Dear Allenstown Citizens:

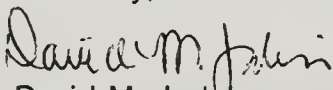

Overseeing the daily functions of the Town requires an eye on not only the present, but the future. Today's decisions must reflect short and long term needs and goals. We as employees and citizens need to pool our resources and energies together in a positive manner to ensure that the Town progresses forward.

Over the past seven months, the Board of Selectmen and I have recognized the need for effective communication with Town Departments and Employees. In doing so, we have recently taken certain steps such as updating the Town's personnel plan to conform with all the necessary State and Federal laws, and instituting employee reviews. I can honestly say that there is a general sense of teamwork amongst all employees.

This has not been the easiest seven months for me however. I'm sure a lot of you know the financial situation of the Town and the past problems. I have tried my best to streamline as much of the operations in Town Hall to maximize efficiencies and in doing so have reduced operating costs significantly, which helps to control the Town's portion of the tax rate. In my opinion, this is the best financial position that the Town has been in for quite a few years. All financial departments are now balancing on a monthly basis, with the Town's accounting system and any discrepancies are taken care of immediately. By doing so, this enables me to monitor the cash flow, which hopefully will eliminate the need in the future to borrow in anticipation of taxes. Another area that the Town should consider is changing their year to coincide with that of the School District, and this too should eliminate the need to borrow.

In closing, I wish to express my sincere thanks to all who have supported me and what I am trying to do for the Town. To those of you who work with me on a daily basis, I say Thank You. To Don Coulese and his family I say, take a well deserved rest. To Mike and Vic, lets continue to strive with the new Selectmen to keep the Town running as efficient as it is now. Cicely, good luck in college and thanks for helping me organize the filing records. And last but not least, thank you Betty for all the chocolate and sodas that kept me going when I couldn't get away for lunch.

Sincerely,

David M. Jodan  
Administrative Assistant

**BUDGET OF THE TOWN OF ALLENSTOWN, N.H.**

---

One Ray Court  
Allenstown, N. H.  
February 14, 1995

Board of Selectmen  
Town of Allenstown  
16 School Street  
Allenstown, New Hampshire

Gentlemen:

As you requested, I will attempt to give you my views of the last eight years.

In November of 1986, Mrs. Valley asked me to take over because of her illness. I ran for Treasurer in March, 1987.

The way this operates is that the Tax Collector deposits tax money, the Town Clerk deposits registrations etc. and the Treasurer deposits all the rest. Officers provide bank receipts for reconciliation purposes.

The Treasurer reconciles bank statements and gives a report to the Selectmen, monthly. Records are kept in this manner and audit is made each year. Auditors have always accepted the records as presented.

During the first few years, we were always able to pay off all of our tax anticipation notes, but, in 1990, we found that the tax revenues did not cover the loans, so we ended that year owing the bank, up to the last two years, we have managed to pay for all the amount borrowed. The twice a year billing has helped tremendously.

Auditing has been difficult as to expenditures, because of lack of proper accounting. However, we now have an Administrative Assistant who is an Accountant. For the first time since I have been in office, we agree monthly which makes for shorter and less expensive audits.

Sincerely yours,

*Estelle E. Godbout*  
*Treasurer*

## *INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS*

To the Members of  
the Board of Selectmen  
Town of Allenstown  
Allenstown, New Hampshire

In planning and performing our audit of the Town of Allenstown for the year ended December 31, 1993, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of  
the Board of Selectmen  
Town of Allenstown  
Allenstown, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Allenstown as of and for the year ended December 31, 1993, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Allenstown as of December 31, 1993, and the results of its operations and cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Allenstown. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

**A motion was made by Dennis Fowler and seconded by Roland Martel to accept Article 17 as read. Voted and passed.**

ARTICLE 18. *To see if the voters of the Town of Allenstown will vote to appropriate the sum of Thirty Thousand Dollars (\$30,000) for the complete revaluation of all utility property in the Town of Allenstown. Anticipated completion of this project is September, 1994 for inclusion in the MS-1 form to the State of New Hampshire for Tax Year 1994. (This article is recommended by the Budget Committee and the Board of Selectmen).*

**A motion was made by Dennis Fowler and seconded by Mike Ortisi to table Article 18 until the utility appraiser is present to discuss Article 18. Article 18 tabled.**

ARTICLE 19. *To see if the Town of Allenstown will vote to appropriate not more than Six Thousand Two Hundred Forty Dollars (\$6240) for the purpose of purchasing six MSA Ultra-light MMR airpaks. (This article is recommended by the Budget Committee and the Board of Selectmen).*

---

**A motion was made by Irene Boisvert and seconded by Don Peloquin to accept Article 19 as read. Everett Chaput III stated that we are replacing six (6) air packs a year. There are eighteen (18) in all. Voted and passed.**

**ARTICLE 20.** *To see if the Town of Allenstown will vote to appropriate not more than Twenty Thousand Dollars (\$20,000) for the purpose of purchasing above-ground fuel/oil tanks to replace aging underground fuel storage tanks. (This article is recommended by the Budget Committee and the Board of Selectmen).*

**A motion was made by Irene Boisvert and seconded by Arthur Houle to accept Article 20 as read. Ed Emond asked why we had to do this right now. Jim Boisvert stated that there were three stages we needed to be in compliance with. This was something the State was telling us to do. There could be a fine if we don't comply. He stated that since 1992, we should be meeting all three stages of compliance and we are only meeting stage 1. He stated this includes everything except a new pump. There was a general discussion on where we presently purchase gas and how much it is costing us. Voted and passed.**

**ARTICLE 21.** *To see if the Town of Allenstown will vote to appropriate Five Thousand Dollars (\$5000) to establish and operate a Town lottery pending either a favorable opinion from the Attorney General or legislation to authorize said lottery. All revenue from said lottery will be placed in the general fund only to be used to help offset taxes. (This article is recommended by the Budget Committee and the Board of Selectmen).*

**A motion was made by Roland Martel and seconded by Doris Levesque to accept Article 21 as read. Ed Emond stated that running a lottery demands a lot of work and energy and we should think about it. Art Houle stated that this idea started in Vermont. It is something to try and if it works, fine and if it doesn't it can be discontinued. He stated we had volunteers that do want to become commissioners and that they would be bonded. One of the commissioners will be a Selectman. Vivien Doane asked if this would cost us anything. It was stated that this was a weekly lottery and that whatever is collected will go 50% to the winner.**

**A motion was made by Ed Emond and seconded by Ron Demers to strike the words "to appropriate Five Thousand Dollars (\$5000)".**

**Mike Collier stated we need money to print envelopes, forms, etc. Dennis Fowler stated that if the Attorney General's office comes down against the lottery that we would go to the legislature to make it legal. Ron Adinolfo stated that until we can fund public safety, sewer, etc. to the fullest, we cannot fund extras.**

**Amendment defeated. Article 21 passed.**

---

**A motion was made by Dennis Fowler and seconded by Mike Ortisi to remove Article 18 from the table. Passed.**

**A motion was made by Dennis Fowler and seconded by Mike Ortisi, to ask permission for a non-resident to speak before the meeting. Passed.**

**George Sansoucy explained the need for passing Article 18. He stated that utilities had not been re-evaluated for a number of years. They needed to be brought up to current replacement costs in new 1994 dollars. He estimated that between \$3,000,000 and \$5,000,000 would be added to the general tax base to the Town. He stated that the telephone property was included in that estimate and that there is some flux in telephone taxability. He expects that Allenstown would benefit from passing this article. He stated that over one-half valuations have gone uncontested and that utilities have freely admitted they do not have faith in winning. He estimated Allenstown would spend \$30,000 to get approximately \$90,000 to \$120,000 in return. Voted and passed.**

**ARTICLE 22.** *To see if the Town of Allenstown will vote to appropriate not more than Six Thousand Five Hundred Dollars (\$6500) for the purpose of purchasing a waste oil furnace to be used at the highway garage. (This Article is recommended by the Budget Committee and the Board of Selectmen).*

**A motion was made by Doris Levesque and seconded by Roger Menard to accept Article 22 as read. The question was asked whether this furnace meets EPA standards for next year. Jim Boisvert stated that at this time, there are no problems with this. Voted and passed.**

**ARTICLE 23.** *To see if the Town of Allenstown will vote to appropriate not more than Eight Thousand Dollars (\$8000) for the purchase of two 50KW emergency generators from Federal Surplus if they become available and the necessary electrical upgrades. These will be used for emergency shelter in case of natural disaster and other power outages. (This Article is recommended by the Budget Committee and the Board of Selectmen).*

**A motion was made by Art Houle and seconded by Richard Bilodeau to accept Article 23 as read. It was stated that one of the generators would be located at ARD School and another generator would be at the Town Hall. The equipment would be at the Town Garage. There would be hook-ups at ARD School, Town Hall and the Fire Department. Don Peloquin stated he wasn't sure that \$8000 would do all three buildings, but that we would do what we could for \$8000. Voted and passed.**

**ARTICLE 24** *To see if the Town of Allenstown will vote to authorize the Selectmen to enter into a five-year lease/purchase agreement for the purpose of lease/purchasing a*

garbage truck to replace the 1986 packer for the Highway Department and to raise and appropriate not more than Twenty-three Thousand Dollars (23,000) for the first year's payment for that purpose. (This Article is recommended by the Budget Committee and the Board of Selectmen).

**A motion was made by Steve Fowler and seconded by Donald Noel to accept Article 24 as read. Jim Boisvert stated that the total cost of the truck would be \$99,000, not counting interest. He also stated that a study was made to see if it would be less expensive to privatize the garbage collection. he stated that none of the options were cheaper. Voted and passed.**

ARTICLE 25. To see if the town of Allenstown will vote to appropriate the sum of Five Thousand Dollars (\$5000) to be used for the restoration of the Old Allenstown Meeting House. (This Article is recommended by the Budget Committee and the Board of Selectmen).

**A motion was made by Dennis Fowler and seconded by Mike Ortisi to accept Article 25 as read. Carol Martel stated that this building was owned by the State and that \$72,000 was needed to restore the structure. It was hoped that \$36,000 could be raised. The building would be used for educational purposes, meetings, etc. She stated that volunteer services could bring the \$72,000 figure lower. Voted and passed.**

ARTICLE 26. (By Petition) To see if the Town of Allenstown will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the purchase of pagers for use by the Fire Department. (This Article is NOT recommended by the Budget Committee or the Board of Selectmen).

**A motion was made by Don Peloquin and seconded by Steve Fowler to accept Article 26 as read. Don Peloquin stated that the pagers are about eighteen (18) years old and that parts are not available. Mike Ortisi stated that it was not recommended by the Budget Committee because the petition was delivered on the last possible day without sufficient information to recommend it. Don Peloquin stated that the pagers are \$500 each for a total of thirty (30) pagers.**

**A motion was made by Dennis Fowler and seconded by Richard Bilodeau to amend Article 26 by reducing the amount to Five Thousand Dollars (\$5000) to pay for this year's purchase of ten (10) pagers. Amendment passed.**

**Ron Demers asked why the wagers were so expensive. Don Peloquin stated that we needed specific pagers for emergencies because we are in the mutual aid system. Article 26 passed as amended.**

ARTICLE 27 (By Petition) To see if the Town of Allenstown will vote to raise and appropriate the sum of Sixteen Thousand Nine Hundred Fifty Dollars (\$16,950) for the purchase of

one 1994 Ford LTD Police Cruiser complete with all communication, audio and visual equipment installed, for the use by the Police Department. (This Article is recommended by the Budget Committee and the Board of Selectmen).

**A motion was made by Dennis Fowler and seconded by Richard Bilodeau to accept Article 27 as read. Chief Connor stated that the current mileage on two of the cruisers was 85,000 each. The other cruiser had 45,000 miles. He stated the warranties end next month on the two cruisers with 85,000 miles and that repairs could end up costing a lot. The question was asked as to what will happen to the old cruisers. It was stated that they would go to auction and the money would go to the general fund. Voted and passed.**

ARTICLE 28. (By Petition) To see if the Town of Allenstown will vote to raise and appropriate the sum of Sixteen Thousand nine Hundred Fifty Dollars (\$16,950) for the purchase of one 1994 Ford LTD Police Cruiser complete with all communication, audio and visual equipment installed, for the use by the Police Department, with the sum of Ten Thousand two Hundred Dollars (\$10,200) to be taken from the Capital Reserve Fund and applied to the total sum of Sixteen Thousand Nine Hundred Fifty Dollars (\$16,950). (This Article is NOT recommended by the Budget Committee or the Board of Selectmen).

**A motion was made by Dennis Fowler and seconded by Art Houle to accept Article 28 as read. Dennis Fowler said the second cruiser with 85,000 miles has just recently been giving us a lot of trouble. It was stated that the new cruisers would have a five year/100,000 mile warranty. Voted and passed.**

ARTICLE 29. To see if the Town of Allenstown will vote to give a one-percent (1%) discount on all 1994 property taxes paid within fifteen (15) days after mailing on the tax bills.

**A motion was made by Doris Levesque and seconded by Richard Bilodeau to accept Article 29 as read. A motion was made by Keith Raiche and seconded by Richard Bilodeau to amend Article 29 to thirty (30) days. Ed Emond stated that changing to thirty (30) days gives no incentive to pay early. Amendment defeated. Article 29 voted and passed.**

ARTICLE 30. To see if the Town of Allenstown will vote to accept the budget as submitted by the Budget Committee and to raise and appropriate the sums therein or pass any vote to relation thereto.

**A motion was made by Irene Boisvert and seconded by Art Houle to accept the budget as amended in the amount of \$2,352,666.**

*amend line item 4215, Ambulance, by adding Nine Thousand Dollars (\$9000) to purchase a Lifeline 10 defibrillator with pacemaker. Ed emond stated that every year a motion similar to this is made. He felt that a request for such an item needs to go through proper procedures for proper planning. It was stated that if Tri-Town Ambulance needed this equipment, it would have been added to their budget and the cost split among the three towns.*

*At this point, Richard Bilodeau's right to vote was challenged and he was asked if was a resident of Allenstown. He stated he had a residence at 90 Main Street, Allenstown. The Town Attorney stated that you must be domiciled in the Town in which you are voting in.*

*Motion to amend budget defeated. Motion to accept the budget in the amount of \$2,352,666 voted and passed.*

*ARTICLE 31. To hear reports of auditors, agents and committees or of officers here before chosen, to pass any vote in relation thereto.*

The "Friends" group is a group who works with the State of New Hampshire, Department of Resources and Economic Development. "Summerfest" will be a day of contests, exhibits, a chicken dinner and a dance. The State is waiving the entrance fee to the park for the day.*

*Keith Raiche spoke about Old Home Day and stated that volunteers are needed as well as new ideas.*

*Don Coulosey asked everyone in attendance to give Dennis Fowler a round of applause for all his years of service.*

*Art Houle stated that the Budget Committee was in need of volunteers and that there were two openings. Any one interested was asked to leave their name and phone number before leaving.*

*Vivien Doane stated that the Allenstown Library would be having its 100 year celebration this year.*

*Ron Adinolfo stated that OSHA was pushing industrial rights on the Town.*

## ALLENSTOWN POLICE DEPARTMENT

*To The Citizens of Allenstown:*

*Americans have grown complacent about crime. We seem to have simply adjusted to the menace. We hear that no matter how high the crime level may be, society is saying that it has no expectations of improvement; and hence, makes no insistence on even trying. Today's "normal" levels of deviant behavior are levels that would have been intolerable by standards not long ago.*

*However, in 1994, the Allenstown Police Department set out to prevent crime rather than merely responding to it. The Allenstown Police Department beefed up it's Patrol Unit - being more visible around the clock. Citizens lit up their properties, secured their possessions and reported suspicious activity frequently to the police. The police, the school and the parents also worked together in order to make a difference in guiding the children of our community to adopt positive values in living.*

*I commend and thank the citizens of Allenstown for supporting and working with their police department. I am convinced that preventing and fighting crime in our community has nothing to do with the criminal justice system - the real solutions lie in the ability of the citizens of the community and the police department to work together.*

*I praise all of my officers for their hard work, tact, patience and restraint in dealing with the daily perplexities of a complex, violent society. I, for one, will continue to support each and every one of them. In my twenty-five years as Chief of Police, I have never seen the dedication, knowledge, talent, and professionalism of each and every officer as I have today. Allenstown should be proud to have these men and women who have so much pride in serving our community.*

*In closing, your continual support of each police officer and the police department as a unit will give them every opportunity to survive the hazards they face in their daily struggle to protect all of us from the destructive elements in our society. We need the confidence of the community behind us. "Working Together Means Winning Together". The Allenstown Police Department will continue to give it's best in providing services to the citizens and public of Allenstown.*

*God Bless You All.*

*Norman H. Connor  
Chief of Police*

## ANIMAL CONTROL OFFICER'S REPORT 1994

*In 1994, there was a slight increase in the number of complaints that had to be handled by the Animal Control Officer. The more alarming of the figures that had risen in 1994, as exhibited by the enclosed table, was the number of calls for animals hit by vehicles. The figures portray a more than 700% growth. It is important that you, as pet owners, be more attentive to the required and proper detention methods in restraining your animal(s). In addition to the listed items, there were four (4) calls for rabid animals.*

### **Items of importance to note:**

- \* **Dog licenses expire April 30th of each year. Be sure to get a new license for your pet;**
- \* **PLEASE SPAY OR NEUTER YOUR PET! We, as owners, are responsible for the control of the pet population;**
- \* **NH Law states that "all cats and dogs three months of age or older, must be vaccinated against rabies."**

*Taking these items of importance into mind, it is also important to note the passing of House Bill 1422 which is in regards to the dog registration process. The intent of HB 1422 is to increase the compliance rate of licensure of dogs by making more parties responsible and accountable to the process. The process will be as such that when you bring your dog in to the veterinarian to be vaccinated, he/she will be responsible to send a copy of the vaccination certificate to the Town Clerk. Upon receipt of this letter of vaccination for a particular dog, the Town Clerk will then reference the files to assure that the dog has been licensed. If it is so that the animal is not licensed, you, the owner, will receive a notice from the Town Clerk calling for prompt action of the owner to get the dog licensed. If the owner does not take the initiative to reply to the request, the Town Clerk will then be obliged to inform the Police Department of a violation of RSA 466:1. A civil forfeiture will be issued which carries with it a \$25.00 fine. The licensing and vaccination requirement is for the protection of the animal, as well as the owner, and is part of the responsibilities of caring for our pets.*

*It is not permissible to allow your dog to run at-large. The animal must be kept on a leash, run or detained in such a way by a fence that he/she may not break free and roam.*

**Daily: Give fresh water and food to your dog!**

**Remember, take care of your animal. Get it vaccinated. Have it licensed. Take your animal to be spayed or neutered. LOVE YOUR ANIMAL!**

## ALLENSTOWN FIRE / RESCUE

To the Citizens of Allenstown:

The year 1994 has been both a very busy year as well as a very controversial one. The fire department experienced the coming and going of two Fire Chiefs in 1994, Donald Peloquin who has served as Chief since 1987 decided not to seek reappointment and Richard Martel who was appointed Chief as of April 1, 1994 and decided to resign as of October 1, 1994. I became Chief Effective October 1, 1994.

In 1994 the fire department responded on 457 calls which is a 10% increase in calls over 1993. With 1995 all ready under way, I do not the see the calls slowing down. The personnel had a very busy year with training as well. The department put on a driver operator course as well as certified firefighter class for those members who needed them. Regular training takes place every Tuesday evening and the department is sponsoring CPR classes for the public at the fire station.

At this time, I would like to thank all the members of the Allenstown Fire Department for their unending dedication to the Town and the all the citizens. These men and women get up at all hours of the night and day to respond to your calls for assistance. This has been a very trying year for the department and through it all the members have given 110% and for that I thank them.

As was mentioned in the 1993 report, the Town needs to start to plan for the replacement of the fire station. The station is in very poor condition at best and any apparatus that gets replaced has to be custom designed to fit into the present station.

I would like to encourage anyone who is interested in joining the fire department to feel free to contact the station Monday through Friday, from 8 am to 5 pm. Being a member of the fire department can be both rewarding and time consuming. If you think you have the desire and the time to dedicate please stop by or call, we are always looking for help.

In closing, I would like to follow in the foot steps of all the previous Chiefs and remind you to **change the batteries in your smoke detectors at least twice a year and test your detectors monthly**. Please remember to make sure your number is displayed on your home and that it is the correct one. Remember, if we can't find you we can't help you.

As always, the members of the Allenstown Fire Department wish to thank you for your support and hope that it will continue well into the future.

Richard H. Verville  
Chief of Department

## ALLENSTOWN HIGHWAY DEPARTMENT

*To the Citizens of Allenstown:*

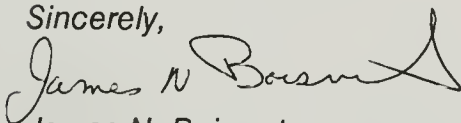

*1994 was a year to remember the snow, ice and cold. Even with all of these adverse conditions, we were able to stay within our budget.*

*Our Capital Improvements projects for 1994 included shim and overlay of Wing Road, Deerfield Road, Lincoln Street, Lafayette Street, Sunnyside Street, and Bartlett Street. 1995 will be a year of many decisions as to which projects will be done and in what manner. Granite Street is now ready for reconstruction, since all surveys and engineering studies were done in 1994.*

*Training and Loss Prevention programs are still be carried out, saving the Town thousands of dollars in Workmen's Compensation premiums.*

*I would like to take this time to thank all the residents of the Town for their patience during our extreme winter conditions; to our Board of Selectmen for their continuous support of the Highway Department; and a special "thank you" to the Highway Department crew for a job well done in 1994.*

*Sincerely,*

*James N. Boisvert  
Road Agent*

## ALLENSTOWN PARKS & RECREATION DEPARTMENT

*To the Citizens of Allenstown:*

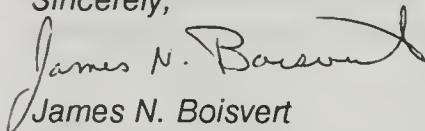

*1994 has seen a new start in our Parks and Recreation Department.*

*First, we are now participating with the Town of Pembroke in our Summer Recreation program for children from first to eighth grades. This year's program was a great success and we hope that 1995 will be even bigger and better.*

*Second, I would like to thank all of the volunteers who gave their time and energy to our many Town intermural programs such as, Girls and Boys Basketball, Soccer, Tri-Town Football, Baseball and Softball. Without these volunteer, these programs would not be a success.*

*There are still many more things which we hope to accomplish in the years to come.*

*Sincerely,*

*James N. Boisvert*

## ALLENSTOWN WELFARE DEPARTMENT

The year 1994 was a terrific year for the Welfare Department. The budget was decreased by \$56,920.41. A total of \$6,242.63 in rent checks were turned over to the Tax Collector for past due landlord taxes, and \$5,732.50 were repaid to the Welfare Department for assistance given in prior years.

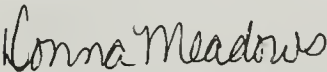

The Work Program is still in effect, we only had 7 workers in 1994. The total monies worked off in 1994 were \$5,809.75. Totalling all of the figures from taxes, reimbursements, and work program hours an additional savings in the budget would be \$17,784.88. Bringing the bottom line to \$53,583.78.

During the Holiday Seasons we assisted 46 families with food, clothing, toys, etc. for 123 children. A special thanks to the local business community (Suncook Trim, CFX Bank, Chantilly's, American Legion #28) as well as many individuals in the Allenstown area that donated their time, money and gifts during the Holiday Season.

The Welfare Department assisted 42 families and 29 single/elderly persons in 1994.

Ms. Vickie LeCain  
Town Administrator  
Town of Allenstown  
16 School Street  
Allenstown, New Hampshire 03275

Dear Ms. LeCain:

Funds for Community Action Program continue to be generated in many ways. Support for the Area Center is based on local tax dollars. In this way, we can provide, through our Area Center, local service delivery of our many programs as well as effective outreach, needs assessment and program development. If we are to be effective in delivering services in your town, as well as others in our area, the Area Center is vital. In the area of program development, I'd like to take a moment to thank you for your interest and support of our programs.

The attached budget reflects minimum costs of maintaining the Suncook Area Center. It also delineates the budget request for Allenstown. This figure is determined by the local community participation level and services provided. We all empathize and are well aware of the financial pressures and economic problems of local communities. These same pressures and problems have and are constantly increasing the demand and need for Community Action assistance and services to families and individuals with low incomes. We will continue to work closely with your welfare officer to ensure the maximum availability of our program, as well as continue to mobilize any resources that become available to help serve your community.

In order to comply with specific requests for much more detailed and documented activities in the Suncook Area Center, we have included a brief note on each of our programs with figures as to how many people from Allenstown participated in these programs.

## CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Allenstown: **Home Care, Hospice and Primary Care.**

**Home Care Services** respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

**Hospice Services** provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

**Primary Care and Preventive Services** will expand throughout FY95 from a health promotion and prevention focus to a more comprehensive 24 hrs./day, 7 days/wk. service including physician care, hospital admitting privileges, and other care generally offered through a medical office setting. This expansion requires the consolidation of many of the agency programs into a family health center, eliminating the current categorical service delivery. In August of 1994, Primary Care physicians from Concord Hospital's new Family Practice Residency Program) joined the CRVNA team. The addition of the physicians has expanded pre-natal care to the full term of pregnancy including delivery, as well as, primary care to adults. Primary care and preventive services include, but are not limited to, Child Health, Family Planning & Women's Health, Pre-natal Services and Health Promotion.

**Health Promotion Services** focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting health children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: Child Health, Pre-natal, Family Planning, Sexually Transmitted Disease, Adult Screening, Immunizations, and HIV (AIDS) testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior Health Services are provided at congregate housing sites. Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home or clinic visit.

---

Anyone in Allenstown may request service: Patient, Physician, Health Facility, Pastor Friend or Neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to Concord Regional Visiting Nurse Association is all that is necessary to start services or make inquiries. The CRVNA Office is open: Monday - Friday \*\* 7:30am - 5:00pm \*\* 224-4093; A nurse is on call for hospice and home care patients: 4:30pm - 7:30am daily \*\* 224-4093.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, Federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and is a member agency of the United Way of Merrimack County.

Total visits made from October 01, 1993 through September 30, 1994:

	<u>No. of Clients</u>	<u>Visits</u>

## ALLENSTOWN PUBLIC LIBRARY

This year the Allenstown Public Library celebrated 100 years of service to the Town of Allenstown. The "**Centennial Celebration**" was anticipated with eagerness and joy. October 15, 1994 was set as the formal celebration date. Posters had been placed at different locations in Town to be sure we invited everyone. Special invitations were sent to the Town fathers, benefactors, teachers and friends of the Library. Over one hundred attended and signed the guest book. We were pleased that the event was a successful one and we thank all those who took time to come and celebrate with us.

In order to include the children, an essay and poster contest was held for grades five through eight. The theme was, "**what My Library Means to Me**". Many participated. The winners were:

### POSTER CONTEST:

**GRADE 5:** 1st Place: Matt Dymont  
2nd Place: McLean Webber  
3rd Place: Lisa Beal

*Entries were judged by the Trustees of the Pembroke Library. Thank to all of you for your efforts and a superb job.*

*The senior citizens of the "Cheer Center" provided excellent entertainment. Everyone enjoyed the music and songs of long ago. It created a warm and cheerful atmosphere.*

*Patricia Lavoie Sanborn was kind enough to come with the spinning wheel accompanied by her beautiful and well-mannered sheepdog "Emma". The spinning wheel intrigued many of us - especially the children. You do beautiful work, Pat. Thank you for your time - it meant a lot.*

*We also had a display of authentic things from the past such as books, lunch pails and cups. An old fashioned quilt was used as a table cloth along with antique candle holders, etc.*

*The lunch consisted of cookies made from old recipes, popcorn, corn bread, tea, coffee and a delicious punch. The trustees, staff and friends of the Library all worked diligently together to plan the event in order to achieve the success that it was.*

*During the celebration, a room in the lower level of the Library was dedicated to Anita Letendre, who was librarian for twenty years - 1962-1982. The room is now the "Anita Letendre Room". Mrs. Letendre was the longest serving librarian in the history of the Library.*

*Many thanks, again, to all the departments who so willingly and courteously come to our assistance when the need arises.*

*Our staff remains the same: Bettye Richard, Pauline Chroniak and myself; the trustees are: Vicki Kneeland, Vivien Doane and Rose Bergevin; the volunteers are: Pauline Demers, Susan Coviello and Pauline Miller. We also wish to thank Joan McNamara Bailey and Paul Pelletier for their work in beautifying and decorating our Library. We are all working together to benefit the Town, the Library and the people.*

*We are looking forward to another busy and interesting year.*

*"When the book of life is opening, our reading is secret."  
Edward Morgan Forster 1879-1970*

*Respectfully submitted*

*Georgette Plourde  
Librarian*

## PEMBROKE & ALLENSTOWN OLD HOME DAY 1994

**Slogan: Hands Across the Water**  
**Theme: Dare to Dream**

*On August 27, 1994, as the sun broke, the Pembroke Women's Club was already in high gear flipping pancakes and scrambling eggs in preparation of their 14th year in the OHD event with their breakfast buffet. As with other organizations, such as the Lions Club, the Suncook Rod & Gun Club, and many others, their continued support enables this event to thrive and flourish year after year.*

*And, although our financial needs are met through the generosity of both towns, businesses and individuals, we are, once again, showing a loss of revenue this year. This is due, in part, to the fact that the event has grown considerably over the years and we are now finding ourselves paying for services that could be handled by volunteers. Also, due to a lack of help, we are unable to man several of our own money-earning projects: the Jail and Bail event and Face Painting.*

*Therefore, our priority this year is RECRUITMENT. Our committee presently consists of twenty-two members (eight from Pembroke and fourteen from Allenstown). An estimated seven to eight thousand people attended this year's celebration with less than a dozen members working at the field on Saturday.*

*We understand the difficulty for some people to attend monthly meetings. But, you need not attend every meeting to become a member-at-large. Some of the areas that we need help in are:*

*Friday: Preparing field (posting signs and setting up the stage. It takes approx. 6 hrs. with a 5-man crew to set the stage).*

*Saturday: Workers are needed in two-hour shifts for the following: Parking, Jail & Bail, Face Painting, Burger King's Whopper Hopper and Pony Rides.*

*Sunday: CLEAN UP*

---

PEMBROKE & ALLENSTOWN OLD HOME DAY - 1994

(Continued)

*As in the past, the success of an event is due to the continuous effort of a hard-working group of people. We do not want to cease our Old Home Day celebration, as many towns in the State have done, due to a lack of volunteers. Please help us to keep it an on-going event and VOLUNTEER.*

*At, at this time, we would like to thank you for your continued support by your attendance. Looking forward to seeing you at the August 26, 1995 celebration.*

Lorette Girard  
Chairman

**MINUTES OF THE ALLENSTOWN SCHOOL DISTRICT MEETING  
MARCH 9, 1994**

The Allenstown School District Annual Meeting was held on Wednesday, March 9, 1994 at the Allenstown Elementary School. In attendance were officers of the Allenstown School District, members of the School Administration Office, Allenstown School Board members, faculty and staff and fifty-eight qualified voters.

The school district moderator, Sharon Ahearn, called the meeting to order at 7:03 P.M. and introduced the members of the head table. She proceeded to read the school district warrant.

**Article 1:** TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN AND TO PASS ANY VOTE RELATING THERETO.

Donna Blazon, Principal of the Allenstown Elementary School spoke on the progress and activities of grades 1-4 by quoting an African proverb, "It takes a village to educate a child." She also thanked Lori Bean and Dawn Labrecque, members of the APPLE group, for the new concrete sign in front of the school. Frederick Dunlop, Principal of the Armand R. Dupont School, reported on progress and activities of grades 5-8. He spoke on the safe environment for all students, a student services coordinator, and the addition to the playground which will be ready soon. Mrs. Blazon and Mr. Dunlop thanked everyone in the community for their support towards education.

**Article 2:** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS FROM ANY SOURCE ON BEHALF OF THE SCHOOL DISTRICT.

A motion was made by Roger Blazon and seconded by Arthur Houle to accept as written. Motion passed.

**Article 3:** TO SEE IF THE DISTRICT WILL VOTE TO APPROVE THE COST ITEMS INCLUDED IN THE COLLECTIVE BARGAINING AGREEMENT REACHED BETWEEN THE ALLENSTOWN SCHOOL BOARD AND THE ALLENSTOWN EDUCATION ASSOCIATION WHICH CALLS FOR THE FOLLOWING INCREASES IN SALARIES AND BENEFITS:

YEAR	ESTIMATED INCREASE
1994-95	\$59,750
1995-96	\$67,988

AND FURTHER TO RAISE AND APPROPRIATE THE SUM OF \$59,750 FOR THE 1994-95 FISCAL YEAR, SUCH SUM REPRESENTING THE ADDITIONAL COSTS ATTRIBUTABLE TO THE INCREASE IN SALARIES AND BENEFITS OVER THOSE PAID IN THE PRIOR FISCAL YEAR. (SCHOOL BOARD RECOMMENDS APPROVAL. BUDGET COMMITTEE RECOMMENDS APPROVAL.)

A motion was made by Melaine Boisvert and seconded by Roger Menard to accept as written. Motion passed.

**Article 4:** TO SEE IF THE DISTRICT WILL VOTE TO CREATE AN EXPENDABLE GENERAL TRUST FUND UNDER THE PROVISIONS OF RSA 198:20-C, TO BE KNOWN AS THE SCHOOL BUILDING MAINTENANCE FUND, FOR THE PURPOSE OF REPAIRING AND MAINTAINING THE SCHOOL BUILDINGS. FURTHERMORE, TO NAME THE SCHOOL BOARD AS AGENTS TO EXPEND AND TO RAISE AND APPROPRIATE THE SUM OF \$5,000 TOWARD THIS PURPOSE. (SCHOOL BOARD RECOMMENDS APPROVAL. BUDGET COMMITTEE RECOMMENDS APPROVAL.)

---

A motion was made by Roger Blazon and seconded by Mike Collier to accept the article as written. Motion passed.

**Article 5:** TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT.

A motion was made by Roger Blazon and seconded by Melaine Boisvert to appropriate the sum of \$4,085,593.00. Motion passed.

**Article 6:** TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

A motion was made by Melaine Boisvert and seconded by Edmond Duchesne to accept the article as written. As there were no agents or committees needed, the motion passed.

**Article 7:** TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

Lorraine Demers spoke on some school experiences and problems she had concerning teachers' absences from their classes as well as the children. Kathy Burbank, Karen Dupont and Roger Blazon responded to Mrs. Demers' questions. Mr. Paul DeMinico, Superintendent of Schools, offered to speak to Mrs. Demers about the problems.

A motion was made by Peter Viar and seconded by Dawn Labrecque to reconsider the budget.

A vote was taken to reconsider. Twenty were in favor and twenty-five were opposed. The motion was defeated.

A motion was made by Don Peloquin and seconded by Roger Menard to adjourn the meeting. The motion passed.

Respectfully submitted by,  
Henriette Girard  
Acting School District Clerk

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

The past year has been an especially eventful one in which a number of significant changes affecting the Allenstown School District and School Administrative Unit #53 have occurred.

In June of 1994, Paul DeMinico left as superintendent here after ten years of service to the SAU's five school districts to assume the superintendency of the International School of Bangkok, Thailand. Almost simultaneously, we also received the resignations of special education director Kathleen Conlin, a teacher and administrator in the SAU for nearly twenty years and George Edwards, Headmaster of Pembroke Academy, the A.R.E.A. high school serving Allenstown's ninth through twelfth grade students. Ms. Conlin accepted the position of special education director in the North Andover, Massachusetts school system and Mr. Edwards the principalship of Gilford (N.H.) Middle-High School. The leadership and expertise of these three outstanding educators and colleagues has been sorely missed.

My tenure as superintendent began in July, 1994. The trust and confidence placed in me by the school board members of SAU #53 is truly gratifying and I am both excited and awed by the formidable challenges of the position. With the support and assistance of both the school and general communities I hope to carry out the responsibilities entrusted to me and serve the educational needs of Allenstown's children appropriately and effectively.

Given the several resignations mentioned earlier, one of my first responsibilities has been to recruit and recommend candidates to fill these very important administrative posts. A decision was made to appoint an interim assistant superintendent to assume my former position for a year, and the position has been ably filled by David Dziura who has extensive experience both as an educator and an executive in the international business world. In August, 1994 Lori DeTrude was elected as the SAU's new director of special education. Ms. DeTrude was formerly director of exceptional services at Pembroke Academy and assistant special services director for the Laconia School District. An initial search process for a new Pembroke Academy Headmaster in the late summer of 1994 did not yield a sufficient pool of qualified candidates, necessitating the appointment of an interim administrator to oversee day-to-day operations at the school. We have been fortunate to secure the services of Charles Foley, retired principal of Concord High School and New Hampshire's 1986 Principal of the Year to fill this important post. Each of these very dedicated and knowledgeable professionals has assisted tremendously in successfully managing a difficult transition period.

Continuity and clarity of mission are very important to the success of any school district, especially when there are significant changes elsewhere. Each summer, the Allenstown School Board initiates a process to review the successes and disappointments of the previous year and to plan pro-actively for the future. The input of faculty, parents and citizens is sought as the district's draft objectives are debated, reviewed and adopted. The Allenstown District's goals for 1994-95 include the following initiatives:

- . Improve cooperation and avoid miscommunication during the budget development and approval process.
- . Continue support of the "Claremont" school funding lawsuit as a plaintiff district.

- 
- . Develop a comprehensive, long-range technology plan.
  - . Explore the introduction of formal foreign language instruction into the district's curriculum.
  - . Pursue establishment of a student mediation program.
  - . Promote citizen volunteerism and involvement in the life of the school.
  - . Communicate more effectively with the community.

Many ongoing challenges face the Allenstown District each year, chief among them the task of funding an adequate public education in the face of escalating mandates and non-discretionary expenses and declining state and federal assistance as well as the increasing expectation that schools should assume responsibility and accountability for the myriad social, emotional and ethical issues which were once the province of others. The yearly exercise of goal-setting offers the board and school community a "road map" to guide our efforts and energies and redirect our focus as necessary to keep us on track with the school's larger mission.

The principals' annual reports, found elsewhere in this publication, outline many of the significant activities and initiatives undertaken by Allenstown Schools during the past year. While there will always be areas in which we must strive for improvement, the notable progress and accomplishments achieved are due largely to the professionalism and hard work of Allenstown's faculty, staff and principals. Your school board members, a truly dedicated and caring group of parents and citizens, also give an extraordinary amount of time and effort in providing the leadership and direction necessary for success.

In closing, it is my overriding goal, and that of the entire central office staff, to provide the students, parents and citizens of the Allenstown District with services which are accurate, cost effective, and supportive of your schools' objectives. I thank you for your past support and look forward to our future efforts in building tomorrow together.

Respectfully submitted,  
Thomas Haley  
Superintendent of Schools

**ALLENSTOWN ELEMENTARY SCHOOL  
PRINCIPAL'S REPORT 1994**

The 1994-95 school year began with new leadership at the SAU level. It is a year of transition as Mr. Tom Haley leads us in his new role as Superintendent of Schools. His extensive knowledge of the district will ensure continuity in addressing district needs. We look forward in getting to know and working with Mr. David Dziura as Assistant Superintendent of Schools and Lori DeTrude, who has replaced Kathy Conlin in the position of Director of Special Services.

The current student population at Allenstown Elementary School is 330 pupils. The current usage of the school facilities is at maximum. The old locker rooms serve as office space and the music program was forced to deliver instruction from a cart which maneuvers from classroom to classroom. The modulares which are located in the front of the school building house the Chapter I and Art programs. Should this space become inadequate, consolidation of additional programs may be necessary. Based on the enrollment and the availability of classroom space, three fourth grade levels remained at AES and one level was sent to ARD. Parental preferences were surveyed to assist in the determination of student placements. The numbers that are projected for the next school year should allow the fourth grade to remain intact as a whole class at Allenstown Elementary School.

Teachers keep abreast of current trends and innovations in education. The latest research is being constantly reviewed in order to enhance instructional practices from grades K-8. The focus for the current school year was language arts. The language arts curriculum is being reviewed by a committee of teachers who represent each grade level. The committee has developed outcomes for the students of the district as they exit the eighth grade. It is the goal of all students to be skilled readers, independent learners, accomplished researchers who know how to use resource materials, critical thinkers and effective communicators. An outside facilitator assisted the committee in formulating goals and objectives. The committee read two books by William Glasser, The Quality School and The Quality School Teacher, which provides the foundation for the committee's work.

The third and fourth grade students have the opportunity to participate in an after school art club this school year. This is done under the guidance and leadership of our very talented art teacher, Mrs. Irene Derosier. She has given the students a chance to meet in an informal setting to pursue an interest in art. Students have explored various art mediums, visited artist's studios, visited museums and/or galleries and will host an art show. Mrs. Derosier is doing this on a volunteer basis after school and should be recognized for her contributions to our school on behalf of the students!

---

The fund-raising efforts of our parent group, A.P.P.L.E. (Allenstown Parents Participating in Learning Experiences) resulted in the purchase of a risograph machine for the school (approximately \$5,000). This produces high quality copies for the students' work. Lori Bean and Dawn Labrecque have constantly and consistently given of their time to make our schools a better place to be. Their efforts are very much appreciated by students and staff within the school district. Thank you for all of your contributions!

Cub scout registration, girls biddy basketball, Suncook Youth basketball, P.A. practice for J.V. girls, and the local community action SHARE program continue to use the gymnasium for their activities. The lower field has continued to be used by Suncook Little League and Suncook Youth Soccer. The community continues to benefit from the Allenstown Elementary School facilities. The usage of the facilities is active. Just a reminder that should you be interested in acquiring usage of the facility, please stop by the office to pick up an application form. Applications must be submitted not less than 3 weeks prior to date of use.

I want to express my gratitude and appreciation to this community regarding your continued support and commitment to education. It is difficult to provide education that is affordable and adequate. Let us be optimistic about the Claremont lawsuit which challenges the funding of education in the state of New Hampshire. This may provide us with some relief for our property poor community.

Respectfully Submitted

Allenstown Elementary School

**ARMAND R. DUPONT SCHOOL  
PRINCIPAL'S REPORT 1994**

The calendar again alerts us that another year has come and gone. The 1994-95 school year began with a great deal of optimism that financial and social stability has arrived after the economic turmoil that impacted all of the North East and especially New Hampshire. It was wonderful to see many more registration cards with the parent employment blank filled in.

Programmatically much has been accomplished this year. We have been able to focus energy on providing students with technology-based opportunities, enrichment activities for both the general population and those with special gifts and talents. There was great excitement when our students gained access to the science information highway that provides learning experiences that transcend prior boundaries of time and distance. With grant money received from the Eisenhower Science and Math program the Allenstown Schools gained another window to the world that today's students must be prepared for.

Initiatives are underway to integrate our services with other agencies such as court diversion programs to help children and families address problems that often get out of control and result in court actions that are costly to a community and school district. The development of a Peer Mediation Program is nearly complete with selected students and staff having received formal training. It is reported that schools that have pro-actively started and supported such programs have experienced up to an 80% decrease in student violence. All schools in the area, including Allenstown, have unfortunately experienced a small but steady increase in student violence. Through programs such as Peer Mediation and our zero tolerance approach to bullies we expect to be recognized as a leader in stopping and preventing violence in our schools. The climate in a school is critical to every child. All students have a fundamental right to pursue their goals in life in an environment that is free of fear and intimidation. I honestly believe that Allenstown, as a community, can be very proud of its support for children.

As in past years, I am still confident that A.R.D. remains at the forefront in developing and delivering curriculum that will enable our students to enter the 21st century ready to meet all the technological and social challenges that will surely confront them.

I want to personally thank all of the parents and community members who have worked very hard to provide support for schools and children.

Sincerely,  
Frederick Dunlop, Principal

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF ALLENSTOWN IN THE COUNTY OF MERRIMACK QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School in said District, on the 15th day of March, 1995 at 7:00 o'clock in the evening, to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

2. To see if the District will vote to authorize the School Board to accept gifts and donations from any source on behalf of the School District.

3. To see if the District will vote to raise and appropriate the sum of \$130,000 as a deficit appropriation for underbudgeted special education costs for the 1994-95 fiscal year, to be paid to the District prior to June 30, 1995. (School Board recommends approval. Budget Committee recommends approval.)

4. To see if the District will vote to create an Expendable General Trust Fund under the provisions of RSA 198:20-c, to be known as the Special Education Fund, for the purpose of meeting the District's lawful obligation to its special education students and to raise and appropriate the sum of up to \$1 from surplus for this purpose and to authorize the use/transfer of up to \$1 from the June 30, 1995 fund balance for this purpose, and to designate the School Board as agents to expend. (School Board recommends approval. Budget Committee recommends approval.)

5. To see if the District will vote to raise and appropriate the sum of \$40,885 to fund approximately 50% coverage of a health insurance benefit of the district's choosing during 1995-96 for non-certified district employees who work a minimum of thirty hours per week. (Note: The majority of eligible non-certified employees have indicated that they will voluntarily not access this benefit so that those with no other source of coverage can receive the benefit. If this occurs, the actual cost is estimated to be no greater than \$5,000). (School Board does not make a recommendation. Budget Committee does not recommend approval.)

6. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

7. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

8. To transact any other business that may legally come before said meeting.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
STRUCTURE IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The School Board  
Allenstown School District  
Allenstown, New Hampshire 03275

I have audited the general purpose financial statements of the Allenstown School District as of and for the year ended June 30, 1994, and have issued my report thereon dated December 20, 1994.

I conducted my audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatements.

In planning and performing my audit of the general purpose financial statements of the Allenstown School District for the year ended June 30, 1994, I considered its internal control structure in order to determine my auditing procedures for the purpose of expressing my opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of Allenstown School District is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

I obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and I assessed control risk. I also performed tests of controls to evaluate the effectiveness of the design and operation of internal control structure policies and procedures that I considered relevant to preventing and detecting irregularities that are material to the general purpose financial statements, and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the general purpose financial statements. My tests were less in scope than would be necessary to render an opinion on internal control structure policy and procedures. Accordingly, I do not express such an opinion.

I noted certain matters involving the internal control structure and its operation that I consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to my attention relating to significant deficiencies in the design or operation of the internal control structure that, in my judgement, could adversely affect the entity's ability to record, process summarize and report financial data consistent with the assertions of management in the general purpose financial statements.

The reportable conditions noted are as follows:

1: Inventory of Fixed Assets

Criteria: Inventory of fixed assets represents a significant control tool in monitoring the School District assets and is essential to prepare reliable financial statements.

Condition: The School District does not have a schedule of assets controlled by the the School District. Schedules of assets purchased by federal grants has been maintained.

Cause: The normal practice of governmental units in New Hampshire has been to expense the fixed asset as purchase, and not to maintain any detail schedule of assets in use.

Recommendation: The District cause an inventory of these assets as soon as practical. The existence of fixed asset records will not only aid district officials in their control of these assets, but should be an invaluable tool in long range planning. General accepted accounting principles require fixed asset reporting as part of the general purpose financial statements and the audit opinion is being qualified due to the omission of this schedule.

Management Response: Evaluation and selection of a new computer system with fixed asset reporting capability is underway. Implementation of the new software is planned for the 1994-95 school year along with a complete physical inventory of all assets.

2: School Lunch Sales

Criteria: The school lunch sale represents a significant portion of the food service revenue. Accurate revenue data is essential to prepare reliable financial statements.

Condition: The food lunch director controls all aspects of the food service activities, including collection and depositing of money, issuing of lunch tickets, statics of meals served, reporting to State, etc.

Cause: The separation of duties is not practicable in this area, and the district has not invested in control mechanisms at the point of sale.

Recommendation: The district investigate the feasibility of control procedures that would reconcile the revenue received with the lunch tickets issued. The scope of the audit testing will be limited to reconciling recorded receipts with the bank statement. The audit option is being modified due to the scope limitation on testing food service revenue.

Reportable Conditions: (Continued)

Management Response: The food service directors have been advised to train their assistant in all activities involving money. Their assistants would perform these activities and both employees would audit each other's tabulations periodically.

3. Unsecured Cash

Criteria: The internal control procedures are designed to safeguard the assets of the School District.

Condition The bank balance as per the bank statements was consistently over the amount insured by federal bank deposit insurance. At one point during the year the balance reached \$707,572.

Cause: The need for manageable requests from the Town for the money appropriated results in large deposits.

Recommendation: The cash flow be analyzed to insure that the cash balance is maintained at its lowest possible amount. the School Board should try to negotiate an arrangement with the banking institution, thereby the amount above the insurance would be collateralized with bank assets. The vendor and payroll activities be separated into two different banks.

Management Response: Several collateralized agreements have been presented to the school district's attorneys, however we have not yet found one that they will approve to secure district funds. The treasurer is monitoring cash needs and moving funds between accounts to meet obligations, but still keep balances as low as possible.

A material weakness is a reportable condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

My consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weakness as defined above. However, I believe none of the reportable conditions described above is a material weakness.

I also had discussions about other matters involving procedures associated with internal control structure and its operation that have not been reported to management, but they were designed to assist management in making decisions on improvements to the system of internal control. It was noted that the internal control system showed an improvement over the previous years.

**ALLENSTOWN SEWER COMMISSION**  
**SUNCOOK WASTEWATER TREATMENT FACILITY**

41 Library Street, Allenstown, New Hampshire 03275  
Tel. Office (603) 485-5600, Plant (603) 485-2027, Fax (603) 485-2218

*To the Citizens of Allenstown:*

*As I reported last year the state mandated site investigation at the treatment facility was conducted and completed in 1994. I am pleased to report the results of that study indicated no significant contamination. Based on the results the state is not requiring any further action at this time.*

*Flowmeters are being installed in both Allenstown and Pembroke, to meter the flows received at the Treatment Facility from each town. This installation will give us the ability to monitor compliance with the original "Contract For Waste Treatment Facilities" with the town of Pembroke. It is also the Commission's intent to use these meters for billing purposes with the Town of Pembroke. Under this new system each Town will pay their proportionate share of the Treatment Facility expenses, based on the metered flows. As such, the reduction of inflow and infiltration into the sewer system will be directly reflected in our portion of the Treatment Facility expenses. Therefor, the Commission will be looking into making the necessary repairs in 1995.*

*As usual the Treatment Facility continues to perform excellent and we experienced no major violations, of our permit to operate from the EPA. This permit must be renewed every 5 years, and is due for renewal in 1995. Our new permit may contain increased monitoring and reporting requirements and a tightening of the limits on our discharge to the Merrimack River.*

*As always we look forward to serving the community in the coming year.*

*Respectfully Submitted,  
Dana Clement, Superintendent*
