## REPORT OF COUNTY DELEGATION PROCEEDINGS

---

Concord, N. H.  
January 11, 1939

The organization meeting of the Grafton County Delegation was held in the State Armory at 9:30 a. m.

Edgar H. Hunter of Hanover occupied the chair and asked that the clerk be elected before the delegation proceeded to elect its chairman. This suggestion met with the approval of the delegation.

The following persons were nominated for the office of clerk: Robert E. Bowker of Littleton.

Kenneth G. Bell of Plymouth.

Frank F. Hough of Lebanon.

The delegation then proceeded to vote by ballot and Frank F. Hough was duly elected clerk of the Grafton County Delegation for the ensuing two years by a plurality vote.

The clerk called the roll, and thirty-five members having responded a quorum was declared present.

Mr. Hunter then introduced Senator Lester E. Mitchell of Campton, and Amos Blandin of Bath to the delegation both of whom were former members.

Mr. Hunter gave a short talk on County affairs and the development of the County Budget during the past few years.

Mr. Hunter relinquished the chair to the clerk, who called for nominations for a permanent delegation chairman. The name of Edgar H. Hunter was placed in nomination by Ernest E. Craig and seconded by Arthur L. Hamilton. Mr. Craig then moved that Mrs. Florence W. Hoyt be instructed to cast one vote for Mr. Hunter. The motion was duly seconded and carried. Mrs. Hoyt performed her duty and the clerk declared Edgar H. Hunter chairman of the Grafton County Delegation for the ensuing two years.

Mr. Hunter took over the chair and suggested a vice-chairman be elected to serve on the executive committee, Mr. Bell made this suggestion a motion which was duly seconded and carried. The following were nominated:

Arthur L. Hamilton of Lisbon  
George T. Noyes of Bethlehem  
Kenneth G. Bell of Plymouth  
Bertram W. Pulsifer of Campton

The delegation proceeded to vote by ballot and Mr. Noyes was duly elected by a plurality vote.

Mr. Bell moved that the chair appoint two members to the committee which would include the chairman, vice chairman, and clerk, this making a total of five members on the executive committee. This motion was duly seconded and carried.

Discussion was then in order on the possibility of reducing county taxes, but no definite action was taken.

Mr. Hunter advised the delegation of subsequent meetings to be held and the purposes therefore.

There being no further business the meeting was adjourned to the call of the chairman at 10:45 a. m.

Feb. 15, 1939

The meeting of the Grafton County Delegation was called to order at 1:30 p. m. by Chairman Hunter. He announced that he had appointed Ernest E. Craig of Haverhill and Harry A. Merrill of Plymouth to the Executive Committee. The Executive Committee of the Grafton County Delegation as it now stands is:

Chairman—Edgar H. Hunter  
Vice-Chairman—George T. Noyes  
Clerk—Frank F. Hough  
Ernest E. Craig  
Harry A. Merrill

Mr. Hunter introduced County Commissioner John Gadd to the delegation and he proceeded to give the County budget report for the fiscal year ending Dec. 31, 1938. He dwelt to some extent on the mounting relief load that the County has to make provisions for and it was generally agreed that there was little chance of its being reduced during the coming fiscal year.

Mr. Gadd extended an invitation to the delegation to visit the County Farm, March 3, 1939. Mrs. Hoyt of Lebanon made the motion that the delegation accept the invitation which was duly seconded, and the motion was then carried.

There being no other business to transact at this time the meeting was adjourned subject to the call of the chairman at 2:00 p. m.

At 12:30 the delegation was served luncheon in the dining room of the administration building. There were 48 present including delegates and county officials.

At 1:30 p. m. the delegation adjourned to the chapel and the official meeting of the delegation was called to order with Vice Chairman, George Noyes, in the chair. The county budget report was given by commissioner John Gadd. A discussion of this report was then in order by members of the delegation. The farm bureau budget was then presented and discussion then followed. Dr. Miller, the county physician then spoke and made a request for a sterilizer for

the hospital. After further general discussion it was decided by the delegation to consider the passage of the budget at a later date.

## REPORT OF COUNTY COMMISSIONERS

---

To the Citizens of Grafton County :

In accordance with the Public Laws of the State of New Hampshire the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and Farm Bureau.

Our Treasurer, Harry S. Huckins has again succeeded in collecting all taxes for the year 1939.

New fireproof doors have replaced the old ones in the vaults in the office of Registers of Deeds, Register of Probate and Clerk of Court, as authorized by the Delegation so that the county records are well protected.

### County Farm

The number of inmates cared for at the Farm was about the same as during the year 1938. The hospital as usual has been filled to capacity. It enables us to provide proper care for those needing hospitalization and is a real financial asset to the County.

The new sterilizing equipment authorized by the Delegation has been installed and will help materially in the operation of the hospital.

The heating plant, for which the 1937 Delegation authorized an expenditure of \$20,000 to replace the old boilers and put the plant in first class condition, has been completed at a cost of \$23,151.16 less Federal grant of \$9,922.21 or a net cost to the County of \$13,228.95. This should provide a substantial saving in the cost of fuel.

The buildings connected with the farm are in first class condition due to the fact that repairs are made as needed.

For the excellent condition of affairs at the farm we are indebted to Superintendent and Mrs. J. E.

Andrews and the continued efforts of their assistants.

For details covering administration of the institution we would refer you to the Superintendent's report on other pages.

### **Welfare and Relief**

Although we have taken over from the towns 42 cases — representing 125 persons — during the year, due to their losing their town settlements, there has been a substantial decrease in the cost of direct relief amounting to \$13,512.20 over the year 1938. Under the present law the cost of direct relief covering county cases is borne by the County 100%.

Old Age Assistance: The number of county cases and the cost of same for the year is shown on another page of the report.

### **Finances**

On the whole we have had a much more prosperous year than 1938. The Court costs were substantially less, the cost of relief was less and the county debt was reduced \$40,467.07 as shown by the Balance sheet. The year closed with no unpaid bills in our hands and a surplus on hand of \$11,277.46 as shown in the Comparative Statement of Appropriations and Expenditures in the report.

The Commissioners wish to extend their thanks to the various County and Town officials and all others for their assistance in carrying on the work of the County.

The Commissioners extend to the people of the County of Grafton and the public in general a hearty and sincere invitation to visit and inspect the Grafton County Farm. The former is especially urged to do so as it is their Farm and an institution in which they alone should be interested.

Respectfully submitted,

GEORGE A. PUSHEE,  
FRED PARKER,  
JOHN GADD,

Commissioners.

The past year has been what we would consider an average year, but compared with 1938 we might call it a very good year.

In spite of an unusually dry summer the crops were fair and we did not have to combat all the pests that were with us the previous year. The hay and grain crops were plentiful for our own use and the yield of potatoes was sufficient for use at the Farm. The usual amount of labor was expended on farm and improvements.

A new heating plant was installed early in the year and seems to be very effective in heating our buildings, although they cover a large territory.

A new sterilizer has been purchased for immediate installation in the hospital and it is expected it will be a great improvement in the future.

The past year brought a few changes in our working force. Mrs. Christina Clark and Mrs. Muriel Lamott, two of our valued nurses, severed their connections with us. We mourn the loss of Charles Little, a faithful employee at the farm for many years, who met with a fatal accident. The work has continued efficiently, however, as the employees, old and new, have performed their duties faithfully. Their good work cannot be over estimated.

As in previous years outside friends have added to the pleasure of our large family by donating magazines, clothing, candy, flowers and other gifts. To all these generous friends we extend thanks.

We also thank the Commissioners, Chaplain, Physician and employees for their aid and co-operation during the year 1939.

Respectfully submitted,

J. EARLE ANDREWS, Supt.

ANNE M. ANDREWS, Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1939 and find them correctly cast and properly vouched.

### Recommendations

I respectfully call to your attention and to the attention of the Tax-payers of Grafton County that public good requires an alteration in the present

cumbersome and expensive system of criminal investigation. I recommend a coordination of effort thru the Solicitor's office of such criminal complaints as may be made so that men best fitted for the particular work may be assigned according to capabilities. This system will result in an increase of efficiency in the solution of crimes and apprehension of criminals as well as a decrease in cost to the Tax-payers.

I further recommend that all members of the Sheriff's Department who are to be employed in criminal investigation be required to possess at least elementary training in criminal work. Since we do not have all men so trained at the present time, I believe that any member of the Sheriff's Department who is to participate in such work should be required to attend an approved Police School and successfully absorb the courses given before attempting to engage in independent investigation of criminal cases. My reasons for these particular recommendations are increased efficiency, intelligence, and cooperation.

It is evident that increased cooperation between local, county, and State police officers can only result in better work and more value to the tax-payers for the money expended. This cooperation I urge.

I humbly request all citizens to volunteer information that may come to their knowledge to investigating officers, and to assist in both the prevention of crime and detection of criminals. The Solicitor's office will treat all such information as confidential, and earnestly solicits the assistance of all citizens of the County.

In respect to recommendations herein submitted, I believe that public good requires their enactment and approval.

I wish to thank all members of all departments as well as many citizens who have cooperated with the Solicitor's Department in the execution of the work of the County since I have been in office.

Respectfully submitted,

HAZEN K. STURTEVANT,  
County Solicitor

## CHAPLAIN'S REPORT

---

To the Commissioners of Grafton County :

Another year of association in the work of Grafton County is ended. There is always the finest cooperation with the commissioners and the staff of the County Farm. Mr. and Mrs. Andrews are always so helpful and sympathetic in regard to the affairs of the institution.

Throughout the year, I have conducted services every other Sunday in the chapel. Mrs. Little, with her choir composed of those in the home adds much to the helpfulness of these meetings. Mr. Frank Rogers of Woodsville assisted in one evening service by giving some readings. Several members of the North Haverhill Methodist Church School, under the direction of Mrs. Williams, assisted in the Christmas program and tree celebration, Christmas night. This is one of most looked for events of the year.

I have had charge of seven funerals. I am always impressed with the atmosphere of these services in the chapel for there is a sense of dignity and quietness in these memorial services. I frequently visit the sick in the hospital. It is a joy to be able to serve in the capacity of a chaplain.

There are strange ways of serving God ;  
You sweep a room or turn a sod,  
And suddenly, to your surprise,  
You hear the whirr of seraphim,  
And find you're under God's own eyes  
And building palaces for Him.

Respectfully submitted,

EUGENE C. WILLIAMS,  
Chaplain

## REPORT OF COUNTY PHYSICIAN

---

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1939.

Under the efficient management of Superintendent and Mrs. Andrews the Hospital has continued its splendid work in caring for the indigent sick of Grafton County.

Like most County Hospitals the work carried on here is of a general nature. All kinds of cases are admitted except those which are contagious. Many are sent in for observation and diagnosis.

The Hospital has been full all of the time and more than full some of the time. Cot beds have had to be used where there was room.

It has been the aim of your Physician and the staff of nurses to give each patient equal care, which means the best care possible in every case. In extremes, consulting Physicians have been called in and special nurses have been employed.

Our nursing staff are all willing workers, and it has to be so when three nurses and two orderlies care for 30 or more patients daily. Fine cooperation and a spirit of helpfulness has prevailed.

Besides those in the Hospital it has been my privilege to attend patients in the Jail and also in the House of Correction, when they were ill. In this connection I would like to commend the work that is being done by Dennis Hobbs at the Jail. While it is not strictly his duty, he has of his own initiative started and developed a complete system of finger prints and identifying photographs of the prisoners there.

Because of the wisdom of the Commissioners and the Delegation, who were convinced of the need of it, there is now being installed a utensil and water sterilizer which will add greatly to the usefulness and safety of the operating room.

I desire to express my appreciation for the counsel of the Commissioners and for the cooperation of all those who have worked in the Hospital.

Respectfully submitted,

E. M. MILLER, M.D.,  
County Physician
