# 1973 POLICE ACTIVITY REPORT

Total Calls and Services	848
Larcenies Reported	35
Breaking and Entering	6
Larceny of Motor Vehicles, all recovered	3
Summonses and Arrests	41
Assisting Other Departments	21
Local Accidents Investigated	86
Other Accidents Investigated	4

There was a great increase from the number of calls received in 1972 848 vs 695, and in the number of Larceny Reports, 35 vs 19. A slight increase in the number of Arrests and Summonses 41 vs 35. A decrease in the number of Accidents Investigated 90 vs 111. A decrease in Breaking and Entering cases 6 vs 10.

Once again we received great co-operation from the New Hampshire State Police and the Coos County Sheriff's Department.

Of special note was the most orderly Halloween, due entirely to co-operation of the young people with the police.

**REPORT OF THE FOREST FIRE WARDEN  
AND DISTRICT CHIEF**

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A. M. and 5:00 P. M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

UPPER CONNECTICUT VALLEY  
MENTAL HEALTH SERVICE, INC.

REPORT OF SERVICE RENDERED IN THE  
TOWN OF COLEBROOK

Over the past three years, Upper Connecticut Valley Mental Health Service, Inc. has provided a wide range of services to the people of our valley towns. Overall community response to the agency has increased and we have an average of 16 new admissions each month. Counseling, school consultations, and treatment programs are being maintained, and have been of benefit to 44 individuals and their families in Colebrook during 1973.

Mental health staff members work with school personnel in developing flexible programs for assisting students with problems. Working jointly with parents, teachers, and other helping people, such as the school nurse, students are offered counseling, as well as psychological evaluations in appropriate cases. We have also begun recently to be involved in discussion groups with high school students.

Again this year, admissions of area residents to New Hampshire Hospital have been minimal, and those returning to the community have been able to remain at home through the availability of local care.

Upper Connecticut Valley Mental Health Service is near the people it is meant to serve. Our office is open 9 to 5, with evening appointments available if that is the only time a client can be seen. Staff is available through the hospital switchboard for psychiatric emergencies. Since the agency is locally based, people can get help quickly, with the result that very few residents need leave the area for assistance.

Colebrook's contribution to Upper Connecticut Valley Mental Health Service is important to our continued service. Contributions help obtaining matching funds from State and other sources, and it helps us provide staff for help when it is needed. Costs are kept low as possible without impairing the quality of care. Per capita costs for our area are far below those of other rural mental health programs.

Upper Connecticut Valley Mental Health Service meets all State and professional standards for such programs, and is a full member of the New Hampshire Association of Community Mental Health Agencies.

Our staff is prepared to respond to your requests.'

Respectfully submitted,  
Beverly Foss Wise, ACSW  
Executive Director
