# TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

Rockingham, S. S.

(L. S.)

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Auburn on Tuesday, March the 9th, next at ten of the clock in the forenoon, to act on the following subjects:

First: To bring in your ballots for:

Town Clerk for the ensuing year,  
One Selectman for three years,  
Tax Collector for the ensuing year,  
Town Treasurer for the ensuing year,  
Highway Agent for the ensuing year,  
One Library Trustee for three years,  
One Cemetery Trustee for three years,  
One Trust Fund Trustee for three years,  
One Auditor for two years,  
Three members of the Police Commission,  
(One for one year, One for Two years and One for Three years).

Second: To see if the provisions of Chapter 287 of revised Statutes Annotated relative to playing games of Beano be adopted in this Town.  
(Vote on Official Ballot)

Polls will open at 10:00 o'clock A.M. and close at 7:00 P.M.

You are also notified to reconvene on Saturday, March 13, next at 2 P.M. to consider the following articles:

Third: To see if the Town will vote to incur debt for Temporary Loans in anticipation of taxes.

Fourth: To see if the Town will vote to accept such Trust funds as may have come in during the

year and Trust Funds as have not been previously accepted.

Fifth: To see if the Town will vote to use the income of the H. B. Burnham Fund for Schools or Library.

Sixth: To see if the Town will vote to withdraw up to Two Hundred Seventy Five Dollars (\$275) from the Highway Equipment Trust Fund. This money to be used for the purchase of two hydraulic pumps.

Seventh: To see if the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50) as authorized by R. S. A. 31:4, Par. XIX for the annual budget of the Merrimack Valley Region Association. (By Petition) (Money included in the Budget).

Eighth: To see if the Town will vote to further qualify Section 8 of the Auburn Zoning Ordinances to read: (Vote on Official Ballot)

a. FOUNDATIONS shall be constructed of concrete, brick, cement block, or stone, except that industrial structures and accessory buildings or residences intended for summer occupancy only, may be set on brick stone or concrete piers. By special permit of the Town Building Inspector, where soil conditions may require timber post (treated) may be used. All foundations, piers, and timber posts must rest upon a footing below the frost line.

b. CHIMNEYS shall be constructed of concrete, brick, or stone and lined with standard flue linings for chimneys from the ground up; all chimney entrances shall be of fireproof construction.

c. **BUILDINGS** must be framed according to good building practice, and outside walls shall be covered with fire resistant or wood shingles, sidings, clapboards, stucco or brick and buildings of material customarily painted shall be painted.

d. **PITCH ROOFS** must be constructed according to good building practice and covered with wood, tile, asphalt, slate or cement asbestos shingles.

e. **SEWERAGE**: All dwellings and all commercial, public or industrial buildings shall be connected to a private sewage disposal system which shall comply with the minimum requirements for individual sewerage disposal systems prescribed by the Federal Housing Administration and in effect January 1, 1965.

f. **ELECTRIFICATION**: All dwellings and buildings when wired for electricity shall be wired in accordance with the National Electric Code in effect January 1, 1965.

Ninth: To see if the Town will vote to pass the following zoning ordinance: (Vote on Official Ballot).

**PENALTY**.—Every person, persons, firms or corporations violating any of the provisions of the zoning ordinances, or any amendments thereto, shall be fined not more than (\$10) ten dollars upon conviction by any court, for each day such violation may exist.

Tenth: To hear the report of the Budget Committee and act thereon.

Eleventh: To transact any other business that may legally come before the meeting.

Given under our hands and seals this 19th day of February A. D. 1965.

## REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Auburn, New Hampshire I hereby submit my second annual report as your Superintendent of Schools.

### PERSONNEL

The success of the pupils in a school system depends to a large degree on the teaching that is done. The teaching that produces the best results comes from skilled, interested and capable teachers. We are most fortunate at the present time to have on our staff the best group of teachers ever. My great hope is to hold them in their positions so that the pupils may enjoy the security that comes from a returning faculty.

We have the following teachers new to our system:

Principal and Junior High teacher—Mr. John Larkin, a graduate of St. Anselm's College with a Masters Degree from Boston University. Mr. Larkin has had teaching experience in Hooksett and Manchester.

Mr. Raymond Gradual, a last June graduate from the University of New Hampshire. Mr. Gradual began his studies at Keene State College and transferred to the University of New Hampshire after one and one-half years. He teaches Social Studies and Spelling.

Mr. Richard Welch, a graduate of St. Anselm's with teaching experience in New Boston and Londonderry teaches Science and Reading in Grades 6, 7 and 8.

Mrs. Marion Jordan of Andover, Mass. graduated from State Teachers College in Lowell and has had teaching experience in Methuen, Mass. Mrs. Jordan was employed to teach the First Grade.

Mrs. Emily Ciarfella, a graduate of Salem Teachers College, Salem, Mass. with teaching experience in North Reading and Shutesbury, Massachusetts was hired to teach the combination first and second grade, housed at the Town Hall.

I still remind the citizens that in order to hold our good teachers more than thought must be given to fringe benefits and increased salaries.

## HOUSING

The need for additional class room space was brought, very graphically to our attention when school opened in September. The first and second grades bulged and the School Board acted swiftly to rectify the situation.

Hurried consultation with the Fireman's Association and the Selectmen was held and finally it was agreed to house the overflow from Grades one and two in the upstairs of the Town Hall.

The School Board appointed a Temporary Building Committee to work with them in helping to determine the housing need and map plans for presentation to the School District in March.

The Appointment of a School Building Survey Committee by the moderator at the District Meeting last March was amended because a Planning Committee was to be voted into existence by the town. This action took place, but unfortunately the Planning Committee was hampered by the lack of early approval by the Federal Government.

The School Building Committee did a fine job and the resulting proposal for an addition to the school is, I believe, a splendid result of much time, effort and concern by the following people:

Mr. Andor Staby	Mr. Harland Eaton
Mr. Russell Dutka	Mrs. Mildred Eisman
Mr. Roy Davis	Mr. Donald Stritch
Mr. Emerson Heald	Mr. Russell Sullivan
Mrs. Marion Preston	

We still need, however, to find one more additional room for our school children for next September. This will mean two temporary classrooms until an addition is completed.

## CURRICULUM

Your School Board is continuing to strengthen our teaching efforts with the purchase of Modern Mathematics, New Science and Social Studies books.

Discussion meetings in the area of reading were held and an extension course in Modern Math was offered by the University of New Hampshire at the Hood School in Derry.

#### APPRECIATION

I am very thankful for the interest and help given by the School Board and citizens of Auburn. Little progress could be made in education without cooperation of this type. The P.T.A. and other organizations that contributed equipment, money, time and interest are to be commended for the support given our school system.

I also wish to thank the principal, teachers and pupils for their cooperation and efforts toward educational progress.

Respectfully submitted

Robert W. Dolph  
Superintendent of Schools

## REPORT OF THE ASSISTANT SUPERINTENDENT

It is my pleasure to present my second annual report to the citizens of Auburn for the year ending June 20, 1964.

There have been some changes in faculty and an increase in enrollment which forecasts the coming needs for Auburn. These are being faced by your School Board and proposals are to be considered.

Of particular interest to the town should be the preparation of our students to go to a variety of secondary schools. At present the large majority of our graduates go to Memorial High School in Manchester while an increasing number are attending Pinkerton Academy. If we match our graduates on the eight grade level with others we find them better than some in preparation and not so well prepared as others. Some areas of lack or weakness follow:

1. Physical Education Program
2. Guidance
3. Library
4. Languages
5. Possibly Algebra 1 in the eight grade
6. Shop and Home Economics experience

Another problem to be faced is the high school dropout. While not excessively high it reflects a lack of preparation and guidance. To many of our young people the problem of coping with a new situation as well as not knowing where to go or how to get there adds up to more than they wish to fight, it's much easier to settle for a small weekly paycheck and hope for better things. We must help them adjust to early days in High School, Departmentalization goes a long way with this. Your seventh and eight grades, while partially departmentalized have some way to go yet.

I wish to take this opportunity to thank the people of Auburn, the School Board, Mr. Dolph and members of the faculty and staff for making this another successful and pleasant year.

Respectfully submitted,

Ira A. Stickney  
Assistant Superintendent  
of Schools

## REPORT OF THE PRINCIPAL

To the School Board and the Superintendent of Schools:

The success of the past school year was culminated by the presentation of diplomas to 27 eighth graders at the Town Hall by the Superintendent of Schools, Robert W. Dolph. These graduates represented eight years of successful learning in the Auburn school system.

The success of any endeavor depends upon the cooperation of the personnel related to and within the school. The former was provided by Mr. Dolph, the Superintendent of Schools, his assistant Mr. Ira Stickney, and the members of the School Board. The latter was accomplished by a staff of dedicated teachers and supervisory personnel in the fields of music, reading, and health.

Not to be overlooked are the untiring efforts of the people who operated the cafeteria, the punctual bus drivers, and the custodian. The P.T.A., gaining in membership, was also a major factor in contributing to better education in our school.

During the past school year our pupils participated in the following field trips: Benson Wild Animal Farm, Bear Brook Reservation, State House in Concord, and the Boston Museum of Science in Boston, Mass. Enriching our curriculum are TV programs sponsored by the University of New Hampshire through Channel 11.

In the areas of reading and arithmetic there is a need for strengthening and improvement. Arithmetic textbooks for the first three grades have been replaced by a new series in Modern Arithmetic published by Silver Burdett Company. This series will replace eventually the traditional arithmetic textbook of the successive grades. The reading program is a prime area of concern. Mrs. Higgins, the reading consultant, assists, evaluates, and recommends continually constructive changes.

During the past year new desks and chairs replaced the out-moded 6th grade equipment. There still exists a need for additional audio-visual aids, classroom, office and janitorial equipment.

The planting of trees on the school grounds tended to beautify the school plant. The maintenance of these trees in their growth and the continuation of this program in the future will be an asset to the school and surrounding area.

The principal and staff thank all who contributed in any way to the success of the past school year.

Respectfully submitted,

John Larkin

Principal

## SCHOOL HEALTH REPORT

The school health program is an integrated part of the total education of your child. We continue to try and meet the demands of an ever-growing community.

Vision tests were done on all children during the year. Of the 245 children examined, 19 were referred for further eye examination. Hearing tests were done on all children in grades 1, 3, 5 and 8. Of the 130 children examined, 5 were found to have hearing loss.

The tuberculin patch testing program was conducted during the month of May. 118 children in grades 1, 3, 5 & 8, whose parents so desired, received the patch test. The portable x-ray unit was set up in Grinnell school, where 2 who had positive reactions received chest x-rays.

The pre-school registration clinic was held in May for all children entering school in September. At this time each child receives a vision, hearing and motor coordination test. 34 children were registered at the clinic.
