## LIBRARIAN'S REPORT

1970

The Statewide Library Development Program is moving ahead in spite of much less State Aid than planned and cut federal funds since July 1, 1969. Affiliated libraries, through their District Councils, are reviewing values continually to help the State Librarian and the New Hampshire State Library Commission know where limited funds can best strengthen New Hampshire library service. As a result, catalog cards for recent non-fiction adult books were restored first, followed last fall by catalog cards for all recent books.

Service Center libraries, especially small ones, are not built up to the strength which was planned before the State Library Commission felt they should approve the use of the New Hampshire Statewide Library Card. However, at the Waterville Valley Conference in October 1969 and in District Council meetings which followed, it was made known that most affiliated libraries wished to honor this card. Since July 1, 1970, all affiliated libraries have had the opportunity to honor this card using the rules previously drawn up by the four District Councils and approved by the New Hampshire State Library Commission.

The Littleton Public Library was made a Service Center in September 1966 by the New Hampshire State Library Commission. Since then it has received four grants to strengthen the book collection totalling \$3,162.00. The grant for 1971 is \$1,321.00. In the first six months of the use of the New Hampshire Statewide Borrower's card, Littleton has issued only ten, but she is honoring many cards for non-residents from nearby affiliated libraries. Most of these borrowers have used the library for years and have paid a small family fee since 1962. The service is now free to N.H. residents who hold New Hampshire Statewide Library Cards.

Two ninth grade English classes visited the library in November 1970 for general instruction in the use of the library. Two tenth grade English classes came for library instruction on writing a research paper. We were visited by about 100 first grade pupils for films and a library tour in April. We also had about 100 children for an Easter story. We had a tour and instruction in how to use the library for a Girl Scout troop. From St. Rose of Lima School, we had a third grade for story hour in September and in October a fourth grade came for films and a tour.

The film program, held in the Children's Room at our library, was again a great success. The films were borrowed from the New Hampshire State Library on a pre-planned schedule and, during the year, we had 37 programs with 1,561 children attending them. Mrs. Earl Appleby's Nursery School group, the Head Start children and the Kindergarten classes under the direction of Mrs. Vivian Riach and Mrs. Bernice Kyte were among the groups that attended some of our programs.

Any leaders who might consider bringing their group to our library for films are welcome to come in to talk it over and see what films we have to offer.

Films from the New Hampshire State Library may also be borrowed by our patrons to be used by special groups outside of the library. The only restriction on the films is that they may not be borrowed for school use. During 1970, 12 films were loaned to our patrons for outside use.

Mrs. Ellen Morrow does the "Have You Read" column for The Littleton Courier. She also does the many posters, book displays and exhibits all year and especially National Library Week in mid-April.

A small room off the Children's Room and the Ladies' Room were not painted when much painting was being done in the library in the late 1950's and 1960's. Late 1970 brought a new coat of paint to these small rooms and also the Children's Room, including the bookcases.

Memorial books have been given in memory of Stanley Parker, Rupert E. Willey, Joseph P. Albany, Earle W. Philbrook, Charles Melnick, E. Emmet Beere, Mark Miles, Everett J. Thom, Reta C. Toole, Virginia Alt, Eloise Fisher, Rosalie R. Colby, Enola Evans Ruggles, and Ralph F. Anderson. Thirty-seven books were given as memorials.

Again we do wish to thank the White Mountain Garden Club for their generous gift of books on gardening and related subjects and the beautiful arrangements of flowers on our loan desk from July into September.

The Littleton Public Library received a 3M copying machine in the late summer of 1970 which is to be used primarily for Inter-library Loan. This library has made frequent use of the teletype machine in the New Hampshire State Library District Office here in Littleton to borrow books from the State Library and other libraries. We wish to thank Mr. Ralph Riley, Consultant, and Mr. John Wright and Harry Paquette for all the times we have been helped by them. We thank the New Hampshire State Library for much service to us.

I wish to thank the Littleton Public Library Board for time given when each person is very busy in so many ways. I hope that Mrs. Ellen Morrow, Miss Patricia Stillings, Miss Mary Miles and Mr. Norman Kinne realize how grateful I am for their respective efforts for the service of the library. The regular library staff is most appreciative of the high school students who are scheduled with them after school and Saturdays. I thank the people of Littleton for their interest in their library.

Sincerely,

ELSIE R. RILEY, Librarian

## ANNUAL REPORT OF LITTLETON DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS

### STREETS AND HIGHWAYS

The T.R.A. project on the Sampson Road was completed this past season.

The department continued with its asphalt resurfacing program.

Also minor improvements were made on back roads, such as the cutting of trees and brush this past fall. Along this line of work there is still much to be done.

### SEWERS

This past season we continued the sewer line on the Sampson Road with an extension of 1200 L.F. up to Mr. Hill's property at the top of the hill.

The department also installed a short line on Highland Avenue across the brook to pick up two trailers, so that two septic tanks would be eliminated. Also on the Lisbon Road the department installed 150 L.F. of sewer line to eliminate the septic tank on the Brooks property. Several septic tanks were installed this past season and it looks as though in the future many more will also be installed.

### SIDEWALKS

The department did a major portion of work on Grove Street by cementing the edges of the sidewalk to allow for resurfacing with hot top.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

During this past year, the public has shown a great deal of co-operation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follow.

### Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A.M. and AFTER 5.00 p.m.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

### Exceptions

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### REMEMBER! ONLY YOU AND I CAN PREVENT FOREST FIRES

## LITTLETON PARK COMMISSIONERS' REPORT FOR BUDGET YEAR OF 1970

This was the first full year of the new Municipal Swimming Pool. We had a very outstanding year with hot, dry weather most of the summer. There were about 35,000 admissions to the pool which we feel was exceptional.

A new broadcasting tower was constructed at Aphorp Common this past fall. This was accomplished through the generosity of Mr. Jack Bowman, WLTN, and the Littleton School.

Hockey has been started again this year at Remich Park. A number of adults have given their time to help instruct new players in the game and to play a little themselves.

The Park Commissioners wish to thank the voters of Littleton for having faith in our program and furnishing us the necessary funds to carry on our program.

## POLICE REPORT

### Crime and Arrests in Littleton About Even With 1969

Chief Stanley L. McIntyre of the Littleton Police Department in making his annual report for the year 1970, stated that his arrests were about the same as the year 1969. Total arrests 352.

Criminal arrests were slightly ahead of motor vehicle arrests. Leading in criminal arrests were 42 for Minors in Possession of Alcoholic beverages and Procuring alcoholic beverages for minors. Twenty-eight (28) persons were arrested for being drunk. Twelve (12) persons, including one juvenile, were arrested for possessing, being present or selling controlled drugs. Other criminal arrests included: fifteen (15) for assault and battery, thirteen (13) for creating a brawl, and four (4) for disorderly conduct.

Twelve (12) arrests were made on burglary charges. This cleared up burglaries in Sanel Auto Parts, a burglary in Woodsville, for burglarizing a drug store, and through the cooperative efforts of State Police, Lancaster Police and the Littleton Police Department two men arrested, for a burglary in the local Eagles' Club and will face charges in Superior Court. Eleven (11) faced charges of passing fraudulent checks. This is a fast increasing charge, and merchants should be aware of this, as there has been a heavy influx of bad checks of late. Littleton Police will be furnishing merchants with a list of known bad check passers.

Five (5) were brought in for Grand Larceny of more than one hundred dollars and six (6) were brought in for larceny of under one hundred dollars. Other arrests included two (2) for weapons carrying, two (2) for discharging a firearm in the compact part of town, 4 arrests for malicious damage, one (1) Mutilation of the Flag, one (1) for jail escape, six (6) for burning without a fire permit, two (2) failure to answer a summons, and one (1) for being A.W.O.L. Total arrests on criminal charges 188.

Leading in Motor Vehicle arrests were thirty-one (31) for defective equipment, 28 for unreasonable speed, operating under the influence of intoxicating liquor, 23, operating without a license, seventeen (17), operating after revocation of license, ten (10), passing on solid line, seven (7), violation of Littleton Traffic Code and stop sign, thirteen (13). Various motor vehicle violations rounded out the total of one hundred seventy-one (171) violations.

The Littleton Police Department once again won its second bronze American Safety Award (the only town or city in N.H. to ever win this award) for its record of 1969. After thirteen years this record was very tragically interrupted by the death of Brenda Jewett, age 16, who was fatally injured September 6, 1970, on the Lisbon Road. A second youth, Mark Miles, age 19, was fatally injured on the Lisbon-Waterford cut-off road while operating his motorcycle. Littleton Police Department covered 147 accidents,

with twenty including personal injury. This was a slight decrease over last year.

Accomplishments by the Littleton Police Department included the Auxiliary Department, winning the state of New Hampshire's Governor Peterson Trophy for the eleventh year in a row.

Six regular police, and four special police have attended or are attending the 20 weeks' course sponsored by the White Mountain Law Enforcement Institute. The ten officers will receive ninety hours in the latest police techniques. Education seems a necessary part of police officers' work.

Meter Revenue for the year 1970 was \$12,331.65, a slight drop below 1969.

Chief McIntyre said "I want to extend my sincere thanks and appreciation to the Board of Selectmen, for their cooperation and support the past year."

The Littleton Police Department through the Governor's Crime Commission, and the Federal Safe Streets Act, had two summer cadets that assisted on traffic, administration and other phases of police work. This ten weeks' program was completely paid for by Federal Funds and through the Governor's Crime Commission. Officer Paul Clark, 24, completing his first year, had one-half of his salary and expenses funded by the National Highway Safety Bureau, through the New Hampshire Safety Agency. So Littleton Police did avail themselves of various Federal Programs of nearly four thousand dollars (\$4,000.00). We do hope to avail ourselves of future programs.

Chief McIntyre stated: "I predict that in keeping with the National and Rural trend crime and arrests will go upward at least eleven per cent. Supreme Court decisions tend to harness the efforts of Law Enforcement. Advising persons of all their rights, and making certain that arrests are in keeping with the most recent court decisions are very much more time consuming then law enforcement was twenty years ago."

Chief Stanley L. McIntyre of the Littleton Police Department spoke to about twenty Driver Training Education Groups at Littleton High School during the year 1970.

Chief McIntyre stated that he had attended two Bombing Seminars, one sponsored by the Boston Office of the Federal Bureau of Investigation, and the other by a bombing team from Fort Devens, Mass.

## REPORT OF PLANNING BOARD

The year 1970 was a busy one for the Planning Board. Many meetings and public hearings were held in regard to a zoning ordinance in the Town of Littleton. The first proposal was voted down at the annual town meeting in March. There were more meetings and hearings and, at a special meeting held on Primary Day in September, the citizens of Littleton accepted a shorter, more condensed version of the zoning ordinance.

During the year the Board approved additional lots in the Roger Strain Development on West Elm Street.

Representatives of the Public Service Company of New Hampshire were in to talk with the members of the Planning Board about a new transmission line which would cross the Hubert Merrill property.

Mr. James Gannon resigned from the Board after having served since 1959. Mrs. Stephanie McGoldrick was appointed to replace him.

The Planning Board wishes to thank all persons who have attended the meetings and public hearings and offered suggestions during the past year. It is through this type of cooperation that the Board may more effectively serve the Town of Littleton and its citizens.

Respectfully submitted,

JOHN STREETER,  
Chairman

Secretary-Treasurer

## 1970 CONSERVATION COMMISSION REPORT

During the month of April the Commission gave full support to Earth Day activities in the Littleton area. These included educational programs in elementary schools in Littleton and Bethlehem, and a similar program at the Littleton High School. In each case the purpose was to arouse and enlist the energies of young people in a major effort to learn more about the environment and to take whatever action is possible on a local level to protect that environment. A cooperative closed circuit TV presentation was planned by High School and Commission personnel.

Under the direction of Mr. Douglass Jack of the Littleton High School, a massive Clean-up Day occurred in April. The Commission heartily endorsed this effort, and several Commission members participated directly.

During the summer months the Commission continued its supervision of the Dells. Arrangements were made to police the area with regular trash pick-up provided. Brochures have been printed which are available at the Chamber of Commerce office and Information Booth. They are also available to motels and hotels for their use and that of their guests.

Much work remains to be done in accomplishing a survey of Kilburn Craggs and to establish actual boundary lines in the Dells. A questionnaire placed in *The Courier* asking for citizen evaluation of local conservation issues in order of importance drew a disappointing response. It is apparent that many of us are falsely lulled by the beauty and extensive open space of the North Country, making us unaware of the need for effective long-range conservation enlightenment and planning.

The Chairman attended a November meeting which resulted in the creation of a New Hampshire Association of Conservation Commissions. Our Commission is a member. Commission personnel also attended the November Conference of New Hampshire Tomorrow and encouraged the attendance of one member of the Board of Selectmen.

The Commission continues to enjoy the support of the Littleton Garden Club and the White Mountain Garden Club, as well as the Park Commission.

## REPORT OF THE LITTLETON WATER AND LIGHT DEPARTMENT

### For the Year 1970

The Department increased the water system by adding a 1.5 million gallon storage tank at the top of Mt. Eustis and a Pumping Station at the junction of Mt. Eustis and Bryn Mawr Roads. Also included in the project were some 9,854' of 8", 10", 12" pipe and 8 new fire hydrants which will better service customers, some of whom were on the Bethlehem system. The project, to be put into full service in the Spring of 1971, has been named the Walter A. Goss Water System in recognition and appreciation of Superintendent Goss' 38 years of service upon his retirement January 1, 1971.

There were four primary extensions in the Electric Department, namely, Manns Hill, Mt. Eustis, Broomstick Hill and one three phase service to the new shopping center on the Lisbon Road.

There were a number of new homes with electric heat and services added or changed from 2 wire to 3 wire.

Wire sizes were increased on Highland Avenue, Grove, South Grove, Willow and West Elm Streets and other spotted areas throughout the town.

Four area lights were installed at the Municipal Swimming Pool and mercury street lights replaced regular conventional types at several street junctions throughout the town.

CERTIFICATE OF AUDIT**

This is to certify that we have examined and audited the accounts and records of the Littleton Water and Light Department for the fiscal year ended December 31, 1970.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Littleton Water and Light Department at December 31, 1970, and the results of its operation for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

**FREDERICK E. LAPLANTE**

Director

Important to the economy of Littleton 100 years ago were its four stereopticon view manufacturers, chief of which was the Kilburn Brothers firm which was housed in the structure now familiar as the Kilburn Apartments. In the Fall of 1970 the Littleton Area Historical Society, in cooperation with the N.H. Historical Commission, erected the bronze marker shown above which bears the following inscription: "Kilburn Brothers Stereoscopic View Factory—Here from 1867 to 1909 the world famous Kilburn Brothers, Benjamin and Edward, produced and distributed thousands of stereoscopic views. Their collection, largest in the world and collector's items today, provided popular parlor entertainment for generations."
