School Board for three years	Susan R. Oechsle	221
School District Clerk	Catherine J. George	241
Treasurer	Nancy J. Smith	239

Auditors	Mark Coellner	228
Moderator	Robert B. Donovan	53

ARTICLE II. To see if the Town will vote to adopt the changes and/or amendments to the Zoning Ordinance as proposed by the Planning Board. The changes and/or amendments are as follows:

Article VIII - Add the following:

F. Applicants for a building permit shall present a subdivision plan to the building inspector with the application when the requested permit is for a new dwelling.

YES 172 NO 73

G. An applicant for a mobile home permit shall submit a notarized purchase and sale agreement.

YES 192 NO 57

Article IV - Section D-6:

6. Septic system leach field boundaries shall be located more than 20 feet from any property boundary and 100 feet from any standing or running water and 100 feet from any well. YES 196 NO 50

Article III-A-A - Change to read:

A. Building permits for new dwellings are limited annually to 3% of the number of dwellings in Town at the start of each calendar year. YES 178 NO 66

Article IV-D-3 - Change to read:

3. Percolation tests and soils analysis pit for individual septic systems and subdivisions shall be conducted in the presence of the Building Inspector, Health Officer and representative of the Planning Board. A fee of fifteen (15) dollars will be assessed for each soils analysis pit inspected. YES 161 NO 82

ARTICLE 3.

To see if the Town will vote to adopt the provisions of RSA 72:43F for the adjusted elderly exemptions from property tax. These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers; for a person 65 years of age up to 75 years, \$10,000.; for a person 75 years of age up to 80 years, \$15,000.; for a person 80 years of age or older, \$20,000. To qualify, the

person must have been a NH resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence.

YES 228 NO 31

ARTICLE 4.

Motion by Walter Schlotterbeck and seconded by Margaret Schlotterbeck to see if the Town will vote to raise and appropriate the sum of \$128,675. less estimated revenues to defray Town charges for the ensuing year. VOTED - YES.

ARTICLE 5.

Motion by Donald Andolina and seconded by Robert Belcher to see if the Town will authorize the Selectmen to hire money in anticipation of taxes. VOTED - YES.

ARTICLE 6.

Motion by Richard A. Smith, Jr. and seconded by Douglas Smith to see if the Town will vote to raise and appropriate the sum of \$5,000.00 to supplement the sum of \$10,000.00 approved by Warrant article 23, 1981 Town Meeting, to finance the cost of reappraising and revaluating of all Town lands and buildings in Town which are subject to taxation. Bids authorized by Warrant article 23, 1981, have resulted in appreciable savings compared to the previous estimate. VOTED - YES.

ARTICLE 7.

Motion by Walter Schlotterbeck and seconded by James Grey to see if the Town will vote to raise and appropriate the sum of \$230.01 against the State appropriation of \$1,533.40 for Class V Road Assistance. VOTED - YES.

ARTICLE 8.

Motion by Donald Andolina and seconded by James Grey to see if the Town will vote to authorize the Selectmen

to receive and expend additional Highway Subsidy Funds, estimated to be \$3,453.89 for the Construction or Reconstruction of Class IV and Class V Highways. VOTED - YES.

ARTICLE 9.

Motion by Richard A. Smith, Jr. and seconded by Robert Fairbanks to see if the Town of East Kingston will vote to adopt the following Emergency Management Ordinance:

ARTICLE 1 - EMERGENCY MANAGEMENT OFFICE

Section A. Short Title

This Ordinance shall be known and may be cited and referred to as the "Emergency Management Ordinance of the Town of East Kingston."

Section B. Intent and Purpose.

1. It is the intent and purpose of this Ordinance to establish an office that will insure the complete and efficient utilization of all of East Kingston facilities to combat disaster, natural or man-made, enemy attack or other disaster as defined herein.

2. The East Kingston Office of Emergency Management will be the coordinating agency for all activity in connection with emergency planning; it will be the instrument through which the community officials may exercise the authority and discharge the responsibilities vested in them in RSA, Chapter 107, State of New Hampshire, Civil Defense Act of 1950, as amended, and this Ordinance.

3. This Ordinance will not relieve any East Kingston Department of the moral responsibilities of authority given to it by local Ordinance, nor will it adversely affect the work of any volunteer agency organized for relief in disaster emergencies.

Section C. Definitions.

1. The following definitions shall apply to the interpretation of this Article:

(a) "Emergency Management" in its broad meaning is to carry out the basic government functions of maintaining the public peace, health

and safety during an emergency. This shall include plans and preparations for protection from, and relief, recovery and rehabilitation from, the effects of a natural or man-made disaster on the community. And it shall also include such activity in connection with an enemy attack as defined herein. It shall not, however, include any activity that is the primary responsibility of the military forces of the United States.

(b) "Disaster" includes but is not limited to actual or threatened enemy attack, sabotage, extraordinary fire, flood, storm, epidemic, radiological incident, or other impending or actual calamity endangering or threatening to endanger health, life or property or constituted government.

(c) "Attack" shall mean a direct or indirect assault against the Town of East Kingston, its government, its environs, or of the nation, by the forces of a hostile nation or the agents thereof, including assault by bombing, radiological, chemical or biological warfare or sabotage.

(d) "Emergency Response Resources" shall mean the employees, equipment and facilities of all City departments, boards, institutions and commissions; and, in addition, it shall include all volunteer personnel, equipment and facilities contributed by, or obtained from, volunteer persons or agencies.

(e) "Volunteer" shall mean contributing a service, equipment or facilities to the civil defense organization without remuneration.

(f) "Emergency Volunteer" shall mean any person duly registered, identified and appointed by the Coordinator of the Office of Emergency Management and assigned to participate in the Emergency Management activity.

(g) "Coordinator" shall mean the Coordinator of the East Kingston Office of Emergency Management as prescribed in this Ordinance.

(h) "Regulations" shall include plans, program and other emergency procedures deemed essential to Emergency Management.

Section D. Organization and Apointments.

1. The Board of Selectmen is hereby authorized and directed to create an organization for Emergency Management utilizing to the fullest extent the existing agencies within the community. The Board of Selectmen, as executive head of the municipal government, shall be responsible for the organization, administration and operation of emergency forces.

2. The organization shall consist of the following:

(a) An Office of Emergency Management within the executive department of the East Kinston government and under the direction of the Board of Selectmen. There shall be an executive head of the Office of Emergency Management who shall be known as the Coordinator of the Office of Emergency Management, and such assistants and other employees as are deemed necessary for the proper functioning of the organization.

(b) The employees, equipment and facilities of East Kingston Departments, boards, institutions, and commissions, will participate in the Emergency Management activity. Duties assigned to an East Kingston department shall be the same or similar to the normal duties of the department, as far as possible.

(c) Volunteer persons and agencies offering services to and accepted by the town of East Kingston.

3. The Board of Selectmen shall appoint a coordinator of the East Kingston Office of Emergency Management who shall be a person well versed and trained in planning operations involving the activities of many different agencies which will operate to protect the public health, safety and welfare in the event of danger from disaster or enemy action as defined in this Ordinance.

4. The Board of Selectmen shall designate and appoint a person or persons to assume the emergency duties of the coordinator in the event of his absence or inability to act. The intent being that there will always and at all times be a representative of the Board of Selectmen in charge of the Town of East Kingston.

Section E. Emergency Powers and Duties

1. The Board of Selectmen

(a) The Board of Selectmen may exercise the emergency power and authority necessary to fulfill its general powers and duties. The Board of Selectmen shall be the sole criteria necessary to invoke emergency powers provided in this Ordinance Code and other appropriate authorities.

(b) During any period when disaster threatens or when the Town of East Kingston has been struck by disaster, within the definitions of this ordinance, the Board of Selectmen may promulgate such regulations as they deem necessary to protect life and property and preserve critical resources. Such regulations may include, but shall not be limited to the following:

1. Regulations prohibiting or restricting the movement of vehicles in order to facilitate the work of Emergency Management forces, or to facilitate the mass movement of persons from critical areas within or without the Town of East Kingston.
2. Regulations pertaining to the movement of persons from areas deemed to be hazardous or vulnerable to disaster.
3. Such other regulations necessary to preserve public peace, health and safety.
4. Regulations promulgated in accordance with the authority above will be given widespread circulation by proclamations published and uttered by newspaper and radio. These regulations will have the force of an Ordinance when duly filed with the East Kinston Town Clerk and violations will be subject to penalty.

(c) The Board of Selectmen shall order the Emergency Management forces to the aid of other communities, when required in accordance with the statutes of the State, and he may request the State or a political subdivision of the State to send aid to the Town of East Kingston in case of disaster when conditions in the Town of East Kingston are beyond the control of the local Emergency Management forces.

(d) The Board of Selectmen may obtain vital supplies, equipment and other properties found lacking

and needed for the protection of health, life and property of the people, and bind the Town of East Kingston for the fair value thereof.

(e) Board of Selectmen may require emergency services of any Town officer or employees. If regular Town forces are determined inadequate the Board of Selectmen may require the services of such other personnel as they can obtain that are available, including citizen volunteers. All duly authorized persons rendering emergency services shall be entitled to the privileges and immunities as are provided by state law for regular Town of East Kingston employees and other registered and identified Emergency Management and disaster workers and, upon demand, may receive appropriate compensation for their emergency employment.

(f) The Board of Selectmen will cause to be prepared the Basic Plan herein referred to and to exercise their ordinary powers as Board of Selectmen all of the special powers conferred upon them by any statute or any other lawful authority.

2. Coordinator of the Office of Emergency Preparedness

(a) The coordinator of the Office of Emergency Preparedness shall be responsible to the Board of Selectmen in regard to all phases of the Emergency Management activity. Under the supervision of the Board of Selectmen shall be responsible for the planning, coordination and operation of the Emergency Management activity in the Town of East Kingston.

Under the supervision of the Board of Selectmen, he shall maintain liaison with the state and federal authorities and the authorities of other nearby political subdivisions as to insure the most effective operation of the Emergency Management plan. His duties shall include, but not limited to, the following:

1. Coordinating the recruitment of volunteer personnel and agencies to augment the personnel and facilities of East Kingston for Emergency Management.
2. Development and coordination of plans for the

immediate use of all of the facilities, equipment, manpower and other resources of East Kingston for the purpose of minimizing or preventing damage to persons and property; and protecting and restoring to usefulness governmental services and public utilities necessary for the public health, safety and welfare.

3. Negotiating and concluding agreement with owners or persons in control of buildings or other property for the use of such buildings or other property for Emergency Management purposes and designating suitable buildings as public shelters.

4. Through public informational programs, educating the civilian population as to actions necessary and required for the protection of their persons and property in case of disaster or enemy attack, as defined herein, either impending or present.

5. Conducting public practice alerts to insure the efficient operation of the Emergency Management forces and to familiarize residents with Emergency Management regulations, procedures and operations.

6. Coordinating the activity of all other public and private agencies engaged in any emergency management activity.

7. Assuming such authority and conducting such activity as the Board of Selectmen may direct to promote and execute the Emergency Management plan.

Section F. Emergency Management Basic Plan.

1. A comprehensive Emergency Management Basic Plan shall be adopted and maintained by resolution of the Board of Selectmen upon the recommendation of the Chairman of the Board of Selectmen. In the preparation of this plan as it pertains to the East Kingston organization, it is the intent that the services, equipment, facilities and personnel of all existing departments and agencies, shall be utilized to the fullest extent. When approved, it shall be the duty of all municipal depart-

ments and agencies to perform the functions assigned by the Plan and to maintain their portion of the Plan in a current state of readiness at all times. The Basic Plan shall be considered supplementary to this Chapter and have the effect of law whenever a disaster, as defined in this Chapter, has been proclaimed.

Section G. No Municipal or Private Liability.

1. This Ordinance is an exercise by the Town of East Kingston of its governmental functions for the protection of the public peace, health and safety and neither East Kingston nor agents and representatives of said Town of East Kingston, or any individual, receiver, firm, partnership, corporation, association or trustee, of any of the agents thereof, in good faith carrying out, complying with or attempting to comply with any order, rule or regulation promulgated pursuant to the provisions of this ordinance, shall be liable for any damage sustained to persons or property as a result of said activity.

3. Any person owning or controlling real estate or other premises who voluntarily and without compensation grants the Town of East Kingston the rights to inspect, designate and use the whole or any part or parts of such real estate or premises for the purpose of sheltering persons during an actual, impending or practice disaster or an enemy attack shall not be civilly liable for the death of, or injury to, any persons on or about such real estate or premises under such license, privilege or other permission, or for loss of, or damage to, the property of such person.

Section H. Violation of Regulations.

It shall be unlawful for any persons to violate any of the provisions of this Ordinance or of the Regulations or plans issued pursuant to the authority contained herein, or willfully obstruct, hinder or delay any member of the Emergency Management organization as herein defined in the enforcement of the provisions of this Ordinance or any regulation or plan issued hereunder.

Section I. Penalty.

Any person, firm or corporation violating any

provision of this Ordinance or any rule or regulation promulgated thereunder, upon conviction thereof, shall be punished by a fine of not more than \$100.00 Dollars, and costs of prosecution, or imprisonment in the County Jail for a period of not more than ninety (90) days, or both such fine and imprisonment, in the discretion of the Court.

Section j. Severability.

Should any provision of this Ordinance be declared invalid for any reason, such declaration shall not affect the validity of other provisions or of this Ordinance as a whole, it being the legislative intent that the provisions of this Ordinance shall be severable and remain valid notwithstanding such declaration.

Section K. Conflicting Ordinances, Orders, Rules and Regulations Suspended

At all times when the orders, rules and regulations made and promulgated pursuant to this Article shall be in effect, they shall supersede all existing ordinances, orders, rules and regulations insofar as the latter may be inconsistent therewith.

Section L. Effective Date.

This Ordinance shall take effect on the 15th day of March, 1982. Robert Fairbanks explained that this ordinance replaces Civil Defense. William Osgood inquired if Town Counsel had advised on the content of the ordinance. He was informed that Town Counsel only recommended form and procedure for presentation but did not get into the content matter. David Andrzejewski questioned the cost and responsibility for the future by accepting the ordinance. David Woodburn motion to move the question seconded by Elliott Estey. Voted yes to move the question. Vote on original motion. Voice vote too close to call.

HANDVOTE: YES 45 NO 20 VOTED YES.

ARTICLE 10.

Motion by Walter Schlotterbeck and seconded by William DiProffio to see if the Town will vote to empower

the Plannig Board to review and approve or disapprove site plans for the development of tracts for non-residential uses or for multi-family dwelling units other than one and two family dwellings, whether or not such development includes a subdivision or re-subdivision of the site, and to adopt regulations relative to site utilization in accordance with RSA 36:19 as revised and amended.

After discussion Estelle Decatur made a motion to move the question seconded by David Andzejewski. Motion to move, voted yes. Original question - voice vote too close to call. Hand Vote. YES 57 NO 8 VOTED YES.

ARTICLE 11.

Motion by Donald Andolina and seconded by David Conti to see if the Town will vote to appropriate and allocate Revenue Sharing funds of \$9,627, said sum being made up of interest of \$492.47, allocated but unexpended Insulate Town Hall funds of \$332.72 and unappropriated funds of \$8,802.00 to be allocated for the following projects:

\$5,000.00 - Reconstruction of approximately 2000 feet of Giles Rd.

332.72 - Insulation of Town Hall.

4,294.74 - Replace clapboards, reset/replae windows and paint Town Hall. VOTED YES.

ARTICLE 12.

Motion by Richard A. Smith, Jr. and seconded by David Conti to see if the Town will vote to raise and appropriate the sum of \$9,000.00 to be added to the Fire Truck Reserve Fund. After discussion, motion by Estelle Decatur seconded by Peter Whiting to move the question. Voted yes. Original motion voted YES.

ARTICLE 13.

Motion by Richard A. Smith, Jr. and seconded by John loia to see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be added to the Police Department Automobile Capital Reserve Fund. Voted - YES.

ARTICLE 14.

Motion by Richard A. Smith, Jr. and seconded by

Estelle Decatur to see if the Town will vote to appropriate and allocate \$7,500.00 funds presented to the Town by the University of New Hampshire in lieu of taxes and deposited in the General Fund in the amount of \$6,750.00 to the Fire Truck reserve fund and \$750.00 to the Police Department Automobile Capital Reserve Fund. These allocations are not intended to increase the money to be added to the Fire Truck Reserve and Police Department Automobile Capital Reserve Funds already approved by Articles 12 and 13. VOTED - YES.

ARTICLE 15.

Motion by Walter Schlotterbeck and seconded by Henriette Conti on petition of Gloria L. Shannon and ten (10) others to see if the Town will vote to raise and appropriate the sum of five hundred (\$500.00) for continuation of the Mediation Program which has proven to be of real value to the communities served by the Exeter District Court in dealing with troubled juvenile situations. VOTED - NO.

ARTICLE 16.

Motion by Donald Andolina and seconded by William DiProfio to see if the Town will raise and appropriate a sum not to exceed \$3,000.00 for a Hydrologic Survey of the Town. Results of survey will be used to identify sources of water, water location and water quality in different parts of Town, and will provide basis for wetlands preservation and water pollution prevention ordinances. Motion by Curtis Jacques, seconded by Elliott Estey to table this article. Hand vote failed. Original motion voice vote too close to call. Hand vote: Yes 37 No 27 VOTED - YES.

ARTICLE 17.

Motion by Richard A. Smith, Jr. and seconded by Robert Belcher to see if the Town will vote to raise and appropriate the sum of \$5,500.00 to pay Firemen for Fire Calls and training, and the unused portion to be put in the Fire Truck Capital Reserve Fund. VOTED - YES.

ARTICLE 18.

Motion by Estelle Decatur and seconded by Janet

Reagan to see if the Town will raise and appropriate the sum of \$808.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 11 residents of the Town of East Kingston during the period July 1, 1980 through June 30, 1981, inclusive. These residents used \$2,760.00 worth of services, however, only \$808.00 could not be billed according to their ability to pay. We, therefore, request the minimum amount needed from the Town, in this instance being \$808.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston whether or not said residents are able to pay. VOTED - YES.

ARTICLE 19.

Motion by Donald Andolina and seconded by Rita Fairbanks to see if the Town will vote to raise and appropriate the sum of \$1,322.50 for the Exeter Visiting Nurse Association. VOTED - YES.

ARTICLE 20.

Motion by Richard A. Smith, Jr. and seconded by James Grey to see if the Town will vote to authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b. VOTED - YES.

ARTICLE 21.

Motion by Walter Schlotterbeck and seconded by James Grey to see if the Town will accept the reports of the Town Officers and auditors as printed in the Town Report. Marjorie Rowell requested the following corrections: pg. 51, 307,000.55; 1981 Yield - 2181.67, O/P 42.77 totals correct. David Andrezejewski made mention of missing portions of the report including Summary, Evaluation, Exemption Elderly & Veterans Tax Rate and associated figures. VOTED - YES.

ARTICLE 22.

Motion by Donald Andolina to transact any business that may legally come before this meeting.

David Conti stated he would like to see a copy of the Master Plan included with the next Town Report.

David Andrzezewski requested that the Selectmen formally recognize William DiProfio and Douglas Smith and others who have developed the Master Plan.

Walter Schlotterbeck thanked Scott Darling for the visual exhibit of East Kingston sites on display in memory of Frederic L. Smith.

Judith Levis inquired as to the status of the 250th committee.

Marjorie Rowell inquired as to the status of the street numbering.

Donald Andolina stated that the numbers are assigned and the plan is in the review stage.

Motion by Elliott Estey seconded by Betty Borin to adjourn the meeting. Meeting adjourned at 9:28 p.m.

Virginia A. Corton,
Town Clerk

SELECTMEN'S REPORT 1982

Perhaps the most significant milestones passed during nineteen hundred and eighty-two, were the reappraisal of the Town and the house numbering project.

As for the reappraisal of property, the Board of Selectmen wish to remind property owners to consider current use of areas consisting of ten acres or more. Current use assessments usually result in lower taxes, provided the land is left in current use for an extended period of time. Additionally, you are advised to inquire into other possible tax saving exemptions such as veterans, elderly and blind. Call the Selectmen's office for further information.

The house-numbering project started two years ago as a result of a suggestion at Town meeting. The Board followed up by retaining the Avis tax map company to number parcels along all roads in Town, public and private. The numbers were assigned at intervals of 100 feet, leading from the center of town.

Once that activity was completed, it was necessary to associate the numbers with house lots in an orderly fashion. The Board, following discussions with members of Boy Scout Troop 92, awarded the task to Bryan Crosby of South Road, a member of the troop seeking an opportunity to earn his Eagle Scout award.

Bryan, working with a minimum of direction, undertook the project beginning in July of 1982. Townspeople have been notified of the results and are encouraged to use the numbers assigned to them. Sincere thanks to Bryan, and a special congratulations to him for a successful project, one that has fulfilled a requirement of the town, and that has earned him the rank of Eagle Scout.

Resignations of elected and appointed officials caused the Board of Selectmen to seek replacements during the year. The Board acknowledges those individuals for their service during their tenure. Officials resigning for various reasons are as follows:

Walter B. Schlotterbeck, Selectman - Moved to Virginia

Virginia A. Corton, Town Clerk/Tax Collector -
Personal Reasons

Estelle M. Decatur, Deputy Town Clerk/Tax Collector -
Personal reasons

Victor B. Porro, Police Officer - Personal reasons.

Although resignations of good people are difficult to accept, the Board respects the decisions of the individuals, and is most grateful to those others willing to come forth and take up the slack.

A status report of projects undertaken or completed follows:

THE MASTER PLAN - With the completion of the Master plan by the Planning Board, came the task of printing and preparing for distribution. The product of this effort is available at the Selectmen's office. Each resident family is entitled to one free copy. All other interested persons may obtain one for a charge of \$10 per copy.

TOWN HALL IMPROVEMENTS - The exterior and most of the interior of the Town Hall, including the Selectmen's office was given a new coat of paint, with minor repairs as necessary. Also, a new sign was placed on the front of the building.

ACQUISITION OF PROPERTY - The Boston & Maine parcel located on Powwow River Road is in the final throes of being purchased by the town for future recreational land. We will all agree that it has taken quite awhile, but Town government working with railroads seem not to be able to move as fast as a locomotive.

TRICKLING FALLS - The final steps have now been taken by the town in order to secure this historical landmark on a 99-year lease from the State of New Hampshire, for recreational use. The lease will not cost the town any money.

RUTH LADD LAND - This pretty land, abutting the Boston & Maine property being purchased by the town, and having substantial frontage along the Powwow river, was the topic of discussion between the Board of Selectmen and Christ Church of Exeter, the heirs of the property. Miss Ladd's final wishes were that the town be given first preference to purchase in the event of its sale. The 1983 warrant requests the town to vote to appropriate

the funds necessary to purchase approximately 12 acres of the sub-divided land at a cost of \$15,000. The land will be reserved for future recreational use.

EMERGENCY MANAGEMENT PLAN - Mr. Robert Fairbanks has met with the board on several occasions concerning the plan, however, to date, due to other priorities, the board has not been able to give final approval to the implementation rules and guidelines. This project is expected to be completed during 1983.

POLICE OFFICER CERTIFICATION - December, 1982 marked the deadline established by the State Police Standards and Training Council for mandatory certification for all Police officers. New candidates for officers will need to be certified before becoming employees of the town, under the regulations established by the Council.

BICENTENNIAL COMMITTEE - Preparations for the 250th birthday of the Town of East Kingston in 1988 are underway. Appointed to lead the strategy and implementation of the celebration are David Andrzejewski and Daniel Bodwell acting as co-chairmen. Interested persons are requested to contact one of the chairmen.

At this time, the Board wishes to express its appreciation to the various Town officers, Department heads, Committee members, and employees, for their dedicated service during the past year. It was indeed a pleasure for the Board to work with all of the dedicated individuals making up the team.

Finally, in closing, we ask that anyone interested in participating in any committee or any other facet of town government, to please contact the Board of Selectmen, or a committee member of your choice.

We solicit your suggestions for improvements of services, or ideas for future community projects.

Respectfully submitted,

Donald C. Andolina, Chairman
Richard A. Smith, Jr.
Nathaniel Rowell
Board of Selectmen

**1983
TOWN WARRANT
and
TOWN BUDGET**

State of New Hampshire

THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of East Kingston, New Hampshire, in the County of Rockingham in said State, qualified fo vote in Town Affairs:

You are hereby notified to meet at the East Kingston Town Hall in said East Kingston on Tuesday, the eighth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to adopt the amendment to the Town Zoning Ordinance as proposed by the Planning Board, whereby a Wetlands Conservation District would be established and Zoning Ordinance Articles renumbered. The amendment reads as follows:

Article VIII

WETLANDS CONSERVATION DISTRICT

A. Purpose:

In the interest of public health, convenience, safety and welfare, the regulation of wetland areas is intended to guide the use of areas of land with standing water or extended periods of high water tables:

- 1) To maintain the quality and level of the groundwater table and water recharge areas for existing or potential water supplies.
- 2) To prevent the destruction of natural wetlands which provide flood protection, re-charge and augmentation of stream flow during dry periods.
- 3) To prevent unnecessary or excessive expenses to the Town to provide and maintain essential service and utilities which could arise because of unwise use of wetlands.
- 4) To control the development of structures and land use on naturally occurring wetlands which would contribute to pollution of surface and ground water by

sewage and toxic waste.

5) To encourage uses that can appropriately and safely be located in wetland areas.

6) To preserve wetlands for other ecological reason such as those cited in RSA, 483-A:1-b.

7) To encourage environmental diversity by protecting and maintaining existing wetland systems and the vegetation and wildlife supported by such systems.

B. Definition and Designation:

1) The Wetlands Conservation District of East Kingston is hereby defined to be those areas of the Town that contain marshes, ponds, bogs, lakes, perennial streams and soils that are classified as poorly or very poorly drained by the United States Department of Agriculture Soil Conservation Service. By definition, the district is non-contiguous.

2) The Wetlands Conservation District as herein defined is shown on a map designated as "Town of East Kingston Wetlands Conservation District" and is a supplement to the zoning map of the town. Wetlands boundaries indicated on the zoning map supplement have been developed from soil survey field sheets which show the results of the soil survey accomplished in the 1981-1982 time period by the Department of Agriculture Soil Conservation Service. Soil survey field sheets are available from the U.S. Soil Conservation Service in Exeter, New Hampshire and are on file with the East Kingston Planning Board.

3) For a detailed explanation of soil types, see "Soils and Their Interpretations for Various Land Uses, Town of East Kingston, Rockingham County, New Hampshire" on file with the Planning Board and the U.S. Soil Conservation office in Exeter.

4) In all cases where the Wetlands Conservation District is superimposed over another zoning district in the town of East Kingston, that district whose regulations are more restrictive shall apply.

C. Permitted Uses:

1) For poorly drained soil areas:

a) Any use that does not involve the erection of a structure or that does not alter the surface configuration of the land by the addition of fill or by dredging except as a common treatment associated with a permitted use.

b) Agriculture, including grazing, hay production, truck gardening, and silage production provided that such use is shown not to cause significant increases in surface or ground water pollution by heavy metals, pesticides, or toxic chemicals and that such use will not cause or contribute to soil erosion.

c) Forestry and tree farming to include construction of access roads.

d) Water impoundments and the construction of well water supplies.

e) Drainage ways to include streams, creeks, or other paths of normal runoff water and common agricultural land drainage provided such use is otherwise permitted in the Use District which this District overlays.

f) Wildlife habitat development and management.

g) Parks and such recreation uses as are consistent with the purpose and intentions of Article VIII, A.

h) Conservation areas and nature trails.

i) Open space as permitted by subdivision regulations and other sections of this ordinance.

2) For very poorly drained soil areas, marshes, lakes, ponds, and perennial streams:

a) Such uses as specified under Article III, C1a through C1i for poorly drained soils shall be permitted except that no alteration of the surface configuration of the land by filling or dredging and no use which results in the erection of a structure will be allowed.

D. Special Provisions:

1) Poorly drained soils may be used to fulfill all but 3/4 of an acre (30,000 sq. ft.) of any building lot required by the zoning ordinance provided that the non-wetland area is sufficient in size and configuration to adequately

accommodate all required utilities.

2) No very poorly drained soils or bodies of water may be used to satisfy minimum lot sizes.

E. Procedure for Review:

1) Building Permits For Individual Lots:

Upon receiving a request for a building permit, the Building Inspector will check the location of the proposed construction relative to the Wetlands Conservation District. If the proposed building site falls in or partly in the Wetlands Conservation District and does not comply with the special provisions of paragraph 4 above, the building permit cannot be approved by the Building Inspector until reviewed by the Planning Board. An appeal procedure is presented herein for those cases where the owner questions the validity of the boundaries of a wetland area, see Article V,F.

2) Subdivision Requests:

Any person who desires to subdivide land within the Wetlands Conservation District shall submit to the Planning Board, in addition to all other requirements stipulated in the Subdivision Regulations, five (5) copies (copies are given the Board of Selectmen, Conservation Commission, Building Inspector, and two retained by the Planning Board) of a drainage report and calculations prepared by a Registered Professional Engineer describing the extent of impact on the wetlands. The topographic map should include soil typing according to Article B. 2. c of this ordinance. The Board of Selectmen and the Conservation Commission may each submit a written report to the Planning Board for consideration.

3) Issuance of Conditions:

If, after review of all submitted data the Planning Board determines that the area on which the proposed work is to be done is in conflict with Article VIII, A of this ordinance, the Board shall:

- a) Grant preliminary approval subject to an order of conditions it deems necessary for compliance and subsequent final approval, or
- b) Deny the request and give the reason thereto.

c) The Planning Board shall be entitled to review and regulate development proposals within one hundred (100) feet of a wetland when it is determined that such development may have a significant negative impact on the wetland not consistent with the purposes and intent of Article B.1.

F. Appeal Procedure:

in the event that an area is alleged to be incorrectly designated on the Wetlands Conservation District map supplement to the zoning map of the Town and/or survey field sheets, any person may present adequate evidence of such to the Planning Board. Adequate evidence shall include a written report of an on-site soils investigation and analysis conducted by a qualified soils scientist (a qualified soils scientist is a person qualified in soil qualification who is recommended by or approved by the Rockingham County Conservation District Board of Supervisors). The Planning Board upon receipt of supplementary information is charged with making a decision as to whether the limits of the Wetlands Conservation District should be modified to accommodate the supplemental information.

G. Special Exceptions:

Special exceptions may be granted by the Board of Adjustment for the following uses within the Wetlands Conservation District if it can be shown that such proposed use will not conflict with the purpose and intent of Article VIII, A. Proper evidence to this effect shall be submitted in writing to the Board of Adjustment and may be accompanied by the findings of a review of the Rockingham County Conservation District of the environmental effects of such proposed use upon the wetlands in question:

- 1) Streets, roads, and other access ways and utility right-of-way easements including power lines and pipe lines if such location is essential to the productive use of land not so zoned, and so constructed as to minimize any detrimental impact of such use upon the Wetlands Conservation District.

2) The construction of wharves, footbridges, catwalks, fences, water impoundments and beaches after review by the Planning Board for adherence to normal construction practices.

Renumber Articles VIII through XIII to Articles IX through XIV, respectively.

3. To see if the Town will vote to raise and appropriate the sum of \$139,803.90 less estimated revenues to defray Town charges for the ensuing year.

4. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of \$228.90 against the State appropriation of \$1,526.01 for Class V Road assistance.

6. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to purchase certain land from Christ Church of Exeter, for recreational use. This land formerly owned by Ruth Ladd, and located at 37 Powwow River road consists of approximately 9.2 acres, bordered on the west by 3.5 acres of land purchased by the Town from the Boston & Maine Corporation, and to the south by the Powwow River. It has approximately 630' of frontage along the river.

7. To see if the Town will vote to raise and appropriate the sum of \$1,313.00 for the Exeter Visiting Nurse Association.

8. On petition of Barbara M. Belcher and 10 others to see if the Town will vote to raise and appropriate the sum of \$182.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to six (6) residents of the Town of East Kingston during the period June 1, 1981 to June 30, 1982, inclusive. These residents used \$600.00 worth of services, however, only \$182.00 could be billed according to their ability to pay. We therefore request a

TO THE VOTERS OF EAST KINGSTON, NH:

The planning board has approved and submitted for your approval an addition to the Zoning Ordinance which creates a Wetlands Conservation District. This change will appear on your ballot for the March 1983 Town Meeting.

This Ordinance was shown as recommended by the Town's Master Plan. The intent of the Ordinance is to protect and preserve the Town's groundwater supply by controlling development of naturally wet areas. The Wetlands District is shown on a map which is available for your review at the Town Hall. The map was created by the U.S. Soils Conservation's Office from the results of the Town's Soils Survey done in 1981-82. The Ordinance prevents all structures on very poorly drained soils and permits structures on poorly drained soils only when needed for permitted uses. The permitted uses are mainly agricultural and recreational. The Ordinance prohibits the use of very poorly drained soils when satisfying minimum lot size and allows only 1½ acres of poorly drained soils to satisfy minimum lot size. There is an appeal procedure, and special exceptions may be granted by the Board of Adjustment.

matching payment from the Town, in this instance \$182.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of East Kingston, whether or not said residents are able to pay.

9. To see if the Town will vote to appropriate and allocate Revenue Sharing Funds of \$4,618.00, said sum being made up of unexpended funds of \$2.00 and unappropriated funds of \$4,616.00; to be allocated for the following projects:

Paint Library exterior	\$2,000.00
Ceiling fan for Town Hall	518.00
2 Jump kits for EMT squad	400.00
Town Hall electrical repairs	1,000.00
Fire Dept. upgrade Scott air packs	200.00
Roof repairs & insulation TC office	500.00

10. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 to pay firemen for Fire calls and training, and the unused portion to be put into the Fire truck Capital Reserve fund.

11. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or private source, which becomes available during the fiscal year in accordance with the procedures set forth in RDS 31:95-b.

12. To see if the Town will vote to raise and appropriate the sum of \$9,000.00 to be added to the Fire Truck Reserve Fund.

13. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to be added to the Police Department Automobile Capital Reserve Fund.

14. On petition of Sheila Schott and 12 others to see if the Town will vote to raise and appropriate the sum of \$295.00 to assist the Greater Raymond Community Action Center,

part of the Rockingham County Community Action program, a private, non-profit, anti-poverty agency. This amount represents 2.5% of \$11,818.00, the value of services rendered to East Kingston residents from September 1, 1981 through August 31, 1982.

15. On petition of Edward J. Morrill and 12 others to see if the Town will vote to raise and appropriate the sum of \$2,000.00 to purchase a new moving radar unit, for the Police Department.

16. On petition of Norman L. Adams and 11 others to see if the Town will vote to raise and appropriate the sum of \$500.00 for the grading and gravel repair of Rowell Cove Road. This is a necessity for the health and safety of many tax-paying citizens.

17. On petition of David Andrzejewski and 16 others to see if the Town will vote to authorize the Selectmen to exercise the power of eminent domain in securing any and all lands, in order to make any necessary improvements on a section of the so-called Rowell's Cove right of way, from the present black-topped surface of Rowell Road to its terminus, and to provide for a cul-de-sac at the terminus.

18. On petition of Catherine Oscroft and 11 others, to see if the Town will vote and appropriate the sum of \$500.00 for the Mediation program. The Mediation program has proven to be of real value in the communities served by the Exeter District Court in dealing with troubled juveniles.

19. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 as 10% of the cost of upgrading the railroad crossing on Sanborn Road. The total estimated cost of instaling a new surface, and flashing signals is \$110,000, 90% of which will be funded by the New Hampshire Department of Public Works. The crossing has been identified by the State as dangerous to the public, and in need of upgrading.

20. On petition of Robert M. Belcher, and 16 others, to see if the Town will vote to authorize the Selectmen to regulate the use of unvented space heaters in occupied structures in the Town of East Kingston.

21. On petition of Molly C. Allen, and 11 others, to see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain, which is harmful to the environment and economy of New Hampshire and to the health and welfare of the people of New Hampshire.

These actions shall include:

1. Reduce by at least half the cause of acid rain, sulphur dioxide emissions, by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

22. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord, nineteen hundred and eighty-three.

Donald C. Andolina
Richard A. Smith, Jr.

Ardith Polletta
Librarian

REPORT OF PUBLIC LIBRARY TRUSTEES

Another productive year ends for East Kingston Public Library under the able leadership of our Librarian, Ardith Polletta. Mrs. Polletta continues to take all state courses in library techniques. The Polletta family have contributed many new books in memory of Mr. Polletta's father.

In addition to our resources we have a new encyclopedia which should be of great assistance to our students and others.

Owing to state regulations, we are now open two more hours a week. These are evening hours which are helpful to many users. The extra hours are due to an increase in our population which governs required hours open.

Our schedule now is:

Mondays 12 - 4 and 6 - 8:30

Wednesdays 12 - 4 and 6 - 8:30

Saturdays 9 - 12

Junior - 222 of these, 5 were donations, 216 in paperback

TREASURER'S REPORT 1982
East Kingston Public Library

January 1, 1982

Linda Andrezejewski
Treasurer

1/15/83

We have this day examined the books and accounts of the East Kingston Public Library Treasurer and find them properly cast and vouched for.

Linda M. Eaton
Marjorie Tice Rowell

REPORT OF THE HEALTH OFFICER

Since being appointed in May of 1982, I have made inspections of day care centers in the town. Also I have investigated reports of two faulty sewerage systems, the result being the owner repaired the system without court action being necessitated.

After consulting with the State Board of Water Supply and Pollution Control, I was able to obtain an acceptable test on the water from the well at Foss-Wasson Field.

In the coming year, I hope to institute a program whereby all day care centers and commercial establishments are inspected at least annually. In East Kingston, the Health Officer and the Board of Selectmen, make up the Board of Health. In order for the Health Officer to conduct an investigation, a complaint has to be received. I have so far been successful in keeping complainants' names confidential. If you are aware of a situation which affects the health of the community, please contact me.

Sincerely,
Rita Fairbanks
Health Officer

REPORT OF THE BUILDING INSPECTOR

For the period February 1, 1982 to December 31, 1982, there were 40 Building Permits issued in the town of East Kingston.

- 8 - Houses
- 1 - House Trailer
- 3 - Garages
- 3 - Barns
- 20 - Additions, Alterations & Remodeling
- 1 - Pool
- 4 - Rebuilt Septic Systems

A Reminder

A Building Permit is required before commencing work on the erection or the alteration fo any building or structure where the project involved exceeds \$1,000. in total value.

Respectfully submitted,
Everett Stone

**ANNUAL REPORT
EAST KINGSON POLICE ASSOCIATION**

The association elected a new slate of officers for 1982-1983 as follows:

Frank Waters	President
H.F. Lewandowski, Jr.	Vice-President
David Sullivan	Sec./Treas.

During 1982 the association, in conjunction with the Police department, sponsored the annual Fishing Derby, a Bicycle Safety Program for the elementary schools, and a Safety Program for the first and second graders, followed by a poster contest about Safety.

The primary purpose of the association is to provide services to the youth of East Kingston, and to assist the Police department in purchasing needed equipment and supplies, which will result in a savings of tax dollars.

The association, as in the past, has continued to support the Police department by purchasing and donating equipment for the department.

Respectfully submitted,
Frank Waters, President

POLICE DEPARTMENT REPORT

At this time I would like to thank the East Kingston Police Association, Marshall Bean, and Sgt. Donald Briggs, Kingston Police Department for their generosity and time in helping the Police Department prepare the 1982 Plymouth cruiser for service.

In the latter part of 1982, the town has experienced a large increase in senseless vandalism. The Police Department requests your assistance. If you witness any incidents, please call our Police number 679-2225 for the quickest response. The Department will prosecute to the fullest any individual, (Juvenile or Adult) responsible.

1982 saw the resignation of two officers, Victor Porro and Donald Andolina, and the appointment of two new officers, David Sullivan and Ronald Castonguay, both of whom are state certified. It is my hope to add two additional officers in 1983. By doing so we hope to increase police coverage of the town.

Respectfully submitted,
Henry F. Lewandowski, Jr.
Chief

A rabies vaccination clinic for dogs and cats will be held at the East Kingston Fire Station on Saturday, April 9, 1983 from 2:00 p.m. to 4 p.m. Vaccinations will be \$4.00 each, and the town clerk will be on hand to license dogs. All dogs must be licensed by April 30, so this will be a good time to pick up the license even if the dogs don't need vaccinations this year.

Sincerely,
Robert A. Marston

A MESSAGE FROM THE FIRE DEPARTMENT

A lot of people are using different ways to heat or help heat their homes. Some of the ways are wood, coal, gas, electric, and of course the old stand-by, the oil-fired furnace.

The kind of stove I am going to mention is the Kero-O-Sun Heaters. These stoves and the copies are dangerous as far as I can see. They are not vented to a chimney, so the fumes can get out of the house. By the literature I have read it states to use water clear kerosene.

Most of the kerosene or number one oil is yellow, so please, if you are thinking about one, check and see where you can get the proper fuel.

Thank you,
Robert Belcher
Fire Chief

**In Case of Fire In Your Home
Call the Fire Department
642-5266**

ACTIVITIES OF THE FIRE DEPARTMENT FOR 1982

The Fire Department responded to several calls which were: (4) for portable pump, (2) assist to the public, (6) portable generator.

During the year of 1982 the Department participated in two Mutual Aid drills. One was held for downtown Exeter, the other was in Kingston. In Kingston it was the Rockrimmon drill.

We had several people take a test for commercial license.

We entered 4 parades in nearby towns.

We were very fortunate to have a set of buildings to burn. This gives wonderful training to the men.

We have started a State Certification course for the Fire Dept.

Fire Chief,
Robert M. Belcher

ANNUAL REPORT OF THE EAST KINGSTON VOLUNTARY FIREMEN'S ASSOCIATION

Held annual meeting in April to elect officers:

President - Richard Cook
Vice President - Tom Poulin
Secretary - Patricia Mazur
Treasurer - Robert Fairbanks

Annual Supper held buffet style served by the ladies of the church. Guest speaker was Ted Walsky of the N.H. Fish and Game Department.

Early Spring Activities started on the Robie property for controlled burning, ventilation, and portable breathing apparatus. Towns participating included East Kingston, Exeter, Newton, Kingston, South Hampton and Kensington. Training was a big success. Special thanks to the Robies for their donations for the valuable training this property provided.

Financial participation towards Fire Prevention programs for the East Kingston schools was provided.

Mutual cooperation with our neighbors in Kingston for their 4th of July weekend was provided.

Annual Lobster Festival was held in August, along with the Muster team parade and field day.

Throughout the summer season, the association and the muster team participated in numerous parades and events of our communities.

Annual maintenance and improvements to the association building and grounds has been undertaken and are continuing at no expense to the taxpayers of the community.

Fire equipment donations to the town from the association include: lights, monies, support and personnel for various functions.

Historical information concerning the Fire Department and Association was gathered and forwarded per a request of Mike Clark of Jamaica Plains, Mass. for a school project.

Santa Claus made his annual rounds on Christmas Eve with all of his little helpers for the enjoyment of our little folks.

Several new members joined the Association this year. We wish to express our sincere thanks and appreciation to all the townspeople who directly or indirectly supported the Firemen's Association efforts for the year.

The Firemen's Association will continue its efforts in the coming years for the betterment of the town of East Kingston.

Respectfully yours,
Richard Cook,
President

THE EAST KINGSTON EMERGENCY SQUAD REPORT

The East Kingston Emergency Squad has been busy this year with emergency and non-emergency runs.

There are nine squad members, with one person in EMT Training. Each member has continued to maintain their training with seminars, workshops, and recertification programs.

The squad has made plans to meet with the Kensington Emergency Squad to have on-going training throughout the year. Each squad member gives many hours of his/her time to the town's people.

This year I am requesting money to purchase 2 new Jump-Kits, disposable items, replacement parts for the equipment.

Listed below are the names and numbers of each squad member. Please feel free to call any member for help. In an emergency call EMT Ambulance in Exeter at 772-5912. . . The East Kingston Squad Member on call will also respond directly to your home.

If anyone is interested in becoming a member of the squad please call me.

Sincerely,
Wilma Young - Director

Wilma Young	642-3649
David Conte	642-8872
Donna Mazur	642-8033
Bob Reagan	778-0465
Janet Reagan	778-0465
Rita Fairbanks	642-5382
Austin Carter	642-8254
Dick Marcella, Mary Marcella	642-8227
Sue Pearson	642-8663

REPORT OF THE PLANNING BOARD

The Planning Board meetings are held in the Town Hall on the third Wednesday of every month at 7:30 P.M. Everyone interested is welcome to attend.

The Sounding Board finished the Master Plan December 30, 1981 and presented it to the Planning Board, who held a Public Hearing January 27, 1982 receiving many comments from those present. The Planning Board approved the final draft and voted to accept it and have it printed, on April 2, 1982.

\$3,000.00 was voted at the Annual Meeting for a Hydraulic Survey of the town. After considerable study the Board concluded they could do the survey with information presently available, thereby saving the town funds allocated for that purpose.

The Planning Board received the Soil Survey of the town which was prepared by the County S.C.S. Office. The Board has also been working on the Wetlands Conservation District, which will be presented to the Voters as a ballot item at Town Meeting.

The Planning Board also conducted its regular duties throughout the year.

Richard A. Smith, Sr.
Chairman of the Planning Board

**ANNUAL REPORT
EAST KINGSTON BOARD OF ADJUSTMENT
1982**

The East Kingston Board of Adjustment meets in response to applications for individual relief from the general application of the zoning laws of the Town. Adjustments and/or variances may be granted under certain limited conditions, following a public hearing where all concerned parties are given an opportunity to present their views and concerns. Applications received prior to the fifth day of the month will have a public hearing scheduled for the fourth Tuesday evening of that month. Applications received after the fifth day will have a public hearing scheduled for the fourth Tuesday of the following month. The time delay is necessitated in order to comply with the legal notice periods required by law. There were no hearings requested or held during 1982. Application for variances may be obtained from the Selectmen's Office or from Mrs. Carolyn Merriam, Clerk, Board of Adjustment.

William R. Osgood
Chairman

**ANNUAL REPORT
EAST KINGSTON HISTORICAL COMMITTEE**

In March we lost our loyal member, Janette LeBlanc. Her place on the committee has been filled by Scott Darling of Rowell's Cove, who has been carrying on Pete Smith's work on the Mill Grant. He has published a leaflet on Trickling Falls, and has taped our first interview with East Kingston oldtimers.

Our meetings this year have been more numerous because of our adding work sessions to our monthly meetings, sessions that have allowed us to bring further toward completion our work on the old and new houses of the town. This has been our major undertaking of the year.

We have also worked on East Kingston materials in our files in the library. Typescripts have been made of East Kingston vital statistics well into the 19th century, of the burials in Hillside Cemetery, and of many of the articles on East Kingston history which appeared in the Exeter Gazette around 1890. These records are now more accurate and in a form easy to use.

We have made significant additions to our collection of early postal cards and other early pictures of East Kingston people and places. The directories of East Kingston for 1901 and 1935-7 have been added to our historical materials in the library.

We are encouraged to think that the year has been a good one for your committee, and we wish to thank our many friends for their generous cooperation.

Phyllis Baker, Chairman
Scott Darling
Edith Helme
Ardith Polletta
Eugene Finch

REPORT OF THE COORDINATOR OF THE OFFICE OF EMERGENCY MANAGEMENT

This year the Civil Defense Department became the Office of Emergency Management by passage of Article 9 of the Town Meeting in March, 1982. Since that time a Basic Emergency Management Plan (BEMP) has been prepared and submitted to the Board of Selectmen for final review.

I have been working with the consulting engineers hired by the State of New Hampshire to develop an emergency response plan in case of an emergency at the Seabrook Power Plant. This planning was placed on 'hold' for a time by legal action, but the recent court judgement has let it resume.

I have attended training for local directors sponsored by the State Civil Defense Agency. There is now an Emergency Management display in the Town Clerk's office where residents can pick up brochures on various emergency and safety procedures including wood stove safety.

A Radiological Monitoring Course was held during January, 1982 and 14 local people were trained in the use of instruments to detect radiation levels and the effects of radiation on personnel.

In the coming year, the plans for Seabrook Power Plant should be completed and the Fire, Police and Rescue supplements to the BEMP should be prepared. If any East Kingston resident wishes further information or has comments on Emergency Planning, please contact me.

Respectfully submitted,
Robert E. Fairbanks
Coordinator, Office of
Emergency Management

RECREATION COMMITTEE REPORT 1982

During the past year, we co-sponsored the fishing derby with the Police and Fish and Game Departments. In the summer we offered a program five days a week for four hours a day under the direction of Mary Marcella. We held our annual Family Field Day in June at Foss-Wasson Field. At Christmastime, Santa Claus was at the town hall to pass out gifts to the children. The Senior Citizens and Little League received their allocated funds. A preschool story hours and kindergym were held on Wednesday mornings at the town hall.

Molly Allen resigned from the committee in the spring of this year. We would like to thank her for her support in the past and also for her continuing effort.

Tony Batal has recently stepped down as chairman of the committee, but he will remain as a member. The committee would like to commend him on his years as chairman. Toby Russell has become the new chairman. We would like to welcome Larry and Diane Castine to the committee who join Toby and Mary Russell, Tony Batal, Pat Mazur, and Becky Chestnut.

We would again like to thank all the above listed people and also Austin Carter for making our activities successful.

Respectfully submitted,
Ellsworth T. Russell, Jr.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

1982 was a year of accomplishment for the EAVNA in spite of state and federal cuts.

HOME CARE. Two new services have been added to the Home Care Program; speech and occupational therapy. Persons confined to their homes are now able to receive these therapies at a more effective time rather than having to wait until they are well enough to leave their homes. The home health aide staff has been increased to meet the demands for assistance with personal care while the nursing staff has responded to a need for support and treatment to persons requiring more skilled care at home than before. This is possible through continuing education to ensure competency to meet these needs. The Agency continues to provide physical therapy to a large number of persons in the service area.

MATERNAL AND CHILD HEALTH. The enrollment in this program continues to increase as the economy declines, providing home visits and clinic services to families with pre-school children.

ADULT HEALTH SERVICE. In addition to high blood pressure and blood glucose screenings, flu vaccine immunizations and tuberculosis testing, the Agency now has Foot Care Clinics.

The Agency, recognizing the necessity for qualified health personnel, provides a clinical setting to students of health care to enhance and expand their knowledge. **12,067** units of service were provided to residents of the service area between January 1, 1982 and December 31, 1982. (Individual town statistics are sent to the selectmen of each town.)

Early in the new year, services will be available on a 24-hour, 7-day basis.

The Agency works closely with other health and social agencies to ensure the most comprehensive care possible to the residents of the participating towns. The Agency continues to maintain its Medicare and Medicaid certification and is a member of the Community Health Care Association of New Hampshire and the National Association for Home Care.

The Association relies upon many valuable volunteers who work at the clinics and in the office in addition to regular staff.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 A.M. to 4:00 P.M., 772-2981 or write to 26 Prospect Avenue, Exeter, NH 03833.

Mrs. Rita Fairbanks,
Representative,
Board of Directors

REPORT OF ROAD AGENT

The year 1982 began with heavy snowfall that went into April.

In the spring, roads were patched, signs replaced and some brush cutting was done. The shoulders were graded and the excess fill was placed behind the town hall for future expansion of the parking lot.

During the summer months, Giles Road was widened, graveled and resurfaced.

In the fall, oiling of roads was done and brush on the sides of the roads was cut.

Robert Rossi,
Road Agent

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low-cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern-day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 Statistics

	State	District	City/Town
No. of Fires	391	41	3
No. of Acres	161 $\frac{3}{4}$	30-1 $\frac{1}{3}$	1 $\frac{1}{4}$

EAST KINGSTON SCHOOL DISTRICT MEETING

The annual meeting of the East Kingston School District was called to order by Moderator Robert Donovan at 7:00 P.M. on Tuesday, March 2, 1982 at the town hall. He reminded voters that the District Officers will be elected by ballot on Tuesday, March 9, 1982, at the town hall between 10:00 A.M. and 7:00 P.M.

The reading of the Warrant was waived with no objection as each Article will be read as it is acted on.

Article I. To see if the District will vote to change the term of office for School District Moderator, Clerk, and Treasurer from one year to a period of three years. Said change will begin with the 1983 March election.

Moderator Donovan explained that the statute under which the Article is presented requires a written printed ballot. The School Board was unaware of this and did not have a ballot prepared. Moderator Donovan recommended passing the Article due to the fact it was not properly prepared.

Motion by Rita Fairbanks and seconded by Mary Kelley to pass the Article. So voted.

Article II. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds; and must be exempt from all provisions of RSA 32 relative to limitations and expenditures of School District monies.

Motion made by Doug Smith and seconded by Mel Bowley. Voted yes.

Article III. To see if the District wishes to request from the Commissioner of Education a waiver of the requirements stated in RSA 189:11-a which requires the establishment of a school lunch program.

Motion made by Mel Bowley and seconded by Wilma Young.

Edward Oechsle questioned why the Board was requesting a waiver. The Board does not feel able to pay for

or provide a hot lunch program at either school at this time. It was stated that the waiver will be granted if we request it. Mr. Oechsle also asked about matching funds for the program and was told the School District would foot most of the bill.

Robert Belcher questioned what would happen if we did not ask for a waiver. He was told it is a state statute that every School District must provide a school lunch program unless they have applied for a waiver. If the Article is not favorably voted, the state could force the School District to provide a lunch program.

In response to David Andrzejewski's question on how long the waiver was good for, the answer was one year. Mr. Andrzejewski suggested the Board ask for an extended waiver because of the costs of implementing such a lunch program and the size of the town. Wilma Young replied the Board would look into it.

Motion was voted yes.

Article IV. To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.

Motion made by Mel Bowley and seconded by Wilma Young. Voted yes.

Article V. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for School District officials and agents and for the payment of the statutory obligations of the District.

Motion by Wilma Young to raise and appropriate the sum of \$608,040.00 (Six hundred and eight thousand and forty dollars) for the purpose of this Article. Seconded by Mel Bowley.

David Andrzejewski questioned the increase in the teachers' salaries. Mel Bowley explained the teachers had only received small increases in the past two years. The Board gave them a 10½ percent increase along with a

health benefit plan hoping to bring them in line with the rest of the school districts. However, they are still lower than the other districts.

The increase in Tuition to the Exeter Area Junior High and High School is due to an increase in the number of students as well as a raise in the costs. The Tuition rate for the 1982-83 school year for the Junior High is \$2,061 and for the High School \$2070.

The number of students involved was also the reason for the increase in Special Education costs questioned by Elliott Estey.

Daniel Guilmette questioned the Board on whether they had looked into alternate transportation, such as owning our own bus system. Doug Smith explained the Board has signed a five-year contract with Berry Transportation of North Hampton. The Board put the transportation contract up for bid last year and Berry came up with the best bid. The budgeted amount is for two buses, which are both filled to capacity right now. If more seating space is needed, another bus will have to be provided. The Board hopes to discuss the possibility of sharing a bus with Kensington School Board.

David Andrzejewski suggested the Town Counsel be asked to review School District contracts, such as transportation, in the future.

In response to a statement by Elliott Estey on the financial impact of the School District budget on the tax rate, the Board explained there are so many things the laws have made mandatory for the school districts to provide. We only really have control of the teachers' salaries and other small items through which to keep costs down.

Motion was voted yes.

Article VI. To hear reports of agents, auditors and committees or officers heretofore chosen and to pass any vote relating thereto.

Motion was made by Robert Belcher and seconded by Mary Kelley to pass this Article. So voted.

Article VII. To transact any other business that may come before this meeting.

Molly Allen made a motion to have a committee of five study the feasibility of an addition at the Elementary School

on Andrew's Lane and report back at the 1983 School District Meeting. Seconded by David Andrzejewski.

In the discussion that followed, it was brought out the motion did not specify what type of addition. There is need for a building that could be used more extensively than the town hall for town functions. David Andrzejewski made a motion to amend the original motion to read "Have the Moderator appoint a committee of five, one being from the present school board, to study the feasibility of adding at least two classrooms and a multi-function room to the Elementary School on Andrew's Lane." Seconded by Edward Oechsle.

Discussion which followed centered on whether or not the motion should be so specific. Edward Oechsle felt that just by defining it you were limiting it. Daniel Guilmette and Susan Oechsle both expressed the feelings that the committee should have the leeway to come up with several plans, including whether or not it would be in the best interests of the Schol District to keep two classes at the Brown's Academy building.

Wilma Young made a motion to move the motion to amend. Seconded by Daniel Guilmette.

Motion to move voted yes.

Hand vote on motion to amend was 11 yes, 12 no. Motion to amend fails.

Edward Oechsle made a motion to amend the original motion to read "To have the Moderator appoint a committee of five, one being a member of the present school board, to study the feasibility of an addition to the Elementary School on Andrew's Lane and report back at the 1983 School District Meeting." Seconded by Nancy Smith.

Motion to amend voted yes.

Original motion as amended voted yes.

Moderator Donovan appointed Daniel Guilmette, Susan Iseman, Molly Allen, David Andrzejewski, and Wilma Young as the five-member committee.

Molly Allen also made a motion that the School Board consider hiring another bus and running a late bus. Seconded by Susan Oechsle.

David Andrzejewski pointed out it could not be done this year because the budget had already been voted on.

The Board explained that if more bus space was needed, they would have to provide transportation, but not for extra-curricular activities.

Motion failed.

Wilma Young received a vote of thanks from the voters for her nine years of service on the School Board. She, in turn, expressed her thanks for the support she received and stated how much she had enjoyed her years on the Board.

Motion to adjourn was made by Elliott Estey, seconded by Rita Fairbanks, and so voted at 7:55 P.M.

Respectfully submitted,

Catherine J. George
Clerk

EAST KINGSTON SCHOOL DISTRICT OFFICERS

Elected by ballot on Tuesday, March 9, 1982, at the East Kingston Town Hall.

School Board Member for three years:

Susan R. Oechsle, Willow Road, East Kingston, N.H.
03827 — 642-8433

School District Clerk for one year:

Catherine J. George, Depot Road, East Kingston, N.H.
03827 — 642-3561

Treasurer for one year:

Nancy J. Smith, Joslin Road, East Kingston, N.H.
778-7190 (Mailing address: RFD 2, Exeter, N.H. 03833)

Auditors for one year (two): (Only one elected, other to be appointed by Board) Mark J. Coellner, North Road, East Kingston, N.H. 03827 — 778-8664.

Moderator for one year:

Robert Donovan, South Road, East Kingston, N.H.
03827 — 642-8386.

Appointed by School Board on Wednesday, March 10, 1982:

Auditor for one year:

Mary Kelley, PowWow River Road, East Kingston, N.H.
03827 — 642-5566

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District of East Kingston, in the County of Rockingham and said State, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on the Second Day of March, 1983, at 7:00 o'clock in the evening, to act upon the following subjects:

1. To see if the District wishes to request from the Commissioner of Education a waiver of the requirements stated in RSA 189:11-a which requires the establishment of a school lunch program.
2. To see if the District will vote to authorize the School Board to make applications for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U.S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.
3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.
4. To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.
5. To transact any other business that may come before this meeting.

Given under our hands at East Kingston this day of
February, 1983.

E. Melvin Bowley
Susan R. Oechsle
Douglas A. Smith

School Board of East Kingston, N.H.

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial reports of the treasurer of the school district of East Kingston, NH, of which the above is a true summary for the fiscal year ending June 30, 1982, and find them correct in all respects.

August 17, 1982

Mary F. Kelley
Mark J. Coellner Auditors

SCHOOL DISTRICT REPORT
Superintendent of Schools, Fred B. King

Many times throughout the year someone poses a very legitimate question, "How good are the Schools of this community?" One has to base the answer on the over-all "track record" of the school and not on isolated items based on a single child. One has to look at the total continuum of educational opportunities and the student performance as a result of those experiences.

The schools of SAU #16 as a public school system tries to meet the needs of each child. There is a program available which tries to fulfill this goal. Let me summarize these:

- 1) Regular classes designed to group students according to ability and need. Well defined objectives have been established and a systematic approach (sometimes referred to as "levels") has been established to aid the accountability of student learning in the key areas of reading, language arts and math.
- 2) Special education classes for students with mental exceptionalities from the educable to the severely and profoundly handicapped, emotionally disturbed, oral language impaired, hearing impaired, visually impaired, multiply handicapped, and those with learning disabilities.
- 3) College preparatory classes that train graduates who constantly compete at colleges throughout the United States at a successfully high level.
- 4) A Vocational Center that provides programs in many different vocational areas where many students gain job placement in skilled areas prior to graduation.
- 5) A successfully diversified co-curricular program of athletics, music, speech, drama, arts, etc., to meet the needs of all students.

- 6) Financially efficient operation that blends available resources with prioritized needs.
- 7) Competent teaching and administrative staff members who pride themselves in assisting students to develop their innate abilities.
- 8) Curricular course guides designed with specific objectives for student achievement to assure a degree of accountability and consistency.
- 9) Supplemental pupil services of guidance, counseling, social work, health, testing, and psychological services to meet student needs.
- 10) A modern and efficient program of transportation.
- 11) An efficient program of building maintenance services and renovation where needed.

Sometimes not everyone's needs are met as well as one would like, but in comparing our graduate programs and services with those of other communities, I believe you would be hard pressed to find a school system that better deals with all children's needs than does the Schools of SAU #16.

As schools look to the future two needs stand out. We need to organize a program of computer education from grades one to twelve, educate our staff and provide adequate computers and software to carry out the program. The second need deals with the high school library in Exeter. It is in need of additional space to meet the requirements of a good high school library. A committee should review and study this problem and present a solution to the Exeter School District a year from now. With the college competition today, and the need for good research skills, we cannot afford to neglect the very "heart" of any school system — namely its library facility.

Since this is the last report that I shall prepare, I wish to express my thanks to the many fine people whom I have met over the years. Most of my memories are pleasant ones

and they certainly far outweigh the disagreeable and politically-oriented ones that have come my way as of late.

One way to insure that schools continue to grow is to have citizens become interested and involved. Citizens should want to know what is going on and be keenly aware of actions taken by the local school board in their behalf. Attendance at board meetings and voicing opinions is an option every citizen has and it should be utilized more frequently in the days ahead. Remember children are indeed our most important resource and we must never short-change them in the name of "economy."
