The vote was taken after a motion by Billy Gates "to move the question", was passed by voice vote.

Another resolution was introduced by Henry Chabot, but this one was NOT passed, by voice vote. It read as follows:

With the school taking the biggest percentage of our budget, and before the state takes over our school completely - also in other areas of N.H. - the following amendment is proposed - The Moderator is to select a panel of seven persons to form a committee to study the feasibility of getting our school back from district to a private school or system. To report to the citizens of the town in November, 1983 at a meeting and to activate any plans to be followed.

The vote was taken after a motion by Harry Carr "to move the question", was passed by voice vote.

David Mayhew made a motion "that the Town vote to direct the Representatives to the General Court to support Senate Bill #30 which is the Bottle Bill." The motion was seconded and much debate followed, whereupon a standing vote indicated 55 YES and 24 NO. The vote was taken after a motion by Mike Priore "to move the question", was passed by voice vote. Selectmen Priore and Robie assisted the Moderator in getting the count.

Selectman Michael Priore paid tribute to Ralph Southwick who served as Selectmen from 1967 to 1974, 1979, and 1980 to 1983. He also served as County Commissioner 1975 to 1978. Richard D. Senter was also recognized for his work on the Highway Department from 1975 to 1983. Both were given a round of applause.

The meeting adjourned at 9:45 P.M.

ANNUAL REPORT KINGSTON PLANNING BOARD

In 1983 the Board held 10 regular meetings and 18 workshop sessions. The majority of the Board's time was spent in completing the Master Plan of Growth. The rough draft is in the process of being printed. The Board hopes to work with the public during the spring to finalize the document prior to its adoption.

In March the Board reorganized as follows:

Eileen Nash, Chairman
Bruce Goodwin, Vice-Chairman
Robert Morse
Alfred Alberts
Kenneth Weyler
Peter Wilson
John Reinfuss, Selectman Ex Officio

William S. Rent, Alternate
John Impey, Alternate

Mr. Wilson resigned in October and James Rankin was appointed to fill out his term. Kenneth Weyler and Eileen Nash are town representatives to the Southern Rockingham Planning Commission.

Work for 1984 includes, in addition to adoption of the Master Plan, proposals for new and innovative zoning to accommodate the increasing lack of good developable land, development of a capital improvements program for subdivision, adoption of new gravel pit regulations, and a study of possible proposals for maintaining water quality.

The Board meets the first Tuesday of each month at Town Hall. The public is invited to attend.

Eileen M. Nash, Chairman

CONSERVATION COMMISSION REPORT 1983

1983 was another busy year for the Kingston Conservation Commission, and also another year of changes. We are now part of the building permit process, reviewing each application with regard to the Wetlands Conservation District regulations. Review and inspection of new sub-divisions with the Planning Board continues, as well as contributing to some Board of Adjustment cases. The Forest Management Program is in full swing. Planned timber cuts have been completed, and surveying and marking of another portion of Town Forest off Thorne Road is under way. Another 500 trees were planted in the old clear-cut area of Town property on Dorre Road, with some help from local Boy Scouts. We were again able to sponsor another Kingston youth for Conservation Camp.

Gravel pits were reviewed and test pits observed to determine water table levels, as required by NHS statutes. At the request of the Board of Selectmen, the KCC continued to monitor all active gravel pits for compliance with Town Ordinance, reported any violations, and in some cases recommended that Cease and Desist Orders be issued by Selectmen for lack of proper plans in addition to other violations. A number of minor Dredge and Fill projects were reviewed and approved, some with limitations, followed in each case with a written report to the NHS Wetlands Board.

We are pleased to contribute to the Town Master Plan, particularly the "Open Space and Recreation" section. In conjunction with this section, we are currently completing inventories of Town properties, private properties now in Current Use status, and Wetlands, to be used for future planning. KCC members attended several conferences on solid waste districts, recycling, Prime Wetlands identification and protection, and the annual meeting of the NH Association of Conservation Commissions at which there was discussion of new legislation, gravel pits, and methods of preserving agricultural land and open space.

The KCC plans to continue with the Forest Management Program, to complete the land inventories and make recommendations for future land use, and focus on water quality

issues. As development increases, more stress is placed on the natural capabilities of the land to collect, control and purify water. We hope to encourage wise land use and develop aquifer protection and preservation of some Prime Wetlands.

We welcome your interest and participation in our projects. The KCC will meet every 2nd and 4th Wednesday at 7:30 P.M. We have ambitious plans for the coming year, and would like to have additional people to help with specialized projects. There is currently one seat unfilled on our 7 member board. Please feel free to drop by any meeting, or send a postcard with questions, comments and phone number to KCC, P.O. Box 223. We look forward to hearing from you.

Chairman, KCC

HISTORIC DISTRICT COMMISSION ANNUAL REPORT

1983 continued to show an increase in activity for the Historic District Commission: 21 Applications were received and acted upon during 11 regular and 4 special meetings.

In addition, a great deal of time was spent in rewriting and revising the Rules and Regulations. The updated form should provide more helpful and definitive guidelines for both the homeowner and the Commission.

Thanks to Lynn Monroe of the Rockingham Regional Planning Commission, the papers nominating the Sanborn Seminary have been submitted to the National Register of Historic Places. Although the outcome will not be known until 1984 we are hopeful that this outstanding building will be accepted.

Respectfully submitted,
Cynthia Guyer

ANNUAL REPORT OF THE FAMILY MEDIATION PROGRAM SERVING SOUTHERN ROCKINGHAM COUNTY

The Family Mediation Program serving Southern Rockingham County, has gone through many positive changes over the last six months. Originated as the Plaistow-Kingston Mediation Program, and funded solely through those Towns, the Program has gained the respect and recognition of other Towns within the Southern Rockingham County Court District, and has officially been registered with the State of New Hampshire as a "nonprofit independent organization".

With Juvenile crime on the rise, both the Police and Courts are fully supportive of the Family Mediation Program, as an alternative to the high cost of juvenile care within this state. Mediation works as an effective vehicle to keep families of troubled youths together, and assists them in working out their own problems within their individual limits.

In the first six months of its existence, the Family Mediation Program has assisted approximately fourteen (14) families, and has proven to be both highly beneficial and cost effective to the participating Towns.

TRUSTEES OF TRUST FUNDS REPORT — 1983

There was no change in membership of this Board in 1983; Mary V. Kanaly and Roger E. Nason, Sr., were reelected in March. A summary of trust fund accounts and a listing of cemetery lot trust funds are given on the following pages. The full report is on file with the Selectmen, Trustees and required State officials and may be seen on request.

TRUST FUNDS

Cemetery perpetual care trust funds and other funds yielded slightly less interest than in 1982 because of declining rates but a large portion invested in 1981 will continue to yield high rates into 1984. At that time the earnings will be subject to new interest rates available.

The reserve funds of Town Departments are now invested in Money Market checking accounts on which interest varies from month to month. This facilitates deposits and withdrawals at will. This 1983 report does not show two additions to reserve funds which did not reach the Trustees for deposit until 1984; namely -

Fire Department	\$20,000.00
Recreation Commission	5,000.00

CEMETERIES

For the fourth year, no increase is requested in the Town budget item for its share of cemetery maintenance - \$7,000. This sum supplements the earnings of trust funds.

No major improvements were made in 1983.

Maintenance at South Kingston again was in charge of George W. Leate and at other cemeteries was done by John C. Tilton, Mark Richards and David Peterson with some incidental help.

NICHOLS MEMORIAL LIBRARY

The library purchased a total of 567 circulating, hard bound books in 1983, plus Grangers Index to Poetry, Van Nostrands Scientific Encyclopedia, The Illustrated Bible Dictionary and The Encyclopedia of American Religion for the reference shelves, plus 125 gift books that were cataloged and shelved. This brings the total number of books to over 14,775 volumes. In addition to this we also subscribe to 32 periodicals.

The Bookmobile services which had been reduced to a van delivery 3 times a year were terminated as of September 30th, due to a lack of funds at the state level. We now rely on requests directly to The New Hampshire State Library for supplemental requests where they have a Union Catalog which contains non-fiction holdings of 42 public and academic libraries.

During the month of August, Polaroid Corporation donated 2 Sun Cameras to the library that can be checked out the same as a book. They are the permanent property of the library.

The Friends of the Library re-grouped in the fall with new officers and have attracted many new members. They are looking forward to being active and helpful to the library in the coming year and we are very grateful for their help.

Our policy states that the meeting room may be reserved without fee by educational, civic or cultural groups. At the present time, it is being used by The Rockingham Planning Commission, The Kingston Improvement and Historical Society and The Friends of the Library.

Story and craft hours are held twice a week in the children's room and are enjoyed by many preschoolers. Once a week afternoon activities are held for school age children. Children's Book Week was celebrated in November with a special afternoon visit when Bill Oakes, a Kingston author and illustrator came to share his experiences with children and adults at the Nichols Memorial Library.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association experienced a year of growth and change in 1983. The EAVNA operated with the largest budget, caseload and staff in the history of the Agency. The two new services, speech and occupational therapy, were very well utilized. The other disciplines, nursing, physical therapy and home health aides all show a marked increase in visits. Needs are changing. People are staying home rather than being cared for in nursing homes. HOME CARE now requires increased skills and up to date technology to meet the needs of the acutely ill as well as the chronically ill. Service was provided as needed 7 days a week, 24 hours a day.

In addition to the HOME CARE program, the MATERNAL & CHILD HEALTH PROGRAM was ever responsive to the needs of its population, working closely with local pediatricians and the state and federal policy makers.

The Agency's ADULT HEALTH PROGRAM was expanded to meet the needs of the adult population. Foot care expanded to meet the needs of the adult population. Foot Care Clinics provided a new service for people needing assistance caring for their feet. Self help sessions were held to assist elders in independent living. Immunization clinics for adults were added to the program and blood pressure clinics were increased to serve the middle and younger adult.

The EAVNA continues to promote a clinical setting to students of health care as well as provide continuing education for its own staff to enable the Agency to continue to meet the changing needs of its clients and of the community.

15,313 units of service were provided to residents of the service area between January 1, 1983 and December 31, 1983. (Individual town statistics are sent to the selectmen of each town.)

In the 80's, the shift of health care is to the HOME and the COMMUNITY. The EAVNA is meeting the challenges and will continue to collaborate and coordinate with other health providers to assure that quality health care is available to residents of the area.

RECREATION COMMISSION REPORT

This has been both a rewarding and a frustrating year for the Recreation Committee.

We started off the year at Easter with a party at Nichols Memorial Library, again successful due to untiring effort of a few dedicated citizens.

Planning for the Summer program and swim program continued until everything was worked out. The swim program was well run and conducted in a very professional manner, by a well trained staff. Unfortunately we have decided to eliminate it, as it is not serving the citizens of Kingston in the way that it should; for two years it has lost money. It is felt that with all the private swim lessons in the area the impact would not be that great.

The Summer program again was well attended and professionally run. During our planning it was felt that it would require another aide. With the influx of youngsters, it proved that we had made the right decision. Under the direction of Ellen Hume, for the second year the daily attendance has increased to the high of 80. The Arts & Crafts portion was disappointing and this has been revamped for the coming season; dropping the Arts & Crafts director, to be run within the aide position.

We sponsored a trip to Fenway Park which allowed some of our citizens to see a Big League game for the first time. This will be improved upon and more games will be planned so keep watching the papers.

Halloween parties were sponsored again with the "Haunted House" at the Grace Daley House being a huge success. Thanks to the effort of Kingston Community Theatre/Encore Co. This will also be expanded on.

Thanks to our citizens, improvements continue at the Town Hall. With the volunteer help of Joe Julien, Seth Carr and Tony Kawejaza, we constructed storage platforms on both sides of the stag, at the same time enclosing the existing closet, making them more secure. This gives more room on the stage and certainly enhances the appearance. Later on the new curtains were installed, which were long overdue. Thanks!!!

This year saw the Tree Lighting and Yule Log combined. Wow!!! Thanks to Pat Cline and Gertie McGlinchey this proved to be the highlight of the year. These gals got practically every organization in Town to participate. With a snow storm hitting us, this went off without a hitch. Snow and all about 200 people enjoyed singing carols and refreshments at the Town Hall.

Your Recreation Committee is constantly striving to provide programs of interest for all ages. We need your suggestions and your help—but most of all we need your continued support.

The Committee extends its thanks to the Selectmen and the Office staff for the help and courtesy extended throughout the year.

KINGSTON CIVIL DEFENSE AGENCY

This year I have continued to work with the firm of Costello, Lomasney & deNapoli, Inc. with regards to the Seabrook Power Station emergency procedures. I have also worked with H. M. M. Associates, who were contracted by the Public Service Company, to determine the type and locations of a warning system to be installed within the town for use to notify the towns people of any type of an emergency.

With the assistance of the Superintendents Office, work has been completed on an emergency plan involving comprehensive emergency procedures for all schools in town. Also, the emergency procedures for all town departments were updated.

I have been able to secure a 5kw generator for use at the Central fire station, and ownership of two military type vehicles loaned to the town under the Federal Excess Property program, have since been turned over to the town.

The Kingston Civil Defense Agency has applied for and received \$496.09, in reimbursement, from the Federal Government thru the Emergency Management Assistance funding program.

KINGSTON POLICE DEPARTMENT ANNUAL REPORT

Kingston Police Department has added on a new officer, and had him certified part time by state standards. After regretfully losing Officer Robert L. Stevenson for health reasons. At this time I would personally like to thank Robert for all the help and the time that he has spent, and is continuing to spend with the cadets in the Explorer program thru the Boy Scouts of America.

The Explorer's were founded in 1981 in conjunction with the Police Department and the Boy Scout of America, Whittier Council, Haverhill, Massachusetts.

Explorer Post 120 has ten members at full force. Some of the Explorer's in the picture have completed beginner's and advanced courses at St. Anselm's College in Goffstown, NH, this past summer.

These young adults are very conscientious of their jobs as Explorer's. Their willingness to help and to do more than their share of work, is exemplary.

With a smiling face and a "Yes, Sir," these young people never complain, just roll up their sleeves and pitch in to help. This small group of young men and women between 14 and 20, under the direction of Robert Stevenson and others, has worked thousands of hours over the past two years, providing support to our police force (in non-dangerous areas), and indeed covering certain police duties when manpower and budget limitations prevent regular police coverage. These duties performed by, the Explorer's has saved approximately \$20,000.00, had the services been performed by regular police officers. They have conducted or assisted in several community projects, such as fingerprinting, crime-watch program, house numbering and frequent traffic control situations.

They have also become known and respected outside of Kingston for several other services they have rendered.

KINGSTON FOOD PANTRY

Working along with Rockingham County Community Action of Raymond, the Kingston Pantry started in August of 1982. Together the district consists of Kingston, Newton and East Kingston.

To supply the locker with canned foods, we have asked the Bakie School and the Newton Memorial School pupils to bring one can of food.

The residents and business firms also have donated to the food locker. At the annual town Christmas party donations have been made.

The Food Pantry purpose is to help needy people who come and ask the town for help. The Pantry has served 52 families with sometimes helping a few families twice.

Because of this activity with RCCA we have had the opportunity to be supplied with government surplus cheese and butter. Our first serving had taken care of 150 households, on the second serving 180 households and on the third, 274 households, which were from Kingston, Newton and East Kingston.

I would like to thank everyone for the great help with their donations and we hope to continue.

Thanks,
Selectman Michael Priore

For Vehicle Permits	6,010.00
For Dog Licenses	385.00
For Vital Statistics	69.50
Salary	2,070.66
TOTAL RECEIVED	\$8,535.16

The books were completely audited by Roberta Mantone and Gertrude Semple.

1983 REPORT

The year 1983 shows another increase of \$37,515.00 in vehicle permit fees. This was largely due to more new vehicles being registered. A total of 724 dogs and 13 groups were licensed for 1983, with a decrease of \$696.80 in receipts. Notices are being mailed to delinquent dog owners. I want to thank Dick and Brenda Samoissette for their fine cooperation.

The following vital statistics were recorded: 56 Births, 56 Marriages and 19 Deaths, showing an increase of 10 Births and 15 Marriages and a decrease of 4 Deaths.

During 1983, 95 Voter Registrations were accepted as well as 2 name changes and 4 changes of party. Appreciation is

expressed to the Supervisors who are fully cooperative at all times. We were deeply saddened by the sudden death of Richard Berry. There was one election - Town Meeting in March. 96 Absentee Ballots issued. Thanks to the Moderator and all bailot clerks, counters and assistants who help me at all elections. There will be 4 elections in 1984: Feb. 28 - Presidential Primary; Mar. 13 - Town Meeting; Sept. 11 - State Primary; Nov. 6 - General Election. Polls open 10 A.M. - 7 P.M.

Starting Dec. 6, 1982, Kingston was designated as one of the first 6 Towns to issue renewal decals for the State of N.H. - Motor Vehicle Division. This added service continues to be happily received since it saves time and gas. We also have the added feature of evening hours for 2 nights and the M.V. is not open in the evenings. We can renew only the same vehicle to the same person to the same plate. We DON'T have new plates and we CANNOT do transfers.

Currently I am happy to represent Kingston on the Executive Board of the N.H. City & Town Clerks' Assoc. as well as being a member of the Legislative and Convention Committees and a liaison between the Association and the State Departments. Meetings are held monthly in Concord.

My deepest appreciation goes to my Deputy, Rochelle Lafontaine, and to Holly Ouellette, the Office Clerk. Both are fully trained to replace me in case of emergency or illness. Also, many thanks to the Selectmen, Treasurer and all other officers and committees for their fine cooperation.

In the Tax Department, the Warrent for 1983 shows another increase of \$244,987.94, and as of 12/31/83, 87% of this Warrant was collected. Total Resident Taxes were 3142, an increase of 115. The balance of the unredeemed taxes is \$69,204.95 which is \$5,360.53 more than the year before. This is a much smaller increase than in 1982.

One of the most pleasant things of the year was the second Holiday Party on Dec. 17th at Plaistow Caterers, for all Town Employees, Committee members and their guests. 154 people attended and thanks to everyone who helped make this a big success. I am now looking forward to the 1984 party already scheduled for Dec. 15th at the same place.

Many thanks for the continued support from ALL residents, and it is still a pleasure to serve Kingston as I complete 24 years as Tax Collector and 14 years as Town Clerk.
