MT. CAESAR UNION LIBRARY

Librarian's Report

High point of the year was becoming a part of the State Library System. Many benefits have already been received because of this decision—including a grant making possible the purchase of much needed reference books; central cataloging and classification of purchased books through central book purchasing with an increased price discount; library techniques course for librarians in the local districts.

The installation of a new desk, a memorial to Mrs. Frances Small, makes for greater efficiency and is an attractive addition to the library.

The total circulation for the year was 7784 books. A total of 111 new books have been purchased, and we have received 66 additional books as gifts as well as several memorial gifts. We are truly grateful to those who have contributed so generously to the library.

Since November 16, 1965 the Library has been open each Tuesday as well as each Thursday from 2:30-4:30 P.M. and 6:30-9:00 P.M. Already there is an increase in circulation, and the additional hours are meeting a definite need in the community.
