### TOWN WARRANT

To the inhabitants of the Town of Bartlett, New Hampshire in the County of Carroll in Said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in said Bartlett on Tuesday, the second day of March next at ten o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Article 1 will be by official ballot, and the polls shall open for balloting at ten o'clock in the forenoon and shall not close before 6:30 o'clock in the evening. The remaining Articles of the warrant shall be acted upon at 7:00 o'clock in the evening.

Article 1. To choose all necessary Town Officers for the ensuing year.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum not exceeding in the aggregate \$250,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name of the Town and on the credit of the same, negotiable notes therefor, said to be repaid during the current year from taxes collected within the current municipal year.

Article 4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds or by any other means. Subject only to the interest of relatives and heirs, all disposal shall be by public auction.

Article 5. To see if the Town will vote to authorize the Selectmen to accept gifts, and/or Federal or State Aid in the name of the Town of Bartlett.

Article 6. To see if the Town will vote to authorize pre-payment of taxes and authorize the Collector of Taxes to accept payments in prepayment of taxes in accordance with RSA 80:52A.

Article 7. To see if the Town will vote to authorize the Selectmen to sell or lease the Town's Goodrich Falls property in whole or in part on a negotiated basis.

Article 8. To see if the Town will vote to discontinue that part of old Route 16 which lies westerly of the west boundary of new Route 16 between Station  $89\pm00$  on the north and Station  $74\pm00$  on the South as shown on Bartlett Federal Aid Project F246 (6) in the records of the New Hampshire Department of Public Works and Highways.

Article 9. To see if the Town will vote to raise and apprporiate \$65.00 to defray expenses incurred by the Saco River Steering Committee to continue its efforts in cooperation with other Towns in the Valley to design an

overall plan for the future use and regulation of the Saco River and its tributaries in Bartlett.

Article 10. To see if the Town will vote to grant to the Lower Bartlett Water Precinct an easement on the Hodgdon Lot owned by the Town on the Intervale, to protect the well of the Precinct to be constructed upon adjoining property.

Article 11. To see if the Town will vote to adopt the following ordinance: "Buillding Permits. No person, firm or corporation shall erect any new building or structure having a value in excess of \$500.00, nor make improvements to any building or structure unless said improvements have a value of less than \$500.00, without first obtaining a building permit from the Town Clerk. Any person, firm or corporation violating the provision of this ordinance shall be subject to a fine of \$10.00 and each day's neglect to obtain such a permit shall constitute a separate offense. This ordinance supersedes all previous ordinances pertaining to Building Permits and/or Registrations of Intent to Build."

Article 12. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the support of the Eastern Slope Regional Airport for the current year.

Article 13. To see if the Town of Bartlett will vote to raise and appropriate the sum of \$690.00 towards the support of the North Conway Child and Youth Project (C-Y Project). This sum to be used for rent for clinic and office space. Agreeable to a petition signed by Jane Zack and others.

Article 14. To see if the Town will vote to appropriate the sum of \$1,379.00 as the Town's share for operation of the North Country Council for one year, and general operating expenses, regional planning studies, technical assistance to member communities, coordination with local, State and Federal agencies, and other programs of the Council. These funds may be used in conjunction with State and Federal funds available for planning purposes. Agreeable to a petition signed by Harold Hadden and others.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$1,400.00 for the support of the White Mountains Region Association.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$865.00 for the support of the Carroll County Mental Health Service, Inc.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$1,384.90 for the Home Health Agency, the said sum being equal to \$1.10 per person, and authorize withdrawal of the sum from Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972. Agreeable to a petition signed by Susette Villaume and others.

Article 18. To see if the Town will vote to appropriate from the Revenue Sharing Trust Fund and transfer to the General Highway account \$11,-000.00 to be used for the purchase of a new truck. Article 19. To see if the Town will vote to appropriate from the Revenue Sharing Trust Fund and transfer to the General Highway account \$4,688.00 for the purchase of the new sander.

Article 20 To see if the Town will vote to appropriate from the Revenue Sharing Trust Fund and transfer to the Town Mapping Account \$4,432.50 to cover the 1976 payment to the mapping contractor.

Article 21. To see if the Town will vote to accept Resolutions A and B-1 pertaining to the Federal Flood Insurance Program. Said Resolutions are printed in the Town Report and are posted with this Warrant.

Article 22. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 12th day of February, in the year of our Lord, nineteen hundred and seventy-six.

# **RESOLUTION A**

#### PERTAINING TO THE FEDERAL FLOOD INSURANCE PROGRAM

WHEREAS, certain areas of Bartlett are subject to periodic flooding from Streams and Rivers, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the MEETING to require the recognition and evaluation of flood hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses;

NOW, THEREFORE, BE IT RESOLVED, THAT THIS MEETING HEREBY:

1. Assures the Federal Insurance Administration that it will enact as

necessary, and maintain in force for those areas having flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests the Board of Selectmen with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c)Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain areas, and cooperate with neighboring communities with respect to management of adjoining flood plain areas in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Board of Selectmen to maintain for public inspection and to furnish upon request a record of elevation (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

### **RESOLUTION B-1**

#### PERTAINING TO THE FEDERAL FLOOD INSURANCE PROGRAM

WHEREAS, Bartlett has adopted and is enforcing a site plan review and building permit system, and

WHEREAS, The Building Inspector must examine all plans and specification for the proposed construction when application is made to him for a building permit.

NOW, THEREFORE, BE IT RESOLVED by the Town Meeting of Bartlett as follows:

1. That the Building Inspector or Selectmen shall review all building

permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (1) be designed (or modified) and anchored to prevent flotation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage; and

2. That the Building Inspector or Selectmen shall review subdivision proposals and other proposed new developments to assure that (i) all such proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and

3. That the Building Inspector or Selectmen shall require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding.

This has been a very busy year. I have been averaging 60 hours a

week, on day and night calls. I want to thank the general public and the young people for their cooperation this past year and the board of Selectmen.

> Respectfully submitted, JOHN A. RODEN, Chief

P.S. The town needs two regular patrolmen around the clock with the increase of business establishments, one more bank possible too and vacation homes, plus permanent homes. The Town of Bartlett is the second fastest growing town in Carroll County, as noted by the Register of Deeds. The tourist industry has become an almost year round business. One Chief cannot possibly cover the area of this town and the complex growth.

## **BARTLETT PUBLIC LIBRARY**

The book circulation for the Bartlett Public Library for 1975 is 7,966. Approximately 1800 books were borrowed from the North Country bookmobile. Four hundred twenty-one books were added to the circulation. Forty-seven of these books were purchased by the Supervisory Union with Title II federal funds for school library books. The librarian served on the Title II Advisory Committee during 1975 and attended 5 meetings in Conway and one in Meredith. The librarian attended two book buying meetings and a district meeting at Franconia.

The library conducted Monday Night Film Programs for ten weeks during the summer. It also conducted the "Four Thousand Footer" Reading Club for the eighth year. This year the members climbed Mt. Willard at the end of the summer.

The library requested and received \$3,650.00 in Revenue Sharing funds to enlarge the library, install a folding door, and purchase equipment and furniture for the new addition. This new addition is now completed and has added an additional 484 square feet to the library and approximately 300 additional feet of new shelving. The furniture has been ordered but not received yet. This addition is a great improvement to the facilities of the library and it will improve the library in its function as a school library.

The library has decided to collect old pictures of Bartlett and have them reproduced, so there will be a pictorial history of Bartlett available in the library. This is being done as our bi-centennial project. If anyone has any old pictures they would be willing to loan so that negatives can be made of them, please contact the librarian or one of the trustees. A few pictures have already been reproduced and it is amazing how well the old snapshots and photographs have reproduced. Also, the librarian would llike as many old town reports as possible to be used for reference purposes in the library. At the present time, most of the reports the library has date from the 1950's on.

The library has been having exhibits of books relating to the bicentennial reading program sponsored by the American Library Association, called the American Issues Forum. This exhibit changes monthly, and each month the newspaper the "National Observer" does a special essay on the topic for that month. There is a reading list available for both adults and children relating to this book exhibit.

The Auxiliary has given memorial books in memory of Laura Clemons, Amy Fish, Howard Dorsett and Bob Jones. A memorial book in memory of Hulda Ludgate was given by the Bartlett School staff.

The largest increase in this coming year's budget is for books and magazines. Due to the increased cost of books this increase is necessary. Also the library policy is to purchase a new encyclopedia every five years and this is the year we will be making this purchase.

If you haven't visited the library since the new addition has been added, please do drop by. Your library is here to serve the entire community.

#### SACO RIVER STEERING COMMITTEE

Subsequent to action taken at the March, 1975 Annual Meetings of Conway and Jackson, a Saco River Steering Committee was appointed by the Selectmen. Due to an oversight, a special article to this effect failed to appear in the Bartlett Warrant. However, Selectman Gene Chandler agreed to serve in an ad hoc capacity, representing Bartlett.

The purpose of this committee is to "research and draw up in cooperation with other towns in the valley an overall plan for future use and regulation of the Saco River and major tributaries.

Members from Conway appointed were Chester B. Lucy, Ned McSherry, Thomas Deans, Woodrow Allard; Bartlett – Gene Chandler; Jackson – Herbert George and Robert McManus.

It was the opinion of the Committee that it should first take an inventory, so to speak, find out what direction the residents themselves wanted to take, then establish priorities and proceed to implement these priorities.

The Committee has met with members of the State Planning Commission, North Country Council, Saco River Corridor – Maine, and others. Two public meetings with landowners along the Saco were held. Field trips by the Committee were made inspecting the Saco from above Bartlett Village to the Maine-New Hampshire state line. 2,000 questionnaires were mailed throughout the Valley requesting opinions on different aspects and priorities of the Savo River Valley, from which there was a return of 284.

Since there is already broad legislation concerning river control and planning on both the Federal and State level, it is our opinion that the residents in the Valley would much rather have control from a local level rather than Federal or State. The returns from the questionnaire bear this out. Therefore, if some local plan, no matter how broad, is already in existence, it follows that other regulatory bodies would have a "hands off" policy. This has been confirmed from higher levels of government.

At this point I would like to say that from the very beginning in April, 1975 we have had tremendous cooperation among the different town representatives and officers. Everyone concerned feels we have a common purpose, and that political boundaries should have no bearing on our efforts and direction.

Because of the scope of our project and the fact that we are all volunteers, we are able to give only a progress report rather than a final report at this time. Most of the leg work is done so that the next twelve months should see a final report with recommendations. For these reasons, there is a special article in the Bartlett warrant requesting further funding to pay future expenses and "keep us alive." There is a similar article in the Conway and Jackson Warrants. We promise not to squander.

As positive action recommended at this time, we have petitioned an article in the Conway Warrant to amend the Conway Flood Plain Ordinance to accept municipal and school district facilities. This would enable water districts to construct pumping stations, if needed in the future, and school plant expansion on existing sites if so desired by the voters.

At some point in the future public meetings will be held to get your in-put and also explain our progress so far.

Respectfully submitted,

Chester B. Lucy, Chairman
