hired to study the town departments and provide a report, recommended the town hire a Town Administrator.

Kathy Kozlowski, representing the Budget Advisory Committee, commented that this report from MRI was the best investment the town has made. She further said that the selectmen did not have to come to the town and ask to hire someone for this position but they are asking for our support. She said the Budget Advisory Committee fully supported this article.

After much discussion, Dan Whitney commented that the town needed to take this step and he made a motion to move the question. The motion to move the question passed by voice vote.

Mr. Tower then explained that this article had to be a secret ballot.

Article 9 then passed by secret ballot. Yes-161 No-84

ARTICLE 4: To hear and act upon the reports of the Selectmen, Town Treasurer, Town Clerk, and reports of all agents, committees and officers heretofore chosen.

Article 4: Presented by Scott Douglas, seconded.

Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. Such conveyance may be to the former owner of the property upon payment by the former owner of all prior unpaid real property taxes, interest and costs, together with the amount of real property taxes which would have accrued against such property had the Town not become the owner

of such property, calculated to the date of the conveyance to the former owner with interest at the rate set pursuant to RSA 80:75, III, as may be from time to time amended. The authority granted by this article is granted indefinitely, until rescinded. (Submitted by the Board of Selectmen)

Article 5: Presented by Benson Walen, seconded. Mr. Walen explained that this article eliminated the town from voting on this housekeeping article yearly.

Article 5 passed by voice vote.

To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$13,400, or, if married, a combined net income of less than \$20,400; and own net assets not in excess of \$50,000 excluding the value of the person's residence. Under no circumstances shall the amounts of the exemption for any age category be less than \$5,000. (Yes/No Ballot Vote) (Submitted by the Board of Selectmen) (Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Article 6 : Presented by David Aho, seconded. He explained that the new state guidelines have forced the town to make these adjustments. Don Gokey speaking for the Budget Advisory supported this article. Douglas Popp made a motion to amend the net income level from 13,400 to 18,940 and 20,400 to 27,072 because the state includes social security benefits in their income level, seconded.

Mr. Popp's motion to amend passed by voice vote.

After some discussion Mr. Tower then called a motion to move the vote on the amended article , seconded. Motion to move passed by voice vote.

Mr. Tower then called for a vote on amended article and announced that the state requires a secret ballot vote.

Amended Article 6 then passed by ballot vote. Yes-185 No-43

ARTICLE 7: To see if the Town will vote to change the purpose of the Public Safety Building Capital Reserve Fund, to read Municipal Buildings Capital Reserve, and to allow to be used for new buildings, additions and significant renovations. (2/3 Vote Required) (Submitted by the Board of Selectmen) (Recommended by the Board of Selectmen)

Article 7: Presented by Scott Douglas, seconded.

After some discussion Mr. Tower called for a division vote.

Article 7 then passed by division vote. Yes-190 No- 0

ARTICLE 8: To see if the Town will vote to appropriate and authorize the withdrawal of up to Thirty Seven Thousand Six Hundred Dollars (\$37,600.00) from the Municipal Buildings CRF for the purpose of improvements to the Fire Station. The improvements include, but are not limited, to replacement of the septic, water well and heating systems, installation of shower and ADA bathroom. (Submitted by the Board of Selectmen) (Recommended by the Board of Selectmen) (Recommended by the Majority of the Budget Advisory Committee)

Article 8: Presented by Benson Walen, seconded. Explained he supported this article to increase safety of the volunteers and to better serve the community. Robert Cleland representing the budget advisory committee, recommended this article.

After some discussion Mr. Tower called for the vote on article.

Article 8 then passed by voice vote.

Mr. Bunton then made a motion to take up article 12 out of order, seconded. Mr. Bunton explained that again this was a major issue and he wanted a vote on the article before the crowd thinned. The motion passed by voice vote.

ARTICLE 12: To see if the Town will vote to authorize the withdrawal from the Capital Reserve Fund established for this purpose (Library Remodeling), up to but not to exceed the sum of One Hundred Thousand Dollars (\$100,000.00) to be used for the following purposes: 1. To authorize the Selectmen to negotiate the possible acquisition and disposal of the Debold property for annexation to the library property, a sum not to exceed Seventy Five Thousand Dollars (\$75,000). 2. To authorize the expenditure of Twenty Five Thousand Dollars (\$25,000), for the purpose of paying for remodeling plans, site preparation and preparation of the existing facility. (Submitted by the Ingalls Memorial Library Trustees) (Recommended by Majority of Board of Selectmen) (Recommended by Majority of Budget Advisory Committee)

Article 12: Presented by Scott Douglas was amended to read:

To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (100,000.00) for the following purposes. 1. The sum of up to Seventy Five Thousand Dollars (75,000.00) to be raised by taxation to allow the selectmen to negotiate the possible acquisition and the disposition of the DeBold Property for annexation to the library property. 2. To authorize the expenditure of up to Twenty Five Thousand Dollars (25,000.00) from the Library Remodeling Capital Reserve fund for the purpose of paying for remodeling plans, cite preparation, and preparation of the existing facilities. Motion was seconded.

Mr. Douglas explained the article was rewritten because we can not take money out of a capital reserve that was set up for remodeling and use the funds to purchase land. DRA said the original article was illegal.

Gail Smith representing the library pointed out that the purchase of the DeBold property would resolve the parking dilemma.

John Wheeler representing the Budget Advisory Committee, pointed out that since the changes to the article just happened on the floor, the committee has had no opportunity to discuss the new amendment and therefor will not give a recommendation at this time.

Deb DiTommaso made a motion to pass over Article 12.

Mr. Tower advised her we could not because the article was on the floor.

Chris Williams made a motion to move the question, second.

Motion to move question failed by voice vote.

Discussion then continued on Article 12.

After lengthy discussion, Mr. Scotland made a motion to move the question.

ARTICLE 10: To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Tennis Court/Basketball Court Maintenance Fund, for the purpose of repairing and maintaining the courts and to raise and appropriate the sum of Four Thousand Dollars, (\$4,000) towards this purpose and to designate the Board of Selectmen as agents to expend. (Majority Vote Required) (Submitted by the Recreation Department) (Recommended by the Board of Selectmen) (Recommended by the Budget Advisory Committee)

Article 10: Presented by Scott Douglas made a motion to accept article as written, seconded. Mr. Douglas explained that every couple years we do a maintenance article. What this article does is create a fund established for this purpose giving the selectmen the right to make the repairs without having to come to the town with a warrant article. Mr. Lefebvre representing the Budget advisory committee remarked that the town owns the property and needs to maintain it. They support this article.

Article 10 then passed by voice vote.

ARTICLE 11: To see if the Town will vote to establish a Capital Reserve Fund under the provision of RSA 35:1 for the purpose of Recreational Facilities and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in this fund. (Majority Vote Required) (Submitted by the Recreation Department) (Recommended by the Board of Selectmen) (Budget Advisory Committee voted three in favor and 3 opposed)

Article 11: Presented by Mr. Walen made a motion to accept article as written, seconded. Mr. Walen stressed the high demand on Wellington Field and the need to develop the back land into regulation fields. Mr. Lefebvre commented that the Budget Committee was split on this article. Some members thought we could use FPC fields as back-up to the existing field at Wellington. Keith Griffin made a motion to amend the article to increase the amount to Forty Thousand (40,000.00). Motion seconded.

Mr. Douglas commented that if this amendment is approved it will allow us to put this amount into capital reserve this year. We will come back next year to spend the money.

Amended motion was then defeated by voice vote.

After some discussion, Mr. Tanner made a motion to move the question.

Seconded. Motion to move the question passed by voice vote.

(Submitted by the Ingalls Memorial Library Trustees) (Recommended by a Majority of the Board of Selectmen) (Recommended by a Majority of the Budget Advisory Committee)

Article 13: Presented by Mr. Douglas, made a motion to accept article as written, seconded. Mr. Wheeler, representing Budget Advisory Committee, could not make a recommendation on this article since article 12 had been defeated. Mr. Douglas then amended his motion to pass over this article.

Mr. Tower announced that this was another petitioned secret ballot article. He asked the petitioners if they objected to this article being passed over. None responded.

Mr. Tower then repeated the motion on the floor which was to take no action on this article. Motion to take no action passed by voice vote.

ARTICLE 14: To see if the Town will vote to appropriate from surplus the sum of Fifty Eight Thousand Dollars (\$58,000), (Moneys received from insurance companies), to be added to the Payson Hill Water Project Capital Reserve Fund previously established. Article 15: A petition article, was represented by one of the petitioners, seconded.

Voice vote was too close to call. Mr. Tower then called for a division vote.

Article 15 then passed by division vote. Yes --77 No---45

ARTICLE 16: To take up any other matter that may properly come before this meeting. There being no other matters, Mr. Tower adjourned the meeting at 11:00 p.m.

All newly elected officers in attendance were then sworn in by Mr. Tower.

Respectfully submitted,

Carol E. Donovan, Town Clerk

REPORT OF THE SELECTMEN

1997 was definitely a year of change. One might observe the glass of water as half empty, others as half full...

Did the Town move forward or backwards? Undoubtedly, the Board feels that despite all the turmoil, this was a very productive year and we moved forward. As your elected Board of Selectmen, we started to transition the Town in the direction which was mapped by your vote.

Since its incorporation in 1768, the Town of Rindge has stood for greatness - both in our landscape and in the dedication of our residents. Today, in 1997, this still holds true. Our Town is respected as a wonderful place to live, raise a family and conduct business. We can look out into the future and only see continued prosperity and growth. It is clear that the glass is half full. I would just like to consider a few of our assets:

Consider that this year Franklin Pierce College celebrated a milestone. The college is well respected academically and expanding rapidly. The impact to our town is considerable. The college's support to our tax base is substantial. They are the Town's largest employer. We are grateful to the continued commitment to our town, and we congratulate the institution on their success.

Consider the dedicated employees of the Town of Rindge. They keep this town running, they keep it safe, clean, efficient and fun. Each of the departments did a wonderful job this year. The town is proud of your representation and we are grateful for your service. I would like to thank the Department Heads and the employees of Rindge. You are among our finest assets. A special thank you to Frank DiRusso who's many years of dedicated service on the Rindge Police Department have kept our streets safe...**Thank You Frank!**

Consider our growth. The town is growing in both our commercial and residential districts. This growth is controlled by the rules put in place by the residents. We have established clearly defined areas for development, which will ensure the beauty and safety of our town. This change to our landscape will continue because of our strategic location. Reflect for a moment on the future impact of communications. With recent technological developments, people can work from any location they want. Where do you think innovators will choose? The city or our lakes, mountains and forests?

And finally, consider our greatest asset: our people. This town is great because of the people that choose to live here. People care about the future direction of our town because they want it to continue to be an affordable, safe and enjoyable

place to live. This is why we have so many volunteers for our youth sports, in our schools, and at times of crisis. People care about others and they care about where their town is headed.

So where are we headed? Yes, 1997 was a year of change, turmoil and even disagreement. As Selectmen, we set on a course to first interpret your mandate and then move in that direction. This has not been easy, but after hours of discussion, we have resolved our differences and made real progress.

In 1997 we signed a contract with MRI, and went through several Town Administrators. We currently have the position covered until we recruit a full time Town Administrator for the town. We are dedicated to finding an individual that has the right mix of professionalism and innovative spirit to manage our resources and employees in a fair and efficient manner.

We have also filled a full-time EMT/Firefighter/Clerk position. This position will support both the Fire Department and the town.

We have continued renovations on the Rindge Meetinghouse/Church. This building is at the heart of our town and our history. We will continue to restore this historical landmark and ensure its longevity.

In 1997, the Town handed over the electric bills to Hasbrouk Apartment and the Payson Hill Water Association. The wells themselves will be given to Hasbrouk Apartment and the Payson Hill Water Association by the end of the first quarter in 1998.

These are exciting times for our town. As your Board of Selectmen, we will continue to represent your vote. We will work to find innovative ways for efficiency in our town operations. As a Board, we will consider facility requirements, realignment of our resources, privatization of viable projects and possible sharing of resources with other towns. We will encourage and support controlled growth within the town to ensure continued stabilization of town tax rates. In short, we will continue to work towards keeping this town as a safe, affordable, and beautiful town for you to live in. We look forward to the challenges in 1998.

REPORT OF THE BUDGET ADVISORY COMMITTEE

Rather than report on a number of fiscal items, the Budget Advisory Committee decided this year to focus on a few issues which the committee considers of vital concern to the future of Rindge. These issues have been discussed by the committee as well as by voters on a number of occasions.

First and foremost, the Budget Advisory Committee is pleased to learn that the Town will begin to recruit immediately for a full-time Town Administrator. The need for a full-time professional in this position is apparent to all who work regularly on fiscal and related town matters. It is also important to have town involvement in the selection process of the Town Administrator similar to the selection process used to select a new School District Superintendent or a school building principal. Involvement of this type will help insure that community values are communicated to potential candidates during the selection process. A more open process will also build community trust in the person finally selected for the position.

2. Rindge needs to continually work on a community based Capital Improvement Plan (CIP). This plan needs to be carefully developed with as many community members involved as possible. Once developed and adopted, it needs to be revisited and updated annually. The plan needs to be an action plan, not just a list of projects that should be initiated in certain fiscal years. If, for example, the CIP calls for the construction of a particular building, then Selectmen need to lead the way by establishing capital reserve accounts in a timely way and by setting aside funds annually that will culminate in the purchase of needed lands, architectural drawings and requests for construction bids based on architectural renderings. All of these must be done in a timely and professional manner that saves needless hours of controversy and valuable financial resources. A CIP is required for proper fiscal planning and budget development. The new full-time Town Administrator can provide invaluable guidance to Selectmen and others in this process.

3. Our Town government needs to go forward with the implementation of the MRI Report. The Selectmen and the new Town Administrator need to focus on majors issues confronting the Town and less on the cost of something like light fixtures. And, residents need to work with the same frame of mind. There is much in the MRI report that the Town has not tackled and we have lost valuable time during the past year.

4. Planning for the next budget cycle begins immediately after the preceding Town Meeting. Too many times, issues that surface during the process are forgotten soon after Town Meeting. We need to avoid the statement often heard just before Town Meeting and at the end of the budget development cycle, "We didn't have time to look into that." We also need to capitalize on the lessons learned during the budget cycle and develop an action plan for the next budget cycle. A Town Administrator should facilitate this process.

5. A few years ago, Selectmen and the Budget Advisory Committee met with the Town Auditors. At this meeting, it was agreed that the Town should build a reserve fund equal to approximately 5% - 10% of the total Town budget (including school and county budgets) for one year. Once that goal was reached, any additional surplus would revert back to taxpayers. In the short time since that meeting, the surplus has been reached and exceeded. Neither the auditors nor the Budget Advisory Committee expected that to happen. The big question however is, WHY?

Why is the surplus growing by almost \$200,000 or more each year? Is there a pattern? How can Selectmen and the Budget Advisory Committee receive earlier surplus projections? Is the Town's computer capable of providing this information in a timely, accurate, systematic way? Why don't we have more information about the sources? We seem to be falling into a pattern that existed a few years ago before the surplus agreement was reached. The surplus was never intended to be a "savings" account for special town projects. We owe it to the taxpayers to be fiscally responsible.

6. Selectmen need to fund Capital Reserve accounts in a way that plans responsibly for future projects. It is not a matter of personal preference but rather a matter of looking out for the fiscal affairs of the town to insure the Town has funds adequate for its projected needs. Articles should not be placed on the Town warrant to raise funds for items for which there are already Capital Reserve accounts. Selectmen should simply budget funds for these items in the Townbudget.

7. The Town's Annual Report should be mailed to all taxpayers. This may will add costs to the budget however, it is the annual report of the Town. All taxpayers should receive the report in the mail not just those who come to Town Meeting or those who think to pick-up a copy. It is similar to a stockholder's report.

8. Rindge residents need to become more actively involved in the budget process and Town government. And, Selectmen need to lead the way to accomplish this. It is important to the future of the community and to its fiscal well-being.

Board of Selectmen
Town of Rindge
Rindge, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Rindge, New Hampshire, as of December 31, 1996 and for the year then ended. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of Rindge, New Hampshire, as of December 31, 1996 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

REPORT OF THE PLANNING BOARD

The Planning Board held twenty one formal hearings and five work meetings in 1997. During those meetings, which also included site visits, the Board approved five of six site plan applications, six minor subdivisions, creating thirteen new building lots, and three technical subdivisions. One request for a nine lot subdivision was rejected by the Board as premature development. The Board has seen an increase in the request for land mergers this year. Land mergers may occur when a property owner, who owns two or more abutting lots, desires to combine the lots to make one larger lot. Mergers do not require a subdivision process, or a survey, but must be approved by the Planning Board and then recorded at the Registry of Deeds.

Hannaford Bros. (Shop & Save) continued construction on their supermarket adjacent to Walmart. Everyone is anxiously awaiting the grand opening scheduled for early 1998, which is almost a year later than originally expected. Also being constructed, is a new marine repair business on Route 202 and the vacant building on North Street, formerly used for a construction business and for the storage of carnival equipment, was converted and occupied by a local Church organization. This should relieve abutting resident's concerns about heavy truck traffic that might be related to other types of operations that had proposed to locate in that East Rindge Village location. In November, Poore Simon's clothing store opened at the Cheshire Market Place, in the former DOTS location. In December, a fireworks company, Atlas Advanced Pyrotechnics, submitted an application proposing to locate in East Rindge on the "Boardwalk" property on Route 119 and is at this time, still in the process of presenting their plans.

As we approach 1998, we have once again been notified by officials of the Federal Emergency Management Agency that the Town must adopt a Floodplain Ordinance, with minimum NFIP requirements, in order to continue to participate with the National Flood Insurance Program. According to FEMA officials, if the Town does not adopt the ordinance, certain penalties could be assessed to properties located in the designated Floodplain area, such as the denial of flood insurance or the renewal of flood insurance. Lending institutions who issue mortgages without flood insurance in those locations will not be able to sell those mortgages on the secondary markets, thereby making mortgages difficult to obtain. Federal grant money, such as Housing and Urban Development would cease to be available for these areas as well. For the past few years, the Selectmen and Planning Board have debated the need for such an ordinance and questioned the accuracy of the Federal Insurance Rate Map, (FIRM) which was amended by FEMA in 1996. Presently the map only includes data for two of the Town's lakes. Not surprisingly, property owners of land

located on Poole Pond and Contoocook Lake feel that they are unfairly discriminated against because of the arbitrary mapping. The Planning Board has chosen not to present the Floodplain Ordinance to the voters this year, which should give FEMA officials a chance to revisit their methodology and provide Rindge with a more accurate assessment of any flood hazard areas. However, we will eventually be faced with the prospect of adopting the ordinance in the near future.

This year the Board is proposing the repeal of the Shoreland Protection Ordinance. This ordinance was adopted at a time when the State was in the process of enacting and fine tuning their own Shoreland Protection Ordinance. Since its adoption, the Board has been amending the Rindge Ordinance annually to remain in conformity with changes proposed by the state. The two ordinances are so similar that it seemed repetitive and unnecessarily time consuming to propose amendments annually, therefore they have decided to repeal the Town's and recognize the state as the governing authority along shorelands.

Another proposal suggested this year, is to allow churches as an allowed use in the Residential and Residential-Agricultural Districts. Currently, they are restricted to the Village, Commercial and Business-Light Industry Districts. This makes it difficult and expensive for religious organizations to locate in Rindge, since there is limited commercial property available. This would also avoid having valuable commercial land tied up in a tax free status, thereby losing tax revenue generated by businesses.

Sarah Mills was elected to serve a three year term at last Town Meeting and Christopher (Michael) Kundert was appointed as an alternate to the Board in September. The Board currently has three additional openings for alternates. any interested residents are encouraged to meet with the Board to discuss this position. No formal or previous planning experience is necessary, just a genuine desire to assist in the maintaining of our wonderful town. Volunteering for the Planning Board is a challenging responsibility, however, it is a tremendously rewarding way to serve the community.

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment is also called the Zoning Board of Appeals. It is a board of appointed town's people who are charged with determining whether property owners will be able to do something with their property that is not allowed by zoning (variance) or may be allowed with review (special exception). The Board of Adjustment now meets on the fourth Tuesday of the month, to accommodate anyone working with the Planning Board. Applications can be obtained at the Town Offices and are due there the second Tuesday of the month.

1997 was a slower year for the Board. They met 9 times and were presented with 13 requests. The Board granted two Variances - for combining lots to make one larger lot, and to convert the Norsa building into a church. On the other hand, the building of a church was denied in a residential area. Two requests for signs were denied, while one request for a larger sign was granted. Two requests for expansion of dwellings were granted and one was denied. Permission for a home to be changed to a Bed and Breakfast was granted and for a gazebo to be built within the protected shoreline. One person dropped his request. Finally a request for a septic system near wetlands was withdrawn, later submitted and passed, and had to be reaffirmed at a later meeting.

All of our members remained from last year. Norman May was elected Chairman with Redvers White our Vice Chairman. Richard Mellor, Philip Stenersen, and Dennis Casey remain our regular Board Members and Paula Sumner our alternate. Jeanne Carguilo is the Board's secretary.

Report of the Conservation Commission

The Rindge Conservation Commission (CC) monitors and protects the natural resources of Rindge. Its members review dredge & fill applications and make recommendations to the Rindge Board of Adjustment, Planning Board, Selectmen, and the N.H. Department of Environmental Services.

This year we welcomed the appointment of new member, Jon Vanderhorst and our new secretary, Shirley Dowland Carney. It was a busy year and their help and enthusiasm was greatly appreciated by the rest of the Commission.

Members advised townspeople concerning wetland laws and permitting procedures, consulting with appropriate state agencies when clarification was needed. Members also went to eight separate conferences and workshops and reported back to the Commission.

During 1997 the CC held eleven regular meetings and reviewed seven new dredge & fill applications. Our Commission conducted twenty three on-site reviews and investigated eleven possible wetlands violations, of which, six were found to be actual violations. Several reports were filed with the State Wetlands Bureau and with the various town boards. Several meetings and two site reviews were largely devoted to consideration of the Selectmen's suggestion to establishing a public boat launch at Emerson Pond on a lot which had been taken by the Town of Rindge for taxes. After extensive consideration, we ultimately declined this opportunity due to many complicating factors.

We led a site walk with about twenty people at Converse Meadow for Franklin Pierce College's Institute of Nature, Place and Culture. We also conducted a walk, with lighter attendance, at the Town Forest on Old Danforth Road.

Most exciting of all, was the acquisition of a twenty nine acre wood lot just south of Rt.119, near School St. This land was donated by Fred Hunt in memory of his mother Miriam Hunt who was a teacher in Rindge for many years. The development rights were first granted to the Monadnock Conservancy so as to ensure that it will be maintained in perpetuity as an educational forest resource. Its proximity to the Rindge Elementary School seems ideal for classroom nature studies, but we will also encourage use in Conant's Biology and Horticultural programs as well as for the educational interests of the general public.

The CC meets on the 4th Wednesday of each month at 7 PM at the Town Office Building. Interested public is invited and encouraged to attend and become involved with our efforts.

REPORT OF THE RECREATION DEPARTMENT

In the Spring of 1997 the Recreation Department began printing a seasonal brochure to publicize all programs, trips and events. The first issue was sent to the entire town, while subsequent issues have been sent to individuals that wished to be included on the mailing list. If you would like to be added to this mailing list, please call the Recreation Department and give your name and address.

In 1997 the Recreation Department was able to complete several projects at Wellington Park. The "Wellington Park" sign and the sign with the guidelines and rules for the new playground were installed. The swing set was re-located and new swings were added. This was in an effort to move the children's area away from the road and parking area, and was completed this fall by the Highway Department.

New programs included a Theater Outreach clinic with volunteers from Franklin Pierce College; an Arts in Motion Acting Camp; the Weight Watchers Program; the Supper Club; field trips were added to our Day Camp Program; as well as the addition of a "Les Petites" Ballet class for 3-4 year olds and an Adult Dance Class.

We look forward to seeing you supporting our programs in 1998, as you have in the past. As always, if you have a program, trip or event idea that you would like to see offered for the Town of Rindge, please do not hesitate to bring them to our attention.

REPORT OF THE HIGHWAY DEPARTMENT

Road Reconstruction was done in the following areas:

College Road 4171' X 20' - Received a two inch overlay, three culverts were replaced, one each at 18", 24", and 48".

Robbins Road 3462' X 22' - Eighteen hundred feet of road was ground into base material and replaced with three inches of new asphalt, sixteen hundred and seventy-five feet received a two inch overlay.

Thomas Road 500' X 22' - Road ground into base material and replaced with three inches of new asphalt.

Monomonac Road 3100' X 22' - Rebuilt five hundred feet, ground the full length into base material, installed a 15" X 32' culvert and resurfaced the road with three inches of new asphalt.

Swan Point Road 4224' X 20' - Rebuilt seven hundred and fifty feet with three inches of new asphalt. Put a two inch overlay on the rest of the road, a four foot culvert was replaced.

Butterfield Road 1750' X 20' - The road was ground into the base along with two hundred and fifty-six yards of crush gravel, six, fifteen inch culverts and one, eighteen inch culvert were replaced. The road received two inches of base asphalt and one inch of top.

Old New Ipswich Road from Cutter Hill Road to Shaw Hill Road 1.2 miles was crack sealed. This process keeps water from penetrating into the asphalt and road base.

Underdrain Pipe:

One hundred and ten feet installed on Hunt Hill Road, and two hundred and thirty feet installed on Robbins Road.

The Town crushed five thousand yards of gravel. It was used on both road reconstruction and dirt road improvements.

Double yellow center lines were painted on College Road and Mountain Road along with stop lines. A new cross walk was painted across Main Street in the center of town.

Crush gravel on dirt roads:

Bancroft Road from North Street to Cross Street	
Cross Street	
Fitzgerald Road	128 yards
Jones Drive	49 yards
Lord Hill Road	84 yards
Rand Road	42 yards
Tarbox Drive	108 yards

The following roads had ditching done:

- Main Street from Route 119 to the Fire Station
- Kimball Road - West side of the road
- Payson Hill Road - Both sides of the road on the hill

32' X 15" culvert was installed on Grassy Pond Road near Cathedral of the Pines.

Fourteen hundred and forty man hours were spent maintaining Department equipment. It is still a challenge to maintain our older pieces of equipment.

Driveway culverts

R.S.A. 236:13, VI (enacted in 1997) states that driveway culverts are the responsibility of the landowner even if it is in the Town right of way.

The Recycling Center is open Tuesday, Thursday and Saturday for your use. Please recycle, it is one of the most direct ways to save tax dollars. Please remember court action could result if you try to use the center when it is **not** open.

I wish to thank Edward Rourke for overseeing the day to day details of running the center while Larry was recovering from illness this past summer.

On June 14th, we had Household Hazardous Waste Day with sixty five households participating. We believe it was quite successful and are planning for next year around the same time. I wish to thank **Geoff DiCenso**, a new Town resident, who volunteered his time to this day long project.

This years "Sidewalk Superintendent Award" goes to Judy Martin, who spends countless hours working in our swap shop. We have had several facility inspections, and everyone has commented on how organized our shop is. Thank you Judy, for all your hard work. Anyone wishing to donate a few hours in the swap shop, please stop in and see me.

Again, I find myself lucky to have a talented crew to work with. They did a lot of projects this year. I would also like to point out that they gave up their Christmas morning to help make you safe on the roadways. Thanks guys!

I wish to thank the other Town Boards and employees for the good working relationship we have.

REPORT OF THE FIRE DEPARTMENT

Reporting period: 12/1/96-11/30/97

The Rindge Fire Department, in the reporting period, responded to 308 emergency calls. Of these calls, 205 were emergency medical calls, 103 fire calls and fifteen structure fires. This represents a significant increase over last year. There continues to be a trend of increased calls each year over the last.

This past year we hired our first "paid" fire fighter/E.M.T. to supplement our "Call" personnel force. This new position has worked out very well. The trend continues to be heading in the direction of a need for more paid personnel in the future. Volunteers, (critical to the operation of the Fire Department) continue to trickle in. Recruitment and retention, (a nationwide trend) continues to be our biggest problem.

This past year we completed several improvements to the fire station; a new bathroom, (A.D.A. compliant) a new septic system that now serves both the fire and the police station, a new water well, and a new furnace. A special thank you goes to Mr. Bruce Hall for his many hours of volunteer work on the new bathroom.

This year there were 97 building permits and 213 sub-trade permits were issued. Of these, 15 single family home permits were issued. Total revenue from permit fees were \$24,651.09.

I would like to thank the Town of Rindge, all those individuals, fire department members and boards I have had the pleasure of serving in various capacities over the last ten years.

Thank you!!

Respectfully submitted,

Scott R. Ellis
Rindge Fire Chief

REPORT OF THE INGALLS MEMORIAL LIBRARY

First we would like to thank our volunteers. Those volunteers are: Don and Marcy Anderson, Joan Bray, Rose Dark, Betsy Harper, Flossie Hastings, Eva Hornak, Kathy Isakson, Priscilla Leslie, Nancy Little, Norm May, Barbara Walsh, Margie Wetherbee, Joan Williams, and new this year is Joyce Hayward, plus our student volunteers. Because of these wonderful people, we have been able to maintain great library service. Having so many volunteers saves you tax dollars and makes our job a lot easier. This past year the volunteers have worked **2,019 hours** saving us at least **\$14,133**.

Another group that helps us all year long is the Friends of the Ingalls Library. Again this year we appreciate all that they have done. They have provided funds for passes to the Higgins Armory Museum in Worcester this year, plus, they painted the new Children's Room and did many other jobs that needed to be done.

**INGALLS MEMORIAL LIBRARY
REPORT OF THE TRUSTEES**

This year, since Town Meeting, the Library Trustees have worked to continue providing services to the community in the current library building.

We alleviated some of our overcrowding by moving the children's library into the downstairs meeting room. We now have an inviting space for children to visit, with new shelves that give us more room for our children's collection. This move has allowed us to re-arrange the upstairs as well. We have moved the reference area into the former children's room and moved our video collection into that freed space. While these moves have made improvements, we are aware that not all current overcrowding has been solved and that we will quickly reach the capacity of the current library space, no matter how well we make use of our building.

We continue to work closely with the Selectmen and Budget Committee to find ways to plan for the needed renovations and upgrades. At this point, we have not addressed our lack of compliance with the Americans with Disabilities Act nor our antiquated heating and electrical systems. We have also not addressed parking or realistic space requirements over the next 10 to 20 years.

The Trustees hope that we will have the support necessary to continue to provide a level of service we believe our community deserves.

Respectfully submitted,

Susan Wessels,
Chairperson
Library Trustees

REPORT OF THE RINDGE HISTORY COMMITTEE

This year finds us doing the things we usually do, collecting information and material, recording and teaching. Linda Bussiere continues to work on the old house project. She also continues to bring history to the children in our local schools. Linda will be assisting Town Clerk, Carol Donovan, in going over material in the old safe in the basement of the Town Office. As you know, that is where they discovered the Town's Charter and there is still much material to be perused.

During this past year, Rand family descendants brought us copies of letters written by Howard Rand, who was killed at Antietam during the Civil War. There has been a lot of interest in these letters. The Mondanock Ledger featured an article on his letters, and that article brought the Associated Press to us for more information, to write another article.

Old school reports and pictures have been given to us recently. If you have old pictures, they can be copied at little expense and in only a few minutes, making it possible for everyone to share those long ago days, hopefully forever.

If you are interested in genealogy, we continue to collect information on Rindge families or those with ties to Rindge. If you have such information, we would be very happy to hear from you.

This Committee has helped several people doing research on various subjects, such as railroads, the Town Common, the Meetinghouse and a rare painting which belongs to the Rindge Historical Society.

The History Committee will be bringing Civil War Reenactors back to the Rindge Elementary School with assistance from the Pumpkin Organization of Rindge. We thank them for their support.

Our Town Hall has been renovated during this past year and looks great again. There is more work to be done on this rare and beautiful building, as well as on the Horse Sheds, all listed on the National Register of Historic Places. More work is planned for the coming year.

If you have some time to spare and history appeals to you, please join us, we would be very happy for any volunteer assistance.
