TOWN WARRANT

THE TOWN OF HUDSON
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Hudson Memorial School Auditorium, in said Hudson, on Tuesday, March 6, 1973 next, to elect Town Officers for the ensuing year and to vote, by ballot, on the following referendum questions:

1. Do you favor adoption of the town manager plan as provided in chapter 37 of the Revised Statutes Annotated?
Yes No
2. Shall the powers and duties of the office of collector of taxes be transferred from said office to that of town manager?
Yes No

And to vote on the following questions, relative to changes in the TOWN ZONING LAW.

1. Are you in favor of the adoption of Amendment No. 1, as proposed by petition of the voters for this town? YES NO (Disapproved by Planning Board)
Topical description: This proposed amendment sets up lot size requirements for single family, two family, three family, and four family residences and indicates that multi-family dwellings, in excess of 2 family dwellings are permitted in Commercial Zones B-1 and B-2, if served by Town sewer and Town water.
2. Are you in favor of the adoption of Amendment No. 2, as proposed by petition of the voters for this town? YES NO (Disapproved by Planning Board)
Topical description: This proposed amendment affects the Table of Use Regulations by requiring that one unit of any two family unit (duplex) must be permanent residence of the owner of such two family unit; description of a multi-family unit to mean "over a 2 family dwelling"; and defining the meaning of a hotel and motel as a transient living occupancy for any one person limited to 60 days, or less, in any one year period.
3. Are you in favor of the adoption of Amendment No. 3, as proposed by petition of the voters for this town? YES NO (Disapproved by Planning Board)
Topical description: This proposed amendment requires that building permits be issued by the building inspector for all single family residences regardless of proposed changes to the Town Zoning Laws as long as previously approved plans are filed, after approval by the Planning Board, with the Hillsborough County Register of Deeds, and in compliance with the N.H. Water Pollutions Commission.

For this purpose the polls will be open at 7:30 a.m. and will close at 7:30 p.m.

The following articles of the Warrant to be taken up on March 9, 1973, at the Hudson Memorial School Auditorium in said Hudson at 7:00 P.M. in the evening.

1. To see if the Town will vote to appropriate and raise such sums of money as may be necessary to defray Town charges for the ensuing year. (By Selectmen)
2. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots. (By Selectmen)
3. To see if the Town will authorize the Selectmen to pledge the credit of the Town in anticipation of taxes, not to exceed the amount of the previous year's taxes, committed to the tax collector for collection. (By Selectmen)
4. To see if the Town will vote to authorize and empower the Selectmen to sell and convey and or all real estate acquired by the Town of Hudson for unpaid taxes. (By Selectmen)
5. To see if the Town will vote to take some action relative to the Bicentennial Celebration of New Hampshire in the year 1975. (By Selectmen at the request of the Historical Society of Hudson)
6. To see if the Town will vote to abandon its interest in Ruby Drive, so called, as laid out and recorded in the plan of Ridgecrest Development. Said street was never opened or developed and a new subdivision has been approved deleting this street and become part of a lot, designated as tax number 5643. (By Selectmen)
7. To see if the Town will vote to authorize the Selectmen to accept Federal Revenue Sharing Funds and deposit same in a separate account, or accounts, either in a savings account, a certificate of deposit, Treasury notes or bills, etc. through the office of the Town Treasurer, at the highest rate of interest, said Federal Revenue Sharing funds to be earmarked for specific expenditures as set forth in the Federal guidelines and voted by the Town at this or any other regular or special meeting of the Town. (By Selectmen)
8. To see if the Town will vote to authorize the tax collector to appoint a deputy in accordance with RSA 41:38, as it pertains to the appointment of deputy tax collectors. (By Selectmen for Tax Collector)
9. To see if the Town will vote to rescind the action under article 33, as amended and passed at the 1972 Town Meeting, as it pertains to the salary of the Tax Collector and his clerk and to re-establish the monies to be paid each year to the Tax Collector and his clerk, attached to his office, at a sum not to exceed \$5,900.00 per year and raise and appropriate monies for same. All statutory fees, collected by the Tax Collector, shall be paid over to the Town General Fund for the use of the Town. The Clerk, or Tax Collector Clerks, shall be hired by the tax collector and their salaries paid by the Town at the regular Town rate for comparable employees, and said clerk, or clerks, shall be entitled to all fringe benefits the same as any other regular Town employees. (By Selectmen for Tax Collector)

10. To see if the Town will vote to authorize the Selectmen to appoint the Town Manager to also be the collector of taxes and fix his compensation therefor, pursuant to RSA 37:16 and RSA 37:17, and raise and appropriate monies for same. (By Petition)
11. To see if the Town will vote to authorize the Selectmen to hire a Town Manager at an annual salary of \$17,000.00 per year, effective July 1, 1973, and to raise and appropriate monies for same. (By Petition) (Submitted without recommendation by Majority of Budget Committee)
12. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 per year for the salary of the Town Clerk, in lieu of the present salary of \$100.00 per year plus statutory fees; with all monies received by the Town Clerk, in statutory fees, payable to the Town General Fund for the use of the Town. (By Selectmen) (Approved by majority of the Budget Committee)
13. To see if the Town will vote to raise and appropriate the sum of \$2,000.00, for materials only, to build a regulation size hockey rink on the Jacques property, so called. (By Petition) (Approved by Majority of the Budget Committee)
14. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to pay for the expense of ice-time and transportation for the newly formed high school age hockey team, said team being a member of the New Hampshire High School Club Hockey Association. (By Petition) (Submitted without recommendation by Majority of the Budget Committee)
15. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be used to initiate a field improvement program for the Hudson Little League baseball playing fields. (By Petition) (Approved by Majority of the Budget Committee)
16. To see if the Town will vote to adopt the following schedule of building permit fees, notwithstanding the provisions of any other article, or articles, passed at any previous Town Meetings, as it pertained to building permit fees: (By Petition)
 - \$2.00 per thousand dollars of valuation on all construction up to \$30,000.00, with a minimum fee of \$10.00.
 - \$1.75 per thousand dollars of valuation on all construction from \$30,000.00 to \$60,000.00, plus the fee up to \$30,000.00.
 - \$1.50 per thousand dollars of valuation on all construction over \$60,000.00, plus all fees up to \$60,000.00.
17. To see if the Town will vote to rescind the vote taken at the March 11, 1969 Town Meeting (Article 31) authorizing the Selectmen to license and regulate all businesses in the Town, and to establish suitable licensing fees; this being enforced only on businesses located in the Town and unenforceable in regards to business people located out of Town, but doing business within the Town. (By Petition)

18. To see if the Town will vote to establish the following yearly salaries for the Officers in the Hudson Fire Department, and to raise and appropriate the sum of \$800.00 for same, effective July 1, 1973; (By Selectmen for Fire Department) (Approved by Majority of the Budget Committee)

	PER YEAR	
	FROM	TO
Deputy Fire Chiefs	\$400.00	\$500.00
Captains	\$300.00	\$400.00
Lieutenants	\$300.00	\$350.00

19. To see if the Town will vote to authorize the addition of two (2) volunteer fire fighters to the Hudson Fire Department, effective July 1, 1973 and to raise and appropriate the sum of \$600.00 for same. (By Selectmen for Fire Department) (Approved by Majority of the Budget Committee)
20. To see if the Town will vote to raise and appropriate the sum of \$46,000.00 for the purchase of a 1,000 GPM American LaFrance Fire Truck, or its equivalent, to replace the present obsolete 1946 Federal 500 GPM Class "B" truck; \$23,000.00 to be raised in 1973-74 shall be a charge against the Federal Revenue Sharing Fund; and \$23,000.00 to be raised in the 1974-75 budget, said fire truck to be delivered in the fall of 1974. (By Selectmen for Fire Department) (Approved by Majority of the Budget Committee)
21. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for the purchase of a new (or used) aerial bucket to replace the present worn out ladder on the Fire Alarm Maintenance Truck. (By Selectmen for Fire Department) (Approved by Majority of the Budget Committee)
22. To see if the Town will vote to rescind its action taken on all articles voted on at any previous Town meetings relative to the establishment of full time Police Officers' salaries and classifications for such officers and establish in its place the following personnel and salary schedule, and raise and appropriate the sum of \$9,620.00 for same; (By Selectmen for Police Department) (Approved by Majority of the Budget Committee)

	PER WEEK		PER WEEK		
	PRESENT SALARY		GRADE 1	GRADE 2	GRADE 3
Police Chief (1)	\$220.00	up to		\$220.00	\$230.00
Lieutenants (2)	\$162.00	up to	\$167.00	\$172.00	\$177.00
Sergeants (4)	\$155.00	up to	\$160.00	\$165.00	\$170.00
Patrolmen (6)	\$145.00	up to	\$150.00	\$155.00	\$160.00

23. To see if the Town will vote to raise the hourly pay of Special Police Officers from \$2.75 per hour to \$3.10 per hour and raise and appropriate the sum of \$250.00 for same. (By Petition) (\$200.00 approved by the Majority of the Budget Committee; hourly rate not to exceed \$2.90 per hour.)

24. To see if the Town will vote to increase the dispatcher clerk schedule in the Police Department from the present eight (8) hours per day schedule to a twenty-four (24) hour per day schedule and raise and appropriate the sum of \$17,200.00 for same and, if approved, to eliminate the present cost of \$1,500.00 for telephone answering service currently in the budget for the Police Department. (By Majority of the Board of Selectmen) (Approved by Majority of the Budget Committee)
25. To see if the Town will vote to authorize the Selectmen to effect improvements to the Town Hall by eliminating the present basement meeting room and partitioning off same into separate rooms for additional required office space; installation of carpeting where practical; addition of curtains; rearrangement of existing office space; panelling or painting where necessary of all office areas, hallways, and meeting rooms and raise and appropriate the sum of \$5,000. 00 for same. (By Selectmen) (Approved by Majority of the Budget Committee)
26. To see if the Town will vote to abolish garbage pickup service for a section of the Town and, if approved, eliminate the sum of \$2,000.00 from account 302 - Garbage removal. (By Selectmen for the Budget Committee)
27. To see if the Town will vote to increase the salary of the Dog Officer from \$700.00 per year to \$1,400.00 per year and to appropriate the sum of \$700.00 for same. (By Petition) (Approved by Majority of the Budget Committee)
28. To see if the town will vote to increase the amount of boarding fees for stray dogs from \$1.00 per day to \$1.50 per day, said amount payable to the Dog Officer, and to raise and appropriate the sum of \$750.00 for same. (By Petition) (Approved by Majority of the Budget Committee)
29. To see if the Town will vote to rescind the action taken at a previous Town meeting, or meetings, relative to the hiring of three (3) secretaries in the Selectmen's office; one for 40 hours per week; one for 32 hours per week; and one for 20 hours per week and substitute in its place two (2) secretaries at 40 hours each per week, and budget an amount for additional clerical assistance, when needed on a part-time basis. (By Selectmen) (Approved by Majority of the Budget Committee)
30. To see if the Town will vote to authorize a 9.8% increase in the salaries of the two (2) 40 hour per week secretaries in the Selectmen's office, this to be considered as a merit maximum increase and establish a merit-maximum for part time clerical assistance not to exceed \$2.50 per hour, in accordance to the following schedule, and raise and appropriate the sum of \$2,238.00 for same: (By Selectmen) (Approved by Majority of the Budget Committee)

Two (2) 40 hour per week secretaries	- from \$102.00 per week to \$112./wk.
Part time clerical assistance	- not to exceed \$2.50 per hour
31. To see if the Town will vote to authorize the Selectmen to increase the merit maximum wages to be paid to the Town Highway Department employees and raise and appropriate the sum of \$5,250.00 for same in accordance with the

following schedule: (By Selectmen) (Approved by Majority of the Budget Committee)

	PRESENT MERIT MAXIMUM		PROPOSED MERIT MAXIMUM	
Master Mechanic	\$3.75	up to	\$3.95	per hour
Regular Mechanic	\$3.40	up to	\$3.60	per hour
Grader Operator	\$3.75	up to	\$3.95	per hour
Loader Operator	\$3.50	up to	\$3.70	per hour
Truck Driver (5 ton) & Utility Employee	\$3.15	up to	\$3.30	per hour
Truck Driver (under 5 ton)	\$3.00	up to	\$3.15	per hour
Laborer	\$3.00	up to	\$3.15	per hour
Working Foreman	\$185.00	up to	\$190.00	per week

32. To see if the Town will vote to raise and appropriate the sum of \$35,000.00 as the net cost (purchase price less tradein value of Old Loader) to a Front End Loader to replace the present 1967 Model 944A Caterpillar Front End Loader (7,000 hours) with a similar type loader, or its equivalent, said amount to be raised and charged against the Federal Revenue Sharing Fund. (By Selectmen) (Approved by Majority of the Budget Committee)
33. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purchase of a Diesel truck chassis similar to a Ford Diesel truck chassis, or its equivalent, to replace the present 1951 Federal Truck, obtained from the Town Fire Department, (By Selectmen) (Approved by Majority of the Budget Committee)
34. To see if the Town will authorize the Selectmen to negotiate in the planning of a property tax map to be accomplished over a three (3) year period and raise and appropriate the sum of \$40,000.00 for same, said \$40,000.00 to be paid over a 3 year period out of Surplus Funds, after July 1, 1973. (By Selectmen) (Approved by Majority of Budget Committee)
35. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the construction of a road and parking lot at the Robinson Pond Park Recreation area. (By Selectmen) (Approved by Majority of the Budget Committee)
36. To see if the Town will vote to require all swimming pools, with a depth in excess of two (2) feet, in-ground or above-ground, to be enclosed by a fence at least four (4) feet in height, of substantial construction, and with a lockable gate, said requirement effective as of August 1, 1973. Failure to comply with the terms of this ordinance shall result in a maximum fine of \$25.00 and each day of violation of this ordinance shall constitute a separate offense. (By Selectmen)
37. To see if the Town will vote to raise and appropriate the sum of \$55,000.00 to construct a 30 foot x 60 foot addition (1,800 sq. ft.) to the present Town Hall building, including a cellar foundation, heating and air conditioning system for

the present building and addition; such addition to be identical in appearance and type of construction as the present Town Hall building. (By Selectmen) (Disapproved by Majority of the Budget Committee)

38. To see if the Town will vote to authorize the Selectmen to purchase an Emergency Rescue Vehicle, the Town's share not to exceed \$8,000.00 and to authorize the Selectmen to accept any Federal or State Funds on a matching basis, and raise and appropriate monies for same. (By Majority of Selectmen for Fire Department) (Disapproved by Majority of the Budger Committee)
39. To see if the Town will vote to authorize the Selectmen to hire a Juvenile Officer for the Police Department, and raise and appropriate the sum of \$13,000.00 of which 50%, or more, can be refunded by Federal and State programs and to authorize the Selectmen to accept any Federal or State funds, as available. The salary of said Juvenile Officer shall be the same as that applicable to the rank of Sergeant. (By Petition) (Disapproved by the Majority of the Budget Committee)
40. To see if the Town will vote to raise and appropriate the sum of \$10,760.00 as the Town's share for the Nashua Area Transportation Study, as required by the Federal Highway Safety Act of 1962; the sum of \$6,000.00 payable in July, 1973 and the sum of \$4,760.00 payable in July, 1974. (By Petition) (Disapproved by Majority of the Budget Committee)
41. To see if the Town will vote to establish the following pay schedule for the Police Department, effective July 1, 1973, and raise and appropriate the sum of \$12,896.00 for same: (By Petition) (Disapproved by Majority of the Budget Committee)

	PER WEEK FROM	PER WEEK TO
Captain	\$167.00	\$195.00
Lieutenant	\$162.00	\$187.00
Sergeant	\$155.00	\$178.00
Patrolman	\$145.00	\$166.00

42. To see if the Town will vote to pay newly appointed Patrolmen at the rate of 15 percent below the minimum hourly rate established for Regular Patrolmen, said rate to remain in effect for six (6) months, effective July 1, 1973. (By Petition) (Disapproved by Majority of the Budget Committee)
43. To see if the Town will vote to pay time and one-half for Police Officers who appear as witnesses in Court and raise and appropriate monies for same, effecitve July 1, 1973. (By Petition) (Disapproved by Majority of the Budget Committee)
44. To see if the Town will vote to establish a pay schedule for the Dispatcher-Clerk, in the Police Department, in the amount of \$126.00 per week, effective July 1, 1973, and raise and appropriate a sum of \$832.00 for same. Present salary is \$110.00 per week. (By Petition) (Disapproved by Majority of the Budget Committee)

45. To see if the Town will vote to purchase a tranquilizer gun for use of the Dog Officer and Police Department and to appropriate the sum of \$350.00 for same. (By Petition) (Disapproved by Majority of the Budget Committee)
46. To see if the Town will vote to increase the salary of the Chief of Police from \$220.00 per week to \$230.00 per week, effective July 1, 1973, and raise and appropriate the sum of \$520.00 for same. (By Petition) (Disapproved by Majority of the Budget Committee)
47. To see if the Town will vote to increase the salary of the School Crossing Guards from \$30.00 per week to \$33.00 per week (from \$6.00 per day to \$6.60 per day) and raise and appropriate monies for same. (By Petition) (Disapproved by Majority of the Budget Committee)
48. To see if the Town will vote to allow the School Crossing Guards the following:
 1. Three (3) sick days per school year. (By Petition)
 2. Four (4) paid holidays, namely; Thanksgiving Day, Christmas Day, New Years Day, and Memorial Day. (Disapproved by Majority of the Budget committee)
49. To see if the Town will vote to authorize the Selectmen to negotiate with the Hudson Water Company and the State of New Hampshire Highway Department, Special Services Division, for the purpose of extending the water line from the present terminus on Highland St. to the residence of Mr. and Mrs. Charles A. Valenti, 72 Greeley St., Hudson, a distance of approximately 1,200 ft., at a cost not to exceed \$3,000.00 and raise and appropriate monies for same. (By Selectmen) (Disapproved by Majority of Budget Committee)
50. To see if the Town will vote to establish a Capital Reserve Fund, pursuant to RSA 35:1 and RSA 35:3 for the purpose of paving accepted town roads, presently in existence and outside of the proposed sewer district area, and raise and appropriate the sum of \$15,000.00 in 1973-74; \$15,000.00 in 1974-75; and \$15,000.00 in 1975-76. (By Selectmen) (No action by Budget Committee)
51. To see if the Town will vote to establish a Capital Reserve Fund, pursuant to RSA 35:1 and RSA 35:3 for the purpose of improvements to the Robinson Pond Park Area and the Ottarnic Pond area, owned by the Town, and raise and appropriate the sum of \$5,000.00 in 1973-74; \$10,000.00 in 1974-75; and \$10,000.00 in 1975-76, said improvements to be determined by the voters of the Town at a future Annual Town Meeting. (By Selectmen) (No action by Budget Committee)
52. To see if the voters will authorize the Selectmen to accept any Federal or State Funds, available to the Town for the purpose of making any capital improvements to the Robinson Park Pond area or the Ottarnic Pond area and when such grants are received, they shall be deposited in the Capital Reserve Account and disposition decided upon by the voters of the Town at a future Annual Town Meeting. (By Selectmen)

53. To see if the Town will vote to approve ordinance No. 52 providing for the regulation of the operation of Retail businesses (including discount stores) on Sunday which was previously adopted by the Selectmen in accordance with RSA 578:5 on February 19, 1973. (By Selectmen)

Given unto our hands and seal this 19th. day of February in the year of our Lord nineteen hundred and seventy-three.

**HUDSON POLICE
HUDSON, NEW HAMPSHIRE**

**POLICE REPORT FOR 12 MONTHS
ended June 30, 1972**

I wish to express my sincere thanks to the officers of the Hudson Police Department who have helped to make Hudson a safer community in which to live.

My thanks to the citizens of Hudson who have come forward and have helped through information and assisted in solving crimes. We have received numerous letters and cards thanking us for assistance rendered in time of need, such as aiding the ambulance, rushing a child to the hospital in the cruiser and many other services.

We have been working on the drug problem and all other criminal acts. We are making numerous arrest and are prosecuting the defendants and are obtaining convictions. We shall continue this fight against crime.

The officers have done many things to try and up-grade the department in various areas such as moral, training, and general appearance of the men and the department itself. They have changed the uniform, badges, and patches. The men have also built an evidence room, interrogation room, a records and communications room and they are in the process of making many more changes.

My thanks to the many people who by their donations and support have made it possible for us to get started on that road which will develop our police department into something in which we can all be proud.

The following is a report of the activities conducted by the police department for the above 12 month period:

Respectfully submitted

CHARLES E. FOSTER
Acting Chief of Police

DOG OFFICER'S REPORT 1972

This past year has been a very busy one for this department, mainly due to people failing to license and restrain their dogs and to the increased number of stray or abandoned animals in the town. During the past year 400 dogs were picked up, of which 186 were unlicensed and unclaimed. A total of 43 people reported being bitten by dogs, all of these required some type of hospital treatment. There were 36 dogs struck and either killed or injured by automobiles; all dog bites must be reported!!

The foremost dog problem in this town is with the stray dogs. I urge people not to feed any stray dog that should show up around the home. When you feed these strays you encourage them not to go home where they belong. In the end you call me, I pick the dog up, if the dog is unlicensed we cannot locate the owner and we must depend on him calling us. The state law requires that we hold all stray dogs ten days. We hold dogs as long after this period as possible. After ten days we give these dogs to anyone who might want a new pet. Unfortunately we have more dogs than we can give away and many dogs have to be destroyed. So please don't feed any stray dogs, give them a chance to go home. If they persist on hanging around, call me, and the dog will be picked up.

During the year many people were summoned to court for failing to restrain their dogs or for failing to license their dogs. There were 66 court summons given out and 98 warnings issued this year. I wish to remind all residents that there is a restraining law in the town and if they allow their dog to run at large, they will be fined. If your dog should break loose, call us immediately as we may already have it. If not, we will help you locate it.

The Dog Restraining Law definitely puts a hardship on both the dog and the dog owner. But it must be remembered that the majority are not the well behaved pet that never leaves the owners yard and always keeps out of trouble. Many of these dogs when allowed to run freely chase cars, chase children on bicycles, get into trash barrels, and cause vast amounts of property damage. Often these dogs gather in packs and chase female dogs in season, or other domestic or wild animals. There have been entirely too many children bitten by dogs, and 75% of the dog bite cases this year involved unrestrained dogs.

Many family pets were killed by automobiles this year. A dog has the intelligence of a three year old child. Would you let your three year old child play out, in, or near the street? If you care about your pet, please remember that these animals depend on you for their safety and protection. In restraining your dog I suggest either a fenced in area or a wire run with a chain. If the dog is on a chain, it should be set up in such a way that the dog cannot get tangled around trees, bushes, etc. If your dog is tied on a chain, do not use a choke chain type collar as many dogs have become entangled in the chain and have strangled as a result. Dogs being restrained need adequate shelter from the elements, this should be dry and draft free. A dog also needs exercise especially during cold weather, so get a good leash and get out and walk with your dog, let him run (under your control), The exercise will do both the dog and the master some good. If you are looking for a dog please don't hesitate to call me. We have many fine dogs to choose from. We give these dogs away, requiring only that you license the dog and obey the laws of the state and town pertaining to dogs.

A few important things for dog owners to remember:

(1) All dogs must be licensed at three months of age. Dogs must be vaccinated for rabies prior to licensing. Dog licenses must be renewed by April 30th of every year. Dog license tags must be on the dog at all times, if the tag is not on the dog the

dog is not licensed.

(2) All dog bites must be reported, as the dog must be held for observation.
DO NOT DESTROY THE DOG.

(3) Your dog must either be restrained to your property or under your control at all times.

(4) If your dog barks late at night or in the early hours of the morning, please correct this nuisance as it is undoubtedly annoying your neighbors.

I wish to apologize to anyone who has not received immediate action on a complaint. We are usually flooded with calls and it is not possible to get to all calls immediately.

In closing I would like to thank the Selectmen's secretaries and the Town Clerk's office for the help I have received from their offices. I would also like to thank former Police Chief Polak, Chief Horak and all the members of the Police Department for the help that they have given throughout the year.

Respectfully submitted

DONALD R. McCRADY
Hudson Dog Officer

RECREATION COMMISSION

This past summer and winter have been busy for the Recreation Commission. There are fourteen boys' basketball teams in the league, three Babe Ruth teams, one girls' softball team and a girls' basketball league. There was also summer basketball with a team that played at Pelham, playground activities, arts and crafts and this winter we have skating and hockey.

Again this year the Mini-Olympics were held with approximately one hundred boys and girls participating in relay races, long jumping, dashes and other various track and field events. Other activities included Christmas in July with Santa Claus visiting for the afternoon, a hobo parade with prizes awarded to the three funniest, and a very successful hot dog roast which was held each Thursday with frankfurters and tonic selling at ten cents each.

Last summer the Lions Club Pool would not meet State requirements, even if a new filter system had been purchased. The flow of water is inadequate. The Recreation Commission is temporarily using Robinson Pond where swimming lessons were given by the lifeguards.

The basketball court at the Greeley Street playground was paved and finished this year.

In the future, we hope to start some recreational programs for adults, such as a slow pitch softball team, men's and women's volleyball and simple gymnastics for both men and women.

The recreation program is under the direction of Robert Broadbent and his assistant Sandra Blanchard. The Recreation Commission hopes that it can start new programs and make the next several months even better for the adults and the youth of Hudson.

Respectfully submitted,

ROBERT BROADBENT
Recreation Director

SANDRA BLANCHARD
Assistant Director

Recreation Commission
Walter Jalbert, Chairman
Fred Hebert
John Long
Thomas Fornash
Marie Palmer, Clerk

**HEALTH DEPARTMENT REPORT
July 1, 1971 through June 30, 1972**

I have made the usual inspections of stores, barber shops, restaurants, several State Boarding homes, and the St. John's School, the Presentation of Mary Academy and Day Care Center.

Three dog heads had to be taken to Concord for rabies tests, which proved to be negative.

Ottarnic Pond and Robinson Pond were tested and approved by the State for swimming.

Having had much rain this year, the water table is very high. Because of this, there have been more complaints than usual on leach beds. Most of these were corrected by the owners. There is a need for a sum of money to be entered in the budget which could be used when an owner feels he cannot afford to improve his leach bed. The Health Officer could then correct the problem and the Town could place a lien on the property.

Thanking, again, the people of Hudson for their cooperation.

Respectfully submitted,

LESTER E. GOVE
Health Officer

Submitted January 2, 1973

ALICE H. JONES
Head Librarian

REPORT OF THE HILLS MEMORIAL LIBRARY TRUSTEES

In many ways 1972 was a year of new involvements for the library. For example, special programs in both the Adult Room and the Children's Room were held to reach new areas of the public. These included programs on photography, a political forum, and a ski program in the Adult Room, and a talk on writing and illustrating of children's books by two well-known authors, a speaker from Benson's, and an arts and crafts demonstration all held in the Children's Room.

Programs such as these reflect the growing intention of the library to reach out to the public in as many areas as possible.

In its hope to meet the qualifications of the State Library, the library increased its open hours on a trial basis to forty in October. In March, the town had approved an additional four hours for Tuesday and Thursday nights. In October, the trial set of hours were established in both rooms.

In order to deter vandalism protective steps were taken: the installation of a new-type book drop which eliminates the need for a standing unit for this purpose on the porch.

A group of concerned citizens expressed their concern for improving services and facilities at the library, offering their help. One major problem brought up on concern to staff, trustees, and the general public is the necessity for a parking lot. Two volunteers hosted a social hour on two nights during National Book Week. Mrs. Margo Connors also generously volunteered her time by handling the library's publicity for the year.

Other examples of help from the public included Mrs. Marion Knights presenting spring story hours, Miss Natalie Merrill loaning her autographed book collection for a display during Book Week, and cooperation from the 4-H and Girl Scouts in various projects.

The Junior Women's Club presented \$15 to the Adult Room for books. The Historical Society donated an additional "History of Hudson". Numerous unnamed patrons generously donated books to the library.

Groundwork was laid to develop clearer methods of organization in the workings of the library, particularly by researching job descriptions for personnel. Such descriptions, still continuing, will be aimed at facilitating work at the library and streamlining all library proceedings for present and future personnel.

Money allocated for the Special Book Projects in both rooms was spent and proved extremely valuable.

A film program, other story hours, and numerous classes for local schools were held in the Children's Room with great success.

Landscaping was checked by Hogan's; painting done in various areas inside, carpets professionally cleaned, and the lower back room cleared a bit by the removal of a display case owned by the Fortnightly Club. However, the most forward-looking development in terms of library improvement was in the alcove.

For several years now plans have been in the making for the development of the alcove into a usable part of the library. Many historical town and state histories, out-of-print editions of books, some rare books, and back issues of many magazines, are in the library's collection. These have never been available for use, except the magazines, because of the valuable nature of the books in general. A special room set aside for these and for private study and research would be an asset to the library and the town. This project was finally started this year, beginning with a series of visits by Mrs. Rachel Sanborn, the District Library Consultant, to weed out all these books stored upstairs. Once this was done, the next steps were for the refurbishing of the room itself. Mr. John Anderson of Hudson did the painting, Elliott's of Nashua liad

the carpet, and Mr. R. Walters of Windham built bookcases to fit in the room. The books are now being catalogued by Mrs. Jones, and once this is completed, drapes hung, and a display case built in, the room will be open to the public. The library plans to hold an Open House at the beginning of 1973 to formally dedicate this room.

The trustees wish to thank the excellent staff headed by Mrs. Alice Jones for their devotion, hard work, and genuine concern with the library: Mrs. Loraine Battey, Assistant Librarian; Miss Millie Hankins; Mrs. Bernice Hankins, and the pages, Miss Nancy Whitaker, Miss Terry Battey, Miss Maryclaire Knight, and Miss Barbara Davis. Thanks to Mrs. Elizabeth Collishaw who also provided her services.

Sincere appreciation goes to all the organizations and individuals named in this report as well as to the countless unnamed who may have helped in the way by work or inspiration.

Mr. Norman Whitaker, Secretary
Mrs. Mary Ketcham, Treasurer
Mrs. Barbara Abbott, Chairman

A REPORT ON THE NASHUA REGIONAL PLANNING COMMISSION

BACKGROUND

Many of the environmental and developmental problems facing the communities of New Hampshire do not stop at city and town boundaries. Recognizing that a solution to such areawide problems as air and water pollution, traffic flows, solid waste disposal, etc. can only be solved on a cooperative basis, the State of New Hampshire divided the State into 17 districts for the purposes of regional planning. The districts were determined on the basis of commonality of interests and the degree of inter-community relationships. Region 14 of this proposal includes 12 towns shown on the attached map.

Formed in 1969, the Nashua Regional Planning Commission was established to prepare a regional development plan for member communities and to provide advisory assistance to local governments and agencies. At the present time all towns have elected to join the Commission. While the Commission members were organizing the commission, arranging for a federal planning assistance grant and searching for staff planners, the membership assessment to towns was \$.15 per capita. With the new staff and office obtained in mid - 1971 the membership levy has been increased to \$.25 per capita to cover the expense of the Commission as an operating agency.

Current Programs

Now fully staffed, the Nashua Regional Planning Commission is approximately half way through its second year's program which includes the following activities:

1. Advisory assistance to local planning boards.
2. An assessment of the impact of future growth on the region.
3. Preparation of a regional land use plan.
4. Analysis of regional housing problems.
5. Implementation of a regional solid waste management plan.
6. Preparation of a regional waste water treatment and water supply plan.
7. Coordination of federal grant-in-aid expenditures in the region.
8. Metropolitan transportation planning.
9. Emergency medical services planning.

The above activities are expected to yield the following benefits:

1. An intelligently planned response to future growth pressures.
2. Determination of the least expensive and most efficient way for towns or groups of towns to provide community services.

3. Qualifying towns for federal aid programs that require regional plans.
4. Increasing the effectiveness of local boards and commissions by providing better information for their use.
5. Providing a forum for towns to communicate their problems to one another.

Organization

The Commission is composed of members appointed by local selectmen or mayor of member communities. Towns having less than 10,000 population are entitled to two members while towns over 10,000 are entitled to three and cities over 25,000 are entitled to four members. In addition to the Commission's monthly meetings, the members are assigned to the following committees which also meet monthly:

1. Land Use Planning Committee
2. Housing Study Committee
3. Solid Waste Planning Committee
4. Ambulance Committee
5. Sewer and Water Planning Committee
6. Transportation Planning Committee

Other committees are established from time to time to study specific problems as they arise. In most cases committee memberships are supplemented by citizen members from towns most apt to be concerned with the particular committee's activity.

Funding

The current annual fee for membership in the Nashua Regional Planning Commission is levied at \$.25 per capita, based on the 1970 census of population. This assessment, applied to current member communities, is expected to yield approximately \$25,000.00. An additional comprehensive planning assistance grant expected from the U.S. Department of Housing and Urban Development is expected to get the commission's 1973-74 minimum budget needs of \$65,000.00

**REPORT OF THE FOREST FIRE
WARDEN AND DISTRICT CHIEF**

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 a.m. and 5:00 p.m. unless it is raining, except for commercial purposes.

Please be careful when using fire; remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

**NUMBER OF FIRES REPORTED AND ACRES BURNED
1972 SEASON**

State – 410 Fires	361 acres burned
District – 101	112
Town –	

Respectfully submitted,

RALPH STEVENS
District Chief

FIRE DEPARTMENT REPORT

July 1, 1971 thru June 30, 1972

There were many calls during the year, but the dump topped the list. Many of these fires were caused by pure carelessness while some were caused by children. This can be eliminated by spending time with your family, and teaching them not to play with matches. Keep matches away from children. If this is done, it might prevent a loss of life or loss of your home.

With this number of fires in one year and such a small loss of property and contents, much credit is due to your fine Fire Department and the fine cooperation from the Town's Citizens.

Let's try to keep up this good work for the safety of lives and property.

Thank you all.

Respectfully submitted

OSCAR P. CAMPBELL, Chief
Hudson Fire Department

SELECTMEN'S REPORT
FOR FISCAL YEAR ENDED JUNE 30, 1972

The year, which ended June 30, 1972, was the end of a brief two or three year interlude during which time business expansion, new home construction, population growth, and the Town's overall growth trend was dramatically slowed down. The cause of this slowdown could be attributed to national spending policies which had a direct impact on the electronics industry in this area. This fact, added to the already declining shoe industry, had the effect of slowing down growth and expansion.

Perhaps, in one sense, the Town benefitted from this situation in that we were able to catch our breath, take stock of where we are, and spend a moment determining where we go from here.

The financial statements and reports contained in the Annual Report show quite clearly the results of the past year's operations.

During the fiscal year, several problems, which have been with us for some time, were corrected and others continued to defy a practical solution. The engineering contract was awarded to Morgenroth and Associates to design a comprehensive sewer system for virtually all the areas within the proposed circumferential highway, or beltline.

The southerly bridge, off Sagamore Park Road, rapidly took shape and work progressed toward a 1973 opening date.

The dump continued to burn and draw increased criticism from the townspeople. The dump problem appears to be resolved by the proposed sanitary landfill site off Kimball Hill Road.

Zoning problems continue to plague us despite several State Supreme Court decisions.

The Robinson Pond Recreational Area came into its own during 1971-72 and the beach area was put under the control of the Recreation Commission with the closing of the Lion's Club swimming pool last Spring by the State Board of Health.

The Fiscal year change, and the collection of taxes twice a year, have met with very good response from the townspeople and, from a financial point of view, the Town Treasury gained to the tune of about \$52,000.00. Instead of borrowing money in anticipation of taxes and paying about \$30,000.00 of your tax money in interest charges, the net gain to the taxpayer was about \$80,000.00, or close to a decrease of \$2.00 per thousand dollars of valuation in your tax rate.

YEAR 1972 - 73

The fiscal year, 1972-73, begins a time for transition for the Town and its residents. We have seen the Police Chief, Fire Chief, and Road Agent retire after long years of faithful service to the Town. In addition, the Chairmen of the Town Planning Board and the Zoning Board of Adjustment have resigned after serving in those and various other capacities for many years.

Hudson, as well as our surrounding neighbors, seem to be on the verge of continuing growth and expansion which, as mentioned earlier, had been held in check for the past couple of years.

The Town should not act to stifle this growth but, instead, must see that it occurs in an orderly and regulated fashion. Facilities and services must be capable of adequately providing for the needs of the town and its residents.

The Selectmen are requesting in the 1973-74 budget a Front end Loader and Trucks for the Town Highway Department to replace the present old, worn-out equipment; funds to allow for the preparation of a Property Tax map, which is long overdue; a small amount of money to reorganize and refurbish the Town Office

Building to give us increased operating efficiency and better space utilization; some new equipment for the Fire Department and one new Fire truck; and a fairly modest pay increase for all Town employees to be allocated on a merit basis.

These items are necessary to enable the Town to maintain its ability to keep pace with the demands of the immediate future.

Numerous new businesses moved into Hudson, and several existing businesses expanded their facilities and operations during the past year. In behalf of the townspeople, the Selectmen welcome these businesses and express our appreciation for their having chosen our Town.

The Board of Selectmen would like to thank the many people and organizations who contributed their time and effort toward making Hudson a better place to live. We would also like to thank our employees and department heads for their cooperation and pitching-in when necessary to get the job done. We hope to be able to provide all our residents with the services they require and to which they are entitled.

With the help, confidence, and support of the townspeople, the Selectmen shall endeavor to do so.

JAMES W. HETZER, Chairman
JOHN M. BEDNAR
L. JOSEPH JACQUET

BIRTHS REGISTERED IN THE TOWN OF HUDSON, N.H.

DISTRIBUTION OF THE SCHOOL DOLLAR

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hudson

The following paragraphs constitute my report as Superintendent of Schools.

Certainly the most significant and tragic event of the past school year was the unexpected and untimely death of Chester Steckevecz. Under his leadership and guidance, Alvirne High School had grown both numerically and in quality to become one of the most respected institutions of its kind in the State of New Hampshire. Mr. Steckevecz was an outstanding professional and, indeed, an outstanding individual whose loss will be sorely felt by all of those who were associated with him.

Related to Mr. Steckevecz' demise, we had several key administrative changes. Mr. Robert Bettencourt was named as principal of Alvirne High School. Prior to his appointment, Mr. Bettencourt served as principal and assistant principal of the Memorial School as well as teacher and coach at Alvirne. Mr. Bettencourt has already established himself as a competent and effective leader at Alvirne.

With Mr. Bettencourt's shift to Alvirne, Mr. John Daniels was elected as principal of Memorial School. Mr. Daniels formerly served as assistant principal of that school for two and one half years following several years of teaching experience at Nashua High School. Having served as Assistant Principal to Mr. Bettencourt at Memorial, Mr. Daniels has moved easily and effectively into his new role.

While these changes were transpiring, Mr. Joseph Giuliano, former principal of the H.O. Smith – Webster complex was offered and accepted the position of principal of the Jonathan Daniels School in Keene, N.H. leaving a vacancy at Smith-Webster. After serving as acting principal for several months, Mr. James Cunneen was appointed to that position. Mr. Cunneen formerly served as Assistant Principal of Smith-Webster for one year after teaching in the Andover, Massachusetts system. Mr. Cunneen has also assumed his new duties in a most effective manner.

In addition to these changes, Mr. Leonard Nase, who formerly taught at Tantasqua Regional High School in Sturbridge, Massachusetts for a number of years, has assumed the duties of Assistant Principal at Alvirne High School; and Mr. Gerald Millett, who formerly taught at Cohoes Middle School in Cohoes, New York, has assumed the duties of Assistant Principal at Memorial School.

The current school year has also seen the initiation of the Year-Round plan at Alvirne High School. Although it is very early to offer any type of an evaluation, the first quarter proceeded as had been expected and we are currently several weeks into the second quarter. At this very early point in time, I can only comment that although we are very optimistic, it will be two years at the very earliest before we can offer an effective evaluation of the program.

Certainly the most important item to come before the people at the Annual School District Meeting will be an appropriation for a new school on the site known as the "Jacques Property". With the addition of these new facilities, the school district will have a firm grip on its problems of educational growth. This building is designed to provide program flexibility with classrooms that can easily be used as self-contained units or for large and small group instruction when that type of approach is more suitable.

In a community such as Hudson that does not have public kindergartens, the primary school is quite often a child's first contact with formal education. It is within this setting that these people will begin to develop communication skills as well as associate with others from diverse backgrounds. Young students tend to have relatively short attention spans. Their interests shift rapidly and so must the environment in which they work. All of these requirements suggest readily adaptable space capable of change on a short notice.

In closing, I would like to thank the School Board, Mr. Cunneen, Mr. Daniels, Mr. Bettencourt, and the entire school staff for their unfailing cooperation and finally the citizens of Hudson for their commitment to excellence in the total educational program.

Respectfully submitted,

PETER G. DOLLOFF
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT
OF SCHOOLS

Mr. Peter G. Dolloff
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Dolloff:

The Hudson Schools are in the process of improving instruction and adding programs to effectively meet the needs of as many students as possible. Individualized instruction is a way of life in many grades and has a realistic philosophy for helping students at their own level of accomplishment. All three elementary schools are functioning very effectively.

The high school under the capable leadership of Robert Bettencourt, Principal, is experiencing the Alvirne Quarter Plan for the first time. From all reports the program is operating successfully and should be an asset to the school.

During the current year we found it necessary to add or replace twenty-seven elementary teachers and fourteen secondary teachers. The following is a list of the personnel:

LIST OF NEW PERSONNEL
HUDSON

<u>Name</u>	<u>Subject</u>	<u>College</u>	<u>Degree</u>
Baird, Linda	Grade 3	West Liberty State	BA
Boucher, Barbara	English	Rivier College, Nashua, N.H.	BA

In closing, I would like to express my appreciation to the School Board, principal and teachers for their cooperation during the past year.

Respectfully submitted,

FRANK A. KAFFEL
Assistant Superintendent

REPORT OF HUDSON SCHOOL BOARD FOR 1972

Approval of the Alvirne Quartermester Plan by voters at the Hudson School District Meeting initiated a busy and eventful year. Plans that had been devised by Alvirne Principal, Chester Steckevecz, were implemented as quickly as possible. The tragic death of Mr. Steckevecz caused apprehension and some delay in getting the Quartermester Plan into operation. The excellent cooperation and hard work of the administrators and staff at Alvirne High School made it possible to put this plan into effect in September of 1972.

The Quartermester plan has enabled Alvirne High School to accommodate a student body larger than the overload capacity of the building. The curriculum offering and the changes in marking seem to be well accepted. Attendance during the summer session will be a significant measure in the success of the program. There should be a minimum of 300 students participating in the summer session to make it effective and only the cooperation of parents and students can make this possible.

The request for a portion of the funds for architect fees to develop plans and drawings for a new elementary school was also approved by the voters. A building committee was formed and the architectural firm of Carter and Woodruff was hired. Plans and costs will be prepared for the School District Meeting in March, 1973.

The Hudson School Board recognized the Hudson Federation of Teachers, Local 2263, American Federation of Teachers, AFL-CIO as the bargaining representative for classroom teachers. This recognition was given after a vote, supervised by the New Hampshire Secretary of Labor, was held. Negotiations were held covering a master contract between the Hudson School Board and the Hudson Federation of Teachers. These negotiations were demanding and time consuming. However, at this writing they seem to have reached a reasonable conclusion.

Death and a resignation necessitated the appointments of new principals and assistant principals at all three school complexes. The School Board has been pleased with the performance of these administrators.

The Hudson School Board has directed the Superintendent of Schools to request from the State Board of Education that the Town of Hudson be allowed to form its own Superintendency by withdrawing from or reforming Supervisory Union No. 27. This action has been prompted by the continuing growth of the Hudson School System plus the added financial responsibility in Supervisory Union No. 27.

The foregoing highlights mentioned in this report added to the innumerable regular duties of the School Board have made for another busy year. The Hudson School Board feels that progress has been made toward a good education for each student while recognizing the varying needs of the individual. This progress is not possible without the sincere and thoughtful cooperation and hard work of the Superintendent of Schools and his staff.

Respectfully submitted,

Donald C. Shepard, Chairman
John A. Eagar
Ruth E. Grondin
Hudson School Board

HUDSON MEMORIAL SCHOOL PRINCIPAL'S REPORT

January 3, 1973

Mr. Peter G. Dolloff
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Dolloff:

In my recently assumed administrative role as Principal of Hudson Memorial School, I not only introduced my most capable Assistant Principal, Mr. Gerald Millett to Hudson Memorial School, its staff, and to students, but also directed my energies to the provision of an equable atmosphere for staff members and students in a naturally transitory period for all concerned. In addition to accomplishing the latter, I feel that we were able to develop as well as implement new educational programs to enhance, further, Hudson Memorial School's tradition of quality education in an era of change.

Fourth and Fifth Grade Program

One major improvement is the inception of a quarterly rotating schedule. Since each quarter provides the students with different time blocks for reading, math, art, music, physical education, and recess, the latter adjustment is welcomed by both pupil and teacher.

The acquisition of a much needed special education teacher and a non-professional aide to assist her has availed the opportunity of individualized learning to those who require it most. Imperative is that the town of Hudson during the 1973-1974 year assume the funding of the currently federally subsidized but soon to be expired Title 1 Program so that the educational needs of the respective fourth and fifth grade pupils can continue to be fulfilled.

Sixth to Eighth Grade Program

Continued educational advancement in grades six through eight is evidenced by the institution of a comprehensive Home Economics program, the inauguration of the "Alvirne-Aide" program, (where students on vacation from the Alvirne year-round program work for a half day as volunteer aides in various areas at Memorial School) and the inception of bi-weekly meetings between the Principal and members of the Student Senate to improve communications as well as to up-date the Student Guide.

Extracurricular Program

Based on providing ample opportunity to its youth for physical growth and development, Memorial School's extracurricular program has expanded. As a result of its teachers' enthusiasm, dedication, and selfless donation of their leisure time, bowling, girls' volley ball, and instructional skiing at Indian Head Ski Area in Pepperell, Massachusetts have been added to the well-diversified program. Further, an intramural soccer program will be instituted in the spring of 1973, with the anticipation of it developing into an interscholastic program by the fall of 1973. Such a varied program provides the community's ever-growing student population with the opportunity of exerting their physical energies in numerous constructive endeavors.

Future Needs

Obviously, students' future needs are contingent on an ever-changing sociological as well as educational environment. Because of the contemporary youth's quickened tempo, no doubt the result of such multi-media resources as television and newspapers, he must be provided with opportunities to be more creative and more expressive than yesterday's youth. In order to prepare for tomorrow's youth, we must answer the needs of today's youth now!

In assessing our facilities for the "contemporary" youth to express himself, we must review our physically-limited media center, the library. With an intergrated print/non-print card catalogue, the respective area offers limited facilities for individual or group listening and viewing as well as student and/or teacher made productions via slides, slide/tape, Super 8mm film, or video tape, the latter being a new, vital area, and one which must be enlarged at Memorial School. In addition to increasing its stock, the library must provide expanded facilities in which to utilize the aforementioned, highly valued stock.

With Hudson's growing student population hardly a subtlety any longer, Memorial School's staff must be proportionately increased to maintain the quality education it strives to provide. An additional fourth grade teacher for the 1973-1974 school year is imperative if we are to remain consistent with H.O. Smith's student teacher ratio: the latter has 250 pupils and ten teachers in their third grade program; Memorial School projects to have at least 257 pupils and only nine teachers. Further, in that a realistic ability grouping program in math and reading is also jeopardized by overcrowded classes, it is imminent another fourth grade teacher be hired for the 1973-74 school year.

During the ensuing year, the additional personnel needed not only to maintain but also to improve Memorial School's educational staff, are as follows:

Special Education Teacher-Local Funding
One Seventh Grade Teacher
Guidance Instructor
Art Teacher
Music Teacher
Physical Education Teacher
½ Audio Visual Director

With highly respected educational leaders Mr. Robert Bettencourt, Principal at Alvirne High School, and Mr. James Cunneen, Principal at H.O. Smith School, we at Memorial School look forward to coordinating and refining Hudson's educational curriculum so that Hudson's youth will continue to receive quality education relative to contemporary and projected educational needs.

In conclusion, I would like to express my sincere gratitude to Memorial School's excellent teaching staff. Because of their dedication to their profession, my first year in my current capacity has been a rewarding one.

I would like to thank Mrs. Louise Haiman, Mrs. Beulah Pitts, Mrs. Patricia Twichell, Mrs. Pearl Wesson, Mr. Gilbert Rollins, and Mr. Gerald Millett for their assistance. To the School Board, I would like to verbalize my appreciation for their confidence and support. Last, but hardly least, I extend my thanks to you Mr. Dolloff and the members of the central office for your guidance and support during the past year.

Respectfully submitted,

JOHN DANIELS
Principal

HUDSON MEMORIAL SCHOOL PRINCIPAL'S REPORT

December 27, 1972

Mr. Peter Dolloff
Superintendent of Schools
Hudson School District
Hudson, New Hampshire 03051

Dear Mr. Dolloff:

I do not feel that any educationally concerned resident of Hudson will ever forget the 1971-1972 academic year for it was during this year that two significant events (one positive and one negative) occurred that will be remembered for years to come.

The first was the overwhelming support the townspeople of Hudson gave in approving the Alvirne Quarter Plan, an experimental year round plan of high school education that Alvirne Principal, Chester J. Steckevecz had conceived and worked so hard to implement since 1966.

With the approval of this plan, Hudson became the first community in New Hampshire with the courage to support a plan that would improve the educational opportunities of its young people along with encouraging greater building utilization.

Naturally, the negative event to which I referred earlier was the untimely death of Chet Steckevecz who unfortunately did not live to see his dream become a reality. I can not overemphasize what his loss meant to those who knew and worked with him. More important is the loss to those who, because of his death, will never come to know him.

We at Alvirne have dedicated ourselves to seeing the renamed Steckevecz-Alvirne Quarter Plan succeed during its experimental phase (three years) and become a permanent program for other forward thinking communities to emulate.

Currently, the program is progressing well with a minimum of difficulty being experienced. However, I must emphasize that this being only the second quarter, it is much too early to evaluate the program objectively. Frankly, we feel that a minimum of two years and a maximum of three will be needed in order to adequately evaluate the program.

In conclusion, I would like to state that it is my belief that PEOPLE MAKE PROGRAMS WORK. As a result, I would like to thank those people who are working co-operatively as a team to make the Steckevecz-Quarter Program a success. "Thank yous" go to our fine student body, exceptional Alvirne faculty, efficient secretarial staff, tireless custodial crew, knowledgeable Department chairmen and co-operative guidance personnel.

Special thanks to my assistant principals, Mr. Bruce Morrison and Mr. G. Leonard Nase and to our Guidance Director/Scheduler, Mr. James Regan without whose help the job could not be done.

It goes without saying, that the program would never be a reality without the leadership, support and cooperation of the School Board and your office. For this we are all grateful. Together I am sure that we will continue to make education a meaningful experience for Hudson's youth.

Respectfully submitted,

R. J. BETTENCOURT
Principal

P.S. Enclosed is a poem entitled "The Boss" which was written in honor of Mr. Steckevecz by Mr. Robert Baines, the Alvirne High School Music Director.

THE BOSS

He was a man, He was a giant, We're at a loss for He's gone.

*Gone from the earth
After making his mark
He left an etching
On all of our hearts*

*We looked on Him with anger
We looked on Him with Love
We thrilled in his laughter
We've lost what we loved*

*Will He be forgotten?
Never! - - - I say
The Boss would never
Want it that way*

*He took pride in his school
He took pride in his teachers
He took pride in himself
As being a leader*

*He leads in death
As he led in Life
He left us with guidance
And God - - What a wife!*

*As we complete the journey
Of Life on this earth
And try to think of
Just what it's worth*

*We'll remember with fondness
The pillar of strength
And remember the lectures
He gave us at length*

*"We must get the job done
Now! - - - Don't wait
In this school 'Buster'
Just educate"*

*"Want to bet on this?
Want to bet on that?"
We learned our lesson
And He had his laugh*

*His dream in education
Had just come true
We all had a drink - - -
- - - Or maybe two!?*

*His last thoughts were of teachers
We drank last call
He wasn't any stuffed shirt
He danced around the hall*

*His dignity brought him to the table
His pride at his best
He sat at his chair
He laid his head to rest*

*His youthful body lay there
How still? - - It had never been
We panicked at the thought
A helping hand - - we could not lend*

*I never will forget
That terrible night
I never will forget
His last fling at life*

*As I sit back
And think of our loss
I'll never forget
My love for the Boss*

Bob Baines

DR. H.O. SMITH AND KIMBALL-WEBSTER SCHOOLS
Principal's Report – December 27, 1972

Mr. Peter G. Dolloff,

As I enter my first year as principal of the Smith-Webster Elementary School complex, I find that challenge and reward are the two major components of the primary principalship.

Working with youngsters in the six to nine year old age group creates an awareness among the staff and myself of the impact and importance we as educators have on children in these vital formative years.

In this report we wish to relate to you and the community what our objectives have been over the past year and how we have attempted to accomplish them.

I. CURRICULUM – At the primary level reading is a key to other curricular studies. In order to broaden the student's reading skills and abilities we have implemented the multi-basal approach to reading instruction. This concept was in the planning phase last year and did start in the Spring of 1972. We are now in full swing and teachers through participation in workshops conducted by book companies under the supervision of our reading specialist have become adept and skilled in handling the new materials. The use of this multi-basal system is one way we have of meeting the individual differences that exist in a youngster's reading profile. In essence, this system which offers a selected variety of reading texts and workbooks does not limit a student to the use of just one key basal series as his only exposure to reading in the primary grades.

II. NEW PROGRAMS – The Hudson-Litchfield Learning Disabilities Program is a new program that is currently in operation at the Smith and Webster Elementary Schools. The program aims to key in on selected youngsters with specific learning disabilities and diagnose and plan a program that will help the student succeed in his academic and social environment. The program as stated above serves Hudson and also the Griffin School in Litchfield. A team approach is the method used in dealing with each case involving a child. The team is comprised of Mrs. Gail West, Learning Disabilities Coordinator; Mrs. Genevieve Downing, Guidance Counselor; Mr. David Meltzer, Speech Therapist; Mrs. Anne Christopher, R.N.; Dr. John Slatoff, Clinical Psychologist; Mrs. Linnea Hallee, Reading Specialist; Mrs. June Valliere, Aide; Mr. Frank Kaffel, Assistant Superintendent of Schools - Hudson; Mr. William Hassey, Principal-Litchfield and Mr. James E. Cunneen, Principal-Hudson. A key person in planning and initiating this program was Mr. Joseph Giuliano, former principal of the Smith-Webster Schools. The rationale for listing all of these people is twofold. First, it gives the community an idea of the varied skilled specialists that are providing the services to these students and secondly, it helps clarify the funding aspect which is presently coming from Title I – Federal Program Funds. The salaries of only three of all of the above are funded federally these are Mrs. West, Dr. Slatoff and Mrs. Valliere.

The program is still in the planning and initial operation stages but it is the feeling of the staff and the entire team that it will prove to be an invaluable asset to the children in the public schools of Hudson and Litchfield and hopefully if funding can be increased extension of these services could be Union Wide in the near future.

III. PUBLIC RELATIONS – The parent conferences held this fall were, as in the past, an overwhelming success. Smith School had an 86% turnout, while Webster had an 81% showing. This is just another indication of how Hudson parents show an interest in the educational progress of their children.

The Christmas Program conducted by Miss Jean Pratt and staff of the two schools resulted in a banner turnout of 725 parents. The Annual Open House provided each parent the opportunity to visit their schools and interact with faculty regarding curriculum, placement of students and total programming and extended to them a real opportunity to tour the facilities and ask questions concerning the set-up of the physical plant.

IV. PRESENT AND FUTURE NEEDS – The area of need in both schools is one that should receive great emphasis. Glaring needs exist in the areas of personnel. The State Department of Education under its minimum Standards Requirements sets guidelines for ratio of students to numbers of personnel. We do not meet these guidelines in the following areas:

- A. A full-time librarian - we now have 800 students and should provide them with the services of a full-time person in the library.
- B. With a student population of 800 and two physical plants the need for a full-time assistant principal becomes a vital necessity.
- C. The area of art instruction is a strong recommendation made by the State Department of Education and at the primary level this specialist would enhance the learning environment of children in the first three grades.

In closing, I want to thank the faculty and staff of the Smith-Webster Schools for their support and dedication to the schools this past year.

I personally found my job was made much easier by receiving the assistance of Mrs. Deborah DeBelis, Mrs. H. Josephine Stout, Mrs. Genevive Downing, Mrs. Anne Christopher and Mrs. Linnea Hallee, the support and guidance of the central office and the co-operation received from school board members in all aspects of operating the school facilities.

A special note of thanks must go to Mr. Joseph Giuliano who has provided me with any assistance I have needed since taking over this position as principal.

Respectfully submitted,

JAMES E. CUNNEEN
Principal

OFFICE OF THE SCHOOL NURSE
HUDSON MEMORIAL SCHOOL

January 3, 1972

Mr. Peter Dolloff
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Dolloff,

The following is my annual report for the school year 1971-1972, at Memorial School.

Routine screening procedures were carried out including height and weight measurements, dental and hygiene exams, and visual testing on all students in grades four through eight. Follow-up notices were sent home to the parents if any defect was noted.

With parental permission, physical examinations were given to all fourth and seventh grade students, and the athletic teams. The examining physician was Luther A. March, M.D.

The Hudson School Nurses in cooperation with the New Hampshire Tuberculosis Association conducted a tuberculin screening program for all adults employed in the school system who are in contact with the students. At Memorial School, sixty-six adults received the tests.

A program on dental health was carried out for the fourth grade students through the cooperation of the N.H. State Department of Health.

The nurses' office received over 4,000 visits last year either for first-aid treatment or consultations on various health problems. The nurse works with the parents and the school staff whenever there is a health problem, helping to promote the best learning environment for all the students. My sincere appreciation goes to Mr. Daniels, the faculty, and the parents for their cooperation and assistance to complete this goal.

Respectfully submitted,

PEARL E. WESSON, R.N.
School Nurse

SCHOOL NURSE – ALVIRNE HIGH

December 29, 1972

Mr. Peter Dolloff
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Dolloff:

The following is my Annual Report as School Nurse at Alvirne High School.

There are approximately 1258 students attending Alvirne for whom I am responsible.

Students in Grade 9 and all athletes had physical examinations by Dr. Brown.

Routine screening which includes heights, weights and blood pressures were done on all students. Visual screening was done on students in Grades 9 and 11.

New Hampshire Tuberculosis and Health Association sponsors a free Tuberculin Skin Testing program which included the faculty, cafeteria workers, janitors and bus drivers.

Showing films and/or lecturing in the classroom on health problems is part of my responsibility.

Each year I show a film on Cancer to Senior girls and their mothers. This is through the cooperation of the American Cancer Society, Manchester, N.H. division.

I am the Advisor to the Future Nurses Club. This club is designed to promote interest in a medical career for Sophomores, Juniors and Seniors.

My sincere thanks to the Administration, Guidance Department and Faculty at Alvirne High School for their cooperation and support.

Respectfully submitted,

ALMA C. LANKHORST
School Nurse

**ALVIRNE HIGH SCHOOL
GUIDANCE DEPARTMENT REPORT**

January 3, 1973

Mr. Peter Dolloff
Superintendent of Schools
Hudson, New Hampshire

Dear Mr. Dolloff;

During the 1971-1972 school year, the guidance counselors at all grade levels have endeavored to meet the needs of the students.

At Dr. H. O. Smith and Webster Schools Mrs. Downing has carried on the testing program, done much work with special education, worked with a number of parents, established and held conferences with the Child Guidance Mental Health Services and worked with teachers and the administration in trying to meet the needs of individual students. The numbers of students in the Dr. H. O. Smith and Webster Schools makes it almost impossible for one person to satisfactorily resolve all the students problems.

The Memorial School program has been carried on again this year with emphasis being placed on group guidance and scheduling. The testing program has been continued with the results being used for evaluation of programs and grouping along with individual counselling. The need for additional personnel at this level is reaching a critical stage, as one person is now counselling eleven hundred and thirty-eight students.

The three counselors at the High School have been working a great deal with the development and implementation of the Steckevicz-Alvirne Plan as well as carrying out their other functions. Approximately sixty per-cent of last years seniors went on to further education while the majority of others were able to find good jobs.

The counselors at all schools wish to thank the administrations and teachers in all schools for making last year successful.

Respectfully yours,

JAMES V. REGAN
Guidance Director

HUDSON SCHOOL DISTRICT MEETING

Hudson Memorial School

March 15, 1972

Moderator swore in ballot clerks and John Baird as Assistant Moderator at 12:45. Clerks counted the ballots and they were put in stacks of 50, total 1499.

Moderator opened the meeting at 1 p.m. and read the return of the warrant. Checklist was not available at 1 p.m. but was brought in shortly thereafter. Polls were opened at 1:03 p.m.

Moderator opened the meeting at 7:30 p.m. Don Shepard made a motion to delay the meeting until 7:40. Lake Munday seconds the motion; vote was in the affirmative. Meeting was called to order at 7:40, invocation was by Father Dumas, and Warren Howe led the pledge of allegiance. Moderator called the roll, everyone present except Ralph Soney. Rules of the meeting were read by the moderator. A letter was read from the Budget Committee, Articles 6, 7, 12, and 13 were submitted with recommendation; Articles 8 and 9 were submitted without recommendation; Articles 10, 15 and 16 disapproved; Article 14 no action; and Article 11 submitted with recommendation of \$1,140.00.

Leonard Leach to speak, recommends rearranging the articles to read 13, 12, 9, 6, 7, 8, 11 and 14. Lake Munday seconds the motion. William Shepard asks for 2/3 vote. The motion was put to the floor, the vote was in the affirmative, and the motion was carried.

Warren Howe rose to speak asking to let Chester Steckevecz, Principal of Alvirne, attend the meeting. There was no discussion. The house agreed to let Mr. Steckevecz stay.

Article 13: Don Shepard moves the adoption, Warren Howe seconds, Leonard Leach rose to offer an amendment to Article 13, "to delete everything after School". Ken Clark seconds the motion. The amendment was opened for discussion. Several people were recognized to speak for and against the amendment. A long discussion followed. The amendment was put to the floor for voice vote, the vote was in the affirmative and the amendment is carried. Article 13 as amended: To see if the District will vote to raise and appropriate the sum of \$75,000 for the purpose of putting air conditioning in Alvirne High School.

Article 13 as amended was put to the floor for discussion. A long and lengthy discussion period followed with several people speaking for and against. Mr. Bednar was recognized and spoke at great length against air conditioning.

Article 13 as amended was put to the floor for vote. Secret ballot was requested. Total vote 451, yes 304; no 147, Article 13 as amended was adopted.

Checklist showed a total of 449. Lake Munday questioned if the vote was legal, because of the difference in the total count. Moderator ruled the article passed.

Richard Dolbec made a motion to leave the polls open until the meeting adjourned, Lake Munday seconds the motion. The motion was put to the floor for voice vote, the vote was in the affirmative, motion is carried. Polls will remain open until the close of the meeting.

Article 12, Edwin Steckevecz moves the adoption, Richard Dolbec seconds the motion. Leonard Leach recognized to speak and offers an amendment: delete "authorize" and add "Direct", after 12 add "and", after purpose add "This program to become effective in the 72-73 School year". Mr. Guill seconds the motion. A long discussion period followed. Ken Clark, for the record, the School District does not control the Class room; the School Board does. Ken Clark moves the adoption, George Arris seconds. The amendment was put to the floor for voice vote. Vote was

in the affirmative, amendment carried. Article 12 as amended was put to the floor. John Bednar questioned Don Shepard and then spoke at greath length against the article. A long question and answer period followed. A motion was made to let Mr. Steckevez speak or answer questions. Mr. Bednar rose to say that it was illegal. Leonard Leach rose and spoke in favor since Mr. Steckevez in a round about way is a resident of this community since he has been at Alvirne for many years. The motion was put to the floor and the house approved the motion. Mr. Bednar moves for secret ballot. A good many residents voiced their disapproval of the motion. Five people rose to support the motion. Total vote 417, yes 343; no 74, total vote by checklist 418.

Article 12 as amended is adopted.

Article 9, Leonard Leach rose to make a motion to postpone indefinitely, Lake Munday seconds the motion, Don Shepard recognized to speak on the merits of the article. Leach withdraws the motion, Munday withdraws the second. Don Shepard moves for the adoption, George Arris seconds the motion. Leach moves the postponement of the Article indefinitely, Munday seconds the motion. Ken Clark suggests that the moderator rule the motion out of order. Moderator rules to allow the motion in order. Several people were recognized to speak for and against the Article. Leach withdraws his motion, Munday withdraws the second. Don Shepard offers an amendment to Article 9: delete "\$43,000" and add "\$32,000". Warren Howe seconds the motion. Article 9 as amended was put to the floor. Dolbec asks for division vote, Clark seconds the motion. Yes 226, no 30. Article 9 as amended is adopted.

Richard Dolbec makes a motion to reconsider Articles 13, 12 and 9, Mr. Grondin seconds the motion, motion put to the floor and was defeated.

Mr. Grondin moves for adjournment until March 22 at 7:30. Dolbec seconds the motion. Motion put to the floor vote was in the affirmative, meeting adjourned at 12:20 a.m. Total votes cast 675.

HUDSON SCHOOL DISTRICT MEETING

March 22, 1972

Moderator called the meeting to order at 7:30. Checklist was not available at the opening of the meeting. Moderator read the articles that were passed in last week's meeting.

Article 6: Leonard Leach moves the adoption, Don Shepard seconds the motion. Mr. Shepard was recognized to speak on the article. Article 6 was put to the floor for voice vote, the vote was in the affirmative. Article 6 was adopted.

Article 7: Don Shepard moves the adoption, Leonard Leach seconds. Don Shepard recognized to speak in favor of article 7. The article was put to the floor for vote, the vote was in the affirmative, Article 7 adopted.

Article 8: Ken Clark moves the adoption, McMann seconds. McMann recognized to speak on the article and offered an amendment: add "and to direct the school board to have aid resurfacing completed no later than September 1, 1972", Ken Clark seconds. The amendment was put to the floor, and the vote was in the affirmative, amendment adopted. Article 8 as amended was put to the floor for voice vote, vote was in the affirmative, Article 8 as amended is adopted.

Article 11: Don Shepard moves the adoption, Ken Clark seconds. Lake Munday recognized to speak and offers an amendment to strike out all of Article 11 and add "To see if the School District will elect to approve of the inclusion of its officers and custodial employees in a retirement system of their choice, to be effective July 1, 1972 and to see what sum of money the district will vote to raise and appropriate for this purpose". McMann seconds, Munday spoke at great length on the merits of the amendment. Amendment put to the floor for voice vote, vote in the affirmative, amendment carried. Article 11 as amended put to the floor for discussion, a short discussion period followed. Article 11 as amended put to the floor for voice vote, vote in the affirmative. Article 11 as amended is adopted.

Article 14: Mr. Clark recognized to speak, moves to adopt the budget in the amount of \$2,640,049.00. Leach seconds the motion. Article 14 put to the floor for voice vote, vote in the affirmative. Article 14 adopted.

Dolbec moves for adjournment, Clark seconds, house approves. Meeting adjourned at 8:45.

SCHOOL WARRANT

March 16, 1973

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District of Hudson, New Hampshire qualified to vote in District affairs.

You are hereby notified to meet at the Memorial School in said District on the 16th day of March, 1973 at one o'clock in the afternoon to vote for officers and Articles, 1, 2, 3, 4 and 5. Polls will be open from 1 p.m. to 9 p.m. Action on remaining articles will begin at 7:30 p.m.

- Article 1. To choose a Moderator for the ensuing year.
- Article 2. To choose a Clerk for the ensuing year.
- Article 3. To choose a Member of the School Board for the ensuing three years.
- Article 4. To choose a Treasurer for the ensuing year.
- Article 5. To see if the District will vote to authorize the design, construction and equipping of a new elementary school; to appropriate the sum of \$1,242,984.00, or any other amount, for said purpose; to raise said appropriation by the issuance of bonds or notes pursuant to the Municipal Finance Act, as amended; and to authorize the School Board to apply for and accept any federal or state aid which might be available for said project. The sum appropriated is in addition to any such state or federal funds made available therefor and in addition to any bond proceeds investment interest.
- Article 6. By Petition of – Anne M. Fornash, Bernard W. Marks, John B. Robinson, and others; To see if the School District will vote to change the bussing law to read: "Bus all children living one (1) mile or more from the school." The cost of such a change not to exceed \$12,060 per year.
- Article 7. By Petition of – George A. Boucher, Raymond E. Breton, Patricia A. Breton, and others; To see if the School District will vote to require each student, at the High School level (Grades 9 thru 12), using the School District Bus Service, to pay the sum of \$1.00 per week for use of said buss service while attending school, with credit being allowed for the days the student is not in attendance at school or the bus is not used by the student.

Article 8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the School District and agents and for the payment of statutory obligations of the District.

Article 9. By Petition of – James F. Smith, Evelyn M. Smith, Cecile B. Levesque, and others; To see if the School District will vote to require the School Board to submit in article form all new positions listed in the budget, capital expenditures in excess of \$3,000.00 and pay increases for personnel listed in the School District Budget, this procedure to remain in effect until rescinded by a vote of the School District at a future School District meeting.

Article 10. By Petition of – James F. Smith, Evelyn M. Smith, Edward Levesque, and others; To see if the School District will vote to COMBINE the SCHOOL ELECTIONS with the TOWN ELECTIONS (not the School District meeting) pursuant to RSA 197:1, 1-a thru RSA 197:1-g.

Article 11. By Petition of – William J. McMahon, Ray C. Carter, John M. Bednar, and others; To see if the School District will vote to require the School Board to get approval from the Annual School District voters of any contract negotiated with the Teachers' Representatives as it pertains monies to be expended by the School District in any Budget year; this to be submitted in Article Form in the School District Warrant.

Article 12. To see if the District will vote to authorize the School Board to negotiate a High School tuition contract with Litchfield for five years beginning in September, 1973. Litchfield to pay, as tuition, the State average cost per pupil or Hudson's average cost per pupil, whichever is the greater; plus \$75.00 per pupil: plus 2% of the State average cost per pupil as determined by the State Department of Education for the proceeding school year.

Given under our hands at said Hudson, New Hampshire this day of 1973.

CHESTER J. STECKEVICZ

Once in a lifetime
You meet a man
With a dream in his eyes
With a plan in his brain
And life in his body
And love in his heart,
A man who dares.
We knew that man.
He inspired us by his example
To be better people,
People like him.
With his love he helped us
Taught us to help others
Created a chain of compassion
Linked by strength, foresight, hard work-
The building blocks of man.
His spirit still guides us,
Inspires us.
Through us his light shall guide others
To good.

a teacher.

On June 10, 1972 the area was saddened by news of the sudden death of Chester J. Steckevecz, principal of Alvirne High School and long-time resident of Hudson. The deep committment this man showed to the youth of Hudson by his understanding of and dedication to their needs will be missed by the entire town. It is with deep gratitude that we dedicate this page to Chester Steckevecz.

Chester J. Steckevecz was born October 16, 1923, the son of Alphonse Steckevecica and the late Eleanor Wollen Steckevecz. He graduated from Nashua High School in 1941 and was married to Stephanie Kurta in 1945. Their one son, Steven Paul Steckevecz, presently teaches science at Salem High School in Salem, N.H.

Steckevecz served 34 months with the Army Air Force during WW II. Nineteen months of that were with the 138th Army Air Force Base Unit at Baffin Island, Canada, where he trained dogs for search and rescue work.

He received his Bachelor of Arts degree from St. Anselm's College in 1953 and his Master of Education degree from Riviere College in 1959. He did his cadet teaching at Alvirne in 1952; taught at Pembroke Academy in Pembroke, N.H. from Sept., 1952 to June, 1953; taught at Merrimack High School in Merrimack, N.H. from Sept., 1953 to June, 1957; and was vice principal at Merrimack High School from Sept., 1956 to June, 1957; at which time he left Merrimack to become the principal of Alvirne High School.

During his fifteen years as Alvirne principal he not only improved every area of the Alvirne curriculum and plant, but also was active and influential in local, state, and national educational work. His activities included the following: membership in the National Association of Secondary School Principals; membership in the New Hampshire Association of Secondary School Principals (president, 1964); membership in the Council of New England Secondary School Principals Association, Inc.; membership in the New England Association of Colleges and Secondary Schools; work on numerous evaluation and accreditation committees of the N.E.A.C.S.S., including chairing the committees for Monadnock Regional High School in Swanzey, N.H., Oyster River High School in Durham, N.H., Marshfield High School in Eliot, Maine, and Plainfield High School in Plainfield, Conn.; membership in the N.H. Interscholastic Athletic Association; chairing the 26th Annual New England Interscholastic Cross Country Championship Run; development of a comprehensive plan for the renovation of Hill House and the establishment there of a cultural and instructional media center (1965); membership and chairing of the Area Four Principals Association; conducting a seminar at the Joint Administrator's Conference at North Conway, N.H. (1966); conducting of a seminar for Student Teachers at Keene State College (1967); and most recently, the development of the innovative Steckevicz-Alvirne Quarterly Plan of Year-round Education.
