Cemeteries	300.00
Interest	1,500.00
Contingency Fund	500.00
County Tax	15,000.00
	<hr/>
	\$56,346.25

3. To see if the Town will raise and appropriate the sum of \$949.38 (For Town Road Aid).

4. To see if the Town will raise and appropriate the sum of \$2,000.00 for the Newfound Area Nursing Association.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance and sealing of roads in summer.

6. To see what sum of money the Town will raise and appropriate for the plowing and sanding of roads in winter.

7. To see if the Town will vote to open the so-called "Fletcher Farm Road" to the Burr Property.

8. To see if the Town will vote to accept a road approximately 2200 feet on the former Karl Gorden property for Chellis and Cushing.

9. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes.

10. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be added to the Capitol Reserve Fund.

11. To see if the Town will vote to name the Road from John Pynes' house to Bog Schoolhouse bridge "Town Pound Road."

12. To see if the Town will vote to name the Road from Kelly Corner to the Junction of Brook Road and Welton Falls turn "Fowler River Road."

13. To see if the Town will vote to adopt the provisions of RSA 154:30 commonly known as the Mutual Aid Law and raise and appropriate the sum of \$1,738.00 for the purpose of becoming a member of the Lakes Region Mutual Fire Aid Association, giving the Board of Selectmen the authority to enter into a contract with the Lakes Region Mutual Fire Aid Association for a term of five years beginning on April 1, 1980 which would provide a full time communications service to the Fire Department. [Explanatory Note: For the first year of the contract, the amount the Town would raise to pay its share of the cost of the communications service would be used to buy radios and other equipment for the fire department so that it can fully use the service offered. During this time the communications service would be provided free of charge to the Town. Annual assessments to cover the cost of the service are based on the total equalized valuation of all members of the Mutual Aid System.]

14. To transact any other business that may legally come before this meeting.

This warrant contains only articles prior to going to press and may be subject to additions.

Given under our hands and seal this 23rd day of February in the year of our Lord nineteen hundred and eighty.

## ALEXANDRIA VOLUNTEER FIRE DEPARTMENT Report for 1979

The Alexandria Volunteer Fire Department continues to provide protection of Life and Property with a strong membership of 26 active and very dedicated fire fighters. These are special men who give of their time and energy in the interest of our Town, and caring for others, during emergencies and times of distress. The men work hard and often under harsh conditions, to try and do the best job possible, and nobody gets paid wages or salary.

The Alexandria Volunteer Fire Department is like a large family. We have a home where we keep our trucks and equipment. It must be heated, there are electric and telephone bills, and insurance. There are repair bills, and there are maintenance costs, both to the property, and the three trucks. Like everyone, we also feel the cost of inflation, and the higher cost of essentials. We have made concerned efforts to hold expenses down, and avoid waste. We now keep an accurate set of financial records to show where all moneys have come from, and where they have been used.

We are very proud of our department, have worked with the best, and stand unequaled as a small town volunteer organization. This is in part due to the generous support that we receive from you, the citizen. Your interest and support of our varied programs and projects, and your donations whether small or large, are responsible for the progressive and professional manner that we try to maintain. Our thanks to each and everyone.

The "Ladies Auxiliary" is also deserving of credit. Through their untiring efforts, it has been possible to achieve certain goals that would not have been possible. Of most recent, they have provided funds for the purchase of two portable FM radios. Having had them only a few months, they have proven most valuable both on the Fire Ground, and on recent Rescue operations on Mt. Cardigan. Previously we had no such portable equipment. THANK YOU LADIES.

The department has participated in various training programs for the year 1979. There are now four members of the department who have trained and passed the National Registry of Emergency Medical Technicians and are qualified Ambulance attendants.

our chimney inspection program continues and has been well received. Please call us anytime concerning a Woodstove or Chimney problem, we are always happy to help. We make no charge for any inspection or service type call, we appreciate donations when warranted, and by those who can.

In this modern day and age, there are available "Smoke Detectors" for the home, and which are readily available at leading stores. We would like to urge all families to purchase a smoke detector for the home, your life is worth the small investment.

We answered the following calls for 1979:

Chimney Fires	8
Mutual Aid Calls	11
Out of Town Forest Fires	2
False Alarms	2
Car Fires	1
Structural Fires	2
Rescues	2
Search for Lost Persons	2
Wires Down	1
Oil Burner Permits & Inspections	7

To report a fire in Alexandria, dial 744-5522. Give the exact address location of the fire or emergency. When possible remain on the line so further information can be obtained if needed.

Respectfully submitted,  
 Francis I. Butler  
 Fire Chief  
 Alexandria Volunteer Fire Department

## REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.
