HANOVER FINANCE COMMITTEE EIGHTEENTH ANNUAL REPORT

Even a cursory consideration of the tax rate now current in Hanover and a superficial summing up of the obvious needs of the near future leads the Finance Committee this year to the unpleasant realization that they and succeeding committees for the next several years are faced with a problem which will call for all the available financial wisdom and the whole-hearted cooperation of everyone involved in the three governing groups of the town. We reviewed as a committee the legislation of 1932 which brought the committee into existence and which, together with earlier reports, defined clearly the obligations of the committee to the community. The Town vote of 1932 reads, "It shall be the duty of this Committee to confer with officials of the Town, Precinct, and School District on financial matters, to hold hearings when considered desirable, and to make reports to the Town, Precinct, and School District with specific recommendations." With that instructive vote before us, we started consideration of the budget.

It is apparent in all three of our budgets that today we are regimeted by a strong and increasing demand for public or social services that has become a permanent part of our financial picture. As a result a considerable portion of our several budgets become somewhat automatic and fluctuate, unfortunately usually upwards, in spite of every effort on the part of Town officials. A few of these items as they appear in the budgets are retirement, county taxes, old age assistance, etc. Since we have so little control over these items, it is more evident that we must get full value for all tax money spent on those items that we can control.

TOWN BUDGET

In considering the Town budget, we find that in the year 1949 actual current expenses exceeded the budget by \$4,293.08. For the most part the Town had little control over the items which account for this over-run. There is, however, an over-run of \$2,169.28 in the cemetery accounts that is indicative of a new policy of employ-

ment of the help in that department and the establishment of a higher standard of maintenance for our cemeteries. The Selectman in charge of cemeteries for the last several years has done a tremendous job in the reorganization of this work, and the over-run of last year and the increased provision in the budget for the coming year is simply the crystallization of his work in this connection. Careful consideration of the problem by the Committee leaves little question that this is one instance of money being well spent for the purpose of correcting a deficiency which has been evident for some time. Proposed expenditures for current operations for 1950 are \$66,011.00, or about \$4,300.00 less than actual expenses in 1949. Added to these are proposed expenditures of \$6,000.00 for a new power shovel and \$3,500.00 for the reconstruction of two bridges. Receipts from sources of income other than the general property tax are expected to be about the same as in 1949.

To meet the total proposed expenditures, therefore, the amount to be raised by the Town property tax is \$40,154.00 or \$2,122.47 more than was raised by taxes in 1949. Although this is not an inconsequential increase, it should be noted that one of the factors that made possible an increase of only \$2,122.47 was the unexpectedly good financial showing of the Howe Library. There are elements in that fortunate showing, however, that are not recurring, and it is evident that the requests of the Library to the Town in years to come will again be for \$4,000 rather than the \$2,000 that appears in the budget this year. The Finance Committee, then, recommends this budget of the Town and commends the officials for their careful conduct of the Town's financial affairs.

PRECINCT BUDGET

The Precinct in 1949 had an over-run of expenditures of \$1,488.12. The major items without offsets to account for this over-run appear in the Police Department, Highway Department, and in the Interest Paid accounts. The over-run in the Police Department resulted largely from the increased cost of providing a patrolman at the school six times a day and a more than usual expense for uniforms occasioned by the turnover in police employees.

Larger than budgeted expenditures for new roads and drains, oiling, and equipment repairs account for the over-run in the Highway Department. The Interest Paid item is accounted for by the delay last year in getting out tax bills and is a nonrecurring item.

The proposed expenditure of 1950 is \$91,325.00, an increase of \$1,750 over the budget figures of 1949. There are scheduled salary raises in police, fire, and highway departments including a \$500 increase in the drill pay of the volunteers in the Hanover Hose Company. An appropriation of \$3,500 was voted in 1949 for extension of sewer lines on East Wheelock Street. An appropriation of \$7,000 for sewer construction in the Chase Field residential development is included in the 1950 budget. It has been considered desirable by the Commissioners that these facilities be provided. Since the Precinct now owns the sewer that serves that portion of the town, it has seemed logical that any new development in that area should be incorporated in the present system so as to avoid possible complications in the future. As additional comment on this question, it is evident that of necessity there will be a recurrent item of major expenses in furtherance of the sewer system of the Precinct.

The amount to be raised by property taxes, therefore, in the Precinct is \$64,158 or an increase of \$5,813. The increase is largely accounted for by the consideration of the carryover of a cash balance of \$2,400 from 1948 operations and the deficit of \$1,500 in the 1949 operations. It should be noted, too, that there is no provision in the budget this year for a reserve to New Highway Equipment and Paving. Consideration of the sometime necessary work on the streets of the Precinct has again been postponed, due to its financial impracticability.

The Committee recommends this budget and again feels called upon to commend the Commissioners for their careful, thoughtful, and frugal conduct of the Precinct affairs.

SCHOOL DISTRICT BUDGET

Consideration of the School District budget is complicated by the fact that the fiscal year ends June 30. Therefore, we are faced with the problem of thinking in terms of three years. The fiscal year 1948-

49 resulted in a deficit of \$335.65 and the year 1949-50 carries a deficit appropriation of \$3,100.00. This appropriation must be included in the budget total for 1950-51. The budgeted expenses for 1950-51 are \$179,322.26 so that the total budget becomes \$182,422.36, calling for actual expenditures during 1950-51 of \$13,258.52 more than the proposed expenditures for 1949-1950. Of this increase, \$11,606.56 is in the teachers' salary and retirement accounts. Raises for the present staff amount to \$7,700, while additional teacher services account for the balance. There are other increases indicated in the budget, notably tuition, \$975.00; clerical assistance, \$550.00; transportation of pupils, \$500.00; water and light, \$456.00; and fuel, \$397.50. Among the significant reductions are \$1,500 in building improvements and \$900 for new equipment. The estimated income other than taxes will be larger owing mainly to an increase in the tuition charge from \$175 to \$225 for high school pupils from outside the Town of Hanover. This results in an increase of \$4,100; the balance to be raised by taxes then works out to be \$161,307.36, an increase in the tax bill over last year of \$14,908.52.

The school budget has occasioned a lot of discussion in the Finance Committee, which is to be expected since the amount to be raised by property taxes for the School District amounts to \$37,050 more than the total of the property taxes for the Precinct, Town, and County. The Committee has also received more questions, formally and informally, concerning the budget of this division of Town government than that of the other two. Because there has been so much interest shown on the part of the public and because there is a division of opinion on the Committee, it is evident that there can be some question concerning specific items in this budget and perhaps some question concerning the whole philosophy which results in this budget. In fact, the Committee expresses itself as being gravely concerned regarding trends as evidenced by the budget. The Finance Committee questions its authority to make recommendations which involve elimination of services which have been established by vote of the School District even though a searching inquiry into the budget as a whole may appear to indicate that certain items are under serious question. The items involved have been voted and approved in prin-

ple by the citizens of Hanover in School District Meeting, and it would seem that any curtailments of the budget that involve curtailment of school services must be arrived at in the same way, that is, by vote of the citizens of Hanover. That new circumstances and changing conditions make unwise a program that several years ago received the approbation of the Town at large may be unfortunate, but we think it within the province of the Finance Committee only to comment on it and not to change it.

There is no question, therefore, on the part of the Committee that we must recommend this budget provided that the voters do not wish to curtail the services offered by the schools. The affairs of the school have been carefully and diligently conducted. There is no waste or carelessness indicated, and we do not think as good a school could be run more cheaply.

We would like, however, to point out to the School Board and to the people of Hanover the problems ahead of us. No one has questioned as yet the need for new grade school facilities. No estimates have been made public, so that costs of such enlargements are a matter of conjecture. So far as we know, no attempt has been made to project the future overhead of the expanded school quite apart from the capital outlay that will be involved. But it is evident that both items will be large ones and that the capital outlay will result in a funded debt that the town can assume with difficulty, and we think that it follows that the overhead of the expanded school will result in a tax increase of serious proportions. We recommend, therefore, the reconsideration of the services offered by the School District. We recommend that they be dispassionately reviewed and considered against the standard of whether the community can at the present time afford each and every one of these services. Public interest has selected physical education, driver training, and kindergarten as being subject to reappraisal on the grounds that they may well be items that cannot be afforded in the next decade. We recommend to the School District the reconsideration of the salary policy as perhaps being on too high and too idealistic a standard for our present pocket-book. We recommend the establishment of a schedule of meetings in the coming year between a committee of the School Board and the Finance Committee towards the end of curtailing all the expenditures.

The probable effect of proposed budgets on tax rates, excluding appropriations that may be requested in separate articles in the warrants, and the decrease which will result from additions to the assessed property value in the town over the 1949 figure is shown in the following table:

TAX RATES						
	1937	1942	1947	1948	1949	Est. 1950
Town	1 13	77	68	97	88	89
Precinct	56	60	85	92	96	1 04
School	1 45	1 45	1 84	1 77	2 13	2 32
Total estimated 1950 tax rate inside precinct — \$4.25						
Total estimated 1950 tax rate outside precinct — 3.21

The membership and officers of the Finance Committee for the past year have been as follows:

- James Campion (Term expires 1950)
- William P. Kimball (Term expires 1950)
- Herbert W. Kuehn (Term expires 1951)
- Rolf C. Syvertsen (Term expires 1951)
- David C. Rennie (Term expires 1952)
- Fred F. Parker (Term expires 1952)
- Martin L. Lindahl, Secretary (representing the Precinct Commissioners)
- Robert J. Putnam (representing the Town Selectmen)
- Stuart J. Stebbins (representing the School Board)

Respectfully submitted,

HANOVER FINANCE COMMITTEE

by James Campion, Jr., *Chairman*

REPORT OF COMMISSION ON POSTWAR
PLANNING

At the Town Meeting of Hanover on March 12, 1946, in accordance with Article Seven of the Warrant, the Moderators of the Town, Precinct and School District appointed a Commission on Postwar Planning to serve for a term of three years. The term of office of this Commission expired on March 8, 1949. At the Town Meeting on March 8, 1949, it was voted to continue the Commission on Postwar Planning for another three-year period. Accordingly, the Moderators re-appointed the personnel of the former Commission. Resignations were accepted from William P. Kimball and Hugh S. Morrison. John S. Minnich and Artemas Packard were selected to fill their places.

On January 16, 1950, the Moderators announced the personnel of the new Commission to be as follows:

Ives Atherton
Theodore E. Bacon
Arthur H. Chivers
Martin L. Lindahl
John S. Minnich
Frank M. Morgan
Artemas Packard
Virgil Poling
Walter H. Trumbull

At the first meeting of the new Commission held in the Municipal Building January 26, 1950, the Commission chose Frank M. Morgan as chairman and Theodore E. Bacon as clerk. The Commission reviewed briefly the eight suggestions for future study which comprised the final report of the former Commission (see Town Report of 1948); and noted especially the completion of the zoning projects and the progress of sewer reconstruction.

The Commission has not yet determined what community problem will engage its initial study.

Respectfully submitted,

THEODORE E. BACON, *Clerk*
for the Commission on Postwar Planning

WARRANT
THE STATE OF NEW HAMPSHIRE
Grafton, SS. Town of Hanover

To the inhabitants of the Town of Hanover in the County of Grafton, in the State of New Hampshire, qualified to vote in town affairs:

You are hereby notified to meet in the Auditorium of the High School in said Hanover on Tuesday, the fourteenth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First: To choose by Non-Partisan Ballot the following Town officers:

one Selectman for three years
one Selectman for one year
one Town Clerk
one Treasurer
one Library Trustee
one Trustee of Trust Funds

Second: To hear the reports of the Selectmen, Treasurer, Auditors and other Town officers and to pass any vote relating thereto.

Third: To raise such sums of money as may be necessary to defray town charges for the ensuing year and to make appropriation of the same.

Fourth: To elect by majority vote the following Town officers:

two Auditors
one Member of the Advisory Assessors Board for three years
three Fence Viewers
two Surveyors of Wood and Lumber
other necessary Town Officers

Fifth: To hear the report of the World War II Memorial Committee and to take any action pertaining thereto.

Sixth: To see if the Town will appropriate the sum of two hundred dollars for the preparation of preliminary drawings and estimate of the cost of the proposed Second World War Memorial Flag Pole and base treatment with appropriate honor roll. This memorial to be located on the front lawn of the school property on Lebanon Street.

Seventh: To see if the Town will vote to authorize the Postwar Planning Commission, created by vote of the Town at the annual meeting held on March 12, 1946, to investigate the desirability of adopting Chapter 55 of the Revised Laws of New Hampshire relating to Town Managers and report at the next annual meeting.

Eighth: To see if the Town will vote to allow the Taxpayer a discount of $1\frac{1}{2}$ percent upon all taxes on real and personal property paid within fifteen days after the date of the tax bills, or on or before July 15 — whichever is the later date.

Ninth: To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to meet the Town's obligations until the taxes are collected and paid into the Treasury.

Tenth: To transact any other business that legally may be brought before said meeting.

Polls will be closed at three o'clock.

Given under our hands and seals this Twenty-seventh day of February in the year of our Lord Nineteen Hundred Fifty.

ROBERT J. PUTNAM,
ARTHUR H. CHIVERS,
NILES A. LACOSS,
Selectmen of Hanover, N. H.

A true copy of the Warrant, attest.

ROBERT J. PUTNAM,
ARTHUR H. CHIVERS,
NILES A. LACOSS,
Selectmen of Hanover, N. H.

ABSTRACT FROM THE TOWN CLERK'S RECORD

A legal meeting of the inhabitants of the Town of Hanover, New Hampshire, was called to order by Edgar H. Hunter, Moderator, on March 8, 1949, at 10:00 A.M. in the Gymnasium of the High School Building.

Archie B. Gile was elected Clerk, pro tem.

The Warrant on which the meeting was called was read by the Clerk pro tem, Archie B. Gile.

The following officers were elected by Non-Partisan Ballot:

Niles A. Lacoss, Selectman, for three years

L. Leroy Blodgett, Clerk, for one year

Ethel C. Bond, Treasurer, for one year

Adna L. Camp, Library Trustee, for three years

David C. Rennie, Trustee of Trust Funds, for three years

Voted: That the reports of the Selectmen, Treasurer, Auditors, and other Town Officers be accepted as printed.

Voted: That in addition to the State, County, Highway, and Poll Taxes required by law, the Town raise the sum of thirty-five thousand six hundred and eleven dollars (\$35,611.00) and appropriate said sum and all other moneys which may be paid into the Treasury, and which are not required by law otherwise to be expended, in accordance with the budget and report as presented by the Selectmen.

The following officers were elected by ballot:

David C. Rennie and Donald L. Barr, Auditors, for one year

W. H. Trumbull, Member of Advisory Assessors Board, for three years

Leon G. Hayes, Elmer A. Dana, and Vincent C. Harris, Fence Viewers, for one year

Harvey N. Camp and John H. Minnich, Surveyors of Wood and Lumber, for one year

Voted: To establish a Capital Reserve Fund and to raise and appropriate the sum of two thousand dollars (\$2,000) to be paid into said Fund and to be used for purchase of equipment.

Voted: That the Commission on Post War Planning be continued for a term of three years, said Commission to be constituted as set forth in the vote passed under Article VII of the Warrant for the Town Meeting of March 13, 1946, and to have the same duties and exercise the same powers as set forth therein.

Voted: 1. That the Town appoint a Zoning Commission to consist of three members to recommend the boundaries of zoning districts if any to be established and appropriate regulations to be enforced and to exercise all the powers conferred on a Zoning Commission by the laws relating to zoning regulations and to take any action incidental thereto.

2. That Martin G. Remsen, Carl Sweet, and W. H. Trumbull be and they hereby are appointed a Zoning Commission.

3. That the Zoning Commission be authorized and instructed to make a preliminary report and to file the same with the Town Clerk and to publish it in the *Hanover Gazette* and to notify and hold public hearings thereon as provided by law and thereafter to make a final report and file it with the Town Clerk at an adjourned session of this meeting.

Voted: That the Town raise and appropriate the sum of five hundred dollars (\$500) to defray the cost of such assistance as may be necessary in planning a zoning ordinance.

Voted: That the Town discontinue and abandon as a Public Way that portion of the old highway known as Route 10 in said Town of Hanover extending southerly from a line which is an extension of the northerly property line of land to be conveyed to Granite State Electric Company by Trustees of Dartmouth College to the northerly side of Pine Knolls Cemetery Road, and crossing intervening Mink Brook, and that the Selectmen of the Town of Hanover be and are

hereby authorized in the name and behalf of said Town, to execute and record such instruments as may be necessary to effect the foregoing discontinuance and abandonment.

Voted: To authorize the Selectmen to execute and deliver to New England Power Company such agreements, contracts, or other instruments which they, in their judgment, may deem necessary and proper in relation to those portions of the Town highways, roads, bridges, culverts, sewers, drains and other property which will be affected by the construction and operation of the so-called Wilder Project by New England Power Company, provided, however, that New England Power Company assumes all cost of agreed changes or alterations of or in said highways, roads, bridges, culverts, sewers, or drains.

Voted: To authorize the Moderator to appoint a Committee of five to study the matter of obtaining and placing a permanent Honor Roll Tablet for the Veterans of World War II; this Committee to present its report and recommendations for action at the annual Town Meeting in 1950.

Voted: That upon all taxes on real and personal property, paid within fifteen days after the date of the tax bills, or on or before July 15, whichever is the later date, a discount of $1\frac{1}{2}\%$ be allowed the taxpayers.

Voted: That the Selectmen be authorized to borrow such sums of money as may be necessary to meet the Town's obligations until the taxes are collected and paid into the Treasury.

Voted: That when this meeting adjourns it be to meet at the Grade School Hall in the Village of Hanover on Monday, the twelfth day of September, 1949, at 7:30 o'clock in the afternoon.

Meeting closed at 3:00 P.M.

ARCHIE B. GILE,
Clerk pro tem

Adjourned Meeting of the inhabitants of the Town of Hanover was held on Monday, September 12, 1949, at the Hanover Grade School Hall, Hanover, New Hampshire, at 7:30 o'clock in the afternoon.

The meeting was called to order by the Moderator, Edgar H. Hunter.

Walter H. Trumbull, chairman of the Zoning Commission, read the Final Report of the Zoning Commission.

Voted: That when this meeting adjourns, it adjourns to meet again at the Municipal Building at Hanover, New Hampshire, on Wednesday, September 28, 1949, at 7:30 o'clock in the afternoon.

Voted to adjourn.

L. LEROY BLODGETT,
Town Clerk

Adjourned Meeting of the inhabitants of the Town of Hanover was held on Wednesday, September 28, 1949, at the Municipal Building, Hanover, New Hampshire, at 7:30 o'clock in the afternoon.

The meeting was called to order by the Moderator, pro tem, Donald L. Stone.

Voted: That the Town of Hanover adopt the Zoning Ordinance as recommended by the Zoning Commission.

Voted to adjourn.

L. LEROY BLODGETT,
Town Clerk

HANOVER TOWN LIBRARY REPORT

for the

Year Ending December 31, 1949

A comparison of the Librarian's report for 1948 with the one for 1949 shows a decrease in the number of books circulated. Miss Spencer attributes this to the fact that the Bookmobile has discontinued its service. However, the decrease in circulation seems to be in the juvenile department. We have been trying to build up this section of our library and are sorry to note this fact. Possibly the fact that the fifth and sixth grade school children are being transported to the Hanover school may account in part for this decrease.

It is our aim to give the best possible service to the community and we would welcome any suggestions from teachers and friends as to how we may increase our service.

New walks have replaced the old ones and the steps have been repaired. We need more shelf room and hope to purchase one new stack this year.

Respectfully submitted,

HELENE A. POLAND,

ADNA S. CAMP,

MARTHA L. FULLER,

Trustees of Hanover Town Library

LIBRARIAN'S REPORT

January 1, 1949 — December 31, 1949

The library has been open ninety-nine days. The librarian acknowledges gratefully the recent gifts of books. About 150 volumes have been received from several friends. One donor gave us a complete set of Samuel L. Clemens' (Mark Twain's) works, thirty-seven volumes, a valuable addition. These books cover a wide range of subjects. Many fine books for the younger readers have been added. The books are in circulation but not all have been catalogued.

The Bookmobile no longer brings adult reading, which explains the drop in circulation.

The young folk have a reading club, The Eager Beavers. Credits are given and the number of books read by individual members is posted daily in the library.

On February 23 the library celebrated its fiftieth anniversary. Twenty-one guests were present. Light refreshments were served. The Howe Library Corporation sent flowers. On June 1 the library gave the young folk an anniversary party with fifty-seven guests. Refreshments were served by two junior hostesses.

DONALD L. STONE,
Justice

THE ETNA FIRE ASSOCIATION

We have been extremely fortunate again this year. There have been no serious fires, so that the expense known as the work bill is small. This item amounts to \$43.15 for 1949 and in past years it has averaged \$200. Due to the fact that most of the work on our equipment or about the station has been done by our own men, items of expense listed as Current Expense, Heat, Lights, and General Upkeep have been kept down to a low figure. It was necessary to purchase 100 feet of booster hose and a battery for one of the trucks. Also improvements were made in servicing the portable pumper. Our coal supply is large enough to last out the winter. As the front doors were too narrow for the trucks we now use, repairs have been made to adjust them. Soon we will need stronger supports for the floors. The need of more housing room is as great as ever and is fast becoming more acute. We are hampered in caring for what we already have and prevented from adding to the essential fire fighting equipment. We are happy indeed to show a report that we have kept within our budget again this year. It has demanded our strict adherence to a practice of economy. The personnel of the Association is practically the same as last year. The men are covered by State and Town Insurance as in previous years. We feel a well organized Fire Department is a highly important factor for the safety and well being of any community; and are glad to be engaged in the work. In behalf of the Etna Fire Association may we express our grateful appreciation to the taxpayers of Hanover for their support.

Respectfully submitted,

HARLEY H. CAMP,
Secretary

February 14, 1950

MARY HITCHCOCK MEMORIAL HOSPITAL

During the year January 1, 1949, through December 31, 1949, the Hanover Free Bed Fund in the Mary Hitchcock Memorial Hospital, Hanover, New Hampshire, rendered 315 days' service to sixteen residents of the Town of Hanover.

The charges at the minimum hospital rates for services rendered to these patients during the period amounted to \$3,557.02. Payments from the Town of Hanover in the amount of \$3,469.82 during the

year brought this balance down to \$87.20 as of December 31, 1949.

Please accept my personal, as well as official, thanks for the fine manner in which this Fund was handled during the past year.

HAROLD A. CALLAHAN,
Assistant Administrator

WARRANT

THE STATE OF NEW HAMPSHIRE

Grafton, SS.

Town of Hanover

To the inhabitants of the Village Precinct, in the Town of Hanover, in the County of Grafton, in the State of New Hampshire, qualified to vote in Precinct affairs:

You are hereby notified to meet in the Auditorium of the High School Building, in said Village, on Wednesday, March 15, 1950, at 7:30 P.M. o'clock, to act upon the following subjects:

First: To choose by ballot a Moderator to serve for one year.

Second: To choose by ballot a Clerk to serve for one year.

Third: To hear the report of the Precinct Commissioners, Treasurer, Auditor, and other Precinct Officers, and pass any vote relating thereto.

Fourth: To raise such sum of money as may be necessary to defray Precinct expenses for the ensuing year according to the proposed budget for 1950, including an item of \$7,000 for construction of a new sewer on Chase Field to empty into the East Side Sewer, and make appropriation of the same.

Fifth: To choose by ballot a Treasurer and an Auditor, each to serve for one year; and one Precinct Commissioner to serve for three years.

Sixth: To see if the Precinct will vote to authorize and direct the Commissioners to purchase and provide for the installation, regulation, maintenance, control, use and operation of parking meters on such streets and public parking areas as they, in their opinion, deem advisable, with full discretion, except that the parking charges to be paid through such meters shall be at the rate of one cent (1c) for

each 12 minutes; and that the revenue derived from the use of such meters shall be expended to finance the purchase, maintenance and policing of such meters, and any balance thereof may be expended, in the discretion of the Commissioners, to maintain and improve streets and highways, or to acquire, construct, improve, maintain and manage public parking areas.

Seventh: To see if the Precinct will vote to authorize the Postwar Planning Commission created by vote of the Town at the annual meeting held on March 12, 1946, to investigate the desirability of adopting Chapter 55 of the Revised Laws of New Hampshire relating to Town Managers and report at the next annual meeting.

Eighth: To see if the Precinct will vote to allow the taxpayer a discount of $1\frac{1}{2}$ percent upon all Taxes, on real and personal property paid within fifteen days after the date of the tax bills, or on or before July 15, 1950, whichever is the later date.

Ninth: To see if the Precinct will vote to authorize the Village Precinct Commissioners to borrow such sums of money as may be necessary to meet the Precinct obligations until the Taxes are collected and paid into the Treasury.

Tenth: To transact any other business that legally may be brought before said meeting.

Given under our hands and seals this 28th day of February, 1950.

GORDON H. GLIDDON,
JOHN S. GOULD,
MARTIN L. LINDAHL,
Commissioners

A true copy of Warrant, attest,

GORDON H. GLIDDON,
JOHN S. GOULD,
MARTIN L. LINDAHL,
Commissioners

Hanover, New Hampshire
March 10, 1949

A meeting of the voters of the Village Precinct of Hanover, New Hampshire, was called to order at 7:30 P.M. in the High School Gymnasium. The Warrant was read by the Clerk.

ARTICLE 1. Donald L. Stone was elected Moderator for a term of one year.

ARTICLE 2. Ira W. Leavitt was elected Clerk for a term of one year.

ARTICLE 3. *Voted:* That the Precinct Report as printed, including the reports of the Commissioners, the Treasurer, the Auditor, and other Precinct officers be accepted.

ARTICLE 4. *Voted:* That the Village Precinct of Hanover raise the sum of fifty-eight thousand, three hundred and forty-five dollars (\$58,345) and appropriate said sum and all other moneys which may be paid into the Treasury, to defray the expenses of the Precinct for the year ending December 31, 1949, according to the budgets and report as presented by the Commissioners, including an item of \$3,500 to finish the East Side Sewer and an item of \$1,500 to go into Capital Reserve for Highway Equipment and Street Paving.

ARTICLE 5. Ethel C. Bond was elected Treasurer for a term of one year. Clarence W. Cofran was elected Auditor for a term of one year. Martin L. Lindahl was elected Precinct Commissioner for a term of three years. Donald L. Stone was elected Pine Park Commissioner for a term of three years.

ARTICLE 6. *Voted:* That the Precinct discontinue and abandon as a Public Way, that portion of the old Highway known as Route

10 in said Precinct of Hanover, extending southerly from a line which is an extension of the northerly property line of land to be conveyed to Granite State Electric Company by Trustees of Dartmouth College to the northerly side of Pine Knoll Cemetery Road, and crossing intervening Mink Brook, and that the Commissioners of the Precinct of Hanover be and are hereby authorized in the name and behalf of said Precinct, to execute and record such instruments as may be necessary to effect the foregoing discontinuance and abandonment.

ARTICLE 7. *Voted:* That the Precinct allow the Taxpayers a discount of one and one-half percent upon all taxes on real and personal property paid within fifteen days after the date of the tax bills or on or before July 15, 1949, whichever is the later date.

ARTICLE 8. *Voted:* That the Precinct authorize the Village Precinct Commissioners to borrow such sums of money as may be necessary to meet the Precinct obligations until the Taxes have been collected and paid into the Treasury.

Voted to adjourn at 8:23 P.M. o'clock.

JOSEPH A. MULHERRIN,
Deputy Clerk

ETHEL C. BOND,
Treasurer

AUDITOR'S CERTIFICATE

Hanover, New Hampshire
February 8, 1950

I have examined the accounts of Gordon H. Gliddon, John S. Gould, and Martin L. Lindahl, Precinct Commissioners, for the period of one year, January 1, 1949, to January 1, 1950, and I find them to be correctly kept and supported by proper vouchers.

I have examined the accounts of Ethel C. Bond, Precinct Treasurer, for the period of one year, January 1, 1949, to January 1, 1950, and I find them to be correctly kept and supported by proper vouchers.

CLARENCE W. COFRAN,
Auditor

The Department called upon the Lebanon, White River Junction, Canaan, Claremont, Enfield, Windsor, Wilder, Woodstock, and Grantham police departments for uniformed officers numbering one hundred and seventy-two (172) to assist at various College events during the year. This was done at no expense to the Precinct.

Criminal Activities

Number of criminal arrests, 53; investigations made, 112; number apprehended and released without criminal action, 74. In some instances arrests were made at the request of other law enforcement authorities and persons released to them for prosecution. Six persons were committed to serve time in the County House of Correction and the County Jail.

Crime	Arrest	Investigation	Apprehended and Released

	—	—	—
	53	112	74

The above investigation represents only a small part of the routine complaints investigated by the Department. The so-called minor complaints were promptly investigated and recorded in our daily log.

Motor Vehicle Activities

Number of Motor Vehicle arrests, 222; warnings, 290; check-ups, 547. Number of Motor Vehicle accidents in the Town and Precinct reported and investigated by the Department, 36. As a result of the 36 accidents, seven persons received minor injuries and one proved fatal. In addition to the arrests, warnings and check-ups, eleven drivers were suspended by the State Motor Vehicle Department as a result of recommendations made by this Department.

	Arrest	Warnings	Check-up

 buildings of business places

Mileage

13,250 miles covered patrolling, checking vacant buildings,
 answering complaints and various emergency work

The annual report of the Police Department for the year 1949 is one which if completely told with due regard to the activities of members of the Police Force would make it a record year. Space and tradition do not permit such treatment, however, and what follows is merely a formal accounting of services rendered and a report of official responsibility. Three hundred and eighty-six investigations were made for government agencies in addition to our local criminal cases; in all local arrests, respondents were found guilty either in the Municipal Court or Grafton County Superior Court. The Department reports the resignations of Officers Sylvio Desroches and George F. Earle. These officers left the Department for economic reasons to earn higher pay elsewhere. The outstanding improvement of Police Department service is a two-way radio communications system. On October 17, 1949, the members of the Department found themselves in direct communication with State Police Headquarters in Concord, their own Precinct Police Cruiser, and the Dartmouth College Campus Police Cruiser. The increased efficiency of officers on the job is now measured by daily routine checks way beyond any past record. The expense of this equipment was partially borne by Dartmouth College and the Town of Hanover. This constitutes the most progressive step made in Hanover Police Department services during recent years.

Once again the Department takes this opportunity to express its appreciation to members of the community for their spirit of cooperation and support during the past year.

Respectfully submitted,

ANDREW J. FERGUSON,
Chief of Police

REPORT OF THE FIRE DEPARTMENT

January 1, 1950 .

There was a total of 55 calls this past year, 8 less than for the previous year. We are happy to state that there were no serious fires, fortunately, either in or out of the Precinct.

An analysis of the total calls indicates that the largest number of calls, eight, was for oil burners and hot water heaters. Chimney fires, fires in automobiles and motor cycles ranked next, with a total of six. And in third place were fires in grass, brush and leaves.

This ranking of the chief causes of certain types of fires still points out that the people of the Community must be sure to have their furnaces, chimneys, and automobiles checked carefully and periodically; and must observe faithfully the new regulations on the building of fires out-of-doors, which read:

"SECTION 6. No person shall burn or cause to be burned any trash, brush, leaves, straw, or any other combustible material in the open without a written permit signed by the State or Town Forest Fire Warden and the Chief Engineer or an Assistant Engineer of the Fire Department, stating the time and place when such burning is to be permitted and the nature of the material to be burned; provided, however, that such material may be burned by any person on land owned or occupied by him in incinerators so constructed and operated as to prevent the ignition therefrom of other combustible material."

Many such permits, as required by the law, were issued to people living within the Precinct, and not one fire call was made as a result of such fires.

There were six out-of-town calls: Bradford, Vermont; Strafford, Vermont; Norwich, Vermont; and three in Lebanon, New Hampshire.

Many of the Engineers, Officers, and firemen of the Company took the time and effort to attend Conventions, Drills, and Meetings which deal with the problems of fire control.

The following men attended several meetings of the New Hampshire Chiefs' Club: Chief Nott, Assistant Chief Stewart, Captain Rand, Lieutenants Ware and Wheeler, Lynn Knapp, and Howard Randall. Chief Nott attended the New England Fire Chiefs' Con-

vention, held at Wentworth-by-the-Sea, in June, 1949. The men who attended the New Hampshire State Firemen's Association, held in September at Tilton, New Hampshire, were: Chief Nott, Lieutenant Wheeler, Roscoe Nichols, and Don Cutter.

Attending a Training School in Concord, New Hampshire, on July 31 were Assistant Chief Stewart, Lieutenant Harry Ware, Howard Randall, and Lynn Knapp. Lieutenant Wheeler attended a similar school, held in May, at New Haven, Connecticut.

Once again the Hanover Fire Department wishes to express its sincere gratefulness for the wonderful cooperation which the people of the Community have shown in the installation of fire escapes wherever they were required. It is usually much simpler and easier for a person to save his own life, than it is for someone else to be forced to save it for him.

The Department added a new Chevrolet truck to its equipment this last year. In an effort to be thrifty and economical, a new chassis, only, was purchased and the equipment of the old Model A Ford was mounted on it. A tank with a capacity of about 450 gallons was installed upon the chassis of the Model A Ford. This latter piece of equipment will prove helpful for fires in the country or rural districts, as well as for forest fires, where the water supply is quite limited.

Several new hydrants have been added to the water system, some on the Greensboro Road, and another on Hemlock Road.

The Board of Engineers feels that it would be derelict in its duty if it does not remind the public, constantly, of the fact that the Hanover Fire Department is using two pieces of equipment which are over twenty years old. These trucks have only two wheel brakes, they break down at embarrassing moments, and it is difficult to obtain spare parts for them. At best, a fireman's life is a dangerous one, in the protection of life and property. But it is asking a little too much of these men to take on the added hazard of risking their lives in the use of old and inadequate equipment when answering your call for assistance.

One other point is worthy of your consideration. In view of the new buildings which are being constructed, or are to be built in the next few years, the Board of Engineers feels that more permanent help is needed at the Fire Department Headquarters.

A study of the advisability and the possibility of a two-way radio is being made by the Hanover Fire Department.

Six members of the Department have purchased uniforms which help not only in creating a business-like appearance, but also in the engendering of morale.

The summer drills were well attended, and the spirit of the men, in practicing the various drills, was excellent.

Fire Prevention Week, in October, was observed by a display in the window of the Hanover Hardware Company. Gerald Wheeler and John Hirst were in charge of, and prepared, the display. The purpose of it all is to remind the public of the danger of fire, as well as the necessity for constant vigilance on all fronts in order to prevent it. It is not only necessary to create a safe environment, but also to learn and to practice safe habits of conduct and skill; and to make this information available to all.

And, finally, we come to the Annual Christmas Party. The Hanover Fire Department is very grateful and appreciative of the generous and hearty response of the people of the Community to this party for the children. This rapport between the firemen and the residents of Hanover is most worthwhile in itself, as it enables each group to know and to understand the other a little better.

It is a source of real pride and pleasure to all, firemen, parents, and visitors, who see the joy and happiness which is registered upon the faces of the elated children as they have their ride, ring the bells, sound the siren, see and talk to Santa Claus, and receive their token gift. Quite often, months later, some children will visit the station and pick out the truck in which they rode, or tell what Santa said to them.

Each year the number of children increases, which necessitates not only two trips of rides, but poses an immediate and vital problem of having sufficient gifts on hand to meet the demand.

The citizens of Hanover should feel proud that they help sponsor such a worthwhile project for the children at Christmas time.

Respectfully submitted,

C. H. NOTT, *Chief*

S. C. HAZELTON, *Assistant Chief*

A. P. STEWART, *Assistant Chief*

REPORT OF THE FIRE DEPARTMENT

January 1, 1950

To the Commissioners of the Village Precinct of
Hanover, New Hampshire:

	1948	1949
<i>Total Calls</i>	63	55

Amount of Booster Hose laid in feet	3 425	3 000
Amount of Ladders raised in feet	2 150	873

REPORT OF HEALTH DEPARTMENT

January 1, 1950

To the Commissioners of the Village Precinct of
Hanover, New Hampshire:

The year ending December 31, 1949, was unusual because of the large number of contagious disease cases reported — 294 in all.

Of these, nearly two hundred were measles and German measles. There were reported twenty cases of scarlet fever. Fortunately these cases were mild, which leads to the belief that there were more unrecognized cases. There were some thirty-three cases of mumps and pneumonia was next with thirty-two. Fortunately there were only three recognized cases of polio.

The water and milk supply have been examined frequently and found to be satisfactory.

Again this year our restaurants have been complimented by a State Inspector as perhaps "tops in sanitation in the state."

Respectfully submitted,

KENNETH N. ATKINS,
*Health Officer and
Milk Inspector*

The annual report of the School District for the year 1950 will appear later as a separate report. This delay is caused by the many problems associated with the development of recommendations for an expansion of school building facilities.

JAMES F. CUSICK,
Chairman, School Board
