*To the State Board of Education :*

I certify that the above is a correct statement of the financial proceedings of the district for 1937, and that copies of this statement have been filed with the chairman of the board of selectmen and entered in the records of the school board.

GEORGE H. HARDY,  
*Chairman of School Board*

## ANNUAL REPORT OF SCHOOL BOARD

---

March 3, 1937

The annual school meeting of the District was held March 3, 1937 and the following officers elected for the ensuing year.

Moderator	William Melendy
Clerk	Frank Manning
Treasurer	Henry Blood

Bernice H. Wiggin was re-elected a member of the school board for three years.

The auditors were Mrs. Alice Fosher and Milton T. Spencer who acted as town auditors.

Voted to raise and appropriate the sum of \$21,686.00 to cover school purposes.

After the meeting the board and Mr. Hall met to re-organize. Mr. Hardy was elected chairman and Mrs. Hodgman, clerk.

On May 20, 1937 the three members of the board attended the Union District Meeting at Hudson. Mr. Herbert Leach was re-elected chairman of the union and Mrs. Gatz of Hudson elected Secretary and Treasurer. Mr. Hall was re-elected Superintendent for the ensuing year. We wish to thank Mr. Hall for his efficient services.

Mr. Hardy was elected delegate to meet with the Budget Committee.

We most cordially invite you to visit your schools and would urge you to notice especially the crowded condition

of our Stevens-Buswell School at the center where rooms each containing four grades should accommodate 22 or 25 students now are crowded with about 40 children each.

Within the last week the grates in the furnace at the Steven Buswell School have been broken and upon repairing them it was discovered that the fire-box of the furnace was badly cracked and must be replaced before next fall. This matter was considered with the budget committee and it would seem that a new steam heating plant would be better judgment than patching up the old furnace again. This furnace was patched up two years ago at a cost of \$164.85.

## REPORT OF SUPERINTENDENT OF SCHOOLS

Hudson, N. H., Feb. 1, 1938

*To the School Board and Citizens of Bedford:*

Following is my fifth annual report as Superintendent of Schools:

### ENROLLMENT ON JANUARY 3, 1938

Grades	1	2	3	4	5	6	7	8	
Steven Buswell . . . . .	9	10	6	12	5	13	7	11	73
Donald Street . . . . .	5	5	7	4	3	7	4	10	45
Peter P. Woodbury ..	4	6	11	2	9	10	5	7	54
Totals . . . . .	18	21	24	18	17	30	16	28	172

There were two changes in the teaching staff in September, 1937. Mrs. Edna McAskill being elected to fill the vacancy created in the upper grades in the Steven Buswell School by the resignation of Charlotte Powers and Maurice Adams elected to fill the vacancy in the upper grades created by the resignation of Katharine Lordon, at the Donald Street School.

The over-crowded condition in both rooms at the Steven Buswell School has continued again this year. It is impossible for a teacher with four grades with thirty-six to forty children to give the individual attention which is necessary to secure the best results from each child. I believe that it would be for the best interest of all the children in this school if something could be done to relieve this condition. Several propositions have been considered by the Board and the most economical and most visible plan at the present time seems

to be to secure an additional teacher as assistant in the two rooms at this school. The School Board has placed in the warrant for the school meeting articles which will provide for this assistant.

The number of children at present are right on the border line where a slight increase would require that another room would have to be added, but it is uncertain whether the number will increase or decrease during the next five years. Due to this uncertainty, it does not seem to me that it would be wise to attempt to construct another room at the present time.

I believe that the above plan or some other plan which would temporarily relieve the number of children per teacher would be of great benefit to the children in the Steven Buswell School.

### ROLL OF PERFECT ATTENDANCE

---

Steven Buswell—Harold S. Sargent, grade 5; Betty Whittmore, grade 2.

Donald Street—Henry Beck, grade 7; Rosie Arnos, grade 2.

Peter Woodbury—Marian Miller, grade 4; Margaret Dalton, grade 6.

Respectfully submitted,

FRED W. HALL,  
*Superintendent*

## REPORT OF SCHOOL NURSE

---

February 4, 1938.

I have made 80 home visits during the year.

Respectfully submitted,

EDITH WALKER,

*School Nurse*
