SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Salisbury, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Salisbury for the fiscal year ended December 31, 1970, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets as of December 31, 1969 and December 31, 1970:
(Exhibit A-1)

Comparative Balance Sheets, as of December 31, 1969 and December 31, 1970, are presented in Exhibit A-1. As indicated therein, the Surplus of the Town increased \$4,944.84, from \$14,421.65 to \$19,366.49, in 1970. Inasmuch as there were no outstanding long term notes or bonds, the Balance Sheet Surplus of \$19,366.49 also represented the Current Surplus (excess of total assets over current liabilities) on December 31, 1970.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These are as follows:

Analysis of Change in Financial Condition

Increases in Surplus:

Net Budget Surplus	\$5,061.49	
Accounts Payable Adjustment	.60	
		\$5,062.09

Decrease in Surplus:

Accounts Receivable Adjustment		117.25
--------------------------------	--	--------

Net Increase in Surplus \$4,944.84

Comparative Statements of Appropriations and Expenditures – Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1970, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$4,211.02 plus a revenue surplus of \$850.48 resulted in a net budget surplus of \$5,061.49.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1970, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1970, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Salisbury for their assistance during the course of the audit.

Yours very truly,

Frederick E. Laplante

Director

TOWN OF SALISBURY**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Salisbury for the fiscal year ended December 31, 1970.

Respectfully submitted,

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture – to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A. M. and after 5:00 P. M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the Discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt of match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires – 244 acres
DISTRICT	74 – 67
TOWN	2 – ½

RICHARD CHASE, DISTRICT FIRE CHIEF
LAWRENCE BOWNE, FOREST FIRE WARDEN

FIRE DEPARTMENT REPORT

During the past year your Volunteer Fire Department answered five calls; one forest fire, one vacant building, one house fire which was confined to the kitchen, and two calls to the Town Dump.

The men have completed the work on the tank truck which was obtained last year through the State Forestry Department, making it available for both local and State use.

Some of our men attended the Lily Pond Training School in Gilford this year and several of the men attended the Fire Training School in Fitzwilliam, each one joining a different class so we could learn more about the different problems which could arise. Mutual Aid meetings were also attended.

We have purchased a smoke ejector to add to our equipment, as well as some new hose and three fire coats.

We hope everyone received one of the emergency tags for your phones which we gave out. These tags have the fire phone number on them as well as your local police numbers.

Lewis Barlett, Fire Chief

POLICE DEPARTMENT

The Police Department had the following activities during the year:

Accidents	10	Vandalism	5
Trespassers	4	Housebreaks	4
Try & Locate	4	Animal Complaints	4
Escapees	2	Stolen Property	1
Miscellaneous	5		

There were numerous other small complaints that were handled by the department but are not entered in the police log, such as stray dogs, etc.

These activities consumed 146½ hours and 941 miles. The department operated for more than 2 months without compensation for both hours and mileage in order to remain within the budget.

1970 was a building year for the department. The addition of Lindon Bowne and Lawrence Call to the regular force has set the foundation for a modern and competent department. Looking toward the future, the department will be concentrating on the training of both the regular force and the auxiliary force, along with improving the communications system.

I wish to express my appreciation to Donald Nixon and Arthur Schaeffer for their efforts and devotion in the past years.

The following telephone numbers are listed for your reference:

LIBRARY REPORT

This year has been a busy and pleasant year for me at the Library. Many more people are using the Library and many have been in to see what we have to offer. The new book room located at the back of the building has been completed thanks to the "Friends of the Library".

The State Bookmobile has made visits about every three months. A state wide Library card program started in July which we have jointed. I have issued eleven cards to users of our Library who find it convenient to take books from other Libraries.

We have added more than 240 books to our shelves some of which we have purchased and some of which have been gifts. We have a number of records on hand; and many different magazines that have been donated by friends which include scientific, antiques, coins, Time, U. S. News and World Reports, National Geographic, McCalls, etc.

We hope many more folks will take advantage of the opportunity to read the many fine books from our shelves and from the State Bookmobile.

REPORT OF THE SALISBURY PLANNING BOARD

The last year has been a very active one for your Planning Board. We welcome three new members, Mrs. Polly Adams, our new secretary; Mr. Larry Young, and Mr. Richard Ballam, Representing the Board of Selectmen. Regular monthly meetings, on the first Saturday of each month, were held at the Town Library.

It was decided in early Fall that we should draft a proposed Zoning Ordinance, to be voted on at Town Meeting in March. Many hours of hard work have gone into this proposal, and I would at this time like to thank my fellow board members for their enthusiasm and support. The Planning Board extends its thank you to the townspeople who take the time to come to our public meetings and make their voices heard, whether for us or against us.

The Planning Board is again presenting its proposed Building Regulation Ordinance this year. This is the same ordinance as was written in last year's Town Report, with a few minor changes which were discussed at a public meeting held February 6, 1971.

We have answered requests from many real estate brokers and land owners, for our Sub-Division Ordinance and Trailer Park Ordinance.

Our Town is starting to grow, whether we like it or not. It is the hope of your Planning Board that this growth be in a orderly fashion. This is Your Town, My Town, Our Town.

Your Planning Board needs your support.

Thank you

SALISBURY PLANNING BOARD

William J. Baker, Chairman

Mrs. Polly Adams, Secretary
