Auditor's Certificate

This is to certify that I have examined the books and accounts of the Selectmen, Treasurer, Town Clerk, Tax Collector, Trustee of Trust Funds and Road Agent and find same correctly cast and vouched for the fiscal year ending December 31, 1974.

RUTH HERRON, Auditor.
HAYNES MEMORIAL LIBRARY

Librarian's Report

This year, 691 children's books, 555 adult fiction, 241 non-fiction books, and 72 records were circulated at the library. The Bookmobile of the New Hampshire State Library left 551 books for circulation.

In July, the trustees of the library donated their time and effort to raise over $120 towards the librarian's book fund during their Book and Bake Sale at the library.

Throughout the year, many generous gifts came to the library. Over 175 records are now available for circulation - most donated by Ruth Herron. A children's paperback library has been added thanks to Jon Herron. Over 50 books have been purchased for the library through the contributions of many friends of the library.

Book cards are being added to the library's collection of about 4,000 volumes to provide a ready check on circulation.

Each Monday afternoon through the year, many of the town children visit the library. In November, as a special treat for these youngsters, the library was pleased to present an evening's film entertainment - Walt Disney's "Rascal."

We invite all to visit the library any Monday afternoon, 2:30-3:30, or evenings 7 - 9.

ALEXANDRIA VOLUNTEER FIRE DEPARTMENT

Report for 1974

The officers and members of the Department feel this has been a very satisfactory year. While listening to the reports of other towns around us it makes one realize how lucky we have been.

The following is a list of the calls made:
- Mutual Aid Calls — 3
- Brush and Grass Fires — 5
- Chimney Fires — 7
- Preventive Calls (Chimneys) — 8
- Structural Fire — 2
- Town Dump — 1

One member of the Department was hospitalized for a few days because of smoke inhalation and released in good condition.

As this report shows chimney fires account for most of our calls. We ask you to check your chimneys often. A mirror is a small investment and a house is a large one. Do not wait until you cannot see up through the chimney before you call us. We do not mind a high count of PREVENTIVE CALLS.

During the past year we acquired a truck through the New Hampshire Civil Defense Agency.

The Women's Auxiliary gave us money to purchase a front end pump and have a 1000 gallon tank built and installed.

Once again, on behalf of the members of the Department I say many, many thanks to the Women's Auxiliary for their continued financial assistance.

Having resigned my position as Chief as of December 31, 1974 may I take this opportunity to thank the Department for serving them as Chief for the past few years

Good luck to the new Chief.

Respectfully Submitted

REPORT OF THE FOREST FIRE WARDEN & DISTRICT CHIEF

After thirty years service Forest Fire Warden Lyle Gale, along with two of his Deputies, Andrew Abbott and Raymond Hutchins, retired from active service. Kenneth Patten was appointed to the position of Alexandria Forest Fire Warden. Warden Patten has appointed three new Deputies: David Bucklin, Albert Bean and Francis Butler.

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have permission of the landowner. No outdoor fires can be kindled between 9 A. M. and 5 P. M. unless it is raining, without the additional approval of the District Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilman-ton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

NEWFOUND AREA NURSING ASSOCIATION

The Newfound Area Nursing Association continues to extend skilled nursing care and physical therapy treatments to the residents of Bristol, New Hampton, Bridgewater and Alexandria. In 1974 the total number of nursing visits made by the nursing staff was 1678 and 103 were made by the physical therapist.

During the past year NANA was involved with the community bloodmobile drives in March and August. Also in August we participated in a Blood Pressure Clinic that was sponsored by the local Ambulance Association and Community Services.

The NANA staff has participated in various workshops throughout the year as continuing education relating to such health areas as prenatal care, pediatrics and care of the aged. Through different surveys NANA has met all requirements stipulated by Medicare and New Hampshire Department of Health and Welfare.

The Bi-Centennial Steering Committee for the Newfound Region, under the general sponsorship of the Chamber of Commerce, has held several meetings to determine how we will celebrate the 200th birthday of our country in 1975-76 and to see if the towns will act jointly in such activities.

Selectmen and heads of various organizations are being contacted for suggestions. A few already forwarded are Bi-Centennial silver and bronze coins, designed in a contest, town and house identification markers, an old-fashioned pageant, a drill and muster with uniforms, a theme parade with floats and street fair, an old time Town Meeting in the oldest town hall available, square dancing, and, possibly a box supper in each town. The possibilities are unending and should fit in comfortably with the state motto "Heritage, Festival and Horizon."

We are thinking now of an over-all budget of $10,000 to be pro-rated in each town according to population, for example Bristol's share would be approximately $4,340.00 to be raised over a 2 year period. Please contact your town representative with your suggestions and plans.
