### SUPERINTENDENT'S REPORT

#### TO THE SCHOOL BOARD AND CITIZENS OF LANDAFF:

The total enrollment last year was 60, compared to a total of 69 the year before. The average membership was 55.24 and the per cent. of attendance 92.95. There were thirteen pupils attending Lisbon High school and two pupils attending the Nutter school in Bath.

This year your total enrollment is only 52, distributed as follows: Seventeen in the Blue school, 16 at Ireland and 19 at Scotland. There are ten pupils at Lisbon High school and one attending the Nutter school. The Center school was closed, and the pupils of this district are attending either the Scotland or Ireland schools without having to provide any transportation.

There is only one change in your teaching staff this year. Miss Elizabeth Hayes of Gorham, a graduate of Plymouth Normal school in 1936, is teaching at Scotland in the place of Miss Trevena, who resigned at the end of last year. Miss Hayes is doing a very good piece of work for a beginner.

The Ireland schoolhouse was given a much-needed coat of paint, both inside and out, during the summer vacation. The blackboards and desks at the Blue school were refinished and a new floor was laid in the boys' entry.

By closing the Center school enough money has been saved so that it is necessary for your School Board to ask for an appropriation of only \$2,900 for your schools for next year.

Respectfully submitted,

F. LESTER TRAFTON.
