## COMMISSIONERS' REPORT

To the Citizens of Grafton County:

Your Commissioners herewith present their report together with the reports of the Treasurer, Auditors, Superintendent, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and Farm Bureau.

Another year has passed and once more our Treasurer has succeeded in collecting all County Taxes. In spite of the fact that our court cost exceeded the 1936 cost by approximately \$5,500, principally due to a murder trial, we have kept within our appropriation and have an unexpected balance of \$15,365.70. We wish to call your attention to the fact that the County debt shows a decrease of \$40,887.42. This is shown in detail in this report.

The number of weeks' board furnished County Inmates at the County Farm including the House of Correction and Jail for the year 1937 was 6,112 weeks and 5 days whereas the number for 1936 was 5,287 weeks and 4 days or an increase of 825 weeks and 1 day. The per capita cost was \$5.77 per week compared with a cost of \$6.37 per week for 1936 or a decrease of \$.60 per week. This included all expenses of Hospital and Doctors' fees as well as burial expenses.

Taking care of the County Poor not on the Farm including Old Age Assistance, Needy Blind and Boarded Children for the year 1937 cost \$125,879.56 gross. Of this amount we received reimbursement of \$34,076.42 from the State of New Hampshire, Towns and other Counties making a net cost of \$19,803.14. This compares with the gross cost of \$139,361.73 for the year 1936 and a reimbursement of \$25,525.04 leaving a net cost of \$113,836.69 for the year 1936. This makes a substantial decrease compared with 1936 and is a direct saving to the tax payers of Grafton County.

We wish to call your attention to the Summary in the report showing the number of cases and cost covering Old Age Assistance, Needy Blind and Boarded Children.

The 1935 County Delegation authorized a \$20,000 bond issue and also authorized the Commissioners to borrow the

sum of \$6,500 in addition to the \$20,000 bond issue for making an addition to the present jail, which has been badly over crowded, provided we could obtain a suitable grant from the Federal Government. In October 1936 the County was offered a P. W. A. grant of 45% of the total cost of said jail addition and work was started November 1, 1936 and completed June 1, 1937. The capacity of the old jail was 35; the new addition 44, making a total capacity of 79, and at one time since the completion of this addition we had 62 in our jail. Had we not had this addition the cost of boarding the over-flow would have meant a heavy expense. The total cost of this addition, including the expense of putting the old part, which was badly in need of repair, into first class condition, was \$37,320.15. Of this amount the P. W. A. grant amounted to \$16,751.84, making a net cost to the County of \$20,568.31.

The Commissioners wish to take this opportunity to thank the Delegation members of the Building Committee, who were Mr. Merrill of Plymouth, Mr. Lewis of Littleton and Mr. Guyer of Hanover, for their cooperation and assistance.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews, Superintendent and Matron, and all other employees for the faithful and efficient manner in which they performed their duties.

The Commissioners further wish to extend their thanks to the various County and Town officers and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of the County of Grafton and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former are especially urged to do so as it is their Farm and an institution in which they alone should be interested.

Respectfully submitted,  
GEORGE A. PUSHEE,  
FRED PARKER,  
JOHN GADD,

Commissioners.

Several improvements have been made at the Farm during the year 1937. The one perhaps most appreciated is the addition to the Jail. This has enabled us to care for our Jail and House of Correction in a more efficient manner, doing away with the over crowded and dangerous condition that has existed for several years.

A new silo, erected this year, adds much to the convenience and appearance of the barns.

Pasture improvement has been carried on, as heretofore, and shows result of labor expended.

Minor improvement has been made on the grounds by way of pool, rock gardens, etc.

Paint has been applied both to the interior and exterior of the Almshouse. Nearly all this extra labor was contributed by inmates and House of Correction labor.

The Farm book shows a fair profit despite the low price of milk and other farm products.

As in other years we have been the recipients of many gifts of books, magazines, plants, flowers, a victrola and other articles too numerous to mention. To the donors we extend thanks, as their thoughtfulness has added much to the comfort and happiness of the family.

To the Commissioners, Physician, Chaplain and Employees we also extend thanks for their assistance and kind cooperation during the year.

Respectfully submitted,

J. EARLE ANDREWS, Supt.  
ANNE M. ANDREWS, Matron.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1937 and find them correctly cast and properly vouched.

 FRED PARKER,  
 JOHN GADD,

## CHAPLAIN'S REPORT

---

The ministries of the Church of the Living Christ have been brought to all at the Grafton County Farm. Regular bi-weekly worship services were held throughout the year with a good representative attendance.

Six ~~memoirs~~ were held in the chapel.

Pastoral supervision has been given in the hospital and the home for the aged. In seeing these friends come and go one is reminded of the words of the poet (Wm. L. Stridger) :

“We are just a flock of bluebirds  
Gathering for another flight ;  
Ever onward, upward, Godward  
Out of darkness into light.”

Pluming for this flight in part, is the work of the Minister.

The Christmas program was again furnished by the North Haverhill Sunday Church School with the minister in charge. The glorious Christmas festival followed.

Our prayer is for :

“Sympathy”

Ask God to give thee skill  
In comfort's art,  
That thou may'st consecrated be  
And set apart  
Unto a life of sympathy,  
For heavy is the weight of ill  
In every heart ;  
And comforters are needed much  
Of Christlike touch. (A. E. Hamilton)

## REPORT OF COUNTY PHYSICIAN

---

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1937.

The usefulness of the Hospital in caring for the indigent sick of the County is increasingly apparent year by year. The administration of the Hospital is economical and the nursing care given the patients there will compare favorably with any like institution.

It has been my duty and privilege to care for the health of inmates of the Almshouse, patients in the Hospital, and those who have been confined in the House of Correction and the Jail, and it has been my purpose to administer to them with the consciousness of being a public servant and to give all the best possible care and consideration.

Miss Pushee, who was a most faithful nurse at the Hospital, resigned to be married. Miss Spooner has been appointed to the position. The hospital nursing staff, which is composed of only three graduate nurses and two orderlies, have contrived to care for 27 patients daily. On several occasions, when there have been many patients acutely ill, extra nurses have been employed. Mrs. Christina Clark continues to be our head nurse and Miss Applebee is our night nurse. Our orderlies are Mrs. McDonald and Mr. Young.

I gratefully acknowledge the valuable counsel of the Commissioners, the cooperation of the management and the assistance of all connected with the work of the institution.

Respectfully submitted,

E. M. MILLER, M. D.,  
County Physician.

## SUMMARY OF FARM ACCOUNTS OF GRAFTON COUNTY FARM

A complete set of farm accounts, separate from the regular Institution accounts, has been kept for the past six years. In these accounts all farm produce, as milk, meat, and vegetables used by the institution are charged at market prices. The expenses include all regularly employed farm labor, all house of correction labor used on the farm, taxes, insurance, supervision, light and power and all the other usual farm expenses. Thus the accounts give an accurate picture of the Farm as it relates to the Institution.

No account is made of the fact that the farm serves as a source of high quality products of all kinds to those who live at the Grafton County Farm, that it provides labor for the House of Correction inmates as well as for a number of other inmates, and that a Holstein herd has been developed which serves as a source of disease-free, well-bred dairy stock for farmers of the county at moderate prices. Nine pure bred bulls were sold in 1937.
