RESEARCH, ECONOMIC ENGAGEMENT AND OUTREACH UPDATE

June 1, 2022

ANNOUNCEMENTS

SOST Seeks Contributors for Ocean Opportunities and Actions Roundtable

The White House Office of Science and Technology Policy National Science and Technology Council (NSTC) and the Ocean Policy Committee (OPC) Subcommittee on Ocean Science and Technology (SOST) is hosting an Opportunities and Actions Roundtable to allow the ocean community to share their innovative and novel ideas to advance federal ocean science and technology priorities. Three cross-cutting priorities are outlined in the recently released Opportunities and Actions report: climate change, resilient ocean S&T infrastructure and a diverse and inclusive blue

workforce, all of which include connections to racial justice and equity.

Timeline:

June 10, 2022: Submit to be considered for a lightning talk at the roundtable event [here](#).

July 5, 2022: Authors notified about their submission; selected authors asked to prepare a three-minute presentation. All submissions will be distributed to SOST members and interested members may reach out with inquiries.

July 19, 2022, 1 p.m.: Opportunities and Actions Roundtable. Everyone is invited to attend this virtual event. Register [here](#).

Research Communications Academy Videos

Missed a session of the 2022 Research Communications Academy? Learn communications skills — from creating better academic posters to engaging with policymakers — from experts with recorded sessions [here](#).

Workshop Resources

Slides and resources from past research development programs are available [here](#). Information from previous UNH Collaborative Research Excellence (CoRE)-funded projects, as well as resources to support collaborative and interdisciplinary research, are [here](#).

FUNDING OPPORTUNITIES AND RESOURCES

COVID-19 Funding and Research Resources

See [COVID-19 Funding Opportunities, Research Priorities, and Resources](#) and the [Quick Guide - Resources Supporting COVID-19 Research](#).

Limited Submission Programs to Act on Now

Because some sponsors limit the number of applications from an institution, please contact [Mark Milutinovich](#) as soon as possible if you are interested in applying to any of the following. Be sure to watch for our email at the start of each month for a more comprehensive list or check [current LSP Deadlines](#).

Deadline	Sponsor	Program
June 15	U.S. Department of Agriculture	Equipment Grant Program (EGP) 1 slot still available
July 1	National Institutes of Health (NIH)	Genome Research Experiences to Attract Talented Undergraduates into the Genomics Field to Enhance

		Diversity
July 7	National Endowment for the Arts	Grants for Arts Projects
July 13	NIH	NIH Science Education Partnership Award (SEPA)(R25)
July 13	National Science Foundation (NSF)	Partnerships for Innovation - Research Partnerships (PFI-RP) Track
July 15	NSF	CyberCorps^(R) Scholarship for Service (SFS)
July 18	NSF	IUSE / Professional Formation of Engineers: Revolutionizing Engineering Departments (IUSE/PFE: RED)
Aug 1	NSF	Physics Frontier Centers (PFC)
Aug 1	NSF	Resilient & Intelligent NextG Systems (RINGS) - Virtual Organization (RINGS-VO)
Sept 6	NIH	NIH Director's Early Independence Awards (DP5)
Sept 12	NSF	National Science Foundation Research Traineeship (NRT) Program Internal Competition is underway Deadline: June 10, 5 p.m. Details

Sept 21	National Endowment for the Humanities	Summer Stipends Internal Competition is underway Deadline: Aug 29 11:59 p.m. Details

UPCOMING EVENTS

NSF Virtual Grants Conference

June 6, 2022, 2 p.m. – June 10, 2022, 4 p.m.

Virtual

View agenda and register [here](#) for whichever sessions you want to attend. All conference sessions will be available on-demand shortly after the event.

GRAD 891 – National Science Foundation Graduate Research Fellowship Preparation

August 29 – October 14, 2022 (Half Term)

This [course](#) is designed to enable students to receive information, guidance and support in applying for the National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP). Students will become familiar with the NSF, its mission and the selection criteria for this fellowship. Through independent work and collaborative exercises, students will strengthen writing skills and develop a strong application. For more information contact [Jeanne Sokolowski](#) or [Michael Thompson](#).

GRAD 930 — Ethics in Research and Scholarship

August 29 – 12/12/2022 (Full Term)

Online

This is an interdisciplinary graduate seminar where students explore a wide range of issues related to the ethical conduct of research and scholarship. This course helps prepare students to conduct themselves as researchers in accordance with today's standards for scientific integrity and professional ethics. Classes are predominantly discussion-based, relying on case analysis; guest speakers address topics from a variety of perspectives. Completion of this course meets the graduate school's incoming PhD student RCR training requirement as well as the NSF's and the USDA National Institute of Food and Agriculture's RCR training requirement. More information [here](#), or contact the instructors, [Julie Simpson](#) or [Maria Emanuel](#).

GOOD NEWS

Natural resources and the environment professor Russell Congalton received a [lifetime achievement award from AmercaView](#), a nonprofit closely affiliated with the U.S. Geological Survey. Congratulations to Dean Elder, director of

the Animal Resources Offices, for being awarded a COLSA Dean’s Award for Distinction for his Award for his outstanding performance in support of work in the New Hampshire Agricultural Experiment Station. Sarah Grosvenor, UNH Extension field specialist in science literacy and director of the UNH STEM Discovery Lab in Manchester, has been recognized for her innovative work with the Granite YMCA as their [Community Partner of the Year](#). Forestry researchers Jeff Garnas, associate professor of natural resources and the environment, and Matthew Vadeboncoeur, a research scientist in EOS, received [grants from the Northeastern States Research Cooperative](#) to study nonnative pests and the impact of climate change on the red oak. [New Hampshire Public Radio interviewed Casey Golomski](#), associate professor of anthropology, about his students’ participation in an exhibit celebrating Afrofuturism. Read more UNH research news [here](#), and please send research news — high-impact results, new grants, awards, compelling [photos and images](#) and more — to [Beth Potier](#).
