### Our Springfield

It's true that you find today  
A lot of Springfields, U.S.A.  
Some are large and some hold fame  
Unlike the little town we claim.

Yet we, too, own our springs and rills  
And fields amid the wooded hills  
To earn the name we chose to give  
The pleasant town in which we live.

Fairfax Downey

### Cover Reference

The cover on the town report for 1982 is a reprint of an old map that was used to advertise CAMP INNISFREE which was located on the southwesterly shore of Lake Kolelemook. The inn which was operated by Miss Rachel Coffin and Miss Nannie Skillman, both of Washington D.C., was a busy summer attraction until it was torn down in the early forties. The foundation remains are still located near Pauline Drummond's home. Miss Coffin's cottage is presently owned by Mr. and Mrs. Robert Carbone and Miss Skillman's cottage by Mr. and Mrs. Roger Covey.

# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

The Polls Will Be Open From 11:00 A.M. to 6:00 P.M.

To the Inhabitants of the Town of Springfield in the (L.S.) County of Sullivan, in said State, Qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Springfield on Tuesday, the eighth day of March, next at eleven of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing by ballot, with the use of check list.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the Selectmen to borrow money on notes of the Town in anticipation of taxes.
4. To see if the Town will vote to allow a one and one-half percent discount on taxes paid within thirty days after the mailing date.
5. To see if the Town will vote to authorize the Selectmen to withdraw funds from the Capital Reserve for the purpose of purchasing new or used equipment for the Fire Department, or the Highway Department, when and if necessary.
6. To see if the Town will approve the continuance of the survey of Town Forest and the sale of Timber.
7. To see if the Town will vote to authorize the Selectmen to raise and appropriate \$30,000 for the purpose of financing the reappraisal of all town property as ordered by the N.H. State Dept. of Taxation, and, further, to authorize the transfer of \$20,000 from surplus funds for the reappraisal and raise the balance from taxes.
8. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Trust Fund established under the provisions of the State and Local Assistance Act of 1972, for use as a set-off against budget appropriations for the following priority purposes and in the amount indicated; or take any other action thereon.

Purpose:

Dump

\$6,500

9. To see if the town will vote to authorize the Selectmen to appoint a deputy tax collector.
10. To see if the Town will vote to authorize the Selectmen to make use of a computer service for the purpose of tax billing and other town related business.
11. (By Petition) To see if the town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Springfield and to the health and welfare of the people of Springfield.
12. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$500.00 for Community Youth Advocates, Inc. in order to assure continued services and counseling for the young people of this community.
13. \* "Shall the citizens of Springfield ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to:  
  
Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries."  
  
\* (By Petition)
14. "Shall the Town of Springfield withdraw from the Sullivan County Regional Refuse Disposal District as provided by Article VI-2A of the Sullivan County Regional Refuse Disposal District Agreement?" (Yes or No by printed ballot and use of checklist.)
15. \* "To see if the Town will vote to have the approval by vote of the Town at a Special Town Meeting before any interlocal or Solid Waste District agreement can be submitted to the State of New Hampshire."  
  
\* (By Petition)
16. To see if the Town will vote to accept the budget as submitted by the Budget Committee.
17. To hear the reports of the Officers and Standing Committees.

18. To see if the Town will vote to authorize the Selectmen to review, reorganize and appoint all standing committees.

Given under our hands and seal the Sixteenth day of February in the year of our Lord nineteen hundred and eighty-three.

JOHN CHIARELLA, Chairman  
LOUISE B. JACEWICZ

### **SELECTMEN'S REPORT**

Throughout 1982 we have made a concerted effort to conduct the affairs of the town in a careful and frugal manner. With help from all concerned and with an extra hand from the weather man in November and December we have ended the year successfully. Special mention should be made of the monumental task done by our Tax Collector, Cynthia, in processing the tax bills so promptly.

You will be asked to make several very important decisions during Town Meeting - in particular, the reassessment of the town; the Solid Waste Proposal and the use of a computer service to provide for a more accurate and efficient processing of certain town records. The selectmen have spent much time in evaluating these projects so feel free to ask questions in order that all aspects are carefully covered.

During the year, several fine community workers found it necessary to terminate their services to the town for a variety of reasons. We do wish to express a sincere thanks to them for their important contributions in the past years.

Our special thanks to Diane Charles who has been our right hand "Gal Monday" for the past two years. Her willingness to assume a difficult position at a most difficult time was much appreciated.

With continued community input and energetic involvement we look forward to the problems and pleasures of 1983.

Selectmen,  
John Chiarella

**ANNUAL REPORT**  
**LIBBIE A. CASS MEMORIAL LIBRARY**

The library has continued to function in a service capacity for Springfield residents and taxpayers during 1982. With the help of our volunteers: Sue Anderson, Doey Anderson, Frank Anderson, Kitty Dart, Terry Davis, Lessie Klein, Priscilla Meyer, Nancy Putney, Barbara Reney, Muriel Tinkham, and Joanne Wheeler we were able to maintain our eight hour weekly schedule.

Special thanks to Fran Crowell for presenting a really great reading program for the younger children in the community last summer and to Deed and Priscilla Meyer who helped so much with the Christmas Party.

Our librarian, Amy Anderson, and our special custodian, Elba Jillson, have as usual made welcome contributions to the smooth running of the library. Don Gambino did some needed carpentry repairs during the summer and Napoleon Lamy recently installed a ventilating fan in our rest room.

During the year we have had many donations of books from our friends in and out of town - some as far away as South Carolina. Our shelves are filling up with excellent books and we shall soon have to make new space arrangements. We have also made good use of funds provided by the income from the Green Trust Fund to supplement our selections for the children's room.

As a result of our fund raising activities and other donations the library trustees will award a scholarship in the amount of \$200 to a Springfield resident in the graduating class of 1983 at Kearsarge Regional High School. This year the scholarship will be given in the name of Marjorie George who served the town so faithfully for many years. Details are available at the library and at the principal's office at the high school

This year the amount requested in the town budget for the library services will show a figure that reflects all operating costs - books, supplies, salary, telephone, electricity, heat and insurance etc. . . Please consider this as you examine the budget.

Your library personnel is dedicated to serving a real purpose in Springfield for young and old alike. Our thanks to everyone for the support given in 1982 and our invitation to you to visit and perhaps become more involved in 1983.

## POLICE REPORT FOR 1982

As police officer I would like to thank all the deputies who have helped me from time to time this past year. Also, thank you to the members of the fire department for the help and support they gave to me. I would also like to thank the police departments of Grantham and Sunapee for their assistance.

Special thanks to all the townspeople and the selectmen for your support in making this year a success.

To the Citizens of the Town of Springfield, N.H.

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, and other Town Officers. I have compared their accounts, vouchers, and bank statements of funds on deposit, and find these records to be in agreement, and I believe these records to be a true record of the town business for the year ending December 31, 1982.

## Annual Report to the Town of Springfield

Our seventh year is overflowing with 27 wonderful children! Fortunately, it is a very gentle and delightful class. We visited the Montshire Museum in Hanover in November to see a special tour about animal senses. At Christmas time we traveled with Grantham School to Hopkins Center to see *Robinson Crusoe*. In January we visited the Philbrick farm in Springfield to see all the lambs. We took part in two performances; one in October with Arthur Hall and one at the annual Grantham Christmas show. We were also treated to a movement session with the Artists-In-Residence, the Ram Island Dancers. In the spring we will again turn the classroom into a "real" town with Selectmen, elections, taxes, hospital, fire station and all.

All of the above activities accompany the everyday foundation of math, prereading, handwriting, listening, art and music. Thanks to all the support from parent aides and the capable presence of Mabel Patten as an aide five mornings a week, we are moving through the academic program right on schedule. A warm thank you to Elba and Lucy for keeping us tidy and clean. It has been fun working all together.

Fondly,  
JANET BOOKER, Teacher

## GRANTHAM-SPRINGFIELD KINDERGARTEN

Flourishing in our midst during the past seven years has been an exceptional educational opportunity for the very young. We are extremely fortunate to have an excellent teacher, staff, and facility to offer our children at a time in their lives when they accept school as truly exciting. Public kindergartens are not yet the norm for most rural areas in the state of New Hampshire. Out of 169 public school districts, only 55 districts operate public kindergartens. Unfortunately, there are many kindergarten age children in this state who are not benefiting from an early childhood education at a public kindergarten. What is even more unusual and special about our kindergarten is the fact that it is the cooperative effort of two neighboring towns, both of which belong to two different school districts. We are indeed fortunate to have such a program.

Last April it became apparent that the Kindergarten Supervisor had one immediate concern. With the proposed closing of the Grantham Village School and the plans for a new elementary school, the possibility of the kindergarten being "transplanted" arose. But it was not long before all who examined the situation recognized the many advantages to continuing the program as it currently functions.

As a direct result, a Letter of Agreement was signed by the Springfield selectmen and the Grantham School Board confirming that the kindergarten would continue to operate at its present location. If any changes were to occur, a two year written notice would be given. This document also reviews the terms concerning the cost of operating the kindergarten. It is shared equally between the Grantham School District and the Town of Springfield. Springfield's fifty percent share continues to be a combination cash contribution, payable to the Grantham School District, and an in-kind contribution for the value of room rental, utilities, insurance and custodial care. If there is any tuition revenue from students attending from towns other than Springfield and Grantham, it will be divided equally.

This year's town budget shows a budget item of \$5,089.00 for the kindergarten. This figure represents the combined annual payments for two years. It has previously been included under the town office expenses. At present, the Springfield selectmen, the Kindergarten Supervisor, and the Superintendent's Office have prepared a 1983-84 budget that was presented to the Grantham School Board on March 1st as follows:

<b>Item</b>	<b>Amount</b>
Teacher Salary	\$ 7,300.00
Part-Time Aide	996.00
Textbooks	30.00
Library/Audio-Visual	46.00

Teaching Supplies	545.00	
Retirement	119.00	
F.I.C.A.	556.00	
Workmen's Compensation	59.00	
Unemployment Compensation	21.00	
Maccabees	66.00	
Dental Plan	102.00	
Classroom Rental	1,350.00	
Utilities	2,500.00	Springfield
Custodian	1,400.00	In-Kind
Insurance	500.00	Contribution
TOTAL	<u>\$15,590.00</u>	
Grantham Share	7,795.00	
Springfield Share	5,750.00	
	2,045.00	Cash Payment to Grantham

Although there are significantly more Grantham students than Springfield students attending the kindergarten this year, the ratio of students during previous years has been balanced. Projections for the future indicate that a balance will probably continue; therefore, a per pupil cost basis is not being considered at this time. In more ways than one, we have a truly cooperative kindergarten. May it continue to thrive and benefit our most precious resource—our children!

ELIZABETH E. D'AMICO  
Kindergarten Supervisor

## DUMP COMMISSION REPORT

1982 marked another year of feverish activity and frustration, as your Dump Committee continued its search and evaluation of options best suited to handle the town's long range solid waste disposal needs.

The State continues its planning process for the development of a statewide solid waste management plan, which would encourage recycling and/or resource recovery facilities.

The Sullivan County Regional Refuse Disposal District and the NH/Vt Solid Waste Project continue their combined investigation of refuse disposal alternatives. The District budget, adopted for 1983, indicates a preference toward Incineration/Energy Recovery. At this time, though, no firm cost figures have been developed, nor has a contract been negotiated for the construction of an incinerator/electric power generating facility. Also, the offer by a Vermont Utility to purchase the electric power generated by the project has been withdrawn.

Your committee has been actively discussing viable alternatives with selectmen and committees from nearby towns (i.e.: smaller districts, joint ventures). A schedule of the plan for forming any new refuse disposal district must be filed with the state by October 1, 1983.

The plight of a small New Hampshire town is perplexing. Our village is too small to afford its own solid waste disposal system. We shudder at surrendering our influence and financial control to a larger political refuse district. Our tax base is so small that even a slight budgetary increase seems an awesome burden. But, regardless of our anxieties, we are forced to join with one or more other towns to solve our refuse disposal dilemma.

The town has until August 10, 1983 to decide and vote whether to stay in or pull out of the Sullivan County Regional Refuse District, and until October 1, 1983 to file any alternative plan with the state. Your Dump Committee is working diligently against these deadlines to develop a waste management plan most favorable to the needs of our small village. The Pros and Cons of the Sullivan County plan and other alternative plans will be presented to the townspeople in time to make an intelligent decision on our future course of action.

Your Dump Commission believes, first and foremost, that its primary task is to provide the townspeople of Springfield with a long range cost efficient and environmentally safe refuse disposal system. The Commission will continue to keep the townspeople informed, through special town meetings.

## CIVIL DEFENSE REPORT

The past year we worked on updating our emergency plans and annexes for the town to cover natural and nuclear disasters. Our program papers were approved by Region 1 Headquarters making us eligible for aid if needed. We now have one RADAF kit (Radiological Monitoring Kit) in town. We thank the state civil defense, town officials and townspeople for their help and cooperation. We continue our training through state, federal and local seminars, home study courses and drills.

Thank you for a good year.

## SPRINGFIELD VOLUNTEER FIRE DEPARTMENT

### Annual Report for Year 1982

The Volunteer Fire Department would like to thank the townspeople for the new fire truck. It represents a great investment for the future of Springfield.

During the year we had 23 fire calls. Thanks to the volunteer firemen for attending Fire Training Schools, meetings and work calls so that they could respond to these emergencies.

To report a fire in town, the number to call is 1-643-2222. This connects to the Hanover Dispatch. Give the dispatcher the town (Springfield), the type of fire, and your location along with your grid number and letter. If you do not know these numbers for your location please check with any Fire Department member.

MAC CHARLES  
Fire Chief

## SPRINGFIELD FAST SQUAD

The squad now has 6 members with the completion of the 40 hour 1st Responders Course in New London. The squad continues to work closely with the fire department and the police department as well as with our mutual aid towns. Members continue their training with classes, drills and mock disaster drills. Three members recently completed their recertification requirements and have been taking advance life support courses.

Total Runs in 1982                      21

(This does not include fire calls which the EMT Squad attends automatically or calls to take blood pressure readings.)

## NEW LONDON-SPRINGFIELD WATER SYSTEM PRECINCT REPORT

1982 was a financially successful year for the New London-Springfield Water System Precinct. Two major projects were undertaken, with one (the Burpee Hill job) being completed at 25% under estimate.

Monthly water analyses, taken at Morgan Pond, show that the Precinct's drinking water supply continues to meet stringent Public Health standards.

No major problems are foreseen for the coming year. The proposed budget for 1983 is \$141,607 (20% less than the 1982 budget).

The 1983 Annual Meeting and election of officers will be held on Tuesday, March 15th at Whipple Memorial Hall, New London, N.H. The polls open at 3 P.M. The business meeting will begin promptly at 8:00 P.M.

## SUMMARY OF THE 1982 ACTIVITIES OF THE NEW LONDON HOSPITAL BOARD OF TRUSTEES

Three Board members were elected to the Executive Committee: Mr. Richard Lizotte; Mrs. Henry Kidder, III; and Mr. Randall H. Merriman. Two new Board members were welcomed: Mr. John Chiarella and Dr. T.H. Williams.

The hospital matched funds with the New London Trust Company and the Lake Sunapee Savings Bank to honor the first baby born at New London Hospital in 1982.

A new mammography unit was purchased, and as voted by the Board, was funded from contributions. In early April, the C-T scan unit was placed in operation one half-day weekly. It is hoped that these two new services will facilitate better and cost saving services to the communities served by New London Hospital. In the interest of better provision of information to people, the number of issues of the Hospital Quarterly was increased from three to four annually.

In response to several queries, it was voted that no hospital land be sold or offered for sale at this time. It was agreed that a master plan for all hospital properties is needed, and the appropriate committee will pursue this.

Corporate restructuring has been under serious consideration and study. No decision has been reached at this time. The Board continues to deal with this subject with an open mind, and is still very much in the learning process.

Thanks to the hard work contributing to its successful Rummage Sale, the Auxiliary has provided the hospital with a new and vastly improved TV system.

The Board approved the establishment of the following general policy:

Unrestricted or general purpose income earned on Endowment Funds be set aside as Board Designated Funds. Endowment Funds be set aside as Board Designated Endowment Funds, for future capital needs, as deemed appropriate by the Board of Trustees.

Mrs. Frances Baynes' leadership in developing the Volunteen program was gratefully acknowledged. Thirty-two students volunteered thirteen hundred hours of their time during the summer vacations.

Throughout the year, many plans were reviewed regarding the Emergency Room/Outpatient area proposed building and renovation project. The Board voted, in principle, to proceed with the project. This will entail a long range plan for the future, as needed, development of New London Hospital. Financing alternatives are under consideration.

A public relations brochure was prepared and completed, its purpose being to describe the history of New London Hospital, what we are, who and why we are.

New London Hospital now has a nursing affiliation agreement with Colby-Sawyer College to provide clinical experience for their nursing students.

Under the outstanding leadership of David Kidder and Richard Mann, the 1982 Hospital Day was one of the most successful ever held. Monies from Hospital Day are used to purchase needed equipment for the hospital.

Without the continued dedicated support of the many communities that the hospital serves, we would not have the fine medical care facility that we have today, and it is through this support that we will continue to grow and provide our patients with the finest available medical care.

Respectfully submitted:  
Sands B. Robart, *Secretary*

## SCHOOL BOARD REPORT

Ever increasing costs have made this year again difficult for the school board to keep costs down while striving for continued excellent education.

The addition of the new library in the New London Middle School accommodates both elementary and middle school students. The availability of this facility for grades one through five on a daily basis has been taken advantage of by all students. The enthusiasm has been rewarding!

The introduction of computers into the schools has opened up a new area of interest and exploration for all. Administrators and teachers are working on a coordinating plan for continuity of the computer programs from the elementary straight through the high school.

A class for the emotionally handicapped has been set up in the New London Middle School. This class was put in as an effort to keep district costs down while having a program as effective as sending students out of the district.

Students at Kearsarge continue to excel - thanks to the support of all concerned.

Please note that the Annual Meeting will take place at KRHS on March 19 beginning at 1 P.M. All taxpayers are urged to attend.

Respectfully submitted,  
KINNI KANCER

## 1982 PLANNING BOARD REPORT

During the year, the Board continued to review and act on subdivision applications in accordance with the Subdivision Regulations as amended and the Town Plan. Housekeeping changes in the regulations were approved after the required notice and hearing. Four applications for subdivision approval were received during the year. Action on three was completed and one was in process at year's end.

The Board began to reorganize its records during the year to improve the accessibility of information concerning previous approvals and activities. Various approaches to adding important planning information to the new base map were considered with additional work scheduled for 1983.

During 1982, good use was made of sources of technical advice and assistance including the Upper Valley Lake Sunapee Council, the County Engineer and the Sullivan County Conservation Council. Board Member George Thomson serves as Vice-President of the UVLSC and as Chairman of the County Engineering Review Council.

## HEALTH OFFICER, ANNUAL REPORT, 1982

The appointment of the health officer became effective the end of August, 1982. Since that time, one dwelling has been inspected on complaint of a violation of the sanitary code. Violations were found and reported to the owners with suggestions as to possible methods of correction. The violations were also reported to the New Hampshire Water Pollution Board for supervision of correction. One dwelling was inspected at the request of the Department of Welfare and was found to be suitable for the housing of a foster child. Consultation was afforded homeowners concerned with possible violations of the sanitary code in the future on neighboring property.

Town Public Health Regulations were promulgated requiring notification to the selectpeople of fulfillment of State requirements for a septic system before commencing work on a new dwelling and occupation thereof.

Respectfully submitted,  
13 January 1983,  
ROBERT Z. KLEIN, MD  
Health Officer

## TOWN BUILDINGS COMMITTEE

### The 1982 Accomplishments

1. Handrail at Memorial Building was repaired.
2. Carpet at Memorial Building was cleaned.
3. Paint on inside of the Memorial Building was touched up.
4. Auxiliary lighting was installed in the library and Memorial Building.

A special thank you to Mabel Patten for her "breaking in" this Committee. Wes Tinkham has been appointed to replace Mabel Patten.
