TOWN OF CANDIA

NEW HAMPSHIRE

Town Reports

Year Ending December 31, 1979

The Library
University of N.H.
Durham, N.H. 03824

School District Reports

Year Ending June 30, 1979

1979

ABOUT THIS REPORT

This report is prepared and printed for your benefit and is intended to give you a complete picture of your town and school. What has been done, where the money went, and what faces us in the future.

Town matters appear in front of the book and school affairs are recorded in the back of the book.

We endeavor each year to improve your report to make it readable and understandable. If you have any suggestions as to how we might make further improvements, please let us know.

Thank you.

YOUR TOWN OFFICERS

*** *** *** *** ***

Selectmen meet the first and third Monday of the month - 7-9 P.M.

To contact:

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM

10:00 A.M. TO 7:00 P.M.

TO THE INHABITANTS OF THE TOWN OF CANDIA, IN THE COUNTY OF ROCKINGHAM, IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at Moore School Auditorium in said Candia on Tuesday, the eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to adopt changes in zoning and building regulations proposed by the Planning Board to be voted by secret ballot.

You are also notified to meet on Friday, the fourteenth of March next at seven-thirty in the evening at Moore School Auditorium to consider the following articles:

4. To see if the Town will vote to raise and appropriate the sum of Eleven Thousand Four Hundred Dollars (\$11,400.00) for operating expenses of the Smyth Public Library for the ensuing year. These funds to be expended under the direction of the Association.
5. To see if the Town will vote to raise and appropriate the sum of Sixteen Thousand Dollars (\$16,000.00) for general expenses and maintenance of fire apparatus and emergency equipment. The money to be spent under the direction of the Candia Volunteer Firemen's Association.
6. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for hot topping road in the cemetery. The money to be spent under the direction of the Cemetery Superintendent.
7. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Thirty Seven Dollars and Ninety Three Cents (\$937.93) for Town Road Aid, to which the State will contribute Six Thousand Two Hundred Fifty Two Dollars and Eighty Five Cents (\$6,252.85).
8. To see if the Town will vote to raise and appropriate the sum of Fifty Four Dollars (\$54.00) to assist Rockingham Child and Family Services, a private, non-profit organization.
9. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Dollars (\$900.00) in continuation of its support for the services of the Newmarket Regional Health Center.

10. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to repair the Fitts Museum and One Thousand Five Hundred Dollars (\$1,500.00) to paint the building, and One Hundred Dollars (\$100.00) for general maintenance. The money to be spent under the direction of the Trustees of the Fitts Museum.

11. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Fifty Dollars (\$850.00) as a donation to the Raymond Ambulance Fund, Inc., to assist in defraying its expenses.

12. To see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars (\$600.00) for the Unemployment Compensation Fund.

13. To see if the Town will vote to raise and appropriate the sum of Four Thousand Six Hundred and Twenty Dollars (\$4,620.00) for operating expenses of the Candia Recreation Association. The money to be spent under the direction of the Association.

14. To see if the Town will vote to instruct the Selectmen to enlist the services of the Department of Revenue Administration of the State of New Hampshire to revalue all the taxable property in the Town and raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000.00) to defray the expenses associated therewith.

15. To see if the Town will vote, if Article 14 is adopted, to raise the sum of Thirty Five Thousand Dollars (\$35,000.00) specified therein by applying funds from Federal Revenue Sharing.

16. To see if the Town will vote, if Articles 14 and 15 are adopted, to instruct the Selectmen to enlist the services of the Department of Revenue Administration of the State of New Hampshire to assist them in performing appraisal maintenance for the ensuing year and raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) to defray the expenses associated therewith.

17. To see if the voters will vote to accept Five Hundred Dollars (\$500.00) from the Eva Gebhard Gourgau Foundation for the purpose of completing the Cultural and Landscape Resources component of the Candia Comprehensive Plan. The same therefore, plus interest, to be expended under the direction of the Candia Planning Board.

18. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) for a study of the most practical and economical plan to satisfy the need for a town office building, the same to be expended under the direction of the selectmen.

19. To see if the Town will vote to increase the Selectmen's salary as follows: Chairman from Eight Hundred Dollars (\$800.00) to Nine Hundred Dollars (\$900.00), 2nd and 3rd Selectmen's salary from Six Hundred Fifty Dollars (\$650.00) to Seven Hundred Fifty Dollars (\$750.00).

20. To see if the Town will vote to increase the Tax Collector's salary from Twelve Hundred Dollars (\$1,200.00) to Fourteen Hundred Dollars (\$1,400.00)

21. To see if the Town will vote to increase the Treasurer's salary from Eight Hundred Dollars (\$800.00) to One Thousand Dollars (\$1,000.00).

22. To see if the Town will vote to increase the Town Clerk's salary from Two Hundred Seventy Five Dollars (\$275.00) to Four Hundred Seventy Five Dollars (\$475.00).

23. To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500.00) to purchase the leased police cruiser.

24. To see if the Town will vote to appropriate from Revenue Sharing Funds the sum of Four Thousand Dollars (\$4,000.00) to fund the Candia Rescue to be expended under the direction of the Candia Rescue to provide a system of Emergency Health Care. On petition of Karl Berardi and 11 other registered voters.

25. To see if the Town will vote to appropriate the sum of Three Thousand Dollars (\$3,000.00) from Revenue Sharing Funds for a Soils Study in conjunction with the Comprehensive Plan for the Town of Candia. The money to be expended under the direction of the Planning Board.

26. To see if the Town will vote to appropriate the sum of Three Hundred Fifty Dollars (\$350.00) for Recreational and Education purposes for the Elderly, and to authorize the withdrawal of the amount requested from the Federal Revenue Sharing Funds under the provision of the State and Local Assistance Act of 1972, and as amended in 1976. On petition of:

Myrtle Syria
Mildred L. Noonan
Helen C. Laramy
Marion B. Brown
Parker J. Brown

Mary A. Persson
Eva J. Morgan
Albert Syria
Henry Farrell
Frank W. Robinson

27. We, the undersigned registered voters, petition the Town of Candia to appropriate the sum of One Thousand Dollars (\$1,000.00) to Rockingham County Community Action Program, Inc. The purpose of this appropriation is the continuance of a Community Services Technician for the Greater Raymond Community Action Center, which serves the Town of Candia. On petition of:

Elizabeth Belluscio
Frank Sargent
Carol Jean Carter
Celia T. Bentley
Marion W. Brown
Parker J. Brown

Mary Belluscio
Lucille Savage
Marietta G. Binette
Bertrand P. Binette
Linda A. Thomas
Albert R. Thomas

28. We, the people of North Rd., Candia, N.H., would like to see if the town of Candia, will vote to repair North Rd. We propose to have the road taken down to dirt and then repaved. This road is a disgrace to the town. There are many new homes being built on this road, which makes this road worst all the time. Anyone living on the road

has to have new springs on their cars often. We propose that this road should be fix similar to the way Critchett Rd. was repaired. On petition of: Robert Perkins and the following signatures:

Robert & Jean Perkins	Marianne C. Sieminski
Dennis & Sandra Fernie	Thomas J. DiMaggio
Agnes W. Merrill	Sandra DiMaggio
Fay K. Shankle	Rochelle Richard
Walter A. Shankle	Donald E. Richard, III
Scott A. Masterillo	Charles F. Piper
Louise M. Clark	Martha Piper
Eugene S. Clark	George Beane, Jr.
Amos C. Lyford	Grace Perkins
Roland W. Gendron	Donald K. Brown
Janet & John Goodrich	Warren Dutton
Neil A. Sieminski	Diane Dutton

29. To see if the Town will vote to require that the ratio of de-icing salt to sand, as placed upon all roads under the jurisdiction of the road agent, be as close to one-to-twenty as is possible, and that such salt be stored in such a manner so as not to endanger any water supply. Nothing in this ordinance shall be construed to prevent said road agent, in times of emergency or where an extreme public hazard exists, from using a higher percentage of salt. Above warrant article voted by Candia Conservation Commission 1/21/80, L. B. Chace, Chairman.

30. To see if the Town will vote to amend the Ordinance regulating Use of Public Parks, Cemeteries and other Public Property by adding the words "and/or possession" to paragraph two (2) thereof so that said Ordinance will read as follows:

- (1) All public parks, cemeteries, conservation areas and other public lands are closed to the public from nine o'clock in the evening (9:00 P.M.) until sunrise except with written permission of the selectmen.
- (2) Consumption and/or possession of alcoholic beverages thereon is prohibited except when a liquor permit is issued by the Selectmen.
- (3) Open fires thereon are prohibited without proper approval. Persons violating this ordinance are subject to a \$200 fine.
- (4) Any person violating the provisions of this Ordinance shall be subject to a penalty of One Hundred Dollars (\$100.00) for each violation, the same to enure to the general fund of the Town.
- (5) The Police Department, under the direction of the Selectmen, are appointed to enforce the provisions of this Ordinance.

31. To see if the Town will vote to designate New Boston Road in its entire length from Route 43 to the intersection of North Road, as a Scenic Road. On petition of Christopher W. Closs and 28 other landowners.

32. To see if the Town will vote to designate North Road in its entire length from Route 43 to the intersection of New Boston Road, as a Scenic Road. On petition of Thomas J. DiMaggio and 15 landowners.

33. To see if the Town will vote to accept that portion of the budget not already acted upon and authorize the Selectmen to raise and appropriate money for same.

34. To see if the Town will vote to authorize the Selectmen and Treasurer to negotiate temporary loans in anticipation of taxes.

35. To see if the Town will vote to accept such trust funds as have been received this past year.

36. To see if the Town will authorize the Selectmen to administer, or dispose of by auction, any real estate acquired by the Town through Tax Collector's Deed.

37. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twelfth day of February in the year of our Lord nineteen hundred and eighty.

EMMA K. HALL
ALBERT C. REYNOLDS
JEFFREY N. GOFF
Selectmen of Candia

A true copy of Warrant -- Attest:

REPORT OF THE CANDIA VOLUNTEER FIRE DEPARTMENT

During 1979 the Candia Volunteer Fire Department had 4,372 recorded man hours. The department responded to 79 calls for a total of 1,438 hours. The remaining hours were spent on building and equipment maintenance, formal fire training, fire prevention, and the annual July 4th celebration.

A major project completed during 1979 was the deepening of the pond behind the fire hall and the installation of a new dry hydrant across the street from Moore School.

The Candia Volunteer Fire Department wishes to thank the residents of Candia for their continued support.

WILLIAM J. STEWART, President

HENRY FRIEDRICH, JR., Chief

REPORT OF THE CHIEF OF POLICE

During the year of 1979, your police department responded to 1,327 calls for various types of assistance and problems.

This past year has been one of considerable changes. There has been increased patrolling and this alone has brought down some of our crime problems.

The officers have been attending meetings with neighboring departments to keep them better informed and they have also been attending classes keeping them up to date on the ever changing laws and procedures.

The men of your department have improved through our training classes and have also been assisted through the cooperation of the townspeople in reporting things that are out of the ordinary or suspicious.

The year of 1980 will hopefully show even more improvement. All officers will be taking training classes in all fields of police work. At various times, members of the department will be going into Moore School with films and will answer any questions that your children may have in hopes to inform them of the safety of themselves, family, friends and community.

In closing, I would like to extend my thanks to you, the townspeople and citizens of our fast growing town for your cooperation shown to this department and my fellow officers for their many long devoted hours during the past year.

NORMAND H. ST.ONGE, SR.
Chief of Police

Purchases and gifts, including paperbacks	<u>533</u>
	7,315
Withdrawals	<u>43</u>
Volumes December 31, 1979	7,272
Circulation Report:	
Adult	7,339
Juvenile	<u>3,352</u>
Total Circulated	10,691
Books borrowed from State Bookmobile	1,719
Books borrowed from other libraries	<u>56</u>
Total borrowed	1,775
Number of Family registrations - 1979	86

I should like to take this opportunity to bring to your attention the need for added space in your library. Shelves are overflowing and it is becoming more difficult and, in some cases, impossible to file volumes. Biographies and reference material are "lost" in the back room.

Ideally, the solution to this problem would be an addition to the existing building. Until the time comes that the town can or will do this, I should like to suggest we make further use of the C. Fred Bangs room.

This room is heated, lighted, has a separate entrance, and bathroom facilities are nearby. I believe that plans could be so designed that it could serve both as a children's library and continue its use for group meetings.

The present children's room would then house the biographies and reference material, relieve the congestion and allow for a growing collection in a growing community.

BETTY THOMSON, Treasurer
Candia Recreation Association

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission is a voluntary organization of local governments serving a common region. Member communities have many common problems which affect each other and can more effectively be solved on a cooperative, areawide basis. Because of the economies of scale offered by areawide programs, many of these problems can be dealt with through the Commission at less cost to the taxpayers.

One of the Commission's major responsibilities is to help coordinate the planning and development activities of the many units of local government that comprise the planning region and to help ensure that the activities of State and Federal agencies are responsive to local needs.

Through the Commission's regional planning and transportation programs, a wide range of reports and data are developed annually; made available to local officials to help them with numerous decisions; and ultimately may be used to support locally-initiated public improvement projects, some of which can be financially assisted with State and Federal funds.

Included among the many reports prepared by the Commission during the past year under our regional and transportation planning elements and made available to local officials are:

- ."Model Zoning Ordinance";
- ."Model Housing Code";
- ."Suburban Housing Condition Survey For The Towns of Hooksett, Goffstown, Raymond, and Derry, New Hampshire";
- ."Premature Subdivision Guidelines";
- ."Historic Preservation - Principles, Status and Opportunities";
- ."Housing Programs For Small Communities In The Southern New Hampshire Subregion";
- ."A Community Addressing System"; and

a variety of statistical analyses for communities covered by the metropolitan area transportation planning program (Manchester, Auburn, Bedford, Goffstown, Hooksett and Londonderry) including:

- ."Traffic Accidents" - an analysis of high hazard intersections in Manchester;
- ."Speed and Delay" - an analysis of street network efficiency with respect to travel times;
- ."Land Use Update";
- ."Population Estimates";
- ."School Enrollment"; and
- ."Area Employment".

Direct Local Assistance Services

A representative sampling of staff services provided to the Town of Candia during the year includes:

- . Conducted a workshop on the U. S. Department of Housing and Urban Development's Community Development Block Grant, Small Cities Program for 1980 to which Town officials were invited;
- . Provided the Board of Selectmen and the Planning Board with copies of Planning Enabling Legislation in New Hampshire (updated through July, 1979);
- . Provided the Selectmen, Planning Board, Board of Adjustment, and the Building Inspector with new editions of The Board of Adjustment In New Hampshire;
- . Provided the Board of Selectmen and the Planning Board with abstracts of all reports and documents prepared by the Commission during fiscal year 1979;
- . Provided school Supervisory Union #15 with regional and municipal base maps to be used to plot the place of residence and pick-up points of handicapped students;
- . Provided Mr. Richard Seeley and the Planning Board with technical assistance regarding the preparation of maps and other graphic materials for use in the development of the Town's Master Plan;
- . At the request of the Planning Board, Commission staff viewed the site of a proposed residential subdivision and submitted a written analysis of potential traffic impact; and
- . Advised the Planning Board on cost estimates and techniques for the printing of the Master Plan;

Candia's representatives on the Commission are:

Commissioners: Mrs. Emma Hall
Mr. John Goodrich

SNHPC Executive Committee: Mrs. Emma Hall

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

CONSERVATION COMMISSION

During this period in time, when people are again realizing that less government is the best government, our commission has been reviewing what our duties should be. We already have scenic roads to oversee, conservation land plus a Town Forest. The commission, also, has to look into all lands that come up for tax sale. Dredge and Fill applications are also reviewed.

The commission signed a contract with a Rockingham County government group to work on Town Forest land. The leader reviewed the work but was never able to get the labor, because Rockingham County employment rate was so high.

We will continue to try to do our work without asking the town for funds or saddling the people with endless regulations and harassment.

LEONARD B. CHACE
Chairman

**VISITING NURSE ASSOCIATION/
HOME HEALTH AGENCY OF GREATER MANCHESTER, INC.**

1979 REPORT OF SERVICES TO CANDIA

Nursing:

Skilled nursing services were provided in Candia homes by Registered Nurses and Licensed Practical Nurses including dressings, injections, special treatments, baths and rehabilitative services under the direction of the patient's physician. Homemaker/Home Health Aides provided their services under the supervision of the Visiting Nurse and therapists.

Therapy:

Registered physical, occupational and speech therapists provided their services in the home as needed. Consultations with a social worker and a nutritionist were also available.

Maternal and Child Health:

Visiting Nurses give pre- and post-natal advice and guidance to expectant mothers as well as instruction for child care following birth. The Teenage Pregnancy Program continues each Monday afternoon at the VNA office, 194 Concord Street in Manchester with free classes, personal counseling and learning sessions.

Immunization Clinics for children 2 months to 6 years are held in Candia periodically during the year.

Senior Citizen Outreach Program:

The purpose of this VNA program is to help those over 60 years of age living in Candia to remain in their own homes by offering support through health assessment and home health care maintenance.

Free monthly blood pressure screening clinics are available. Mrs. Terry Steckowych, R.N. serves as the Director of the Senior Outreach Program.

Policy:

Visiting Nurse Association/Home Health Agency is a certified voluntary non-profit agency. Anyone may request service by calling the VNA office at 622-3781, Monday through Friday from 7:30 a.m. to 5:00 p.m. Services are provided on weekends and holidays as necessary, and there is a 24-hour answering service for messages.

Also certified by the federal government to care for Medicare patients, many services are paid for through Medicaid, Medicare, and other health insurance plans. Fees are discussed on the initial visit with adjustments made if full fee cannot be paid.

VNA services are presently still available to Candia residents at no cost to the town. Mrs. Frank Kendall represents Candia on the Board of Directors of the Association. Janice Hilson, R.N. is the nurse for this area.

FITTS MUSEUM REPORT

RECEIPTS:

Balance on hand, December 31, 1978	\$165.86
Town Appropriation 1979	<u>400.00</u>
Total Receipts	\$565.86

DISBURSEMENTS:

Lawn	\$ 29.00
Paper, painting, repairing ceiling (West Room)	310.00
Wallpaper	88.90
Curtain material and thread	72.00
Repaired kitchen floor	34.20
Cleaning supplies	3.04
Cleaning Museum	20.00
Washing and ironing curtains	20.00
DeCon	<u>7.47</u>
Total Disbursements	\$584.61

Over Expenditure, December 31, 1979 \$ 18.75

We had a very busy summer at the museum. There were a large number of visitors, many from out-of-town. We were honored by a visit from the Selectmen to inspect the building for repairs that are badly needed.

Your museum is open from 2 to 5 P. M. every Saturday in July and August.

MARY D. STEVENS
Treasurer

CANDIA MOSQUITO COMMISSION

The Mosquito program was not carried out this past year because: (1) all the equipment was destroyed in a fire at the Rockingham County Farm and (2) there was no licensed person to conduct the spraying and larviciding. Other factors raised the question as to whether we should pursue the matter further, such as the following:

1. Over 1/3 of Candia includes the Manchester watershed and land owned by the Audubon Society, both bodies forbidding the use of insecticides.
2. None of the surrounding towns have a mosquito program.
3. The CETA program was discontinued further reducing the source of available help.

At a meeting of the State Committee on Mosquito Control on December 11, 1979, it was the concensus that a program undertaken by the State would be prohibitive costwise. It was suggested that we should direct our attention to preventing mosquito growth by:

1. Clearing culverts, catch basins, storm drains and removing vegetation from plugged ditches.
2. Clearing existant streams and connecting ditches in a town to improve water flow.
3. Eliminating artificial containers such as old tires, cans and bottles.
4. Filling in ruts and grading of small potholes.
5. Cutting some tree limbs to let in sun to dry up excess water in wooded areas.
6. Regulation of old tire storage outdoors by local ordinances.
7. Encouraging fish in small ponds (Gambusiae - the mosquito fish.)
8. Encouraging birds and mosquito predators such as dragonflies, praying manthas, spiders, etc.

Pending a more favorable setting the Mosquito Commission will curtail its activity.

JOHN THOMSON
HERMANN N. SANDER, M.D.

REPORT OF THE HEALTH OFFICER

There have been no epidemics or unusual health problems during the past year. Several households have been examined and approved for foster children.

A long standing and ever increasing problem has resulted from salting the roads in that many wells have been contaminated with increasing salt content. Some towns have done away with salting. This problem might be helped by mixing salt with sand in a 1 to 20 ratio and hopefully this should be done.

HERMANN N. SANDER, M.D.
Health Officer

REPORT OF THE PLANNING BOARD

ZONING/SUBDIVISION ACTIVITY 1979

The Candia Planning Board held 28 meetings during 1979 and reviewed and approved 13 applications for subdivision. The total number of new lots approved was 32 and these were located on Pine Ridge Drive, Diamond Hill Road, Brown Road, Route 43, Island Road, Patten Hill Road and North Road.

Jeffrey Carpenter served as Chairman in 1979 and Chris Closs was elected Secretary. William Donovan was appointed to fill the unexpired term of Bruce Larson who resigned in June.

COMPREHENSIVE TOWN PLAN

The draft of the Candia Comprehensive Plan will be completed in March 1980 and submitted to the Planning Board for review. Richard Seeley, the Massachusetts Audubon Society graduate intern, retained by the Town in 1979 with Revenue Sharing monies, has completed major segments of the Plan including population base and school enrollment projections, geology, soils, water resources, climate and physiographic characteristics, wildlife, vegetation and agricultural resources. Mr. Seeley also developed ten community and natural resource base maps in multiple color at a scale of 1" - 1000'. Much of this work was completed in donated space at the Odd Fellows Hall through the generosity of Maiden's Funeral Home.

Roger Brevoort, a private planning consultant, hired under the auspices of the Planning Board with grants from the Heritage Conservation and Recreation Service, U. S. Department of the Interior and the Eva Gebhard Gourgand Foundation, comprehensively surveyed and inventoried all of the community's cultural resources, including historically sensitive areas and industrial ruins. Brevoort's assignment was coordinated with other components of the Plan and was used to provide locational verification of every structure existing in Town in 1979.

The Community Attitude Survey was completed, distributed, and tabulated. Coupled with the Rockingham County study of Candia and additional citizen input, it has formed the basis for the Goals and Objectives of the Comprehensive Plan. Plan chapters on Transportation, Utilities and Facilities, Economic Base and Current Land Use were researched by citizen task force groups.

Prior to adoption of the Comprehensive Plan by the Planning Board in 1980, the Plan will be presented for public review at a series of community informational meetings for comment and criticism. Following this phase, major revision of the Zoning Ordinance and Subdivision Regulations is anticipated. Because of the enormity of the task of preparing a truly comprehensive Plan and because planning is an ongoing process, the Planning Board will continue to augment the data developed

in 1979-80 through specialized studies. The Board would like to strongly encourage interested citizens to assist in implementing the various recommendations contained in the Town's new Plan.

OTHER ACTIVITIES

In 1979 members of the Planning Board served as representatives in a variety of functions broadly related to planning and development of the community. To improve communication among local officers and boards, quarterly meetings with the Board of Selectmen were initiated and a representative to the Conservation Commission will be designated. The Secretary of the Planning Board, planning intern and cultural resource consultant provided comment before the New Hampshire Wetlands Board in Concord concerning the dredging of MacDonald Pond. The Board also initiated a special study of investment institution's attitudes toward financing construction in designated floodplain areas. A representative of the Planning Board served on the Town Office Building Study Committee which developed recommendations for development of a future facility. Planning Board members attended the following meetings/seminars: Southern New Hampshire Planning Commission Annual Meeting; Central New Hampshire Planning Commission Special Seminar; Public Roads; New England Rivers Center Conference; Annual Meeting of the New Hampshire Association of Conservation Commissions; and New Hampshire Planner's Association Annual Meeting.

RUSSELL DANN
MARJORIE BENZ

CANDIA SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF CANDIA,
NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Candia Moore School in
said District, on the Fifth day of March, 1980, at Seven O'clock in
the evening, to act upon the following subjects.

1. To hear the Reports of Agents, Auditors, Committees or Officers
of the District.
2. To see if the District will vote to adopt the following provisions
relative to the Use of School Land and Buildings.

Section I: No person shall consume a liquor or a beverage as
these terms are defined in RSA 175:1 on land owned by the Candia
School District except in a school building. Consumption in a
school building of a liquor or a beverage as defined in RSA 175:1
may take place only with the written permission of the school board.
The school board shall establish written guidelines and procedures
determining the circumstances under which such permission shall be
granted for liquor or alcoholic beverage consumption in a school
building.

Section II: No person shall, between sunset and sunrise, enter or
remain on any school grounds except in connection with the entry of
a school building or school land for a function which has been
approved by the school board. The school board shall establish
written guidelines and procedures determining the circumstances
under which functions may be held on school land or in a school
building between sunset and sunrise.

Section III: The provisions hereof shall take effect immediately
and shall continue in effect until the above provisions are modified.

3. To see if the District will vote to accept and expend funds in the
amounts set forth below which may be made available to the District
through the following Federal programs.

Career Education	\$ 2,000.00
Gifted & Talented	5,000.00
C.E.T.A.	2,500.00
Title IV	5,000.00
Miscellaneous	<u>8,000.00</u>
Total:	\$22,500.00

(The amounts of money set forth for each program are estimated and the
amount appropriated for any one program may be overexpended so long as
the total amount expended for all of the above programs does not exceed
Twenty-Two Thousand, Five Hundred Dollars (\$22,500.00).)

4. To see if the District will vote to accept and expend Twenty Thousand Dollars (\$20,000.00) which may be made available to the District through the National Energy Act.
5. To see if the District will vote as a supplemental appropriation the sum of Twenty Thousand Dollars (\$20,000.00) for the 1979-1980 school year for the purpose of providing special education to handicapped students.
6. To see if the District will vote to raise and appropriate the sum of Seven Hundred, Fifty Dollars (\$750.00) to be expended towards the support of the Community Recreation Activity.
7. To see if the District will vote to appropriate the sum of One Thousand, Two Hundred and Nine Dollars, Eighty-Six Cents (\$1,209.86) toward Energy Construction Improvements, such amount expended to be the balance of the Capital Reserve Building Fund, including interest accrued to July 30, 1980.
8. To see if the District will vote to raise and appropriate the sum of Three Hundred, Nineteen Thousand, Four Hundred Eighty Dollars (\$319,480.00) to fund all cost items relating to teachers' salaries and benefits for the 1980-1981 school fiscal year, Twenty-One Thousand, Three Hundred Sixty-Five Dollars (\$21,365.00) of such sum representing additional costs attributable to the latest Collective Bargaining Agreement entered into by the School Board and the Candia Federation of Teachers.
9. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the District.

Given under our hands and seal this 18th Day of February, 1980.

SUPERINTENDENT'S REPORT

In 1978, the Candia School Board appointed a committee to consider essential educational goals as they pertain to the students of the Candia School District. Under Section 6 of the Powers and Duties of the School Board came the basis of authority for the establishment of the New Hampshire Accountability Plan.

"School boards shall, in consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, determine the educational goals of the district, develop long-range plans and identify measurable and attainable short-term objectives. The school board shall require the appropriate review of such programs and make public the results of such investigations."

This committee was comprised of a Candia School Board Member, central office personnel, principal, teachers and parents of Candia. After the conclusion of a two-day workshop, the committee held a general session in the school for parent and community input. Following this, the committee again regrouped and submitted to the Candia School Board what they felt were essential goals for the students of Candia. Upon reviewing these educational goals, the following policy was adopted by the Candia School Board in June, 1978.

The Candia School Board adopts the following school district goals to provide continuity and direction to the school system.

In order that each student may become a self-fulfilled person and a successful, productive citizen the school system shall provide experiences that enable the student to:

Attain a level of mastery in the basic areas of reading, mathematics, and communication skills appropriate to the student's individual abilities;

Develop an understanding of social and political systems and encourage responsible participation in our democratic process;

Gain insight into the nature of human relationships, respect the rights of others and develop successful inter-personal skills;

Develop a basic understanding of how our economy works and utilize those consumer skills necessary for personal economic survival;

Understand and practice personal behaviors which lead to sound mental and physical health;

Develop an understanding of the natural laws of science especially as they affect ecological balance, to appreciate and participate in the maintenance of that balance;

Practice a system of values and ethics conducive to the well being of the student, the school and society;

Develop creative and critical thinking and an intellectual curiosity for lifelong learning;

Be aware of a wide range of vocations, the skills and benefits associated with each, and as a result, select appropriate school programs;

Be aware of and appreciate world cultures through a variety of experiences derived from the fine and folk arts and the humanities.

As we pursue and implement the accountability project during next several years, the outcome of this project will eventually lead to the development of curriculum from each of the basic areas of content as established in the goals of the district.

Inasmuch as these projects are quite an undertaking, I wish to express my thanks to the members of the community, the administration, staff and school board for their support in this endeavor.

DAVID R. CAWLEY

REGISTRATION

Enrolled & Screened for 1st Grade 29

COURSES & WORKSHOPS ATTENDED

Conference on Exceptional Children
Special Services Workshop

Early in the school year 96 first and second graders went to Dr. Loveless' office for a Dental Health program. 69 of the students were given a dental screening with results forwarded to the parents.

Public Health agencies are working toward fuller immunization of children. The most recent tally of our health records show 52% of the student population fully immunized by school entrance requirements. This figure is lower than last year because Mumps Vaccine was added as a requirement starting this school year. Hopefully, with Candia once again having immunization clinics, this figure will rise.

Once more it has been my privilege to be of service to your children. Having a health room again has made the duties that much more enjoyable.

ETHEL M. PARTAN, R.N.
School Nurse

SPEECH, HEARING, AND LANGUAGE PROGRAM

1978 - 1979

The Speech, Hearing and Language Program currently serves children in grades 1 - 8, who have been identified for remediation; both handicapped and special needs non-handicapped. It also serves pre-schoolers who have been identified as handicapped.

The program functions for purposes of: 1. Identification of speech, language, and auditory disorders by means of referrals and screenings. 2. Diagnostic evaluations and 31 prescriptive remedial programs for inclass suggestions, parental support and for therapy.

Speech and language acquisition is a very important pre-requisite for communication skills of reading, writing and spelling. Therefore, a delay in this area could create difficulties in almost all subjects.

Several types of speech and language areas are remediated in the program. These include: articulation disorders, stuttering, voice disorders, hearing impaired and language disorders. The breakdown of the 23 students currently enrolled in therapy are as follows:

HANDICAPPED (11)

4 Pre-school Speech and language
2 Hard of hearing
4 Learning Disabled
1 Speech and language

SPECIAL NEEDS NON-HANDICAPPED (12)

11 Articulation
1 Voice

In addition, the Speech and Language Therapist is a consultant for 23 more children with Speech and Language problems. Limited time prevents some of these children from receiving direct services.

ESEA TITLE I PROGRAM

1978 -1979

The focus of the Title I Program is to improve reading through expanded communication skills. Because children spend 58% of their school time in activities which require listening, it becomes the foundation of all language acquisition skills, and therefore, of most thought processes. Auditory and thinking skills are primary to becoming effective and understanding readers.

One part time teacher and one full time aide meet individually or in small groups to improve listening, speaking, thinking, and writing skills of 30 non-handicapped children of grades one through eight. An enriching variety of materials present the students opportunities to learn in the way they are most comfortable. Lessons are designed to meet these specific needs. There are tapes, language kits and books for leisure reading and for research information. Children are encouraged to involve themselves in both directed and non-directed activities.

Last year, 88% of the students enrolled, increased their reading skills significantly and 100% gained better self esteem and confidence.

RESOURCE ROOM PROGRAM

1978 -1979

The Resource Room is a non-categorical handicapped setting that provides instruction to students in grades 1 - 8. The children attend the Resource Room on a part time basis for specific periods of time on a regularly scheduled basis. The remaining portion of the day is spent in the regular classroom. Students are mainstreamed to the greatest extent possible.

During the 1978-1979 school year, the resource room serviced approximately 15 handicapped students and 10 non-handicapped students. These children received individualized instruction in the areas of math, reading, English, science, social studies, language development and auditory and visual skills. The program made it possible for these students to have the advantages of a total remedial program prepared and implemented by the resource room. The alternative to the resource room would be out-of-district placement for many of these students.

This year the resource room specialist and two aides provided services to 26 students (15 handicapped, 11 non-handicapped) in grades 1-8. For each one of the students, an individualized education plan is designed and implemented to meet the specific needs of the child. Public Law 94-142 and R.S.A. 186 provide specifically for the education of the handicapped.

At this writing, approximately 20 non-handicapped students have been referred to the resource room but due to limited time available, and the present enrollment, these students can not be serviced. In such cases, the resource room specialist aids the classroom teacher in terms of approaches, methods and materials that can be used in the regular classroom. In this way, the resource room is able to extend its services to the regular classroom setting.

REPORT OF THE LEARNING DISABILITIES PROGRAM

1978-1979

The objective of the Learning Disabilities program is to identify children with academic difficulties due to a learning problem. These children receive remedial instruction for their individual learning problem, along with support services for other academic areas of difficulty.

The program consists of one learning disabilities teacher who does screening, identification, remediation and individual academic instruction. Once a child is identified, an individual educational plan is written. This plan focuses on each child's strengths and weaknesses. By doing this, the child is given instruction through their stronger mode of learning while also receiving remediation for their weaker area(s) of learning.

Remediation is in either the auditory or visual perceptual area, depending on individual needs. The L. D. teacher also provides instruction in the academic areas of reading, mathematics, spelling, English, social studies and science. Each student's academic instruction is tailored to meet their individual learning style. The L. D. teacher also provides materials and modifications for teaching the L. D. student within the regular classroom.

The Candia Special Education Team will evaluate each child's program and progress at the end of the year. The team will then determine the program most beneficial for each student for the coming year. In using this format, each child's program and progress is periodically evaluated.

HANDICAPPED

7 Reading	4 Language
2 Math	4 Social Studies
1 Science	7 Auditory Perceptual Skills
2 Visual Motor Skills	3 Visual Perceptual Skills

NON-HANDICAPPED

Testing

REPORT OF THE PRINCIPAL

1978-1979

The Moore Elementary School opened the 1978-1979 academic year on September 6, 1978. The roaring engines of trucks and bulldozers provided a sort of music to our ears. The construction of the new addition was underway. Although there were interruptions to our daily school routine, these interruptions were handled in stride by a cooperative and understanding faculty and student body. Various construction delays forced the opening of the new addition from the anticipated December date to March of 1979. The new addition was well received by the faculty, students, parents and community. After months of anticipation, our new addition was functioning. Needless to say, this addition has enhanced the general educational environment of the Moore Elementary School. The citizens of Candia can be proud of themselves for their continued support of the children in this community.

Curriculum improvement continued to be an important goal of the school board, administration and faculty. School District goals and objectives were adopted by the Candia School Board. Basic curricula in the areas of mathematics, reading and language arts were reviewed and revised. Efforts to bring about an awareness of reading as a leisure activity through our R.I.P. Program were cited by the New Hampshire Council for Better Schools.

Field trips to strengthen and actualize classroom instruction continued to play an important role in our program. Excursions to Strawberry Banke, Plimouth Plantation, Boston Symphony, Museum of Science, etc., all helped to make the students more aware of the importance of classroom instruction. The week long science excursion to Ocean Park, Maine under the direction of Charles Miner and Russell Marcoux once again proved to be a valuable experience to our students. As in the past, our students received a commendation for their fine behavior and attitude.

Accountability became an important issue in education during the 1978-1979 school year. With a desire to identify how well Candia students are doing with respect to basic skills development, a Local Planning Group consisting of parents, teachers, administrators and school board members was established to develop a testing program responsive to our local needs. Skills tested will be those determined important by Candia parents and faculty.

There are many factors involved with pupil achievement: the learning potential; the child; teacher - student ratio; instructional materials available; etc. The end result of a good local Accountability plan will be in revising local curriculum objectives, better supervision and training of teachers, resulting in improved pupil performance. This program expects to be operational in January of 1981.

The 1978-1979 standardized testing program was administered to students in grades 2,4,6,8. This program allows the administration and faculty to review the curriculum areas of reading, language arts, mathematics, science and social studies with respect to national norms. As in the past year, our students continued to improve. Students once again scored above the national average in the basic areas of reading, language arts and mathematics. These test results, coupled with the professional observations of the faculty and quarterly grade reports help to give insight into each individual student's progress.

In response to Federal and State laws regarding education of the handicapped, considerable time and effort is given by the administration, classroom teacher, school counselor, reading specialist, learning disabled specialist, speech and language therapist, special education teacher and school nurse in servicing the needs of hancicapped individuals between the ages of 3 and 21 years. Through careful testing, analysis and team review, individual education plans are developed for handicapped children. Services are currently maintained for several pre-school children and children between the ages of 14 and 21 years, not attending Moore Elementary School. Continuous review of individual education plans and new client referrals provide for a very involved special services program.

Extra curriculum activities in the areas of soccer, baseball, basketball, student government, drama, school newspaper, intramurals, etc., have contributed significantly to our children's growth. With limited access to activities in Manchester and surrounding communities, the faculty and staff have provided a strong and comprehensive program for the students. The development of the child socially, emotionally, physically and academically is of utmost importance to us.

The education of a child is in effect a team effort. The success or failure of this educational process is dependent upon how well each member of the team functions. I believe that education in Candia is a success because of the cooperation and support of the Community, the Candia School Board, the faculty and staff, and the parents and students.

I would like to express my sincere appreciation to the dedicated faculty and staff of the Moore Elementary School, Mr. Uhlenhake, Mr. Dann and Mrs. Benz for their cooperation and support, to Superintendent David Cawley and Assistant Superintendent Richard Thompson and to the people of Candia who have committed themselves to providing the best education possible for their children.

TIMOTHY L. SWEENEY
Principal

I Hereby Certify That The Above Return is Correct, According to the Best of my Knowledge and Belief.

MARION E. BEANE, Town Clerk

NEWMARKET REGIONAL HEALTH CENTER, INC.

The Newmarket Regional Health Center has made great stride in 1979 towards improving services for the residents of Candia. The number of people utilizing the services offered by the Center continues to grow at a rapid rate. Over 20,000 rides were provided by the Senior Citizen Transportation Service in 1979, an increase of 5,000 rides over the previous year. Following our move to a new and expanded facility, our utilization of medical services has increased 38% over the 1978 utilization level. In addition to the medical services provided by the Center, there has also been a significant increase in preventive and community health services.

In November of 1978, the Center moved its base of operations from its crowded second floor location on Main Street to a newly-renovated building at 14 Elm Street. The building is ideal, being centrally located with ample parking space for patients and staff. All of the Center's services are located on the first floor, and are easily accessible to handicapped individuals through the use of a wheelchair ramp. The medical clinic has expanded to include four fully-equipped examination rooms (three adult and one pediatric), separate laboratory facilities, a counseling room, receptionist's station, and extra waiting room space.

The Center's medical services are provided by Sarah Oxnard, M.D., Mr. Michael Lewis, a Registered Physician's Assistant, and Ann Morgan, a Nurse Practitioner. The medical team also includes a nurse and a Health Aide who perform the bulk of laboratory procedures at the Center, both of whom assist the physician and physician's assistant. The Center's Community Health Workers work closely with the Medical Staff to ensure the appropriate continuity of care for its diverse patient population. In addition, they coordinate preventive screening clinics to detect potential health hazards, hold information workshops open to the public, and act as a liaison between the medical provider and the patient. To make a medical appointment, call the Center at 659-3106 or toll-free at 1-800-582-7279.

The Senior Citizen Transportation Service provides regularly-scheduled bus service for the elderly of Candia and other area communities transportation to medical and dental care, social services, food and clothes shopping, and day-long excursions to social events are but a few of the many activities available to Candia seniors. To find out more about the Senior Citizen Transportation Program, or to arrange a ride for a senior citizen, call the program at 659-2424 or 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the continuing support given by the town of Candia.

ANN H. PETERS
Executive Director

Candia Clinics

June	Immunizations 95 individuals received 196 services
July	Foot Clinic 3 blood pressures
August	Immunizations 18 blood pressures 59 immunizations 38 individuals
September	Pap smear clinic 9 pap smears
October	Immunization 43 individuals 49 immunizations 38 flu vaccines & pneumovax 31 blood pressures 1 well baby physical
November	5/1 screening 28 individuals 137 services
September School Physicals	73 complete physicals (ie) height, weight, blood pressure, tine test, hematocrit, urine, eyes, ears, nose, throat, heart, spine, hernia, ovaries, and feet.

These clinics were made possible by the additional support given to Health Center Staff by the Registered Nurses and Community people who have given so generously of their time.

MINUTES OF THE 1979 CANDIA SCHOOL DISTRICT

The Annual School District Meeting of the Town of Candia, New Hampshire was called to order at 7:35 p.m., March 7, 1979, by Moderator Ronald Thomas in the Moore School Auditorium. The Moderator introduced the Assistant Moderator, Charles Bowman, and Ballot Clerks Edwin Brock and George Albert. He then laid down the ground rules of the meeting stating that he would read each article as it comes for consideration and accept motions on the article. Amendments may be made in writing and will be treated as the motions are. Only registered voters of Candia may participate in the discussion with the following exceptions: Superintendent David Cawley, Assistant Superintendent Richard Thompson, Principal Timothy Sweeney, and Attorney Louis Soule. Speakers must give name and motions must be in writing. Voting by hand signal except election of officers which is by checklist and secret ballot.

Article 1 read by Moderator Thomas as follows: To elect: A. Moderator for the ensuing year - B. Clerk for the ensuing year - C. Member of the School Board for the ensuing three years - D. Treasurer for the ensuing year - E. Two Auditors for the ensuing year. Motion made by Marjorie Benz and seconded by Russell Dann "I move that Article 1 be acted upon at the completion of Article 6." Put to a vote, the motion carried.

Article 2 relative to the continuation of Special Education Director was read by the moderator. Motion made by Russell Dann and seconded by Dale Uhlenhake as follows: "I move that the District continue the position of 'special education director' as a service to Supervisory Union #15." Mr. Dann explained the position regarding mandated education of special education children funded by state and federal monies, in that no additional monies are being requested, just the continuation of the position, and that cost is included in the budget. Mrs. Benz explained the position itself in that we need the expertise of this person to make certain we are doing things correctly in this area. Motion re-read by moderator, put to a vote; motion carried.

Article 3 regarding reports of agents, etc. was read by the moderator. Motion by Dale Uhlenhake and seconded by Russell Dann "I move that the reports of the officers of the District as set forth in the annual report of the Candia School District, be accepted and placed on file." Put to a vote, there being no discussion, the motion carried.

Article 4 relative to acceptance of State, Federal, and other funds was read by Moderator Thomas. Motion made by Marjorie Benz and seconded by Dale Uhlenhake "I move that the District authorize the School Board to accept on behalf of the District any Federal or State funds, gifts or Comprehensive Employment Training Act (CETA) funds designated to improve educational opportunities and to make application for such funds and to expend the same for such projects as it may designate." Mrs. Benz gave an explanation of the various sources of these funds and the anticipated amounts. Article was read again by the moderator, put to a vote, and motion carried.

Article 5 regarding funding of cost items relating to teachers salaries and benefits for the 1979-1980 school fiscal year was read by the moderator. Motion by Dale Uhlenhake, seconded by Russell Dann, "I move that the District raise and appropriate the sum of \$267,826.00 to fund all cost items relating to teachers' salaries and benefits for the 1979-1980 school fiscal year, \$17,811.00 of such sum representing additional costs attributable to the latest collective bargaining agreement entered into by the School Board and the Candia Federation of Teachers." Dale Uhlenhake indicated that school boards must make public negotiations between the board and the teachers. We have negotiated a three year contract but this article binds only the first year. Figure includes salaries and benefits and reflects an average increase of 7% per year. Participating in the ensuing discussion were Glendon Emery, Edwin Brock, Mrs. Chadwick, Diane Philbrick, Leonard Drew, with questions answered by members of the school board. Article 5 was re-read by the moderator, put to a vote, and motion carried.

Article 6 to see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the District was read by the moderator. Motion made by Russell Dann and seconded by Dale Uhlenhake "I move that the District raise and appropriate the sum of \$756,490.00 for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers and for the payment of the statutory obligations of the district." To enable all to understand the budget better the school board had prepared and passed out to everyone a diagram showing the tax dollar and the percentages of it as they relate to the total budget. Participating in the discussion were Mrs. Dufresne, Arthur Modis, Diane Cartier and Glendon Emery. Article 6 was then read again by the moderator, put to a vote, and motion carried.

Moderator Thomas then moved to the election of officers at 8:20 p.m., declaring a five minute recess, while the line formed approaching the checklist. At the close of voting, the meeting would be continued. At 8:55 the meeting was called to order with the results of the voting being:

Moderator - A. Ronald Thomas	Treasurer - Arlene Richter
Clerk - Marguerite Swain	Auditor - Alice MacDonald
School Board - Russell Dann	Auditor - Shirley Erving

There were 81 ballots cast.

Motion to adjourn the meeting at 8:58 p.m. by Dale Uhlenhake and seconded by Alan Popp. Motion carried.

MARGUERITE SWAIN
School District Clerk

ABOUT THIS REPORT

This report is prepared and printed for your benefit and is intended to give you a complete picture of your town and school. What has been done, where the money went, and what faces us in the future.

Town matters appear in front of the book and school affairs are recorded in the back of the book.

We endeavor each year to improve your report to make it readable and understandable. If you have any suggestions as to how we might make further improvements, please let us know.

Thank you.

BURNING REGULATIONS

State of New Hampshire

IN CASE OF FIRE - PHONE 483-2311

Written permits must be obtained from the Forest Fire Warden for all open fires at all times when the ground is not covered with snow.

Permits will not be issued for the kindling of open fires between the hours of 9:00 A.M. and 5:00 P.M. unless raining.

Permits for grass, brush, campfires, etc., must be obtained on the day burning is to be done.

Permits for screened incinerators and properly constructed outdoor fireplaces may be obtained for the season.

There is no charge for permits which may be obtained from Donald W. Seward, Forest Fire Warden, Candia. Tel. 483-8629.

All fires seen and reported by the fire lookout tower are checked with these permits and any person found to be burning without first obtaining a permit is subject to a fine up to \$200.

Any person found to be burning after being refused a permit because of unsuitable weather is subject to a fine up to \$500.

These regulations are set up by the State of New Hampshire Forestry and Recreation Department.
