SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen

Lyman, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Lyman for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town. Exhibits hereafter listed are included as part of the report.

One of the enclosed audit reports must be given the Town Clerk to be retained as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Cemetery Association and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1970 and December 31, 1971:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-1. As indicated therein, the current surplus increased by \$652.33 during 1971, from \$4,325.98 to \$4,978.31.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Increase in Surplus:

Net Budget Surplus (Exhibit A-4) \$1,704.66

Decreases in Surplus:

Surplus Used to Reduce Tax Rate \$200.00
1971 Net Budget Surplus To Be
Transferred to Capital Reserve
Fund (Pursuant To Article #9-
1971 Annual Meeting) 852.33
1,052.33

Net Increase \$ 652.33

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$1,679.87, plus a net unexpended balance of appropriations of \$24.79, resulted in a net budget surplus of \$1,704.66.

TREASURER

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Trust Funds:

In our last audit report, we asserted that certain transfer of accumulated trust fund income to the Cemetery Association in 1970, were at variance with state law and constituted illegal use of such funds.

Since the publication of that report, however, we have been given evidence that attests to the propriety of those transfers, except for a portion of the withdrawal made from the Ellen Thornton Fund. In the latter case, the amount withdrawn in excess of legal limitations was restored to the custody of the Trustees of Trust Funds during 1971.

Conclusion:

The provision of Chapter 184 of the Laws of 1955 require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Lyman for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Lyman for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Lyman at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante

REPORT OF THE LYMAN PLANNING BOARD

The Lyman Planning Board was established by the passage of a warrant at a special town meeting held October 5, 1971.

The following townspeople were appointed to the Board for the terms after their names:

Keith Booth, Chairman, three years
James Locke, one year
Leonard A. Labbay, two years
Clayton M. Miner, four years
R. Jeff Ogden, five years
George F. Godfrey, six years
Bernard R. Santy, member from Board of Selectmen

The Planning Board met Tuesday evenings from October into February drawing up a proposed zoning ordinance. Attendance was better than 95%. Outside advice from R. Lisle Baker, an attorney who offered his services free of charge, County Agent Richard Rutherford, and Robert L. Ward from the State of New Hampshire Office of State Planning was sought. Many of their suggestions were incorporated into the proposed ordinance.

All permanent residents were shown a copy of the proposed ordinance during the latter part of December and asked for their suggestions and recommendations.

The first public hearing on the proposed ordinance was held January 18, 1972. The second public hearing was held on February 15, 1972. The ordinance will be voted on at the March 7, 1972, Town Meeting.

Respectfully submitted,

The Lyman Planning Board

Selectmen and Members of Budget Committee
Town of Lyman
Lisbon, N.H. 03585

The North Country Home Health Agency, Inc. wishes to officially file a budget request for the year 1972. The Lisbon District Nurse Association joined our agency, so now the funds will be handled in our Central Office at 97 Cottage St., Littleton, N.H. 03561

Our request for funds is based on population as listed in 1970. At one dollar per person, Lyman has 197 people so your share to be appropriated and paid to our agency is \$197.00. This is a small insurance fee to pay to assure one of the most important services to human beings; that of keeping healthy and if sickness strikes to receive assistance in returning to a healthy status and function as a dignified human being.

We are now able to provide in addition to Public Health Nursing in the homes, physiotherapy, social service and speech therapy.

Our agency serves 13 towns and covers an area of 662 square miles.

For service or information, please call 444-5317.

Respectfully submitted,

Lyman, New Hampshire 03585

Gentlemen:

The purpose of this letter is to request you to include in your town budget for 1972 an appropriation for White Mountain Community Services, Inc. As we did last year, we are again asking for an appropriation of \$1 per person in each community based on the latest population count. For the town of Lyman this will amount to \$213.

Last year the response from the 21 towns served by White Mountain Community Services was encouraging. Eighty-one percent of the towns voted the \$1 per person! Combined with voluntary giving, state grant, and patient fees, support by towns is an essential element in our ability to continue mental health service to the region.

To each Board of Selectmen we are enclosing a copy of our 1971 Annual Report. Should there be any questions which are not readily answered in the written material, please call us so that someone from our staff or Board of Directors can arrange to talk directly with you. We would consider this both our responsibility and a pleasure.

Thank you for your consideration.

Sincerely,

Robert Whitney, President
Board of Directors

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET – IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them **dead out** when leaving.
4. **Most important** - instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned - 1971 season:

STATE	463 fires - 160 acres
DISTRICT	19 fires - 11 1/4 acres
TOWN	0 fires - 0 acres
