#### Town By-Laws Regulating Trailers

For the purposes of promoting the health, safety and general welfare of the community, for conserving property values and for ordering its prudential affairs:

The Town of Webster, in town meeting assembled, hereby adopts the following by-laws:

Sect. 1. No premises in the Town of Webster shall hereafter be used for a commercial trailer park. As used in this section, "Commercial trailer park" means a tract of land where two or more trailers are permitted to park, upon payment of a fee or other compensation to the owner or lessee of the land.

Sect. 2. No second-hand trailer shall hereafter be erected, installed or located on any premises in the Town of Webster for use as a residence or dwelling unless such trailer is less than three years old (measured from date of first use) at the time of such erection or installation.

Sect. 3. The minimum lot size for any lot on which any trailer shall hereafter be erected, installed or located in the Town of Webster, for use as a residence or dwelling, is one acre; provided however, that in the case of lots fronting on a lake, pond or river such minimum lot size shall be one-fourth acre.

(a) Such a lot shall have not less than 200 feet frontage on the town highway, state highway or private right of way which serves it.

(b) Provided, however, that a waterfront lot, as above described, shall have not less than 100 feet frontage on any such highway or right of way and not less than 100 feet frontage on the water.

(c) No conforming lot now or hereafter used for trailer purposes shall be so reduced in size as to make it non-conforming hereunder.

Sect. 4. Every trailer used for dwelling or residential purposes, hereafter erected, installed or located on any premises in the Town of Webster, shall have a minimum set back of 50 feet from the town highway, state highway, or private way which serves it, measured from nearest right of way sideline.

Sect. 5. Sect. 7. The word "trailer" as used herein shall mean any vehicle or mobile structure used, or so originally constructed as to permit its being used, for conveyance or overland movement and as a dwelling or sleeping place for one or more persons, whether or not it is equipped with inside utilities, and whether or not it is actually immobile because of temporary or permanent utility connections, foundations or other features attached to a fixed site. It shall include so-called mobile homes and campers, and also motor vehicles with attached trailer bodies.

Sect. 8. The board of selectmen shall be responsible for the enforcement of this by-law, either on their own initiative or upon complaint by any interested person. The board may hold informal hearings for the purpose of investigating grievances and issuing interpretations hereunder.

Sect. 9. Any owner of premises which is used in violation of any section hereof, or any owner of or other person responsible for the construction, erection, installation or location of any trailer, who violates any section hereof, shall, upon conviction by a court of competent jurisdiction, be liable to a fine of not exceeding Ten Dollars for each offense. Each day in which a violation continues, shall be a separate offense. In case of a violation of any section hereof, in addition to the foregoing penalty, the board of selectmen, in the name of the Town, may institute an appropriate action or proceedings to prevent such unlawful action, to restrain, correct or abate such violation, to prevent the occupancy of the trailer or land, or any illegal act or use in or about such premises.

Sect. 10. These by-laws shall take effect upon their adoption in town meeting.

22. To transact any other business that may legally come before this meeting.

Of these, 1,133 were adult and 2,898 juvenile selections.

The library is now open for a longer period of time each week: from noon until 3 p. m. and from 7 to 9 p. m. on Wednesdays.

The library trustees meet at the library on the last Wednesday of each month and any suggestions on improving our service and facilities would be welcomed at any time.

## FIRE CHIEF'S REPORT

My report for this year has been marred by two building fires, one at Cummings and a house fire at Burns on Sanborn Hill. With the help of mutual aid and the good work of our firemen the Burns fire was brought under control in short order, but with some damage to the interior.

We have purchased a new generator to run our flood lights, as our old generator got to where we could not depend on it. This generator was purchased from Sears, Roebuck, at a great savings, thanks to Dan Creighton.

We were schooled this summer on pumps, and how to put a fire out with very little water by using fog. Our instructor was Ted Starkweather.

I hope for another year as good or better than this year.

Respectfully submitted,

KENNETH F. HOAR  
Chief of the Hy-Mar Fire Dept.

### REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

Donald Frost, Warden

Gerald H. Hight, District Chief

People cause fires. Our records show that the number of fires increase in an area as the population increases and our state is growing tremendously. This means that we all must be aware of fire causes and do our best to prevent their occurrence.

When we are very young the lighted matches is an adventure, burnt fingers and a dropped match is another fire. A little older we like to have a woodland cookout, or go out by ourselves for a smoke but fire and forests get together for another statistic. We adults like to clean up in the spring, burn the old debris and the dead grass, result – escaped fires and much personal expense.

With new homes and summer cottages located in woodlands and with abandoned fields and forests crowding the back yard of our villages' streets, it is necessary that everyone be aware all through the fire season, which comes with the disappearance of the snow, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To *never* discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn-
  - a. You need a written permit from the town fire warden for *all* debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal brasiers in your own back yard is permitted on notification of the warden.
  - b. The warden is forbidden by regulation to allow burning of household rubbish on *grass* by householders between 9:00 A. M. and 5:00 P. M.
  - c. Have equipment on hand to control the fire *before* you light the match.
4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.
