Dedication to Beverley Frenette

We dedicate this year's annual report to Beverley Frenette for her generous and selfless contributions to the Town of North Hampton's common good. Beverley has served as a citizen volunteer and employee from the early 1960's to 2004. She has served and does serve as a shining example and model of the ideal citizen volunteer. North Hampton is a better place as a consequence of Beverley Frenette's dedication to her Town and its citizens.

As a North Hampton native, Beverley devoted over forty years to the Town as an elected official, town employee and volunteer. She's the third generation to serve the town. Her grandfather was Chief of Police for several years and her father a volunteer fireman, so she knows the importance of small town commitment.

Beverley started her service to the Town as a member and officer of the North Hampton Firemen's Auxiliary. Over the next forty years she enjoyed the duties of Ballot Clerk.

From 1974-1979 she held the elected position of Town Treasurer. The following eighteen and one half years she was Administrative Assistant and Welfare Director for the Town. She served on the North Hampton School Building Committee as the Selectmen's Representative. When the position of Administrative Assistant was eliminated, Beverley continued her civic duties, taking on Recording Secretary to the Planning and Zoning Boards.

At this same time, the Friends of Centennial Hall were getting established and she accepted the position of Vice President and later the role of President. With the Friends she was involved in fundraising and acquiring new members. Having graduated from Centennial Hall, Beverley said it held many happy memories and preserving the grand old building was very important to her.

She has been a volunteer at the North Hampton Public Library and for the past two years was one of the Supervisors of the Checklist. During the past several years Beverley has served as a Board Member of the North Hampton Historical Society where she's been involved with fundraising and with measuring and documenting the old barns in Town. North Hampton has so much history she enjoys being a part of trying to preserve it for future generations.

Not only has Beverley served the Town in many capacities over the past four decades, she has always done so with a warm heart, a kind disposition and a ready smile. Because of her efforts, North Hampton is a better place. We all owe her a debt of gratitude. On behalf of the entire Town, we say "Thank you Beverley. Job well done!"

Report of the Board of Selectmen

INTRODUCTION

This year we have operated under a policy of openness and maintaining lines of communication with the citizens whom we represent. We changed our meeting procedures and agenda format to ensure that citizens know that we will return from our occasional non-public sessions to reconvened public sessions and may conduct more public business. Also, we encourage audience participation at our meetings. Most importantly, we believe, we have kept you up to date on developments through articles in the Town Newsletter, by posting on the Town Web Site and by a mass mailing to all households concerning the recent tax increase. This report continues our policy of ensuring an informed citizenry and encouraging active citizen participation. This year, more than ever, it is essential that citizens participate in the Town Deliberative Session and become informed about Budget and Warrant Article issues. This Report is designed to inform you of the many important issues that you will be asked to consider this year.

TAXES AND PROPOSED BUDGETS

At the Annual Town Meeting in March 2004, the Town went on a spending spree, overwhelmingly approving warrant articles for the purchase of \$1,116,915 worth of equipment, real estate and other items, \$788,000 of which was funded by taking money from our then very healthy fund balance. Also, we generously quadrupled the Veteran's Credit and increased the Elderly Exemption by 60%. A little later during the spring of 2004 we received a record number of applications for abatements due to the revaluation that took place in 2003. As a consequence, abatements in the record amount of \$39.8 million were granted, which resulted in tax refunds (plus interest) paid out in the amount of \$635,000. This unusual combination of record spending and record abatements produced a shock in November 2004 when the State Department of Revenue Administration set our new tax rate for the tax year beginning in April 2005. As you know by now it increased from \$12.72 to \$15.05, a jump of 18%.

We have taken a proactive role in dealing with what many have referred to as a "tax crisis." We are determined that we will never be faced with such an unexpected and shocking tax increase again.

To that end we notified the Budget Committee that we would support strong measures to bring spending under control, and we asked each Town department and official responsible for a budget to refine their budgets so that increases were limited to three percent or less. We are pleased to report that those efforts were, in large part, successful. The proposed budgets for all Town departments (except the Police and Fire Departments) are at or below the three percent target. We are pleased that the School Board also worked very hard to bring its operating budget in under three percent; and we commend them for their efforts.

The proposed Police budget shows an increase of 15.39% due to the very real need to add two new police officers to the force. Chief Brian Page and Lieutenant John Scippa made a compelling case for the need of two new officers, both to the Board of Selectmen and the Budget Committee. Criminal incidents in North Hampton have been up sharply in the last few years, rising by 21% since 2002. Presently, some shifts have no backup available because only one

officer is on duty. This presents a significant public safety issue because when a lone officer is dealing with an incident somewhere in Town, there is no other police officer available to provide back up to the responding officer or to respond to calls from the public for police assistance. In terms of the number of law enforcement personnel per thousand of population, North Hampton is ranked third from last out of the nine Seacoast jurisdictions. The addition of two officers is an essential public safety need and has the strong support of the Selectmen and of the Budget Committee. We have made cuts and been frugal in other areas; but public safety and the safety of our police officers cannot be compromised.

The proposed Fire Department budget shows an increase of 5.25%. Because of the requirements of the collective bargaining agreement that is currently in place, the Fire Department budget could not be reduced to three percent without eliminating our "Call Firefighter" force and arbitrarily cutting the overtime budget. The availability of call firefighters is essential to the proper functioning of the Fire Department. Last year there were one hundred instances where the **only responders** to callbacks of off duty personnel were call firefighters. Eliminating that resource would mean that there would be a high likelihood that there would not be adequate staffing of emergency situations. Similarly, arbitrarily cutting overtime would likely result in a reversion from three to two man shifts in some instances. Because the Town Meeting last year authorized the hiring of four additional firefighters on the grounds that safety requires three man shifts, we concluded that it would be irresponsible to make such an arbitrary cut.

Even though the Police and Fire budgets do have the effect of raising the total Town Budget by 5.84%, we strongly recommend that voters support these budgets. Public safety requires it.

PROPOSED WARRANT ARTICLES

The number and cost of warrant articles that we are proposing are down significantly from last year. This year, aside from the proposed Highway Department warrant article which will be bonded, there are but 11 Selectmen-sponsored warrant articles and their total cost is \$493,881, which is less than half the amount that was proposed and passed last year. All warrant articles that we have proposed passed our "essential needs" test. We believe strongly that they are essential to the continued well being and efficient functioning of the Town and its various departments. We have spent many hours examining, questioning and analyzing proposed warrant articles. Many were rejected. We urge your support of the warrant articles that we have proposed.

We do want to emphasize our analysis of the **absolute necessity** of two of the warrant articles that we are proposing. Article 3, which would authorize a bond issue in the amount of \$950,000 for the construction of a new Highway Department facility and Article 11 which asks for \$56,081 to upgrade the Town's computer software.

We have previously circulated a letter concerning the importance of the Highway facility; and another copy of that letter should be enclosed inside the front cover of this Town Report. We urge you to familiarize yourself with this issue and cast a favorable vote. Suffice it to say that we believe firmly that this article is a must for the Town as well as for the safety of our personnel and protection of the environment.

Article 11 is also essential. The current 1996 DOS software is hopelessly outdated. It constantly malfunctions, creates great inefficiencies, particularly in the Tax Collector's

Department when tax receipts simply cannot be deposited because the system is down; and it is increasingly difficult (and expensive) to find organizations that are even willing and able to support this obsolete system. The current situation is unacceptable and must be improved. This Article is an absolute must!

DEVELOPMENT OF TAX CALCULATION SPREADSHEET

Because we believe that Town Departments, the Board of Selectmen and all citizens should be able to understand the potential tax impact of budget and warrant article decisions, we decided that it was imperative that a new analytical tool be developed to enable us to predict the tax impact of spending proposals. With the very able and invaluable assistance of Laurel Pohl and Terry Conklin, we have sponsored the development of an Excel spreadsheet program which enables us to calculate instantly during the budgeting process a close estimate of what the potential tax impact will be of any given budget or warrant article, or of revisions in budgets and warrant articles. Needless to say the program is based on a number of assumptions and is not precisely accurate. But based on a number of tests, including consultation with the State Department of Revenue Administration, we are confident that it is the best available tool for closely approximating the tax effect of proposed spending.

Laurel and Terry put in hundreds of hours developing this tool at our request, and the Town owes them a debt of gratitude for their volunteer efforts. Their work product has enabled us to make much more informed decisions about the tax impact of proposed spending. In fact, and based on that analytical tool (which incorporates very conservative assumptions), we are optimistic that the budgets and warrant articles being presented and recommended by us and Budget Committee (including the School Budget and Warrant Articles) will result in a very modest increase of the 2005/2006 tax rate.

OTHER DEVELOPMENTS

This has been an exciting and challenging year for your Board of Selectmen. All of us are new to the job this year and there has been much to be learned in a very short period of time. One of the policy decisions we made was to try to be proactive and creative in addressing Town issues.

We have established a liaison with the School Community and it has born fruit. First we consolidated our Town Television facilities at the North Hampton School so as to avoid duplication of expense in acquiring the equipment needed to televise public meetings of Town Boards and Committees. In the near future, all public meetings will be held in and televised from the School. Similarly, working with the School Board, we changed the venue of the polling place from the old Town Hall to the School. The national election last November was an unqualified success and, while an all-time record number of voters came to the polls, the process went smoothly and without any delays or disruptions.

We add also that these changes were made just in time because the old Town Hall (where many meetings were held and which served as a polling place) was subsequently declared unsafe and not in compliance with ADA requirements. We thank the School Board for its cooperation in making its fine facility available for meetings and as a polling place.

We have also been proactive in recommending action that focuses on long range planning and maintenance of Town facilities. Our buildings are old and decaying and their neglect has resulted in the Old Town Hall being condemned. We recommend the establishment of a Town Building Maintenance Capital Reserve Fund to take care of the structural work necessary to render it safe and ADA compliant. This fund will also help us to be prepared for other major capital outlays for things like new roofs.

Additionally, in the spirit of long range planning, we also recommend that we obtain professional assistance to assess the structural soundness of all our buildings, identify space and maintenance needs, plan for future expansion and to ensure that facility maintenance is prioritized by need. These proposals are contained in Articles 8 and 9; and we urge your support for both.

TOWN EMPLOYEES

We would be remiss if we did not acknowledge the efforts of our dedicated Town employees. We have now had almost a year to get to know them and observe them at work serving our Citizens. We are proud of them all: Police Officers, Firefighters, Highway personnel and Administrative employees in the Town office, and in the Clerk's and Tax Collector's offices. Our thanks go out to all of them.

We also single out for special praise and thanks our Town Administrator Mike Pardue who has given us invaluable support throughout the year and whose back must have been near to breaking at times due to the many demands we placed on him. Nevertheless, he was always up to the task, produced what we asked, and more, and always did it with a smile. Many thanks, Mike!

THE FUTURE

North Hampton is fiscally sound and its future is bright. Our Town is a delightful place to live and we are all blessed because we can live here. Having said that, we recognize that the increasing property tax burden is painful for many of our fellow citizens and we are dedicated to efficient and cost conscious Town Government. We are guardedly optimistic that the next year will bring an end to the current inequitable statewide property tax system that has North Hampton and other so-called "Donor" towns sending our tax dollars to other municipalities. We are also optimistic that we will be able to stabilize the tax rate by proactive planning; and we are determined to monitor spending carefully and to husband precious tax dollars so that every cent is prudently spent.

Respectfully submitted,

Donald B. Gould, Chair
Emily Creighton
Jon R. Rineman

Report of the Town Administrator

As I begin this report, my gratitude goes out to the many town officials, employees and citizens alike who have worked tirelessly this past year for the betterment of North Hampton. Further, I extend a special note of appreciation to the Board of Selectmen and the Town personnel who have demonstrated an unparalleled desire and ability to work in concert with one another. This positive interaction served as the foundation needed to address many of the important issues faced by our Town this past year. North Hampton has benefited greatly due to this collective effort, a statement to the mutual respect our employees and elected and appointed officials have for one another. I am extremely proud of the *spirit of cooperation* demonstrated by all whom serve this wonderful community.

The role of the Town Administrator's Office is to provide leadership and support to Town activities and departments and to insure that the policies of the Board of Selectmen are carried out in a fair and equitable manner. Although the carrying out of these responsibilities is the duty of this office, it is accomplished through the collective efforts of our dedicated and talented Department Heads and Town employees. I greatly appreciate their tireless commitment to this office and to the people of North Hampton.

The mission of this office is to facilitate effective communication between Town government, citizens, community organizations and institutions and neighboring jurisdictions including the State and Federal government. This year, this effort was carried out in unequalled fashion. This office and the Selectmen worked diligently to effectively communicate with our citizens, using nearly every medium available. I am particularly appreciative of the efforts of the Board of Selectmen, who worked to bring the community together to address issues and solve problems. Further, their unyielding support has enabled the Town administration to accomplish many goals and objectives this past year.

The year 2004 was a very busy and successful year for the Town. Many challenges were met and much was accomplished. Staff worked throughout the year to carry out the will of the voters as directed by the March 2004 vote. In March 2004, the voters authorized the purchase of items that included, but were not limited to:

Major Purchases Authorized by March 2004 Vote

- Building and land located at 239 Atlantic Ave.
- Police cruiser with extended warranty package
- Municipal building repair and maintenance
- Heavy-duty tractor mower
- Heavy-duty tractor bucket loader
- Security monitoring system for town buildings
- Highway guardrails
- Improvements to police department computer system

- Digital radio equipment for highway department, allowing for communication interface with other emergency service departments
- Medical response / transport vehicle
- Funding of various Capital Reserve funds for future equipment needs

The funding of the aforementioned initiatives has positioned the Town staff to enhance service levels to the community and further creates the opportunity for officials to plan for the future of North Hampton.

As this report goes to press, voters will soon again be determining both short and long term initiatives for the Town. The action of our voters will weigh heavily in determining the “next steps” to be taken by the governing body and administration of the Town as we progress through the 2005 – 2006 fiscal year. Items soon to be considered by the voters include:

- **Bonding of a highway facility and salt & sand storage building**
- **Establishment of a Capital Reserve fund for the ongoing maintenance of municipal buildings**
- **Funding of professional architectural and engineering services for the design and space planning for the renovation of the municipal complex**
- **Appropriation of funds designated for the purchase of fire department self contained breathing apparatus**
- **Appropriation of funds for the purchase of Windows based municipal accounting software**
- **Appropriation of funds for the purchase of a dump truck with a nine foot plow**
- **Appropriation of funds to be added to the Fire Department equipment Capital Reserve fund**
- **Purchase of a new police vehicle and extended warranty package**
- **Demolition of the current highway department shed, contingent upon voter approval of the highway facility bond**
- **Appropriation of funds allowing for the construction of desks/workstations in the police department**
- **Appropriation of funds for the purchase of a Command Center with all necessary components – allowing for enhanced communication between departments and agencies in the event of an emergency**
- **Appropriation of funds for mosquito control as requested by a citizen’s petition**

The result of voter response to these and other matters will chart the course of the Town for years to come. The staff stands ready to respond to the decision of the voters.

Much of what makes North Hampton such a desirable place to live would not have happened without the strong commitment of those who serve the community and the generosity of our citizens who untiringly volunteer their time and talents. If you are one of the many people presently part of our local organizations, whether paid or unpaid, I want to express my appreciation for all your efforts. You have achieved much over the last year and should be very proud of your accomplishments.

If you are not presently involved in serving North Hampton, I encourage you to get involved soon. I can say with certainty that you will find serving your community to be enjoyable and you will make a difference.

Respectfully submitted,

Michael W. Pardue
Town Administrator

Report of the Welfare Director

The fiscal year 2003-2004 remained busy for the Town's Welfare Office with the Town serving over 12 North Hampton individuals and families. As your Town's Welfare Director, I am responsible for carrying out the duties of the General Assistance Program for the Town while carefully balancing the needs of residents. The decisions are subject to the overall fiscal responsibility vested in the North Hampton Board of Selectmen.

The Welfare Office continues to provide emergency assistance to North Hampton's most needy residents. This assistance is provided to prevent homelessness as a result of eviction, as well as for food, utility shut-off notices, and prescription expenses. The Welfare Office acts to facilitate services by directing those in need of assistance to relief agencies at the county, state and federal levels as well as non-profit organizations. Assistance is provided through vouchers or directly to vendors. We strive to promote self-reliance and independence to all we serve.

The increasing rental costs have been a burden on many residents and it continues to be important to assist people in maintaining their current housing. As the Town's Welfare Officer, I must prudently assess the needs of residents while adhering to the welfare guidelines in accordance with state laws while also recognizing that funding comes from North Hampton taxpayers.

The Town of North Hampton's Welfare Office is located on the second floor of the new town office building. Appointments may be made Monday through Friday from 8:00 a.m. to 4:00 p.m.

Respectfully submitted,

Janet L. Facella
Welfare Officer

Report of the Police Department

The year 2004 continues to force the Police Department to improvise continually to maintain priority services to the residents and the businesses of North Hampton. An additional challenge to the Department in 2004 was to keep up with the increasing calls caused by the increased number of people being drawn into North Hampton by a quickly growing base of large and small businesses. Throughout 2004 the seriousness of the crimes committed continued to escalate requiring more time for initial investigation and follow-up investigation by the officers involved. At the same time the Department continued to receive countless calls from residents pleading with us to give more patrol to their streets to curb the serious problem of speeding vehicles and reckless drivers. These types of demands from residents and businesses in town have in itself resulted in considerable increases in motor vehicle stops (+25%), arrests (+18%), incident reports that are criminal in nature (+10%), and even overall calls for service (+6%). These increases in many situations do not reflect the hundreds of hours that are spent by officers in follow-up and investigation time, in order to clear cases that are not discovered in progress.

The current number of law enforcement employees for the Police Department is at eleven (one civilian, ten officers). This staffing level was approved at Town Meeting in March of 1988 and the staff has remained at that level for nearly 17 years. Over that 17 years I have witnessed many factors place many more demands on the Police Department, demands that have now become nearly impossible to meet without increasing staffing. The population of North Hampton has been somewhat controlled over the last seven years, but the incredible influx of large and small retail business has quickly caused timely services to be taken away from the residents of town. As of December 2003, nearly 600,000 more vehicles travel Lafayette Road on a yearly basis than in 2001. With these types of numbers surfacing in 2003 traffic counts, there is not much question in my mind that 2004 figures will be even higher once they are known. Unlike some surrounding towns that have a minimal business base, many of the drivers of those half-million vehicles now stop in North Hampton and do business. Unfortunately many of these people now stop and also commit assaults, shoplift, commit identity theft, commit forgery, write bad checks, commit sexual assaults, commit burglaries, commit bank robbery, and of course steal cars and car parts from our dealerships. With new procedures, more serious crime, and of course a much higher number of crimes it has been nearly impossible to consistently respond in a timely manner to the demands of the businesses, the residents, and to continue the school programs that are so important to the children of North Hampton.

Under the old philosophy of Law Enforcement with this Department, Patrol Officers had two very specific responsibilities. The first was aggressive enforcement of Motor Vehicle Laws. The second was to do constant patrol in order to maintain a level of visibility that would prevent criminal activity. We now know from several studies (Kansas City, Chicago, Duluth, and others) that this approach does not prevent crimes from taking place. We also know from studies and experience that the way to prevent

further crime is to aggressively investigate, solve, and arrest the perpetrators who commit these crimes so they are not left on the street to commit further crimes. Until 1991, this Department worked under the old philosophy that generated very high statistics of motor vehicle warnings and citations. It also resulted in arrests being higher every year, mainly from motor vehicle arrests than from the investigation of crimes. It is obvious in looking at statistics prior to 1998 that this approach did not lower the rate of crime, but allowed it to soar higher. One example of this was the extensive number of residential and business burglaries, which were at an all time high of 42 in 1987 and 1988. Other examples were the crimes in the Public Peace category, where harassment, phone harassment, disorderly conduct, and criminal mischief were allowed to soar higher due to a lack of investigation by the Department. The increasing criminal activity in North Hampton during this period was caused by an "old school" mentality that taking a quick initial report and then returning to patrol to remain visible would prevent further crimes from being committed. In reality this prevented the initial responding officer from finding critical evidence at the crime scene that could have assisted in solving these crimes and arresting those responsible.

For these reasons and other reasons to follow within this town report, and as a professional who has served the town for over 21 years, I found it absolutely necessary to make a recommendation to the Board of Selectmen and the Budget Committee to add two additional police officers to a staff that has been constant since 1988. If these two police officers are approved it would increase the number of officers per 1000 in population from 2.3 officers to 2.8 officers. Even with the two additional officers, North Hampton would be well under the Northeast average for Law Enforcement Employees which is currently at 3.2 law enforcement employees per 1000 in population. It would also place us under the Seacoast New Hampshire average of officers per 1000 in population, which currently mirrors the 3.2 average for all of the agencies in the Northeast. This increased level of staffing would ease my mind as to our ability to respond to the residents' emergencies in a timely fashion, and it would also prevent the continuation of one police officer responding to very dangerous situations at certain times of the night without another officer to assist him.

The members of the agency and I all feel that it is extremely important that the committees and residents of North Hampton decide the police budget for fiscal year 2005-2006 based on their own understanding of the demands being placed on the Department. Of course it also needs to be based on their own expectations of services they require from the Police Department. With the information that has been presented to the selectmen, the budget committee, in public hearings, and in this town report, it is our hope that all of those involved will have enough information to make an informed decision at the polls about their desired levels of police protection.

Chief of Police
Brian P. Page

Report of the North Hampton Fire & Rescue

THANK YOU. The North Hampton Fire & Rescue thanks the people of North Hampton for their continued support. Your overwhelming vote at last year's Town Meeting funding the whole department, allows us to serve you with a more safe and efficient response for both townspeople and the responders.

By funding these four positions that were established at the 1986 Town Meeting we are able to respond to calls for assistance with the staffing sufficient to affect a more positive outcome. During an emergency the initial response is critical to the outcome. Having a staff of highly trained responders on the scene within minutes of the request for assistance is vital for this positive outcome.

A request for medical aid requires two people at a minimum. We are providing definitive pre-hospital care at an advance skill level. A definitive pre-hospital care response has proven to provide better care with a shorter hospital stay, with a more positive outcome and reduces the overall cost of healthcare. A third person is often needed for additional hands for supplies or lifting. Calls of a serious nature require more personnel; for example, a cardiac arrest could require six people to deliver the proper amount of attention necessary.

The current staffing allows us to respond to other emergencies with the three people immediately. A report of a motor vehicle accident is answered with an engine and an ambulance. This response allows us to care for victims and protect from hazards or provide extrication to remove entangled patients.

To meet national standards established by National Fire Protection Association and endorsed by the International Association of Fire Chiefs and the International Association of Firefighters, you need to have sixteen people on the scene of a structure fire. It would obviously be too expensive to staff at this level fulltime but we are able to meet this standard by on-duty and off-duty personnel with the support of the Callmen and mutual aid agreements with surrounding communities.

At no time is it recommended to enter a burning building alone, by having three people on duty we are able to enter in pairs with another firefighter available to provide support operating apparatus and monitoring building conditions for firefighters' safety.

The pay-per-call staff is essential to the organization. Not only do these dedicated part-time personnel assist at large emergencies, they also respond to calls of all types giving additional assistance at the scene and covering the station while the other units are working at the scene.

As the town continues to grow in residential population and commercial establishments there is more demand for services. In 2004 there were 1,118 calls for service. In addition to meeting calls for service, your Fire & Rescue was involved with a number of

community events. This year we provided CPR classes for the public, delivered fire safety and injury prevention to the school children, taught first aid to the recreation camp staff, held the Firefighters Fun Brigade at Old Home Day, had a toll booth for muscular dystrophy and participated in the Seacoast Toy Bank. We are also now certified to assist in the installation of Child Car Seats.

As you can see we are part of North Hampton and are involved in the community. If you would like more information on any of our programs or have ideas for additional programs, please stop in or give us a call.

Once again thank you for you continued support!

Respectfully,

Thomas S. Lambert, EFO
Chief of Department

Report of the Building Inspector

The Building Department currently has the building, electrical, plumbing, and septic applications online. The applications can be copied and then submitted to the building department. The Town's Zoning Ordinances are also online and can be found at <http://www.northhampton-nh.gov>. I hope this will assist the public by making this information more accessible.

The codes that are currently in effect for the Town of North Hampton are as follows:

International Building Code 2000 for commercial
CABO One and Two Family Dwelling Code 1995 Edition
National Electric Code 2002
International Plumbing Code 2000
International Mechanical Code 2000
International Energy Code 2000

There is a warrant article to update the One and Two Family Building Code to the 2003 International Residential Code (IRC).

The following is a list of the types of permits issued in 2004.

Building Permits Issued - 2004

<u>Type</u>	<u>Residential</u>	<u>Commercial</u>	<u>Total</u>
New	15	8	23
Remodel	72	12	84
Replace Mobile Home	3	0	3
Demolition	5	2	7
Sign	0	24	24
Electrical	67	28	95
Plumbing	33	16	45
Pool	4	0	4
Septic	28	0	28
Totals	227	90	317

Respectfully submitted,

Richard B. Mabey
Building Inspector/Code Enforcement Officer

Report of the Highway Department Brush – Compost and Recycling

During the year 2003 – 2004 there were 15 snowstorms with an approximate accumulation of 43.25 inches of snow. There were 32 rain and freezing rain storms with an approximate accumulation of 26.80 inches.

Summer maintenance consisted of patching of potholes, mowing commons and around Town buildings, building maintenance, repairing and replacing street signs, trimming and grooming of roadsides, picking up litter, painting stop bars and road markings, chipping brush, turning and mixing compost, crushing glass, keeping culverts cleaned from debris due to beavers. Eight tenths of a mile of Lovering Road, three tenths of a mile of Deer Run Road, short South Road and Cedar Road were overlayed under our paving program.

Time is spent at recycling sorting, baling and loading material for market. The Town now has curbside pickup. 123.76 tons of recycled material was shipped. In spite of the fluctuating prices we were able to receive some compensation for our efforts. Our income was \$8,434.43 the cost avoidance was \$7,160.75 for a total savings to the taxpayers of \$15,595.18. The budget appropriation was \$42,439.00. Showing a cost difference of \$26,843.82 for the year. The Brush – Compost area is open from the beginning of April to the end of November. Due to not being able to hire a person to monitor the brush dump it is no longer open on Wednesdays. It is now open all day Saturday from 8:00 a.m. to 12:00 noon and 12:30 p.m. to 4:30 p.m. Sticker prices have been lowered to \$1.00, and they are available at the Town Office. Residents can leave brush 5 inches and under, leaves and garden materials, and while you are there you may take home wood chips and ready to use compost. Due to state laws we cannot accept stumps, building materials or treated lumber.

The Board of Selectman along with me thank all the volunteers who took time out of their busy schedules to help out at the recycling center. Special thanks go to the North Hampton Elementary School's eighth grade class who spent numerous hours with their chaperones fulfilling their Community Service Commitment and the Community Diversion Program who has supplied help from time to time on Saturdays. Anyone who wishes to help at the recycling center or has any suggestions please contact the Highway Department at 964-6442 or a committee member. Their telephone numbers are listed in the front of the Town Report.

We have had a bad year with vandals taking street signs. If you see anyone tampering with them please call the Police Department (603) 964-8621.

Respectfully,

Robert Strout
Road Agent

Report of the Library Director

In this year the Library continued to grow in several ways: 224 new users registered for library cards, for a total of 2947 borrowers currently on file. We also added over 2700 titles to our collection. To make room for the new library materials we withdrew over 1700 older items from our shelves. Discarded items were given a chance to find new homes at our annual August book sale.

In addition to new materials in our physical collection, we also added to our online services with an online book club, linked from our website. Busy readers can now join one or more of the eleven clubs offered there, and receive daily short selections on their own home computers.

The Library was busy year-round with over 200 programs and events. More than 1700 children and adults attended the Story Times and other special programs offered this year, while our meeting room was also used for 166 non-library functions.

We would like to thank the Friends of the Library for providing museum memberships, the purchase of Discovery kits and CDs for our Children's collection, and an area rug for the pre-school area. Their Wine Dinner and Auction in March was a great success, with proceeds going to a wireless connection for the library and the purchase of a laptop for public use.

We also wish to recognize the "Neighbors of the Library" for all their work in putting together baskets of goodies for us to raffle off. We sincerely thank them for their generosity.

Memorial books were given to the Library this year in memory of Alison Burritt, Dorothy Keyser, Minnie Drysdale, Doris O'Connor, Carrie Logan Marsh, Marjorie Valentine, Charles Marston, Eleanor Baker, John Erwin, Mabel Tillinghast, Anita Sullivan, and Margaret Mellon Hitchcock. We thank those who so generously donated to the Library in this way.

Finally, we thank the Tillinghast family and the Fuller Foundation for their ongoing support. The Mabel Healy Tillinghast Fund provides special programming and our summer internship, this year filled by Anneleise Ruggles. A generous donation from the Fuller Foundation was used to purchase a computer.

Respectfully submitted,
Pamela Schwotzer, *Director*

Report of the Recreation Department

North Hampton Recreation Department's Mission statement: The North Hampton Recreation Department strives to enhance the quality of life for all citizens, regardless of age, in our community by creating strong partnerships and providing a variety of recreational activities, special events, and services that encourage life-long learning, fitness and fun. The North Hampton Parks and Recreation Commission is a citizen group responsible for recommending policy regarding the development and operation of a well-balanced system of parks, programs, and events. The Commission is advisory and submits recommendations through the Parks and Recreation Department and meets monthly. Commission members are Seth Hickey, Sarah O'Brien, Guil Spencer, Brenda Worrell and a special welcome to newest member, Susan Beattie. A standing ovation to Mrs. Jill Brandt for 21 years of volunteer service to the town of North Hampton. Jill's leadership and wisdom played an instrumental role. She will be surely missed. Our hats are off to her.

The North Hampton Youth Association consists of North Hampton citizens who volunteer their time and offer organized sports to children grades kindergarten- eighth. Sports offered throughout the year include baseball, softball, lacrosse, basketball and soccer. The board meets monthly the first Tuesday every month. The NHYA President is Moe Vincent. Keith Colarusso is the Vice-President. The Commissioners are Guil Spencer (Lacrosse), Ken Worrell (Baseball), Sandy Dewing (Softball), Keith Colarusso (Basketball), Doug Moore (Sting Soccer) and Gene Johnson (Rec Soccer).

The North Hampton Recreation Department offers a wide variety of camps, programs, services, and activities including Warriors Hoop, Sagamore Golf's First Tee Program, KL Tennis for adults and children, Coed Softball League, Men's Summer Basketball League, Minihawks by Skyhawks & Music Together.

The Annual Special Events for the youth include the April Egg Scramble, which was in partnership with the North Hampton Police Department and held for the first time at the Rye Airfield. Over 200 children were in attendance. A very special thanks to Janet Facella for volunteering to play this year's Easter Bunny. In October, the Recreation and Fire Departments hosted a Trick or Treat event at the Fire station that included goodie bags, hot chocolate and apple cider. It was such a treat to be able to admire the children in all of their costumes! In December, Santa made an appearance at the Old Town Hall. In collaboration with the Police Department, free Polaroid pictures, goodie bags and gingerbread men cookies were given to the children who attended. A very special thanks to the families who brought unused, toys/gifts to donate to the Seacoast Firefighters Toy Bank. It is people such as you, who help in creating such a family-oriented environment that North Hampton is so well-known for! It does take a village.

Our Summer "Rec" program was a huge success this year with over 200 children registered and over 100 children attending daily! The program runs for six-weeks, Monday-Friday from 9:00-12:00 pm. Field trips were offered every Tuesday and

Thursday. This year we included camp on-site on Tuesday's and Thursday's as well. Parents were very appreciative of this and it worked well for all. Thank you for your continued support of the summer "rec" program.

A VERY special thank you to the local businesses and citizens who generously donated to the scholarship fund. Without this fund there would be children who would not be able to attend the already low cost program as well as field trips. The smiles on the children's faces and memories that you helped provide is priceless.

Thank you to:

North Hampton Acura, Patrick and Karen Walsh (GOLD SPONSORSHIP), Bentley By The Seas Realty, Dunkin Donuts-North Hampton, Lamprey Brothers, The Maids, NHAAGS, North Hampton drywall, North Hampton Firefighters Association, Paul McInnis -Auctioneer, Route 1 Self-Storage (SILVER SPONSORSHIP), & Hiltunen & Nash (BRONZE SPONSORSHIP).

In closing, we would like to thank all of the town departments including; Highway, Fire, Police, Library, Administration, Planning/Zoning & Building. What a team! The Recreation Department could not have run as smoothly without all of your every day assistance. We would especially like to recognize the North Hampton School Board and staff for assisting with promoting partnerships with the community for the usage of the school in which many of our quality programs are housed. This important partnership assists the Recreation Department to improve the quality of life for all North Hampton citizens regardless of age.

Please feel free to drop in or call or you can visit us on the town's website at www.northhampton-nh.gov. Information on programs can also be found through the community newsletter, The Atlantic News, The Hampton Union and Community online at <http://groups.yahoo.com/group/NHCO/>.

Respectfully yours,

Diana G. Wheeler
Interim Recreation Director

Report of the Bandstand Operating Committee

The Bandstand Operating Committee met throughout the year to discuss maintenance of the bandstand and plan summer programs.

A final addition was made on the brick platform in front of the bandstand with 146 bricks being purchased and installed. The committee wishes to thank all of those who purchased bricks, as this has been a good fundraiser and helped to fund some of the many concerts.

The 2004 season began with a concert on Old Home Day, June 19th. Concerts are held each Wednesday throughout the summer. The children's programs were held on Thursday mornings at 10:30 a.m. Debbie Sillay and Tamera Saal schedule the children's programs so if you know of a group that you would like to see perform for the children, you should contact Deb or Tamera.

The Tree Lighting and Christmas Caroling was held Saturday, December 4th the same day as the Hampton Christmas Parade. We had a crowd of around 100 people who enjoyed the singing and warm refreshments served at Centennial Hall by the Friends of Centennial Hall.

This was perhaps our most beautiful tree in the nine years we have had the bandstand and as always was donated by North Hill Nursery. Our continued thanks and appreciation go to Mitch and Patti who donate the tree, bows and all the beautiful flowers for summer.

After many years on the bandstand committee, Rick Ryerse resigned as he and Pam moved to Iowa. They are both missed but we certainly wish them well. Steve Bua was appointed by the selectmen to fill out the remaining term and we look forward to working with him as well.

We would like to take this opportunity to thank the residents of North Hampton for their attendance at the concerts. Seeing the children play and enjoy the summer evenings with their parents and all the friends and neighbors getting together make it all worthwhile.

Respectfully submitted,

Delores Chase, Chairman
Kendall Chevalier, Ed Hobby, Tamera Saal, Deb Sillay,
Nell Ann Hiatt, Steve Bua and Honorary Members,
Byron and Anita Kirby

Report of the North Hampton Heritage Commission

Your Heritage Commission has had a busy year working steadily on various projects promoting the appreciation of local history by making information more readily available to the public.

The Farm Project, spear-headed by Jane Palmer (former co-chair), made its debut at the Old Home Day exhibits. A map of North Hampton, out-lining the boundaries of farms as of 1940, was prepared with photos and information dating back to the 1800s. This was a companion project with The North Hampton Historical Society's barn documentation, exhibition and tour. (The Historical Society, a separate entity from the Commission, continues to provide a wonderful service to the community by preserving documents and artifacts, and hosting free historical lectures 6 evenings a year.)

The Commission's on-going projects are:

- 1) listing, photographing, and documenting the homes and structures over 100 years old;
- 2) working with the Long Range Planning Committee on Master Plan updates;
- 3) photographing and documenting historical landmarks (as the bridge plaques honoring fallen soldiers of WWII);
- 4) publishing booklets of special interest (as the Walking Tour Brochure),
- 5) collecting informational guides (as the New Hampshire Preservation Alliance's Barn Resource Directory); and
- 6) digitizing historical information for the Town's web site - Heritage Commission web page.

We would like to thank Bob Southworth for his many years of dedication, time, creativity and energy which he has given to the town as a commissioner. He has written reports, as "A Spell of Knowin'", "Still Standing – Landmarks of North Hampton" and more. His wonderful photographs and first-hand knowledge of the town's history is irreplaceable.

Respectfully submitted,

Jenifer Landman, Chair
North Hampton Heritage Commission

Report of the North Hampton Conservation Commission

Several significant accomplishments were completed in 2004 by the Conservation Commission, as highlighted below.

Conservation Lands Inventory

The Commission continued its inventory of protected land within the Town. Our project, initiated in 2003, involved a review of tax cards and deed recordings, as well as surveys and other documents, for 57 privately-owned parcels in the Town aggregating approximately 338 acres. In addition, some 20 parcels of Town-owned conservation lands totaling over 400 acres were documented. In total, over 730 acres are protected in North Hampton by conservation easements or restrictions.

North Hampton Forever

The Commission continued to support the efforts of its "North Hampton Forever" sub-committee to acquire title to or, through conservation easements, development rights, on currently unprotected land. These efforts resulted in the Town's acquisition, in February, 2004, of title to a 103-acre parcel on Walnut Ave., which was part of the historic Leavitt Farm. North Hampton Forever has also been exploring the use of the Marston Farm parcel acquired in 2003, across Exeter Road from Dearborn Park, for a community garden.

NH Audubon

As recommended by the Conservation Commission and approved by the voters at Town Meeting 2004, the 55 acres of town-owned land in the Little River Salt Marsh was conveyed to the Audubon Society of New Hampshire. NH Audubon has assumed responsibility for monitoring and management of this vital and environmentally-sensitive natural resource.

Little River Salt Marsh Restoration Project

Improvements were made to the wing walls and inner linings of the culvert system under Route 1A using Federal grant funds.

Easement Monitoring Program

The Commission continued development of baseline documentation and monitoring plans to comply with the Commission's conservation lands stewardship responsibilities. It routinely uses the digital aerial photography software, purchased in 2003, as a planning tool for easement baseline documentation, wetlands reviews, aquifer and drainage planning and similar monitoring applications for Conservation parcels.

In conjunction with monitoring activities, the Commission sponsored an Eagle Scout project by one of our resident Boy Scouts. This precedent-setting project resulted in updating monitoring records for several Conservation parcels and culvert repair and brush clearing at the Fogg Conservation easement site on Mill Road.

Other Activities

In 2004, the Commission reviewed the environmental impact of over a dozen Planning and Zoning Board applications. Included among these was a major project on Route 1

that will include some 67 elderly housing units in a parcel containing wetlands and bordering on environmentally sensitive wetlands.

Appreciation to Former Commission Members

The Commission wishes to acknowledge the efforts of two former members, Christine Butcher and Greg DeVolder and thank them for the dedicated hard work on key Conservation efforts in 2004.

Respectfully Submitted by the North Hampton Conservation Commission:

Chris Ganotis, Co-Chair

Charles Gordon, Co-Chair

Patty O'Connor

Report of the North Hampton *Forever* Subcommittee

The North Hampton *Forever* Subcommittee of the Conservation Commission continues to work on permanently protecting undeveloped land to preserve the rural New England seacoast character and heritage of North Hampton. Since the program began, about 200 acres of land have been permanently protected.

Much of the land that has been protected comes from historic farmland – the Garland Farm, the Marston Farm, the Leavitt Farm, the Palmer Farm, the Lamprey Homestead. In protecting historic farmlands, the Town protects natural resources, gains agricultural benefits, and preserves its heritage. Furthermore, protecting these parcels from development helps manage our rising taxes.

As residents face steep tax increases from the rising costs of municipal services, the mission of North Hampton *Forever* grows ever more important.

Protecting open space from development helps control increasing demands for municipal services, including administrative services, fire and police protection, road maintenance, and education. Protecting open space also protects our natural resources, water resources, habitat for wildlife, and the rural character of our Town.

Development – residential and commercial – increases demands for municipal services. It is a myth that towns can develop themselves out of tax crises. In general, the more a town is developed, the higher the tax rate rises.

Current use provisions and conservation easements are important tools to protect land from development and thus to control escalating tax rates. They allow owners of undeveloped land to preserve their land in its natural state without having to bear the burden of high taxes. When high taxes force them to sell land for development, the cost of increased demand for municipal services likely exceeds any increased revenue resulting from that development.

The North Hampton *Forever* Subcommittee continues to try to identify and to work with property owners in Town who are interested in exploring ways that they can continue to enjoy their property and preserve it in an undeveloped state.

Members are: Robert Field, Chris Ganotis (Treasurer), Shep Kroner (Secretary), Chuck Gordon (Ex officio, Co-chair of the Conservation Commission), Henry Mixter (Emeritus), Alison Robie, Dick Wollmar, Tim Harned (Co-Chair), and Phil Wilson (Co-Chair).

Submitted by Phil Wilson, Co-Chair

Report of the Planning Board

The 2004-2005 planning year has been a busy and productive year. As the New Hampshire seacoast becomes ever more attractive as a region where retail businesses wish to locate and developers want to build high-density housing, it also becomes increasingly challenging to plan for future growth and at the same time to protect the Town's natural resources and preserve its rural seacoast character.

The North Hampton Planning Board reviewed approximately 35 applications during calendar year 2004. Applications included site plans for retail and other commercial development, residential development and applications for subdivisions. The Board is grateful for Ron Todd's work on streamlining the site plan review process to increase the Board's efficiency and for the preliminary reviews of the Application Review Committee that Ron chairs.

Among the most significant applications the Board received during 2004 was the proposal to create a 68-site, age-restricted manufactured home community at the north end of Lafayette Road. A unique feature of the community includes individual state-of-the-art septic systems for each of the home sites. The development offers opportunities for elderly housing in North Hampton, complies with the Town's newly adopted landscaping and architectural standards proposed by the Planning Board in 2004, and cleans up a parcel that had deteriorated over the years since it had been excavated for gravel.

Long-term planning remains one of the primary goals of the Planning Board. During 2004 the Board sponsored a study of sustainable development for North Hampton conducted by Dr. Jill Robinson, North Hampton's Circuit Rider from the Rockingham County Planning Commission. The study of the Town's Zoning Ordinance and land-use regulations offered recommendations about steps the Town can take to protect our natural resources and environment as development occurs.

Dr. Robinson also provides technical assistance to coastal communities about ways better site design and planning can be used to limit impervious surface cover and thus better protect water resources. North Hampton participated in a study conducted by Dr. Robinson that produced a report on specific ways that the Town can limit impervious surface and protect our own water resources.

The Planning Board has proposed four amendments to the Zoning Ordinance for the 2005 Town Warrant. Following up on a citizens' petition offered last year, the Board has proposed an amendment to Section 507 Home Occupation. The amendment's most important purpose is to add conditions ensuring that a home occupation does not create a traffic hazard, change the essential characteristics of a neighborhood, or negatively affect property values. The other three amendments – changes to wetlands definitions and provisions, flood plain provisions, and building code provisions – are intended to bring the Town's Zoning Ordinance into compliance with state and federal regulations and standards.

The Municipal Facilities Advisory Committee (MFAC), a subcommittee of the Long-Range Planning Committee, chaired by Judy Day, studied the needs of the Town for new, renovated, and expanded municipal facilities. Late in 2004 the subcommittee produced a preliminary report that will provide the basis for revisions to relevant sections of the Master Plan and Capital Improvements Program. In considering the findings of the MFAC, the Board expressed concern about the Town's escalating tax rate, as residential and business development requires more and more municipal services.

The Board thanks the Board of Selectmen, the Budget Committee, the Library Trustees, department heads, and members of the community for their work on and with the MFAC committee.

As Chair of the Planning Board, I would also like to thank members of the Board for the hours of work they voluntarily put in preparing for meetings, participating in meetings, and contributing to subcommittee work during 2004.

Members of the Planning Board are: Joe Arena, Judy Day, Shep Kroner (Vice Chair), Jon Rineman (Selectman), Craig Salomon, Ron Todd and Phil Wilson (Chair). Alternate Members are Beth Church and Laurel Pohl.

Submitted by Phil Wilson, Chair

Report of the Zoning Board of Adjustment

The Zoning Board of Adjustment meets on the third Wednesday of the month. Our new regular meeting location is the conference room at Town Offices (located on the second floor above the Police Station).

Members include:

John Anthony Simmons, Chairman

Michele Peckham, Vice-Chair

Ted Turchan

Richard Luff

Susan Smith

John Woodworth, Alternate

Jennifer Lerner, Alternate

Ken Worrell, Alternate

Sam Checovich, Alternate

The most common relief sought from the Zoning Board of Adjustment is the granting of a Variance. After many years of case law under an older standard, the Supreme Court changed the standard for finding unnecessary hardship, one of five criteria that must be present for the granting of a Variance, in Simplex Technologies v. Town of Newington, 145 NH 727, (2001).

A new case, Michael Boccia v. City of Portsmouth (Opinion Issued May 25, 2004) has changed the law on unnecessary hardship yet again. All requests for Variances are now distinguished between Use Variances and Area Variances.

The most common example of a Use Variance would be constructing a business in a residential zone where businesses are not allowed. Use Variance requests will be reviewed by the Zoning Board using the Simplex standard for unnecessary hardship.

The most common examples of an Area Variance are frontage requirements and property setback requirements. Area Variance requests will be heard using the new Boccia standard for unnecessary hardship, which may be found at:

<http://www.courts.state.nh.us/supreme/opinions/bocci072.htm>

For helpful information about the Zoning Board of Adjustment, please visit the Town's website at: www.northhampton-nh.gov

Our Coordinator is Krystina Deren Arrain. She may be reached at 964-8650 for any questions you may have about the application process or Zoning Board of Adjustment procedures.

Sincerely,

John Anthony Simmons

Chairman

Delores J. Chase, Town Clerk

Report of the Deliberative Session
of February 7, 2004
and the Results of the Second Session (Balloting)
March 9, 2004
Town of North Hampton, New Hampshire

The first session (deliberative) of the annual town meeting was held in the Town of North Hampton in the County of Rockingham, in said State, on the 7th day of February, 2004. Moderator William Boesch called the meeting to order at 8:06 a.m. He welcomed those in attendance, reviewed the rules for the session, and introduced Town Clerk Delores Chase, Selectmen Lloyd Sullivan, Jenifer Landman and Paul Cuetara and Town Administrator Michael Pardue. Budget committee chairman Richard Robinson introduced committee members Homer Johnson, Larry Miller, Cynthia Swank, and Paul Fitzgibbons. Absent were Peter Simmons and Susan Smith. Mary Coppinger arrived later.

The Moderator continued with outlining a few rules of the meeting. You do not speak unless the Moderator recognizes you and the Moderator will get an answer to your questions. Each article will be moved and seconded so we may have discussion. All articles will be on the ballot as written or amended. Once they are discussed no additional action is necessary. They are automatically on the ballot.

He continued with the reading of the warrant and read the names of those whose names will be on the official ballot.

On March 9, 2004 Moderator Boesch declared the polls open at 8:00 a.m. to close at 7:00 p.m. The number of voters at polls was 1382. Absentee ballots cast 150. Total number of votes cast 1532.

Article I.

To choose one Selectmen for a term of three years, one Selectmen for a term of one year, one Town Treasurer for a term of one year, one Town Clerk for a term of three years, one Tax Collector for a term of three years, and all necessary Town Officers for the ensuing year.

Moved by Lloyd Sullivan, seconded by Paul Cuetara. No discussion.

Town Moderator, Two Year Term

No 121

Article IV.

Shall the Town vote to authorize the Selectmen to issue tax lien redemption notes in accordance with RSA 33:7-d?

Moved by Lloyd Sullivan, seconded by Jenifer Landman. No discussion. Article IV will go on the ballot as printed.

Results of balloting on March 9, 2004

Yes 1027

No 244

Article V.

(Recommended by the Planning Board 6-0)

Section 405 Permitted Uses, Special Exceptions, and Prohibited Uses for All Districts

Pursuant to RSA 674:21 the Town of North Hampton Planning Board is hereby authorized and empowered to administer the permitted uses and uses granted by special exception under the following standards.

405.1 Permitted Uses – Industrial-Business/Residential (“I-B/R”) District

North Hampton encourages business development and growth in the I-B/R District because businesses provide jobs, make a significant contribution to the tax base and serve the needs and conveniences of our citizens. Businesses in North Hampton must, however, be compatible with the Town’s environment (particularly given the fact that a number of important aquifers underlie the I-B/R District) as well as with the significant number of residences in and adjacent to the I-B/R District, the safety, health, and quiet enjoyment of which must be protected and maintained.

- 405.1.1 Each such proposed permitted use shall be submitted to the Planning Board for review under the Planning Board's Site Plan Review Regulations and, in addition, shall be reviewed under the standards of 405.1.2 and 405.1.3.
- 405.1.2 The Planning Board shall determine whether any such proposed permitted use shall have or cause any unreasonably adverse effect on abutting or neighborhood residential or other uses, with respect to pollution, discharge of harmful or noxious substances, noise, dust, vibration, smoke, odors, light spillage, or other unpleasant, unhealthy or hazardous byproducts of the proposed use.
- 405.1.3 The Planning Board shall determine whether any such proposed permitted use shall have any unreasonably adverse effect upon any water resource, the environment, the health or welfare of any residents, or the quality of life in or adjacent to the I-B/R District.
- 405.2 Special Exceptions – Standards for the Zoning Board of Adjustment (ZBA) to Apply in Considering Applications for Special Exceptions
 - 405.2.1 In instances where standards for a listed Special Exception are defined in the Zoning Ordinance, the ZBA shall apply those standards.
 - 405.2.2 In instances where specific standards are not defined for a listed Special Exception, the ZBA shall apply the following standards:
 - 405.2.2.1 The Special Exception, if approved, shall not diminish the value of surrounding properties.
 - 405.2.2.2 The Special Exception, if approved, shall not unreasonably adversely affect the public interest, safety, health, or welfare. The ZBA shall consider whether the proposed Special Exception may cause abutting or neighboring lots, or the I-B/R District generally, to be subjected to any form of pollution or discharge of harmful or noxious substances, noise, dust, vibration, smoke, odors, light spillage, or other unpleasant, unhealthy or hazardous byproducts of the proposed business which threatens to adversely and unreasonably affect the environment, welfare of residents, or quality of life in and adjacent to the I-B/R District.
 - 405.2.3 Notwithstanding approval by the ZBA of an application for a Special Exception, in cases where a site plan is normally required, the Planning Board shall independently review a Site Plan for the proposed use.

405.3 Prohibited Uses for All Districts

The types of uses designated as "Permitted Uses" and "Special Exceptions" in the following tables are necessarily broad and general in many cases. The Planning Board will consider specific applications for Site Plan Reviews or Changes of Use as described in 405.1 and 405.2.

Notwithstanding that each of the following uses might be deemed a specific instance of one or more Permitted Use or Special Exception listed in the tables, they are considered inconsistent with goals for development of North Hampton as expressed in the Master Plan, beyond the capacity of the Town's infrastructure, and incompatible with criteria noted in 405.1 and 405.2. They are, therefore, prohibited in all districts in North Hampton.

Prohibited Uses

Commercial animal husbandry facilities, including but not limited to feed lots, slaughterhouses, breeding facilities, egg farms, and hog, chicken, turkey and other domestic fowl production facilities.

North Hampton Minutes, Page Four

“Commercial animal husbandry facilities” does not include the following: veterinary clinics, kennels and other facilities for boarding domesticated animals, equestrian stables for recreational riding, or horse-breeding stables that stable 20 or fewer animals.

Large scale distribution and logistics facilities, including but not limited to facilities like those operated by trucking firms, by package and mail carriers such as FedEx and United Parcel Service, by major retail chains such as Wal-Mart, K Mart, and Sears, and by automobile manufacturers for parts distribution.

Storage of raw materials for processing and the processing of raw materials for distribution or retail sale, including but not limited to stockpiling or storage of dirt and debris for sifting and screening in the production of loam, storage or processing of manure or other materials for production of fertilizer, stockpiling and processing materials for concrete or asphalt production.

R-1 HIGH DENSITY DISTRICT

R-2 MEDIUM DENSITY DISTRICT

R-3 LOW DENSITY DISTRICT

INDUSTRIAL-BUSINESS / RESIDENTIAL DISTRICT (“I-B/R”)

Moved by Phil Wilson, seconded by Paul Cuetara. Planning Board Chairman Phil Wilson said the revisions had been suggested by the town’s circuit rider to clarify the meaning of “permitted uses”, and to protect the environment and the interests of residents in the IBR. Article V will go on the ballot as printed.

No 327

Article VI.

(Recommended by the Planning Board 7-0)

Section 512 Motor Vehicle Refueling Facilities Section is intended to protect, preserve and promote public health, safety and welfare and to reduce environmental hazards to health, safety and welfare (including but not limited to traffic congestion and blight), insofar as they are affected by structures, equipment and premises used by and for retail outlets for refueling motorized vehicles. Pursuant to RSA 674:33.IV, this Section is further intended to define specific rules to govern decisions about granting permits for the establishment of such facilities as a Special Exception for land use in the Industrial-Business/Residential District. To achieve the above aims, this Section provides for control of the number and capacity of such facilities throughout the town.

- 512.1 Upon adoption of this ordinance any facility that offers on-highway motor vehicle fuel of any kind for sale to the public shall be permitted in the Town of North Hampton only as a Special Exception and only in the Industrial-Business/Residential District.
- 512.2 Definitions.
- 512.2.1 "Motor vehicle" includes but is not limited to cars, trucks, buses, motorcycles, motor scooters, recreational vehicles, and motor homes. It does not include aircraft, farm tractors, or construction equipment that is not licensed for travel on public roads.
- 512.2.2 "Fuel" includes, but is not limited to gasoline of all grades, diesel, ethanol, methanol, liquid propane gas, hydrogen, or any substance dispensed for use in a motor vehicle as a source of energy for such a vehicle.
- 512.3 The total refueling capacity of all such facilities in the Town of North Hampton, as measured by the total number of vehicles that may receive fuel simultaneously at all these facilities combined, shall be limited to the number at the time of the adoption of this ordinance -- that is, 36 vehicles.
- 512.4 The total number of tanks, underground or aboveground, that are installed for active use at all such facilities combined in the Town of North Hampton and their total capacity shall be limited to the total number and capacity, as recorded in the facility information records of the New Hampshire Department of Environmental Services, at the time of the adoption of this Section of the Zoning Ordinance -- that is, 8 tanks in total with 93,000 gallons of combined total capacity.
- 512.5 If the total refueling capacity of all such facilities falls below 36 vehicles, a person may apply to the Zoning Board of Adjustment for a permit to install additional refueling capacity at a facility located in the Industrial-Business/Residential Zone only provided that the total refueling capacity shall not exceed 36 vehicles as a result of approval of the application.
- 512.6 If the total number of installed, active tanks for such facilities falls below 8 or their total combined capacity falls below 93,000 gallons, a person may apply to the Zoning Board of Adjustment for a permit to install a tank or tanks to replace a tank or tanks that have been permanently closed, as determined by the facilities information records of the New Hampshire Department of Environmental Services, only in the Industrial-Business/Residential Zone and provided that the total number and combined capacity of all tanks installed for active use in the Town shall not exceed limits stated in Section 512.4 above as a result of approval of the application.
- 512.7 Applications for permits under this Section 512 shall be granted only for sites with conforming frontage on Lafayette Road and at least one other town road and approved driveway permits on both Lafayette Road and at least one other town road.
- 512.8 No more than two (2) such facilities shall be permitted at any one intersection, and no additional refueling facilities shall be permitted within 1,000 feet of any intersection site at which two (2) such facilities are in existence or operating.
- 512.9 Installation of any new refueling system or any component of such a system, as provided in section 512.5-6 above, shall use the best available technology, equipment, and methods to protect the environment. This section is intended to cover all elements of the refueling system, aboveground and underground, from orifices used for filling storage tanks to nozzles for dispensing fuel into vehicles, and it includes but is not limited to alarms and devices for detecting leakage, recovering spilled fuel, and extinguishing fires.

- 512.10 Any facility that has the capability to dispense fuel to motor vehicles, but that does not have an approved site plan for that use at the time of the adoption of this ordinance – e.g. an airport, school bus terminal, truck dispatching facility, heating oil distribution business, or construction firm – shall not sell motor-vehicle fuel to the public, unless the Zoning Board of Adjustment approves a permit for that use and the Planning Board approves a site plan for that use.

Moved by Phil Wilson, seconded by Paul Cuetara. Phil Wilson cited the nature of changing threats to the environment, especially the town's water resources. 20-25% of North Hampton's land area, and much of Route 1, lies on top of stratified drift aquifers. The Planning Board seeks to reduce the risk of contamination by limiting the number of gas stations, pumps and underground tanks permitted.

Article VI will go on the ballot as printed.

Results of balloting on March 9, 2004

Yes 1078

No 258

Article VII. (Recommended by the Selectmen 3-0)
(Recommended by the Planning Board 7-0)

Shall the Town adopt the New Hampshire State RSA 674:44-d authorizing the North Hampton Heritage Commission to accumulate appropriations and gifts? Gifts of money received pursuant to RSA 674:44-b shall be placed in a heritage fund and allowed to accumulate from year to year. Money may be expended from such fund by the heritage commission for its purposes without further approval of the local legislative body.

Moved by Jenifer Landman, seconded by Paul Cuetara. Jenifer Landman explained that gift money to the Heritage Commission currently reverts to the town's undesignated fund balance where the commission cannot access it except through town vote. Hand Vote. Article VII will go on the ballot as printed.

No 196

Article VIII.

Shall the Town of North Hampton transfer to the Audubon Society of New Hampshire the 14 contiguous parcels comprising approximately 54.15 acres of land in the Little River Salt Marsh previously owned by the Wildlife Preserves, Inc. as recommended by the North Hampton Conservation Commission?

Moved by Chris Ganotis, Chairman of the Conservation Commission, seconded by Phil Wilson.

Hand Vote. Article VIII will go on the ballot as printed.

Results of balloting on March 9, 2004

Yes 1098

No 161

Article IX. (Not recommended by the Planning Board 7-0)

On petition of Marjorie Iafolla and at least 25 registered voters of the Town of North Hampton, shall the Town amend Section 507 of the North Hampton Zoning Ordinance entitled "Home Occupation" by adding thereto the following subsections?

507.6 The Home Occupation shall not occupy more than 300 square feet in a dwelling or accessory building

507.7 The Home Occupation shall result in no detriment to property values in the vicinity or result in a change in the essential characteristics of any area including residential neighborhoods or business and industrial districts on account of the location or scale of buildings and other structures, parking areas, access ways, or the storage of vehicles.

507.8 The Home Occupation shall not create a traffic safety hazard or result in a substantial increase in the level of traffic congestion in the vicinity.

Moved by Phil Wilson, seconded by Homer Johnson. Phil Wilson said that, after discussion with the Planning Board, the petitioners agreed that this zoning amendment would not accomplish what they were seeking. The Planning Board promised to review the Home Occupation ordinance this year, which regulates home businesses. Article IX will go on the ballot as printed.

Results of Balloting on March 9, 2004

Yes 407

No 874

Article X. (Not recommended by the Planning Board 7-0)

On petition of Laura Simmons and at least 25 registered voters of the Town of North Hampton, shall the Town amend Section 405 of the Town of North Hampton Zoning Ordinance entitled "Permitted Uses" by deleting as a use permitted by Special Exception, from the R2 Medium Density District and the R3 Low Density District, "Home Occupations" as permitted by Special Exception in the R2 Medium Density District and R3 Low Density District.

Moved by Phil Wilson, seconded by Homer Johnson. Phil Wilson said this zoning amendment would prevent home businesses in 2 but not all districts. The Planning Board would like the wording to read "may be" rather than "shall be". Article X will go on the ballot as printed.

Results of balloting on March 9, 2004

Yes 209

No 1041

Article XI. (Recommended by the Selectmen 3-0)

(Recommended by the Budget Committee 8-0)

Shall the Town vote to raise and appropriate twenty thousand dollars (\$20,000.00) to be added to the Capital Reserve Dearborn Park fund and to be funded from fund balance as of June 30, 2004? The current balance in the fund is \$20,000.00.

Article XII. (Recommended by the Selectmen 3-0)

(Recommended by the Budget Committee 8-0)

Shall the Town vote to approve the cost item in the collective bargaining agreement reached between the Town of North Hampton and the Teamsters Union Local #633? This local union consists of Police Sergeants, Police Officers, the Police Administrative Secretary and drivers and laborers employed by the North Hampton Highway Department. The estimated costs of this agreement for salaries and benefits for the years 2004-2005, 2005-2006, 2006-2007, 2007-2008, and 2008-2009 are as follows:

Year	Estimated Increase
2004-2005	\$41,415.00
2005-2006	\$35,146.00
2005-2007	\$35,667.00
2005-2008	\$35,922.00
	\$36,100.00 and to raise and

And appropriate forty one thousand four hundred fifteen dollars (41,415.00) to cover the first year cost of the agreement.

Moved by Lloyd Sullivan, seconded by Jenifer Landman. Lloyd Sullivan said this contract would make police compensation competitive with surrounding communities, beginning July 1, 2004. Hand Vote. Article XII will go on the ballot as printed.

No 143

Article XX.

On petition of Pat Moreinis Dodge and at least 25 other registered voters of the Town of North Hampton to see if the Town will vote to establish a Mosquito Control Committee as defined by the State of New Hampshire RSA 430, Title XL, Chapter 430, Sections 1,9,10,12,13,14,16,19,20 and 50?

Moved by Jenifer Landman, seconded by Lloyd Sullivan. Jenifer Landman said the town used to have a mosquito committee. With the rise of West Nile virus and equine encephalitis, selectmen thought it was a good idea to reestablish one to research, answer questions to the public and communicate with other towns' committees. In response to a question from Don Gould, Jenifer Landman said the committee would be advisory and appointed by selectmen. In response to Cynthia Swank's question, Jenifer Landman said selectmen supported the article 3-0 but that could not appear on a citizen's petitioned article. Article XX will go on the ballot as printed.

Yes 856

No 460

Article XXVI. (Recommended by the Selectmen 3-0)
(Recommended by the Budget Committee 8-0)

Shall the Town vote to modify the elderly exemptions from property tax in the town of North Hampton, based on assessed value, for qualified taxpayers, to be as follows?

For a person 65 years of age up to 75 years - \$120,000

For a person 75 years of age up to 80 years - \$160,000

For a person 80 years of age or older - \$200,000

To qualify a person must have been a New Hampshire resident for at least five years, own real estate individually or jointly, or if such person's spouse owns real estate, they must have been married for at least five years. In addition, the taxpayer must have a net income of not more than \$40,000 if single, and if married a combined net income not exceeding \$55,000; and own net assets not in excess of \$175,000, excluding the value of the person's residence.

Moved by Jenifer Landman, seconded by Lloyd Sullivan. Since reassessments have doubled property values benefits to elderly have been halved, said Jenifer Landman. This article seeks to rectify that. Don Gould said it would be useful to know the impact on taxes if this article passes. Jenifer Landman said the tax rate is currently 12.72 per thousand and 24 seniors currently take advantage of exemptions. At an average annual tax bill of \$4200 per household, she felt this article would not have a significant impact on the town but would benefit seniors, who have paid taxes for years. There were suggestions of clarifying language and age categories from Cynthia Swank and Marcia Gagnon. Phil Wilson said there were problems with the reassessments by Vision Appraisal including an arbitrary increase in wetlands values and he advised reviewing this. Jenifer Landman reminded that abatement requests must be submitted by March 1. Hand Vote. Article XXVI will go to the ballot as printed.

Article XXVII. (Recommended by the Selectmen 3-0) (Recommended by the Budget Com 5-0-3)

On petition of Scott C. Hill and at least 25 registered voters of the Town of North Hampton, shall the Selectmen acting pursuant to RSA 41:14 (a) purchase a parcel of real estate and a building located at 239 Atlantic Avenue (Tax Map 7 Lot Number 138) for a price of Five Hundred Fifty Thousand Dollars (\$550,000), the funds for the purchase to be paid from the Town's undesignated fund balance?

Moved by Jenifer Landman, seconded by Paul Cuetara. The reason to acquire this property, said Jenifer Landman, was to expand the town complex in accordance with the town architect's long-range plan. Possibilities include a library and additional parking. Selectmen were unable to purchase the property several months ago when it became available because a petition forced it to go to the March vote. Phil Wilson said the Planning Board recommended the purchase with two caveats: the board was concerned that residents would be asked to leave immediately and there would be loss of income; a full site plan review should take place and include the surrounding residents. In response to a question from Paul Fitzgibbons, TA Michael Pardue said that the seller was willing to forgo the additional \$60,000 he had originally requested for delay of sale and loss of income, so the \$550,000 amount was accurate; if the article passes, the property will close on or about April 1. Bob Landman said concerns for preservation of this historic building would not prevent a buyer other than the town from razing the building; he urged passage of the article to meet future needs of the town, saying the opportunity was a bargain. Cynthia Swank asked that a copy of Architect Dennis Mires' plans for the town be made available to the public at the library and town office. Pete Killheffer asked if the growth needs of the town had been studied and Jenifer Landman explained the process that took place several years ago and the results. Hand Vote. Article XXVII will go on the ballot as printed.

North Hampton Minutes, Page thirteen

Article XXX.

(Not recommended by the Selectmen 1-1-1)

(Recommended by the Budget Committee 5-3)

On petition of Deborah Sillay and at least 25 registered voters of the Town of North Hampton, shall the Town vote to raise and appropriate fifteen hundred dollars (\$1,500) for the Seacoast Diversion Program, a nonprofit agency to support the many services they provide to the Town of North Hampton. This includes educational, prevention and intervention opportunities for at risk children and families including drug and alcohol, truancy, anger, or other behaviors as identified by local schools, police, family members and courts.

Moved by Paul Cuetara, seconded by Jenifer Landman. Paul Cuetara said he had abstained from recommending this article as a selectman because he had served on the Board of Directors of the Seacoast Diversion Program. He said it was a worthy organization that served at-risk youth. Mike Iafolla asked permission from the moderator for a nonresident to address the town and it was granted. A woman who worked for the Seacoast Diversion Program said the program was currently serving 75 young people, including 13 from North Hampton. She said the program had never asked for funding from the towns before but federal cuts made it necessary now. Lloyd Sullivan said he knew it was a good organization but did not approve of the process of putting it on a citizen's petition. The town is currently funding 18 charities and he asked that requests be submitted to the Board of Selectmen for review. Hand Vote. Article XXX will go on the ballot as printed.

Article XXXI.

(Not recommended by the Selectmen 1-2)

(Recommended by the Budget Committee 7-0)

On petition of Robert Strout and at least 25 registered voters to see if the Town will vote to expend from the fund balance eight hundred and fifty thousand dollars (\$850,000) for the construction of a new highway department garage and maintenance facility of approximately 8,000 square feet, a salt and sand storage shed, and the demolition of existing facilities behind the Town Office. These new facilities will be located on existing town property located on Cherry Road. These facilities are needed to meet State and Federal EPA standards and Federal OSHA requirements. A "yes" vote will authorize the Town to fund this project from the existing fund balance and to construct these new facilities on land currently owned by the Town.

Topical Discussion: This Warrant Article passed by a vote of 669 yes to 384 no at previous Town vote when it was to be funded by a bond issue. It was not started due to an administrative defect in the bonding process. If this new Warrant Article is approved it will be funded from the current fund balance and no bonding will be required.

Moved by Robert Strout, seconded by Lloyd Sullivan. Highway Dept. Road Agent Robert Strout made a motion to amend the article, seconded by Lloyd Sullivan. The amendment read:

"On petition of Robert Strout and at least 25 registered voters to see if the Town will vote to expend from the fund balance eight hundred and fifty thousand dollars (\$850,000) for the construction of a new highway department garage and maintenance facility of approximately 8,000 square feet, a salt and sand storage shed, and the demolition of existing facilities behind the Town Office. These new facilities will be located on existing town property located on Cherry Rd. or upon other land as deemed appropriate by the Board of Selectmen. These facilities are needed to meet State and Federal EPA standards and Federal OSHA requirements. A "yes" vote will authorize the Town to fund this project from the existing fund balance and to construct these new facilities on land currently owned by the Town."

Robert Strout discussed the history of the effort to relocate the highway dept. facilities and urged action rather than waiting another year. Larry Miller said he commended Bob Strout for working in terrible conditions but he was opposed to this amendment because it still mentioned the Cherry Rd. site, which was strongly opposed by abutting residents, and because he felt a bond was a better choice than using money from the undesignated fund balance. Chuck Robie asked what would happen to the recommendations if the article was amended and he was told the selectmen and budget committee would meet again to review and revote. He also asked what properties were considered that would not impact a residential neighborhood. Jenifer Landman said that the Conservation Commission had recently compiled a list of all town-owned land without covenants and in commercial locations to help narrow the search. Phil Wilson asked if

North Hampton Minutes, Page Fourteen

citizen's petitions could be amended and the moderator said he researched and discovered that they may be amended. VOTE: AMENDMENT PASSED 51, 29.

Don Gould said the amended article gives selectmen an option to choose a location other than Cherry Rd. but does not authorize them to do so. He asked if it was legally impossible and Lloyd Sullivan said no. Laurel Pohl noted there was no funding to purchase other land included in the amended article.

Phil Wilson offered this amendment to Article XXXI:

"On petition of Robert Strout and at least 25 registered voters to see if the Town will expend from the fund balance eight hundred and fifty thousand dollars (\$850,000) for the construction of a new highway department garage and maintenance facility of approximately 8,000 square feet, a salt and sand storage shed, and the demolition of existing facilities behind the Town Office. These new facilities will be located on existing town property located on Cherry Rd. or upon other land as deemed appropriate by the Board of Selectmen. These facilities are needed to meet State and Federal EPA standards and Federal OSHA requirements. A "yes" vote will authorize the town to fund this project only after holding a town vote to authorize the proposed funding method for the acquisition of property or the construction of facilities."

Phil Wilson explained that the money was more valuable in the reserve fund and a bond more fiscally prudent; and public hearings are an integral part of the process. Paul Cuetara said there are 1 or 2 pieces of town-owned land that may be available but it is not public yet; and the fund balance earns 3.5% whereas a bond is available at around 2%. Laurel Pohl said there were two issues, location and funding, and suggested that Article 32 already said what Article 31 was being amended to. She listed reasons not to locate on Cherry Rd., including: diminishment of property values, therefore less tax collected; an entrance that is too narrow and not owned by the town; it's against town zoning ordinances; there are barely 2 buildable acres due to wetlands and it would not be a long-term solution; there is a risk of contaminating surrounding wells; and the town owns over 400 acres with possibly 20 other buildable sites. John Anthony Simmons said municipalities are exempt from zoning laws so municipal needs can be served; he urged action. He said locating the site on Rt. 1 wouldn't mean other residents wouldn't be affected. Jenifer Landman noted that the zoning exceptions do not include highway buildings. Sue Spencer said the current amendment was contradictory, with too many parts trying to come together. Pete Killheffer said there were too many issues and decisions: funding; design process; Cherry Rd; buy new or use existing property. He asked Phil Wilson to summarize the amendment with respect to those decisions. Phil Wilson said the money would be enough to cover site work and construction on another site in town too. AMENDMENT PASSED 53-27.

Don Gould was concerned the article was internally inconsistent and wanted to amend it to direct the selectmen to develop a plan and hold a special meeting to put it before the people posthaste. Sandy Dewing offered an amendment to remove Cherry Rd and fund balance from the wording, seconded by Jenifer Landman:

"On petition of Robert Strout and at least 25 registered voters to see if the Town will appropriate eight hundred and fifty thousand dollars (\$850,000) for the construction of a new highway department garage and maintenance facility of approximately 8,000 square feet, a salt and sand storage shed, and the demolition of existing facilities behind the Town Office. These new facilities will be located on existing town property or upon other land as deemed appropriate by the Board of Selectmen. These facilities are needed to meet State and Federal EPA standards and Federal OSHA requirements. A "yes" vote will authorize the town to fund this project only after holding a town vote to authorize the proposed funding method for the acquisition of property or the construction of facilities."

AMENDMENT PASSED BY HAND VOTE, Article XXI will go to the ballot as amended.

Article XXXII.

(Recommended by the Budget Committee 7-0)

On petition of Alison Robie and at least 25 other registered voters of the town of North Hampton: Are you in favor of the Selectmen negotiating the purchase of property for use by the highway department, which would permit the elimination of the existing substandard highway garage and permit the building of an EPA approved salt shed, for the purpose of relocating the Public Works Garage away from a densely

North Hampton Minutes, Page Fifteen

developed residential district such as the Cherry Road site? Selectmen would be required to have a town vote to approve funding.

Moved by Alison Robie, seconded by Jenifer Landman. Alison Robie said the intent of the petition was to send a message to selectmen that Cherry Rd was not an appropriate location due to the potential impact on the neighborhood. Don Gould offered an amendment, seconded by Robbie Robinson:

“On petition of Alison Robie and at least 25 other registered voters of the town of North Hampton: Are you in favor of authorizing the selectmen to develop a plan for the location of real estate for and construction of a new highway department facility and to present that plan to the town at a specially called town meeting as soon as possible?”

Larry Miller said he felt the amendment emasculated the original intent of the article. Tom Beattie asked if articles 31 and 32 were mutually exclusive. Don Gould said selectmen were authorized but not required to act. James Better said he opposed the amendment because the intent was to move the highway department away from a residential area. Alison Robie agreed she would not want the petitioned article changed in this way. Phil Wilson suggested a better definition for “densely developed area” should be offered, so the IBR would not be excluded. He said this also did not provide the option of using town land. AMENDMENT FAILED BY HAND VOTE.

Sandy Dewing offered this amendment, seconded by Bob Landman:

“On petition of Alison Robie and at least 25 other registered voters of the town of North Hampton: Are you in favor of the Selectmen negotiating the purchase of property for use by the highway department, which would permit the elimination of the existing substandard highway garage and permit the building of an EPA approved salt shed, for the purpose of relocating the Public Works Garage away from a densely developed residential district such as the Cherry Road site? Selectmen would be required to hold a special town meeting as soon as possible to approve funding.” AMENDMENT PASSED BY A HAND VOTE.

Article XXXII will go on the ballot as amended.

No 559

Article XXXIII.

(Recommended by the Selectmen 3-0)

(Recommended by the Budget Committee 6-1)

Shall the Town of North Hampton vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant, for the purposes set forth therein, totaling \$3,931,365?

Should this article be defeated, the operating budget shall be \$3,829,601 which is the same as last year, with certain adjustments required by previous action of the Town of North Hampton or by law or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only.

* note: Warrant Article XXXIII (operating budget article) does not include special warrant articles XI, XVI, XVII, XXX, XXXI and individual warrant articles XIII, XIV, XVIII, XXI, XXII, XXIII, XXIV, XV, XXVII, XII and XV.

Moved by Lloyd Sullivan, seconded by Paul Cuetara. Lloyd Sullivan read through the proposed operating budget by categories rather than individual line items. Regarding the 4130 column, Town Administration, Bob Landman said Vision Appraisal had made mistakes in its town-wide reassessment and the town should send them a strong message to “get it right”. On the 4191 category, Phil Wilson said the Planning Board’s actual expenses were running closer to \$6000 than \$5000. Lloyd Sullivan said if the account was exceeded again next year, it would be increased. On the 4220 account for the Fire Department, Christopher LeClaire made a motion to add \$180,000, seconded by Jim Colcord, to hire 4 additional firefighters. He said two people per shift was not enough to handle the calls anymore, which increased by 50% this past year. Recommended standards call for 4 firefighters at a call rather than the 2 that show up now if a truck is sent. If an ambulance is needed the Fire Department is empty, he said. He estimated a tax impact of \$72 per year for the average property worth \$400,000. Jenifer Landman asked if overtime would be reduced. It would, said Fire Chief Thomas Lambert, as cost avoidance rather than savings, and that was factored in to the \$180,000, along with FICA and other benefits. Lloyd Sullivan said that as a taxpayer he’d like to see it

North Hampton Minutes, Page Sixteen

passed but as a selectman he didn't think it was time and that's why he didn't bring it to the budget committee this year. Larry Miller said that if this was important the process should have been followed and it should have been presented to the budget committee. Jennifer Lerner said she was not aware of the problem but for \$72 per year she felt it was worth it, to protect property and the lives of the firefighters. Article 33 with the amendment of an additional \$180,000 for the Fire Department PASSED BY HAND VOTE. Article XXXIII will go on the ballot as amended.

No 453

Peter Killheffer asked why the budget had increased by 11%, including some salaries that increased 9-10%. Lloyd Sullivan said the Police Department increased by one officer, otherwise increases were contractual and benefits were estimated at a double-digit increase. Also, a NHMA study recommended adjusting salaries of department heads to compare with surrounding towns. Bob Landman said it would cost more to replace and retrain town employees than to give them a raise. Robbie Robinson said that this was the 4th iteration of the town budget and the budget committee had passed it unanimously after diligent questioning.

Lloyd Sullivan thanked Jenifer Landman for her service as selectman, as her term was ending and she was not running for reelection. Jenifer Landman said this year's dedication of the town report went to Jane Palmer for her extensive volunteer work on behalf of the town.

There being no other business the meeting was adjourned by the moderator at 12:35 p.m.

Respectfully submitted,

Delores J. Chase, Town Clerk
Town of North Hampton

BUDGET OF THE TOWN/CITY

OF: NORTH HAMPTON

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, _____ to December 31, _____
or Fiscal Year From JULY 1 2005 to JUNE 30, 2006

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This is to certify that this budget was posted with the warrant on the (date) 1/28/2005.

BUDGET COMMITTEE

Please sign in ink.

Larry Miller
Paul FitzGibbon
Bill Robinson
Peter Simmons
Quinn Kelly
Henry Marsh

Mary Pat Clark

 (See Supplemental Schedule With 10% Calculation)

DEFAULT BUDGET OF THE TOWN

OF: North Hampton

For the Ensuing Year January 1, _____ to December 31, _____

or Fiscal Year From July 1, 2005 to June 30, 2006

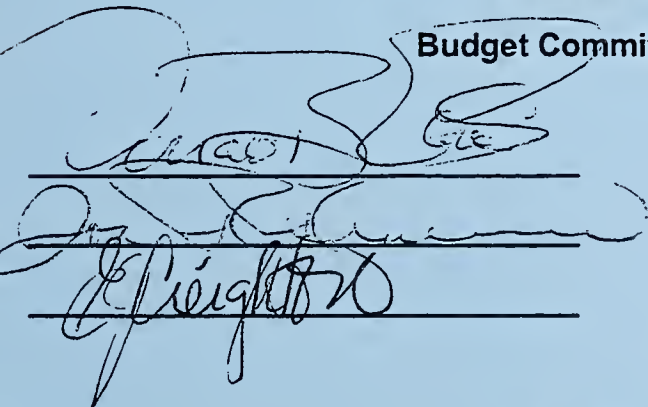

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

- 1. Use this form to list the default budget calculation in the appropriate columns.
- 2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
- 3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

Three handwritten signatures are present on the left side of the page, each written over a horizontal line. The signatures are in cursive and appear to be of the town's governing body members.

The State of New Hampshire
Town of North Hampton
Town Warrant for 2005-2006

To the inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs.

You are hereby notified that the **first session** (deliberative) of the annual meeting of the Town of North Hampton will be held at the North Hampton School on Atlantic Avenue, in said North Hampton on Saturday, February 5, 2005 at 8:00 a.m. Warrant articles may be amended at this session per RSA 40:13, IV, with the exception of Warrant Articles whose wording is prescribed by law and cannot be amended per RSA 40:13, IV a. Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion as amended.

You are further notified that the **second session** of the annual meeting of the Town of North Hampton will be held at the North Hampton School in said North Hampton on Tuesday, March 8, 2005 at 8:00 a.m., for the choice of town officers elected by official ballot, to vote on questions required by law to be inserted on the official ballot, and to vote on all warrant articles from the first session on official ballot per RSA 40:13, VII. The polls for the election of town officers and other action required to be inserted on said ballot will open on said date at 8:00 a.m. in the forenoon and will not close until 7:00 p.m. in the evening.

Article 1.

To choose one Selectmen for a term of one year, one Selectmen for a term of three years, one Town Treasurer for a term of one year, and all necessary Town Officers for the ensuing year.

Article 2.

Recommended by the Planning Board 5-0

Shall the Town adopt amendments to the Zoning Ordinance, Sections 302, 409, 507, 514, and 701 as proposed in the following (Only Subsections in which proposed amendments occur are shown, and proposed amendments are shaded.):

Are you in favor of the adoption of Amendment No.1 as follows:

● **Proposed Amendments to Section 302**

Proposed amendments to Section 302 bring definitions of wetland areas of the town into compliance with applicable definitions adopted by the State of New Hampshire. Amended definitions include "Tidal Lands," "Wetlands," and "Isolated Nonbordering Wetlands." The proposed amendments both bring North Hampton's definitions into compliance with statewide definitions and preserve protection for "Tidal Lands" – such as the Little River Salt Marsh – that are not specifically distinguished in the state's definition.

30. **Tidal Lands:** All lands submerged by mean high tide and, in addition, those areas which border on tidal waters, such as banks, bogs, salt marsh, swamps, meadows, flats or other lowlands subject to tidal action, whose surface is at an elevation not exceeding three and one-half feet above local mean high tide and upon which grow or are capable of growing a variety of tidal plants. The occurrence of salt marsh peat at the undisturbed surface is also evidence of tidal land. *3/13/79, 3/X/2005

31. **Wetlands:** Pursuant to RSA 482-A:2 and RSA 674:55, "wetlands" means an area that is inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal conditions does support, a prevalence of vegetation typically adapted for life in saturated soil conditions. *3/10/92, 3/X/2005

32. **Isolated Nonbordering Wetlands:** Those areas of 3,000 sf or less which satisfy the definition above of "wetlands" but which are not within 100 feet of any other Wetlands and do not abut a marsh, pond, bog, lake, river, natural, intermittent or perennial stream. *3/10/92, *3/10/98, 3/X/2005

Are you in favor of the adoption of Amendment No.2 as follows:

● **Proposed Amendments to Section 409 Wetland Conservation Areas**

Proposed amendments to Section incorporate new definitions proposed above for Section 301 into affected subsections of the Zoning Ordinance. Affected Subsections delineate zoning provisions for tidal lands, wetlands, and isolated nonbordering wetlands areas in the Town. Proposed amendments for these Subsections incorporate the proposed new definitions without relaxing or increasing restrictions on the use of tidal lands, wetlands, and isolated nonbordering wetlands areas.

- 409.2 Definition of District: The Wetlands Conservation District comprises all of the following areas within the Town of North Hampton:
- A. Tidal lands as defined in section 302, paragraph 30 herein.
 - B. Wetlands as defined in section 302, paragraph 31 herein.
 - C. Isolated, non-bordering wetlands as defined in Section 302, paragraph 32 herein.
- 409.6 Additional Permitted Uses in tidal lands: The following additional uses shall be permitted in tidal lands:
- A. Cutting of dead or dying trees of any size;
 - B. Cutting of live trees with a diameter of six inches or greater, measured 4 1/2 feet above the ground, provided that such partial cutting is limited to 30% of their total pre-harvest basal area. Selection of trees for such partial cutting shall be done with the consultation of the Rockingham County Forester and the approval of the Planning Board. Partial cutting shall be done in such a way that a well distributed stand of healthy growing trees remains.
 - C. The erection of fences, footbridges, catwalks and wharves provided such structures are built on posts or pilings and permit the unobstructed flow of the tide and preserve the natural contour of the marshes.
- 409.7 Additional Permitted Uses in wetlands and isolated nonbordering wetlands: The following additional uses shall be permitted in wetlands and isolated nonbordering wetlands:
- A. Forestry and tree farming which does not involve clear cutting;
 - B. Water impoundments and construction of wells for on site water supply;
 - C. Drainage ways, streams, creeks, or other paths of normal runoff water;
 - D. Open space permitted by the subdivision regulations and other sections of the ordinance;
 - E. Fill involving less than 3000 square feet of surface area.
- 409.9 Buffer Zone Restrictions: The buffer zone setback requirement from tidal lands and wetlands is 100'. For the purposes of this section 409.9 "Wetlands" shall not include a vegetated swale, roadside ditch, or other drainage way; a sedimentation/detention basin or an agricultural/irrigation pond. *3/11/2003
- A. **Undeveloped lots of record**
 - 1) Undeveloped lots of record existing as of March 2003 or any lot created subsequently: No structure or impermeable surface shall be permitted within 100' of tidal lands or within 100' of wetlands on any lot of record existing as of March 2003 or on any lot created subsequently.
 - 2) **Undeveloped lots of record existing prior to March 2003:** If the imposition of 100' tidal and/or freshwater wetland buffer setbacks causes the buildable upland acreage (this is, land that is not in the wetlands buffer zone) to be less than 16,000 square feet, the prior wetlands buffer zone setback requirements of 50' for wetlands and 75' for tidal lands shall apply.
 - B. **Developed lots of record**
 No structure or impermeable surface shall be permitted within 100' of tidal lands or within 100' of wetlands on any developed lot of record existing as of March 2003.
 - 1) Developed residential lots of record existing prior to March 2003: If the imposition of 100' tidal lands and/or inland wetland buffer setbacks causes the buildable upland acreage (that is, land that is not in the buffer zone) to be less than 16,000 square feet, the prior buffer zone setback requirements of 50' for Wetlands and 75' for Tidal lands shall apply.
 - 2) Notwithstanding other provisions of this section 409.9 of the Zoning Ordinance, the construction of additions to and/or extensions of existing buildings or structures shall be permitted within the 100' wetlands buffer zone provided that:
 - a) The dwelling or structure to be expanded existed lawfully prior to the effective date of this section 409.9 of the Zoning Ordinance (March 2003) or was constructed subject to a validly issued building permit.
 - b) The proposed construction conforms to all other applicable ordinances and

regulation of the Town of North Hampton.

- c) The footprint of any proposed new construction within the buffer does not exceed the greater of 1200 square feet or 25% of the area of the footprint of the existing heated structure within the buffer which existed prior to the effective date of this Ordinance.
- d) Any proposed new construction of an addition or extension shall not intrude further into the wetland buffer setback than the current principal heated structure of which it is a part.

Are you in favor of the adoption of Amendment No.3 as follows:

- **Proposed amendments to Section 507 Home Occupation**

Proposed amendments to Section 507 clarify that only activities otherwise allowed as either Permitted Uses or Special Exceptions may qualify as home occupations, require that a member of the family residing in the residence conduct the business, and add two additional conditions (Sections 507.6 and 507.7) that must be met in order for the Zoning Board of Adjustments to approve an application for a Special Exception for a home occupation under Section 507. Proposed amendments to Section 507 are shown by the shaded text below:

Any home occupation otherwise allowed as either a Permitted Use or Special Exception under the terms of this Ordinance shall be permitted as a special exception if it complies with the requirements of this section. *3/9/99

- 507.1 The home occupation shall be carried on by a member of the family residing in the dwelling unit with not more than two employees who are not part of the family residing in the dwelling.
- 507.2 The home occupation shall be carried on wholly within the principal or accessory structures.
- 507.3 Exterior displays or signs other than those permitted under Section 506, exterior storage of materials, and exterior indication of the home occupation or variation from the residential character of the principal structure shall not be permitted.
- 507.4 Objectionable noise, vibration, smoke, dust, electrical disturbance, odors, heat, or glare shall not be produced.
- 507.5 Articles not produced on the premises shall not be sold on the premises. *3/12/68
- 507.6 The home occupation shall result in no detriment to property values in the vicinity or result in a change in the essential characteristics of any area or neighborhood on account of the location or scale of buildings, other structures, parking areas, access ways, or the storage of vehicles.
- 507.7 The home occupation shall not create a traffic safety hazard or result in a substantial increase in the level of traffic congestion in the vicinity.

Are you in favor of the adoption of Amendment No.4 as follows:

- **Proposed Amendments to Section 514 Flood Plain Development Ordinance**

FEMA [Federal Emergency Management Agency] has updated the flood maps and in order to remain in the Flood Insurance Program the Town of North Hampton needs to make changes to the Zoning Ordinance. Proposed amendments affect the second paragraph of Section 514 as indicated by the shaded text below:

The following regulations in this ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for Rockingham County, NH dated May 17, 2005, or as amended, together with the associated Flood Insurance Rate Maps dated May 17, 2005 which are declared to be part of this ordinance and are hereby incorporated by reference.

Are you in favor of the adoption of Amendment No.5 as follows:

- **Proposed amendments to Section 701 Permits**

This proposal from the Building Inspector asks to amend the North Hampton Zoning Ordinance Section 701 to update the references to national codes. Current references to BOCA will be replaced by references to the International Residential Code (IRC) 2003 edition, as shown by the shaded text below. (Amendments proposed occur only in the first paragraph of Section 701.)

No person shall commence in any part of North Hampton, construction, alteration, installation, electrical or plumbing work, removal, or demolition of a building or structure without obtaining a written permit for the same

from the Building Inspector or other duly authorized enforcing agency and paying a fee in accordance with the fee schedule that can be obtained at the building inspectors office. Said fees shall be turned over to the Town Treasurer. The provision of this section shall not apply to maintenance work performed for the sole purpose of preserving, protecting or refurbishing when such maintenance involves no structural changes, no alteration to electrical wiring or plumbing systems, and any material removed is replaced with like material. Construction shall conform to the following national codes:

- International Building Code (IBC), 2000 edition
- International Residential Code (IRC) 2003 edition
- International Mechanical Code (IMC) 2000 edition
- National Electric Code (NEC) (NFPA 70) 2002 edition (and the latest edition as adopted by the NH State Electrical Board)
- International Plumbing Code, 2000 edition with amendments (and the latest edition) as adopted by the NH State Plumbing Board
- International Energy Conservation Code (IECC) 2000 edition

In the event of conflicting codes, the most restrictive will prevail. *3/10/98"

Article 3.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 7-1

To see if the municipality will vote to raise and appropriate the sum of nine hundred fifty thousand dollars (**\$950,000**) for the construction of a new highway garage and maintenance facility of approximately 8,000 square feet, and a salt and storage shed to be located on Town owned property on the east side of Cedar Road known as Tax Map 007, Lot 048, and to authorize the issuance of not more than \$950,000 of bonds or notes in accordance with provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to raise and appropriate \$27,000 for the first interest payment. 3/5 vote required for passage of this article.

(Should this article be approved, it is estimated it will constitute \$0.03 per thousand of the 2005-2006 tax rate, and reflects an interest only payment on the bond in fiscal year 2005-2006.)

Article 4.

Shall the municipality accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Board of Selectmen to issue tax anticipation notes? (Majority vote required)

Article 5.

Shall the municipality vote to accept the reports of the Town officers?

Article 6.

Shall the municipality vote to authorize the Selectmen to issue tax lien redemption notes in accordance with RSA 33:7-d?

Article 7.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 8-0

Shall the Town of North Hampton vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$4,394,473**? Should this article be defeated, the default budget shall be **\$4,353,277** which is the same as last year, with certain adjustments required by previous action of the Town of North Hampton or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only.

Article 8.

Recommended by the Board of Selectmen 3-0

Recommended by the Budget Committee 8-0

To see if the municipality will vote to establish the Building Maintenance Capital Reserve Fund for the maintenance and repairs of the North Hampton Town buildings and to bring the facilities into ADA compliance and to raise and appropriate

the sum of one hundred twenty five thousand dollars (\$125,000) to be placed in this fund; further to appoint the Board of Selectmen as agents to expend from this fund.

(Should this article be approved, it is estimated it will constitute \$0.14 per thousand of the 2005-2006 tax rate.)

**Article 9. Recommended by the Board of Selectmen 2-0
Recommended by the Budget Committee 7-0-1**

To see if the municipality will vote to raise and appropriate the sum of seventy five thousand dollars (\$75,000) to pay for professional architectural and engineering services to be procured through competitive bidding with the request for bids containing a clearly articulated and thorough description of the "scope of work" to be prepared by the Board of Selectmen, for the design and space planning for the renovation of the Municipal Complex (Town Office, Library, Town Hall, Police & Fire Building and Highway Shed).

(Should this article be approved, it is estimated it will constitute \$0.09 per thousand of the 2005-2006 tax rate.)

**Article 10. Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0**

To see if the municipality will vote to raise and appropriate the sum of sixty four thousand dollars (\$64,000) for the purchase of Self Contained Breathing Apparatus for the Fire Department? This is the first half of a two year replacement program.

(Should this article be approved, it is estimated it will constitute \$0.07 per thousand of the 2005-2006 tax rate.)

**Article 11. Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0**

To see if the municipality will vote to raise and appropriate the sum of fifty six thousand eighty one dollars (\$56,081) for the purchase of Windows based municipal software that will integrate, tax collection, general ledger, accounts receivable/payable, cash receipting, building permits, and tax assessing. This software will replace the current DOS based system that will no longer be supported by the current vendor.

(Should this article be approved, it is estimated it will constitute \$0.06 per thousand of the 2005-2006 tax rate.)

**Article 12 . Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 6-2**

To see if the municipality will vote to raise and appropriate the sum of forty five thousand dollars (\$45,000) for the purchase of a dump truck with a nine foot heavy duty plow to replace the 1995 Ford F350. Any monies received from the sale of the 1995 Ford F350 shall be used to offset the cost of the new vehicle.

(Should this article be approved, it is estimated it will constitute \$0.05 per thousand of the 2005-2006 tax rate.)

**Article 13 . Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0**

To see if the municipality will vote to raise and appropriate the sum of thirty five thousand dollars (\$35,000) to be added to the Fire Department Equipment Capital Reserve Fund #4.

(Should this article be approved, it is estimated it will constitute \$0.04 per thousand of the 2005-2006 tax rate.)

**Article 14 . Recommended by the Board of Selectmen 3-0
Recommended by the Budget Committee 8-0**

To see if the municipality will vote to raise and appropriate the sum of twenty five thousand eight hundred dollars (\$25,800.00) for the purchase of one police cruiser for the Police Department.

(Should this article be approved, it is estimated it will constitute \$0.03 per thousand of the 2005-2006 tax rate.)

Article 15. **Recommended by the Board of Selectmen 3-0**
 Recommended by the Budget Committee 4-3-1

To see if the municipality will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000) for the demolition of the existing highway facility located at 233A Atlantic Avenue. This article is contingent upon passage of Article 3 for the financing and construction of a new highway facility.

(Should this article be approved, it is estimated it will constitute \$0.03 per thousand of the 2005-2006 tax rate.)

Article 16. **Recommended by the Board of Selectmen 3-0**
 Recommended by the Budget Committee 8-0

To see if the municipality will vote to establish the Cable Television Capital Reserve Fund in accordance with RSA 35:1 for the purpose of purchasing cable television equipment so that the Town may broadcast all town meetings and to raise and appropriate ~~twenty three thousand dollars (\$23,000)*~~ **thirty three thousand dollars (\$33,000)** from cable franchise fees received after January 1, 2005, to be placed in this fund, with no amount raised by taxation; further, to appoint the Board of Selectmen as agents to expend from this fund.

Amended at the Deliberative Session. Original wording has ~~strike through~~. Amended wording is **bolded.*

Article 17. **Recommended by the Board of Selectmen 3-0**
 Recommended by the Budget Committee 7-1

To see if the municipality will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) for interior maintenance of the police station, and the construction of desks/workstations in the officer's room of the police station.

(Should this article be approved, it is estimated it will constitute \$0.01 per thousand of the 2005-2006 tax rate.)

Article 18. **Recommended by the Board of Selectmen 3-0**
 Recommended by the Budget Committee 8-0

To see if the municipality will vote to raise and appropriate the sum of eight thousand dollars (\$8,000) for the purchase of a Command Center, with all necessary components for the Fire Department.

(This sum to come from fund balance (surplus) and no amount to be raised from taxation.)

Article 19.

On petition of Richard G. Robinson and at least 25 registered voters of the Town of North Hampton shall we adopt the provisions of RSA 40:14-b to delegate the determination of the default budget to the municipal budget committee which has been adopted under RSA 32:14.

(3/5 vote required for passage of this article.)

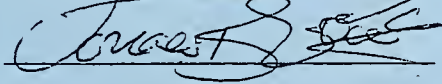

Article 20. **Not Recommended by the Board of Selectmen 3-0**
 Not Recommended by the Budget Committee 4-4

On petition of Pat Morenis Dodge and at least 25 registered voters in the Town of North Hampton, petition that \$55,000 be raised and appropriated to fund the contract for Mosquito abatement during the period of July 1, 2005 to June 30, 2006, in order to continue the success of the mosquito control project. The Board of Selectmen shall be directed, and have to authority to execute such contract on behalf of the citizens of North Hampton.

(Should this article be approved, it is estimated it will constitute \$0.06 per thousand of the 2005-2006 tax rate.)

To transact any other business that may legally come before this meeting. Given under our hands and seals this 26th day of January, in the year of our Lord, Two Thousand and Five.

North Hampton Board of Selectmen

TOWN OF NORTH HAMPTON
SCHOOL DISTRICT WARRANT
2005
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET FOR TWO SEPARATE SESSIONS OF THE ANNUAL SCHOOL DISTRICT MEETING.

SESSION 1: (DELIBERATIVE SESSION) MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL CAFETERIA ON TUESDAY THE EIGHTH OF FEBRUARY 2005 AT 7:00 O'CLOCK IN THE EVENING. THE PURPOSE OF THE MEETING IS TO EXPLAIN, DISCUSS, DEBATE AND POSSIBLY AMEND THE FOLLOWING WARRANT ARTICLES:

1. Shall the School District approve the cost items included in the collective bargaining agreement reached between the North Hampton School Board and the Seacoast Education Association which calls for the following increase in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2005-06	\$107,257

and further, raise and appropriate the sum of \$107,257 for the 2005-06 school year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriations at current staffing levels paid in the prior fiscal year. (Majority vote required.)

Recommended by the School Board 4-0. Recommended by the Budget Committee 7-0-1.

2. Shall the School District approve the cost items included in the collective bargaining agreement reached between the North Hampton School Board and the Seacoast Educational Support Personnel Association which calls for the following increase in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
2005-06	\$30,187

and further, raise and appropriate the sum of \$30,187 for the 2005-06 school year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriations at current staffing levels paid in the prior fiscal year. (Majority vote required.)

Recommended by the School Board 4-0. Recommended by the Budget Committee 8-0.

3. Shall the School District raise and appropriate the sum of \$42,320 for the purchase of at least 34 computers (\$33,320), 4 projectors (\$7,000) and 6 projector screens (\$2,000)? The computers will replace computers that are 5-7 years old. (Majority vote required.)

Recommended by the School Board 5-0. Recommended by the Budget Committee 7-1.

4. Shall the School District raise and appropriate the sum of \$8,320 to purchase one set of 30 NeoKeyboarding AlphaSmarts (30 word processors, keyboarding programs, cabling, hubs, software, and infrared pods)? These will replace 9 year old AlphaSmarts. (Majority vote required.)

Recommended by the School Board 5-0. Recommended by the Budget Committee 7-1.

5. Shall the School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling ~~\$6,422,410~~, **6,442,410**? Should this article be defeated, the default budget shall be \$6,461,812, which is the same as last year, with certain adjustments required by previous action of the school district or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required.)

**Recommended by the School Board 4-0. ~~Recommended by the Budget Committee 8-0.~~
Recommended by the Budget Committee 4-2-2.**

Note: Warrant Article #5 (operating budget) does not include appropriations in any other warrant articles.

-continued on next page-

6. Shall we adopt the provisions of RSA 40:14-b to delegate the determination of the default budget to the municipal budget committee which has been adopted under RSA 32:14? BY PETITION (3/5 ballot vote required)

SESSION II: (BALLOTING) MEET AT THE NORTH HAMPTON SCHOOL, NORTH HAMPTON, NEW HAMPSHIRE, ON TUESDAY, THE EIGHTH OF MARCH, 2005 AT 8:00 O'CLOCK IN THE MORNING, TO ELECT BY OFFICIAL BALLOT OFFICERS OF THE SCHOOL DISTRICT AND TO VOTE BY OFFICIAL BALLOT ON WARRANT ARTICLES FROM THE FIRST SESSION.

- 1. Voting for school district officers consists of choosing:
 - One School Board Member for the ensuing three years.
 - One Moderator for the ensuing year.
 - One Clerk for the ensuing year.
 - One Treasurer for the ensuing year.

2. Voting for warrant articles 1 through 6 as more fully set forth under Session I above and as any of said articles may have been amended as a result of the first session.

POLLS WILL NOT CLOSE BEFORE 7:00PM.

GIVEN UNDER OUR HANDS AND SEALS AT NORTH HAMPTON, THIS 20th DAY OF JANUARY, 2005.

SCHOOL BUDGET FORM

BUDGET FORM FOR SCHOOL DISTRICTS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

OF: NORTH HAMPTON NH

Appropriations and Estimates of Revenue for the Fiscal Year From July 1, 2005 to June 30, 2006

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list ALL APPROPRIATIONS in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the school clerk, and a copy sent to the Department of Revenue Administration at the address below.

We Certify This Form Was Posted on (Date): 1/28/05

BUDGET COMMITTEE

Please sign in ink.

DEFAULT BUDGET OF THE SCHOOL

OF: _____ NORTH HAMPTON _____ NH

Fiscal Year From July 1, 2005 to June 30, 2006

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

**MINUTES OF THE DELIBERATIVE SESSION
OF NORTH HAMPTON SCHOOL
February 3, 2004**

A deliberative session of the inhabitants of the School District of the Town of North Hampton in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs was held February 3, 2004.

At 7:00pm on the 3rd of February 2004, the deliberative session was called to order by Moderator William Boesch. Among those present: School Board Chairperson Mary Coppinger, School Board Member Kim Kisner, SAU 21 Assistant Superintendent Fred Engelbach, SAU 21 Assistant Superintendent Lisa McMahon, Principal Peter Sweet, Assistant Principal Tara Rossi, Director of Pupil Services Kathleen Linn, Attorney for the School District Robert Casassa and School District Clerk Barbara Dewing.

Budget Committee members Homer Johnson, Robie Robinson, Paul Fitzgibbons, Cynthia Swank, Larry Miller, Lloyd Sullivan. Absent were Peter Simmons and Cindy Smith.

The Moderator explained that the purpose of the deliberative session was to discuss and/or amend articles to go on the official ballot. Find out purpose behind the article. Meeting would follow Modified Roberts Rule of Order and only registered voters could vote on amendments.

1. Shall the School District raise and appropriate the sum of \$41,700 to purchase 36 computers? (Majority vote required)

Recommended by the School Board 3-0. Recommended by the Budget Committee 6-3.

Note: 30 computers, estimated to cost \$34,800, will be MAC's capable of handling digital media. They will be distributed to the 30 classrooms in the school. 6 computers estimated to cost \$6,900 will be IBM compatible computers to provide upper grade students with a cross platform advantage.

Mary Coppinger moved and Kim Kisner seconded that the article be placed on the official ballot as read. Following a short explanation by Ms. Coppinger, and hearing no comments, the Moderator ruled that the article be placed on official ballot as read.

2. Shall the School District raise and appropriate the sum of \$11,700 to replace carpet in the library, the music room and the school office? (Majority vote required)

Recommended by the School Board 3-0. Recommended by the Budget Committee 9-0.

Mary Coppinger moved and Kim Kisner seconded that the article be placed on the official ballot as read. As there was no discussion, the Moderator ruled that the article be placed on the ballot as read.

3. Shall the School District designate the School Board as agents to expend from the Capital Reserve Fund that has been established to enlarge school playing fields and/or make other improvements to school grounds? A "yes" vote authorizes expenditure from the fund. The fund currently amounts to \$100,000. (Majority vote required)

Recommended by the School Board 3-0. Recommended by the Budget Committee 9-0.

Kim Kisner moved that the article be placed on the official ballot as read and Mary Coppinger seconded. A short explanation by Ms. Kisner followed. The Moderator ruled that the article be placed on the ballot as read.

4. Shall the School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$6,156,538? Should this article be defeated, the operating budget shall be \$6,228,144, which is the same as last year, with certain adjustments required by previous action of the school district or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required).

Recommended by the School Board 3-0. Recommended by the Budget Committee 7-2.

Note: Warrant Article #4 (operating budget) does not include appropriations in any other warrant article.

Mary Coppinger moved that the article be placed on the official ballot as read and Kim Kisner seconded. During the presentation by Ms. Coppinger, there were several line items that were amended. Line items affected were in the 1100, 1400 and 2150 accounts.

1100-115 Motioned by Mike Caron and seconded by Pat Shepard added \$9,000 for continuing the internship program. Motion passed.

1400-118 Motioned by Charles Brindamour added \$812 for a/v coordinator, seconded by Laurie Booth. Motion passed.

2150-113 Motioned by Jennifer Lerner to add \$69,000 for salaries of the speech/language pathologist to read \$188,232, Joan Breen seconded. Count of hands 23-17, motion passed.

Amendments added an additional \$78,812 to the operating budget bringing it to \$6,235,350 The Moderator ruled that the article be placed on the official ballot as amended.

Recommended by the School Board 2-0. There was no vote by the Budget Committee at this session.

As there was no other business to come before the Session I Meeting, Moderator William Boesch adjourned to Session II at the Town Hall Tuesday, the 9th day of March 2004 at 8:00 am.

Session I adjourned.

Respectfully submitted,

Barbara Kearney Dewing
School District Clerk
North Hampton School District

Town of North Hampton
School District Warrant
Session II

The State of New Hampshire

The inhabitants of the School District of North Hampton met on the 9th day of March 2004 at 8:00 o'clock in the morning to elect by official ballot officers of the School district and to vote by official ballot on warrant articles from the first session.

1. To choose two School Board members for the ensuing two years

Andrew Hart	650
April Kates	537
Kim Kisner	762
Carlos Silva	401

 Andrew Hart and Kim Kisner were elected

2. To choose two School Board Members for the ensuing three years

Thomas Beattie	475
Janet Gorman	736
Henry Marsh	701
Paul Thomas	452

 Janet Gorman and Henry Marsh were elected

3. To choose one School District Treasurer for the ensuing year

George Chase	1149
--------------	------

 George Chase was elected

4. To choose one School District Moderator for the ensuing year

William Boesch	1129
----------------	------

 William Boesch was elected

5. To choose one School District Clerk for the ensuing year
No one was elected

North Hampton School Mission Statement

The purpose of the North Hampton School is to nurture the intellectual, social, emotional, and physical development of all students in a child-centered environment.

GUIDING BELIEFS

We believe that all students have diverse natures, interests, abilities and capabilities that should be developed to their full potential.

We accept the challenge to address each student as an individual. We are dedicated to providing instructional opportunities which are developmentally and cognitively appropriate to ensure that all students are challenged and inspired. We strive to engage students in meaningful activities that connect learning to life experience. We value creativity and the arts. We understand the importance of nurturing a wide variety of student strengths and teaching to all learning styles. We are committed to maintaining high academic and behavioral expectations.

We believe that we learn and work best in an environment which is safe, supportive, and based on trust and respect.

We acknowledge the necessity of physical and emotional well-being as a foundation for all learning. We value diversity and appreciate differences. We encourage collaboration, co-operation and community service. We are committed to providing students with the necessary skills to become self-directed learners who value themselves and others.

We believe in the exponential power of teamwork and value the entire community's role in educating our students.

Our school is made up of a community of learners that is focused on the students, but includes staff, parents and residents alike. We value communication and a partnership that comes together to listen, share knowledge and plan in order to achieve our common goals. We continually reflect on our practice, and thoughtfully consider changes based on what has worked in the past and what current research clearly supports.

Adopted by the School Board 10/15/98

VISION STATEMENT

North Hampton School is a community of learners that respects the individual interests, abilities and learning styles of its members.

The curriculum ensures the continual development of every aspect of the child. Learners are challenged to explore, question, problem solve and apply knowledge to life situations. Technology, as well as all other available resources, is utilized to connect with the local and global community.

The school, as the center of the community, provides learning opportunities for all residents. The interaction between children and adults creates respect for each other and a shared responsibility for continued learning.

Adopted by the School Board in February 2000

Principal's Report

Dear Citizens of North Hampton,

The North Hampton School had a productive and exciting school year. North Hampton School was recognized as the New Hampshire Middle School of Excellence. This award was based on six categories in education: Curriculum and Instruction, Teaching and Learning, Student Achievement, Community/Parent Involvement, Leadership/Decision Making, and School Climate. A selection team visited classrooms and spoke extensively with students, toured the school, met with teachers, interviewed parents and school board members, spoke with NHS alumni and conversed with administration. To view the award application, go to the home page of the NHS website: www.northhamptonschool.org

An exciting outcome of last year's NHEIAP'S results was the nomination of the North Hampton School by the state as a federal Blue Ribbon School under the "No Child Left Behind Act." The application process took place during the 2003-2004 school year and in September of 2004 North Hampton School received the 2004 No Child Left Behind Blue Ribbon School Award. This national award honors public and private schools that are either academically superior in their states or that demonstrate gains in student achievement. Indicators of academic success and curriculum and instruction were the two main categories required on the application. To view the application, go to the home page of the NHS website: www.northhamptonschool.org

The North Hampton School Community continues to collaborate through the regularly scheduled meetings of the School Council. Furthermore, numerous task forces such as the Communications Task Force, Math Task Force, and Report Card Task Force work diligently to ensure the achievement of the goals of the School Improvement Plan. The task forces gather information by analyzing data, giving questionnaires to staff, families, and other community members, and discussing these results in direct correlation to the current best practices in education.

The results of the school-wide and classroom writing assessments were used to inform instructional decisions. Students' self-assessment and goal setting were enhanced within the area of writing including the development and use of student writing portfolios. The writing continuum was implemented, placed online for the community to access, and grade level anchors were provided to better show progress. The report card was placed online, was implemented fully at each grade level, and was reviewed and refined throughout the year in alignment with standards and benchmarks. The newly developed writing portion of the report card was also refined and explained to parents.

The Math Task Force began to align the benchmarks horizontally and vertically to establish appropriate and consistent expectations for student performance. The NHS Mental Math component was drafted and field-tested for further revisions. An end-of-year screening was implemented in Kindergarten as well as a grade one end-of-year assessment. Staff consistently worked on aligning the NHS benchmarks with the new state Grade Level Expectations (GLE's). Numerous parent math nights were held to inform families of the recent best practices in mathematical education.

The Communications Task Force was focused on improving communication between the North Hampton School and the broader community. Their goals were to develop a Parent

Dear North Hampton Residents,

The support that the North Hampton community has generously provided for the school over many years was recognized this year in a very concrete way. First, NHS was chosen as the New Hampshire Middle School of Excellence for 2004. The criterion for this award is very comprehensive and involves a team of educators visiting the school to validate the evidence of excellence described in the application. Secondly, NHS received the federal Blue Ribbon School Award under the No Child Left Behind Act recognizing academic achievement through the NHEIAP tests.

These awards could not have been won without the financial support of the community, the vision and leadership of the administration and school board, the complete dedication and determination of the teaching staff, and the countless parental volunteer hours and support. And, of course, our wonderful students are to be commended for their commitment to learning.

Our community should be very proud of the learning environment provided to every student at North Hampton School.

The last fiscal year (2003-04) ended with a positive fund balance of \$20,184.

The field project was completed using the Capital Reserve fund. The irrigation system was installed, and grass seed applied, so that the field will potentially be ready for play in the spring of 2005.

Approval of the technology warrant article last year allowed the purchase of 6 Dell computers for the 7th grade classrooms and 30 Apple computers for classrooms (approximately 6 year continuous replacement cycle of the oldest computers). We were also able to negotiate prices to include 4 additional iMacs and a PowerMac for use in the computer lab. We ask for your continued support for the technology articles proposed this year.

Enrollment remains level at approximately 480 students in preschool through eighth grades.

School improvement work continues under the guidance of the School Council, as you will see described in the Principal's report. The addition of a Math Coordinator position, in particular, has helped teachers and students make tremendous progress in math.

In the year ahead, we hope to continue our collaborative commitment toward continuous improvement for the students of North Hampton. Please join us!

Respectfully submitted,

Kim Kisner, Chair

**REPORT OF THE SUPERINTENDENT OF SCHOOLS
2004-05**

To the SAU #21 Communities:

I hereby submit my second annual report.

The 2003-2004 school year was a busy time and much was undertaken and accomplished. One of the first projects undertaken was the review, revision and rewrite of the policy manuals throughout the SAU Districts. As we approach the close of year two, that task has almost been completed. The end result will be a manual that reflects current policy both in written form and on the web sites of the school districts.

A second project was to map the current curriculums in the Districts. This and some parental concerns led to a review of the mathematics program across the SAU. Two of the individual districts have reviewed the math programs at the middle school level and will be purchasing new texts to unify a K-8 curriculum. A similar review of language arts is currently under way.

A new financial system has been purchased and inaugurated at the SAU Office. This program has demanded a huge amount of training for the office staff as well as the secretaries at all of the individual schools. When it is complete, all schools will be able to monitor their expenditures more accurately. The system will then move into a greater role of tracking information concerning faculty, support staff and students. Much of this information is needed as we aggressively pursue grant money.

In our office, Dr. Lisa McMahon has returned to a principalship – we thank her for her time here and the expertise she brought us. Dr. McMahon was replaced with an Interim Assistant Superintendent, Mr. Ralph Minichiello.

One of the major impacts on the Districts was the passage of the Winnacunnet High School bond for renovations. Voter turnout and voter approval was outstanding and the project so often talked about is well underway. The physical education facility may open as early as April 2005, and the high school reconstruction will immediately follow.

All of the Districts are presenting budgets that they feel reflect the needs and priorities within their schools. As this is written, an agreement between the Teachers' Association (SEA) and the individual School Boards has been reached on a new one-year contract. The Seacoast Educational Support Personnel (SESPA) also reached an agreement with the individual boards for a one-year contract.

This was indeed a very busy year. It was also productive and it is my hope that we continue this productivity and continue to offer the best education possible to all of our students.

Thank you for your continued support.

Respectfully submitted,
James F. Gaylord, Superintendent

Resource Center, start an article/book review group, and assist in the improvement of the school website, all to be completed for the 2004-2005 school year. Furthermore, curriculum maps were developed at each grade level to be posted on the school website.

The NWEA (Northwest Evaluation Association) computerized assessment was implemented in grades 3-8. The overall percentage of students achieving at an average to high level of performance was 84% for math, 86% for reading, and 88% for language arts. On the New Hampshire Educational Improvement and Assessment program, 89% of our 3rd graders scored in the Basic through Advanced category in reading compared with the state average of 73%. For math, 96% of our 3rd graders scored in the Basic through Advanced category compared with the state average of 84%. 85% of our 6th graders scored in the Basic through Advanced category in reading compared with the state average of 74%. For math, 84% of our 6th graders scored in the Basic through Advanced category compared with the state average of 73%.

The Artist in Residence led the school and community members in a ceramic tile project. Each participant created a 4x4 inch glazed tile depicting sea life and the White Island Lighthouse. When completed, the compilation of tiles created a beautiful seascape mural permanently installed in the hall by the gym lobby. The Fish House Foundation, Northpoint Realty Inc., and PAL supported this project.

PAL continued to provide numerous resources for activities throughout the school for both students and staff. Such events as the Harvest Festival, Teacher Luncheon, and Spring Carnival continued to bring North Hampton staff, families, and community members together. Their dedication to the success of our students is shown through their tireless efforts to enhance our school community with exceptional opportunities for the students. We continue to be grateful for all those participating members.

As a school community we continue to strive towards excellence in the academic, social, and moral development of our students. The staff continues to show their dedication to the success of our students by their countless efforts in the classroom on a daily basis as well as their consistent work in teams and on committees. They are applauded and appreciated for this pursuit of achievement. We thank all the citizens of North Hampton for your continued support.

Sincerely,

Peter J. Sweet

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
North Hampton School District
North Hampton, New Hampshire

We have audited the accompanying financial statements of the governmental activities and each major fund of the North Hampton School District as of and for the year ended June 30, 2004, which collectively comprise the School District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the North Hampton School District as of June 30, 2004, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 2, as of July 1, 2003, the School District has implemented a new financial reporting model, as required by the provisions of the GASB Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments.

The management's discussion and analysis and budgetary comparison information are not a required part of the basic financial statements, but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the North Hampton School District's basic financial statements. The individual fund statements and schedules are presented for the purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
