AUDITOR'S STATEMENT

This is to certify that I have audited the accounts of the Tax Collector, Town Clerk, Treasurer, Selectmen, Water Commissioners, Library Trustees and Trustees of the Trust Funds for the year 1973. I have found all accounts, to the best of my knowledge and belief, correct and in proper order.

ROBERT GILBERT
Auditor

February 21, 1974
Franconia, N.H.

Interest on Serial Notes & Bonds	7,301.50

Sidewalk Construction & Upkeep	3,000.00
Bonds	10,000.00
Serial Notes	9,200.00
Equipment Reserve Fund	13,681.50
Bridge Maintenance Reserve Fund	2,000.00

Total Budget, under Article 3 \$160,733.71

Article 4. To see if the town will vote to authorize the expenditure of not more than \$28,000.00 for construction of a Fire-Highway-Water Dept. building at the Mittersill area. Construction will be financed by \$3,500.00 from the Franconia-Mittersill Water Dept., approximately \$7,000.00 from federal revenue sharing funds and the balance from the town's current surplus.

Article 5. To see if the town will authorize the selectmen to borrow \$32,000.00 of bonds for eight years to refinance the current indebtedness of the Abby Greenleaf Library. The Library assumes all responsibility for principal and interest payment on these bonds when due, at no cost to the taxpayers.

Article 6. To see if the town will vote to raise and appropriate the sum of \$2,500.00 (to be matched by an equal amount of federal monies through a grant from the Bureau of Outdoor Recreation), to complete work on the hockey rink and warming hut. The monies to be used in the following manner:

- (1) Installation of two bathrooms with appropriate septic system, \$2,000.00.
- (2) Installation of a heating system, \$1,000.00.
- (3) Shingling the roof, \$500.00.
- (4) Finish the inside and outside of building — insulation, flooring, electricity, doors, siding and paint, \$1,000.00.
- (5) Finish the rink — kick boards, net, protective wire around the goals to keep puck on the rink, \$500.00.

The work outlined above being only estimates of anticipated costs. The job is to be put out to bid with the lowest bid being accepted.

Article 7. To see if the town will vote to raise and appropriate the sum of \$500.00 for the purpose of carrying out a feasibility study into the construction of a town swimming pool, to be located in the village of Franconia. That the construction costs be shared through matching funds available from the Bureau of Outdoor Recreation. That a special committee be created to work along with the Recreation Committee and the Planning Board to study the plan.

Article 8. To see if the town will vote to transfer the responsibility for the operation of the Information Booth from the selectmen to the board of directors of the Chamber of Commerce.

Article 9. To see if the town will vote to transfer the balance of \$2,200 previously raised for Urban Planning Assistance to a trust fund to be used toward creating a tax map and a land use plan.

Article 10. To see if the town will vote to authorize the selectmen to apply for, contract for and accept aid relative to disasters, when and if the need should arise in the future. Such authorization is required by the federal government and would remain in effect until rescinded.

Article 11. To see if the town will vote to raise and appropriate the sum of \$1,000.00 to set up a continuing land fund for use by the Franconia Conservation Commission.

Article 12. To see if the town will vote to designate each of the following described roads as scenic roads under the provisions of RSA 253:17-18:

- (1) Wallace Hill Road, so-called, from Lafayette Drive to the Bethlehem town line.
- (2) Ridge Road, so-called, from Easton Road to Lafayette Road.

Article 13. To see if the town will authorize the use of the basement floor, including bathroom and

kitchen facilities, of the Franconia town hall from April 1, 1974 to April 1, 1975, 8:30 A.M. to 5:30 P.M., Monday through Friday, for the purpose of a non-profit child care center to be known as the Franconia Children's Center. The Franconia Children's Center is an incorporated body organized by a parent and community board in conformance with N. H. day care licensing requirements. It is understood the legal responsibility and appropriate insurance will be carried by the Franconia Children's Center. A fee of \$5.00 a week would be paid by the Franconia Children's Center to the town of Franconia to cover additional costs of utilities incurred by this use of the space. The Franconia Children's Center would accept responsibility for making the room available for evening functions authorized by the town of Franconia. (By petition)

Article 14. To see if the town will vote to raise and appropriate the sum of \$250.00 for the development of a pre-school/toddler playground. (By petition)

Article 15. To see if the town will vote to authorize withdrawal from the revenue sharing fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amount indicated; and further, to authorize the selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or to take any other action thereon:

Appropriation	Estimated Amount
Police Equipment	\$ 300.00
Solid Waste Disposal	3,000.00
	<hr/>
	\$ 3,300.00

Article 16. To see if the town will authorize the selectmen to borrow money in anticipation of taxes.

Article 17. To hear the reports of agents, auditors, committees or their officers heretofore chosen and pass any vote relative thereto.

Article 18. To transact any other business that may legally come before the meeting.

FRANCONIA FIRE REPORT

As we enter 1974 with thoughts of energy conservation and soaring living costs we must also be ever so aware of fire safety especially in our homes. For too often this winter season has devastation from fire struck across our Nation taking precious lives and leaving havoc and financial burden. Make life safety a priority in our community and take advantage of your Fire Department by seeking advise and assistance as we are prepared and willing to serve our citizens.

Our office of Fire Prevention, although in infancy is offering education in our elementary schools, health care facilities and private homes. Our message can save lives and create a safer environment.

In 1973 26 emergency calls were received of which 5 were false alarms, 3 were actual structural fires and the remainder related calls of assistance, including 2 mutual aid assists to Littleton and 3 to Sugar Hill.

June brought delivery of our fine new attack pumper and countless hours of training. We feel proud and confident of these efforts and your support in providing Franconia with increased fire suppression capability.

**TO REPORT A FIRE OR EMERGENCY—DIAL 5644
FOR ASSISTANCE OR BUSINESS—DIAL 8821 or
8453**

Our sincere appreciation to all whom we serve and to those who are materially involved in fire science our prayers.

FRANCONIA'S FIREMEN

POLICE REPORT FOR 1973

The Police Department has had a busy year, but with less breaking and entering than a year ago. The Department has cleaned up some of the malicious damage charges done by Juveniles. Officer Casey has worked well for the department mostly nights and holidays. The Lady officers played a big part in traffic duty for all bicycle races, horse show, Franconia Days and also for L.M. Pike paving. Both myself and Officer Casey are still taking courses at Berlin and Lincoln High school.

Covered 43 accidents, down 3 from a year ago.

46 written warnings, number of oral ones.

Answered 15 minor complaints.

Answered 6 dog complaints.

Court cases for year :

Motor Vehicle 30, Drug 1, Petty Larceny 7.

Had one Auto-Pedestrian accident which is in the hands of the County Attorney, waiting to go to court. Myself and Officer Casey have given assistance to the State Police on accidents and other police matters.

Have taken a number of speeders to court for using Main Street and Church Street for a speed way, hope this year to slow the public down more with Radar.

The department will continue to patrol the back roads checking houses and the streets as long as we can get gas for the cruiser.

Everyone please be alert for children going and coming from school, their safety is in our hands as adults. Thank You.

Respectfully submitted,
ERNEST F. DOOLAN
Chief of Police

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 a.m. and 5:00 p.m. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

Forest Fire Record:

Forest Fire Record:	State	District	Town
Fires reported	617	6	0
Acres burned	244	17 $\frac{3}{4}$	0
Acres average size	.395

Bath, N.H.

REPORT OF THE FRANCONIA CONSERVATION COMMISSION

During the past year, the Commission undertook several projects related to the preservation of natural assets of the town, as follows:

It made application to the Ford Foundation for a grant of \$875, to be used in making an inventory of current land uses in the town. Mr. John Cassista of the Franconia College faculty gave special help in its preparation. To date the result of the application has not been received.

It carried out with generous volunteer help townwide distribution of a questionnaire seeking citizens' opinions on what conservation action they favored for Franconia. 167 completed questionnaires were returned, representing the same number of households.

The results showed strong majorities desiring special protection of streams and waterways; the saving of historic structures like the Stone Furnace and the Robert Frost house; town planning and zoning to avoid density and rapid growth; vigorous resistance to State highway planning that would bring trucks through the town in avoiding the Notch; and earmarking some town funds, to be matched by Federal funds, for the acquisition of open-space land within the town.

The Commission also contacted Highway Commissioner Whitaker about the serious silting of Black Brook after heavy erosion along northbound I-93 after the December flood. Subsequently engineers of the Highway Department visited the site and talked with the Chairman, promising immediate action to halt further silting, and rebuilding of the embankment in the Spring to correct the situation permanently.

Finally, the Commission worked with volunteers visiting residents of Ridge Road, and Wallace Hill Road, which qualify as scenic roads under the Scenic Roads Act. Residents and abutters of both roads signed petitions asking the town to vote to so designate these roads at the next town meeting. If so voted, these roads could receive State aid for needed improvements without having to meet the usual specifications as to width, retaining large trees and old stone walls to preserve their scenic quality.

The Commission wishes to thank the more than seventy people who signed up as willing to help in various ways. In the coming year it is expected that they will form committees to help the Commission materially in its long-range projects.

Respectfully submitted,

EVANGELINE MACHLIN, Chairman
LOUISE GROUT, Secretary
STANLEY MITTLEMAN, Treasurer
RUTH ST. JOHN

SUMMARY PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION

Your Region Association, through its promotional and financial responsibilities, was one of the principal organizers of the White Mountains Art and Music Festival. This Festival has been acclaimed as a truly significant contribution to northern New Hampshire and in 1974, with a much larger budget, the program is expected to expand markedly.

Your Region Association also helped to set up the Hotel-Motel training program at the Waumbek, Jefferson, N.H. Because your Association has for many years promoted the region's hotel-motel industry, the directors felt this training program would effectively compliment these on-going promotional activities. The responsibilities incurred by your Association were: a questionnaire designed to answer "Is there a need for the program" and assistance in employing graduates of the program in the region's hotel-motel industry. Additionally, your Association set up meetings with hotel-motel owners and managers to work out any problems and to exchange ideas.

Other activities for 1973 included: completion of a canoe and kayak folder (designed for promotional purposes), a State requested survey of flood damage to the private sector of northern New Hampshire's economy, representation at the Eastern State Exposition in Springfield, Mass., presentation of 4-H awards in Grafton and Coos Counties and annual subscriptions of the 4-H National News Magazine to club leaders, and the annual solicitations of listings for the **New Hampshire Accommodations and Dining Directory** and the **Where to Stay** folder. Additionally, your Association's executive director acted as secretary of the N.H. Council of Region Associations, an organization which works closely with the State's Office of Vacation Travel.

Your Association for its 1973 annual meeting set up a panel discussion on the subject of "Wilderness in the White Mountain National Forest." Panelists included representatives of the N.H. Snowmobile Association, the Appalachian Mountain Club, the Society for the Protection of N.H. Forests, Sno-engineering, the wood products industry in northern New Hampshire, the Sierra Club, the State's Bureau of Off-Highway Recreation Vehicles, the U.S. Forest Service and the North Country RC&D Project, Inc.

With regard to legislated matters your Association supported House Bill relative to Open Space. In large part the directors saw this bill as an attempt to help preserve our farmlands here in the region. Furthermore, your Association supported House Bill #10 relative to Off-Highway Vehicles with the exception that the majority of directors felt snowmobilers should ask the permission of the landowners during periods when there is adequate snow cover.

Finally, the executive director spoke on Association activities both on radio and before several chambers of commerce and rotary clubs in the region.

Inquiries for the year totaled 5,000.

Wrote 27 news releases, 2 newsletters and 140 personal letters.

Births Registered in the Town of Franconia, N. H., for the Year Ending December 31, 1973
