TOWN WARRANT

To the inhabitants of the Town of Westmoreland, in the County of Cheshire, State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Westmoreland on Tuesday, the tenth day of March next. Polls will open at 10:00 AM and will not close before 7:00 PM. The business meeting will come to order at seven o'clock in the evening to act upon the following matters:

1. To choose all necessary Town officers for the ensuing year.
2. To bring in your votes on adoption of Revised Zoning and Building Regulations of the Town of Westmoreland, as posted with this warrent and appearing in the Town Report.
3. To bring in your votes relative to approval of the recommendations of the Goals Committee submitted to the Planning Board, and included in their annual report, as guides in the development of a Master Plan for the Town of Westmoreland.
4. To hear the reports of Agents and Auditors and take any action relative thereto.
5. To see if the Town will vote for Class IV or Class V roads construction, re-construction, or betterment aid, and raise and appropriate the sum of \$962,88 therefore, the State contributing \$6,419.22.
6. To see if the Town will permit the playing of basketball in the Town Hall under regulations prescribed by the Selectmen, until the next annual Town Meeting.
7. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act, for use as a set-off against the following debt service:

1977 Fire Truck Note	\$4,000.00
----------------------	------------
8. To see if the Town will vote to raise and appropriate the sum of \$724.00, (50 cents per capita) for the support of the Monadnock Family & Mental Health Service.
9. To see if the Town will vote to appropriate a sum not to exceed \$49,500.00 for the purchase of a Dump Truck with Snow Plow for the Highway Dept., to be financed as follows:

Withdrawal from Capital Reserve	\$10,500.00
Withdrawal from Revenue Sharing	2,500.00
Notes payable at the rate of	
\$6,000.00 per year for 6 years	
and a final payment of \$500.	36,500.00
10. If Art. 9 is passed, to see if the Town will authorize the Selectmen to appoint a Committee of three to work with the Highway Dept. and the Selectmen to

determine specifications and receive bids on the desired equipment.

11. To see if the Town will vote to give the Selectmen authority to sell any real estate deeded to the Town after Tax Sale, on such terms as they may deem reasonable.
12. To see what disposition the Town will vote to make of the income from the Jotham Lord Trust Fund.
13. To see if the Town will vote to accept the budget as submitted by the Budget Committee under the Municipal Budget Act.
14. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
15. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State, or any city, town, or other governmental unit of the state to five percent.
16. To transact any other business that may legally come before the meeting.

Given under our hand and seal this 20th day of February, in the year of our Lord nineteen hundred and eighty-one.

Selectmen of Westmoreland

Paul A. Vincent
Rodman R. Tatnall
Leonard Howard

Selectmen of Westmoreland

ZONING ORDINANCE
FOR THE
TOWN OF WESTMORELAND
CHESHIRE COUNTY, NEW HAMPSHIRE

ARTICLE I

1:01 To promote the health, safety, convenience, prosperity and general welfare of the Town of Westmoreland and to protect and enhance the value of its properties, the following regulations are hereby enacted by the voters of Westmoreland.

ARTICLE II DISTRICTS

2:01 For present purposes these Zoning regulations shall not affect any building existing or under construction at the time of the original passing of these Regulations.

2:02 For the purpose of these Regulations, all land in the Town of Westmoreland is divided into three (3) Districts as described below:

Zone A All land within 500 feet from the center line of Route No. 63 from the River Road to the Farrhill Road. This area to be zoned for residence only.

Zone B All land within 500 feet from the center line of Route No. 12 from the Surry townline to the Walpole town line. All land within 500 feet from the center line of Route No. 63 from the Chesterfield town line to the intersection with Route No. 12 (excluding land in Zone A).

Zone C All land not included in Zones A and B.

ARTICLE III REGULATIONS

3:01 Every dwelling house, or other building or addition thereto, shall be set back a distance of at least 75 feet from the center line of any public road or highway, and shall be set back a distance of at least 20 feet from adjacent property lines. Every dwelling house shall have a minimum ground floor area of 600 square feet, exclusive of porches, breezeways, garages, sheds or similar areas.

3:02 No owner or occupant of any land within said areas shall permit any building or fire ruins thereon to be left unfinished or incomplete on the exterior, but shall finish or remove the same within one (1) year. This section shall not apply to any existing building or buildings under construction.

- 3:03 No junk yard or place for storage of discarded machinery, vehicles or scrap material shall be permitted in the Town.
- 3:04 (a) Mobile homes, mobile home subdivisions, multiple family dwellings or conversion of a single to a multiple family dwelling shall not be permitted in Town until approval has been granted by the Zoning Board of Adjustment, after a public hearing.
- (b) Travel trailers and campers will be permitted on private property for no longer than four weeks during any one year. A written permit will be required from the Board of Selectmen for a longer period of time.
- 3:05 Outdoor advertising signs shall not be permitted in the Town until approval has been granted by the Board of Adjustment. Exception: owners of land may erect small signs of not over twelve (12) square feet in size on their own land for advertising their own products or goods raised or made on the premises.
- 3:06 (a) In Zones A and B all building lots for a single family dwelling shall contain a minimum of three hundred (300) feet frontage on a town approved and maintained road. This also applies to lots for trailers and mobile homes.
- (b) In Zone C all building lots for a single family dwelling shall contain a minimum of five (5) acres, with a minimum of five hundred (500) feet frontage on a town approved and maintained road. This also applies to lots for trailer and mobile homes.
- (c) Churches and schools are permitted in all Zones.
- 3:07 All roads built on private property shall meet construction standards of the Town of Westmoreland before being accepted by the Town. A set of such standards is on file with the Town Clerk.
- 3:08 No house or building may be sold or transferred with less than the minimum acreage or frontage prescribed for the Zone in which it is located. Any house or building now situated on less than the minimum lot size must be sold or transferred in its entirety.

3:09 (a) Business, industry and professions may be permitted in Zones B and C by special exception only, in accordance with the following requirements:

1. The proposed use is in an appropriate location for such a use.
 2. Such approval would not reduce the value of any property within the district, nor otherwise be injurious, obnoxious or offensive to the neighborhood.
 3. There will be no nuisance or serious hazard to vehicles or pedestrians.
 4. Adequate and appropriate facilities will be provided for the proper operation of the proposed use.
- (b) A Special Exception is valid only for the business or location for which it is issued. It shall expire upon termination of the enterprise to which it is assigned.
- (c) Any addition, expansion or alteration of an existing use for which a Special Exception has been granted must receive a new Special Exception.
- (d) The cost of advertising and costs of mailing the notices of hearings shall be payable by the person making the appeal prior to the hearing.

ARTICLE IV BOARD OF ADJUSTMENT

4:01 Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five (5) members, conforming in duties to the provisions of Chapter 31 of the New Hampshire Revised Statutes, Annotated 1955. Thereafter as terms expire or vacancies occur, the appointing Authority shall be responsible for filling vacancies and maintaining full membership in the Board of Adjustment. The Board of Adjustment here provided shall conform in membership and term of office to the provisions of Section 67, Chapter 31 of the New Hampshire Revised Statutes, Annotated 1955.

4:02 In addition to the general powers granted said Board of Adjustment by said Chapter 31, it may in harmony

with, and subject to its provisions:

- (a) Allow slight variances from specific terms of this Ordinance, where it can be shown that unnecessary hardship would otherwise result.

ARTICLE V ADMINISTRATION

5:01 It shall be the duty of the Board of Selectmen and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

5:02 Upon any well founded information that this Ordinance is being violated, the Selectmen shall on their own initiative take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court, or by any other legal action.

ARTICLE VI AMENDMENT

6:01 The provisions of this Ordinance may be amended or changed at any regular or special Town Meeting by a majority of the voters present as provided by law.

ARTICLE VII GENERAL PROVISIONS

7:01 Validity. Should any section or provision of this Ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the Ordinance as a whole or any part thereof.

7:02 Interpretation. In interpreting and applying the provisions of this Ordinance, they shall be held to be the minimum requirements for the promotion of the health, safety, morals and general welfare of the Town of Westmoreland and its citizens. The implied intent of the Ordinance shall be maintained. In addition to the general powers granted to the Board of Adjustment they shall allow slight variances from specific terms of this Ordinance, where it can be shown that unnecessary hardship would otherwise result.

7:03 Penalties and Remedy for Violations. Every person, persons, firm or corporation violating any of the provisions of this Ordinance may be subject to a fine by the Board of Selectmen of not more than ten dollars (\$10.00) for each day of said violation, plus any legal cost resulting in the enforcement of said violation.

7:04 Acceptance. This Ordinance shall take effect immediately upon its passage.

BUILDING ORDINANCES
FOR THE
TOWN OF WESTMORELAND
CHESHIRE COUNTY, NEW HAMPSHIRE

ARTICLE I

1:01 To promote the health, safety, convenience, prosperity, and general welfare of the Town of Westmoreland and to protect and enhance the value of its properties, the following regulations are hereby enacted by the voters of Westmoreland.

ARTICLE II REGULATIONS

2:01 All land shall be subject to the following regulations, restrictions and conditions.

2:02 A new building more than 30 feet in height above the natural ground level must have prior approval of the Board of Adjustment.

2:03 No new building, exterior or interior, structure, or chimney shall be erected, or an existing structure or chimney be altered, without a building permit from the Building Inspector, to whom adequate plans of proposed building or alterations shall be submitted. No permit will be required for repairing the exterior or interior of a building if the total cost of such work, including labor and materials, does not exceed \$500.00. The fees for permits shall be according to the following schedule:

Living Area	4¢ per square foot
Basement	2¢ per square foot
Garage with house	2¢ per square foot
Garage or outbuildings	1¢ per square foot
Minimum fee.....	\$5.00

Fees must be paid to the Selectmen of the Town of Westmoreland before a permit may be issued.

2:04 All building permits shall expire one year from date of issue. Extension may be granted upon application if required.

2:05 The Town Building Inspector shall base his approval or rejection on the provisions of this Ordinance. The requirements are as follows:

Every dwelling house, or other building or addition thereto, shall be set back a distance of at least 75 feet from the center line of any public road or highway, and shall be set back a distance of at

least 20 feet from adjacent property lines. Every dwelling house shall have a minimum ground floor area of 600 square feet, exclusive of porches, breezeways, garages, sheds or similar areas.

2:06 Foundations shall be continuous and be constructed of solid concrete, block, stone or other similar materials, extending at least four feet below the normal ground level. Accessory building may be set on brick, stone, concrete piers, or pressure-treated creosote posts, set 4" below ground level, completely enclosed to prevent leaves and other debris from collecting under the buildings. A concrete slab, designed by a registered engineer and approved by the building inspector, shall also be acceptable.

2:07 Every dwelling, other building, or addition to presently existing dwellings or buildings, is to be finished on the exterior in a permanent manner within a period of two (2) years.

2:08 All chimneys and fireplaces shall be constructed of stone, brick, concrete or cinder blocks, on a twelve (12) inch thick concrete footing. Width of footing for interior chimney shall be one foot wider in each direction than the width of proposed chimney. Width of footing for exterior chimneys shall be sixteen (16) inches wider in each direction than the width of the proposed chimney and set on top of the house foundation footing, but no less than four (4) feet below ground level. All masonry chimneys shall be lined with flue tile beginning at the footing and extending two (2) feet higher than the ridge of a peaked roof, or two (2) feet higher than a ten (10) foot measurement horizontally to the roof. All entrances to chimneys shall be of fireproof construction with each flue to have a cleanout at its base. Chimneys shall not be used to support beams or timbers in any manner. No smoke pipe or thimble shall be installed so as to be within eighteen (18) inches of any combustible floor or ceiling unless amply protected with non-combustible material. No smoke pipe shall be installed which passes into or through partitions or walls of combustible materials except when guarded by at least eight (8) inches of brick or other non-combustible material between the pipe and the combustible material. Flue tiles will be joined with refractory cement. Under no circumstances will mortar cement be permitted to join flues together. Prefabricated chimneys bearing the approved label of the National Board of Fire Underwriters shall also be allowed, provided they are installed in an approved manner.

2:09 No roof of any building shall be covered or recovered in whole or in part save with non-combustible

or fire-resistant roofing material.

2:10 Sewerage: All dwelling units used for permanent human occupancy must be supplied with running hot and cold water properly connected with the following fixtures: kitchen sink, lavatory sink, tub or shower, water closet. These fixtures must be connected with a septic tank and leach field which has been approved by the New Hampshire Water Supply and Pollution Control Commission. The required septic tank and leach field must be of sufficient size to accommodate a water closet.

A family sized commercial dry composting toilet may be allowed in lieu of a water closet. Such a system must first be approved in writing by the local Board of Health based on the determination that said system will not endanger the health of any person or cause a nuisance and that the end product will be disposed of in a sanitary manner. All other requirements in the first paragraph of Section 2:10 must be met.

2:11 All electrical installations shall be in accordance with the requirements of the latest edition of the National Electric Code, the same being the standard of the National Board of Fire Underwriters for electrical wiring and apparatus.

2:12 All fuel burning equipment shall be installed in compliance with the latest edition of rules and regulations issued by the New Hampshire Board of Fire Control.

2:13 All construction unless otherwise covered by this Ordinance shall be governed by the Building Officials and Code Administrators International Inc. (BOCA).

ARTICLE III TOWN BUILDING INSPECTOR

3:01 For the purpose of this Ordinance, the Board of Selectmen shall annually appoint a Town Building Inspector who shall perform the duties pertaining to his office as designated in the provisions of this Ordinance.

3:02 The Building Inspector shall in all cases, visit the site of any proposed building or remodelling in company of the owner of the site before issuing a building permit. He shall satisfy himself that the proposal will meet all requirements of the Town Building and Zoning Ordinances.

3:03 No building permit shall be issued until the Building Inspector has certified that the proposed building or structure and its intended use comply with the provision of this Ordinance.

3:04 It shall be unlawful for any person to commence work on erection or alteration of any building or structure until a permit has been duly granted for such erection or alteration by the Building Inspector.

3:05 The Building Inspector shall not issue a building permit before the securing of a driveway permit, if a new driveway is required. Any new drive from a town public road shall require a driveway permit from the Town Road Agent. Factors to be considered include a safe location, suitable grade at its junction with the public road and adequate drainage.

3:06 Certificate of Occupancy: No building shall be used and no building shall be changed to another use until a certificate of occupancy shall have been issued by the Building Inspector only after the Building Inspector has inspected the property and finds that it complies with all provisions of the Building and Zoning Ordinances of the Town.

ARTICLE IV ADMINISTRATION

4:01 It shall be the duty of the Board of Selectmen, and the Board is hereby given power and authority, to enforce the provisions of this Ordinance. The Board of Selectmen shall act as arbitrator to resolve any differences between the applicant and the Building Inspector.

4:02 The Board of Selectmen shall require that the application for a building permit include a plot plan and contain all necessary information to enable the Building Inspector to ascertain whether the proposed building or structure and its intended use comply with the provisions of this Ordinance.

4:03 Upon any well founded information that this Ordinance is being violated, the Selectmen shall on their own initiative take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court, or by any other legal action.

ARTICLE V AMENDMENTS

5:01 The provisions of this Ordinance may be amended or changed at any regular or special Town Meeting by a majority of the voters present as provided by law.

ARTICLE VI GENERAL PROVISIONS

6:01 Validity. Should any section or provision of this Ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity

of the Ordinance as a whole or any part thereof.

6:02 Interpretation. In interpreting and applying the provisions of this Ordinance, they shall be held to be the minimum requirements for the promotion of the health, safety, morals and general welfare of the Town of Westmoreland and its citizens. The implied intent of the Ordinance shall be maintained. In addition to the general powers granted to the Board of Adjustment, they shall allow slight variances from specific terms of this Ordinance, where it can be shown that unnecessary hardship would otherwise result.

6:03 Penalties and Remedy for Violations. Every person, persons, firm, or corporation violating any of the provisions of this Ordinance may be subject to a fine by the Board of Selectmen of not more than ten dollars (\$10.00) for each day of said violation, plus any legal cost resulting in the enforcement of said violation.

6:04 Acceptance. This Ordinance shall take effect immediately upon its passage.

TOWN CLERK
WESTMORELAND, N. H.
03467

TOWN MEETING
March 11, 1980

The annual Town Meeting was called to order by Moderator Talbot R. Hood at 10:00 AM and the polls declared open after reading Article I. The balance of the warrant was scheduled to be taken up at 7:00 PM.

Article I - To choose all necessary Town Officers for the year ensuing.

The result of the balloting was as follows:

Total ballots cast 336 representing 47.7% of total registered voters.

	Selectman	
Leonard Beaman		42
Leonard Howard		181*
Peter C. Longsjø		105
	Treasurer	
Kenneth H. Stewart		306*
	Town Clerk - Tax Collector	
August H. Buchta		319*
	Briggs Fund Committee	
Karen L. LeDuc		289*
Susan A. Longsjø		255*
	Trustee of Library	
Henry Hurley		305*
	Moderator	
Talbot R. Hood		316*
	Constable	
Harry Brown		49
James Cunningham		12
Ted Ferguson		273*
	Budget Committee	
Richard Lawson		54*
	Auditors	
Harry Brown		214*
Evelyn Hunter		33*
Bertha Staples		30

	Trustee of Trust Funds	
John Reid		291*
	Overseer of the Poor	
Rodman R. Tatnall		313*
	Supervisor of the Checklist	
Nancy H. Fiskien		305*

* Declared elected by the Moderator

Article 2 - To hear reports of agents and auditors and take any action relating thereto.

Moved, seconded and voted in the affirmative to accept all reports as printed in the Town Report.

Article 3 - To see if the Town will permit the Westmoreland Athletic Association, Inc. to play basketball in the Town Hall, in accordance with rules and regulations mutually agreed upon by the Association and the Selectmen of the year 1977, until the next annual meeting.

Moved, seconded and voted in the affirmative.

Article 4 - To see if the Town will vote to raise and appropriate the sum of \$510.00 for the Monadnock Family and Mental Health Service.

Moved, seconded and voted in the affirmative.

Article 5 - To see what disposition the Town will vote to make of the income of the Jotham Lord Fund.

Moved and seconded to use for the Westmoreland Public Library. Voted in the affirmative.

Article 6 - To see if the Town will vote for Class IV or Class V roads construction, re-construction, or betterment aid, and raise and appropriate the sum of \$973.00, the State contributing \$6,486.67.

Moved, seconded and voted in the affirmative.

Article 7 - To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the Provisions of the State and Local Assistance Act for use as a Setoff against the following debt service:

<u>Purpose</u>	<u>Amount</u>
1977 Fire Truck Note	\$4,000.00

Moved, seconded and voted in the affirmative.

Article 8 - To see if the Town will vote to appropriate and authorize withdrawal from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations in the amount indicated.

<u>Purpose</u>	<u>Amount</u>
Library Floor Repairs	\$ 500.00
Complete Town Hall Cellar Repairs	\$1,000.00

Moved, seconded and voted in the affirmative.

Article 9 - To see if the Town will vote to raise and appropriate the sum of \$300.00 to help repair the broken stones in the cemeteries in Westmoreland.

Moved, seconded and voted in the affirmative.

Article 10 - To see if the Town will vote to raise and appropriate the sum of \$150.00 to repair the masonry on the front of the tomb in the Gline Cemetery.

Moved, seconded and voted in the affirmative.

Article 11 - To see if the Town will vote to raise and appropriate the sum of \$219.00 for the support of the Monadnock Region Association, or take any action relating thereto. This sum is based on the formula of twenty cents per town resident according to the latest available census figures.

Moved, seconded, discussed and voted in the negative.

Article 12 - To see if the Town will vote to appropriate the sum of \$7,000.00 for a new police cruiser if the New Hampshire Highway Safety Agency contributes 50% of that amount.

Moved, seconded, paper ballot vote resulted in YES - 148, NO - 37.

Article 13 - To see if the Town will vote to accept land donated by Mr. & Mrs. Linwood Burt for the addition to the fire station.

Moved, seconded and voted in the affirmative.

Article 14 - To see if the Town will vote to prohibit transportation of radio-active materials and radio-active waste from nuclear facilities across town lines.

Moved, seconded, show of hands resulted in YES - 66, NO - 58.

Article 15 - To see if the Town will vote to prohibit the storage of radio-active materials and the dumping of radio-active waste from nuclear facilities within the town lines of Westmoreland.

Moved, seconded, show of hands resulted in YES - 84
NO - 43.

Article 16 - To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Moved, seconded and voted in the affirmative.

Article 17 - To see if the Town will vote to accept the budget, as submitted by the Budget Committee under the authority of the Municipal Budget Act. The total amount of the budget to be \$146,379.70.

Moved, seconded and voted in the affirmative.

Article 18 - To transact any other business that may legally come before the meeting.

The following resolution was introduced for inclusion in the minutes of this meeting -

WHEREAS - James H. Ashworth has served the Town of Westmoreland for Six Years in the Office of Selectmen:

AND WHEREAS - James H. Ashworth has diligently pursued the duties of the office, and given generously of his time and talents to the benefit of the Town:

NOW, THEREFORE, BE IT RESOLVED: that the citizens of this Town, in meeting assembled, give to James H. Ashworth a rising vote of thanks for his faithful services to the community:

AND BE IT FURTHER RESOLVED: that this resolution be spread upon the minutes of the meeting as a token of grateful appreciation and a tribute to James H. Ashworth.

The Fire Department reported they had a total of 48 calls during the year 1979, broken down as follows:

House or Structure fires	5
Brush or Forest Fires	10
Chimney Fires	11
Automobile Fires	3
Refrigerator Leaking	1
Dump Fire	1
Yellow Alert (Vernon)	1
Stand By or Mutual Aid	2
Burning Wire County Farm	1
Sterilizer County Farm	1
False Alarms County Farm	10
Adams Sugar	1
Spofford Motel	1

Moved that the Selectmen investigate insulation for the Town Hall. Amended that Dave Adams chair a committee to do this and report to Selectmen. Further amended that Moderator appoint at least two persons to serve with David Adams.

It was announced that as long as so many seem interested in nuclear safety, those interested in taking the CD Radaf course can sign up after the meeting by contacting David Adams.

The polls were declared closed and the meeting adjourned at 9:15 PM.

REPORT OF THE WESTMORELAND VOLUNTEER FIRE DEPARTMENT

1980

The Westmoreland Volunteer Fire Department had a very active year. We responded to fifty-two (52) alarms of which four (4) were serious structure fires and one (1) a serious brush fire. Two (2) men were injured at fires this year and utilized the town's insurance coverage.

The department presently has twenty-eight (28) members. We obtained four (4) new members, one (1) of which was our first female firefighter and we lost two (2) members through resignation.

This past year we obtained the following new equipment: two (2) hand lights, two (2) 2½" to 1½" reducers, one (1) 1½" cap, two (2) 1½" nozzles, a ten foot attic ladder, two (2) pair of bolt cutters, and vehicle batteries for 36M4. In addition, we received a generous donation of a 4000 watt alternator. With volunteer labor and the purchase of a ten horsepower gasoline engine, we now have a portable power plant to run lights, our smoke ejector, etc.

All our committees have been active this year. The Drill Committee executed fifteen (15) drills that included the detailed development and trial run of a Mutual Aid pre-plan for the County Farm and a tour of Cedarcrest. In addition, they compiled a complete book which includes standard operating procedures, detailed maps of the various sections of town with landmarks noted and all waterholes listed, and pre-plans for Park Hill and the County Farm, along with other pertinent information. The Building Committee continued to make progress on the fire station addition with plans for completion in the late spring of 1981. The Ways and Means Committee sponsored square dances in the winter and spring and ran the Annual Chicken Barbeque and Fireworks. The Fire Prevention Committee made a presentation and provided several hand-outs on fire prevention at the school during Fire Prevention Week. A new committee was formed to recommend to the department what it should have for a new tanker, how much it will cost, and how it will be financed. This committee is still out.

We are always looking for members of the community who would like to volunteer their time and energies - we meet the 3rd Tuesday of every month at 8:00PM at the fire station.

WESTMORELAND RESCUE SQUAD ANNUAL REPORT

1980

The Westmoreland Rescue Squad has had a very productive and beneficial year.

We have rewritten our bylaws and believe they will be more than adequate in governing our group.

We have purchased more of the equipment which is so necessary in helping us achieve the highest degree of quality care. Although our list of equipment to still obtain is non-ending, we have been able to put our needs in perspective and we have put a working budget for the ensuing year into effect. The budget is as follows:

New Equipment:

Miscellaneous \$200.00

Replacement Items:

Blood Pressure Cuffs 50.00

Insurance 1981 500.00

Printing 150.00

Postage 150.00

Escrow Account 500.00

Gas and oil 200.00

Vehicle Repairs 250.00

First Aid Supplies 300.00

Miscellaneous Expenses:

Radio Repair 75.00

Refilling oxygen tank 50.00

We wish to thank all of you who have participated in our annual fund drive and our other fund raising projects - you are the very ones who make the Westmoreland Rescue Squad a reality.

Gary Hatt, Captain
Jan Hurley, First Lieutenant
Bill Howland, Second Lieutenant
April Ferguson, Secretary
Jackie Isaak, Treasurer

PLANNING BOARD REPORT

1980

The Planning Board holds regular meetings at the Town Hall on the first and third Monday of each month at 8:00 PM. Interested residents are encouraged to attend these meetings.

The Board is in the first year of formulating a Town Master Plan with a goal of completion within five (5) years. A Community Attitude Survey was mailed to all residents, with an excellent response back to the Planning Board. This information was used by the newly formed Goals Committee for their report on Community Goals. The Board would like to give special thanks to Jerry McCollough and to the many other interested people who are helping in this community project. Their report is appended hereto.

Revisions to the Zoning and Building Regulations have been made and will be submitted for approval at the annual Town Meeting.

Four minor subdivisions were approved during the year.

Respectfully Submitted,
Richard G. Delano, Chairman
David G. Clapp, Secretary
Reginald Simino
Roy Sunter
Wesley Staples
Peter Schofield
Paul Vincent

GOALS COMMITTEE RECOMMENDATIONS TO THE PLANNING BOARD

PHYSICAL ENVIRONMENT AND HISTORICAL PRESERVATION

GOAL: To maintain the rural character of the Town, both natural and man-made. Roads, stone walls, brooks, woodlots, fields and swamps all contribute to the natural character. The fine older structures in Park Hill, East Westmoreland, and the South Village, as well as the extensive use of land for agriculture, and the scattering of individual homes throughout the hills and valleys, contribute to the man-made character of Westmoreland.

RECOMMENDATIONS: To maintain strong building codes and subdivision regulations to avoid over-use of the Town's land resources, and to avoid conditions which will be detrimental to the general welfare of both the community and individual neighborhoods.

Encourage the retention of agriculture as a major land use asset of the community.

To preserve stone walls, tree-lined lanes and scenic roads through the adoption of maintenance and improvement standards which are compatible with sound engineering standards - as long as public health and safety are protected.

Establish historic districts, where appropriate.

Protect swamps, brooks and wetlands both for their ecological features and for their ability to lessen flood potential, lessen soil erosion and preservation of water quality.

Protect fragile lands such as steep hillsides and areas of shallow or highly erosive soils.

Preserve woodlots and fields as a resource for food, fibre and fuel production.

Plan for acquisition by Town of Connecticut river frontage and/or right of way for recreational purposes, safety and civil defense needs.

GOVERNMENT AND PUBLIC FACILITIES

GOAL: Since there is general satisfaction with the existing Town government and services, the goal should be to maintain the existing services with minimum financial expense to respond to needs and desires of community.

RECOMMENDATIONS: Maintain an adequate waste disposal facility for the health and well-being of the Town.

Encourage more participation in Town functions so that government will be responsive to the wishes of a maximum number of its citizens.

Limit Town Hall as a facility for competitive sports so that its interior and structure can be maintained in a safe condition and explore an alternate recreational facility for Youth Activities.

Make better use of Town Hall to meet existing and future requirements of Town functions.

Expand the library so that it can respond properly to the increasing educational and leisure needs of the Town's citizens.

Provide administrative assistance to Selectman to relieve them of clerical tasks.

Have continuing education for Town officers to keep up-to-date on current laws and procedures.

HOUSING

GOALS: Provide the ability for a choice in housing, without sacrificing the intrinsic qualities that make Westmoreland unique. This housing should provide shelter for old and young, large and small families of all types.

RECOMMENDATIONS: Relate new housing developments to the physical conditions of the land, by developing a land use plan based in part on soil mapping as part of the community's Plan.

Encourage types of development which conserve land with preservation of open space.

Have periodic updating of building and zoning codes to protect life and safety.

TRANSPORTATION

GOALS: Maintain an adequate transportation network without sacrificing the integrity of the Town's residential neighborhoods.

RECOMMENDATIONS: Continue regular road maintenance, brush cutting and bridge inspections.

Make available transportation at a reasonable cost while keeping rural character of Town.

Meandering country lanes should be maintained in a natural condition to preserve the rural character and aesthetic value of the community while encouraging slow, safe driving.

Consider all or some of Town roads as SCENIC roads (article on warrant required).

Maintain an up-to-date list of the status of all roads.

EDUCATION

GOALS: Provide equal opportunity for a quality education for children of the Town.

RECOMMENDATION: Provide adequate space for education, learning and extra-curricular activities that consider basic minimum standards. Sufficient tax monies from whatever sources should be set aside for this purpose.

Local home rule while taking benefits from state and federal sources.

Insofar as possible with available space, the eight (8) elementary grades should remain in Westmoreland.

Provide an educational atmosphere that will adequately prepare students for High School so that they can develop into responsible citizens.

Encourage cooperation in purchasing books between Town and school libraries.

Consider better provision of transportation for High School extra-curricular activities.

Expand activities of Recreation Committee to coordinate with school.

ECONOMIC ENVIRONMENT

GOALS: Try to maintain present rural character of Town while giving careful consideration to all proposals for new construction.

RECOMMENDATIONS: Discourage any proposal resulting in large development which causes a premature or unusual expenditure of public funds to provide new or expanded services.

Encourage older citizens to remain in Town by prudent expenditure of public funds in relation to an expansion of the tax base.

Avoid strip development, since it is an inefficient use of land and expenditure of public funds for services.

OPEN SPACE AND RECREATION

GOALS: The Town should encourage the preservation of open space, both for its functional uses, and for the social and psychological well-being of its residents.

RECOMMENDATIONS: Keep property taxes to a minimum to encourage larger land holdings than five (5) acre lots.

Use such mechanisms as development rights, etc. to preserve open space of all types.

Evaluate carefully plans for development regarding the land's value for agriculture or open space.

Town too small to maintain specialized recreational facilities. If special facilities like swimming pools, tennis courts, etc. are desired, they should be funded privately.

REPORT OF THE

ZONING BOARD OF ADJUSTMENT

The Board of Adjustment held its regular monthly meetings throughout the year, which encompassed six formal hearings on requests for Variances or Special Exceptions. Three Special Exceptions for small businesses were granted, and one denied as an unsuitable location. Two requests for Variances were denied as not compatible with the letter and spirit of the Zoning Regulations, and four requests for minor Variances were granted.

ANNUAL REPORT
OF THE
WESTMORELAND RECREATION COMMISSION
1980-81

During the past year the town recreation commission sponsored 3 levels of baseball for boys and girls. A PeeWee program for 6 and 7 year olds, a minor league team for 8-9 year olds and a major league program for 9-12 year olds. A special thanks to the coaches who volunteered their services and made these programs possible. A bidy boys basketball program was also conducted. The basketball standards at the school playground are being replaced. The ball field in East Westmoreland and also the new fields behind the elementary school were prepared and offered to those teams who signed up to use them.

The Commission spent considerable time preparing a budget which was submitted to the finance committee.

A special thanks to those members of the commission for giving their time, interest and assistance in providing recreational opportunities for the residents of Westmoreland.

Respectfully submitted:

Stephen V. Holmes
Chairman

PUBLIC LIBRARY REPORT - 1980

The Public Library has had a busy year with various activities and several improvements to the building.

Funds from the Library Improvement Fund were used to construct two new bookshelves. Jerry McCollough and Sid Fitzgerald donated their time and skills to make the shelves, and Mr. and Mrs. Carl Walley stained and varnished them. One bookcase is being used for the juvenile non-fiction collection, and the other holds reference books and the magazine collection.

Revenue Sharing funds were made available to the Library, and have been used to repair the piers under the floor and to install a storm door.

The Friends of the Library have been active, sponsoring several programs and raising funds. A very successful Easter Egg hunt was held, and the group held a Christmas crafts event for children that was very well attended. Another popular event was Robert Cox's slide presentation of "Old Homes in Westmoreland." In December the Friends had a successful bake sale which began a series of fund

raisers which will enable the Library to purchase a movie projector in order to make use of the many films available through the State Library.

The task of cross-checking the books with the card catalogue is being continued by the Friends. Mrs. Anne Lawson and Mrs. Fran Laurent have generously given many hours over the past two years to this project. They have recently completed the juvenile section and have begun work on the adult books. The Library is extremely grateful for this help with a tedious task.

In May the Librarian and Trustees sponsored a slide lecture by Jim and Debbie Langley about their cross-country bicycle tour. During the summer, the library held a weekly story hour for children, and during the school year the kindergarten has been making weekly trips to the Library to select books and hear a story. The fifth and sixth grades from the Elementary School have also made several trips to the Library.

The Library was certified by the State Library Commission, and continues to enjoy books from the Bookmobile. In addition, the Library has recently been able to enroll in the Centralized Card Service, available through the State Library. This service enables the Library to receive complete sets of catalog cards for each of its new purchases. These are at no cost except for the postage used to send in the list of books for which cards are needed.

Fifty-two special requests were made for books from the State Library. 162 films were requested and supplied to Maplewood and Cedarcrest. The Library continues to be a member of the Nubanusit Library Coop which helps to reduce costs for books and supplies.

A 1980 World Book Encyclopedia was purchased this year with money from the Special Book Fund. Volumes from the 1975 encyclopedia are now available for circulation.

Total books acquired in 1980: 242

Purchased: Juvenile - 31 fiction, 16 non-fiction
Adult - 75 fiction, 39 non-fiction
11 of these purchased were with
Memorial gift money

Donated: 28 new gift books, including 6 memorial
books; 2 magazine subscriptions, 53 used
books.

There were 58 new library cards issued bringing the total number of readers to 419. A total of 6,736 books and 206 records circulated in 1980. This is an average daily circulation (per day open) of 33.6 books.

COMPLIANCE STATEMENT

This school district received federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for Supervisory Union 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973-Section 504 should be submitted in writing to the Educational Consultant for Special Services, 34 West Street, Keene, New Hampshire.

Richard L. Champagne
Superintendent of Schools

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Westmoreland Town Hall in said District on the 13 day of March, 1981, at 7:30 o'clock in the evening to act upon the following articles:

Article 1. To see if the District will appropriate \$125,000 or any other sum for the reconstruction, alteration and enlargement of the Westmoreland Elementary School and for the purchase of departmental equipment of a lasting character in connection herewith; to determine whether such appropriation shall be raised by borrowing or otherwise; to authorize the School District to augment the building fund with any monies that may be derived by the sale or investment of the bond receipts; or to take any other action relative thereto.

Article 2. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency.

Article 4. If appropriate legislation is adopted at the 1981 legislative session, to see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1981-82 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

Article 5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers

and agents, and for the payment of statutory obligations of the District.

Article 6. To transact any other business which may legally come before this meeting.

Reginald J. Simino
Robert W. Moore, Jr.
Carol Austin
SCHOOL BOARD

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Westmoreland Town Hall in said District on the 10 day of March, 1981, at 10:00 o'clock in the forenoon to act upon the following article. Polls will open at 10:00 AM and will close no later than the time of closing the polls for the election of town officials.

Article 1. To choose all necessary District Officers:

A Moderator for the ensuing year.

A Clerk for the ensuing year.

A member of the school board for the ensuing three years.

A Treasurer from July 1, 1981 for the ensuing year.

An Auditor for the ensuing two years.

Reginald J. Simino
Robert W. Moore, Jr.
Carol Austin

SCHOOL BOARD

WESTMORELAND SCHOOL DISTRICT MEETING

March 14, 1980

Agreeable to the foregoing warrant, the legal voters having met at the time and place mentioned in the warrant, the meeting was called to order by the moderator, Carlson D. Barrett at 10:00 AM. Article 1 was then read by the moderator and after declaring the polls open for voting, the business meeting was adjourned until 7:30 PM.

At 7:30 PM the business meeting was called to order by the moderator. Mr. Barrett then reviewed his rules of procedure.

The warrant was then read.

Article 1. Reginald Simino made the motion which was seconded by David Leinster - Moved to hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto. Discussion followed. Reference was made to Article 6 in last years warrant on the Building Committee report which had not been received by the voters. The chairman of the school board replied that a verbal report was given to the school board. A member of the committee then reported on their findings. Motion passed.

Article 2. Lenville Meserve made the motion which was seconded by April Ferguson - To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the district such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency. Motion passed with no discussion.

Article 3. Ann Ray made the motion which was seconded - To see if the District will raise and appropriate the sum of \$6,500.00 to fund the design and bid phase of renovations and additions to the Westmoreland Elementary School to include a pitched roof with solar heat, two classrooms, multi-purpose gymnasium, teachers' room, storage room and possible expansion of the library. A lengthy discussion followed. A detailed description of the article, item by item, was given by the school board. A motion was made for a vote by show of hands which was seconded. An amendment was then made requesting a ballot vote which was also seconded. In acting on the amendment, and by voice vote, the amendment failed. A vote by show of hands was then taken with 76 YES votes

and 46 NO votes. Motion passed.

Article 4. A motion was made and seconded that Article 4 be passed over. Motion passed.

Article 5. The motion was made by Ann Ray and seconded - To see if the District will vote to raise and appropriate the sum of \$21,999.21 as a deficit appropriation for the fiscal year ending June 30, 1980. Discussion followed. It was noted the reason for a large part of the deficit was the increase in fuel prices and the school tuition. Motion passed.

Article 6. The motion was made and seconded - To see if the District will authorize the establishment of a public kindergarten within the Westmoreland School District, and further, to see if the District will raise and appropriate the sum of \$6,700.00 to effectuate the purpose of this article. Said kindergarten would remain in the Town Hall until space becomes available in the Westmoreland Elementary School. Discussion followed. A vote by show of hands was then taken with 27 YES votes and 100 NO votes. Motion defeated.

Article 7. A motion was made by Reginald Simino and seconded - To see if the District will vote to henceforth elect its district officers by separate ballot at the Town election. Discussion. Motion passed.

Article 8. Ann Ray then made a motion with a second by David Adams - Moved that the District vote to raise and appropriate the sum of \$544,744 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district. Discussion followed. An inquiry was then made as to where the \$544,744 figure came from as the school boards figure in the 1980-81 budget was \$551,244. It was then noted that the figure of 6500 was deleted under account 4000 which then resulted in the requested figure. An amendment to the motion was then made by Bob Moore and seconded that the figure be reduced by 2400. for a corrected budget of \$542,344. Further discussion followed. It was noted that this figure shows in the budget under account 2000 - Support Services for guidance/testing. A motion was then made and seconded for a hand vote on the amended motion of \$542,344. The vote was 53 YES and 35 NO. Motion passed.

Article 9. Motion made and seconded. To choose agents, auditors and committees in relation to any subject embraced in this warrant. Motion passed.

Article 10. Motion made and seconded to transact

any other business which may legally come before this meeting. Mr. Brown requested an opinion of the voters relative to a guidance councilor. This was a non-binding vote. Mr. Howard requested that the school committee furnish to the residents of the town, one (1) month prior to the next school meeting the school population history of the last five years and expected population for the next five years. It was noted at this time the school reports did not show this year the population of the school by grades, etc. The motion was made and seconded. Motion passed.

A motion was made by Mr. Herrick and seconded that the annual school meeting be moved back to the Town Hall another year. Motion passed.

A motion was made by Mr. Gordon that hereafter, Roberts' Rules of Order would be used at all school meetings. The motion was seconded and discussed. Motion defeated.

At 10:48 PM the business meeting was adjourned and the polls closed.

The ballots were then counted. Number of votes cast: 126.

For moderator for the ensuing year - Carlson D. Barrett - 126 votes and was declared elected.

For clerk for the ensuing year - Earl B. Spaulding, Jr. - 125 votes and was declared elected.

For member of the School Board for the ensuing three years - Robert M. Moore, Jr. - 102 votes and was declared elected.

For treasurer for the ensuing year - Rodman R. Tatnall - 122 votes and was declared elected.

For district auditor for two years - Griffith Royea received 29 votes and was declared elected.

The oath of office was then given to the elected officials by the moderator and clerk.

A true record, attest:

Earl B. Spaulding, Jr.
School District Clerk

ADMINISTRATIVE REPORT

The 1979-80 school year presented numerous challenges for your school district and its staff. The ever increasing inflation rate has made itself felt in all the goods and services purchased by the school district. The staff has worked hard and long to maintain a quality education for our children in the face of ever increasing prices. This has proved to be difficult in that costs for some educational supplies are budgeted one year prior to purchasing. The staff is to be congratulated for their efforts.

The student testing program is in its second year of operation. All students were given a full range achievement test in the spring of 1980. These tests were used to evaluate the programs for the 1979-80 school year and for the planning of the 1980-81 school year. Parents are encouraged to meet with their child's teacher to review the results of these achievement tests which will be given on an annual basis.

The Accountability Testing Committee has developed and administered tests in the areas of mathematics and social studies in Grades 5, 8, and 11. The results of these tests will be distributed to your school board and made public for comment and review. The Language Arts Accountability tests are now being developed and will be administered to the students in the spring of 1981.

The administration will present to the school board and general public a management plan using the results received from the accountability testing program. This management plan will outline any changes in curriculum or methodology which may be required as a result of these tests.

The town's Curriculum Council has developed a draft of a Language Arts Curriculum Continuum for Grades 1 through 8. This guide will be distributed to all town teachers in September of 1980, and will be used as a pilot curriculum guide for the 1980-81 school year. These guides will be reviewed during the summer of 1981 using comments received from all teachers. The Language Arts Curriculum Guide will then be presented to all town school boards in August of 1981 for their adoption as the Language Arts Curriculum Guide for Grades 1 through 8.

The town's Curriculum Council will begin work on a Mathematics Curriculum Guide in the spring of 1981. This guide will be implemented during the 1982-83 school year.

Your staff and administration are deeply involved

in improving the quality of education offered to our children. We believe that a school either improves or becomes poorer - it seldom just "holds its own." No school or school system is so good that it cannot improve.

We wish to thank the school board and staff for their aid and cooperation in the past year. We also appreciate their willingness to devote the long hours which are necessary to manage and operate an effective school system.

Richard L. Champagne
Superintendent of Schools

Bernard J. Ellis
Assistant Superintendent

WESTMORELAND ELEMENTARY SCHOOL

PRINCIPAL'S REPORT

The 1980-1981 school year began on Tuesday, September 2, 1980, with an enrollment of 138 students. As of December, we have an enrollment of 145 students.

We have six new staff members: Jane Brown, Grades 5-7 Social Studies and Grade 8 Reading and Spelling; Dawn Loughery, Resource Room; Donna Livingood, Title I; Yvonne Spaulding, School Lunch; Wendy Kozich, Secretary.

Phase III of the alcohol safety project was started in March of 1980 and is now in full operation at the school. The staff is very enthusiastic about the program and finds it easy to incorporate this material into their classroom work.

I would like to recognize the accomplishment of one of our students. Devon McCollough was the Cheshire County Spelling Bee Champion for the second year in a row. He placed sixth in the statewide competition held in Manchester. We wish him the best of luck this coming year, and hope he will finish first in the state.

The Cultural Arts Committee of the PTA deserves a warm thank you from the staff at the school for the fine job they have done this year. Through their efforts, the students at the school have been and will be exposed to a variety of programs, each one a different learning experience. We have so far made masks, learned American folk songs and learned about magic. We will be making pottery, learning more about contra dance, and making baskets from nature's materials. It is my hope that this committee will continue with their fine work.

I would like to thank all the members of the community for the help and assistance, which was shown to me during my stay at the school. It has been a truly memorable experience which I will not soon forget. I have been very proud to be the principal of your fine school and I wish the students, staff, parents, and friends of the school continued good luck.

REPORT OF THE SCHOOL NURSE

Several preventative health programs were held during this school year. There was a special human development course presented to the 7th and 8th grade by Dr. Charles McMurphy. This was well presented and greatly appreciated by the students.

The two dental programs were quite successful with eager participation by the students. The program of dry-brush and flouride rinse sponsored by the State Department of Dental Health was again offered and included grades 1-5. Hopefully grades 1-6 will be involved next school year. About 74 youngsters participated. The second dental program was performed by Susan Merritt, R.D.H. and included a cleaning of the teeth and an application of topical flouride. Many thanks Sue, for a job well done! Also I would like to express my thanks to all the mothers who volunteered their help with this wonderful program. The PTA again offered their assistance and students, including Kindergarten, took advantage of this program.

Physical examinations were performed by the school physician, Dr. Charles McMurphy, for all students participating in sports, and for 4th and 8th graders. A total of 72 physicals were performed and two referrals were made. Each child who had a physical had his blood pressure checked and a urine test done. Height and weight were done on each student and plotted on growth charts to note their growth progress.

Vision and hearing screening were done for every student. Twelve referrals for vision problems were made, and two hearing referrals were made.

There were 23 accidents which occurred at the school, which needed medical treatment, some needing a doctor's attention. Fortunately, none were serious.

Tuberculosis tests were done on a few of the school staff members and all of the 4th and 8th grade students (total 45). There were no referrals made, all tests results were negative.

Another project this year was trying to update the immunization records for all of the students. The State Department of Communicable Diseases would like to have 100% protection of all school children in New Hampshire. This is a tremendous job which requires full cooperation.

The school year was a busy, but enjoyable one and I shall miss the supportive staff, parents, and especially

the wonderful students of the Westmoreland School.

Karen Sawicki, R.N.
School Nurse
