Keep this date in mind! On Saturday, April 14th, at 2:30 p.m., the "Friends of the Library" will hold a reorganization meeting at the library. All interested persons are invited to meet and plan together. Teen-agers are welcome. The "Friends" have some remaining anniversary stationery for sale at marked-down prices.

Families who have recently moved to town are invited to use the library, which is well supplied with books, magazines and records, with a special corner arranged for children.

Hours are Tuesday and Saturday afternoons from 1:30 to 4:30, and Tuesday evening from 5:30 to 7:30.

Program of the White Mountains Region Association

1972 (35th Year)

The officers and directors held two meetings to reassess the goals and projects of the Association to make them more meaningful for the 1970's. Out of these two eight hour sessions came agreements on five programatic objectives. They were the need to insure a quality environment, orderly development, improved public transportation facilities, vocational training, and the need for a community college. The first objective has received the most attention since these sessions were held. In this regard, the Association sponsored a workshop on air pollution in Berlin.

The Association has spoken out on the need to preserve the small family farms and, thus, it has actively supported the Open Space Bill, HB44. The Bill permits selectmen to tax land upon current use instead of its potential value. The Association spoke out in support of this Bill at a senate hearing in Concord and contacted the state senators and representatives in the region notifying them of the Association's position on the subject.

The Association sponsored a very successful sewage conference in Waterville Valley. Billed as a "sharing of ideas", the conference dealt with some new concepts in sewage treatment such as combining wood wastes with sewage to make fertilizer.

The Association organized a hearing on regional planning in Twin Mountain and worked with the Town of Carroll in setting up what turned out to be the most successful snowmobile hearing in the State.

Finally, as an integral part of it's annual meeting, the Association, held a very exciting panel discussion on "Development/Environment." Gov. Frank W. Sargent of Massachusetts, a former commissioner in the Department of Natural Resources there, addressed the group following the annual dinner on a theme in keeping with the theme of the meeting, "Best Use of Our Natural Resources."

Non-environmental Association activities for the past year included: help in preparing background information for the Berlin and Whitefield Airports for the hearings in Concord before the Civil Aeronautics Board; creation of a new Association logo and a very successful fall foliage shunpike folder; continued

promotion of the off season through news releases and the sponsorship of several canoe races, the most ambitious and successful of which was the New England Canoe Slalom held in Campton. Also, the Association assisted a group in Berlin to develop a plan for a hotel trade learning course.

In preparation is a canoeing folder, which, if enough advertising can be sold, should be out well before spring of 1973.

Organized a meeting and prepared a statement regarding the then proposed visitor's information center on the Kancamagus Highway with the U. S. Forest Service.

Presented awards to 4-H Clubs in both Coos and Grafton Counties.

Appeared on six radio programs, attended one travel show in Harrisburg, Pennsylvania, and spoke before several groups in the Region.

Inquiries for the year totaled 5,501.

Wrote 45 news releases and 126 personal letters.

Also wrote five newsletters, "Recreation Pressures in the White Mountain National Forest," "New Year's Resolution!," "Our Open Space", one on the "Sewage Conference", and a personal newsletter by John P. Wilson.

WHITEFIELD REGIONAL AIRPORT COMMISSIONERS REPORT

1972

The Regional Airport Commission is happy to submit its annual report to the various towns that it serves.

A glance at the Budget on the following page will show that the Airport Board is acting in a prudent, hold the line manner while continuing to provide services to all the people in the area. Even though the country is in a period of inflation and prices are skyrocketing, the cost of running the Regional facility remains at all time low.

Throughout the year the airport served as a base for National Guard search and rescue operations, provided regularly scheduled air service to and from Boston, charter flights, scenic flights, and many other services to both private and commercial interests.

Air line service continues to be a problem and if the major air lines had their way they would drop service to most of New Hampshire. At the insistence of our congressional delegations, the State Aeronautics Board and many people who are concerned with air line service for New Hampshire, hearings have been held; the outcome of which will determine the need for air service and which airport will receive said service.

The Whitefield Regional Airport was represented by Randall Spalding at the hearings and the recommendations that have been made by the Bureau of Operating Rights seem to favor our Regional Airport. A decision on the final outcome is not expected until late 1973. In the meantime, the towns served by the Regional facility, can expect air line service to and from Boston to be continued throughout the summer season.

Your Commissioners wish to thank all of the towns that have supported us in the past and we make an urgent plea for future support from all of the towns served by the Regional. We cannot operate without financial support from the several area towns.

Governor Thompson has recognized the need for financing airports from a different source and is, at present, studying the situation. For the time being, we must depend on area towns.

A special thanks to Mr. Randall Spalding and all our friends who supported us in the recent investigations.
