STATE OF NEW HAMPSHIRE
TOWN MEETING WARRANT

TO: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 10th day of March next, at nine o'clock in the forenoon (polls close at 6:00 p.m.) to vote for Town Officers and to act on other questions required by law to be decided by ballot. Pursuant to the authority of RSA 39:2-a and the vote of the Town at the adjourned session of Town Meeting on March 15, 1979, the business meeting will be recessed until 10:00 a.m., Saturday, March 14, 1981, at which time the Town will act on all subjects described in the following Warrant Articles except for the Ballot questions:

1. To choose the following Town Officers:

Town Clerk for three years
Tax Collector for three years
Selectman for three years
Treasurer for three years
Chief Engineer of Fire Department for one year
Overseer of Public Welfare for one year
Water Commissioner for three years
Two members of Recreation Commission for three years
One member of Recreation Commission for one year (unexpired term)

2. To see if the Town will authorize the Selectmen to borrow a sum of money not to exceed \$250,000.00 at the rate of six per cent interest for the purpose of constructing a fire station on land owned by the Town at the intersection of Turnpike Road and Fitzgerald Road or to act in any way relating thereto.
3. That all reports except that of the Budget Committee be accepted as read.
4. To hear the report of the Budget Committee, and to raise and appropriate such sums of money as may be required for the support of the poor, building and repairing of highways and bridges, Fire and Police Departments, Memorial Day, street and building lighting, and other Town charges.
5. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money upon the credit of the Town in anticipation of taxes.
6. To see if the Town will vote to allow a discount of 2½% for real estate taxes paid within 15 days of the postmarked date of the tax bill, or act in any way relating thereto.
7. To see if the Town will vote to authorize the Selectmen to sell at Public Auction property acquired or property which may be acquired by tax sale.
8. To see if the Town will authorize the Selectmen to accept any or all legacies, gifts, grants, and subsidies to the Town in Trust or otherwise by any individual or individuals, and to further authorize that the funds may be expended for the purposes stated, or to act in any way relating thereto.
9. To see if the Town will authorize the Selectmen to apply, negotiate, and do all things necessary to obtain Federal, State, and other assistance as may be available to the Town.

10. To see if the Town will authorize the Selectmen to expend from the Revenue Sharing Account a sum of money not to exceed \$76,500.00 for the purpose of purchasing the following equipment and materials for the use of the Town departments as indicated below:

Backhoe	\$ 8,000.00
York Rake	3,000.00
Truck and sander	55,000.00
Library	3,000.00
Cruiser	7,500.00

11. To see if the Town will authorize the Board of Selectmen to close a portion of Squantum Road subject to gates and bars, closed to through traffic, from a point by the Public Beach running 770+ feet to a point near Contoocook Lake Road, on a year-round basis; and to appropriate \$2,500.00 in order to construct wider turning areas where Hunt Road intersects Squantum Road and where Howard Hill Road intersects Squantum Road, and to install gates and barriers, or act in any way relating thereto.
12. To see if the Town will raise and appropriate the sum of \$1,000.00 for the purpose of having some of the records of the Town of Jaffrey bound, or act in any way relating thereto.
13. To see if the Town will vote to amend the sewer use charges as adopted under Article 13 of the March 13, 1962 Town Meeting and amended by Article 18 of the March 12, 1968 Town Meeting and further amended by Article 35 of the March 1973 Town Meeting, and as amended by Article 26 of the March 13, 1978 Town Meeting as now reads:

"Sewer entrance fee \$450.00 per building; sewer use charge per annum per housing unit \$35.00; garages and gas stations without water meters \$90.00; restaurants, hotels, rooming houses, mercantile and manufacturing buildings without water meters \$50.00 per toilet. All buildings with water meters \$0.45 per 1,000 gallons, with a minimum charge of \$45.00 per annum, and that allowances or abatements shall be provided for large volume water users who do not discharge substantial amounts of water into the sewer system."

To read:

"Sewer entrance fee \$500.00 per building; sewer use charge per annum per housing unit \$60.00 ; garages and gas stations without water meters \$110.00 ; restaurants, hotels, rooming houses, mercantile and manufacturing buildings without water meters \$60.00 per toilet. All buildings with water meters \$.50 per 1,000 gallons, with a minimum charge of \$70.00 per annum, and that allowance or abatements shall be provided for large volume water users who do not discharge substantial amounts of water into the sewer system."

or to act in any way relating thereto.

14. To see if the Town will vote to raise and appropriate the sum of \$1,400.00 for the support of the Veterans of Foreign Wars Ambulance Service or act in any way relating thereto.
15. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1979 appropriation, said funds to be placed in a special conservation fund in accordance with RSA 36-A:5.
16. To see if the Town will vote to raise and appropriate the sum of \$2,180.50 in support of the Monadnock Family and Mental Health Service, or act in any way relating thereto.

17. To see if the Town will vote to raise and appropriate the sum of \$11,949.14 to support the services of the Monadnock Community Visiting Nurses Association, Inc., or act in any way relating thereto.
18. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the support of the Monadnock Region Association, or act in any way relating thereto.
19. To see if the Town shall continue to have the vital statistics printed in the Town Report or take any action relating thereto.
20. To see if it is the wish of the Town to print the Invoice of Taxable Property every other year, or act in any way relating thereto.
21. To see if the Town will accept as a public highway, a road to be known as Jennifer Lane, 817 feet in length and 50 feet in width, running from Brendan Lane to Letourneau Drive as shown on a plat in Plan Book 41, Page 69 of the Cheshire County Registry of Deeds. (By Petition).
22. To see if the Town of Jaffrey will vote to rescind its previous votes taken at the 1979 Town Meeting, (reference Article 17) and at the special Town Meeting held September 20, 1977 and authorize the Selectmen of the Town of Jaffrey to enter into such agreements as they determine in the best interest of the Town of Jaffrey for the purpose of allowing the development, construction, and maintenance of Federally Subsidized Housing for the Elderly within the boundaries of the Town of Jaffrey or take any other action in relation thereto. (By Petition).
23. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any city, town or other governmental unit of the state to five percent. (By Petition).
24. Are you in favor of the adoption of the revised Jaffrey Land Use Plan as proposed by the Planning Board? (By Ballot)
25. Are you in favor of the adoption of the amendment to the Jaffrey Land Use Plan to re-zone from Rural to Industrial approximately two hundred thirteen (213) acres of land bordering the old Sharon Road, as proposed by the Planning Board? (By Ballot)
26. Are you in favor of the adoption of the amendment to the Jaffrey Land Use Plan, as proposed by a petition of twenty-five voters of this town, to re-zone from Residence A to Residence B approximately one hundred (100) acres of land bordered by Goodnow and North Streets, the Cutter Farm, Prospect Street, and Main Street? The Jaffrey Planning Board disapproves of this proposed amendment. (By Ballot)
27. To take up any other business that may properly come before the meeting.

Given under our hands and the seal of the Town of Jaffrey, this
9th day of February, 1981.

ANNUAL REPORT

The following Accountant's Opinion has been obtained from the Report of Examination and Audit for the Town of Jaffrey as of December 31, 1979 as performed by the Public Accounting firm of Truman C. Edwards & Co. The complete report of examination and audit (16 pages in length) is on file at the town offices and available for inspection.

August 13, 1980

To the Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire, 03452

Gentlemen:

We have examined the financial statements listed in the index on the preceding page of the several funds of the Town of Jaffrey as of December 31, 1979, and for the period begun January 1, 1979 and ended December 31, 1979. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town maintains its financial records on a basis prescribed by the State of New Hampshire, which practices differ in certain respects from generally accepted accounting principles set forth in pronouncements of the American Institute of Certified Public Accountants and the National Committee on Governmental Accounting. The principal differences are: (1) the State requires the use of the cash method to record revenues other than real estate and personal property taxes, whereas generally accepted accounting principles require the use of the accrual basis; (2) a record of general fixed assets is not required by the State.

In our opinion, except for the effects on the financial statements of differences between accounting practices prescribed by the State of New Hampshire and those required by generally accepted accounting principles, referred to in the preceding paragraph, the financial statements referred to above present fairly the financial position of the several funds of the Town of Jaffrey at December 31, 1979, and the results of their operations for the period begun January 1, 1979 and ended December 31, 1979, applied on a consistent basis under the modified cash basis of accounting as described in note 1 to the financial statements.

Respectfully submitted,

Truman C. Edward & Co.

REPORT OF THE JAFFREY LIBRARY TRUSTEES

1980 was a year of general growth and the steady rise in circulation figures and in all branches of library work continued.

Two important events took place during the year. The first was the donation of \$5,450.00 given by the First Church in Jaffrey Center on the occasion of their bicentennial. The money is being used to purchase essential equipment to set up an audio-visual resource room, which should be ready in the Spring of 1981. We are very grateful to everyone who contributed to this magnificent gift. The second event was the formation of a Friends of the Library Association, to promote and support the work of the library. Some of its members have volunteered to work in the library on a regular basis, and, having attended the training sessions that we arranged, they have worked since June dealing with both the circulation and mending of books. Other members are helping with special projects. We are very thankful for all this help, which is of great benefit to the smooth running of the library.

Children's programs have grown, in that all classes, KG-G4, from both the Grade School and St. Patrick's, now come to the library. 'Grandma' Cleverdon's Storytime for pre-school children again included a creative movement class run in conjunction with the Recreation Department. We were particularly pleased that the mothers of the children took an active part in organizing this, and met at the Library to talk and exchange ideas. Stephanie Minter volunteered to take over our weekly reading enrichment program, and a small group of 3rd and 4th graders have their reading experience widened by her expertise and enthusiasm. Our summer reading program, 'Private Treasure' was as successful as 'Muppet Summer' a year ago, attracting 220 readers. Library-sponsored entertainments, 'The Little Red Wagon', and 'Mugsie the Clow' were much appreciated. There was a slow response to a new idea of taking groups to see productions at Andy's Playhouse, but 'Charlotte's Web' was enjoyed by a large group, and we again want to thank the parents who provided transportation to Mason.

Janeal Ravndal left us to move with her family, and Margaret Kunhardt took over the work of organizing the junior programs on a part-time basis. Cynthia Hamilton is now a full-time staff member. Margaret Priest gain the Public Library Techniques Certificate, and

ANNUAL REPORT

Marilyn Simons is taking the courses in Keene. Staff members have taken part in workshops and meetings on computerized information sources, computers, children's literature and sessions on the new library laws to be introduced this year. They have attended N.H.L.A. summer and fall meetings, and also supported the District Advisory Council and the Nubanusit Co-operative.

The Board of Trustees received with regret the resignation of Betty Sawyer Slade, and we thank her for her valuable contributions to our welfare. Rev. Francis X. Cheney was appointed in her place. The Board and staff wish to thank all who have supported the Library in any way this year, and especially those who have given gifts, books, periodicals, recordings, donations and bequests.

Our energy conservation plan was finished, and the closing of the front entrance in winter months has helped us to be a little warmer and to cut expenses. In 1981, we are arranging for a survey of both the heating and ventilation systems to economize further.

ANNUAL REPORT

REPORT OF THE JAFFREY RECREATION DEPARTMENT

The Department offers a wide variety of programs to assure quality use of leisure time. Through these offerings and by working closely with other community organizations, the overall objective of having a well-rounded Recreation Program is best achieved. The Department completed its fourth year of operation in 1980, a year of expanded programs and increased cooperative efforts.

New Initiatives

S.C.E.N.E. (Senior Citizens Enjoying New Endeavors)-The SCENE is a program of weekly activities including monthly trips, slide and travel presentations, crafts, feature speakers, theater, cultural and social events. The group held its weekly meetings at the VFW Hall and the Civic Center. The Department appreciates the cooperation which is given by individuals and organizations in making this "new endeavor" a success.

Pre-school Creative Movement-In cooperation with the Library Staff and talented story reader, Grandma Cleverton, the Department conducted a creative movement program for pre-school children. The children were attentive at story hour, active at creative movement sessions and hungry at refreshment time.

Indoor Swimming Program-The Department recognizing the need for year-round fitness activities, has gained the cooperation of Clark Memorial of Winchendon in presenting an indoor swimming program for Jaffrey residents. The program includes an adult water phobia class, synchronized swimming, and open swimming for all ages.

Water Proofing-The need for water safety is apparent in the Monadnock Region with its many lakes and other swimming facilities. The Department responded to this need with a new series of programs. A children's waterproofing program for youngsters between the ages of 6 and 10 was initiated to develop skills of children who had not passed the basic Red Cross test. Other programs responding to this need for water safety were conducted for pre-school youngsters and water babies.

Skiing-The community-minded owners of Woodbound Inn opened their slopes and trails to the Department for ski instruction. Despite the lack of snow, a limited program was offered in cross-county and Alpine skiing.

The Department along with Crotched Mountain and school personnel of St. Patrick's and Jaffrey-Rindge Middle School coordinated efforts to provide an after-school ski program. Students traveled by bus for six sessions of Alpine ski instruction.

Cuisine Arts-Two new classes were offered for those who are interested in improving their culinary skills. With the emphasis on health and natural foods, a course was introduced to teach the do's and don't's of cooking the natural way. Classes included the teaching of protein balancing and menu planning. For those who want to prepare attractive desserts for special occasions, a cake decorating course was offered for the first time.

Health Related and Safety Instruction-A course in Hunter Safety was offered for the first time by the Department. This instruction is required for anyone wishing to obtain a New Hampshire Hunting License and is sponsored by the National Rifle Association. Another first-time offering by the Department was Cardio-Pulmonary Resuscitation

ANNUAL REPORT

instruction (CPR), this course prepares individuals to cope with emergency situations. Also, a Stop Smoking program was presented which offers a five-day plan designed for the smoker who wishes to stop the habit. The Department introduced a Wood Stove Workshop on the safety of wood-burning stoves. The participants learn about chimneys, insulation and types of wood for burning. Finally, in this category of instruction another new class was offered in 1980 on Stress Reduction. The program is designed for those who are overworked, worried or tense and it teaches the individuals ways to reduce stress, to relax and improve their overall well being.

Crafts-A Knitting and Crocheting class was offered for the first time by the Department. The instruction is geared to the individual learning needs and skills of the students. Both a basic Quilting class and a Quilting Workshop were offered. With the resurgence of interest in basketry, instruction was offered in Round-Reed Basketry.

Other New Instructional Programs-in 1980, Assertiveness Training was offered, the instruction is designed to improve one's self-image and to free the participants from anger, guilt and self-denial. Also, group guitar lessons were offered for beginners.

TRIPS

There was an increase in reservations for the Department's trips in 1980 over 1979. Trips were made to the following places and events of interest: Boston Red Sox games; Ice Follies; Ice Capades; the Eastern States Exposition; New Hampshire Mall; Spags; Boston's Quincy Market; Castle In The Clouds; Hartford; Plymouth Plantation; Weirs Beach; a Mystery Foliage Tour; Ravenscroft Theater; a Boston Celtics' game; the Kennedy Library; Tall Ships in Boston Harbor; the Sharon King Show; Whalom Park; Newport, Rhode Island; Hampton Beach; Shaker Village; Newburyport, Massachusetts; Winnepesaukee; Depot Restaurant; The Pickity Place; the Boston Flower Show; and the Barnum and Bailey; Ringling Brothers Circus.

CONTINUING PROGRAMS AND ACTIVITIES

The following programs and activities continue to generate active participation and have become an integral part of Jaffrey's overall Recreation Program: The Jaffrey Jubilee Committee, Jaffrey Baseball Association, Jaffrey-Rindge Softball League, Jaffrey-Rindge Tennis Association, the B League Men's Basketball, Jaffrey Halloween, Jaffrey Christmas, Jaffrey Jubilee Day and the Department's Summer Youth Program.

FACILITIES IMPROVEMENT

The warming hut at Humiston Ice Rink has been redecorated and through the profits derived from the Navy Band Concert, new special Pro-Lok tiles were installed in the hut.

Also, it was favorably voted at Town Meeting in 1980, that the Town will raise and appropriate the sum of \$22,400.00 for the base work, hot topping, sealing and the installation of previously purchased lights at the Humiston Field Skating Rink; and to give the Selectmen the authority to apply for, receive and expend \$11,200.00 of Heritage Conservation and Recreation Service funds as reimbursement for this project. The subject application for matching funds has been forwarded for appropriate approval.

ANNUAL REPORT

SUMMARY

Jaffrey's Recreation Program has expanded considerably over the past year and the Committee appreciates the additional assistance it has received from those who have so ably and willingly supported its many activities. We would like to recognize the support received from individuals, businesses, the schools, churches, volunteer organizations, and the other Town Departments.

REPORT OF THE JAFFREY BOARD OF ADJUSTMENT

The Jaffrey Board of Adjustment in the past year has instituted several new policy changes. Because of the importance of exacting records, your Board has purchased a tape recorder and every case is recorded. Although these recordings do not take the place of written minutes, they are very useful to the Board or anyone else who wishes to determine exactly what transpired at the meetings.

Another policy change is a revolving chairmanship in which the senior member automatically assumes the chairmanship each year rather than the Board electing one each year as in the past.

Your Board has spent considerable time in working on a Procedure for Appeal to the Board of Adjustment. The hardest part has been to draw up something simple so that anyone applying for relief to the Board of Adjustment will know what forms to fill out, how to fill out these forms correctly and completely, and in general, the steps one must take before his case is heard.

Your Board of Adjustment meets the first Tuesday of each month, and all applications must be received two weeks prior to this date. When an extremely heavy load of cases is received, the Board will also have a hearing on the third Tuesday of the month. All sites involved are inspected by the Board before any decisions are reached.

Another policy, now for the coming year, will be the availability of several Board members at the Town Office Building from 7:00 p.m. to 8:00 p.m. the second Wednesday of each month to assist applicants in preparing their applications

To Marc Tieger, the Board extends its sincere thanks and appreciation for his devotion as a member and as chairman.

ANNUAL REPORT

REPORT OF THE JAFFREY PLANNING BOARD

Planning Board personnel remained relatively unchanged during the year: Carroll Bowers became a regular member, replacing B. Leonard Krause who became an alternate member, and James Balentine replaced Philip Cournoyer as Selectman Representative. The Planning Board meets regularly at the Town Office Building at 7:30 p.m., the second Tuesday of each month, unless holidays or the nature of public hearings require a special meeting or a change of date. Time is always reserved at the beginning of each meeting for informal discussion with any person who has a matter to bring before the Board.

Again this year, the major thrust of our effort was directed towards the completion of Jaffrey's Master Plan, which was formally adopted by the Planning Board in October. We greatly appreciate the quality of effort and the dedication of the Jaffrey Sounding Board, thirty citizens whose study and deliberation over a period of two years ensured that the plan would be completed on schedule and would represent what the people of Jaffrey envision for the future of their community. We also appreciate the fine cooperation and technical expertise furnished us on this and other tasks by the Southwestern New Hampshire Regional Planning Commission.

Most of the members of the Sounding Board have expressed a desire to continue their service, and several of them are now working on a committee to study the need for a new fire station, as recommended by the Master Plan. This and several other implementing steps began as soon as the plan was adopted. The Planning Board conducted public hearings on a revision to the Jaffrey Land Use Plan, which, if adopted, will make it consistent with the Master Plan. The proposed revision will be voted on at Town Meeting. Further implementing the plan, the Selectmen have asked for a review of the status and condition of all town roads. This task will begin in February 1981. We have recommended that the Selectmen take action early this year to establish an Economic Development Commission. We also expect to begin a concept study for the rehabilitation of the downtown central business district; this study is one of the major recommendations of the Master Plan.

Developing a Master Plan, revising regulations to insure consistency with that plan, and at the same time conducting the normal business of considering site plans and proposed subdivisions has meant frequent meetings and more than a few late nights for the members of the Planning Board. I wish to thank each member for the zeal, devotion to town service, and patience each has displayed over the past two years.

Chairman

ANNUAL REPORT

JAFFREY WATER WORKS 1980 ANNUAL REPORT

The Jaffrey Water Works devoted its efforts this year to finalize a Water Supply and Distribution System Program to meet our future water needs and maintain adequate piping facilities to deliver water to all our customers. In general, our water system is adequate to meet present needs, although improvements will be required to meet future demands and to correct isolated system deficiencies.

In June the Commissioners received a report on "Water Supply and Distribution System Improvements" from our consultants, Camp Dresser & McKee, Inc. They concluded that our existing water supplies are adequate to totally fulfill Jaffrey's requirements for a minimum of 10 years, assuming modest annual water demand increases. Our consultants have reported that our supplies generally meet all Federal water supply quality guidelines; however, continued use of the Bullett Pond and Poole Reservoir will require treatment beyond that presently done to satisfy current New Hampshire Water Supply & Pollution Control Regulations. We have engaged our consultants to conduct further (now ongoing) water quality studies to finalize the lowest cost treatment designs.

To fulfill future water demands in excess of existing supply capabilities, Camp Dresser & McKee recommended that additional ground water supplies be developed if possible. The Town has conducted additional ground water investigations this past summer and has located a potential third ground water well site. This site located along Tyler Brook may, when added to our existing supply capacity and to the yield from a new proposed supply at the Sharon town line, have adequate yield to fulfill the Town's water demand for the next fifteen to twenty years. Further detailed exploration of this potential supply will be made in the coming months.

Long range water supply, to meet the Town's demands beyond the capacities of the existing and proposed supplies, cannot be met by more ground water resources. Camp Dresser & McKee has recommended that Jaffrey begin to develop a major surface water reservoir by flooding Mountain Stream. The existing Mountain Stream dam at Route 202 which has been deeded to the Town can create the necessary water reservoir. In addition, extensive water treatment facilities and new water mains would be required to develop this supply. The Commissioners have begun to take steps to secure this water resource and accomplish this future development.

Aside from installing water treatment at our existing reservoirs, the most urgent needs are to provide additional water supply to the Jaffrey Center system and to reinforce the Town's existing piping system. Our consultants have recommended that a new pumping station be constructed to pump supply from the larger East Jaffrey supplies to supplement Poole Reservoir in times of extended drought, such as occurred this winter. The booster pumping station would be located along Route 124 west of the East Jaffrey business district. Our consultants further recommended that our 12 inch diameter water main on Route 124 be completed to reinforce our water supply delivery from Bullett Pond. Thirdly, our consultants have agreed with the Commissioners that implementation of a water meter program is an essential part of our water supply system improvement program. They stated "Metering of domestic, commercial and industrial water use is essential

in a water system in order to (1) assure an equitable assessment of water system costs and (2) encourage water conservation. Records of water use are used to establish a system of water use charges which would assess the cost of the water system in a more equitable manner than the present flat rate system. A rate system would allow high water users to be billed according to their usage, and would most likely increase conservation efforts." We will continue our metering program as funds become available.

The Commissioners have requested that our consultants file for Federal and State Grant Programs to construct the booster pumping station and continue our meter program. We have purchased some of the needed piping to construct the water main along Main Street and expect to begin installation this coming summer.
