We have examined the accounts and records of the Revenue Sharing Fund of the Town of Hampstead, N.H. for the fiscal year ended December 31, 1976 (June 30, 1977).

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances, and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Hampstead, N.H. for the year ended December 31, 1976 (June 30, 1977).

January 20, 1977

Signed
 BRIAN G. EASTMAN
 STANLEY P. JOHNSON
Auditors

TOWN WARRANT

1977

Town of Hampstead, N.H.

1977 TOWN WARRANT

TOWN OF HAMPSTEAD, N.H.

To the Inhabitants of the Town of Hampstead in the [L.S.] County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium, in said Hampstead on Tuesday, the eighth day of March next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To choose all necessary School District Officers for the year ensuing.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

| | |
|----------------------------------|--------------|
| General Government | \$ 64,100.00 |
| Protection of Persons & Property | 67,750.00 |
| Health Department | 9,060.00 |
| Highways | 62,200.00 |
| Library | 7,075.00 |
| Public Welfare | 13,400.00 |
| Patriotic Purposes | 700.00 |
| Recreation | 9,000.00 |
| Public Service Enterprises | 11,500.75 |
| Interest | 30,000.00 |
| Principal & Long Term Notes | 19,616.59 |
| County Tax | 54,000.00 |
| | \$348,402.34 |

Recommended by the Budget Committee.

4. To see if the town will vote to authorize the Selectmen to hire money for the use of the town in anticipation of taxes.

5. To hear reports of Auditors and Committees and to act thereon.

6. To see if the town will vote to authorize the Selectmen to administer or dispose of any Real Estate by public sale acquired by the town through Tax Collector's deeds.

7. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$85.00 to install 2 street lights for the entrance of Hampstead Estates on Route 111 and Marilyn Park Drive.

By petition.

No recommendation.

8. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$800.00 to change over all present incandescent lamps to 3500 lumen mercury lamps.

By petition.

Recommended by the Budget Committee.

9. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,000.00 to continue the project in 1975 of micro filming town records.

Recommended by the Budget Committee.

10. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$52,500.00 for the construction of a garage on town-owned land on Stage Road for multiple use. Said funds to be raised by the issuance of bonds as negotiated by the Selectmen.

Recommended by the Budget Committee.

11. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,700.00 to meet the first interest payment on the bond issue authorized for the construction of a town garage.

Recommended by the Budget Committee.

12. To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for the purpose of purchasing land owned by Aime & Monique Gingras, and commonly known as Ells Beach for the use of the town of Hampstead, one half of the assessed value to be re-im-bursed by B. O. R. funds, and to authorize the withdrawal of the balance, not to exceed the sum of \$35,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Recommended by the Budget Committee.

13. To see if the Town will vote to adopt the provisions of RSA 105:1, allowing the Selectmen to appoint the Police Chief, and rescind RSA 41:47 which allows for election of Police Chief. Said action shall not be effective until the 1978 annual Town Meeting.

14. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$8,000.00 to allow the Historical Commission to continue its project of refurbishing the Meeting House.

By request of the Historical Commission.

Not recommended by the Budget Committee.

15. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to establish a Capital Reserve for the future purchase of a cruiser for the Police Department.

Recommended by the Budget Committee.

16. To see if the Town will vote to accept the 1976 donation of \$2,500.00 from the Cohen Foundation Camps.

Recommended by the Budget Committee.

17. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to allow the Selectmen to enter into a contract with International Systems, Inc., to assist them in obtaining funding opportunities through federal grants and loan programs.

Recommended by the Budget Committee.

18. To see if the Town will vote to abolish the Capital Reserve Fund—Post War Work—established in 1945, and to transfer a sum of money not to exceed \$3,600.00 to the Conservation Commission for the purpose of purchasing shade trees.

By request of the Conservation Commission.

Recommended by the Budget Committee.

19. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be added to the Land Purchase Fund created in 1972 for the Conservation Commission.

By request of the Conservation Commission.

Recommended by the Budget Committee.

20. To see if the Town will vote to adopt the provisions of RSA Chapter 60 concerning Absentee Balloting for the election of Town officers.

21. To see if the Town will vote to adopt the provisions of RSA 72:43-b and 43-c for expended exemptions on real estate which provide for a resident sixty-five years of age up to seventy-five, a five thousand dollar exemption; a resident seventy-five years of age up to eighty, a ten thousand dollar exemption; a resident eighty years of age or older, a twenty thousand dollar exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident had a net income of less than seven thousand dollars or combined income with spouse of less than nine thousand dollars; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of thirty five thousand dollars.

By petition.

22. To see if the Town will vote to raise and appropriate the sum of \$431.87 as its share of the New Hampshire Municipal Association.

Recommended by the Budget Committee.

23. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be applied toward the hiring of Supervisory Personnel regarding the Manpower Program, so-called.

Recommended by the Budget Committee.

24. To see if the Town will vote to raise and appropriate a sum of \$1,500.00 for the use of the Greater Salem Mental Health Association.

Recommended by the Budget Committee.

25. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$6,540.00 (\$2.00 per capita) to allow the Selectmen to enter into a contract with the Shanahan Ambulance Service to guarantee this service for one year commencing March 15, 1977.

Recommended by the Budget Committee.

26. To see if the Town will vote to accept State Aid Construction of Class V roads, and raise and appropriate or set aside for said purpose the sum of \$367.39. The State's share being \$2,449.26.

27. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$2,000.00 to repair the dam at Shop Pond.

Recommended by the Budget Committee.

28. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$15,000.00 to pay the cost of municipal pick-up and disposal of rubbish and related materials for the months of October, November, and December.

29. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$15,000 to pay the cost of a transfer rubbish disposal station on town-owned property.

30. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$7,500.00 for the preparation of the present dump site as a collecting area for transportation to land fill area or incinerator.

31. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$17,500.00 to convert the present International Forestry fire truck to a pump and reel truck.

Requested by the Board of Fire Engineers.

Recommended by the Budget Committee.

32. To see if the Town will vote to appropriate a sum of money not to exceed \$450.00 received from the "Public Works Employment Act of 1976" Title II, Anti-Recession Fiscal Assistance to State & Local Governments for use by the Police Department.

Recommended by the Budget Committee.

33. To see if the residents of the Town of Hampstead will vote to require that the Town of Hampstead itemize each Budget Summary in the Annual Town Report to show exact figures and amounts where the allocated moneys have been spent and what individuals or companies and the amounts that they have received from each budget.

34. To see if the Town will vote to allow the Selectmen to appoint the Cemetery Sexton instead of election as at present; to become effective after Town Meeting 1978.

35. To see if the Town will vote to abolish the Land Fill Committee that was established at the March Town Meeting 1970.

Given under our hands and seal, this eighth day of February, in the year of our Lord nineteen hundred and seventy seven.

CHARLES W. LINDQUIST, Jr.
LAURENCE C. CORNWELL
DEAN C. HOWARD

Selectmen of Hampstead

A true copy of Warrant—Attest:

CHARLES W. LINDQUIST, Jr.
LAURENCE C. CORNWELL
DEAN C. HOWARD

Selectmen of Hampstead

Articles 20 and 21 will appear as referendum on the ballot.

The polls will not close before 6 P.M.

It is understood that a motion will be made at the opening of the meeting that the polls remain open until 8 P.M.

The business meeting will be held on Friday, March 11, 1977, at 8:00 P.M. in the gymnasium.

NOTICES

INVENTORIES are mandatory. They must be filed with the Selectmen on or before April 15th. Forms are distributed by mail. Please note that a description of the property which will enable the assessing officials to locate and identify each parcel is necessary. A phrase such as "Same as last year" or "no change" is not sufficient. On census portion list **only** names and birth date of any new, deceased or members of household moved away.

VETERANS should understand that it is their responsibility to request forms for tax exemption. The Blue card is a permanent record and must be filed only once. However, in order to receive the exemption each year, the Inventory must be filled in and the portion for the Veteran's Exemption checked, signed, and in the hands of the Selectmen before April 15th.

THE SELECTMEN will meet in their office in the Town Office Building on the second and fourth Monday of each month at 8:00 P.M. and meet on the second Monday at 7:00 P.M. with Department Heads.

THE PLANNING BOARD — Regular meeting is the third Monday of every month at 8 P.M.

ELDERLY EXEMPTION BLANKS are mailed to persons who have received the exemption the previous year. For persons over 70 who think they may be eligible and who have not received the exemption before, blanks can be obtained from the Selectmen and returned by April 15th.

FRANK E. HOWARD
Building Inspector

REPORT OF POLICE DEPARTMENT

The members of your Police Department submit with pleasure, the following report to the residents of Hampstead for the Bicentennial Year 1976.

This department investigated fifty four motor vehicle accidents, eighteen of which resulted in injuries, thirteen missing persons were reported (all located), forty-one breaks of which twenty-eight resulted in larceny, five stolen motor vehicles, nine recovered motor vehicles, forty-one acts of vandalism and over five hundred general complaints. Two hundred twenty cases were taken to District Court with a ninety-nine per cent conviction rate, five cases were heard in Superior Court and there are two pending.

N.H. Highway Safety funded two radios and a moving radar during the past year. To date the town has received over \$9,000.00 of this special funding. The moving radar has proven beneficial as speeding convictions more than doubled in 1976.

A new Uniform Crime Report developed by the F.B.I. has been accepted for use by this department and will be initiated January 1, 1977. Results of this report will be beneficial to all Law Enforcement Agencies throughout the U.S. Latest results released from last year's reports showed the crime rate in our town approximately twenty per cent less than towns of comparable size and the clearance rate (percentage of crimes solved) almost twenty-five per cent higher.

The Fire Department's Rescue Squad has proven helpful to us—especially at accident scenes, by caring for injured persons leaving us free for investigation and traffic control.

Sincere thanks to all Town Officials and Departments for their fullest cooperation, without which our job would be more difficult.

William J. Letoile, Jr.
Chief of Police

REPORT OF THE HAMPSTEAD FIRE DEPARTMENT

In this Bicentennial Year the Hampstead Fire Department participated in celebrations, parades, and musters in neighboring towns. We tended to the business of answering fire and rescue calls in Hampstead. The Department sponsored Fire Prevention Week Activities, the Santa Claus Parade and the Christmas Tree Sale.

The drill and training program for the members is extensive. It consists of driver training and pump operations, breathing equipment, structural fire fighting, lad-

der work, ventilation techniques, and fireground operations. A total of 2750 man hours were devoted to training and fire calls.

The town took delivery of the new Ford Pumper over the 4th of July. After a shakedown period and minor adjustments it was placed in service. This truck has a 1000 gallon per minute pump with a 1200 gallon tank. There is 2100 feet of 4 inch hose, smaller working hose lines, Scott Air Packs, a smoke ejector, lights, and other necessary equipment on board. The town will get many years of service from this vehicle.

We obtained a government surplus ¾ ton four wheel drive in late summer. The Firemen's Association donated the necessary funds to convert this into a forestry truck with a 300 gallon tank. The Jeep pickup, which will have its equipment transferred to this new truck, will be retired.

The Selectmen located a 5000 gallon tank truck for the Department at no cost to the town. The tank will have to be cut down to 4000 gallons to enable it to fit in at the Central Station. This truck, designed for the Air Force as an aircraft refueler, was only driven on level runways therefore the engine must be replaced and the transmission overhauled to adapt it to our roads. This truck will replace our oldest tank truck.

The Hampstead Central School, Town Hall, Town Office Building, Library and both fire houses have smoke and heat detector systems installed and tied into the Regional Dispatch Communications Center in Atkinson. This 24 hour monitoring will give the fire department a much quicker response time and enable us to save valuable property. We encourage every family in Hampstead to install smoke detectors in their homes to provide an early warning of deadly smoke conditions. A family escape plan needs to be worked out prior to an emergency and should include two different escape routes with a designated meeting place outside the house.

The Hampstead Emergency Rescue Squad, a branch of the Hampstead Fire Department, is now approaching the close of its third year of service. Through the continuous training and time spent by all members of the squad we have provided what we hope has been a valuable and needed service for the people in Hampstead.

This year we have responded to 71 calls: 18 heart attacks, 17 automobile accidents, 17 personal injuries, 6 respiratory emergencies, and 13 other calls of various natures. A total of 2272 man hours have been recorded for 1976.

The Squad trains on the first Wednesday of each month. The business meeting is the third Wednesday followed by a training session. There are now 11 Emergency Medical Technicians who have achieved National Registry status.

The Squad wishes to thank all of those people in town who have so very generously donated to assist us in our training program and maintaining our equipment.

The Board of Engineers wish to thank the firemen and rescue personnel for their support throughout the year. Due to this support the average response time is six minutes from the time a call comes in until the first unit arrives on the scene. A special thanks goes to Helen Connolly, our dispatcher, and the Hampstead Police for their help.

Respectfully submitted,

Walter M. Hastings, *Chief*
 Paul S. Wentworth, *Deputy Chief*
 Charles E. Kinney, *Captain*
 Neil E. Emerson, *Lieutenant*
 Glen K. Fitts, *Lieutenant*

LIBRARY TRUSTEE'S REPORT

This past year has been a difficult one at the Hampstead Public Library without the presence of our librarian, Mrs. Hazel Garland. Due to an automobile accident early last spring, she has been incapacitated for much of the year but she has made a remarkable recovery and we all wish her well.

We were however, very fortunate to quickly obtain the able services of Miss Bonnie Howard who, as Hazel's assistant, had learned the procedures at our library. In addition to "holding the library together" this past year, Bonnie has also painted and redecorated some library areas, and conducted and organized a book sale. Our grateful thanks are extended to Bonnie for her assistance during this interim period.

During the summer a library card system was initiated at the library in order to keep better control of circulation problems. Increased usage at the library particularly during the summer months necessitated the new system.

The Thrift Shop in operation during the summer months at the library continues to provide increased rev-

enue for the library. Many thanks to all those who have assisted in this annual project.

The Young Mothers Club has continued its ardent support of the library. In addition to assisting in moving the children's collection, they have conducted a very successful weekly story hour program.

During the summer months and early fall, the Club gave the Library the following:

A complete set of adult Encyclopedia
 A set of Junior Encyclopedia
 18 cassettes
 Work package for the Children's Room
 Subscription to 1/2 dozen periodicals

The above purchased were from proceeds from the 1976 Penny Sale. The Club now sponsors the pre-school story hour under the direction of Jean Phillips. Fifteen children are enrolled in the Tuesday morning session. In conjunction with the story hour, the Club sponsored the 2nd annual Halloween party for pre-schoolers, and also a Christmas party.

Our gratitude is given also to Mrs. Elizabeth Rooney who assisted with cataloging this past year.

Many thanks are extended to those individuals making book donations to the library and in particular to the Lisa Woodman Fund. A collection of juvenile books pertaining to New Hampshire and its environs was purchased with monies from this fund.

It takes help from many individuals for the successful operation of any organization — your public library is no exception and your continued support is greatly appreciated.

Respectfully submitted,
 Beth Duston
 Mary E. Clark
 Florence Malsbenden

REPORT OF THE PLANNING BOARD

The town of Hampstead experienced significant growth this past year with the approval of over 30 new house lots by the Planning Board.

A wetlands ordinance was passed this fall which will protect our valuable wetlands and allow for a more proper use of our land. Also passed was a zoning change on Route III, from residential to commercial C2 to allow for a small shopping area and dinner theatre.

An amendment to our Building Code was passed at the last town meeting, that mandates that seasonal dwellings almost all around our lakes must conform to our present waste water requirements, thus helping to prevent increased pollution of our lakes.

LEONARD R. CHASE, *Chairman*

REPORT OF SOUTHERN ROCKINGHAM REGIONAL PLANNING DISTRICT COMMISSION

The S.R.R.P.D.C. specifically assisted the town of Hampstead with Flood Insurance Program application, preparation of the Wetland Zoning ordinance, town forest application for Bureau of Outdoor Recreation funds, and conducted on-site investigations for subdivisions.

The general work program also included continued water quality planning under the 208 program, with an ongoing program to find, correct, and alleviate pollution in our surface and ground water. Specific areas of concern are septic systems, septic disposal, and solid waste disposal. To better understand these problems, studies continue and concentrate on such items as conversion of seasonal to year-round homes, waste water facilities needs, wetlands, soils, ground water and proper land use, to name a few.

The Commission also continues its role of assisting communities by informing them of federal and state grants, and then helping the communities to apply for these grants. One of the more important Federal programs this year and next will be the Public Works Employment Act, which we hope to receive for our middle school.

Leonard R. Chase
Commissioner SRRPDC

DERRY VISITING NURSE ASSOCIATION THIRD ANNUAL REPORT TO THE TOWN OF HAMPSTEAD

July 1, 1975 through June 30, 1976 comprised our third full year of providing home health services to Hampstead. Each year has shown a steady increase in the number of visits made, which is probably due both to increased awareness of the agency's services, as well as to the fact that people are being discharged earlier from hospitals and are more frequently in need of temporary assistance upon discharge.

Nursing visits to provide care to the ill under physician's orders increased last year from 101 in 1974-1975 to 154 in 1975-1976. The greatest increase, however, came in the utilization of our homemaker and home health aide services. This went from 202 visits in 1974-1975 that provided 143 hours of care to 278 visits in 1975-1976 providing 481 hours of care in the homes of Hampstead residents. This service is still primarily funded by county and federal funds, and through various third parties; however, it meets real needs in the six towns we serve.

Certain visits are made as "public health" or "no charge" visits, as they would be by a town health department if such existed. Chief among these are our visits to newborns and their mothers. The Derry Visiting Nurse Association was awarded a grant in February, 1976 from the state Bureau of Maternal and Child Health in order to increase its efforts in providing more in-depth and supportive kinds of visits in this area. Under this program the state is asking local visiting nurse associations to identify and provide assistance, especially to infants and families who might have greater health or development risks. However, our own commitment is to make ourselves available, also, for support to *all* families of newborns and pre-school children. Our major opportunity to be of assistance is by making a visit as soon as possible after mother and baby come home from the hospital. Because hospital referrals are not certain and are often delayed, families wishing such a visit should feel free to call our office, Monday through Friday from 8 A.M. to 4 P.M. at 432-7776 or 434-5806.

Other services which remain available to Hampstead residents without charge include:

BP Screening Clinics—sponsored every 2 months by the "Sixties Plus" Club—held in the winter in Sandown and in the spring and fall in Hampstead.

Immunization Clinics—held the first Friday of February, April, June, August, October and December from 9 A.M. to 10:30 A.M. at St. Luke's Church on East Broadway in Derry.

Physical therapy is available under doctor's orders through home visits.

Our agency also provides liaison assistance between state clinics and local families, including help in making out applications.

Members of our Board of Directors who are currently representing Hampstead include: Jeanne Cooke - 329-5532; Charles Clark - 329-6307; Ruta Jordans - 329-6880.

Respectfully submitted,

Joanne Millsaps, R.N.
Nurse/Administrator

REPORT OF THE HAMPSTEAD LAND FILL COMMITTEE

According to State and Federal Law, July 1, 1977 will be the end of all open burning in dumps. It looks like there will be no extension as there was two years ago.

The committee has looked into incineration but at this time there seems to be no workable units for a town our size that we could afford. The only acceptable method of disposing of our rubbish at this time is landfill. At this time the town has no accepted landfill area, therefore this will have to be handled by a private contract.

There are two methods of rubbish removal. The first is house to house pick up and the second is a transfer station at the present dump site. According to the first method the contractor would pick up the rubbish in front of your house and the second method involves

people bringing their rubbish to the transfer station at the dump and then it would be hauled to an approved landfill site by the contractor.

There will be an article in the town warrant to appropriate funds to handle the disposal of rubbish under the new requirement.

The selectmen have acquired from the Federal Government free of charge a D8 bulldozer and a four wheel drive bucket loader for the maintenance of the present dump.

We would appreciate everybody's cooperation with the dump attendant when disposing of your refuse.

Neil E. Emerson
William Klemme

Dale McLean
Maurice Randall, Jr.

REPORT OF THE SUPERINTENDENT OF SCHOOLS
ROBERT J. CROMPTON

It has been referred to as the "light at the end of the tunnel."

The School District, at its 1976 Annual Meeting, finally gave approval to a building program, the construction of a 350-pupil middle school. Along with this, negotiations continued for a new long-term contract with the Pinkerton Academy for the education of Hampstead's high school students.

The School Board then decided to terminate year-round school schedules at the end of the current year. By proceeding immediately with construction of the addition to the Central School and by utilization of that school's library as a classroom, two additional instructional rooms may be gained. Home Economics and Industrial Arts programs will be cancelled for the 1977-78 school year, but will resume with the opening of the new middle school.

So while year-round schooling will come to a close in June 1977, there will remain significant problems of space and program until the middle school becomes operational. The Board has been advised by the architect that a construction period of 14 months is reasonable for a project of this type, meaning that the new project will not be completed until May of 1978.

At the time of this writing, the Hampstead School District was advised that the middle school project had been approved by the federal government for funding under the Local Public Works Employment Act. Final approval of the Under Secretary of the Economic Development Authority and initial funding is anticipated during January 1977. The federal funding program is aimed at creating immediate employment in geographical areas of substantial unemployment. Hampstead's project met the test. It was ready to go. It was submitted in a timely, accurate, complete fashion. Actual construction could be guaranteed to begin within 90 days. The amount of that grant is \$1,417,700. Not all of the project is included in this grant. The addition to the Central School, cost of equipment and most architectural and engineering fees were omitted from the federal project application in favor of retaining those items that would generate employment, a prime criteria in the review process.

As we look to the future, we see solutions to space and instructional program problems. We see really significant local tax relief by virtue of federal funding. We also see a need for continued long-range planning. Hampstead is a very attractive community and will be more so with school housing problems solved along with a reasonable local tax picture. Growth is certain. We must work together to master the growth which for the past several years has mastered us in our school situation.

It has been a distinct pleasure for our office to work with the Hampstead community in its successful search for the "light at the end of the tunnel."

REPORT OF THE PRINCIPAL
WILLIAM P. NICHOLS

As the students and staff of the Central School approach the halfway point of the third full year-round scheduling, an end can be seen to a less-than-ideal solution to the need for space at the Central School. The approval of the Middle School and addition to the Central School has brightened the future for everyone concerned. The addition to the Central School will be used as two teaching stations and a limited library area. This maximum space utilization will enable us to schedule a normal school calendar next year.

Staff efforts throughout this school year are concentrated on the improvement of the language arts and mathematics programs. Through the work of the special services team, in conjunction with the classroom teachers, the reading curriculum has been expanded to enable us to better meet the needs of all students. The continuing involvement by the staff to improve the academic and extra curricular programs has had the support of many parents through the volunteer library-aides, room mothers, and a number of enthusiastic fans at athletic events. A new group of parents have supported the organization of the Hampstead Music Boosters that will enhance our fine music program. The sports teams have had the benefit of additional involvement by students and teachers through the organization of the Student Athletic Club.

Above and beyond the prime concern of the school, which is providing the best education possible for our students, is their safety and health. Our ability to look out for the safety of our youngsters was greatly improved by the installation of a new fire alarm system that has a direct connection with the Fire Department. Heat and smoke sensing devices are installed in key locations throughout the building. The building has four zones that are connected to the firehouse, and a signal device at the front entrance which will indicate to firemen which zone is involved. This gives everyone concerned a more confident feeling for one of the biggest concerns in schools.

With a new Middle School in the not too distant future we can all look ahead enthusiastically to a brighter educational future for the children of Hampstead.

HIGH SCHOOL ENROLLMENT

December 31, 1976

The following tabulation shows the number of high school pupils, by grades, attending various schools and their respective tuition rates:

| Grades | Pinkerton Academy | Timberlane Regional | Totals |
