27. To see if the Town will vote to adopt the following ordinance:

Section 1: No person, firm or corporation shall erect any new building or structure, or make substantial improvements to an existing building or structure; or cause the same to be done, within the Town of Alexandria without first obtaining a permit from the Building Permit Officer (Board of Selectmen or Building Inspector).

Section 2: "Substantial improvement" means any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50 percent of the actual cash value of the structure either (a) before the improvement is started, or (b) if the structure has been damaged and is being restored, before the damage occurred. Substantial improvement is started when the first alteration of any structural part of the building commences.

Section 3: Any person, firm or corporation violating the provision of this ordinance shall be subject to a fine of \$50.00 per day and each day's neglect to obtain such a permit shall constitute a separate offense.

Section 4: Appeals shall be as provided in RSA 156: 4 a, b, c.

Resolution:

WHEREAS, certain areas of Alexandria are subject to periodic flooding from (STREAMS, RIVERS, LAKES ETC.) causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the floodplain area having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31, 36, 156, and 156A.

NOW, THEREFORE, BE IT RESOLVED, THAT THIS Town Meeting Hereby;

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board or Town Manager or other duly authorized Municipal Officer) with the responsibility, authority, and means to:

(A.) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(B.) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain.

(C.) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map and identify floodplain areas, and cooperate with neighboring communities with respect to management of adjoining floodplains in order to prevent aggravation of existing hazards.

(D.) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the

development and implementation of floodplain management measures.

3. Appoints the Building Permit Officer (Board of Selectmen or Building Inspector) to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

DATE PASSED _____ CERTIFICATION _____

28. To see if the Town will vote to establish the following building regulation pursuant to RSA 156 as follows:

1. The Building Permit Officer (Board of Selectmen or Building Inspector) shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (I) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (II) use construction materials and utility equipment that are resistant to flood damage, and (III) use construction methods and practices that will minimize flood damage.

RESOLUTION:

WHEREAS, the Town of Alexandria has adopted and is enforcing SUBDIVISION REGULATIONS 36: 19-36: 29, and

WHEREAS, Section 36:26 of the aforesaid prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building

permit for each building or structure from the Building Inspector, and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW, THEREFORE, BE IT ENACTED by the Town Meeting of Alexandria as follows;

1. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to assure that (i) all proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and

2. The Town meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N.H. RSA 36:21.

ALEXANDRIA VOLUNTEER FIRE DEPARTMENT
Report for 1976

The Alexandria Volunteer Fire Department has continued to grow and maintain itself in the tradition of our Fore-Fathers. We have experienced a busy year answering alarms and providing service to our community. We have represented our town in many Bicentennial parades and celebrations throughout the Twin Rivers area, and in Lakes Region district as well.

The department has continued its strong participation in the Twin Rivers Mutual Aid Association which now numbers 16 member departments. We have taken part in drills, served on committees, co-sponsored a Fire Fighter Training School in which a large building was made available for actual fire conditions.

On the local level, we continue to encourage Fire Prevention and Safety in the home. A continual program of chimney inspection on a voluntary basis has proven its worth time and again. The department has answered many inquiries concerning use and installation of wood burning stoves. A great many of our towns-people are using wood burning stoves in their homes, which when properly installed and safe guarded provide a safe and economical means of comfort. Several of our more serious calls this past year were attributed to improper or faulty wood fired equipment, or chimneys. We highly recommend that you contact us should you have any questions or problem related to your wood burning equipment, or chimney, before it becomes a call for URGENT assistance.

On behalf of the Officers and men of the department, we wish to thank everyone for doing their part in keeping our community Fire safe. Our sincere thanks go to women of the town who make up the Women's Auxiliary, and for their continual support and financial assistance. Also, our thanks to those ladies who maintain constant vigil over our Fire Red Phones, for they are a most important and dedicated people.

The following is a list of calls answered in 1976:

Mutual Aid Calls	10
Brush & Grass Fires	0
Chimney Fires	4
Structural Fires	3

Town Dump	0
Car Fires	3
Over-Turned Oil Truck	1
Smoke Investigations	2
Lightning Strike	1
Downed Wires	1
Lost Persons	2
Rescue	1

To Report a fire in Alexandria dial 744-5522. We are ready to serve you 24 hours per day, 365 days of the year.

Respectfully submitted,
FRANCIS T. BUTLER
Fire Chief

**REPORT OF DISTRICT FIRE CHIEF
AND TOWN FOREST FIRE WARDEN**

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

**NEWFOUND AREA NURSING ASSOCIATION
1976 Yearly Report**

1976 has been a time of growth and a period of change for the Newfound Area Nursing Association. NANA has had an active year serving the people of the towns of Alexandria, Bristol, Bridgewater and New Hampton.

Due to the changing trend in health care, home health services are now more widely used. Many times patients are discharged at an earlier time with the knowledge that continued skilled nursing care can be carried on within the home setting.

The total number of nursing visits are as follows:

Skilled Nursing	2,146
Health promotions	341
	2,487
Physical Therapy	53

In June there was a change of staff personnel, including two registered nurses and a qualified physical therapist. This staff has worked together as an effective team for better nursing care.

There has been an increasing number of nursing referrals from our local physicians as well as physicians from hospitals in Franklin, Lakes Region, Hanover and Veterans Administration.

NANA is involved in discharge planning groups from Franklin Regional Hospital and Lakes Region Hospital. These groups plan ahead for nursing care of patients in the home.

Members of the staff of NANA have attended various workshops to continue education and update knowledge of trends in home health care.

Community activities in which NANA has been involved are as follows:

- Bloodmobile Drive - August
- Swine Flu Immunization - October
- Blood Pressure & Diabetes Screening Clinics - February
& December.

NEWFOUND AREA BICENTENNIAL COMMITTEE

The Newfound Area Bicentennial Committee has been meeting monthly since May, 1975 to plan and carry out appropriate events and projects commemorating the two hundredth anniversary of the American Revolution in six area towns: Alexandria, Bridgewater, Bristol, Danbury, Groton and Hebron. The focus of the Bicentennial has been Heritage, (recalling the past); Festival (celebrating); and Horizon (planning for the future). Projects of the Area Committee have intentionally reflected these national aims.

Committee sponsored events have also been designed to promote good will, cooperation and mutual aid among the member towns. A list of events and projects reflects such a spirit:

1. four signs, "Happy Birthday America"
2. refurbishing two vintage drums for use by New Chester Fyfe and Drum
3. sale of Newfound Area Bicentennial Calendars, with historic scenes from each town
4. two colonial clothing workshops
5. sale of Newfound Bicentennial tea tiles
6. purchase of four new drums for the Newfound Fife and Drum (children's group)
7. support of colonial ball, March 27
8. support of the C.Y.O. cookbook
9. New Hampshire conestoga wagon, sponsored by the Baha'i group
10. Fourth of July parade
11. fireworks at Newfound Lake
12. two concerts by the Pemigewasset Choral Society
13. magic show
14. reprinting of the Bristol/Bridgewater history
15. Bicentennial parade in August
16. support of the caravans for arts, crafts and drama from the University of New Hampshire
17. Fyfe and Drum boat parade and concert at Newfound Lake
18. Thanksgiving Dinner, November 13

Individual town committees were active highlighting events and

personalities important in local history, and promoting pride in each community. Your committee's report is included with this 1976 Town Report.

A visitor to our area remarked, "You people have caught the Bicentennial spirit and made it come alive all year. You folks really turn out, and in costume, too! How did you involve so many people, especially the children?"

The answer is that members of the Area Committee have worked together for nearly two years in order to provide constructive leadership and a positive influence upon our neighborhood of rural towns. However, the Committee did not work in isolation, but depended heavily upon the support of many committed people in each town. People of all ages.

Some ask, "Aren't you tired of the Bicentennial?" No! Unless one tires of our American heritage of national and local pride, neighborliness, mutual respect and hard work. Let us not tire of dreaming dreams for the future.

**ALEXANDRIA REVOLUTIONARY BICENTENNIAL
COMMITTEE REPORT 1776 - 1976**

The Bicentennial year got off to a cold, but lively start in Alexandria on New Year's Day. Featured at the Betsy Ross flag raising was the New Chester Fyfe and Drum founded in Alexandria during the spring of 1975.

Alexandria became a Bicentennial Community on May 22. Congressman James C. Cleveland was main speaker and Representative John Gemmill was presenter of the town's Bicentennial certificate and flag.

Our committee's project was to refurbish the Town Hall. We applied for a \$1,000 matching funds grant from the New Hampshire American Revolution Bicentennial Commission on March 3, 1976 and received approval for the same on July 6, 1976. The town also voted to appropriate \$1,210.00, one-third of this going to the Newfound Area Bicentennial Committee to be used for area projects and activities involving all towns.

Many suppers, food sales, and fund raising events helped to accomplish our goal. This goal became a reality on December 11, at a Christmas Open House. Alexandria should be very proud of its facility with the "new look." We hope that all organizations and others using the hall will help keep it an asset to our community.

The committee wishes to thank the selectmen and townspeople for their many generousities.
