THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the town of Harrisville in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Eagle hall in said Harrisville on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To bring in your ballots for delegates to the National Conventions.

4. To see if the town will vote to observe Old Home Day and make an appropriation of $100.00 for the same.

5. To see if the town will vote to accept State Aid for highways and raise and appropriate and set aside for said purpose $1,374.00, or will accept State Aid construction for Class V roads and raise and appropriate or set aside for said purpose the sum of $489.80.

6. To see if the town wishes to change from a salary to a per diem basis for the pay of Road Agent.

7. To see if the town will vote, appropriate, borrow or raise by taxation a sufficient sum to meet WPA applications which may be approved by the Federal Government.
8. To see if the town will vote to build a concrete bridge near the store of John N. Clark and provide funds for the same not to exceed $2,500.00.

9. To see if the town will vote to appropriate $250.00 to heat and finish the Library and Selectmen’s room.

10. To see what action the town will take in relation to repairing the dam at the Church Pond at Chesham so as to provide water in case of fire.

11. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

12. To see if the town will vote to sell any property acquired by tax sale.

13. To adopt the following as a by-law of the town of Harrisville: No person shall dump or permit to be dumped, into the Harrisville pond nor into any brook flowing into said pond nor into the outlet of said pond as far down stream as the dam belonging to the Cheshire Mills, any garbage or refuse of any sort or any substance of a nature likely to pollute the water of said pond, or permit any out-house or sewage or any polluted water of any sort to drain into said pond as described above.

A fine of not more than twenty-five dollars shall be imposed for each offence.

14. To hear reports of officers, agents and committees here-to-fore chosen and pass any vote relating there-to.

15. To see if the town will vote to continue construction on the Dublin to Hancock road should the town vote to take state aid for highways.

16. To see if the town will vote to appropriate the sum of $50.00 to be used under the direction of the Monadnock Regional Association.
Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty-six.

BERNARD F. BEMIS,
JOHN D. GRIMES,
CHARLES M. BERGERON,
Selectmen of Harrisville.

A true copy of Warrant—Attest:

BERNARD F. BEMIS,
JOHN D. GRIMES,
CHARLES M. BERGERON,

Grand total, $34,353 31

The failure of the state to meet the 50% of relief expenditures since November 1st, leaves a balance supposedly due from the state of $376.73.

We have carried on several relief projects during the year, notably, remodeling the town library and the addition
of a selectmen's room, which has been much needed for a long time. This work is not yet completed.

The highway projects have consisted of widening and graveling the Marienfeld Camp road, the MacVeagh road from the state road to the Dublin town line, and cutting off dangerous corners on the Eastview road. This work has been done by relief workers certified through the Relief Office and paid from Federal funds, with the exception of foreman, trucks and material. It has been necessary to exceed our appropriation in each instance but we feel that they have been worth while improvements, and have cut down direct relief expenses.

Respectfully submitted,

BERNARD F. BEMIS,
JOHN D. GRIMES,
CHARLES M. BERGERON,
Selectmen.

LIBRARIAN'S REPORT

Early in the year Miss Pratt, of the Public Library Commission, came and gave us three days of her time to direct us in the reorganization of the library. At that time, all worthless books were discarded. Those remaining were classified and marked and cards were made for the catalogue. Her work was invaluable to us and without cost, except for her immediate expenses.

Some of this year's money was given over to the painting and carpentry work necessary to make the library clean and workable. Cards of several types, a charging tray, shelf markers, bookends and material for book repairing were purchased.

In July, your librarian attended summer school in Conway, N. H. The Public Library Commission of New Hampshire conducts this school and urges all towns to send their librarians as often as possible for instruction in library work. Fortunately, this year a scholarship was awarded to Harris-ville which took care of the entire expense. At this school, the librarian learned to classify and catalogue the new books which may be purchased, thus carrying on the work Miss Pratt started earlier in the year. At this time, the idea of deposit stations was discussed and reports showed that many of the town's people were not benefited by the library. Deposit stations have since been established at Mrs. Arthur Wright's in East View, Miss Bertha Seaver's at Silver Lake and the
Chesham School House in Chesham. The number of books in these substations and the number of times they are exchanged depends on the number of people using them. So far we feel they are a great success.

Another result of the summer school was the opening of the library on Tuesday evenings from 7 to 9 p.m. Saturday afternoon served the children very nicely, but many adults did not find it suitable to their needs. The evening proved to be more popular as time went on and will be continued another year.

Little money was put into adult books this year, but through contributions from the late Mrs. Lucius Thayer, Mrs. Childs, Mrs. C. M. Bergeron, Harry Pitman, Roger Thompson and the Chesham and Dublin Libraries, a very readable supply of adult books were kept on the shelves. These contributions were greatly appreciated and our thanks are extended at this time, to all who gave to us.

Adult reading has also been supplemented by books from the Public Library Commission. Two different assortments have been sent and one lot is with us at the present time.

Several children’s books have been purchased. The children’s reading is still showing the good results of the story telling of last winter. Because of the few children’s books in our library and the constant use of them, they are beginning to show signs of wear and many new ones should be put in to replace those which have already done good service. Contributions were made in children’s books by Paul Lavigne, Richard Horton, Robert Horton and Warren Thayer. For these we are especially grateful.

At the present time, our library is being remodelled and all our books have been removed. About two hundred adult and fifty juvenile books are available at the home of the librarian. This helps some who depend a lot on the library for their reading.
Thanks are due Mrs. Edward Emery, Mrs. Howard Lavigne and Mrs. Moses Bergeron for the time they spent in helping to recatalog the books.

Our circulation, during the past year, has averaged sixty-five books a week. Several summer people used our library this year for the first time, possibly being attracted by our new sign.

Your support and patronage is needed to make the library of service to the community. May we count on it during the coming year?

Respectfully submitted,

HELEN B. THAYER,
Librarian.

REPORT OF VOLUNTEER FIRE DEPARTMENT

At the last town meeting the town voted to give to the fire department the old town truck with the right to remodel or trade in later; and the balance from a $200.00 appropriation for the purchasing of a new highway truck. After discussing the matter thoroughly, the firewards and chief concluded that it would be more advisable to turn in the old truck toward a new one as the allowance offered was very generous and the cost for repairing the old truck was thought too much for good results. As our northern pump had not proven satisfactory in extreme cold weather the decision was also made to exchange this pump for a stationary pump which would be attached to the truck permanently.

There was no additional cost in exchanging the pumps, but a body with running boards, fenders, back platform and other necessary fittings together with a booster tank were needed to complete the apparatus.

The volunteer fire department had to remodel the fire station to accommodate the new truck. The cost of material was the expense as the volunteer firemen gave their services.

Through the wonderful cooperation of the Ladies' Aid Society, other public spirited citizens and the volunteer firemen, two benefit suppers were held and the sum of $119.72 was realized. In addition, a check for $15.00 was donated by Mr. George Stewart, which was gratefully received by the department. The volunteer firemen donated the sum of $13.50 to purchase a windshield, other expenditures were 150 feet of booster hose and nozzle $59.00, siren $10.00, set tire chains $10.00 and lanterns $2.50.
The sum of $39.95 was payed back to the town for the purchase of stove for the fire station.

RECOMMENDATION

The fire wards recommend the purchase of 500 feet of fire hose, 30 feet suction hose, 1 roof ladder and a few other miscellaneous necessities.

Respectfully submitted,

JOHN N. CLARK,
Chief Fire of Department.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Harrisville:

I herein submit my thirteenth annual report as superintendent of schools.

It seems right and proper to utilize a little space in this report to bring before the parents and citizens some of the objectives of the public school system today: (1) To develop a sound mind in a strong and healthy body. (2) To develop the ability to read and write, to think and put that thought into action. During the year, we have tried not only to teach the mechanics of reading but also the getting of the thought from the printed page and then expressing it in an effective way to the listener. That is we are emphasizing more oral reading. (3) We recognize the need of more effective teaching of technical grammar as well as the use of correct expression in the mother tongue. (4) The use of leisure time for worthy activities and pleasures. (5) The development of a fine spiritual character that is trusted and admired.

To the development of these objectives and others not mentioned we invite your cooperation, support and suggestions.

Since our last report, it becomes our sad duty to record the death of Miss Eileen Maginnis. Miss Maginnis had taught the Harrisville Primary school for several years. Her work is remembered for its efficiency and for its charming method of presentation. By her personality, she became endeared to the hearts of all her pupils.
GRADUATION EXERCISES
OF
CHESHAM SCHOOL

On June 18, graduation exercises were held in the Grange hall. An interesting program of essays, declamations and dialogues was given by the pupils of the school; the two graduates giving class essays.

Diplomas were presented to the following pupils: Ella Beaver and James Travis.

SCHOOL NURSE’S REPORT

To the Superintendent of Schools:

The routine inspection of each pupil’s scalp, teeth, throat, skin, posture and general hygiene began with the opening of the school year.

The general appearance of most of the children does not indicate suffering for lack of nourishment. There are always a few who need special food. We urge all children to drink milk with their lunch so that their diet will not lack this essential food.

A successful dental clinic was conducted by Dr. Grimes in December. The pupils who took advantage of this opportunity received 100 per cent dental certificates. The Growth and Weight chart with the periodic weighing and measuring furnishes a strong desire to practice rules which are simple but most important for health and normal growth. Home visits were made to instruct parents and follow up defects. Clinic arrangement were made for the correction of defects.
I wish to thank the school board and local school officials for their splendid co-operation.

Respectfully submitted,
MARGARET E. HARRIS.
