REPORT OF BUDGET COMMITTEE

The Budget Committee submit the following brief statements as they may be of assistance in a clearer understanding of the Budget for 1957:

1. It will be noted that the amount to be raised by property taxes, over that of 1956, shows an increase of \$1,625.27. Receipts and expenditures for Advance T.R.A. and the new Fire Truck are excluded from the computation. The 1956 Budget figures do include the extra \$250.00 voted at the last annual meeting for the Police Department. The Schedule is as follows:

	Estimated Appropriations		Increase
	1956	1957	
Town expenditures	\$28,089.99	\$30,215.10	\$2,125.11
County tax	3,237.54	3,483.91	246.37
School tax	25,466.09	25,884.13	418.04
Total	\$56,793.62	\$59,583.14	\$2,789.52
Less estimated revenues except property taxes	\$49,653.90	\$51,279.17	\$1,625.27
Net amount estimated to be raised by property taxes	7,139.72	8,303.97	1,164.25

2. The estimated increase in expenditures of approximately \$2,100.00 is made up mostly by the increases and decreases as follows:

Increases:		
Reappraisal of real estate for taxing purposes	\$2,500.00	
Highway expenses	1,700.00	\$4,200.00
Decreases:		
Old age assistance	\$650.00	
Snow plow	450.00	
Payments on long term notes	1,000.00	\$2,100.00
Net increase		<u>\$2,100.00</u>

Other small increases are offset by other small decreases. Increases in the County and School Taxes are relatively small.

3. The estimated increase in receipts, other than property taxes, is covered mainly by the \$1,100.00 in yield taxes.

4. The 1956 Budget Appropriations are reconciled with the "Statement of Appropriations" and the "Comparative Statement," both prepared by the Selectmen, as follows:

1956 budget appropriation	\$62,140.20	
Add increase—Police department	250.00	
	\$62,390.20	
Less T.R.A.—Advance	5,596.58	\$56,793.62
Add increase in County Tax	246.37	246.37
<hr/>		
Appropriation per STATEMENT OF APPROPRIATIONS'		\$57,039.99
Add extra Road Grant for Winter Highway expenses	\$1,500.00	
Add amount entered for cutting bushes	200.00	1,700.00
Total Appropriation per "COMPARATIVE STATEMENT"		\$58,739.99

REPORT BY SELECTMEN AND BUDGET COMMITTEE

The State Tax Commission made available a list of real estate transactions, used for their equalization survey, and the results should be carefully considered by all the voters of New Durham, with a view toward establishing a fair, reasonable, uniform and equitable method of appraising property for taxing purposes.

From this list, during 1956, there were thirty pieces of property sold totaling \$135,967, and these thirty pieces were assessed at a total of \$46,976, which is about 6% of the selling or full value. However, it is noted that the assessed value was about 34% of New Durham's total assessment. It will be the percentage of assessed value to the full value varied, among the thirty pieces, from a low of 20% in one case, to a high 89% in another. This is neither fair nor equitable.

A further analysis of the thirty sales are shown in the following table:

Range of Selling Prices	Number Pieces Sold	Total		Percentage Assessed Value to Selling Price
		Selling Price	Assessed Value	
Under \$1,000.00	3	\$2,100.00	\$1,332.00	63%
From \$1,000.00 to \$2,000.00	2	3,500.00	2,640.00	75%
From \$2,001.00 to \$4,000.00	9	28,567.00	10,924.00	38%
From \$4,001.00 to \$7,000.00	12	67,300.00	23,140.00	34%
Over \$7,001	4	34,500.00	8,040.00	23%
Totals	30	\$135,967.00	\$46,076.00	34%

The present practice of a uniform percentage increase "across the board" is not fair and only makes the assessments that much more inequitable. Assume, for example, an increase of 20% in that property selling from \$1,000 to \$2,000 and that over \$7,001. The following memorandum is self-explanatory.

Range of Selling Prices	Present		Total		Percentage Assessed Value To Selling Price
	Assessment	Assessment Plus 20%	Selling Price	Selling Price	
From \$1,000.00 to \$2,000.00	\$2,640.00	\$3,168.00	\$3,500.00	\$3,500.00	90%
Over \$7,001.00	\$8,040.00	9,648.00	34,500.00	34,500.00	28%

It is the best judgment of the Selectmen and a majority of the Budget Committee that a reappraisal should be made by the Tax Commission. The cost will amount to approximately \$2,500.00 and the Budget includes that estimate.

A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$2,803.71, less a revenue surplus of \$1,728.78, resulted in a net budget deficit of \$1,074.93.

Summary of Receipts and Expenditures (Exhibit B)

A summary of receipts and expenditures for the fiscal year ended December 31, 1955, made up in accordance with the uniform classification of accounts, is included in Exhibit 8. Proof of the Treasurer's balance as of November 19, 1956, is indicated in Exhibit F.

AUDIT PROCEDURE

The accounts of the within named town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes. It will be noted that during the period from December 31, 1945 to December 31, 1955, the financial condition of the Town changed from a Surplus of \$8,261.26 to a Net Debt of \$27,261.32.

During the same period the assessed valuation of taxable property increased from \$412,282.00 to \$749,576.00, or 82%, while the amount of the annual tax levy increased from \$18,522.69 to \$45,424.31, or 145%. The local tax rate increased from \$4.50 to \$6.06 per hundred, compared to the average tax rate for the state which increased from \$3.26 to \$4.66 during this period.

King's Highway — S. A. C. Account:

It is noted that appropriations on account of the King's Highway — S. A. C. account were made during the years 1947 to 1955 as follows:

Year	Amount of Appropriation
1947	\$ 670.50
1948	769.50
1949	817.50
1950	790.50
1951	0.00
1952	906.00
1953	1,000.00
1954	0.00
1955	0.00
	\$4,954.00

At the annual town meeting in March 1955, acting under Article 9 of the warrant, it was voted:

"To instruct the selectmen to do whatever is necessary to improve the King's Highway in cooperation with the legislation now in process."

The Town paid the State \$7,954.00 on this account in 1955. Because of the fact that no appropriation was made for the balance of \$3,000.00, this amount is shown as an overdraft in the statement of appropriations and expenditures (Exhibit A-3).

Appropriations and Expenditures:

The page totals of the classification columns of expenditures should be accumulated and carried forward. Unless this is done it is not possible to compare expenditures with appropriations during the year. Inasmuch as the Town of New Durham operates under the provisions of the Municipal Budget Law it is quite important that this procedure be followed.

STATE AUDIT

DIVISION OF MUNICIPAL ACCOUNTS

STATE TAX COMMISSION

Concord, New Hampshire

January 2, 1957

Board of Selectmen

New Durham, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of New Durham which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

“Audit on Motion of Commission. The commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit. . . .”

This audit covered the fiscal year ended December 31 1955, and the period from January 1st to November 19, 1956. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows:

- Section I—Fiscal Year Ended December 31, 1955.
- Section II—Period January 1 to November 19, 1955.
- Section III—Statistical Table—Ten Year Statement of Indebtedness, Valuation and Taxes

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk.

FINANCIAL STATEMENTS

Analysis of Change in Financial Condition (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt	
Net Budget Deficit	\$1,074.93
Long Term Notes Issued	10,686.75
Appropriated from Surplus	2,933.00
Loan from Doctor Berlin	2,000.00
	\$16,694.68
Decreases in Net Debt	
Long Term Notes Paid	\$3,500.00
Payment on Doctor Berlin Loan	500.00
	4,000.00
Net Increase	\$12,694.68

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1955, are presented in Exhibits

Accounting and Financial Procedures:

During the course of the audit other matters in connection with accounting and financial procedures were discussed with the Town officials and recommendations made in connection therewith.

Conclusion:

The provisions of Chapter 184 of the Laws of 1950 require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town. The inclusion of Exhibits in the published report is optional with the Board of Selectmen.

We extend our thanks to the officials of the Town of New Durham for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER,
Director
Division of Municipal Accounting
State Tax Commission

NORVAL D. LESSELS, Auditor
HUGH J. CASSIDY, Accountant

(b) Report of your Superintendent

You are maintaining good educational services for your boys and girls. Good teachers are of first importance so that we are indeed fortunate to retain Mrs. Manora Clayton and Mrs. Jessie Walsh. Their long years of experience and personal competence assure us of excellent instruction in the fundamentals.

Alton School District is striving to provide a good school situation and enlarged program. Our boys and girls of grades six through twelve are trained there at somewhat less than Alton's cost and considerably less than state average costs.

We regret that Mrs. Ellen Grau decided not to return as music supervisor. However, she did give her services free of charge to help at Christmas time. Mrs. Annie Rosenquist is extremely conscientious in providing health services and arranging clinics. Through the efforts of local organizations, with donations of money, and matching funds from district and federal government, nearly all of our elementary children have had dental work completed. Mrs. Florence Rand has helped so faithfully with the lunch program at a very low salary and has cooperated in many ways in our school. Our bus drivers provide nice vehicles and safe transportation over difficult routes.

Your school building is in good condition. Our heating plant has had expensive new parts. We have installed permanent tile in the floor of the kitchen and have had new doors put on the cupboards. The kitchen was painted thoroughly. Touch-up painting on the exterior of the building makes it attractive. Additional screens were provided and a chalkboard was moved for better use and ventilation.

Both rooms now have moveable furniture of the best quality. We have been able to complete these improvements with district money voted and some savings in tuition.

We regret the resignation of Mrs. Ruth Malloy, after many years of fine service. Mr. Robert Nixon was appointed in September to complete her term, expiring in March.

Your school board meets frequently to make decisions and consider school needs. They faithfully attend to their legal responsibilities. Mrs. Helen Bickford does such conscientious work as treasurer and census taker that she deserves our highest commendation.

If the present figures for enrollment do not change, we may expect our school to be filled to its capacity in September 1957. We think there will be 26 pupils in grades 3, 4, and 5 and a total of 25 for grades 1 and 2. Though tuition rates will be somewhat higher, the appropriation remains about the same.

Each year we have some trouble with water supply and sewage disposal. Permanent improvement may be quite expensive. We have made no plans for it in the new budget.

The total budget increase requested by your school board for the school year 1957-58 is \$622.04, a little over 2%. This is moderate indeed when compared with the increase reported in many districts. It is my hope that you will support it.

PART IV. AUXILIARY ACTIVITIES

(a) Report of School Health Work

To the Townspeople, School Board and the Superintendent of Schools of New Durham, New Hampshire.

The following is my sixth annual report of the school health work in your town.

In the spring of 1956 we had an outbreak of chickenpox in our school. During the autumn of 1956, there were few absences because of illness. However, just before Christmas, we had a few cases of impetigo.

The polio vaccination program is being completed for the majority of the pupils. As it is uncertain whether we shall have any more free polio clinics, it is hoped that the children who have had only one or two shots will get the remaining shots from the family physician so that they can be protected before the next polio season. Polio vaccine is also available to adults now.

Your school children have been fortunate to have a dental clinic. The children were taken to Dr. Clarkson of Farmington for treatment and it is hoped that these clinics will continue, as they have improved the dental health of the youngsters.

Vision-hearing testing is done every year and defects found have been attended to. Individual inspections and home visits are done when needed.

The general health of the children is good. Dr. Quinn checks the pupils every spring.

In closing I wish to thank all of you who provided transportation for our dental clinic and to Mrs. Rand and the teachers. Also, to all who helped with the school health program in any way, a big "thank you."

Respectfully submitted,

ANNIE L. ROSENQUIST, R. N.

STATE FORESTRY DEPARTMENT

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,

ROBERT W. SMITH

District Fire Chief.

FIRE WARDEN'S REPORT

YOUR TOWN DUMP

USE IT FREELY * * * * * CARE FOR IT

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty

Use Your Dump Freely * * * * * Help Keep It Safe

Number of local fires 2

Number of acres burned 4¼

Number of permits issued 46
