The library has had a good year with an increased circulation of 934 over last year. Our friends still give many subscriptions for magazines and, during this year, we have received several gifts of books, among which is a bound volume of Godey's Lady's Book and a McGuffey's Reader, both given by Mr. and Mrs. S. G. Hannaford.

A delightful surprise was a gift of twenty dollars from The Work Camp Group of Camp Walt Whitman. These young people earned the money themselves by cutting pulp wood and selling it to a mill in Ryegate. They asked that the money be spent for juvenile books.

The Church reading group has grown this year, under Mrs. Frederick R. Dixon as chairman.

The library and school work together on the supervised reading plan and, this year, Bartlett Adams won the literature test prize given by the library.

The Library Trustees appreciate the kindness and interest of their many friends.

ELEANOR DEAL,

Librarian

The Piermont Village school opened on Sept. 5, 1951, with an enrollment of 68 pupils. There were 30 secondary pupils in high schools.

The primary room is in charge of Mrs. Esther LaPierre, who holds a B. Ed. degree from Keene Teachers College, and has had several years of successful teaching experience in both Vermont and New Hampshire schools. Miss Lavoie and Mrs. Bowles continue with their excellent work in the elementary building. Mrs. Christie Ritchie has returned as music instructor replacing Miss Emery. Mrs. Muriel LaMott of Haverhill has replaced Miss Latulippe, who resigned last May, as District Nurse.

The conscientious planning and personal interest in the schools, by the school board, have caused excellent working conditions for the teachers as well as attractive and healthy living conditions for the pupils. Major improvements for the year consist of interior painting, which has improved lighting conditions greatly, the installation of hot water in the primary room lavatory, a new floor covering in the lunch kitchen, and new composition tile treads on the stairs replacing the hazardous wooden treads. A new roof was laid on the main building and additional windows and storm shelter were built on the primary room.

The physical condition of the plant and the quality of instruction being given, merit the whole-hearted support of the community.

The hot lunch program continues to fill its important place in the school's program of developing the whole child, which includes its health, of which nutrition is a part. This year the program is being efficiently carried on by Mrs. Charlotte Seibert who has replaced Mrs. Robbins as lunch supervisor. Mrs. Hartwell continues as helper.

The secondary school costs now being charged to tuition paying districts are more nearly reaching actual instructional and operational cost levels, where previously only cost of instruction was charged. This change makes the advisability of a cooperative secondary school, which was so strongly recommended three years ago, even more pertinent, both in terms of a more economical tuition cost basis and in terms of value received for dollars spent. Piermont's share of the estimated cost of building such a school building would amount to approximately 63 cents per week for an owner of taxable property assessed at \$5,000. Can the District afford not to work toward such a school to accommodate grades VII through XII? May I strongly recommend that a planning committee be appointed at the annual school district meeting to make further study of the project.

For this public support, for the diligence of the individual members of the school board, and for the integrity and loyalty of the teaching staff, I am most grateful and herewith express my appreciation and thanks.

Respectfully submitted,

PHIL A. BENNETT,
Superintendent of Schools

Piermont, N. H.
