INDUSTRIAL REPRESENTATIVE
Paul L. deRochemont
SELECTMEN'S LETTER

We have not schedule an informative meeting yet on the proposed refinery in Durham because there obviously is very little precise information available. If and when Olympic can discuss detailed plans, we will schedule an informal hearing so that you may judge for yourselves the possible impact on Newington.

We are of course concerned that we represent the majority opinion of the townspeople in any discussions concerning the proposed refinery. Therefore we are including two questions on the ballot for your consideration on March 5th.

We have placed these questions on the ballot rather than as a warrant article because we feel that we will get a better indication of the town's feelings with a secret vote.

We have signed a contract with the engineering firm of Whitman & Howard, Inc. to conduct the survey of our sewer system requirements as authorized by the town at the special town meeting last August. The survey should be completed by this summer.

In the warrant are three articles to authorize the expenditure of Revenue Sharing Funds for a new police cruiser, a fire department utility truck and a tax map. The Revenue Sharing Funds must be spent this year and these three necessary expenditures seem to be appropriate items for which to spend the money.

We have accepted with sincere regrets the resignation of Fire Chief William J. Young. Chief Young is one of the few remaining charter members of the original Newington Fire Department, and has been Chief since the town assumed responsibility for the Department in 1957.
Under his guidance the Department has grown to be one of the best small town departments in the country, due in large part to his time, effort and devotion to duty.

It is a simple fact that he will be a hard man to replace.

Respectfully submitted,
PAUL L. deROCHEMONT,
Chairman
SYDNEY H. FRINK
FREDERICK H. SMITH, Jr.
Board of Selectmen

Respectfully submitted,
LEAVITT E. MOULTON
Treasurer
The continued active growth in the town’s industrial and commercial zones during 1973 has occupied much of the Planning Board’s time. High land values and interest rates on home mortgages have contributed to the slower pressure to develop residential areas.

Commercial enterprises that have been completed this past year include: the Montgomery Ward store located in the Newington Plaza, the Isaac Dow Restaurant on Beane Hill, and the Asphalt and Separation Plant at Atlantic Terminal Sales Corp.

Enterprises still in progress include the remaining parcels of the Newington Plaza and the Montgomery Ward warehouse on Patterson Lane.

Work has been started on Newington Park, located on the former Louis deRochemont property on the Dover Point Road. A multi-purpose building is under construction there at present.

In the past year the Planning Board has also spent considerable time updating the town’s zoning regulations, which have been in effect for over twenty years and have served as useful guidelines. As a result of this work, the updated Zoning Regulations will be compatible with recently passed state statutes and will be easier to (find and) read. After final editing, the required public hearings will be held, and then these proposed regulations will be duly submitted at a town meeting for acceptance.

The townspeople, by attending Planning Board meetings and special hearings, have shown an active interest in the Town’s zoning regulations. The Board is grateful for such interest, and all expressions of approval or disap-
proval have been carefully considered in the Board's actions. The Board will continue to regard the townspeople's wishes in accordance with the zoning regulations; and whatever future issues regarding commercial or industrial expansion, or any form of land development that may come up, the Planning Board will openly discuss with all concerned townspeople.

Respectfully submitted
ROBERT H. LAMSON
Chairman

The Town books have been audited by the firm of I.R. Lebel, C.P.A., 54 Court Street, Portsmouth, New Hampshire.

The independent Auditors report will be available under separate cover for 1973.
LANGDON PUBLIC LIBRARY REPORT

Langdon Library Hours

Winter: Monday, Wednesday, Saturday—1-6 P.M.; Monday, Wednesday, 9 a.m.-Noon.

Summer: Monday, Wednesday, Saturday—1-5 P.M.; Wednesday Evening—6-9 p.m.

Another year has come and gone, this being the eighty-first year of library service to our townspeople.

Our thanks to all groups and organizations that took great effort to display their many interests. We try to have a new display each month throughout the year.

This year 488 books were accessioned and of these 184 copies are contained in replacement sets of juvenile books in series.

The economic squeeze is having an affect on the Federal and State Library budgets. Consequently, Newington Library had just three visits from the Exeter Bookmobile and borrowed 1000 books. Our librarian sent directly to the State Library for 104 titles of special interest that were requested by patrons.

A new projector was purchased, replacing the one that has been in use about twenty years. The projector is put to very good use, especially in the school programs which are held Monday and Wednesday mornings.

Mr. and Mrs. Paul Kent and Girls donated the two volume set, "They Came to Fish," in memory of Joyce Kent.

Useful books, pamphlets, papers, paperbacks, record-
ings and magazines were donated by the following: Doris Beane, Roger Booth, Dorothy Brooks, Althea Duffy, Nellie Garland, Louise Henley, Lena Kaddy, Ida Lazzara, Alice Marden, John Mazeau, Earl Mott, Barbara Myers, George Newick, Newington Historical Society, Newington Neighbor, Mr. and Mrs. Wesley Packard, Gerald Philbrick, Walter Pickering, Gayna Thomas, Helen Varrell, Gretchen Volz and George Wallace.

Again many thanks to Warren Witham for his work and the very nice floral display in our urn.

As ever, we want to praise our librarian for her many efforts and work well done. Please visit your library often. Your librarian is more than willing to assist you.

Respectfully submitted,

BARBARA MYERS

THE OLD PARSONAGE

This year has seen many changes in the physical appearance of the interior of the Old Parsonage. Thanks to generous contributions from Miss Catherine Little and the Piscataqua Pioneers, the parlor and dining room were repainted, and work was begun on the west chamber. Redecorating authentically was accomplished under the guidance of Mrs. Edward Wood of Hampton who helped the Historical Society obtain expert advice for the project. When completely redecorated, the west chamber will become a child's bedroom, and the Historical Society is now seeking more old children's toys for this room. Any toys before World War II will be acceptable. Particularly wanted are a rocking horse, doll house, and wooden sled with fixed runners.

In July, when the Piscataqua Pioneers held their meeting in Newington, a special program of early American handicrafts was enjoyed by many of the visitors. Of particular interest was the weaving of rope springs in the old bed which Earl Mott directed.

Contributions to the Parsonage collection this year have included a mantel clock from Mrs. Helen Varrell, and a feather mattress from Harold and Lydia Frink.

BARBARA M. MYERS
# FINANCIAL REPORT FOR YEAR ENDING DECEMBER 31, 1973

## ASSETS
- Cash in hands of Treasurer December 31, 1973: $159,946.00
- Restricted Cash: 32,367.00

NEWINGTON TOWN WARRANT
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington in the County of Rockingham and said state qualified to vote in town affairs:

You are hereby notified to meet at the Newington Civic Center in Said Town on Tuesday the Fifth Day of March Next, 1974, to act upon Articles 1 and 2.

(The polls will be open at Ten O'Clock A.M. and unless extended by vote at the meeting will close at Six O'Clock P.M. The Town Meeting will resume at 7:30 P.M. to act on ensuing articles.)

Article 1. To choose in the manner provided by law one selectman for a term of 3 years; one Trustee of Trust Funds for a term of 3 years; one Library Trustee for a term of 3 years; one member of Cemetery Committee for a term of 3 years; three members of the Budget Committee for terms of 3 years each; one member Board of Fire Engineers for 1 year; a Supt. of Cemetery, Town Clerk, Collector of Taxes, Town Treasurer, Highway Agent, Measurers of Wood, Surveyors of Lumber, Fence Viewers, Pound Keeper and all other necessary Town Officials for the ensuing year, and to vote on three questions relative to oil refineries and associated facilities.

Article 2. To choose delegates to the Constitutional Convention.

Article 3. To see if the Town will vote to leave the care and maintenance of town lands and buildings to the selectmen.

Article 4. To see if the Town will vote to authorize the selectmen to administer or dispose of any real estate
acquired or to be acquired by the town through tax collector’s deeds.

Article 5. To see if the Town will vote to authorize the selectmen to hire money on the credit of the town in anticipation of taxes at a rate not to exceed the current bank rate.

Article 6. To see if the Town will vote to permit the sale of partial cemetery lots in increments of one quarter lot.

Article 7. To see if the Town will vote to increase the price of full-sized cemetery lots to $300, which sum will be paid to a general trust fund for perpetual care of the cemetery.

Article 8. To see if the Town will vote to establish a Buildings Needs Committee; for the purpose of conducting a detailed study of the projected needs of municipal buildings for the Town and preparing a report of their findings as to types, locations, and priorities. Such study to include, but not necessarily be limited to, the needs of Fire Dept., Police Dept., Town Offices, Meeting Halls, Recreation, Schools and Public Works. Such Committee to be appointed by the Board of Selectmen and to be composed of one member of each of the following Boards, Departments and Committees and one additional member selected at large.

Board of Selectmen
Planning Board
School Board
Budget Committee
Article 9. To see if the Town will vote to accept from Combustion Engineering Inc., a deed to the road 75' in width and the appurtenances thereof which leads from the premises of Combustion Engineering, Inc. to Dover Road, provided that the said road meets the specifications required by the Board of Selectmen.

Article 10. SECTION 1) To see if the Town will enact an ordinance to limit the use of Airport Road to two axle vehicles only with a maximum load limit of 10,000 lbs.

SECTION 2) Whoever violates any provision of this ordinance, shall, upon conviction thereof, pay a fine of not more than $50.00.

SECTION 3) This ordinance shall be effective upon its passage.

Article 11. SECTION 1) To see if the Town will enact an ordinance to limit the use of McIntyre Road to two axle vehicles only with a maximum load limit of 10,000 lbs.

SECTION 2) Whoever violates any provision of this ordinance, shall, upon conviction thereof, pay a fine of not more than $50.00.

SECTION 3) This ordinance shall be effective upon its passage.

Article 12. To see if the Town will vote to have the Town Office of Building Inspector appointed by the Board of Selectmen in place of the present system of an elective office.

Article 13. To see if the Town will vote to designate the following areas as Historic Districts:

(a) Route 151 from the Air Base line to all four corners of the intersection at the Civic Center, including all town-owned land.

(b) The Little Bay Road from the intersection of Route 151 to McIntyre Road.
(c) The Old Post Road from the intersection of Route 151 to the Fox Point Road.

The foregoing in accordance with recommendations of the Newington Conservation Commission, the Regional Planning Commission, and within the provisions of Chapter 31 of the New Hampshire Revised Statutes Annotated, the purpose of which is stated as "The preservation of structures and places of historic and architectural value is hereby declared to be a public purpose. The heritage of the municipality which reflects elements of its cultural, social, economic, political and architectural history; (b) conserving property values in such districts; (c) fostering civic beauty; (d) strengthening the local economy; (e) promoting the use of an historic district for the education, pleasure and welfare of the citizens of the municipality."

Article 14. To see if the Town will vote to adopt the following ordinance:
AN ORDINANCE PROHIBITING UNNECESSARY AND EXCESSIVE NOISE IN THE OPERATION OF MOTOR VEHICLES.

SECTION 1) No person shall operate a motor vehicle on the public streets or any other public place in the Town of Newington so that the said vehicle makes an unnecessary and excessively loud noise, including but not limited to such noises as:
   a) The squealing of tires by too rapid acceleration of the vehicle, commonly referred to as "peeling rubber";
   b) By use of horns and other warning devices;
   c) The defective or altered condition of the engine system and other moving parts.
SECTION 2) Whoever violates any provision of this ordinance, shall, upon conviction thereof, pay a fine of not more than $25.00.
SECTION 3) This ordinance shall be effective upon its passage.
Article 15. To see if the Town will vote to allow the Selectmen to appoint a Bicentennial Committee to plan for the upcoming national Bicentennial celebration.

Article 16. To see if the Town will vote to limit each household to six cubic yards of gravel from the town pit per year.

REVENUE SHARING ARTICLES

Article 17. To see if the Town will vote to appropriate $5,500. for a Police Cruiser and authorize the withdrawal of the amount requested for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Article 18. To see if the Town will vote to appropriate $7,000. for a Fire Department Utility Truck and authorize the withdrawal of the amount requested for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Article 19. To see if the Town will vote to appropriate $17,000. for a Tax Map and authorize the withdrawal of the amount requested for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Article 20. To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate for all town expenditures in the year ensuing as included in the budget.

Article 21. To hear the report of the Town Clerk on the election of Town Officers.
Given under our hands and seal this 18th day of February in the Year of Our Lord One Thousand Nine Hundred and Seventy-four.

Paul L. deRochemont, Chairman
Sydney H. Frink
Frederick H. Smith, Jr.
Board of Selectmen

We hereby certify that on this 18th day of February, 1974 we posted a true and attested copy of the within warrant at the place of meeting within specified and a like copy at the Meeting House, a public place in the Town, and delivered the original to the Town Clerk.

Paul L. deRochemont, Chairman
Sydney H. Frink
Frederick H. Smith, Jr.
Board of Selectmen

A true Copy of Warrant, ATTEST:

Paul L. deRochemont, Chairman
Sydney H. Frink
Frederick H. Smith, Jr.
Board of Selectmen

POLICE DEPARTMENT REPORT

The past year has been one of the busiest ever for the Police Department as it received 367 complaints or calls for police services, as compared to 122 in 1972. Investigations by the department's officers included 92 criminal offenses, 15 missing persons and two animal bites. There were 31 criminal arrests made during 1973, as compared to 6 in 1972.

In the area of highway safety, efforts of our officers resulted in 27 arrests for motor vehicle violations and in the issuance of 158 summonses, 308 warnings and 133 defective equipment tags. Officers assisted 132 motorists while on routine patrol and rendered assistance to other law enforcement agencies on 129 occasions. During the year, no fatal accidents were recorded; however, 70 property damage and 7 personal injury accidents were investigated.

Police activities resulted in 216 cases being brought before the Portsmouth District Court for both criminal and motor vehicle offenses.

The department's prevention and service program resulted in 13 residences being checked while the owners were away and 80 business establishments or town buildings had unlocked doors and windows secured by officers on patrol. The department responded to 12 fire alarms, conducted 20 escorts and assisted in 12 ambulance calls. There were 43 burglar alarms recorded by officers.

With the increased activity within both the commercial and the residential areas of our town, the department would like to take this opportunity to remind all residents that the Police Telephone (436-7033) is manned 24 hours
a day at the Rockingham County Dispatch Center in Exeter, and officers available to render any necessary assistance.

A note of special recognition is due Bobby Knox for the professional alterations that were made in the Old Town Hall for the recently completed Police Office which has provided the department with a much needed home. And finally, the department expresses its appreciation to the residents of the town who have again unselfishly assisted officers in the mutual goal of providing a safe and enjoyable community for all.

Respectfully submitted,
JOSEPH C. NAVELSKI
Chief of Police
BUILDING INSPECTOR REPORT

There were a total of 40 permits issued during the year 1973.

There were several new homes constructed, and also remodeling.

Construction was started on the Newington Shopping Plaza with the Montgomery Ward & Co. building being completed and occupied. The sewage treatment plant for the Plaza is scheduled to go into operation this spring.

Work was begun on the Industrial Park, also a warehouse for Montgomery Ward & Co.

The estimated cost of total construction in the town as per letters of application was $4,546,960.00.

Respectfully submitted
STILLMAN A. PACKARD
Building Inspector
DOG OFFICER REPORT

This year we received a total of 33 calls for investigation by this office. Fourteen dogs were returned to owners or were found new homes. However, unfortunately, nine of these dogs were disposed of in the most humane way possible. Five animals were killed by automobiles. We urge all animal owners to know where their pets are at all times—you owe this kindness to your pet. We also received several complaints of dogs knocking over rubbish barrels or otherwise being a general nuisance.

All dogs three months of age or over must be vaccinated and proof of this shown to Town Clerk Doris Beane before she issues the license. I'd like to take this opportunity to thank The Eames Animal Medical Clinic for their continued cooperation, Police Chief Joseph Navelski for his help, and my wife Lena who took over my duties while I was hospitalized.

Respectfully submitted,
ERNEST R. KADDY
Dog Officer
VOLUNTEER FIRE DEPARTMENT

For many years I have been submitting this annual report to you, the inhabitants of the Town of Newington and it has always been submitted with a great deal of pleasure. This year it is with a somewhat heavy heart that I draft this material, for by the time this is at the printers you will all know that I have submitted my resignation as your fire chief. This was done only after a great deal of soul searching on my part, but due to increased pressures at work and personal responsibilities I fully believe that it is in the best interests of the town and my family that I step aside.

I want to take this opportunity of expressing my sincere appreciation to all for your complete cooperation in making our volunteer fire department one of the finest in the country and for maintaining such a high standard of fire prevention tactics. I hope and pray that you will all carry on in the future, as you have done in the past so that we here in Newington may have a fire-free community.

The fire department has received approximately 35 calls during the year, most of which were for minor grass fires, washing down gasoline after accidents, etc. We also were called upon under the mutual aid program to assist Portsmouth, Durham and Somersworth. Our boat was in use again to aid in emergency calls and our ambulance received a total of 54 calls. We should all be extremely proud of the way our Medical Officer, Dr. Lennie Eames and his capable crew carry out their responsibilities—indeed, we should all be extremely proud and grateful to the entire volunteer fire department personnel for their continued efficiency and devotion to their duties.

We have a fire department to be proud of—it is one of
the finest in the state—in my opinion, in the entire country.

My thanks to one and all for the help and cooperation you have extended down through the years—it has given me great pleasure and personal satisfaction to serve as your fire chief.

Respectfully submitted,
WILLIAM J. YOUNG
Fire Chief
NEWINGTON CEMETERY COMMITTEE

The annual meeting of the Newington Cemetery Committee was held on Monday, January 7, 1974, at 7:30 p.m. in the Civic Center. The committee met again on January 12th.

All members were present at both meetings except Mr. Kaddy.

The 1974 budget, presented by Mr. Robert A. Olson, Jr., the new Superintendent of Cemetery, was discussed in detail and accepted as read.

One item of mention in the budget was an additional mowing of the cemetery. In previous years, there have been three mowings—at Memorial Day, Fourth of July, and Labor Day. However, due to the number of complaints from both local residents and those from out of town, the committee felt another cutting was necessary. It was voted to include the fourth mowing if summer conditions so warranted.

Considerable thought was given to the increase in the cost of lots, especially since the new section of the cemetery is now in use. Tied in with this item was the cost of perpetual care and whether or not it was feasible to include this in the original price of the lot. It was voted to see if the selectmen would contact the Town Attorney to determine a realistic figure for the lots, with the possibility of including perpetual care in this amount.

In a vote of appreciation, we wish to commend Mr. Leavitt E. Moulton for his long years in office as Superintendent of Cemetery. He served in that capacity with an unusual sense of responsibility, initiative and dedication to the town. His mapping project of the entire cemetery, taking several years for completion, is a valuable docu-
mentation for our Newington records. We regret his leaving and shall miss his guidance.

The new superintendent, Mr. Robert Olson, comes to us with strong recommendations and a desire to serve. To him we extend our welcome.

DONALD E. BEALS,
Chairman
DOROTHY M. WATSON, Sec.
ERNEST R. KADDY
Cemetery Committee
PORTSMOUTH DISTRICT
NURSING ASSOCIATION

The Portsmouth District Nursing Association serves the communities of Newington, Portsmouth, Rye, New Castle, and Greenland.

During 1973 the Portsmouth District Nursing Association made all of its services available to the citizens of Newington. The prevention of health problems and crises receive much concern and require early detection of problems and complete follow-up. The Portsmouth District Nursing Association provides this service through prenatal classes, Child-Health maintenance programs, Family Planning Clinics, Elderly Health Supervision, vision-hearing screening of children, immunization clinics and home visits to individuals to assess and plan for needed health care.

Care of the sick and disabled in their homes requires skilled nurses with sound educational background in public health. The District Nurses who give care in the home made 75 visits to Newington people during 1973, an increase of 51 over last year. Health prevention visits totalled 14.

Mrs. Richard Dill has taken the place of Mrs. Stillman Packard, Sr., as town representative. Each of the surrounding towns covered by this service is represented by two members.

Anyone wishing to avail themselves of the service should call Portsmouth District Nursing Association at 436-0815.

Respectfully submitted
Mrs. ROBERT S. LAMSON
Town Representative

45
CONSERVATION COMMISSION REPORT

Surveys and title search by the Moulton Engineering Company of all Town-owned lands and public landings are expected to be completed by the time of Town Meeting.

Also included as an added Conservation Commission project was a survey of the Newington-Greenland town line, which up to now has been vaguely marked by chiseled letters in a few boulders. The new meets and bounds of the town line and all publicly-owned lands where title search and surveys have been completed are now marked with concrete posts.

The first project to be completed was the Old Town Forest, considered by State Forestry officials to be the oldest town forest in the nation. This consists of two parcels—the older one being the property west of the Old Town Hall, the Library, and that surrounding the cemetery down Sam Rowe's Hill to the intersection of the Bay Road and the track that leads up over the hill south of the cemetery. The other parcel is east of the Town Parade and includes the newer forest north of the Old Parsonage and the land on which the Old Parsonage is located.

A second plot, usually referred to as the "Flynn Pit" parcel, has been surveyed with all markers installed. Hopefully, someone in town, or the Historic Commission, can come up with a suitable name for this parcel for submission to the Planning Board.

Additionally, a small plot in South Newington, which was acquired for recreational purposes, has been properly marked.
Surveys of the town landings at the foot of Patterson Lane on the river front and a plot on the Newington side of the Gosling Road, also on the waterfront, remain to be completed.

A third public landing, at the foot of Carter's Lane, has been fenced off by the adjacent land-owner, with signs erected claiming it as private property. Title of the rock peninsula and the approaches thereto remain to be resolved. Also, several large pines within the lane have been cut by another abutter.

ADMINISTRATORS' REPORT
Supervisory Union No. 52

We would like to take this opportunity to welcome Newington to Supervisory Union No. 52. Portsmouth has long received Newington students at the secondary level and welcomes the opportunity to work with the Newington School Board and community. The high quality of the current educational program serves as an impressive testimony to the dedication of the Newington Board of Education and the continuing commitment and concern of the Newington residents toward their young people.

The present staff, with their respective assignments, are listed below:

Richard Michaels, Principal/Teacher
Susan Long, Kindergarten
Heather Charles, Grades I & II
Nancy Beebe, K, I & II
Elizabeth Vezeau, Grades III & IV
Alexis Pabst, Grades V & VI
Gail Moore, Art (part-time)
Barbara Lawton, Music (part-time)
Marcia Labbe, Nurse (part-time)
John McKernan, Physical Education (part-time)
Lesley Myers, Speech Therapist (part-time)
Mary Flannery, Title I Aide
John Lorenzini, Custodian
Lorraine Cole, Cafeteria
Betty Snively, Cafeteria

The tuition rates for 1974-75 for the Portsmouth Area Senior High School, as approved by the State Department of Education are:

Estimated Per Pupil Cost for 1974-75 $1,153.
Rental Charge 61.

Administrators regret the necessity of adjusting the 1973-74 school calendar and resulting inconveniences
for students, staff, and citizens alike. Changes have been made in line with specific requests from the New Hampshire State Board of Education and are designed to help alleviate the worsening conditions of the current energy crisis.

Newington citizens should be aware that Supervisory Union Officers are theirs also, and should feel free to contact this office for questions or problems of the Union.

James J. Cusick  John P. Ball
Superintendent of Schools  Assistant Superintendent

David A. Hamilton  Joseph A. Bove
Assistant Superintendent  Business Administrator
PRINCIPAL'S REPORT
Newington Elementary School

To the School Board and the Citizens of Newington:

The curriculum of the elementary school continued to expand and be refined during the past year. In the area of additional services, instrumental lessons, a more concentrated physical education program, nutritional services and a learning disabilities program were incorporated into the curriculum. Several related activities were also initiated and developed.

With the assistance of a State Department consultant and representatives from various educational publishing companies, the staff reviewed and evaluated materials for math and science. Two new courses of study were selected and are now being used in the school. The science program chosen allows students to participate more actively in experimental procedures, and the math program was selected because it offers a well-balanced course of study without any pronounced emphasis on reading skills. Learning centers, with materials and teacher directions at each, have been set up in every classroom. This approach provides the student with choices of activities in reading, math, science, and other areas and helps to create an atmosphere of independence in decision making on the part of the child.

On October 1, the first meal in the hot lunch program was served. Under the capable direction of Mrs. Lorraine Cole and Mrs. Betty Snively, the operation needs approximately ninety-five percent of the student body each week. Many people played a part in the planning and development of this undertaking which is a credit to the community and thus far has proven highly successful.

Three existing programs—music, physical education,
and health and nursing services—were enlarged upon with the school year 1973-74. With the consent of the School Board, space was made available in the school for instrumental lessons to be given in grades 3-6 on a voluntary basis. Over twelve children participated in the program the first year and many have continued into the second year. Physical education twice a week under the supervision of a special instructor was begun for all children. Activities include supervised informal games to improve social relationships, and individualized exercises designed to contribute to both physical and mental health.

This year in the area of health services, the school nurse besides administering her usual duties, also instructed the intermediate grades on the problems of drug and alcohol abuse. This was most effective as it involved not only discussions but the participation of guests who were well acquainted with the subjects.

In cooperation with the Portsmouth School District and Title I of the State Department of Education, we were able to use federal funds to assist us in bringing additional instruction to several students on a one-to-one basis. The program provides special help for those children whose performance in school is hindered by various learning disabilities. The progress of the children who have been part of this program indicates how valuable an asset it is to the school.

In extra-curricular activities, basketball is being offered to both girls and boys this year. A total of 30 children in grades 3-6 are participating and the opening of the sport to girls has been well received.

In the spirit of sharing, during the Christmas season the elderly of the community were carolled and presented poinsettias which were donated by students and staff. The Great Bay Training School again visited our school and entertained our children with a play. Another high-
light of the past year was a visit to Strawberry Banke by all grades. It is hoped that other such outings can be taken in the coming years. Working with the school, the PTA sponsored a book fair at the library and proceeds of this helped to finance the annual school field day which is held in the spring.

A related program in the school is a volunteer service in which mothers are invited to help teachers prepare materials for their classes. This involves typing, duplicating, sorting and assembling items for student use. A peer instruction group has also been working well in the school. Under this arrangement, children from the upper levels help other children in drill and reinforcement exercises.

As it always is, the continued interest and cooperation of the citizens of Newington in the well-being of the school community is greatly appreciated. It has contributed to a year which I am certain has benefited each and every child in the elementary grades.

Respectfully submitted
RICHARD MICHAELS
Principal
NEWINGTON SCHOOL WARRANT

To the Inhabitants of the School District of the Town of Newington qualified to vote in District Affairs:

You are hereby notified to meet at the Civic Center in said District on Tuesday, the 5th day of March, 1974, at eight o'clock p.m. to act on the following articles:

Article 1. To determine and fix the salaries of the School Board and Truant Officer and to fix the compensation of any other officers or agents of the School District.

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the School Board to make application for and accept on behalf of the District any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire, or any Agency thereof, the United States Government or any Agency thereof, or any private Agency.

Article 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for payment of salaries, for obligations of the District; and to authorize the application against said appropriations of such sums as are estimated to be received from the State equalization fund together with other income, the School Board to certify to the Selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 5. To see if the District will vote pursuant
to RSA 31:105 to provide indemnification for District employees, school administrators, school board members, District officers or agents for personal loss or expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of his employment or office.

Article 6. To see if the District will vote to authorize the formation of a Building Committee to determine needs for expansion of the Newington Elementary School and return to the District with a recommendation.

Article 7. To transact any other business that may legally come before said meeting.

Given under our hand at said Newington this 19th day of February, 1974.

STILLMAN PACKARD III
Z. RICHARD HENLEY
LUCY YOUNG
Board of Education

To the Inhabitants of the School District in the Town of Newington qualified to vote in District affairs:

You are hereby notified to meet at the Civic Center in said District on the 5th day of March, 1974, from 10:00 a.m. to 6:00 p.m. to act upon the following subjects:

1. To elect a Moderator for the coming year.
2. To elect a Clerk for the ensuing year.

3. To elect a member of the School Board for the ensuing three years.

4. To elect a Treasurer for the ensuing year.

Given under our hands at said Newington this 19th day of February, 1974.
