TOWN WARRANT 1973

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (L.S.)

You are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday the Sixth day of March, next, at twelve of the clock noon to act upon the following:

1. To vote by ballot on the following questions: Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board. (Copies on file with the Town Clerk.)

2. To choose all necessary Town Officers for the ensuing year.

THE POLLS WILL BE OPEN FROM 12:00 noon to 7:00 P.M.

As voted at town Meeting March 7, 1972, You are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday the Thirteenth day of March, next, at eight of the clock in the evening to act upon the following:

3. To hear and act upon the reports of Town Officers, Library Trustees, Trustees of Trust Funds, and other Committees.

4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year.

5 To see what sum of money the Town will vote to raise and appropriate for the repair of highways and bridges, and repair or purchase of machinery.

6. To see it the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a setoff against a budgeted appropriation for the following purpose:

AppropriationAmountHighway Dept.\$9,500.00

7. To see if the Town will vote to raise and appropriate the sum of \$28,000.00 for the purchase of a truck and sander for the Highway Department to be paid as follows: in addition to the Revenue Sharing Funds of \$9,500.00, \$4,500.00 from Heavy Equipment Fund, \$6,000.00 from the 60% James R. Straw Fund, and \$8,000.00 to be taken from Highway Department General Expenses.

8. To see what sum of money the Town will vote to raise and appropriate for the maintenance and plowing of sidewalks.

9. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Police Department.

10. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Fire Department

11. To see what sum of money the Town will vote to raise and appropriate for the purchase of a radio dispatch alerting system for the Fire Department.

12. To see what sum of money the Town will vote to raise and appropriate for the support of Tucker Free Library.

13. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

14. To see what sum of money the Town will vote to raise and appropriate for State Aid Construction of Class V roads.

15. To see what sum of money the Town will vote to raise and appropriate for the support of Concord Hospital.

16. To see what sum of money the Town will vote to raise and appropriate for the District Court. 17. To see what sum of money the Town will vote to raise and appropriate for the support of Henniker Community Center activities.

18. To see if the Town will vote to authorize the Selectmen to borrow a sum not to exceed \$15,000.00 for the purpose of defraying the extra costs due to changes in scope associated with the preparation of final plans and specifications for sewerage and sewage treatment plant facilities for the Town. This cost to be incorporated in the aided sewage project currently under design.

19. To see what sum of money the Town will vote to raise and appropriate for the acquisition of land and or easements for the sewage system.

20. To see what sum of money the Town will vote to raise and appropriate for operating funds for the Town Conservation Committee.

21. To see what sum of money the Town will vote to raise and appropriate for the expenses of observing Old Home Day in August. (By Request.)

22. To see what sum of money the Town will vote to raise and appropriate for the repairs of the Town Hall (Community Center) or take any action in relation thereto.

23. To see if the Town will authorize the Moderator to appoint a special unpaid Advisory Committee of three persons, to be known as the Regional Refuse Disposal Planning Committee which will join with other towns on the Regional Refuse Disposal Planning Board. Such Committee shall make recomendations to Town Meeting for upgrading the town dump including, but not limited to, the advisability of joint action with other towns: and that the Town vote to raise and appropriate a sum of money as the Town's share of costs to undertake this work conditional upon the terms set forth in the Regional Refuse Disposal Planning Board's proposed by-laws. 24. To see if the Town will vote to accept a gift of a parcel of land from Dr. Francis L. Childs.

25. To see if the Town will authorize the Selectmen to accept a street to be known as Morse Circle when the street meets the Town specifications. (By Request.)

26. To see if the Town will authorize the Selectmen to accept a street to be known as Longview Drive when the street meets the Town specifications. (By Request.)

27. To see what sum of money the Town will vote to raise and appropriate for the support of the Community Action Program. (By Request.)

28. To see if the Town will vote to make certain name changes in the Town Street Map adopted in 1970. The streets affected are presently as follows:

- 1. part of Butter Road
- 2. unnamed road in Pleasant Pond Area (By Request).

29. To see if the Town will vote to accept the reclassification of Rush Road from Class II to Class V or take any action in relation thereto.

30. To transact any other business that may properly come before this meeting.

Given under our hands and seal this 13th day of February, in the year of our Lord nineteen hundred and seventy three.

TOWN OF HENNIKER ZONING ORDINANCE

Article I

Pursuant to the authority conferred by Chapter 31, Sections 60-89, New Hampshire Revised Statutes, 1955, as amended, and for the purpose of promoting the health, safety, and welfare of the inhabitants, and to provide for the orderly development of the town, the following Ordinance is hereby adopted by the Town of Henniker, N.H. in Town Meeting convened. All provisions become effective from the date of that Town Meeting and apply only to actions taken after that date.

Article II

For the purpose of this Ordinance the Town of Henniker is divided into Districts that relate to land use, as shown on the map filed with the Town Clerk and dated February 18, 1973, and includes the following:

> Residential District Commercial District Unzoned District

Article III

A. Nothing in this ordinance shall be construed to prevent the continuance of any existing use of land and buildings in any District unless and until such use has been abandoned.

B. No proposed land use within the Zoned Districts will be allowed which will offend, by reason of the emission of smoke, dust, gas, noise, odor, fumes or pests.

C. Lot sizes shall be appropriate for the location and type of use and development contemplated. Residential lots served with either town water or sewerage shall be not less than 20,000 square feet, with 100 feet frontage on a public way. Residential lots served by neither town water nor sewerage shall be not less than 30,000 square feet or as required by the New Hampshire Water Supply and Pollution Control Commission, whichever is larger. Residential or camp lots fronting on ponds or public waters shall have not less than 125 feet water frontage. Reduction in these requirements may be obtained upon application to the Zoning Board of Adjustment for a special exception.

D. Owners or occupants of land shall not permit fire or other ruins to be left, but shall remove same to ground level and fill to grade within one year.

Article IV

RESIDENTIAL DISTRICT

A. No commercial uses shall be permitted in this District, except Accessory Uses and except rental of apartments.

B. No building shall be constructed with more than three stories above grade level.

C. No building shall be constructed within 30 feet of a public right of way, except that a building may be constructed in line with existing adjacent buildings.

D. No buildings will be constructed within 15 feet of side or back lot boundaries.

E. Two Parking Spaces must be provided on the premises for each dwelling unit constructed. No parking space or access driveway shall be located within 10 feet of any side or back lot boundaries, and no parking space shall be located within 10 feet of a public right of way.

F. No Mobile Home will be allowed within this District.

G. No more than two signs shall be permitted on one lot, which signs shall not have a surface area of greater than four square feet for each sign. A double sided sign will be considered two signs for the purpose of this provision. Such signs must pertain only to the lease, sale or use of the lot or building on which the sign is placed, or shall deal only with a business or use located on said lot. No neon, tubular glass or flashing electric signs shall be allowed.

Article V

COMMERCIAL DISTRICT

A. Any use permitted in the Residential District is permitted in the Commercial District.

B. The restrictions in Article IV parts B, C, D, E and F shall apply to uses under this section.

C. All commercial uses are permitted in the Commercial District.

D. Where use other than Residential or apartment rental is intended, there shall be provided on the premises one parking space for each 500 square feet of building area. Reduction in these requirements may be obtained upon application to the Zoning Board of Adjustment for a Special Exception.

E. Loading and unloading areas shall be provided, not to open directly upon a public way.

F. Signs shall be permitted in the Commercial District, which signs shall have a surface area of not more than 20 square feet for each sign, unless such sign is mounted flat upon the wall of a building, in which case no size limit is imposed. Such signs shall pertain only to the lease, sale or use of the lot or building on which placed, or shall deal only with a business or use located on said premises. No neon, tubular glass or flashing electric signs shall be permitted.

Article VI

DEFINITIONS

Abandonment: Apparent intention of owner or occupant to discontinue nonconforming use of a building or premises. Building: A combination of any materials, whether portable or fixed, having a roof, built to form a structure for shelter of persons, animals or property.

Dwelling Unit: One or more living or sleeping rooms arranged for the use of one or more individuals living as a single housekeeping unit with cooking, living, sanitary and sleeping facilities. Lot: A parcel of land under common ownership.

Mobile Home: Any vehicle or portable structure constructed so as to permit the occupancy thereof as a dwelling for one or more persons, including those trailers or mobile homes which have temporarily or permanently become stationary through the use of blocks or other foundations.

Parking Space: Off street space having an area of 200 square feet or more suitable for use of parking one motor vehicle, together with reasonable access.

Story: That part of a building comprised between a floor and the floor or ceiling next above. A basement shall be classified as a story when its ceiling is six or more feet above the finished grade at any point.

Use, Accessory: Use by owner or occupant to provide offices for recognized professions such as doctor, architect, lawyer, real estate or insurance agent, or such home occupations as hairdresser, dress making and sewing, manufacture of craft product, home baking and antique shops, provided such use does not occupy more than one fifth of building area, and provided further that adequate off street parking is provided on the premises.

ARTICLE VII

ADMINISTRATION

A. It shall be the duty of the Board of Selectmen, and the Board is hereby authorized, to enforce the provisions of this Ordinance.

B. After passage of this Ordinance, it shall be unlawful to erect or expand any structure or building, or to relocate any building in any Zoned District without first obtaining a Permit from the Board of Selectmen. This Permit is to ensure that the proposed construction conforms to the permitted uses in the Zone that it will occupy and also that it is located a proper distance from the boundaries of the lot on which it is to be built.

C. The Board of Selectmen shall issue the Permit requested when such Permit is in accordance with the provisions of the Ordinance, or any appeal or Special Exception granted by the Board of Adjustment.

D. Upon any well-founded information that this Ordinance is being violated, the Board of Selectmen shall take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in Superior Court, or by any other legal action.

Article VIII

BOARD OF ADJUSTMENT

Within thirty days after the adoption of this Ordinance, and thereafter as terms expire, or vacancies occur, the Board of Selectmen shall make appointments to the Board of Adjustment of five members conforming in duties to the provisions of Chapter 31 of the New Hampshire Revised Statutes Annotated 1955. The Board of Adjustment here provided shall conform in membership and term of office to the provisions of said Chapter 31.

The Board of adjustment shall have the following powers:

A. to hear and decide appeals and Special Exceptions to the terms of the Ordinance upon which such Board is required to pass under such Ordinance.

B. To authorize upon appeal in specific cases such variance from the terms of the Ordinance as will not be contrary to public interest, where, owing to special conditions, a literal enforcement of the provisions of the Ordinance will result in unnecessary hardship, and so that the spirit of the Ordinance shall be observed and substantial justice done.

C. to rule on minor adjustments within all Districts where not detrimental or injurious to the neighborhood, such as small lots, topography, street curvature, replacement after fire, impaired visibility on corners.

Article IX

PENALTY

Every person, persons, firm or corporation violating any of the provisions of this Ordinance may be fined not more than fifty (50) dollars, upon conviction, for each day such violations may exist.

Article X

AMENDMENTS

This Ordinance may be amended as provided by chapter 31 of the New Hampshire Revised Statutes Annotated 1955 as amended. The Planning Board shall hold a public hearing of proposed amendments. No amendment proposed by petition shall be heard which has not been presented to the Planning Board at least twenty days prior to the hearing. The Planning Board shall transmit the proposed amendments pursuant to this Article to the Board of Selectmen prior to the closing date of the Town Meeting Warrant. No Amendment shall be effective unless passed by the favorable vote of two thirds of those present and voting at Town Meeting.

Article XI

SAVING CLAUSE

The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

REPORT OF THE SEWERAGE AND

SEWAGE TREATMENT ADVISORY COMMITTEE

This fourth annual report of the Committee authorized by the 1969 Town Meeting covers progress from the end of January 1972 to the end of January 1973. It should be read with the prior reports for a full picture of events to date.

Design of the treatment plant and sewers by the Towns' consultant engineer, Fenton G. Keys Associates, passed the 50% point in the spring. Plan submissions required at that stage were made for review by the committee and the N. H. Water Supply and Pollution Control Commission. Plant capacity and size had increased substantially since the first concept, and a number of new or more complex features were included as required by current commission regulations or policy. The design period had been extended while a decision was being reached regarding inclusion of the Contoocook Valley Paper Company in the municipal project.

The Consultant requested a review of design fees on the basis of these and related factors, and a time-consuming negotiation ensued. This month the consultant has accepted the fee adjustment the Commission could agree to, and is again at work and expecting to complete plans early in 1973.

A warrant article proposing to raise the necessary additional design funds will be considered at Town Meeting.

By the end of summer, Committee members and the Selectmen had completed and forwarded a long list of documents, budgets, etc. required to support the application for Farmers Home Administration grant aid for the lateral sewers, which were not eligible for State or E.P.A. aid. All indications were that we would received substantial aid from this program in 1973. On January 11, however, we were advised that the National Administration had terminated the FHA Water and Sewer grant programs in its attempts to reduce government expendentures. While the Federal Water Pollution Control Act amendments of 1972 passed at the end of last year made lateral sewers elegible for aid thereunder, the Administration has permitted only a portion of the funds voted by the Congress to be allocated. Guide lines have not yet been worked out by the Federal agency, but it is anticipated that treatment plants and interceptor sewers will be given first priority for available EPA aid, and that none will be available currently for laterals. It will be necessary to reevaluate financing and scope of proposed construction.

By the end of August a draft of the necessary Sewer Ordinance had been compiled — a long and tedious chore. Copies have been furnished to various agencies for review and comment, and the Committee is working on estimates of the spreading of costs under its provisions. It is planned to review its provisions and effects in public hearings with other aspects of the project when construction can be considered.

Effective date of the State order to abate pollution has been extended into 1973, until effects of the 1972 changes in Federal law are known. State aid is programed to be available after July 1, 1973. An application for Federal aid will have to be made when forms and requirements have been established. Until an EPA application has been acted on, the aid and financing picture will not be known.

In brief, the present status of this long and complicated undertaking would indicate that action toward construction may be possible in the second half of the year.

Respectfully submitted

GEORGE A. SANBORN

Chairman

- Article 7. Voted, that the Town raise and appropriate One Thousand Five Hundred dollars (\$1,500.00) for the plowing of sidewalks.
- Articles 8. Voted, that the Town raise and appropriate the sum of Thirty One Thousand Three Hundred Fifty dollars (\$31,350.00) for the maintenance of the Police Department.
- Article 9. Voted, that the Town raise and appropriate the sum of Seventy Five Hundred dollars (\$7,500.00) for the maintenance of the Fire Department.
- Article 10. Voted, that the Town raise and appropriate the sum of Fifteen Hundred dollars (\$1,500.00) for the support of the Tucker Free Library for the ensuing year, and, that a sum not to exceed Two Thousand (\$2,000.00) be appropriated from The Edna Dean Proctor Fund for the creation of an Archives Room in the basement of the library for the storage of the Town Records and other written material of Historic interest.
- Article 11. Voted, that the Selectmen be authorized to borrow money in anticipation of taxes.
- Article 12. Voted, that the Town raise and appropriate the sum of Fifteen Hundred two dollars and sixty one cents (\$1,502.61) for State Aid of Class V roads.
- Article 13. Voted, that the Town raise and appropriate the sum of Four Hundred ninety two dollars (\$492.00) for the support of Concord Hospital.
- Article 14 Voted, that the Town raise and appropriate the

sum of Forty Eight Hundred Thirty dollars (\$4,830.00) for the District Court.

- Article 15. Voted, that the Town raise and appropriate the sum of One Thousand dollars (\$1,000.00) for the support of Henniker Community Center Activities.
- Article 16. Voted, that the Town raise and appropriate the sum of Twelve thousand dollars (\$12,000.00) to have a complete reappraisal of the Town by the State Tax Commission or a private firm. Six Thousand (\$6,000.00) to be raised this year and Six Thousand Dollars (\$6,000.00) to be raised in 1973.
- Article 17. Voted, that the Town raise and appropriate the sum of Four Hundred dollars (\$400.00) for updating the property map.
- Article 18, Voted, that the Town raise and appropriate the sum of Eight Hundred forty five dollars (\$845.00) to increase the fire insurance coverage on Town buildings.
- Article 19, Voted, that any action to be taken in regard to the Town Hall or Community Center be referred to a study committee, composed of the members of the Budget Committee and the four officers of the Henniker Historical Society, said committee to report its recommendations at a later date, and that the Town raise and appropriate a sum not to exceed \$3,000.00 (Three Thousand dollars) for the expenses of said committee.
- Article 20. Voted, that the Town authorize the Selectmen to have installed a sewer in the new Route 114 bridge and approach during the construction of said bridge and highway and take all necessary action to borrow a sum not to exceed Twenty Two Thousand dollars (\$22,000.00). This cost to be incorporated in the aided sewage project currently under design.
- Article 21, Voted, that the Town raise and appropriate a sum not to exceed Seventeen Thousand dollars (\$17,000.00) for the repair of the Patterson Hill bridge, Five Thousand dollars (\$5,000.00) to be raised this year and the Select-

men be authorized to borrow the balance, not to exceed Twelve Thousand (12,000.00) to be repaid at the rate of Four Thousand dollars (\$4,000.00) per year plus interest.

- Article 22, Voted, that the Selectmen be authorized to expend a sum not to exceed Two Thousand dollars (\$2,000.00) from the Police Cruiser Fund.
- Article 23, Voted, that the Town adopt as an Ordinance the Proposed Ordinance Regulating trailers and Mobile Homes as printed on pages 10, 11, & 12 in the Town report.
- Article 24, Voted, that the Selectmen be authorized to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available in the construction of a sewerage disposal system.
- Article 25, Voted, that the Town authorize the Trustees of the Tucker Free Library to execute the necessary easements for the Town to construct and maintain a sewer pipe or pipes across Library Land.

REPORT OF THE TOWN HALL STUDY COMMITTEE

This committee was authorized at the Town Meeting in March 1972 to make a study of the Town Hall (Community Center Building) and to report its recommendations at a later date. The committee is composed of members of the Budget committee and the four officers of the Historical Society. Members include the following: J. Philip Chase, Clarence Fitch, Roby Wood, Lester Connor, Robert Sterling, Carl Bennett, Albert Norton, George Sanborn from the Budget committee; Gordon Hulbert, representing the Selectmen; Gertrude Blanchard, representing the School Board; Dr. William Mandrey, Chester Sillars, Ralph Parkhurst and Mary Kjellman, representing the Historical Society. George Parmenter replaced Mr. Sillars when the latter was no longer able to serve.

At the first meeting, held on March 20th, Lester Connor was chosen chairman and Mary Kjellman, clerk. It was decided to invite members of the Planning Board to sit in on future meetings. Representatives from New England College, the Rescue Squad, Town Police, Fire Department, local builders and interested citizens have also attended meetings.

Two sub-committees were set up. One, headed by Dr. Mandrey, was instructed to make a thorough exploration of the present condition of the building and the possibilities of restoring it to functional use. The other committee, headed by Gordon Hulbert, was to make a complete study of the Town's needs for space.

Dr Mandrey's committee called on six local builders to examine the building during the spring and summer. After investigation the consensus was that the building, with the exception of the roof, is still in fairly good condition though needing complete renovation. The roof needs some basic repair work and complete reshingling of the South side. Mr. Hulbert reported for the Space Needs committee at the May meeting. At that time several space needs were listed which have since been met However, there appears to be a present need for more space for the Court, the Police, the Selectmen and the Rescue Squad.

The committee has discussed at length the possibilities of converting the Town Hall into facilities which could be used for the Court and for Town officers. At a meeting held on September 21st Dr. Mandrey was authorized to procure an architect to study the building and determine what renovations would be required to make it functional. Mr. John Sullivan of Contoocook was selected and he reported to the committee on October 16th. Mr Sullivan stated that the building is actually in fairly sound shape and that it would be less expensive to repair it than to put up a new building. The committee voted to have Mr. Sullivan draw up floor plans at a cost of not more than \$500.00.

In December the committee met again with Mr. Sullivan to look over the floor plans and recommendations for repairs. The plans call for six offices on the ground floor and Court room and conference rooms on the second floor. Estimated cost for renovations would be in the vicinity of \$52,000.00. These would include new furnaces, all new electrical wiring, movable partitions, vinyl floor coverings, repair of plaster, repair of roof, toilet facilities, inside and outside painting and other miscellaneous repairs and renovations. These plans were discussed at length, but no action has been taken.

In addition to discussing what the Town might do with the Town Hall, the committee has discussed the possibilities of exchanging the building for property now owned by New England College, of selling it outright, and other alternatives.

At the time of this writing seven meetings have been held. Another is being planned for early February with representatives of New England College. One or more public hearings will be held before the Town meeting so that all townspeople may have an opportunity to ask questions of the committee and to express their opinions. At the present time the committee is prepared to make only one recommendation, that the roof of the South side be replaced before further damage is done.

The committee will continue its work and will make further reports to the community, but what eventually happens to Henniker's Town Hall is for the voters of Henniker to decide

Respectfully submitted,

January 28, 1973

· · · · · ·

MARY KJELLMAN, Clerk.

STATE OF NEW HAMPSHIRE

DIVISION OF RESOURCES DEVELOPMENT

For many years we have required your cooperation and financial support for the White Pine Blister Rust Control Program as authorized under RSA 223. This long time support of the towns has enabled the Division of Resources Development to bring this persistent and devastating forest disease under control.

We now feel that isolated outbreaks can be controlled for the foreseeable future without the use of town funds. Therefore, we advise you that town financial support will not be sought for at least the next two years.

We look forward to continuing our involvement with you in enchancing the forest resources of your town. We will keep you advised of blister rust conditions and program accomplishments. Futhermore, our staff is available to assist in forest protection problems. We ask that you contact your local District Forest Insect and Disease Technician if you have need for assistance. He is:

Mr. Walter J. Gilbert, Tech.Forest Insect and Disease SectionP. O. Box 162Manchester, New Hampshire 03101

Sincerely yours,

THEODORE NATTI Director

AUDITORS' REPORT

We, the undersigned Auditors of the Town of Henniker, hereby certify that we have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Collector of Taxes, Agent for Memorial Day Appropriation, District Court, Treasurer of Tucker Free Library, Board of Trustees of Trust Funds including Securities as tabulated in the report, and deposits in Savings Banks and National Banks, Collector of Water Rents, Clerk and Treasurer of Water Commissioners, and Community Center and find the same correctly cast and properly vouched.

> JOHN A. SAVAGE, LESTER CONNOR, ROBERT T. FRENCH,

> > **Auditors**

HEALTH OFFICER'S REPORT

Henniker, N. H.

December 31, 1972

To the Honorable Board of Selectmen of the Town of Henniker, N. H. and to the Residents of Same:

Dear Sirs:

There were no serious epidemics within the town during the year 1972, however the customary childhood diseases, colds, flu and viruses were recorded.

Individuals complaints were noted, investigated and were corrected providing that said complaints were health hazzards and within the authority to be corrected by statutory regulations.

The required number of water samples taken from the Cogswell Spring Water Works, were tested by the State of N. H. Dept. of Health and Welfare, Water Testing Lab., and all were found to be satisfactory.

During the months of June, July and August, water samples were taken every two weeks at the four most used swimming areas in the town and consequently due to the melting snow run off water and the heavy spring rains, these waters received a higher than average coliform bacterial count. It is important to point out this was not a sewage bacterial deposit but just a ground surface water run off deposit into the streams and ponds. The state of N. H. has a low allowable limit which these ponds exceeded. However, tests made on July 22, 1972, of all four ponds were found to contain less than 1% of 1 part of bacteria (The last of July was a non-rain period and therefore the tests were recorded as excellent) A 50 coliform bacterial count is considered as an average test.

The townspeople were informed of the results of the tests as soon as possible after notification was received from the state that waters had bacterial contamination counts in excess of the state's recommended allowable limits, however the swimming areas were not closed for two (2) reasons and are as follows:

(1) The state of N. H. allowable limit for coliform bacteria is much more strigent that most states (quoted by a state official). Most states have an allowable limit, 3 times the amount N. H. has.

(2) In all probability, the only effects an individual might receive, would be an ear infection.

Several public gathering places and restaurants were inspected and were found to be satisfactory after minor corrections were made.

mage in the state of the state

Respectfully submitted,

tions.

The required number of water samples taken from the Construct State of Water State Marken from the State of N. H. Dept. of Health and Welfare. Water Testing Lab., and all were found to be redifferentiates.

During the months of pure luby and August, water surples were taken every two weeks at the four most used switching areas in the town and consequently due to the unditing snow run off water and the heavy spring rains, these waters received a higher than average coliform bacterial count. It is important to point out this was not a sewage bacterial deposit but just a ground surface water run off deposit

VI. CIVIL CASES, DIVIDED INTO PRINCIPAL CLASSES ACCORDING TO KIND AND DISPOSITION

Cases for damages to persons or property	0
Cases founded on Contracts, including	
actions on notes, debts or accounts	6
Cases of landlord and tenant action	0
Cases appealed or transferred to the	
Superior Court	0
Cases appealed to the Supreme Court	0
	Cases founded on Contracts, including actions on notes, debts or accounts Cases of landlord and tenant action Cases appealed or transferred to the Superior Court

Respectfully submitted,

JEANETTE PENNOCK,

Clerk of District Court

Notes The criminal cases classified in Division II and the Civil cases classified in Division VI are in part the cases included in the preceding Division I and V, and the class ification in for the purpose of developing the character and disposition of cases coming before the Court during the year.

POLICE DEPARTMENT

"Police Work" is a phrase that conjures up in most minds a dramatic contest between a policeman and a criminal in which the party with the stronger arm or craftier wit prevails. However, the situations that the policeman deals with most of the time are of quite another order. During the year 1972 this Department received a total of 3,472 calls for police assistance. This represents a substantial increase over the previous year. A great majority of these calls are not, or are not interpreted by police to be, criminal situations in the sense that they necessitate an arrest with its possible consequences of prosecution, trial and punishment. These requests for "citizen services" or "public assistance" compare favorably with the national average and thereby represent approximately 79% of our calls. Many of these requests are in regard to public nuisances that the community wants stopped: radios blaring or dogs barking at 3 o'clock in the morning, youths throwing snowballs at passing motorists, disorderly persons roving throughout the area, etc.. Many situations involve the elderly and infirm, the motorist and the merchant. It is gratifying to the members of this Department to be able to furnish these "citizen services" to the people of our community.

To briefly outline some of the further accomplishments of the Henniker Police Department during the past year, I would like to mention the progress made in regard to the ever present parking problem. Effective September 1, 1972 this Department instituted a concerted effort of strict enforcement of the Parking Regulations. A total of 519 parkings tags were issued to those individuals who abused the parking privilege. From the favorable comments received, the program has been a success. We therefore intend to continue this policy as the need arises.

In order to maintain the efficiency of the Department, effective August 28, 1972 Patrolman Donald Chagnon was appointed to a full-time status. At this writing he is attending Police Basic Training School for a period of six weeks under the direction of the New Hampshire Police Standards and Training Council. Considerable emphasis has been placed on training due to the ever changing complexities in the field of law enforcement. All members of the Department have been and are presently attending monthly in-service training programs dealing with various law enforcement topics. These programs are being presented throughout the State and are sponsored by the Governor's Commission on Crime and Delinquency. In addition to the aforementioned training sessions, different Department members have attended seminars relative to Narcotics and Dangerous Drugs, Firearms and Police Management.

I would like to take this opportunity to thank all those who have so generously contributed to the support of the Police Department.

Trusting we will merit your continued cooperation.

Respectfully submitted,

THOMAS W. HASSLER

Chief of Police

THE HENNIKER RESCUE SQUAD

For the Year Ended December 31, 1972

The Henniker Rescue Squad has observed 1972 as a year in growth as a service organization. Sixty-six calls were logged in 1972. Over 400 volunteer man-hours were recorded in answering these calls.

In June, eight members graduated from the 71 hours Emergency Medical Technician-Ambulance course. Training Officer, James Houghton is presently involved in teaching this course to other ambulance squads in the State. Attendant, Daymon Murdough, was recently named treasurer of the newly-formed New Hampshire Association of Emergency Medical Technicians.

In addition, six new members received the required state training and have been accepted as working members. This brings our total membership up to sixteen, eight assigned to day call and eight to night call.

Major purchases in 1972 included the installation of the "quick-call" communication system. Remember the number to call is 464-311; and the more information you can give the dispatcher, the better the service will be. Another major purchase included an electronic blood pressure cuff and pulse monitor. Early monitoring of blood pressure and pulse rate truly assists the Doctor in treating an illnesss or injury.

Progress in our fund raising drive to build a garage for the organization is well underway. Plans for the building include space for two vehicles, a meeting-room, classroom, chief's office, and storage for administrative records and equipment.

In the fall of 1972, the Henniker Rescue Squad sponsored a newly formed Explorer Post, which will specialize in emergency first aid. Several members of the squad are involved as advisors and committee members.

The Henniker Rescue Squad would like to take this opportunity to thank all who have helped the Squad during 1972.

1972 members of the Rescue Squad include: Kenneth R. Stafford - Chief, Richard Mitchener, Jr. - Asst. Chief, Robert W. Morse, Jr. - Secretary, James K. Crane Treasurer, James F. Houghton - Training Officer.

Attendants: Daymon A. Murdough, Edward D. Aucoin, Claude Dashnaw, Joseph Parris, Stevens Hilyard, David Currier, Robert Thompson, Martin Shone, Gary Mulsow Arthur Gilbert, Larry Ashford.

Respectfully Submitted,

KENNETH R. STAFFORD, SR.

Chief,

Henniker Rescue Squad

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further. provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE	410 fires	361 acres
DISTRICT	90 fires	135½ acres
TOWN	0 fires	0 acres

ROBERT J. BURTON, District Chief E. BENJAMIN AYER, Forest Fire Warden

REPORT OF THE DUMP STUDY COMMITTEE

At the request of the Central New Hampshire Regional Planning Commission, the Dump Study Committee has met with area towns through the summer and fall; reviewed technical studies on various means of waste disposal; reviewed State air pollution control requirements; and evaluated alternate plans to help Henniker upgrade our solid waste disposal practices.

We have concluded that:

- A. our present dump operation must be upgraded to meet State requirements by July 1, 1975;
- B. that a sanitary landfill procedure offers the best method of disposal at least cost for the foreseeable future; that the number of potential sites, however, is limited and require detailed analysis and community discussion before they can be recommended as acceptable;
- C. that there appears to be significant savings if towns can work toward a joint solution, but that exact costs cannot be determined until further studies are completed;
- D. that there is significant interest in at least eleven other municipalities in working toward joint resolution of the problem. This is evidenced by the agreement and action of the towns to form a Regional Refuse Disposal Planning Board as provided under State law.

It is recommended that the Town take the following action at the 1973 Town Meeting:

- 1. Pass an Article officially creating a committee of three in an advisory capacity to represent Henniker and to join the Regional Refuse Disposal Planning Board composed of similar committees from other towns.
- Direct the Committee in conjunction with other towns represented on the Regional Refuse Disposal Planning Board to —

- A. work out a detailed proposal to resolve the Town's solid waste management problems or to report why such a joint action is not advisable, and
- B. undertake such analysis, negotiations, and determination of costs for initial and continuing operations, and to draft the proper legal documents and organization procedures necessary to implement the proposed solution and to present these to the Selectmen for action at Town Meeting.
- 3. Appropriate \$700.00 at a rate of thirty cents per capita as the Town's share of costs of the Regional Refuse Disposal Planning Board to undertake its work, conditional upon the terms set forth in the Board's proposed bylaws.

Respectfully submitted,

E. BENJAMIN AYER, GEORGE PARMENTER, DONALD GOSS, LESTER CONNOR, GORDON HULBERT

CIVIL DEFENSE

There were no Training programs held this year.

A six wheel Drive Truck was acquired through Civil Defense for the Town Highway Department at no cost to the town.

Librarian

REPORT OF THE LIBRARY TRUSTEES

The library has had another busy and productive year, with new additions to its facilities, in its services, and in its programs.

Since we are greatly concerned with our younger readers, we try to improve our program for them all of the time. This year we had a very special Summer Reading Program which involved the reading of more books than before, and a very exciting trip to the Isles of Shoals for those who qualified. The Summer Story Hour was well-attended, and was climaxed by a party for the children and the adults who took part. Several teachers from the grammer school have made regular weekly trips to the library with their classes, both to borrow books and to see the exhibits in the Childs Historical Room, and we hope that our cooperation in this area will increase.

Our biggest addition to library facilities this year was the Archives Room in the basement, which was rebuilt from a former rough storage space to an attractive, efficient, fireresistant research area. It includes shelves for books, storage area for such oddly-shaped items as bound newspapers, maps and pictures, and also has a sink with a hot water supply. (The library had no hot water supply until now, but used a tea kettle on a hot plate.) The sink and hot water supply will make the work of cleaning historical artifacts much easier than it has been in the past.

Under the direction of Mrs. Willa Brigham, a group of volunteer workers have spent many hours catalouging and arranging the historical publications of the library, which include local and regional books, New Hampshire state publications, etc. This group of workers is also busy sorting and filing the old town records put in the library by the Selectmen, with their permanent housing to be a fireproof locked filing cabinet which the library purchased reasonably through its access to the government surplus store in Concord. This fulfills the town ordinance voted several years ago that town records must be kept in a fire-proof place for those records now in the library.

A number of Henniker citizens have made gifts of important historical material to the Archives Room, knowing that it is a way in which these records will be preserved for posterity.

For the library proper, a new magazine rack was purchased this year which enables us to display the numerous periodicals to which we subscribe in a more convenient fashion for our patrons. We also purchased a phonograph from goverment surplus and visitors to the library have been pleased to hear good music while they browse through our shelves.

An experiment of keeping the library open more hours during the week was tried this year, at the request of a number of citizens, which worked out only fairly well. The library was opened at 10 a.m. on Thursday mornings during the month of December and remained open until the normal closing time, then kept open again from 7 to 9 in the evening. Several people, including teachers, made use of the new morning hours, but the evening hours did not attract much attention.

Since we are eager to increase library use and also the hours at which we are open, we have decided to try the experiment again this spring, when the traveling is better, and to publicize it more widely. We will announce it in advance and perhaps post a signboard on the library lawn to remind people that they can borrow and return books one evening a week.

To clarify the matter of our present hours and the reason why they were established, the public should know that they are based on our experience of when and how much the library is used. Since we are supported by trusts and by town money, and since a permanent addition to our present hours will raise oux expenses, we do not want to increase the cost of the library to the public unless it is warranted. When and if we find that new hours will really prove useful, we are eager to provide them.

It is still our hope to work out some method by which the school may meet its library requirements by making use of the library facilities, perhaps at hours when the library is not open for the general public. This cannot be done in any way which would change the library from its present status as a town library, or which would in any way infringe on the convenience of members of the general public who are our paptrons, but since the building and the books are available and not in use by the public for a large number of hours each week, it would seem that some plan could be worked out.

The Trustees wish to take this opportunity to thank all of our patrons for their courtesy and helpfulness, to thank all of those who have made gifts to the library, to the Childs Historical Room and to the Archives Room, and to thank all of those who have given so many hours of their time to help in our various projects. We would especially like to thank our librarians, Evelyn and John Hollis, who make such a great contribution to the town itself through their dedicated service to the library.

HENNIKER PLANNING BOARD

ANNUAL REPORT

Once again, as the Town's growth accelerates, the Henniker Planning Board had much to do this year. The work was in three general areas: subdivision and new streets; preparing a master plan; and legislative activities.

Subdivision continued at a fast rate, and to date we have approved thirty five subdivision plans, the largest showing fifteen lots. We now have plans for all these subdivisions, with the result that lot owners, the town road agent and town committees will have a much more accurate picture of Town development.

Considerable time was spent in connection with the professional consultant's work. Shurcliffe et als were hired at the last town meeting in connection with a land use survey which is now almost complete, showing the location and current use of nearly all land in the Town. This will be an interesting document for all residents and a valuable reference for Town officials.

Special mention should again be made of Chairman Holton's tireless efforts in preparing the Town Tax Map required by law, saving the Town thousands of dollars and bringing together a tremendous amount of information.

A state law passed recently now requires planning Board approval and a Permit for ALL new driveways onto Town roads. With the Road Agent's recommendations, single driveway specifications and a Permit form were adopted. The subdivision regulations were completely rewritten to reflect our growing experience of the needs of the town in this field. A trailer ordinance was prepared and passed at Town Meeting. This year we have prepared a new Land Use Planning ordinance to cover the area generally between the paper mill, Shell station, cemetery, and College. This area was felt to be that part of Henniker most in need of help if we wish to keep the Village section of the town beautiful and prevent the increased traffic congestion of downtown Henniker. The Ordinance is aimed at commercial use, lot size, parking requirements for new commercial development and controlling land use which might hurt the surrounding areas by reasons of unusual noise, traffic, odor and so forth. It is printed elsewhere in this Town Report and should be studied carefully. Remember — by law this will be voted on at the Town Election on March 6 and NOT at the Town Meeting on March 13. If you want to have your say, vote at the polls between twelve and seven P.M. on Tuesday, March 6.

Respectfully submitted,

ROBERT R. HOWARD III

Secretary

ANNUAL REPORT OF THE

HENNIKER COMMUNITY CENTER

Over the past year, the Henniker Community Center sponsored several youth activities which provided a recreational outlet for some of the citizens of the Town. The membership of the "Center" was not active but did provide the means of funding these programs with the help of the Town and many voluntary man-hours from a few interested citizens.

The Center continued its Little League baseball and basketball programs which brings a lot of enjoyment to the participants as well as to the spectators. Our in-town baseball league provided weeks of activity for over forty of our youth. Presently, two baseketball junior teams are striving to sweep their respective leagues. The Henniker Green Giants are working at their schedule with hopes of taking top honors.

An expanded swimming program at Pleasant Pond was sponsored by the Center and other local organizations. Hundreds took advantage of this program and found the supervision at the beach made a trip to this location an enjoyable one.

Over the past year, some repair of an emergency nature was made to secure "The Community Center" from further disrepair pending a report on the future use of this facility. It is hoped that more of the citizens of the Town will make their needs known to the Center so that those programs might be expanded to give more enjoyment to additional citizens of this Town.

A breakdown of our receipts and expenditures over the past year is as follows:

Cash on hand January 1, 1972 Receipts — Town of Henniker Other	\$ 445.59 1,200.00 140.00	
Total Receipts		\$1,785.59
Expenditures Insurance Plant Operation	355.95 231.47	
Sports Activities	666.00	
Supplies	378.80	
Total Expenditures		1,632.22
Balance on Hand December 31, 1972		\$ 153.37

VERNON KNOWLTON, Treas. Henniker Community Center

ANNUAL REPORT OF THE

TOWN VISITING NURSE

During the period of January 1, 1972 through December 31, 1972 - 1,793 visits were made as part of the general visiting service. These visits consisted of the following:

Bedside care of the ill and aged,

Injections,

Friendly instructions,

Follow-up.

Other duties performed during this same period were as follows:

Taking Patients to Doctors Offices,

Assisting at Blood Drawings,

Assisting Dr. Brown with Physical Exams of School Children,

Making daily visits to the Schools to render First Aid,

Administering Hearing and Vision tests,

Accompanying Patients to the Hospital and to Nursing Homes.

Respectfully submitted,

M. A. MAILLETTE, R.N., Visiting Nurse

GERTRUDE BLANCHARD Term Expires 1974
MERLE R. PATENAUDE Term Expires 1975

STATE OF NEW HAMPSHIRE Henniker School District SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium in said district on Tuesday, the sixth day of March 1973 at ten o'clock in the morning to act upon the following subjects:

1. To chose by non-partisan ballot the following school district officials with the polls to open at 10:00 A.M. and close at 8:00 P.M.

- A. Moderator for the ensuing year.
- B. Clerk for the ensuing year.
- C. Treasurer for the ensuing year.
- D. School Board member for the ensuing year.
- E. School Board member for the ensuing two years. (unexpired term of Merle Patenaude)
- F. Auditors for the ensuing year.

Given under our hands at said Henniker this 12th day of February 1973.

JOHN D. SCHULE, JR. GERTRUDE BLANCHARD, School Board

A true Copy of Warrant — Attest:

JOHN D. SCHULE, JR. GERTRUDE BLANCHARD, School Board

STATE OF NEW HAMPSHIRE Henniker School District SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium on the thirteenth day of March 1973 at 7:00 o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of agents, auditors, committees and officers chosen and to take any action relating thereto.

2. To choose agents and committees in relation to any subject embraced in this warrant.

3. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents and for the payment of statutory obligations of the district.

4. To see if the district will vote to authorize the school board to make application for, and accept on behalf of the district, any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1973-74.

5. To see if the district will vote to raise and appropriate the sum of one thousand dollars (1,000.00) as a contingency fund or to take any other action relative thereto.

6. To see if the school district will vote to increase the number of members of the School Board from three to five, the two new members to be elected at the annual election in 1974, one for a term of two years and one for a term of three years after which all terms shall be for three years. (By petition)

7. To see if the district will vote to raise and appropriate the sum of twelve thousand three hundred seventy six dollars (\$12,376.00) to renovate and repair the high school girls and boys locker rooms.

8. To see if the district will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) for repairs to the roof of the high school gymnasium.

9. To see if the district will vote to raise and appropriate the sum of one thousand twenty dollars (\$1,020.00) to pay to the Supervisory Union #24, for the purpose of establishing and maintaining an instructional material center to be utilized for the various districts within said Supervisory Union #24, or to take any other action in relation thereto.

10. To transact any other business that may legally come before said meeting.

Given under our hands this 16th day of February, 1973, at said Henniker.

JOHN D. SCHULE, JR., GERTRUDE BLANCHARD, School Board

A true Copy of Warrant — Attest:

HENNIKER SCHOOL DISTRICT PROPOSED BUDGET 1973-74 EXPLANATION

CATEGORY 100 ADMINISTRATION

Categorical Breakdown	Adopted 1972-73	Proposed 1973-74	Change
110 Salaries	\$ 550.00	\$ 550.00	no change
135 Contracted Services	30.00	30.00	no change
190 Other Expenses	465.00	590.00	+125.00

REASONS FOR CHANGE (1) Increase in treasurer's supplies replacing control cards and purchasing checks.

CATEGORY 200 INSTRUCTION

Categorical	Adopted	Proposed	
Breakdown	1972-73	1973-74	Change
210 Salaries	\$204,503.00	\$232,866.00	+28,363.00
215 Textbooks	3,609.00	3,262.00	-347.00
220 Library & A.V.	6,932.00	5,030.00	-1,902.00
230 Supplies	14,171.00	16,412.00	+2,241.00
235 Contracted Services	965.00	2,075.00	+1,110.00
290 Other Expense	11,706.00	12,728.00	+1,022.00

REASONS FOR CHANGE: (1) Increases in salaries based on the salary schedule adopted for 1973-74, an increase in teacher aide time, and a rate and time increase for secretarial assistance. (2) Categories 215 and 220 are both decreased reflecting more individualization of instruction and necessitating an increase in 230 supplies which includes price increases and more consumable materials. (3) Greater number of students increases ETV costs, necessity of providing funding for rescheduling and providing an in-service ungraded training workshop under contracted services. (4) Increase in other expenses resulting from an increase in employee health insurance and funding the Term Life Insurance program adopted in 1972.

CATEGORICAL 400 HEALTH SERVICES

Categorical Breakdown	Adopted 1972-73	Proposed 1973-74	Change
490 Other Expenses	\$ 3,220.00	\$ 3,570.00	+350.00

REASON FOR CHANGE: (1) Increase in service fee for Concord Mental Health maintaining the same service.

CATEGORY 500 TRANSPORTATION Categorical Adopted Proposed Breakdown 1972-73 1973-74 Change 535 Contracted Services \$ 17,778.00 \$ 21,489.00 +3,711.00

REASONS FOR CHANGE (1) Renegotiation of two contract carriers for three years resulting in the bulk of the increase plus a slight field trip increase.

CATEGORY 600 OPERATION OF PLANT

Categorical Breakdown	Adopted 1972-73	Proposed 1973-74	Change
610 Salaries	\$ 11,305.00	\$ 12,199.00	+894.00
630 Supplies 635 Contracted Services	2,800 .00 400.00	3,400.00 200.00	+600.00 -200.00
640 Heat	5,800.00	6,300.00	+500.00
645 Utilities	3,725.00	4,750.00	+1,025.00

REASONS FOR CHANGE: (1) Increase in custodial hourly rates corresponding with the wage-price guidelines (2) Increase in supplies reflects price increases and maintaining the present level of effort. (3) The increase in the heat category anticipates oil price increases and minor repairs. (4) The change in utilities represents rate changes in electricity and telephone plus the addition of another trunk line to improve telephone service.

CATEGORY 700 MAINTENANCE OF PLANT

Categorical Breakdown	Adopted 1972-73	Proposed 1973-74	Change
725 Replacement	\$ 3,500.00	\$ 4,594.00	+1,094.00
726 Repairs Equipment	400.00	400.00	no change
735 Contracted Services	1,530.00	1,890.00	+360.00
766 Repairs Building	2,500.00	8,595.00	+6,095.00

REASONS FOR CHANGE: (1) The increase in 725 is necessary to replace worn out equipment including window shades, water coolers, lockers, elementary desks and chairs and replacing the business education and home economics equipment under the normal program. (2) Contracted services have been adjusted to reflect service needs and normal rate in-creases. (3) Repairs to the buildings include essential electrical work to provide new circuits to the home ec. laboratory, clearing up the wiring in the basement of the elementary school, the normal painting schedule, plumbing in the cafeteria, replacing the stairs in the elementary school, replacing one partition, building science storage areas, providing a fire exit for the kindergarten, and rebuilding the cafeteria kitchen work area including equipment replacement.

CATEGORY 800 FIXED CHARGES

Categorical	Adopted	Proposed	
Breakdown	1972-73	1973-74	Change
850 District Contribution	\$ 17,386.00	\$ 21,114.00	+3,728.00
855 Insurance	2,205.00	2,853.00	+648.00

REASONS FOR CHANGE: (1) District contributions have increased with a higher percentage on social security as well as the increase in maximum wage base in addition to an increase in employer contributions to the New Hampshire Retirement System. (2) Insurance is increased correlating to the replacement cost value of the buildings and otherwise maintaining the present insurance program.

CATEGORY 900 SCHOOL LUNCH

Categorical	Adopted	Proposed		
Breakdown	1972-73	1973-74	Change	е
975.2 District Contribution	\$ 1,200.00	\$ 600.00	-600.0	00

REASONS FOR CHANGE: (1) Program to maintain near self-sufficiency with funds necessary to purchase supplies to start program in September. Equipment is included in category 725.

CATEGORY 1000 STUDENT	BODY	ACTIVITI	ES	
Categorical		Adopted 1972-73	Proposed	
Breakdown		1 97 2-73	1973-74	Change
1010 Salaries	\$	2,975.00	\$ 3,675.00	+700.00
1075 Transfer of monie	s	4,109.00	4,964.00	+855.00

REASONS FOR CHANGE: (1) Increase in activities salaries correlating to the time factor involved with practices, games, and meetings. (2) The additional amount is due to costs for athletic officials and transportation plus normal equipment replacement.

CATEGORY 1200 CAPITAL OUTI	LAY		
Categorical Breakdown	Adopted 1972-73	Proposed 1973-74	Change
1267 New Equipment	\$ 6,481.00	\$ 6,192.00	-289.00

REASONS FOR CHANGE: (1) The proposed expenditures include new equipment for Educational media in addition to classroom and project equipment including a lathe, sewing machines, physics equipment, files, and audiovisual equipment.

CATEGORY 1300 DEBT SERVICE			
Categorical	Adopted	Proposed	
Breakdown	1972-73	1973-74	Change
1370 Principal	\$ 12,000.00	\$ 10,000.00	-2,000.00
1371 Interest	530.00	155.00	-375.00

REASONS FOR CHANGE: (1) Final payment on the high school addition.

PRINCIPAL'S REPORT

Upon assuming the principalship of the Henniker School System this past July, I had the advantage of twelve years of experience in the Henniker schools. From this vantage point I viewed; the situation as somewhat less than ideal. The system was lacking continuity and consistency and a concrete sense of direction. This was a situation that could not be blamed on any single individual or group of individuals, but rather it was a situation that was inevitable when one looks back over the past dozen years and discovers the following: 1) Five different principals; 2) Approximately sixty-five different teachers in grades seven through twelve. These two factors combined with the philosophy that the small school is a training ground for educators, a philosophy that seemed to prevail throughout the state during most of the last decade, were key factors in producing this less than ideal situation.

With the above in mind I have established the following immediate objectives in an attempt to reverse the situation:

- 1. To restore an affirmative attitude toward the value of this school and education in general.
- 2. To re-establish a mutual respect among teachers, students and parents especially by encouraging and facilitating communication.
- 3. To eliminate the waste and destruction of school property.
- 4. To finalize a philosophy and complementary set of objectives.
- 5. To foster the importance of basic values, such as, a sense of community obligation.
- 6. To facilitate the Activity Period.
- 7. To distribute the extra-curricular activity load evenly.
- 8. To establish and enforce standards for absenteeism.

- 9. To pay special attention to the supervision of teachers who have difficulties.
- 10. To pay special attention to the recent programs in science and in the elementary ungraded concept.
- 11. To devise a schedule that provides the maximum of course selection for most students.

There have been creative and encouraging things happening in the schools. One outstanding example of this is the Ungraded Program in the Elementary School. This program involving Language Arts and Math presently consists of eleven levels encompassing what used to be grades one, two and three. Its success has been primarily due to four dedicated, tireless, enthusiastic, knowledgeable teachers: Mrs. Foster, Mrs. Merrill, Miss Wells and Mrs. Willis.

A second encouraging thing is the development of a consistent, continuous math program from Level one to grade eight. This will be finalized this school year with a formal math syllabus. For the past three years Mr. Kimball has been working on this project and it is primarily through his dilligence that this will be accomplished.

Another worthwhile program in the Henniker Schools is the Work Study Program in which juniors and seniors spend part of the day in school taking formal subjects and the other part of the day working with a participating employer. The program is designed to give the student work experience in a field that is of interest to him. This program was initiated and is administered very effectively by Mr. Blair. It would not function without the excellent cooperation of New England College and local businesses who are the employers of these students.

A final bright spot in your schools is the Media Center. This is an attempt to catalogue and to share audio-visual materials on a union-wide basis. Mr. Paul has contributed much energy and countless hours in establishing and operating this center.

Of course, none of the above could have been accomplished without the guidance and encouragement of the Superintendent's Office and your concerned, conscientious school board.

Finally, the Henniker School System, if the above- mentioned programs may be used as an indicator, should improve. However, this will not happen with just the dedication and concern of a few, but it will take a cooperative effort on the part of all students, teachers, parents and anyone else interested in Henniker Schools. Based upon my thirteen years serving Henniker and its youth, I am hopeful and confident that all of us working together will produce an effective educational system.

REPORT OF THE

SUPERINTENDENT OF SCHOOLS

Our youth are educated on the basis of transmitting our culture and society so that they in turn will evaluate the ideas and bring about constructive change. The basic premise of education is to teach children to be critical thinkers, good citizens and to provide base skills for employment. Planning and effecting educational change to secure the desired ends entails internal teacher education, community involvement and support and effecting programing modifications while maintaining evaluation, proper financial support, and providing accountability. As society becomes more knowledgeable the perplexities of the educational process increase also.

We have been called upon to establish priorities elicit objectives and propose procedures to be followed. The cycle of education has revolved again to total emphasis on the individual child with provisions for individual differences and formulation of programs and procedures to meet these differences. The factor of failure is largely eliminated as pupils proceed at their individual rates, interest is high, and relevancy to current society, economics, and politics is apparent. It is difficult for the adult world as interested citizens, parents and certainly educators to revise or abandon "traditionalism" in our frame of reference. Large group instruction, the captive audience lecture approach, and labeling large numbers of children with skill deficiencies as special class or disabled are fast disappearing from the educational scene. The teacher must have a priority commitment to first understanding and teaching children and secondly pursuing and relating his subject area. There are many imperatives in current education and performance goals are of prime significance.

With emphasis on pre-school education, stress on individualization of instruction, removal of the lock step of grade arrangement, wider use of teacher aides, increased technology, and more diversification in the curriculum to meet the needs of all, we find great disparity between school districts with some in an enviable position and others seeking rational answers. The educational process has become increasingly more expensive but not disproportionately as compared to other increasing costs.

My initial orientation to this Supervisory Union has been most eventful with challenges appearing from several directions. The timing was critical from my aspect with the immediacy of researching budget preparation before knowing staff and programs. Salary negotiations have also thrust differing approaches for School Board action.

The schools basically operate well and the problems are inherently unique to each district. My educational philosophy urges broadening educational experiences for children and providing diversification and more intensifed preparation in vocational areas. Work experience programs are excellent, but would be greatly enhanced through greater depth of preparation. I strongly urge sharing programs in the three high schools to (1) avoid duplication and triplication of capital outlay, (2) providing a sufficient number of students to create program efficiency, and (3) utilizing valuable space in the most productive and economical basis possible.

We will hopefully gain more State and Federal financial assistance for education in the future. Categorical aid has certainly been the catalytic factor in implementing some new programs.

This Supervisory Union is fortunate to have concerted interest in professional in-service education, strong support for the C.A.P.E. program, and now fostering the Instructional Materials Center for central dissemination of audio-visual materials.

Excellence in education is achieved only through professional dedication, strong supportive services and an interested, concerned and supportive public. Research and practice have shown refinements within the capabilities of all school systems as long as flexibility and willingness to modify exist. Learning can be most enjoyable. We have a moral obligation to plan, support, and operate programs adapted to the differing capabilities and needs of all children to ensure the strength and future well-being of our society. By creating a learning atmosphere that is interesting, exciting and challenging we are providing the vehicle for each individual to explore and discover processes and procedures for himself and in end result make it possible for him to grasp changes in taking his place in the working world.

Members of the School Boards have a multiplicity of issues confronting them and your support is essential. The need for public understanding and support has never been more necessary.

Thank you.

Respectfully submitted,

NEIL E. CROSS, Superintendent of Schools Supervisory Union No. 24
