DANVILLE PUBLIC LIBRARY

The big news of the year was the building of a fine new area and refurbishing of the stacks by Paul Collins. This work was authorized by the Selectmen and welcomed by the Librarian and Trustees so that each would have separate quarters. The additional shelving provides for better display of books. The Librarian and Mrs. Rachel Sanborn, State Library Consultant, weeded the entire collection removing obsolete and worn out materials. Ninety books were purchased. We wish to thank those who donated 73 books. With the \$100.00 State Grant a selection of reference books was made. During Childrens' Book Week the Librarian spoke at the Elementary School. We are working towards State Library certification in the following ways: increased hours to 3-1/2 per week, the Librarian took three Public Library Techniques courses, including two at UNH in July under a McKay scholarship and has completed one-half of her requirements; the collection is being catalogued and classified under the Dewey Decimal System; a Book Selection Policy was written.

The Sanborn Library, founded in 1938, is a community project backed and supported by the Village Improvement and Old Red Schoolhouse Historical Society. The funds are primarily derived from the Mary Jane Sanborn Trust. Participation in the Statewide Library Development Program has expanded the library's book resources and enables the library to provide better service. The citizens of the community through their efforts, interest and contributions of time, talent and concern are to be commended and their efforts are appreciated by all.

The Library committee of the "V. I. S." with Society president Mrs. Herbert Sargent has been active dur-

ing the year and helpful in its involvement with basic policy and operation. Miss Marcia Emilio has given many hours during the last two years assisting with the library cataloging - a chore which the library had not attempted before. The librarian has completed four Public Library Techniques courses offered through U.N.H. and attends book review meetings offered by the District State Library office.

The library hours are now 3:00 to 6:00 on Wednesdays. Do come.

Respectfully submitted,

LOUISE HEWINS
Librarian

AUDIT CERTIFICATE

This is to certify that we the undersigned have audited the books and records of the Tax Collector, Town Clerk, Town Treasurer, Trustees of Trust Funds and the Selectmen. The following errors were noted:

Check #3383 was issued for \$279.70 while the supporting expense voucher was in the amount of \$239.70.

The Treasurer's cash receipts were out of balance with the Selectmen's cash receipts by .05 cents.

In checking the interest computations on redeemed taxes, numerous errors were found; all were in favor of the taxpayer. In aggregate the town lost \$81.23 in interest income.

Other than the above, all books and records were checked and found to be in agreement.
