Notice : This is the only Town Report you will receive. Please bring it to the Town Meeting so you can follow the business procedures.

SELECTMEN'S REPORT

Before starting our report, we would like to acknowledge the efforts of some people who have been instrumental in getting Dalton back on an even financial keel. By their commitment to excellence and hard work, Dalton now has an excellent system of checks and balances, a one-write accounting system and accurate tax records. Our special thanks to Nancy Byron, Elinor Clarke, Becky McVetty and Sandra York.

During the past year, Dalton had its share of bad weather, the worst of which caused several washouts on Harriman Road, Union Road and others. The Road Crew spent many hours repairing the damage caused by the storms. New culverts were placed and ditches widened to try and prevent future flooding. However, the time spent on road repairs took away valuable days which we had planned to spend regravelling other roads in need. Regravelling will be a first priority this summer.

Another setback to the gravelling project occurred when the crusher broke down. This breakdown stopped the project but did enable us to transfer those remaining funds to help pay for equipment repairs. This account, General Highway Department, would have been even farther over budget had it not been for the reassignment of those funds. Equipment repair and maintenance is becoming a larger and more important part of the Highway Department's total expense each year and should be addressed accordingly.

The selectmen intend to create a policy manual for the town departments and their respective employees. This manual would contain individual job descriptions, vacation and sick leave policy and other information pertaining to the day-to-day operation of the departments. The manual would be developed with the input and help of each department head and anyone else so interested.

The Warrant Article about combining the positions of Tax Collector and Town Clerk would, we feel, greatly facilitate those functions and provide a better audit trail.

The Town gravel pit has been depleted to the point where we have reached the water table, hence the article to use revenue sharing money for the purchase of winter sand. This would give the town time, without an increase in the budget, to look for an alternative source.

As was discussed last year at the town meeting, we have included the town officers' salaries in a revenue sharing article. Included in the figure are raises for the Tax Collector and Selectmen's Secretary.

We wish to thank the many town members who have helped us with decisions and with their support during the past year.

WARRANT

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday the 13th day of March next, at 12 o'clock noon to act upon the following subjects. The polls will be open at 12 o'clock and will close at 6 o'clock in the afternoon. The business meeting will be held at the Dalton Elementary School Gymnasium and will open at 7:30 o'clock in the evening.

1. To choose all necessary officers for the year.
2. To see if the Town will vote to give the Selectmen the right to issue temporary loans in anticipation of taxes.
3. To see if the Town will vote to accept the Budget for 1984 as prepared by the Selectmen and appropriate the amount therein or to make any changes.
4. To see if the Town will vote to authorize the Selectmen to administer and dispose of any real estate acquired by Tax Collector's Deed at private sale, as the Selectmen, in their discretion, deem equitable and just (R.S.A. 80:42 (land 111)).
5. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year. (R.S.A. 31:95-6).
6. To see if the Town will vote to authorize the Selectmen to withdraw the sum of not more than Four Thousand Five Hundred Dollars (\$4,500.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the purpose of converting the present heating system in the Town Hall to a four-zoned hot water type system. To be put out for bids.
7. To see if the Town will vote to authorize the Selectmen to withdraw the sum of Seven Thousand One Hundred Dollars (\$7,100.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for Town Officers' and Selectmen's Secretary Salaries.
8. The Town of Whitefield, Senior Citizens Club, Inc. of which Dalton residents in part, are members, of this non-profit organization, would like to see, if the town will vote to appropriate the sum of Four Hundred Dollars (\$400.00), the same as last year,

to assist or fund, in whole or in part, the Whitefield Senior Center, for programs for the aging, and the administration thereof, with the advice of the State Council of Aging pursuant to R.S.A. 167-A 10 and to authorize the withdrawal of the required amount for this purpose from Revenue Sharing Funds established under the provisions of State and Local Assistance Act of 1972. By Petition.

9. To see if the Town will vote to authorize the Selectmen to withdraw the sum of Five Hundred Dollars (\$500.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the purpose of assisting the Dalton Historical Society in preparing and publishing a History of the Town of Dalton.
10. To see if the Town will vote to authorize the Selectmen to withdraw the sum of not more than Four Thousand Dollars (\$4,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the purpose of buying winter sand.
11. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the support of the Whitefield Ambulance Service. By Petition.
12. To see if the Town will raise by taxation One Thousand Dollars (\$1,000.00) for a Contingency Fund to be placed in a perpetual interest bearing Savings Account and used at the Selectmen's discretion for unexpected or emergency expense. This article requested by a majority at the budget hearing.
13. To see if the Town will vote to authorize the Selectmen to withdraw the sum of not more than Two Thousand Dollars (\$2,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the purpose of providing funds for the Dalton Bicentennial Celebration under the direction of the Bicentennial Committee.
14. To see if the Town of Dalton shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Dalton, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire. By Petition.
15. To see if the Town will vote to raise the sum of Two Hundred Dollars (\$200.00) for the Lunenburg-Gilman—East Concord Senior Citizens, Inc.

16. To see if the Town will vote to combine the offices of Town Clerk and Tax Collector into one elected position.
17. To transact any other business that may legally come before the meeting.

Given under our hands and seals this the 1st day of January, 1984.

The State Library, because of budget problems, has had to discontinue the Bookmobile and the Van service to Public Libraries. This has decreased the number of books available to our Patrons.

The Media Van calls at the Town Hall once a month and people are welcome to come and borrow books, cassettes, magazines, puppets and games. These must be returned to the Van on its next trip.

Due to our own budget problems we can buy very few of the new books coming out but we do get some of them.

The Library and Grange kitchen facilities are used often by Grange, Church, Ladies' Aid, Ladies' Auxiliary and others when they have their meetings. At these times books can be borrowed and returned.

We were given a sizeable donation of children's books this past year. They were used but were good books and were very welcome.

Our hours are still Monday 1 :30 - 4 :30, Wednesday 1:30 - 4 :30 and 6 :00 - 8 00 in the evening, Saturday 1 :30 - 3 :30 and Sunday after Church.

EDITH SWITSER,
Librarian

REPORT OF THE DALTON PLANNING BOARD - 1983

The Planning Board will be undergoing some necessary changes this year. A new state requirement for 1984 is a regular meeting once a month, so we will be meeting on the third Thursday of every month in the Town Hall. Dalton's procedures regarding subdivision date back to 1972, and since the state has held two Legislative Sessions in that last two years that directly affect these procedures, we must clarify and update our own regulations to comply with state law. The result of these Legislative Sessions is the recodification of the zoning and planning laws (Laws 1983, Chapter 447). The North Country Council has been invaluable in its willing assistance to the Dalton Planning Board and we will find it necessary to use their resources again this year. Last November our Planning Board members attended a lecture series sponsored by the North Country Council, which gave us an overview of planning law, and also opened our eyes to the complexity of subdivision law and the ramifications of not following it to the letter. Support for the North Country Council by Dalton will also show support for the Planning Board and other town offices.

We have been a 5-member board for many years though most Planning Boards have a minimum of 7 members. With that in mind, we have asked Clyde Lewis and Richard Bowers to join us as members. Other members are Sue Bean (secretary), Agnes Mooney, Zenaide Bradley, and our selectman representative, Howard Mooney. Only a handful of subdivisions came before the board in 1983, but 1984 will be a busy year for us, with updating and clarifying our procedures. Protection of the town has been, and always will be our main priority.

Respectfully Submitted,
JILL BROOKS, Chairman
Dalton Planning Board

DALTON FIRE DEPARTMENT

Annual Report for Year Ending December, 1983

1983 was a good year both fire and financially wise. The number of calls received in 1983 was up considerably compared with past years due to the increase of Mutual Aid calls.

Calls in town are up also compared to past years due to more chimney fires. We had only one major house fire and one with minor damage.

The chimney fires, all with wood stoves, were caused by burning green wood or partly dry wood. The green wood build up soot in the chimney which catches on fire, so please keep your chimneys clean.

Financially we ended the year without overspending our budget. We had very little repair work and upkeep on equipment and fire station. Next year - 1984 - the fire station should be painted inside and out, and two of our tank trucks are going to have to have extensive repair or be replaced.

We also continue to work with our neighboring communities and hopefully we will be ready and able to lend assistance when needed.

During the year the department had a total of 31 calls and 11 stand-bys to cover for Mutual Aid.

Structural	2
Chimney	7
Mutual Aid	12
Auto	2
Forest Fires	0
Grass	2
Dump	5
Misc.	1

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

WHITEFIELD REGIONAL AIRPORT

1983 REPORT TO TOWN

1983 has been both a rewarding and sad year for the Whitefield Regional Airport Commission. Warren Kiel of Whitefield resigned. New members include Donald Mooney of Dalton and Donald Herbert of Whitefield.

In April Mr. William Roberts, the Commission Chairman and Fixed Base Operator passed away. His loss has been felt by all connected with the airport.

In June Gary Sanborn was appointed as airport manager and Fixed Base Operator, David Astle started giving flight instruction, and B & B Aircraft began gearing up to become an aircraft maintenance facility.

September brought word that a Federal Grant of \$422,000 had been awarded for runway rehabilitation and the relocation of the access road for the airport and Industrial Park. Construction will start in the spring of 1984. The New Hampshire Aeronautics Commission not only helped us to obtain the Federal Grant, but will rebuild the Instrument Approach System.

Corporate aviation users have been supporting and using the airport more than ever. James River Corporation now bases a twin engine airplane at Whitefield and they have renovated one of the Airport Commission hangars. Burndy Corporation and Georgia Pacific Corporation are among the regular users. Transit aircraft have been bringing in passengers to stay at the resort facilities located in and around the area.

Regular airline commuter service was again established for a one month trial period. The Airport Commission is in negotiations to establish seasonally scheduled commuter airline service for next summer. This service would provide substantial benefits to the area.

1984 will require the Airport Authority to initiate programs to further improve the runway and meet Federal requirements. Commission implemented programs will help hold down the expense of maintaining and running the airport.

With continued dedicated support from the community, the regional airport is well on its way to becoming a viable, modern facility. Thank you for making the airport an active part of your community.

Sincerely,

WHITEFIELD REGIONAL AIRPORT COMMISSION

LEIGH WHITE - Chairman

TOM BERRY - Vice Chairman

GEORGE BLANEY

DAN EDGAR

JOE ELGOSIN

DON MOONEY

POLICE DEPARTMENT

TOWN OF DALTON ANNUAL REPORT

Each year it takes me longer to try and write this annual report because each year I keep trying to convince myself that it is going to be better. This I guess will never be the case. Every year we keep having the same old problems of breaking and entering, dog problems, accidents and on and on. Face it, we will never be a "Utopia." We can and must continue to work together and be ever on the alert to what is going on around us.

Twenty three (23) times we were called for auto accidents. This does not include accidents covered by State Police TOO MANY!!! I do not have a dollar value of damage but you can be sure it is staggering.

Thefts and burglaries were down again but what occurred were very time consuming and costly. Hours upon hours are involved in the investigation, paperwork and sometimes court appearances. Justice (???????) is still a sore subject with me. It seems that the innocent party has no or very little protection while the guilty party reaps the harvest at our expense.

GD the dogs. We have a leash law and dogs are supposed to be licensed each year but we spend way too much on this item. We should not have to chase the owners year after year to get this taken care of. The town is still in need of an animal control officer. If you are interested, speak please, and of course license your dog(s).

Enough said. Let's all work together harder and make it more difficult for the rascals to benefit from our labors.

This year being our bicentennial, we hope it will be a banner year in every respect.

Respectfully,
BRADLEY WHITCOMB, Chief
Dalton Police Department

DALTON RECREATION PROGRAM REPORT

FOR THE YEAR 1983

The Dalton Youth Recreation Program attracted 68 children in its program this year.

We had programs that included arts and crafts - swimming - bowling - baseball - volleyball and some trips.

The children went to the Flume in Franconia Notch, the Twin Mountain Fish Hatchery, went on a nature walk and had picnics.

There were 33 children in attendance in the swimming program and 25 or 30 in the bowling program which was held at the Lancaster Bowling Alley. The children were bussed to and from outside activities.

We had an Awards Night and a Supper for the children and their parents. The supper was prepared by volunteers and members of the program. Certificates were handed out to all and bowling trophies to the top players. The bowling trophies were donated by the Lancaster Bowling Alley.

Our Baseball Team played Gilman and Jefferson and looked real nice in their new uniforms which were funded in part by Georgia Pacific.

Of course our Recreation Room is open during the winter months for the children on weekends and during their school vacations. There is always an adult to supervise them. The Rec Room is downstairs in the Town Building where games, pool tables and ping pong tables are available for the children's use. Hot cocoa is sometimes served to the children. The Rec Room has been a success because of many donations and a lot of help. We began using the Rec Room with an open house.

We held some snow activities. We had a winter carnival of sorts. Prizes were won and a gathering at the Rec Room for refreshments after.

We have a skating rink next to the Fire House thanks to John York and help from the Dalton Town Crew.

The Riverside Grange presented us with the Citizens Award and a check this year which we were proud to receive.

We had our Halloween Party at the Dalton School with awards given out for different categories in the children's costumes. Many games were played and candy given out as prizes. Refreshments were also served.

We had a Christmas Program which was a large success thanks to the Dalton Ladies Auxiliary and the Dalton Fire Department, along with many other donations. The 4H Group put on a Christmas Program and Santa arrived by Fire Engine to pass out presents to all the children.

We are still working on our baseball field and hope to have it finished this year along with another dugout.

We the Committee of the Dalton Youth Recreation Program wish to thank everyone who helped make this past year the success it was and hope we can plan on your continued support in the future.

We have come a long way — however this could not have been done without the generous help from everyone. We thank each and everyone and look forward to your continued support to make this Program a truly successful one for the Town of Dalton.

Respectfully Submitted,

THE DALTON YOUTH RECREATION
COMMITTEE

NANCY HOLMES, President

SANDY YORK, Vice President

MARY BAILEY, Treasurer

EDWINA BERRY, Secretary

AUDITOR'S OPINION

Board of Selectmen
Town of Dalton
RFD #2
Whitefield, N.H. 03598

We have examined the summary of warrant and record of tax sale activity of Edith L. Burbank, Tax Collector of the Town of Dalton for the period January 1, 1983 through March 8, 1983. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned summary schedules present fairly the activities of the Tax Collector of the Town of Dalton for the period from January 1, 1983 through March 8, 1983 in accordance with RSA 41:35 of the Revised Statutes Annotated of the State of New Hampshire.
