-----------	----------------------------

**W A R R A N T**  
**STATE OF NEW HAMPSHIRE**

**Town of Newmarket**

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 4th day of March, 1975, to act on the following subjects:

(POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:00 P.M.)

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of persons and property, including the Police Department, for Health and Sanitation, vital statistics, general expenses of the departments, for education and the public library, for charities, including decoration of soldiers' Graves, for recreation, for indebtedness to other governmental divisions, and to pay all other necessary charges arising within said Town.
3. To see if the Town will vote to authorize and empower the Selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.
4. To see if the Town will vote to allow a discount of two percent (2%) on all taxes except resident taxes, if paid

within fifteen days (15 days). Deadline for allowance of discount to be printed on tax bills.

5. To see if the Town will vote to accept the budget as submitted by the budget committee.

6. To see if the Town will vote to pay members of the Fire Department one hundred twenty-two dollars (\$122.00) in addition to that required by law.

(Recommended by the Budget Committee)

7. To see if the Town will vote to appropriate the sum of Four Thousand Dollars (\$4,000.00) to be granted to the N.H. Division of Welfare for the purpose of obtaining Twelve Thousand Dollars (\$12,000.00) Federal Match for a total of Sixteen Thousand Dollars (\$16,000.00) to partially support the expenses of operating an Outreach Program at the Newmarket Health Center.

(Recommended by the Budget Committee)

8. To see if the Town will vote to appropriate the sum of Five Hundred Sixty Dollars (\$560.00) to be used to purchase channel marker buoys for the Lamprey River.

(Recommended by the Budget Committee)

9. To see if the Town will vote to authorize the Selectmen to sell property of the Town acquired by Tax Collector's Deeds, as a result of tax sales, by sealed bids and/or public auction.

10. To see if the Town will vote to authorize withdrawal from Federal Revenue Sharing Funds, for use as set-offs, against budgeted appropriations for the following priority purposes and in the amounts as indicated, or take any other action hereon:

Reappraisal and Tax Map	\$ 24,000.00
Recreation	1,000.00
Purchase of New Fire Truck	13,750.00
Oyster River Home Health Ass'n.	2,000.00
Hot Topping Program	10,000.00
Library	1,500.00
Old Age Assistance	10,000.00
School Security System	8,000.00
Police Department	2,750.00
Town Dump and Rubbish	7,000.00
	<hr/>
Total .....	\$ 80,000.00

(Recommended by the Budget Committee)

11. To see if the Town of Newmarket will authorize the office of Town Clerk-Tax Collector, to be continued on a three year basis.

12. To see if the voters of the Town of Newmarket will authorize the Selectmen to withdraw Twenty-nine Thousand Three Hundred Fifty-four Dollars (\$29,354.00) from the Fire Department's Capital Reserve Fund to be used toward the purchase of the new fire truck.

(Recommended by the Budget Committee)

13. To see if the Town will vote to appropriate, from Revenue Sharing Funds, the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to the Mosquito Control Commission for the development of an effective program for mosquito control.

(Not recommended by the Budget Committee)

14. To see if the Town will vote to extend the water and sewer line from Pine Street to the town owned lot, on the

westerly side of Beech Street Extension. (Submitted by Petition.) (Not recommended by the Budget Committee)

15. To see if the voters of the Town of Newmarket will appropriate the sum of Three Thousand Dollars (\$3,000.00) to set up a Land Acquisition Fund to purchase relevant properties with the intent of assuring adequate open space for future generations as the community develops.

(Not recommended by the Budget Committee)

16. To see if the voters of the Town of Newmarket will vote to appropriate the sum of One Thousand Dollars (\$1,000.00) as Newmarket's share of operating the Portsmouth Area Homemaker-Home Health Aide Service.

(Not recommended by the Budget Committee)

17. To see if the voters of the Town of Newmarket will vote to appropriate the sum of Three Hundred Thirty-four Dollars (\$334.00) for a three year period, said money to be used by the Newmarket Handtub Association for their 1977 Muster to help celebrate our Town's 250th Birthday.

(Recommended by the Budget Committee)

18. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

19. Resolution to indicate the Building Permit System which the community has adopted and the review procedure for the system:

*Whereas*, the Town of Newmarket has adopted and is enforcing (Cite Building Code, Zoning Ordinance, Subdivision Regulations), and

*Whereas*, Sections 12.14, 12.15, 12.16, 12.21, 12.22, 12.23, 12.24, 12.25 and 12.26 of the aforesaid prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building permit for each building or structure from the Building Inspector, and

*Whereas*, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit;

*Now, therefore*, be it enacted by the Town Meeting of Newmarket, as follows:

1. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the Flood Hazard Area to assure that (I) all proposals are consistent with the need to minimize flood damage, (II) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (III) adequate drainage is provided so as to reduce exposure to flood hazards; and

2. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the Flood Hazard Area to require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N. H. RSA 36:21.

20. Resolution to be used when applying for Flood Insurance:

*Whereas*, certain areas of Newmarket are subject to periodic flooding from (streams, rivers, lakes, oceans, etc.), causing serious damages to properties within these areas; and

*Whereas*, relief is available in the form of federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

*Whereas*, it is the intent to this Town Meeting to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use in the flood plain areas having special flood (and/or mudslide) hazards; and

Whereas, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to N.H. RSA Chapter 31, 36, 156, 156a,

*Now, therefore*, be it resolved, that this Town Meeting hereby:

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board or Town Manager or other duly authorized Municipal Officer) with the responsibility, authority, and means to:

- (a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of

sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c) Cooperate with federal, state, and local agencies and private firms which undertake to study, survey, map, and identify flood plain or mud-slide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an Annual Report to the Administrator on the progress made during the past year within the community in the development and implementation of Flood Plain Management Measures.

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

21. To see if the voters of the Town of Newmarket want to adopt the provisions of RSA 59:9a and RSA 55:9b, which

state that the Town Clerk will have the power to register new voters and administer the appropriate oath during normal office hours of that Clerk, provided that the application is made before the last meeting of the Supervisors of the Checklist before an election. (Submitted by Petition).

22. To see if the Town will vote to raise and appropriate the sum of Three Hundred Fifty Dollars(\$350.00) for the Seacoast Regional Office of Child and Family Services of New Hampshire, a private charitable organization. Said sum to be used for current operating expenses to enable the Seacoast Regional Office to continue providing services to residents of the Town of Newmarket whether or not said residents are able to pay. (Submitted by Petition).

(Not recommended by the Budget Committee)

23. To see if the voters of the Town of Newmarket will vote to appropriate the sum of Three Thousand Dollars (\$3,000.00) for the services rendered to residents of this Town by the Seacoast Regional Counseling Center.

(Submitted Without Recommendation)

24. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such federal, state, or other assistance as may be available for the report for, design of, and construction of a sewage disposal system and pass any vote relating thereto.

25. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars ((\$15,000.00), for the purpose of preparing a facilities plan on sewage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. SS1251 et seq., 6 Stat. SS16 et seq.) and will qualify the Town for federal funds, such sum to be raised by the issuance of serial bonds or notes not to exceed

Fifteen Thousand Dollars (\$15,000.00) under and in compliance with the provisions of the Municipal Finance Act (N.H.R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Newmarket, and to allow the Selectmen to expend such monies as become available from the federal government under the Financial Assistance Program of the Construction Grants Section of the Federal Water Pollution Control Act, as amended (33 U.S.C. SS1251 et seq., 6 Stat. SS16 et seq.) and pass any vote relating thereto.

(Recommended by the Budget Committee)

26. To see if the Town of Newmarket will authorize the Selectmen to withdraw up to Thirteen Thousand Five Hundred Dollars (\$13,500.00) from the Capital Reserve Fund to purchase a front end loader for sanitary landfill use.

(Recommended by the Budget Committee)

27. To see if the Town of Newmarket will authorize the Selectmen to make application to HUD for funds granted under the Housing and Community Development Act of 1974; such funds to be expended for a community improvement project as approved by Selectmen and Citizens Committee; and furthermore to authorize the Selectmen to sign all necessary papers to obtain such funds.

28. To see if the Town of Newmarket will vote to rescind Warrant Article 11 passed at the Town Meeting March 6, 1973 prohibiting the sale of town water beyond the boundaries of Newmarket.

29. To see if the voters of the Town of Newmarket will

authorize the election of nine Budget Committee members as provided for in Chapter 32:2.

30 Are you in favor of continuing the office of Town Clerk-Tax Collector on a three year basis?

Given under our hands and seals this 15th day of February in the year of our Lord, nineteen hundred and seventy-five.

ALLEN M. VLODICA  
PHILIP G. HENDRICKX  
FRANK M. SCHANDA

Selectmen of Newmarket, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office, being a public place in said town, on the 15th day of February, 1975.

ALLEN M. VLODICA  
PHILIP G. HENDRICKX  
FRANK M. SCHANDA

Selectmen of Newmarket, N.H.

This is a true copy, attest:

ALLEN M. VLODICA  
PHILIP G. HENDRICKX  
FRANK M. SCHANDA

Selectmen of Newmarket, N.H.

## ANNUAL PROGRESS REPORT OF THE SELECTMEN

The Selectmen respectfully submit to the citizens of the Town of Newmarket, a summary of projects that were undertaken during the past year and their status to date.

The roof on the town hall was repaired and snow guards were installed for safety purposes. The memorial bandstand in the center of town was also repaired.

During the year the entire insurance program for the town departments were reviewed and as a result the insurance program has been consolidated under one policy with a much larger increase in coverage plus a small increase in total cost.

The office of Selectmen, with the help of all department heads, has completed an employees handbooklet, this booklet has been distributed to all town employees. Town policy on the following items are defined and included in this booklet; vacation policy, sick leave policy, and fringe benefits are spelled out and a grievance procedure has been set up for employees. This booklet will be refined and expanded as time goes on.

The Maplecrest surface drainage project was completed and it appears to have solved all the problems in this area.

The large metal culvert, for the so-called Doe's bridge on Grant Road, was purchased and will be installed in the spring of 1975.

This years T.R.A. funds were expanded on Hersey Lane and this project is starting to take shape and presents an excellent road in an area that was practically impassable in past years.

The street lighting in some areas of the town was studied

and as a result improvements have been made on a limited scale. This project will proceed on a yearly basis, trying to rectify the worst areas first.

The Selectmen wish to thank all of the townspeople for their help and criticism during the year, because we feel that both are needed to give us a better understanding of the needs and wishes of the townspeople.

The Selectmen's meetings are held every Wednesday night at 7:00 p.m. at the town office. We welcome anyone who wishes to attend these meetings.

Respectfully submitted,

ALLEN M. VLODICA  
PHILIP G. HENDRICKX  
FRANK M. SCHANDA

**Town of Newmarket, N.H.**

February 5, 1975

Citizens  
Town of Newmarket  
Newmarket, N.H. 03857

Dear Citizens:

As the 1974 audit of all the Town records has not been conducted by the State of New Hampshire as of this date, it is impossible for us to publish the report in this year's Town Report.

Town 1974 audit will be published in next year's Town Report. As stated last year the audit published this year is for 1973.

Hoping that you understand the situation, we are,

*Very truly yours,*

**BOARD OF SELECTMEN,**

## ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

Six years ago the report on a survey conducted by the firm of Weston and Sampson recommended the following improvements to the water supply and distribution system:

1. Development of the ground water supply on the Bennett property.
2. Construction of a new 1,000,000 gallon water storage tank.
3. Installation of a sixteen inch water main connecting the new tank with the center of town.
4. Repair and modernization of the water treatment plant.

The various steps of the program are listed above in what the Board of Water Commissioners considers to be the most logical order of accomplishment at this time.

The Board is happy to announce that step 1, the development of the ground water supply on the Bennett property, has been completed this past year. A fifty foot gravel packed well has been constructed having a capacity of three hundred gallons per minute. A new pump has been installed and a pump house erected. The pump, now operating at a rate of two hundred gallons per minute for approximately twenty-two hours a day, is at present supplying the entire needs of the town. The water is of a high quality and does not require treatment at this time. Room for chlorination equipment has been provided in the pump house in the event that it is required in the future.

An application for a grant of federal funds for the im-

provement of the water supply and distribution system has been made. A prerequisite of this application was a survey to update that done by Weston and Sampson in 1968. This survey was performed by engineer Joseph Rehler who confirmed the recommendations of Weston and Sampson and added several of his own for improving waterflow in some parts of the system. His greatest concern was the lack of waterflow available at Newmarket Central School (N.H.S.). In view of the two recent school fires in Portsmouth, in which great damage occurred because of inadequate waterflow, he felt that construction of a loop from Great Hill Terrace to the school is of the greatest urgency.

The application for the grant was completed by Mr. Rehler and delivered to the proper agency. As of November 11, 1974 the application was under consideration by the Strafford Regional Planning Commission. Approval for this grant may hinge on Newmarkets' willingness to enter a regional water plan. Under the present rule forbidding the sale of Newmarket water outside of the town limits, participation in such a plan would be impossible.

Now that the improvement program is underway with the completion of the first important step, the Board of Water Commissioners is hopeful that the citizens of Newmarket will continue to give us the support necessary to complete the entire plan, the next vital step being the construction of a new storage tank before failure of the old tank places the town in a state of emergency.

Regular meetings of the Board of Water Commissioners are held at the Water Works at 7:00 P.M. on the second Monday of each month.

Respectfully submitted,  
NEWMARKET BOARD OF  
WATER COMMISSIONERS

May 3, 1974

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

Board of Selectmen  
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts and records of the Town of Newmarket for the fiscal year ended December 31, 1973, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent town records.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Eileen Szeliga, Tax Collector for the period March 7, 1973 to December 31, 1973, Town Clerk, Sewer Department, Ambulance Corps, Civil Defense, Public Library, Municipal Court and Trustee of Trust Funds. The accounts and records of Frederick Caswell, Tax Collector for the period January 1, 1973 to March 6, 1973 and the Water Department of the Town were examined and the results thereof sent under separate cover.

## FINANCIAL INFORMATION

### *General Fund:*

COMPARATIVE BALANCE SHEETS - DECEMBER 31, 1972 AND  
DECEMBER 31, 1973:

(EXHIBIT A-1)

Comparative Balance Sheets which disclose the financial condition of the General Fund as of December 31, 1972 and December 31, 1973, are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by \$18,444 during 1973, from \$26,336 to \$44,780.

ANALYSIS OF CHANGE IN CURRENT FINANCIAL CONDITION:

(EXHIBIT A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

### *Increases in Current Surplus:*

Net Budget Surplus	\$22,763	
Tax Collectors' Excess Credits (Net)	158	
<i>Decreases in Liabilities:</i>		
Governors' Comm. on Crime	1,228	
Planning and Zoning	4,630	
		<hr/>
		\$28,779

### *Decreases in Current Surplus:*

Tax Liens Transferred To Tax Deeds	\$ 335	
Surplus Used To Reduce Tax Rate	10,000	
		<hr/>
		\$10,335
		<hr/>
NET INCREASE		\$18,444

COMPARATIVE STATEMENTS OF APPROPRIATIONS AND EXPENDITURES - ESTIMATED AND ACTUAL REVENUES:

(EXHIBITS A-3 AND A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1973, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of \$23,669, less a net overdraft of appropriations of \$906, resulted in a net budget surplus of \$22,763.

*Long Term Indebtedness:*

COMPARATIVE BALANCE SHEETS - DECEMBER 31, 1972 AND DECEMBER 31, 1973:

(EXHIBIT A-5)

Comparative Balance Sheets which disclose the outstanding long term indebtedness of the Town as of December 31, 1972 and December 31, 1973 are contained in Exhibit A-5. As indicated therein, the long term debt of the Town decreased by \$67,300, from \$1,150,900 to \$1,083,600, during 1973; matured Sewer Bonds in the amount of \$60,000, outstanding water works notes of \$3,600, and the Little League Park note of \$13,700 were paid.

A statement of annual debt service requirements is contained in Exhibit A-6.

*Sewer Department:*

COMPARATIVE BALANCE SHEETS - DECEMBER 31, 1972 AND DECEMBER 31, 1973:

(EXHIBIT A-7)

Comparative Balance Sheets showing the financial condition of the Sewer Department as of December 31, 1972 and December 31, 1973, are presented in Exhibit A-7. As indicated therein, the accumulated deficit of the Sewer Department increased by \$40,450 during 1973, from \$18,889 to \$59,339.

## TREASURER

### SUMMARY STATEMENT OF RECEIPTS AND EXPENDITURES: (EXHIBIT B-1)

A summary statement of general fund receipts and expenditures for the fiscal year ended December 31, 1973, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1.

### AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

### GENERAL COMMENTS

#### *Cemetery Perpetual Care Lots:*

During the fiscal year under audit, the Town expended \$5,971 for resurfacing cemetery roads, and this amount was subsequently requested from the Trustees of Trust Funds, to be taken from perpetual care cemetery funds.

Reference is made to the annotations relating to R.S.A. 31:20, which states that the interest earned on a particular cemetery fund must be expended for the care and maintenance of that particular lot.

“ . . . The Town has no right to divest accumulations of cemetery trust funds, especially where the town has the means to provide for them under the taxing power.”

“Town trustees of cemetery funds are not authorized to expend surplus income for the general care of the cemetery, and application of such surplus trust funds to purposes not originally contemplated would only be permitted when there is a showing of either impossibility or impracticability of using accumulated and future current income as desired by each testator.”

Hence, the above stated amount of \$5,971, properly belonging to the Cemetery Funds, should be returned to the Trustees of Trust Funds.

#### *Revenue Sharing Funds:*

Examination of planned and actual use reports to the federal Government revealed the expenditure from revenue sharing funds of \$3,700, representing the final payment of Little League Park Notes due June 8, 1973.

However, the Department of the Treasury has determined that repayment of debt qualifies as a proper expenditure of revenue sharing funds provided that, among other considerations, the actual expenditure from the proceeds of the indebtedness was made on or after January 1, 1972 (the beginning of the initial entitlement period).

In as much as our examination further revealed that the expenditure from the proceeds of the Little League Park Notes was in fact expended in the fiscal year 1970, the payment of the debt may not be lawfully expended from revenue sharing funds.

The amount of \$14,877, as reflected in Exhibit E, represents the fund balance after omission of the above exception.

*Excess Budgetary Estimates:*

Town officials are urged to exercise more care in the preparation of annual budgets. Excluded from the 1973 town budget were three (3) appropriations, enumerated as follows:

(1) Design of new Public Works Building	\$ 3,000
(2) Acquisition of land for landfill operation	5,000
(3) Salt and sand spreading machine	2,000
	<hr/>
	\$10,000

As a result, property taxes raised during 1973 were deficient in approximately the same amount. Although, the above appropriations were contained in separate articles and their expenditures to be withdrawn from Revenue Sharing Fund, the annual town budget, of necessity, must incorporate all estimates of revenue and all appropriations.

*Civil Defense:*

During the fiscal year 1973, the Civil Defense Department of the town utilized their own checking account for receipt and expenditure of funds. It should be noted that the Town Treasurer is, by statute, the custodian of all town funds and there is no statutory authority for the civil defense, or any other town department to handle funds on any basis.

Receipts of the Civil Defense Department should be turned over to the Town Treasurer at frequent intervals and payments of their bills should be made by the Treasurer upon orders of the Selectmen.

*Conclusion:*

The provisions of Chapter 71-a, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained

in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Respectfully submitted,

FREDERICK E. LAPLANTE

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Newmarket for the fiscal year ended December 31, 1973.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Newmarket at December 31, 1973, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

FREDERICK E. LAPLANTE

## ANNUAL REPORT OF SEWER COMMISSIONERS

The Sewer Commission has received correspondence from the Environmental Protection Agency (EPA) outlining objectives which must be accomplished during a specified time span. Specifically a secondary treatment facility must be designed by 1977. We have engaged the engineering services of Wright, Barnes, Pierce and Wyman, Inc. of Portsmouth to accomplish these objectives. A three year plan has been developed, the first phase which is a preliminary survey and design is included in the town warrant. The major cost of the program is paid by Federal and State Agencies. Total cost figures for the project are not available at this time.

The Sewage Treatment Plant ran satisfactory for the past year with only minor maintenance.

The infiltration problem has, to some extent, been improved with the addition of a surface water drainage system at Maplecrest. Residents should be aware that no sump pump or floor drain can be discharged into the sewer system by EPA regulations. This also applies to industries.

Funds raised by sewer rates should cover all expenses budgeted for the coming year.

The Sewer Commission meets the first Monday of the month at 7:00 P.M. at the Sewer Treatment Plant.

Respectfully submitted,

SEWER COMMISSIONERS

Albert W. Caswell, Sr.

Edwin I. Kimball

Walter P. Schultz

## REPORT OF SOLID WASTE DEPARTMENT

In 1974, a new town department was formed. Its purpose is to discover an alternate method of waste disposal which would comply with new state and federal laws banning the open burning of trash at the dump site. Essentially, this is a phase out operation of the dump to meet better air and water quality standards to safeguard our health. Some of the questions being asked are what are the alternatives and how much will it cost. The answers to these questions will come in 1975 as this department completes its research.

To date, the best method of waste disposal is NOT to throw it away but to re-use it. This is called recycling or the newer term resource reclamation. The University of New Hampshire has recently built a Resource Reclamation Center in Durham for the collection of recyclable goods and invited surrounding towns to bring in their items such as paper and glass and cans and be paid for them. The items are then sold to brokers and eventually recycled. Newmarket committed itself to this program and was the first town to start bringing in goods for recycling. To keep records of how much we will be paid for these goods, scales will be used to weigh the paper and other items as it comes in. This puts back into use those items that are now wastefully discarded. The amount of revenues received from these goods is determined by the market value. We hope to have a collection area, centrally located for citizens to bring their discards for transportation to Durham.

What do we do with the volume of trash that cannot be recycled? This is the problem that needs more attention since this volume is great. Studies made at our dump site reveal that a total of 98 TONS of trash are dumped every week. Of those 98 TONS, approximately 50 TONS are unrecyclable. This includes industrial wastes and household waste from Newmarket and Newfields combined. The only

viable methods of disposal are incineration or landfill. Investigation is under way to determine the costs of each and weigh them against practicality. We are also looking into the feasibility of regionalizing with surrounding towns to solve this problem. To prepare for any outcome, a "dump permit" system was started to keep out other towns and states from illegally using our site. To date, 250 permits were issued to Newmarket citizens and we are awaiting figures from Newfields. We hope you all take the responsibility of this problem by being aware of how much trash is thrown away per family. Thank you for your support.

Respectfully submitted,

DAVID OPASIK

## LIBRARY REPORT 1974

This past year has shown much improvement to the condition of the Library. After many years of seeing the green walls and windows, thanks to Revenue Sharing, the interior Library rooms were painted two shades of blue with white ceiling by Stevens Painters of Newmarket. This was badly needed and now all can be proud of the looks of our building.

We have a beautiful oak table and it needed repairs. Mr. Leonard Hogue was able to turn four new legs for it and sand it and JoAnne Hauschel refinished the complete table. It should last for many years and serve us well.

We hope all townspeople are aware that the Library is now open six days a week — Tuesday, Thursday and Saturday afternoons; Monday, Wednesday and Friday afternoons and evenings.

A new outside sign will be erected in the near future stating days and time.

Fire extinguishers were installed in the main room by order of the State Fire Marshall.

Our janitor resigned in June and was replaced for the summer by a boy selected through Job Corps. In September, we hired Mr. Harold Dawes as permanent janitor.

A bookstack is on order, much needed for new books and it will now complete the bookroom.

Mrs. Harding has once again offered many fine programs and the Tower Room has been used by many groups.

*January* — Visit to Library by first and second graders with teachers; District Advisory Council meeting in Bedford with Mrs. Harding exhibiting a shell collection.

*February* — Bookmobile visited; National Scout Week Exhibit in Tower Room.

*March* — Girl Scout Exhibit in Library; Movies were shown to the Day Care twice a month, February through May; Civil Defense had meetings weekly March and April.

*April* — Bookmeeting in Exeter; District Advisory Council Meeting in North Hampton.

*May* — Librarian talked to Senior Citizens on Library services; Attended Polish Festival in Manchester, serving in rare books booth; Bookmobile visited; Gifts of subscription of *Publick Occurences* from Mrs. Marion Fisher; *National Business* from Mr. Roy Kent; Gifts of books: The Edward Dutkas', Gladys Moore and anonymous giver of two children's books.

*June* — Friends of the Library luncheon in Hampton.

*July* — Librarian addressed class at UNH on small library administration.

*August* — District Officer and Librarian updated history collection.

*September* — Bookmobile.

*October* — Gift of three documentaries on Newmarket from Roy Kent; these were sent to the bindery and are a part of the reference collection, for in-Library use only.

Class in Administration from UNH met in Library with Professor. Mrs. Harding addressed them on Small Library Administration — social hour followed.

*November* — Bookmeeting in Exeter.

*December* — Recycling posters in Tower Room. Judging done by Mrs. Philip Hendrickx, Wilfred LaPorte and Librarian. The winners were: First Prize, Philip Dubois; Second Prize, Sharon Langlois; Third Prize, Brian Randall; Fourth Prize, Cynthia Lavertue.

We are indebted to Carrie Gray for her volunteer help each Saturday.

Respectfully submitted,

JoAnne Hauschel, *Chairman*

Robert Sewall, *Treasurer*

Lorraine Shelton, *Secretary*

TRUSTEES OF THE LIBRARY

## REPORT OF THE NEWMARKET POLICE DEPARTMENT

One of the most important problems facing the Police Department, probably more so than any other department within Town Government, is Public Relations.

I believe that this is because that most of us, when we have any business with the Police at all, it is of a negative nature. After all, who wants to get "pinched" for running a stop sign, or crossing a yellow line?

Many times I have delivered a simple, routine message to a home, and after, heard the remark, "you scared us to death". I wish that it were not so, but I have to agree, it's perfectly understandable.

However, it is not a problem that cannot be if not eliminated, at least minimized.

I firmly believe that if every person that lived in this Town could spend two full days in the cruiser and in the Police Station, never again would there ever be any problem as far as public relations were concerned.

Naturally, this is not possible. However, it is entirely possible for the citizens of this Town to come down to the Department, talk to the men on the street, find out what they are doing, attend a court session, (they are public), in other words familiarize yourselves with the operation of the Department and the men in it. After all, it is YOUR Department.

Remember, in case of extreme emergency, rather than call the local Police Department number 659-3451, there may not be anyone in the office at the time of your call, call

772-4716. This is the Dispatch Center at the Rockingham County Building, and they will immediately contact the local police by radio. Your Police Officers are always on the radio when not near a telephone. Knowing this, it may sometime save precious minutes, when minutes count.

Respectfully submitted,

PAUL GAHAN

*Chief of Police*

## NEWMARKET POLICE DEPARTMENT COURT CARDS ON FILE FOR 1974

The following are cases brought before the Newmarket Municipal Court during the year 1974:

- 54 Driving While Intoxicated
- 37 Yellow Line Violations
- 48 Speeding Violations
- 67 Uninspected Motor Vehicles
  - 7 Bald Tires
- 42 Stop Sign Violations
- 11 Unregistered Motor Vehicle
  - 8 Misuse of registration plates
- 12 Operating without a license
  - 7 Operating after revocation of license
- 13 Reckless Operation
- 24 Passing at an intersection
  - 3 Unnecessary noise (laying rubber)
  - 3 Leaving the scene of an accident
  - 3 Following to close (tailgating)
- 1 Failure to wear protective lenses (motorcycle)
- 5 One-Way Street Violations
- 4 Vehicle parked in the roadway
- 3 Transportation of a controlled drug
- 6 Possession of a controlled drug
- 2 Knowingly in the presence of a controlled drug
- 2 Manufacturing a controlled drug
- 4 Minor in possession of alcoholic beverages
- 3 Drunk in a public place
- 14 Dog violations
  - 1 Petty Larceny
- 18 Disorderl Conduct
  - 3 Derisive Words to a Police Officer
  - 2 Procuring alcohol for minors
  - 1 Possession of Stolen Property

- 1 Failure to keep right
- 1 Failure to display motor vehicle plates
- 2 Assault on a Police Officer
- 5 Simple Assault
- 1 Aggravated Assault
- 1 Malicious Damage
- 1 Hunting without a license
- 2 Passing on a bridge
- 3 Consuming alcohol in a public place
- 3 Resisting Arrest
- 2 Littering
- 2 Failure to Yield Right of Way
- 3 Taking a motor vehicle without authority
- 1 Sleeping in a motor vehicle
- 1 Failure to surrender license and registration
- 1 Burning without a permit
- 1 Interfering with the duties of a police officer
- 3 Failure to stop for a police officer
- 1 Criminal Solicitation
- 1 Unregistered trailer
- 2 Failure to answer summons
- 3 Criminal Threatening
- 3 Violation of Woodland Closing
- 1 False Report to Law Enforcement Officer
- 1 Destruction of Municipal Property
- 2 Riding a bicycle without a light
- 1 Loitering

---

457 TOTAL

## NEWMARKET POLICE DEPARTMENT LOG ENTRIES MADE IN 1974

The following are daily loge entries of the Police Department for 1974:

- 1 Armed Robbery
- 338 Citizens complaints answered
- 99 Aid to other police departments
- 28 Breaking and entering (burglaries)
- 10 Attempted breaking and entering (attempted burglaries)
- 59 Larcenys (theft)
- 86 Accidents (no injury)
- 7 Accidents (injury)
- 1 Accident (fatal)
- 89 Dog complaints
- 103 Aid to citizens
  - 6 Stolen motor vehicles
  - 8 Stolen motor vehicles recovered
- 71 Messages delivered to citizens
- 30 Assists to fire department
- 36 Assists to ambulance
- 46 Reports of malicious damage to property
- 47 Escorts (bank, etc.)
- 32 Relays (transportation of people stranded, etc.)
- 114 Doors found unlocked (businesses)
- 34 House checks (request of citizens on vacation, etc.)
- 11 Heating lights (indicate furnace malfunction in various bldgs.)
  - 1 Bomb threat
- 92 Defective equipment tags issued (motor vehicle)
- 29 Motor Vehicles Towed (overnight parking ban, etc.)
- 6 Missing persons reported
- 3 Unattended deaths

<b>TOTAL CALLS FOR YEAR</b>	<b>141</b>

We the Board of Engineers are pleased to announce that the new Fire Truck was ordered in May and should arrive about August 1 of this year. The bid was awarded to the American La France Co. of New York.

Again this year there was a lot of work put into our Fire alarm system. All old boxes were replaced and much old wire was replaced with new lines. In the near future all old wire will be replaced.

Much thanks may be given to the Newmarket Firemen who gave their time and effort for this project.

Training requirements this year were again fulfilled by officers and men at various schools presenting these programs throughout the state.

Many major repairs were made to our station this year, one being work done to our heating system and some re-wiring. Half of the roof will have to be put on this spring.

A new high expansion foam called JET-X has been added to our equipment which we find extremely valuable in extinguishing gasoline and oil fires. Radios, helmets, boots, protective safety eye shields and a new rescue cutting tool were purchased along with various small items, in keeping with our program of updating our equipment.

A reminder on the State wide regulation governing all outdoor burning: All fires must be before 9: A.M. or after 5:00 P.M.

The following are the names and numbers to call for a written permit:

Wilfred Beaulieu, Warden	659-3927
Bonnie Beaulieu, Dep. Warden	659-3927
Richard Butler, Dep. Warden	659-5842
Robert Pratt, Dep. Warden	659-5392
Herbert Philbrick, Dep. Warden	659-3216
Elizabeth Philbrick, Dep. Warden	659-3216

Many thanks to the people of Newmarket for the fine cooperation they have given us.

Respectfully submitted,

WILFRED BEAULIEU

*Chief*

RICHARD J. BUTLER

*Assistant Chief*

ROBERT PRATT

*Deputy Chief*

## NEWMARKET CIVIL DEFENSE -- 1974

Your Newmarket Civil Defense Director has the following to report for the year 1974.

The P and A (personal and administrative program) is going into its third year. Under this program the town raises \$1,250.00 by taxation and the Federal Government matches it with \$1,250.00. A breakdown of 1974 expenditures appears in the budget breakdown.

One of the most outstanding programs of 1974 was the E.O.C. (Emergency Operations Center) school that was held at the library during April and May. This is a course designed for community officials and key employees to develop an understanding of a method of conducting government operations in any major disaster which requires the use of an Emergency Operations Center. All community officials and key employees of Newmarket attended this 22 hour E.O.C. school.

### OTHER NOTES OF 1974 ARE:

The basement of the library is being used to store surplus not assigned to any department.

Two 1963 Econoline Vans were assigned to the Public Works Department. One came from Pease Air Force Base and the other from Hanscom Field in Bedford, Mass.

Lockers were given to the Police Department for use of the officers; also a desk for the Police Departments use was obtained.

A Walkie Talkie was purchased for the Public Works Department.

A 350 gallon tank and a small pump was installed on the Army 6x6 for use in fighting grass and brush fires along the railroad tracks and other hard to reach areas.

Typewriters were available and given to the library and the Fire Department.

Adding machines and calculators were available for the town departments; these machines are old but serviceable for general office work.

The antenna for remote control from local radio base stations was installed on the hill near the Day Care Center. This was a joint venture by all the town departments.

The possibility of using the firehouse for an E.O.C. was investigated and no complete report can be given at this time.

All departments are using the local radio frequency which seems to be a great asset to our citizens in time of emergency.

Our Sonar horns which were purchased in 1973 thru Civil Defense funds were loaned to Durham and Berwick, Maine for the purpose of finding lost persons.

All program papers and necessary Civil Defense requirements were met to comply with the State C.D. headquarters.

A total of \$9,845.00 worth of surplus was purchased for \$485.00.

As your Civil Defense Director and coordinator between departments in time of emergency I invite all the citizens of Newmarket to visit the departments that make up the structure of your town government.

Respectfully submitted,

GEORGE HAUSCHEL  
*Civil Defense Director*

## ANNUAL REPORT OF THE HOUSING AUTHORITY

On February 28, 1974 the Newmarket Housing Authority had a closing from S & S Contractors and took over Great Hill Terrace 50 Turnkey Units. There are 12 single bedroom units, 20 two bedroom units, 16 three bedroom units, and 2 four bedroom units. The Community Building is made up of the Staff Offices, laundromat, maintenance room, kitchen, rest rooms, storeroom, and an area suitable for small gatherings. The Community Center has been actively involved and is being used by various groups of the Community such as Senior Citizens, Explorers Post of Ambulance Attendants, the Ambulance Corps, Health Center, Weight Watchers, a children's Bible Class, and other groups. The aforementioned groups all met with the approval of the Commissioners.

The units are, and have been, fully occupied and rental fees are based on the resident's income and according to the Brooke Amendment. We have a waiting list of prospective residents but we are still accepting applications from those with the qualifications for low-income and elderly housing. We suggest and encourage all applicants, and we are available for help in completing your application. We suggest you visit our Office at Great Hill Terrace for information and applications. Office hours are from 9 A.M. to 4:30 P.M. Monday thru Friday. Telephone 659-5444.

An area of 7.6 acres of land was given to the Newmarket School District to help in their expansion program. This land adjoins the land presently owned by them.

The management staff of the Newmarket Housing Authority is comprised of Mr. John C. Munroe, Executive Director; Ms. Margaret S. Volk, Director of Tenant Relations; Mrs. Ruth W. Joslin, Bookkeeper; Mr. Frank Flanders, Maintenance and Repair.

We are proud and pleased with Great Hill Terrace and the results it has given to our residents. Decent, sanitary, safe and happy homes are now available for elderly people and low-income families.

We wish, at this time, to thank all who helped to make Great Hill Terrace possible.

Respectfully submitted,

WALTER P. SCHULTZ,  
Chairman

ALBERIC LORANGER,  
Vice Chairman

EDWARD TOURIGNY,  
Secretary-Treasurer

MARION GRISWOLD

RALPH WILLEY

## PLANNING BOARD REPORT

The year 1974 has been a busy one for the Planning Board. In addition to the many sub-division applications processed, the board has conducted numerous site reviews as required by regulation for any non-conforming use of land.

We have met with several prospective developers to explain and clarify our regulations and to work out mutually satisfactory arrangements.

We have recently adopted comprehensive site review criteria that should remove all doubts as to the board's requirements in that area.

We have requested and are receiving a great deal of help from the Strafford Regional Planning Commission in the preparation of very detailed town maps. These maps will be of tremendous value as aids in developing sensible regulations for insuring the best possible use of any given land area in the town.

Also with the help of the Strafford Regional Planning Commission, we are in the process of revising the town's zoning ordinances to bring them more into line with today's planning needs as they relate to one of the fastest growing areas in the country.

We have started work on Flood Plains regulations as required by recently enacted Federal legislation.

The Planning Board, at present, consists of seven members. Regularly scheduled meetings are held on the second Tuesday of every month at 7 P.M. in the town hall court room. Work session meetings are scheduled on the fourth Tuesday of every month in the town hall Planning Board office. All of our meetings are open to the public and all are encouraged to attend.

Anyone wishing to conduct business with the Planning Board at a regularly scheduled meeting must request to be placed on the Board's agenda at least five days prior to the meeting. You must be on the agenda to be recognized by the chair at a meeting. This may be done by calling (or writing) either the Town Clerk or any member of the Planning Board.

Once again we repeat our invitation to attend our meetings and participate in a vital town function.

Respectfully,

WILFRID G. LAPORTE,  
Chairman

## 1974 ANNUAL REPORT OF THE BUILDING INSPECTOR

This year's economy and higher prices wasn't only bad news for the housewife, but also for the homeowner and construction worker.

The high cost of building materials, labor and interest rates discouraged the most ambitious "beaver". This became evident when construction was suspended on the "Sliding Rock" and "Maple Street" projects, and non-renewal of elapsed building permit for the proposed trailer park on Route 108.

The total construction cost for Building Permits was down 28% from the previous year. Skyrocketing prices in Real Estate and home construction increased the assessed value of property. Homeowners are spending more money for property upkeep and applications for repairs have doubled over last year.

Only 9 homes were constructed in 1974 versus 33 homes in 1973. However, trailer permits increased from 8 in '73 to 12 in '74. If this present construction trend continues, trailer growth will exceed home construction by 25%.

Since Newmarket adopted Zoning and appointed a Building Inspector, the public underwent a transition period of learning and accepting new regulations beneficial to oneself, your neighbor and town.

At the onset progress was slow, and lack of communication combined with legal terminology, created some misunderstanding. However, today the situation is changed; the cooperation and response from the general public is most gratifying.

I'm hopeful a closer relationship and better understanding will continue to exist. These elements are essential, if we, as members of this community, are to retain a pleasant environment and continue to grow as a prosperous industrial community.

## 1974 ANNUAL REPORT OF THE BOARD OF ADJUSTMENT

January 1, 1974 -- December 31, 1974

The board had ten cases come before them during this twelve month period. All cases with the exception of one were resolved by the board, one is in Superior Court.

In April, Linnea Hirst was appointed by the Selectmen for a five year term to expire in 1979. Gary Hoyt and Jo Anne Hauschel were appointed to fill unexpired terms in May and June.

Gary Hoyt	Term Expires 1975
Harold Hood	Term Expires 1976
Paul Rosa, Jr.	Term Expires 1977
Jo Anne Hauschel	Term Expires 1978
Linnea Hirst	Term Expires 1979

Respectfully submitted,

PAUL ROSA, JR.  
*Chairman*

## AMBULANCE CORPS REPORT

1974 was a very busy year for the Newmarket Ambulance Corps, although the number of calls decreased from 148 to 130 from the previous year. This is the first time since the corps was formed that the number of calls has decreased from the previous year.

Some of the events held in town which the corps was asked to be available for were: the Turkey Shoot at the Schanda Farm, the Sidewalk Fair, the Handtub Muster and the Blood Drawings. A 1st Aid Tent was also set up in Newfields for their 125th Anniverary Celebration.

Many hours are spent each year by the members for training and 1974 was no different. Besides a monthly training session, an advanced 1st aid course was held. 3 members completed an advanced CPR (Cardio Pulmonary Resuscitation) course and are now qualified CPR Instructors.

Two members completed a 71 hour EMT class and four other members are now taking this course. EMT training is the most advanced training for ambulance personnel at this time.

New equipment purchased this year includes a push-button Private Line radio system installed in the ambulance. Now, all we have to do is push a button and we can talk directly to the Emergency Room of the hospital.

This year's report would not be complete without mentioning the Newmarket Explorer Troup of Ambulance Attendants. This troupe was formed about a year ago and a few members of the Ambulance Corps have been working with them. They have been very eager to learn and have participated in all the town functions mentioned above that the corps was available for. They were particularly helpful

at the Blood Drawings. Newmarket can be proud of these fine young men and women. Hopefully, some of them will be the Ambulance Corps of the future.

Looking forward to 1975, we have two committees that are very active. One is working on plans to purchase a new ambulance to take the place of the 1966 Cadillac we now own. The other committee is looking into sites for a building to house the ambulance. We hope to have Federal Funds available when we are ready to buy.

In closing I would like to remind everyone that the Ambulance number is 659-2022.

Respectfully submitted,

DAVID R. MOORE,  
*President*

## CONSERVATION COMMISSION REPORT

The Newmarket Conservation Commission developed several new programs in 1974.

In May a plot of land was loaned to the Commission to be used for a tree and shrub nursery. 175 seedlings were obtained from the State and planted on this land for future use in the town.

The Rockingham County Forester came to Newmarket and helped to plan a long term park and tree planting program. The first park plan for a vacant lot on Main Street was approved by the Selectmen in June and will be put in this Spring.

Six trees were planted on Main Street in the Fall and plans are being made for more to be planted in 1975.

A poster contest for school children was sponsored by the Commission on the theme of "Conservation and Recycling".

Plans have been made for the initiation of a film program, bicycle club and special events for the upcoming Bicentennial celebrations

## OYSTER RIVER HOME HEALTH ASSOCIATION

The Oyster River Home Health Association is a Visiting Nurse Association incorporated February 12, 1967, to serve the Towns of Durham, Lee, Madbury and Newmarket. The Board of Directors consists of five residents from each of the towns; standing committee include representatives from related professional fields.

In the past year we have enlarged our staff to include a second full-time nurse. At the present time we have an Administrative Nurse, one full-time nurse, one part-time nurse and a Physical Therapist who works on a contract basis. We will continue to add working hours to our staff as the patient load demands.

We have had four State Contracts continued in the past year: Dover Family Planning, Bureau of Communicable Disease Control, Aftercare Program, and Maternal and Child Health Program.

Under the Dover Family Planning Contract we make a visit to a referred patient in our area both before and after the birth of her child. This past year we had two patients under this contract and one of them has continued to use our services through the Well Child Conferences.

Our contract with the Bureau of Communicable Disease Control deals directly with TB patients. We made approximately 55 skilled nursing visits to these patients who are referred to us by the Bureau. Most of these visits are monthly visits to patients who are on controlled medication and we also do Tine testing in households where TB may be present.

The Aftercare Program involves the visiting of patients

referred to our Agency after they have been discharged from the State Hospital. It also involves regular conferences with specialists reviewing cases, etc. Eighty-one hours were spent in this program this year by all the nurses in the Agency.

Our Maternal and Child Health Program continues to grow each year with more services to the children of the area. Our Well Child Conference, held the third Monday of each month at the Newmarket Fire Station, serves the pre-school children of the four towns. At this clinic the children are examined by a physician and they receive the prescribed inoculations and are closely followed until they enter school. There is much clerical work involved in the program, both before and after the clinic, including many follow-up visits. Before a patient is accepted by the Clinic, a complete history must be taken by one of our nurses. This involves a home visit. Each new mother in the four towns receives a free nursing visit following her return from the hospital. We receive referrals direct from the local hospitals. We have become involved in the Newmarket Day Care Center. We are helping them to set up a good health program by revising records, health teaching, seeing that more children attend the Well Child Conferences for immunizations and medical problems and we are making referrals to other state agencies for specific medical problems.

Along with the above services, we continue to visit any patients referred to us by a physician. The working day for our Administrative and full-time nurses is 8:00-4:00. The phone (868-5055) will always be answered between 8:00 and 9:30 a.m. It is also possible to reach the nurses after noon providing they do not have meeting or educational functions to attend. Our Physical Therapist is available on doctor's orders. Statistics on our visits and nursing hours follow this report.

The Association is supported by tax deductible contributions from organizations and individuals, by memorial gifts, memberships, nursing fees, and funds voted by the four towns. In addition, we have received grants from the State and Federal Governments for specific programs for specific periods of time. Continued support from the towns at the 1974 Town Meetings is anticipated.

### EXECUTIVE COMMITTEE

Mrs. Russell Harmon .....	<i>President</i>
Mrs. Irving Brown .....	<i>Vice President</i>
Mrs. H. H. Wooster .....	<i>Secretary</i>
Dr. Everett Sackett .....	<i>Treasurer</i>
Mrs. Eleanor Evans .....	<i>Rep. to Executive Committee</i>

### NURSING STAFF

Linda Gill, RN .....	<i>Administrative Nurse</i>
Pam Murray, RN .....	<i>Full-Time Nurse</i>
Sue Griffith, RN .....	<i>Part-Time Nurse</i>
Lillian Charron, RPT .....	<i>Physical Therapist</i>
Gail Childs .....	<i>Bookkeeper-Secretary</i>

### STATISTICS JULY 1, 1973 - JUNE 30, 1974

<i>Town</i>	<i>Health Promotion Visits</i>	<i>Disease Control Visits</i>	<i>Physical Therapy Visits</i>	<i>Patients Not Found</i>
Durham	118	523	179	36
Lee	59	155	64	5
Madbury	34	27	31	11
Newmarket	133	483	99	70
Totals	344	1188	373	122

A grand total of 2,101 visits was made by the Agency in the 1973-74 fiscal year. A total of 3,678½ hours was spent

by the nurses on the job. Sixty-seven percent of this time was spent visiting referred patients, recording charts, phone calls with physicians regarding patients. The other 33% of the time was devoted to Clinics, Staff Development and In-Service Education, Community projects, etc.

Forty-seven percent of our patients during the past year were over 65. This continues to be our largest area of service. Most patients are referred to the Agency by the physician or by the hospital coordinator. Due to the fact that we have such a large group over 65, Medicare covers much of the visiting. However, we refuse service to no patient. Fees are scaled according to the ability of the patient to pay.

Complete statistics are kept by the Agency on all patients. This is a requirement of the State and must be submitted bi-annually to them. They, in turn, compile the figures from all the Agencies over the State and make a master report.

# NEWMARKET DAY CARE CENTER REPORT

SEPTEMBER 1, 1973 to AUGUST 31, 1974

The Center opened on September 4, 1973 for the sixth year of operation with a full enrollment of 75 children (with two-thirds from Newmarket). There were twenty-five names put on the waiting list, most of whom were from the Exeter area.

In the fall of 1973 the Council members voted to expand its services by establishing a Satelite Center in Exeter. Rockingham County delegates contributed \$7,500.00 which could be put up as the State's share for Federal matching funds through Title IV-A. The Satelite Center is due to open in January 1975.

The Newmarket Center put up \$4,500.00 for matching which the Fund Raising Committee raised through its many projects. The Second Annual Sidewalk Fair in May was the most successful event of the year.

The new Kalwall windows were installed on the third floor in December and in April on the second floor. This certainly improved the looks of the building and saved a great deal of heat loss throughout the energy crisis.

The State Fire Marshal's deputy visited the Center in March and ruled that the building "did not comply, nor could conform to the 101 Life Safety Code." The Council began to make plans for relocating the program. The town voted in the Primary in September to donate a piece of land on Beech Street extension to the Center for building.

The membership of the Council took on a new look when new members from the Community joined in August.

Membership is open to all interested persons and support from the Community is welcomed.
