DEDICATION

After serving the School District for 32 years and being the Town Treasurer for the past 12 years, Estelle Girard Godbout has decided to retire. As she said, "The time has come to call it a day."

Estelle was born in Pembroke and has lived in Allenstown since 1934. She worked for the Supervisory Union, then went on to the Suncook Bank/Bank of NH for 35 years. She is a member of the Suncook Happy Singers; belongs to St. John the Baptist Parish, the Rosebush Society and the Ladies of St. Anne.

Estelle has a daughter, Ann, and 2 grandchildren, Elizabeth and James; a brother, Robert Girard of Allenstown.

In appreciation for your many years of service to the Town, Estelle, we are proud to dedicate the 2000 Town Report to you. We wish you all the best and we sincerely thank you for all your hard work.
ENJOY YOUR RETIREMENT!

TOWN OF ALLENSTOWN
STATE OF NEW HAMPSHIRE
1999 TOWN WARRANT

To the inhabitants of the Town of Allenstown, in the county of Merrimack in said State, qualified to vote in Town affairs: You are hereby notified to meet at the Allenstown Elementary School in said Allenstown on Saturday, February 6, 1999 at 10:00 A.M. for the purpose of transacting all business other than voting by official and thereafter to meet on Tuesday, March 9, 1999 between 8:00 A.M. and 7:00 P.M. at the St. John The Baptist Parish Hall, to elect officers, vote on zoning articles, and to vote on all warrant articles from the first session by official ballot.

ARTICLE 1: To choose the necessary Town Officers for the ensuing year.

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of \$750,000 for the design and construction of a Fire Station for the use by the Allenstown Fire Department, and to authorize the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Allenstown Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (2/3 ballot vote required). This article is recommended by the Budget committee and without recommendation by the Board of Selectmen.

Article 3: Shall the Town of Allenstown raise and appropriate as an operating budget, not including appropriations by special Warrant Articles, the amounts set forth on the Budget posted with the Warrants, for the purpose set therein, totaling \$ 2,307,449. Should this article be defeated the operating budget shall be \$ 2,172,957 which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Article 4: To see if the Town of Allenstown will vote to authorize the Board of Selectmen to enter into a 5 (Five) year lease purchase agreement for the purpose of leasing a 1999 Ford L 8000 and all plow and sander equipment, and to raise and appropriate the sum of \$17,500 for the 1st year's payment for that purpose (majority vote required).

This article is recommended by the Board of Selectmen and the Budget Committee.

Article 5: To see if the Town of Allenstown will vote to accept \$224,022.00 in Federal Grants to fund the hiring of three new full time Police officers. This is a three year grant. The local match for the three year period is \$76,251.00. (1999 local match \$21,987.00, 2000 local match is \$26,079.00, and the local

match for 2001 is \$28,185.00), and to see if the Town will vote to raise and appropriate the sum of \$95,586.00 to hire 3 new full time positions to be funded by a Cops Grant of \$73,599.00, with the remainder of \$21,987.00, to be raised by taxation.

This article is recommended by the Board of Selectmen and the Budget Committee.

Article 6: To see if the Town will vote to raise and appropriate the sum of Two hundred fifty thousand dollars (250,000) to be added to the Public Safety Facilities Capital Reserve Fund previously established. This sum to come from 1998 audited fund balance (surplus) and no amount to be raised from taxation. (This warrant article will have no impact on your tax rate).

Article 7: To see if the Town of Allenstown will vote to authorize the Board of Selectmen to expend the sum of Thirty nine thousand six hundred and fifty dollars (\$39,650.00) from the Fire Department Capital Reserve for refurbishing the 1981 American LaFrance Pumper known as Engine 1. This includes all emergency lighting and communications equipment.

This article is recommended by the Board of Selectmen and the Budget Committee.

Article 8: To see if the Town of Allenstown will vote to accept the revisions and updates to the procedure for the connection of private fire alarm systems to the municipal fire alarm system. In addition, authorize the Board of Selectmen to establish fire prevention fees associated with the regulations.

Article 9: (By petition) We the undersigned qualified voters in the Town of Allenstown NH do hereby petition to the voters the following: "Are you in favor of increasing the Board of Selectmen to 5 members?" Said increase in membership to be effective at the March, 2000 election; 2 (Two) members shall be elected to the Board of Selectmen – 1 (one) member for 3 (three) years and 1 (one) member for 2 (two) years, and thereafter shall serve a 3 (three) year term. This petition is permitted by RSA 41:8-B.

Article 10: To transact any other business that may legally come before said meeting.

THE POLLS WILL BE OPEN UNTIL SEVEN O'CLOCK IN THE P.M.

The SB2 Deliberative Session and reading of the Warrant will be held at the Allenstown Elementary School in said Allenstown at 10:00 A.M., Saturday February 6, 1999. Given under our hands and sealed this 25th day of January, 1999.

**TOWN OF ALLENSTOWN
MINUTES OF DELIBERATIVE SESSION
FEBRUARY 6, 1999**

To the inhabitants of the Town of Allenstown, in the county of Merrimack in said State, qualified to vote in Town affairs: You are hereby notified to meet at the Allenstown Elementary School in said Allenstown on Saturday, February 6, 1999 at 10:00 A.M. for the purpose of transaction all business other than voting by official and thereafter to meet on Tuesday, March 9, 1999 between 8:00 A.M. and 7:00 P.M. at the St. John the Baptist Parish Hall, to elect officers, vote on zoning articles, and to vote on all warrant articles from the first session by official ballot.

The meeting was called to order on Saturday, February 6, 1999 at 10:05 a.m. by Moderator Eugene Vallee. There were 56 registered voters in attendance. The Pledge of Allegiance was recited. The Moderator introduced the people seated up front and discussed the guidelines for the meeting.

ARTICLE 1: To choose the necessary Town Officers for the ensuing year.

It was stated that Article 1 will be voted on March 9, 1999.

ARTICLE 2: To see if the Town will vote to raise and appropriate the sum of \$750,000 for the design and construction of a Fire Station for the use by the Allenstown Fire Department, and to authorize the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the Allenstown Board of Selectman to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (2/3 ballot vote required). This article is recommended by the Budget Committee and without recommendation by the Board of Selectmen.

A motion was made by Ernie Petrin and seconded by Richard Verville to vote to accept Article 2 as read. A motion to amend was made by Ernie Petrin and seconded by Colin Egan to reduce the amount of \$750,000 to \$625,000. Ernie Petrin stated that the basic building plan, which was defeated by 41 votes, didn't change from last year. Mr. Petrin discussed the tearing down of the house on the corner of Main and Ferry Street and stated that Mr. Lavoie had donated the lot to the Town. This made the corner a lot safer for equipment leaving the fire station. The building will be a wood structure with vinyl siding covering the outside, and an asphalt roof. It will be energy efficient with a solar top to help heat, and an overhead door.

There was a discussion on authorizing the Board of Selectmen to use \$43,000 from the capital reserve fund toward the purchase price of the building and whether that would also be subject to the 2/3 vote. A motion was made by Colin Egan and seconded by Asher Kneeland to allow Attorney Bedard to speak since he was not a registered voter. Motion passed. Mr. Bedard stated the money could be expended by the Board of Selectmen. He suggested leaving the \$625,000 the way it is and the bond will come in less than \$625,000. A discussion then ensued on where the surplus funds in Article 6 came from. It was stated that these funds accumulated over a few years. The discussion then returned to the present cost of the building. It was stated the committee had been reducing the cost for the past three years and that it was presently reduced as much as possible.

The question was asked why this article was without the recommendation of the Board of Selectmen. Mr. Viar stated that the Board is now in favor of the building project at the reduced amount. He stated that a month ago the lower figure was not available and the Board at that time felt the figure could be further reduced. Mr. Petrin stated that all the present equipment would be housed in the new building. It was stated the Gerry Lavoie donated the lot through the A.R.A. for the express purpose of having the house torn down, the lot filled in, and to be added to the fire station lot.

There was a round of applause for Gerry Lavoie for the generous donation to the Town. Amendment to reduce the amount to \$625,000 passed by voice vote. A motion was made by Peter Viar and seconded by Arthur Houle to amend the last sentence of Article 2 to say and.. "recommended by the Board of Selectmen." Amendment passed by voice vote. Motion to accept Article 2 as amended passed.

Article 3: Shall the Town of Allenstown raise and appropriate as an operating budget, not including appropriations by special Warrant Articles, the amounts set forth on the Budget posted with the Warrants, for the purpose set therein, totaling \$2,307,449. Should this article be defeated the operating budget shall be \$2,172,957 which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operation budget only.

A motion was made by Arthur Houle and seconded by Peter Viar to accept Article 3 as read. Carol Angowski asked questions on several of the line items. A motion was made by Peter Viar and seconded by Roland Martel to allow David Jodoin to speak since he was not a registered voter. Motion passed. Mr. Jodoin stated that in column 5 the actual expenditures were higher. The present figures were based on November reports. The Road Agent, Jim Boisvert, stated that all the money in the Highway Department was not spent since some road construction projects were held off. Also two employees were not working and did not get paid. He stated there would be more road work in 1999 than in 1998. Motion to accept Article 3 passed.

ARTICLE 4: To see if the Town of Allenstown will vote to authorize the Board of Selectmen to enter into a 5 (Five) year lease purchase agreement for the purpose of leasing a 1999 Ford L 8000 and all plow and sander equipment, and to raise and appropriate the sum of \$17,500 for the 1st year's payment for that purpose (majority vote required). This article is recommended by the Board of Selectmen and the Budget Committee.

A motion was made by Peter Viar and seconded by Ernie Petrrin to accept Article 4 as read. Mr. Boisvert stated that this would replace the 1985 Ford F600 and that we would receive approximately \$5,500 for the trade. A discussion ensued on why we were leasing instead of purchasing. It was noted that this was a lease purchase and we would have the option to buy after five years. Mr. Boisvert stated that the cost was approximately \$74,100 plus a bumper to bumper warranty for a total of approximately \$79,000. It was stated that this article was not included in the budget. Motion to accept Article 4 passed.

ARTICLE 5: To see if the Town of Allenstown will vote to accept \$224,022.00 in Federal Grants to fund the hiring of three new full time Police officers. This is a three year grant. The local match for the three year period is \$76,251.00. (1999 local match \$21,987.00, 2000 local match is \$26,079.00, and the local match for 2001 is \$28,185.00), and to see if the Town will vote to raise and appropriate the sum of \$95,586.00 to hire three new full time positions to be funded by a Cops Grant of \$73,599.00, with the remainder of \$21,987.00, to be raised by taxation. This article is recommended by the Board of Selectmen and the Budget Committee.

A motion was made Colin Egan and seconded by Dave Eaton to accept Article 5 as read. A motion was made by Colin Egan and seconded by Arthur Houle to let the Chief of Police speak since he was not a registered voter. Motion passed. The Chief stated that the money actually comes out of the part-time officer line item for this year and this would also apply to the future years' matches. He stated that up to sixteen hours per week of part-time coverage may or may not be used. He stated that in year 4 the part-time officers line item may be around \$8,000 instead of \$47,000 or \$48,000. The Chief also spoke on police departments in general being the target of litigation. There was a general discussion on the increased number of crimes and calls to the police department. Motion to accept Article 5 passed.

ARTICLE: 6 To see if the Town will vote to raise and appropriate the sum of Two Hundred Fifty Thousand Dollars (\$250,000) to be added to the Public Safety Facilities Capital Reserve Fund previously established. This sum to come from 1998 audited fund balance (surplus) and no amount to be raised from taxation. (This warrant article will have no impact on your tax rate).

A motion was made by Ernie Petrin and seconded by Don Peloquin to accept Article 6 as read. Peter Viar stated that we were not wiping out our surplus funds. He stated that the more volunteer help they got the less the cost of the building would be. A discussion then ensued on the bond, the interest rates and the five or ten year period. There was a general discussion on the need to address the issue of the condition of the present fire station. It was stated that to bring the current building to compliance with codes would take around \$200,000 and that if a new building was not built we would need to address the violations. It was stated that the insurance company may refuse to insure the present building. Volunteers were strongly urged to donate as much time as possible to keep the cost of this building project down. Richard Haas volunteered to manage the project at no charge if Mr. Fontaine was not able to. Motion to accept Article 6 passed.

ARTICLE 7: To see if the Town of Allenstown will vote to authorize the Board of Selectmen to expend the sum the Thirty Nine Thousand Six Hundred and Fifty Dollars (\$39,650.00) from the Fire Department Capital Reserve for refurbishing the 1981 American LaFrance Pumper known as Engine 1. This includes all emergency lighting and communications equipment. This article is recommended by the Board of Selectmen and the Budget Committee.

A motion was made by Arthur Houle and seconded by Richard Morin to accept Article 7 as read. Motion to accept Article 7 passed.

ARTICLE 8: To see if the Town of Allenstown will vote to accept the revisions and updates to the procedure for the connection of private fire alarm systems to the municipal fire alarm system. In addition, authorize the Board of Selectmen to establish fire prevention fees associated with the regulations.

A motion was made by Peter Viar and seconded by Roland Martel to accept Article 8 as read. Motion to accept Article 8 passed.

ARTICLE 9: (By petition) We the undersigned qualified voters in the Town of Allenstown NH do hereby petition to the voters the following: “Are you in favor of increasing the Board of Selectmen to 5 members?” Said increase in membership to be effective at the March, 2000 election; 2 (Two) members shall be elected to the Board of Selectmen - 1 (one) member for 3 (three) years and 1 (one) member for 2 (two) years, and thereafter shall serve a 3 (three) year term. This petition is permitted by RSA 41:8-B.

A motion was made by Colin Egan and seconded by Sara Flanagan to accept Article 9 as read. Colin Egan discussed the participation by the Selectmen on various boards and that it probably was too much for three people. Peter Viar stated that even with five people there may not be more attendance at the various committee meetings and that they have no voting rights. Arthur Houle stated they attend as many meetings as possible and some meetings do not necessarily require their presence. Motion to accept Article 9 passed.

ARTICLE 10: To transact any other business that may legally come before said meeting.

Vicki Kneeland stated she wanted all to know that everyone is good to the library. It was asked that if all the articles pass at the Town Meeting what would the tax rate be. David Jodoin stated he thought the Town’s portion would be less than \$9.00.

A motion was made by Ernie Petrin and seconded by Richard Morin to adjourn. Motion passed. Meeting recessed at 11:45 a.m.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Allenstown
Allenstown, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Allenstown as of and for the year ended December 31, 1998 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Allenstown has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

The Unaudited Supplementary Information on page 23 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Allenstown is or will become year 2000 compliant, the Town of Allenstown's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Allenstown does business are or will become year 2000 compliant.

*Town of Allentown
Independent Auditor's Report*

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Allentown taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Allentown. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

The notes to financial statements are an integral part of this statement.

TRUSTEE OF TRUST FUNDS REPORT

In 1999 there was a lot of activity in the trust funds resulting in more interest income than in previous years. We earned \$36,465.42 in interest from the Capital Reserve Funds and another \$111.54 from the Cemetery Funds. This is money for the town that did not come from your property tax bill.

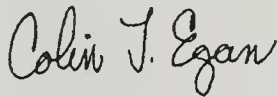

No money was expended from Cemetery Funds this year.

This year's average interest rate was down slightly from last year. However, more money was made this year because the total principal increased from 1998. The total amount deposited in all funds was \$367,056.57. No new accounts were created this year.

This year there was a lot of activity in the Recreation account. Parks & Recreation Director Rick Haas and his committee have been working hard and have accomplished much at the town park on Whitten Street.

In closing, I would like to thank all the departments for their cooperation and assistance. We want to always think in the future. This year Allenstown put more aside than it ever did. If we continue putting money into trust funds, it will help to keep the high increases out of the tax rate. Special thanks to David Jodoin for always making himself available for help when needed and to the Board of Selectmen for their continued support in maintaining the Capital Reserve Funds. They have worked hard watching every penny that the town spends. The Selectmen were able to save a large amount of money last year and sponsored a warrant article to transfer \$250,000 in surplus over to the Public Safety Facilities Trust Fund. The Board of Selectmen have repeated this surplus again this year and if the voters support this same move, the town will save thousands of dollars. Final thanks to the voters for their support in recognizing the need in planning for our future through the use of trust funds.

Respectfully submitted,

Colin T. Egan, Trustee Chairperson
Tel. 485-7215

SELECTMEN'S REPORT FOR THE YEAR 1999

It has been an exciting year here in Allenstown. We can start with the unfortunate "lightning strike" that had a big impact with the day to day computer operations of both the Town offices and the police department. Thanks to the quick response of our vendor partners and helpful volunteers, we were able to recover our systems and be back on line in a timely manner.

Allenstown also had great progress throughout the year as it relates to new commercial activities. We welcome our new businesses and look forward to the prospects of many more throughout 2000.

As we enter this new year we look forward to the challenges that will come our way, and we will continue to depend on our excellent staff, department heads and each employee to provide the residents of Allenstown with the best services possible.

In closing, we would like to thank you the residents of Allenstown for your support throughout the year, and we look forward to the opportunity of serving you in the future.

If you have any questions or comments, please send them to the Board of Selectmen here at the town hall.

Peter A. Viar, Chairman
Arthur Houle, Selectman
Benjamin Fontaine, Jr., Selectman

ALLENSTOWN HIGHWAY DEPARTMENT

To The Citizens of Allentown:

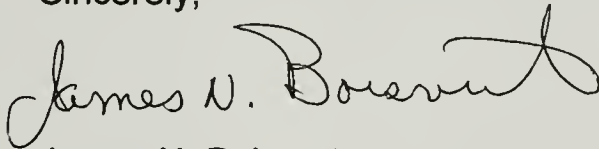

First, I would like to take this opportunity to thank the personnel of the Highway Department for their professionalism in handling the many obstacles of 1999. Also, many thanks to the staff at the Selectmen's office for assisting me with numerous administrative tasks – Lissa, Henriette and Donna – I really appreciate your efforts and teamwork.

Changes in 1999 were most noticeable at the landfill where new State laws on landfills had to be taken very seriously. It was a hardship in fulfilling all the requirements, but as always, the citizens and highway crew has been following new mandates viewed as “a hassle”. In time, all will work out for the best for Allentown.

The final 1999 budget figures showed a surplus of \$52,000 turned back to the Town and \$68,000 being encumbered for Town road projects in 2000. Safety-related items were addressed in 1999 and our Safety Program has resulted in tremendous savings to the Town.

The Highway Department assisted the new Parks & Recreation Director, Rick Haas, with the new recreation center. You're doing a great job Rick – keep up the good work.

Sincerely,

James N. Boisvert
Road Agent

Highway Crew: Mark Boisvert, Don Noel, Steve Fowler, Bill Talford, Leon Henderson & Norm Hamel

Highway Garage 485-5460

The Parks and Recreation Department went through a number of changes in 1999. First, only two weeks prior to our initial barn raising of a 200 sq. foot addition to the rec center, we decided to cancel it. Originally, the rec center was going to be located beside the town highway department. After hearing of problems with the high levels of methane gas at Lincoln Park in Nashua, we thought it would be in our best interest to find a new site. Therefore, we were in search of a new piece of property. We came upon The Whitten Street Park which was in need of repairs. Before working on the rec center, the department concentrated on cleaning up the park, having the basketball and tennis courts overhauled, and erecting a play structure. On April 17, 1999 we hosted a clean up barbecue, and with the help of 20 plus volunteers, we went to work.

Over the course of the summer, the "foundation" was being laid for the rec center. All the site works was performed by our Highway Department. In mid July, the modular was moved to Whitten Street Park. In September approximately 30 volunteers constructed our 200 sq. ft addition. Subsequently, numerous companies and individuals donated time, products, and services in order to help us complete this project. The rec center opened on February 12, 2000.

The Year 2000 brings the recreation department new plans and goals. We are in hopes that the Army Reserves will be able to help us construct ball fields on River Road beginning this spring. A ski program at Pat's Peak is already in the works. Weather permitting, ice skating will be held at the Whitten Street Park. Our goal for this year is to acquire as many volunteers as possible. Volunteers are needed not only to staff the new rec center, but to help coordinate programs for our children.

I would like to thank the following citizens of Allenstown for their hard work and dedication during the past year:

Claudette Verville, Monte Cossette, Paul and Angela Cheney, Jim Boisvert, Jim Bernier, Rick Letendre, Al Renilard, Gerry Lavoie, Officer Shawn Mullholland and lastly, my family, for being so patient-Robin, Chris and Kyle.

Thanks once again to all those who have helped make this a successful year for the recreation department. Best wishes to all for a happy and health New Year.

Regards,

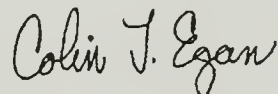

Rick Haas, Chairman
Allenstown Parks And Recreation

Allenstown Cemetery Trustee Report

In 1999 the Town encountered a problem with available cemetery space. It came to the attention of the Board of Selectmen that the Town did not have any plots available for residents requesting burial space within a town owned cemetery. The issue of cemetery space had been discussed over the last year. However, upon further review, it was discovered that the existing cemeteries with plots available did not belong to the town.

As a result, the Board of Selectmen created a Board of Cemetery Trustees consisting of Gabriel Daneault, Sandra McKenney and Colin Egan and proposed a new small budget this year to get the Trustees started. The goals for this coming year are to establish a set of cemetery regulations to be presented to the voters at next year's town meeting, adopt bylaws and regulations for the transaction of business and for the establishment and management of all municipal cemeteries within our responsibility, and to locate a lot that will become the town cemetery.

Respectfully submitted,

Colin T. Egan, Chairperson
Tel. 485-7215

ALLENSTOWN FIRE RESCUE SERVICES
5 Ferry Street Allenstown, NH 03275
Phone: (603) 485-9202 Fax: (603) 268-0640

To the Citizens of Allenstown

Allenstown Fire Rescue continues to be one of the busiest departments in the Capitol Area Mutual Aid Compact. We finished 1999 with 596 emergency calls for service. This is an increase of 67 emergency calls from the 529 in 1998.

Along with emergency calls the fire department personnel has kept busy with completing 4,850 man hours of training. As well as conducting several fire extinguisher classes for businesses with in the community and Town Hall personnel. Along with annual life safety inspections on commercial properties.

Enhanced 911 has completed the new addressing for the entire town. The maps will be available for review at the Town Hall and a public hearing is scheduled for May 10th at 7 PM. With the completion of this project, it makes the entire street numbering in the Town of Allenstown unified and done to one standard.

Allenstown Fire Rescue has seen a refreshing increase in the number of active volunteers over the last year. We have gone from an all time low of a 22-person roster to 31 at this time. Allenstown Fire Rescue is still looking for new members. If you have the time and desire to serve your community as an active member of your fire department call 485-9202 or stop by on any Tuesday night from 6:30 – 9:00. It can be a very rewarding experience.

I would like to take this time to thank all the men and women of Allenstown Fire Rescue for their tremendous dedication to the service they provide the citizens of Allenstown. All of your hard work and many hours of service make a department I am truly proud to be a part. I also thank all the members who serve as advisors to the Explorer program that was started a year ago. This program has been a great success in introducing high school students to the career fields of Fire and EMS.

Again, the Public Safety Building Committee has come up with a new approach to funding the much-needed new Fire Station. Again, we were defeated by less than 40 votes last year. I have great confidence that with the new approach we will be successful in making this project a reality.

In closing I would like to thank the Board of Selectmen and the people of Allenstown for their confidence and support over the years and hope it will continue well into the future.

Yours in Fire Safety
Richard H.Verville
Chief of Department

YOUTH EXPLORER POST

To the Citizens of Allenstown:

Allenstown Fire Rescue offers an Exploring program for our youth in the community. This program is for both men and women ages 14 to 20 that have an interest in the careers of Firefighting and Emergency Medical Services. All Explorers, along with the adult advisors, are registered with the Boy Scouts of America Learning for Life Program.

The goals of this program is to give the youth of our community the opportunity to learn about firefighting and emergency medical services at an early age. This program also gives our young adults knowledge and experiences to help with a career choice, if they decide to pursue these fields, this program will give them a head start and an edge because of what they have learned. Skills that are developed in six major areas are leadership responsibility, service to the community, outdoor environment protection, physical fitness, social development and career knowledge.

At this time, the Explorers meet three times a month at the Allenstown Fire Department. The first Wednesday is a meeting night, second Wednesday is for training and the third Tuesday the Explorers have the opportunity to train with the Fire Department members. All training sessions are closely supervised with adult advisors who donate their time, experience and guidance to create a safe and interesting learning environment. Some of the training sessions include CPR certification, forest fire certification, fire behavior, proper use of protective gear, safety on and off the fire ground, self-contained breathing apparatus, ventilation, hose and streams, communications, basic first aid and much, much more.

The Explorers have been very active this year participating in mutual aid drills as patients in a mock bus accident, most functions and fund raisers with the fire department, volunteered their services at the Bewitched Forest in October, car washes, a field trip to Pease Air Force Base and camping trips over the Summer. This year we are planning many more activities.

This past year we have had a few success stories. Six Explorer members have completed a new Ride-A-Long program where they can respond to calls and perform basic tasks at the scene such as assisting in rehab, rolling hose, salvage work, assisting the fire prevention officer and many other tasks. Additionally, we are proud to announce that three Explorers this year will become Firefighters with the Allenstown Fire Department. This is what the Exploring program is all about, however, if an Explorer decides not to join the Department, what they learned and experienced will stay with them forever. The Explorers take pride in accomplishing things as a TEAM whether it be serious work, volunteering or having fun.

We are always glad to welcome new members. If you have an interest or any questions regarding the Explorers Program, please call the Allenstown Fire Department Monday - Friday between 8am and 5pm or leave a message.

I would like to say thank you to all the Advisors and Explorers that helped make this program a great success and for those who helped with contributing donations and fund raisers throughout the year.

Lt. Dan Silva
Explorer Advisor

1999 DISPATCH CENTER STATISTICS

The following incident numbers have been compiled for year end review for Capital Area Fire Compact Departments:

Town	Square Miles	Estimated Population	1998 Incidents	1999 Incidents	% change

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L: 17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and / or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. During 1999 season Forest Rangers were busy assisting communities with suppression of difficult and remote multi-day fires. Forest Rangers have also investigated numerous complaints regarding violations of timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. The 1999 fire season was a challenging but safe year for wildland firefighters in New Hampshire. The severe drought conditions throughout the spring and summer months combined with residual effects of 1998 Ice Storm, resulted in a dramatic increase in wildland fires. In addition to burning in excess of 452 acres, 35 structures were also impacted by wildfire. Wildland fire in the urban interface is a serious concern for both landowners and firefighters. Homeowners can help protect their structures by maintaining adequate green space around them and making sure that houses are properly identified with street numbers.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Please contact your local fire department before doing **ANY** outside burning.

REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

1999 ANNUAL REPORT TO BOARD OF DIRECTORS

This report is prepared for the Board of Directors as a summary of Compact activities during the year 1999.

The Compact continues to serve eighteen communities in the Capital Area encompassing 644 square miles. The latest population estimates are 97,307. This population fluctuates constantly depending on day of week and time of day. Major events, transportation route activity, and weather conditions also impact the types and volume of emergencies that our departments respond to.

We continue to purchase dispatch service through contract with the City of Concord Fire Department. Call volume increased by 7.6% over 1998 to a total of 13,108 incidents in 1999. Detailed statistics for 1999, and a summary of incidents by department from 1977 to present are attached to this report. Our computer aided dispatch hardware and software were upgraded with additional features and speed, including Y2K compliance. The appointment of Lt. Ernest Petrin as full-time Communications Supervisor has greatly enhanced the operation of the dispatch center. This management position provides quicker resolution to data conflicts, improves data entry capability, and provides special reporting and documentation when needed. An additional full-time dispatcher position is being added in the year 2000.

The Chief Coordinator participated in numerous local and regional planning events concerning Y2K issues. Compact owned computers were checked and upgraded as necessary. There were no Y2K related failures at year end.

The Compact operated within its 1999 budget appropriation of \$ 507,902. This amount included dispatch service, Compact operations, and the major computer aided dispatch upgrade which was funded from Compact reserves.

Federal grants were received in the amount of \$ 19,343.75 for Regional Hazardous Materials projects and Emergency Management planning.

The following members served the Compact in 1999 in the following positions:

President:	Chief H. Dana Abbott, Bow
Vice President:	Chief Paul Welcome, Webster
Secretary:	Chief Peter Russell, Hopkinton
Treasurer:	Firefighter John R. Burton, Bow
Chief Coordinator:	Chief Richard E. Wright, Loudon

Executive Committee: Chief H. Dana Abbott, Pres., Bow
Chief Paul Welcome, V. Pres., Webster
Chief Peter Russell, Hopkinton
Chief John Swindlehurst Jr., Past Pres., Dunbarton
Chief Richard Brown, Warner
Chief Leonard Deane, Pittsfield

Dispatch Committee Chair: Chief Harold Paulsen, Pembroke

Training Committee Chair: Captain Richard Pistey, Bow

Haz-Mat Team Chief: Batt. Chief Andy Paskalis, Concord (1999)
Dep. Chief Richard Siegel, Belmont (2000)

The Dispatch Committee under the direction of Chief Paulsen continues to assist with CAD issues; and makes recommendations for standardized dispatch procedures. Chief Paulsen, Battalion Chief Hillsgrove, Lt. Peloquin, and Lt. Petrin all spent a week out of their busy schedules to attend classes in New Jersey and familiarize themselves with the upgraded computer operating functions.

Captain Dick Pistey and his Training Committee once again provided the opportunity for all departments to host a mutual aid drill. Drills were held throughout the Compact with practice in several subject areas.

The Central New Hampshire Haz-Mat Team, comprised of Capital Area and Lakes Region members continues to train bi-weekly and responded to 18 incidents in 1999. A used Coca Cola Bottling delivery truck was donated to the team, has been retrofitted and equipped and is now in service. This unit is designated 66U3 and is housed in the Lakes Region area. Units 66U1 and 66U2 are housed in Bow through the generosity of Bow Fire and Rescue.

The Chief Coordinator responded to 105 mutual aid incidents, and actively participated in several state and area organizations that impact the Compact. He is again serving as a member of the Legislative Committee of the New Hampshire Association of Fire Chiefs.

Page 3 (1999 Annual Report)

The year 2000 will bring new challenges. We anticipate emphasis in the areas of regional Emergency Medical Services, advancements in down loading of Enhanced 9 1 1 data to local dispatch centers, new fire suppression aids and equipment, and the opportunities for further education.

We encourage all departments to send representatives and actively participate in all Compact meetings. Your input is needed on all issues and your members need to be informed of Compact activities and planning.

Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Dick Wright, Chief Coordinator
CAPITAL AREA FIRE COMPACT

Boards of Selectmen

01/20/2000

January 6, 2000

To the Citizens of Allenstown,

We are once again pleased to submit for your information the 1999 annual report of your Police Department. We indicated in the 1998 report that we had experienced the busiest year in the department's history. We are now reporting to you that 1999 was just as busy, with a total of 10,256 calls for service recorded, in comparison to a total of 7,475 in 1997. As always the calls for service do not reflect the length of time that some of these calls require.

The most significant accomplishment of the past year was the recruitment of three new police officers to fill the positions created by our successful grant application. These positions have, among other things, allowed us to; assigned a School Resource Officer full time to our elementary schools; increase the amount of time the officers are able to perform preventative patrol; allowed us to increase the amount of time that an officer is available in the station to provide service to citizens who come to the station. Many of you have commented during my tenure how frustrating you found it to come down to the police station to conduct business, only to find the door locked and "nobody home". With the addition of the new officers we implemented a policy that anytime there are at least two officers on duty, that one of them is to be in the station until at least 9:00 PM, unless of course there is an emergency requiring their presence elsewhere in the community. We have also been able to virtually eliminate the utilization and dependence on part time officers.

We were successful in obtaining another grant from the New Hampshire Highway Safety Agency that enabled us to purchase another radar unit for the patrol units.

Many of you have complimented us on the new color scheme of your marked police cruisers. Hopefully during the coming year we will get to the point where all of our marked cruisers look the same, for the first time in the departments history.

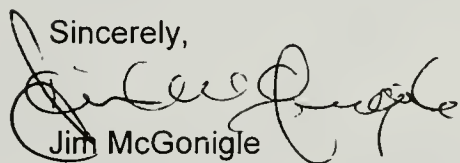

We continue to strive to provide you, our citizens, with the finest level of professional service that we can, given our communities available resources.

We would be remiss if we did not acknowledge our appreciation of the support we continue to receive from the Board of Selectmen; the Honorable Peter Viar, Chairman, the Honorable Arthur Houle, and the Honorable Ben Fontaine. This may not mean much to most of you, or even to the Board of Selectmen, but a common complaint amongst Police Chiefs is that they have to work for Selectmen, who constantly try to interfere or micro manage their departments. This has never been the case with any of the selectmen I have had the privilege of working with and for, for which I, and the men and women of this department are very grateful. We also greatly appreciate the fine support of the Budget Committee, chaired by the Honorable Roland Martel.

In closing I would like to thank all of you who have taken the time during the year to express your satisfaction with the service your officers have provided. In this profession we frequently hear from people who are not happy with something that we did or did not do. It is always a pleasure to be acknowledged for a job well done. The officers and employees appreciate your gracious comments and so do I.

Thank you all for your continuing support and we look forward to seeing you at the Town Meeting.

Sincerely,

Jim McGonigle
Chief of Police

ALLENSTOWN POLICE DEPARTMENT

MISSION STATEMENT

IN COOPERATION WITH THE PEOPLE OF ALLENSTOWN AND IN PARTNERSHIP WITH OTHER PUBLIC AND PRIVATE AGENCIES, TO ASSUME A LEADERSHIP ROLE THROUGH A PROBLEM-SOLVING APPROACH TO PREVENTING CRIME AND DISORDER, REDUCING CITIZEN FEAR OF CRIME, A VARIETY OF NON-CRIMINAL ACTIVITIES, AND IMPROVING THE QUALITY OF LIFE AS WE WORK TOGETHER TO MAKE ALLENSTOWN TRULY NEW HAMPSHIRE'S OUTSTANDING "ALL-AMERICA TOWN."

VALUES STATEMENT

THE ALLENSTOWN POLICE DEPARTMENT IS COMMITTED TO FULFILLING ITS MISSION BY UPHOLDING THE FOLLOWING VALUES:

INTEGRITY

WE WILL ADHERE TO THE HIGHEST ETHICAL STANDARDS AND ACCEPT RESPONSIBILITY FOR OUR DECISIONS AND ACTIONS.

RESPECT

WE WILL TREAT ALL EMPLOYEES, OFFENDERS AND THE PUBLIC WITH FAIRNESS, HONESTY, CONSIDERATION AND RESPECT WHILE RECOGNIZING INDIVIDUAL DIVERSITY.

PROFESSIONALISM

WE WILL BE FIRM, FAIR AND CONSISTENT IN THE PERFORMANCE OF OUR DUTIES AND RESPONSIBILITIES. AS POSITIVE ROLE MODELS, WE WILL TAKE PRIDE IN MAINTAINING THE QUALITY OF OUR SERVICES THROUGH OUR PERFORMANCE, APPEARANCE AND CONTINUED EDUCATION AND TRAINING. WE WILL INSTILL TRUST AND TEAMWORK BY PROVIDING SUPPORT TO FELLOW EMPLOYEES AND PROMOTING COOPERATION AND EFFECTIVE COMMUNICATION.

VISION

IT IS OUR VISION THAT THE ALLENSTOWN POLICE DEPARTMENT WILL CONTINUE TO BE A CORNERSTONE OF PROGRESS AND A MODEL POLICE DEPARTMENT IN SERVICE TO OUR CITIZENS, CARING FOR OUR EMPLOYEES, AND CONSTANT IMPROVEMENT TO THE QUALITY OF THE SERVICES THAT WE RENDER.

Allenstown Police Department

Allenstown Police Department

Animal Control Program Statistical Report

January 6, 2000

To the Citizens of Allenstown,

The Allenstown Police Department continues to operate without the services of an Animal Control Officer due to the continued budget restraints. This has placed the responsibility on all the police personnel to assist you as members of the community when an animal complaint arises. Whenever a situation occurs regarding an Animal Complaint, it is the Patrol Officer that responds to the call. This can often result in a delay in responding to your call, as the duty officer may be involved in a higher priority call for service elsewhere in the community. We would like to take this time to thank you all for your patience in this matter.

The following is a comparison of the past three years activity as of December 31, 1999.

Call for Service by Category	1999	1998	1997
Abatement/Civil Fines Issued	85	133	83
Summons to Court	6	7	2
Warnings Issued	37	39	45
ACO Other Complaints	293	434	293
Total Animal Calls	421	613	423

We have continued to enforce a "zero tolerance" policy in regards to dogs not being properly licensed or running at large. State law and Town Ordinances require that all dogs, over 3 months of age, be licensed or re-licensed prior to May 1st of each year. The same statute, RSA 466:1, mandates that, annually between June 1 and June 20, the Town Clerk shall submit to the local governing body a list of those owners of dogs who have not renewed their dog licenses. In 1997 we received a list in excess of 600 dogs that had not been re-licensed as required. This "zero tolerance" policy has reflected a change in the 1998 year and the listing was brought down to under 150 dogs that had not been re-licensed as required. In 1999 the list from the Town Clerk contained 102 names. We strongly encourage voluntary compliance with all laws and do not enjoy issuing fines to our citizens. This is one statute where we are mandated to take enforcement action.

We appreciate your understanding and your cooperation.

Jim McGonigle
Chief of Police

BUILDING DEPARTMENT REPORT FOR 1999

The Building Department issued 205 permits in 1999 as follows:

New Construction	34 (including conversions)
------------------	----------------------------

Alteration Permits	48
--------------------	----

Manufactured Housing	30
----------------------	----

Electrical Permits	49
--------------------	----

Plumbing	39
----------	----

Demolition	5
------------	---

Included in the new construction permits were nine single-family homes and one major commercial construction – the very noticeable Mobil-on-the-Run on Route 3. Completion of the project is slated for February/March, depending on weather conditions.

The Code Enforcement Division performed 14 zoning investigations, 8 building code violation investigations and assisted the Health Officer upon request.

I would like to thank the Board of Selectmen, Henriette Girard – Office Manager, Allenstown Fire Department, Allenstown Police Department and the residents of Allenstown for their assistance and support in 1999.

Lissa Dorfman
Building Inspector/Code Enforcement Officer

THE HIGHEST REWARD FOR A PERSON'S TOIL IS NOT WHAT THEY GET FOR IT,
BUT WHAT THEY BECOME BY IT.

HEALTH AND HUMAN SERVICES REPORT

The Health Division responded to 35 calls in 1999. Warning notices were served resulting in the correction of the violations.

=====

The Welfare Department experienced a decrease in assistance due to the better economic conditions. Approximately \$13, 979.53 will be returned to the general fund from the original \$45,000 budgeted amount.

The Thanksgiving and Christmas programs provided approximately 50 families with food, clothes and gifts for the children. Thanks to area businesses, private donors and Toys for Tots for their support in these programs.

I would like to thank Lissa Dorfman, Building Inspector, for her assistance in the Health Department and Thanksgiving Program and as Co-Director in the Christmas Program.

Donna Meadows
Health Officer/
Welfare Director

When will it snow?... This is the famous question today on Monday, January 3rd in the year 2000. According to the newspaper, it has been 77 years since it's been this mild. No snow for Christmas, no snow for New Year's Day. The skiers, the skaters, the snow mobilers and the little children want that soft, powdery stuff. When we were young, we had the same wish, no doubt.

The year went well at the library except for a few happenings. A little water in the cellar and the computer "gave up". It could have been much worse. We are anticipating the most in the new millennium. One priority is to rearrange the lower level of the building to make room for new books and make use of wasted space. We were very fortunate to acquire many new children's books and a new World Book Encyclopedia was purchased. We are also the recipients of wonderful new books given to us by Mr. Guy Duhaime and member of his family in memory of his wife, Audrey. Thank you, again, for your generosity.

The Library hosted the "Meet me in Suncook" group during a tour of different buildings in the area. Many Pembroke residents have never entered our Library. Many were amazed at the architectural beauty and the ambiance that it presents when one walks in. We were more than happy to greet them.

Many thanks to our Town Officials, Department Heads and Board Members who are understanding and helpful, especially the Highway, Fire and Police Departments. They are always ready to respond when the need arises.

Our Trustees are Vicki Kneeland, Vivien Doane and Rose Bergeron. They are a wonderful team. The Trustees are congenial, understanding and always willing to lend a hand.

The staff remains the same: Bettye Richard, Pauline Chroniak, Pauline Demers and myself. We hope to offer our patrons the very best in the new year. We are always happy to welcome new members. The Library is a place to be yourself; to enjoy the many books by favorite authors and sometimes to chit-chat with old friends. A perfect haven when one needs to escape for awhile.

We wish all our patrons a healthy and prosperous New Year. Remember, that a book is a good friend. I'd like to leave with these thoughts...

LITTLE THINGS By Julie A. Fletcher Camey - Bartlett Famous Quotations

Little drops of water
Little grains of sand
Make the mighty ocean
And the pleasant land

Little deeds of kindness
Little words of love
Help make earth happy
Like the Heaven above

Georgette Plourde
Librarian

ALLENSTOWN CONSERVATION COMMISSION REPORT 1999

During the year 1999, there have been a few changes in the membership of the Allenstown Conservation Commission. Sarah Flanagan was elected chairman of the Conservation Commission, and Heather Sherwood as Secretary. Other full-time members include Mark Durgin, Peter Viar as Selectmen Representative, Roland Martel and Gabby Daneault. Armand Verville and Jim Roger both resigned as Commission alternates. The Commission was allocated funds of \$970 for the year 1999 of which only \$200 was spent for annual dues to the New Hampshire Association of Conservation Commissions and \$23 for training.

The Commission meets at the Town Hall on the first Wednesday of each month. The Commission met sporadically over the year and took the summer months off. Typically, only three to four members attended the monthly meetings. We had better attendance when meeting for special events. One such event took place when five members met with two employees of Tamchar, Inc. in October to discuss activities regarding timber and mining activities on their property located at 169 Granite Street.

Overall, the Commission has been in existence for only two years and we are still in the learning stage as to what a Conservation Commission should be focusing on. We know we want to be more involved with activities in Town that pertain to conservation issues. This includes receiving copies of permits to conduct timber harvesting in Town and activities that affect guidance on these and other activities that affect conservation issues in our Town.

We are still actively looking for citizens of Allenstown who would like to consider being alternates to the Conservation Commission. Please call any one of the full-time members if you are interested.

Thank you,
Sarah Flanagan
Chairman, Conservation Commission

PLANNING BOARD REPORT

In 1999, the Planning Board went through some major changes as we lost three long time members. I want to thank the following members for their many years of dedicated service - Richard Dymont, former Chairman and member for over 9 years, Robert Girard, former co-chairman and member for over 25 years, and Mark Labrecque, former secretary and member for over 5 years. Good luck and thanks again for the many years of service to the town.

Although the Planning Board lost three valuable members, we welcome two new members who have already established themselves to be assets to the Board. Our new secretary is Tom Tripp who brings a wealth of education to the Planning Board. Tom has a master's degree in accounting and a strong computer background. Jim Rodger has also joined the Planning Board after serving several years on the Zoning Board and also is a current Sewer Commissioner. Ben Fontaine is now the selectmen's representative and brings an abundance of experience including being a former Planning Board Chairman.

During this last year, the Planning Board has worked hard on a large subdivision and site plan review presented by developer Charlie Desfosses for a Mobile On The Run located on Route 3. Charlie has been most cooperative and has gone out of his way to do things right the first time. By the time you read this report, Mobil On The Run should be opened for business. We welcome Charlie to our town and look forward to his business here in Allenstown.

We have had some problems with one site plan that was approved in 1997. The developer has been addressing all issues and we hope to resolve all outstanding items before the end of this year. There has been some state involvement in correcting some of these issues.

The Planning Board has updated the fees for site plan and subdivision reviews to a rate that is an average of what all the surrounding towns are charging. In the near future, the Planning Board will be reviewing its rules and regulations to update them as well. One of the main objectives will be for improved documentation and organization.

The Planning Board started working on updating the Master Plan many years ago. The current Planning Board has decided to revise some of the material that is in the plan as it is now outdated. Because of this and other factors, the Planning Board requested and received a bid from Central New Hampshire Regional Planning Commission to update our old plan. A new Master Plan may help us receive government grants. The Planning Board has recommended to the Selectmen that the town re-join the Central New Hampshire Regional Planning Commission. The Selectmen have agreed to place money in their budget for this purpose.

Recently some zoning ordinance changes were presented to the Planning Board that would effect home businesses. The Planning Board felt there was not enough time to study the changes and offer a recommendation for this year's warrant article. The Planning Board would like to form a committee made up of townspeople some of whom have home businesses to review these changes and to make a recommendation to the Planning Board. Please contact the Planning Board if you are interested in being on this committee.

In closing, the Planning Board is looking for help. At this time, there is one full time opening and three alternate openings. We have two pending appointments but still have two openings available. The Planning Board meets twice a month on the first and third Tuesday of each month from 7:30 until approximately 10:00 pm. Please call me if you are interested in serving on the Planning Board or come sit in at one of our meetings and see what it is all about.

Respectfully submitted,

Colin T. Egan, Chairperson

Tri-Town Volunteer Emergency Ambulance Service, Inc.

Post Office Box 219 - 17 Central Street
Pembroke, New Hampshire 03275-0219
Emergency: 485-7010 *or* 624-2323 - Bus.: 485-4411
Serving - Allenstown - Hooksett - Pembroke

Dear Allenstown Residents:

In 1999 we responded to approximately 1,345 calls for emergency medical service, 337 of which were in Allenstown. With the cost recovery project still operational, we managed to assist some of our many dedicated volunteers advance their skills. A few have gone to Paramedic school and will be graduating soon. While others have gone to school for their Intermediate license. This will take them from being basic life support trained to having the skills necessary to provide advanced life support treatment. To these people we say thank you for your dedication and drive to advance in your emergency medical services career whether it be volunteer or paid. With these great people we'll be able to continue to provide the residents of the Town of Allenstown with the best emergency medical care they deserve.

In September, Derek Kouwenhoven, one of our full-time paramedics left to take on a new career as a nurse in Vermont. He has been with us for five (5) years. He however will be staying on with us as a per-diem medic. We wish him the best of luck and are sorry to have him leave us in a full-time capacity. Laura Lea Thibeault has since then joined us to fill that full-time position as a paramedic. We welcome her to our service and know that she will help carry on our caring, compassion, and dedication to you the residents of Allenstown.

Some of the items purchased this past year, include cellphones for our ambulances. This allows us to contact the doctor at the hospital directly from the scene if necessary. Additional tone pagers for new volunteers to the service, that way they can be alerted to any emergency that requires their response to service. We also purchased new snow tires for all three ambulances, so we can get to emergency calls safely and provide for safe transport of those who may have to go the hospital.

Our goals for the coming year include more public relations events to include blood pressure screenings, presentations in schools, etc.. Also to work with the local police and fire departments on bicycle safety, injury prevention, and CPR classes for town residents. In the past we had an explorer post, we will be working on getting it back into operation this coming year. And keeping up with the ever growing skills and technology to help keep us one of the most advanced volunteer ambulance service in the state.

Tri-Town Volunteer Emergency Ambulance Service, Inc.

Post Office Box 219 - 17 Central Street
Pembroke, New Hampshire 03275-0219
Emergency: 485-7010 or 624-2323 - Bus.: 485-4411
Serving - Allenstown - Hooksett - Pembroke

We have come along way over the last twenty-seven (27) years. With the continued support of the residents, businesses, Town Selectman, and the Allenstown Fire Department, Tri-Town Volunteer Ambulance will continue to be one of the leading providers of emergency medical care in the State of New Hampshire.

We would like to thank the Allenstown Selectman for their participation on our Executive Board. The many dedicated men and women on the Allenstown Fire Department who have been there when we needed a hand on an emergency call. Thank you to all of the residents who sent in letters of support and/or donations. Your support does make a difference for us.

Sincerely,

Robert Cole, volunteer
Treasurer
Public Relations Co-Chair

ANNUAL REPORT OF THE TOWN OF ALLENSTOWN

The Concord Regional Visiting Nurse Association (CRVNA) continues to offer comprehensive health services to the residents of Allenstown. The following is a description of these services:

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting. Patients who receive services range from children who have a complex medical condition to frail elders who require supportive assistance to stay in their own homes.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

CRVNA's Hospice House provides residential care to terminally ill patients who have no primary caregiver or need a supported residential setting. Often times patients are transferred into the Hospice House when a caregiver is exhausted and unable to care for them at home any longer. To date, this house has provided a home to approximately 500 terminally ill residents.

Community Health services include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, supportive services to school districts parent education and support, health education and nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Over the past two years Senior Health Clinics have expanded to reach out to seniors who may require a monthly check by a nurse of their blood sugar, blood pressure, and/or diabetes management. The expansion of these services was in response to the decrease in Medicare services to seniors.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Allenstown may request service; patient, doctor, health facility, pastor, friend or neighbor. The nurse who completes an assessment will coordinate with the patient's physician a plan of care to meet the patient's specific needs. If the patient does not have a physician the nurse will assist the patient to identify one and schedule a visit. The agency has developed a program with the NH-Dartmouth Family Practice Residency Program to coordinate a house call visit by a resident to a frail elder's home who is unable to leave his/her home.

A call to Concord Regional Visiting Nurse Association (1-800-924-8620) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call twenty-four hours a day. The On-Call Nurse can be reached by calling 1-800-924-8620.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. The community health services are provided to residents often times free of charge. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) with commendation and is a member agency of the United Way of Merrimack County.

Ms. Henriette Girard
 Town Manager
 Town of Allenstown
 16 School Street
 Allenstown, New Hampshire 03275

Dear Ms. Girard:

Funds for Community Action Program continue to be generated in many ways. Support for the Area Center is based on local tax dollars. In this way, we can provide, through our Area Center, local service delivery of our many programs as well as effective outreach, needs assessment and program development. If we are to be effective in delivering services in your town, as well as others in our area, the Area Center is vital. In the area of program development, I'd like to take a moment to thank you for your interest and support of our programs.

The attached budget reflects minimum costs of maintaining the Suncook Area Center. It also delineates the budget request for Allenstown. This figure is determined by the local community participation level and services provided. We all empathize and are well aware of the financial pressures and economic problems of local communities. These same pressures and problems have and are constantly increasing the demand and need for Community Action assistance and services to families and individuals with low incomes. We will continue to work closely with your welfare officer to ensure the maximum availability of our program, as well as continue to mobilize any resources that become available to help serve your community.

In order to comply with specific requests for much more detailed and documented activities in the Suncook Area Center, we have included a brief note on each of our programs with figures as to how many people from Allenstown participated in these programs.

Ms. Henriette Girard
Town Manager
Town of Allenstown
November 10, 1999
Page Two

We hope this makes our services clearer and as always, will be happy to answer any questions that may arise. Thank you for your continued cooperation.

Therefore, on behalf of the Suncook Community Action Area Center and the \$267,777.22 worth of service dollars provided to the Town of Allenstown, and the increase in rent and utilities to run our area center, I respectfully request a formal review and consideration of our services and submit the following recommendation from the Budget Committee: "To see if the Town will vote to raise and appropriate the sum of \$14,981.00 for the continuation of services to the low income residents of Allenstown through the Suncook Area Center of the Community Action Program Belknap-Merrimack Counties, Inc."

Sincerely,

Diane Moore, Area Director
Suncook Area Center

USDA COMMODITY SURPLUS foods are now distributed directly to local food pantries and kitchens on a quarterly basis. These pantries and soup kitchens service all in need, not just town residents.	CASES--126		\$ 2,738.31
		GRAND TOTAL	\$ 267,777.22
INFORMATION AND REFERRAL--CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.			

UNH Cooperative Extension provides Merrimack County residents with research-based education and practical information, enhancing their ability to make informed decisions that strengthen youth, families and communities, sustain natural resources, forests, wildlife and agriculture, and improve the economy.

Merrimack County residents benefit from county and statewide Extension programming. Among these many local and state efforts are monitoring water quality in our lakes and rivers, reducing the use of pesticides, parenting, television and educational programs, 4-H and youth development programs, land use management, food safety, forest stewardship, family finances, meeting the needs of low income families, strengthening our communities, developing a strong volunteer base through our local Advisory Council, Master Gardeners, Coverts Project, Family Focus parenting volunteers and 4-H leaders, and providing research-based information to citizens.

In January UNH Cooperative Extension will open the new Family, Home & Garden Education Center located in Manchester. The center will have a toll-free InfoLine staffed by Master Gardeners. The InfoLine will hand questions and requests for information on a wide range of everyday issues concerning home horticulture, water quality, indoor and outdoor pests, indoor air quality, backyard livestock, recreational ponds, nutrition, food safety, family finances and youth development for more information call 225-5505.

Community efforts include after-school programs, teen assessment projects, land use management planning, wellness teams, town office visits, master gardeners, and working with schools on maintenance of landscaped areas. We have a resource notebook in your town library.

The staff in Merrimack County includes these Extension educators: Peg Boyles, Judith Bush, Debbie Cheever, Nancy Evans, Tim Fleury, Kathleen Jaworski, Debbie Luppold, John Porter, David Seavey, Marilyn Sullivan and three support staff.

Visit our office located at 315 Daniel Webster Highway, Boscawen (right next to the Merrimack County Nursing Home). We're open Monday-Friday, 8 AM until 4 PM. Call us at 225-5505 and 796-2151 or find us on the web at [HTTP://CEINFO.UNH.EDU](http://ceinfo.unh.edu).

**ALLENSTOWN SEWER COMMISSION
SUNCOOK WASTEWATER TREATMENT FACILITY**

To the citizens of Allenstown:

The Sewer Commission incurred many unexpected projects in 1999. Although the substantial costs of addressing these projects places additional strain on an already tight budget, the sewer commission managed to perform the following activities without implementing an increase in the sewer rates.

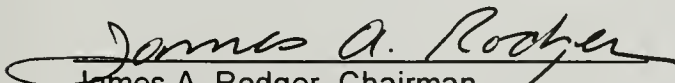

- Removal and reconstruction of all manhole covers on School St.
- 3 significant sewer backups-Bailey Ave., Letendre St., Ridge Rd.
- Lightning strikes at Town Hall and River Rd. pump station.
- Replacement of variable frequency motor drive at the wastewater plant.
- Repairs to grinder, electrical conduit, aeration tanks, plunger pump, truck transmission, and broken water main at the wastewater plant.
- Converting chlorine gas to liquid disinfection system, for Federal regulatory compliance.
- Replacement of lab refrigerator, for compliance with NHDES inspections.
- Installation of new solids grinder, for compliance with State regulations.
- Installation of explosion proof overfill alarms, for NHDES compliance.
- Department of Labor compliance inspection.

The wastewater treatment facility has completed its 24th year of operation. In 1999 over 215 million gallons were treated and discharged to the Merrimack River. This amount represents an average daily flow of .59 million gallons per day, which is 56% of the design capacity of the treatment facility. Over 284 dry tons of biosolids were taken to land application sites by White Mountain Resource Management for beneficial recycling.

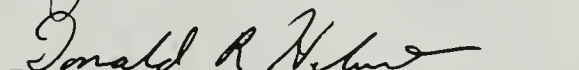

Should anyone like further information please feel free to contact us at 485-5600.

Respectfully submitted,

THE ALLENSTOWN SEWER COMMISSION

James A. Rodger, Chairman

Elizabeth B. St. Germain, Commissioner

Donald A. Hebert, Commissioner

**MINUTES OF THE ALLENSTOWN SCHOOL DISTRICT MEETING
JANUARY 30, 1999**

The Allenstown School District Deliberative Session was held on Saturday, January 30, 1999 at the Allenstown Elementary School. In attendance were officers of the Allenstown School District, members of the School Administrative Office, Allenstown School Board members, faculty and staff and 39 qualified voters.

The school district moderator Eugene Vallee, Jr. called the meeting to order at 10:00 A.M., followed with the Pledge of Allegiance. He introduced the people at the head table: David Dziura, Assistant Superintendent of Schools; Fred Dunlop, Principal; Terri Kenny, Assistant Principal; Gene Vallee, School District Moderator; Ronnie Spofford, School District Clerk; and five (5) School Board Members: Lou Conley, John Hayward, Kim Carbonneau, Karen Dupont and Evelyn Guilbeault.

Article 1: TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

No discussion.

Article 2: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE AN OPERATING BUDGET, NOT INCLUDING APPROPRIATIONS BY SPECIAL WARRANT ARTICLES. THE AMOUNT SET FORTH ON THE BUDGET POSTED WITH THIS WARRANT, OR AS AMENDED BY VOTE OF THE FIRST SESSION, FOR THE PURPOSES SET FORTH THEREIN TOTALING \$5,411,410. SHOULD THIS ARTICLE BE DEFEATED, THE OPERATING BUDGET SHALL BE \$5,382,873, WHICH IS THE SAME AS THE LAST YEAR, WITH CERTAIN ADJUSTMENTS REQUIRED BY PREVIOUS ACTION OF THE SCHOOL DISTRICT, OR BY LAW, OR THE GOVERNING BODY MAY HOLD ONE SPECIAL MEETING IN ACCORDANCE WITH RSA 40:13, X AND XVI TO TAKE UP THE ISSUE OF A REVISED OPERATING BUDGET ONLY.

NOTE: WARRANT ARTICLE #2 (OPERATING BUDGET ARTICLE) DOES NOT INCLUDE INDIVIDUAL WARRANT ARTICLES #3 AND #4.

John Hayward answered some questions asked by Peter Viar regarding teacher contracts. Evelyn Guilbeault and Karen Dupont answered questions regarding certain parts of the budget including budget percentages for Pembroke Academy.

Colin Egan motioned to restore the \$500 stipend for each board member by increasing budget line #2310-2319 by \$2,500 which will increase the total appropriation to \$5,413,910. Seconded by Henriette Girard. Several voters spoke of being in favor of this motion emphasizing that this is needed to recognize the long hours and hard work put in from our school board members.

John Hayward explained the school board's opposition toward this until the state's school funding issue is resolved.

Article 3: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE COST ITEMS SET FORTH IN THE COLLECTIVE BARGAINING AGREEMENT REACHED BETWEEN THE ALLENSTOWN SCHOOL BOARD AND THE ALLENSTOWN PARAPROFESSIONAL ASSOCIATION FOR THE 1999/00 FISCAL YEAR WHICH CALL FOR THE FOLLOWING INCREASE IN SALARIES AND BENEFITS:

FUND I	\$25,042	FUND IV	\$2,958
--------	----------	---------	---------

AND FURTHER TO RAISE AND APPROPRIATE THE SUM OF \$28,000 FOR THE 1999/00 FISCAL YEAR, SUCH SUM REPRESENTING THE ADDITIONAL COSTS ATTRIBUTABLE TO THE INCREASE IN SALARIES AND BENEFITS AGREED TO BY THE ALLENSTOWN SCHOOL BOARD AND THE ALLENSTOWN PARAPROFESSIONAL ASSOCIATION.

Karen Dupont answered some questions and explained that a Pay-Step Schedule has been established so that all employees are accurately placed at a fair rate of pay at their level of competency.

Article 4: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF UP TO \$5,000 FROM SURPLUS, TO SUPPORT THE EFFORTS OF THE CLAREMONT LAWSUIT COALITION AND TO AUTHORIZE THE USE/TRANSFER OF UP TO \$5,000 FROM THE JUNE 30, 1999 FUND BALANCE FOR THIS PURPOSE.

Colin Egan motioned to allow non-residents to speak, seconded by Ashland Kneeland. Representative, Frank Davis spoke about the Claremont Lawsuit stating there are about 20 proposals being discussed and April 1 is the deadline.

Representatives, Gerry Lavoie and Gabriel Daneault also spoke about the lawsuit. Henriette Girard, Carolyn Gaskey and Judy Silvan also voiced their concerns and/or comments.

John Hayward announced 2 very important dates:

February 1	9:00 A.M.	Education Symposium @ Beckett Temple
February 8	6:30 P.M.	School Board Meeting with Senator Mary Brown @ AES

Article 5: TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

No discussion.

Respectfully submitted by,
Veronica F. Spofford
School District Clerk

The following is the result of the March 9, 1999 vote of the School District of Allenstown, New Hampshire:

SCHOOL BOARD (3 years)	
John Hayward	598 votes

Veronica F. Spofford
District Clerk

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF ALLENSTOWN,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School in said District on the 10th day of February, 2000 at 6:30 o'clock in the evening to deliberate upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

2. To see if the District will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$6,326,490. Should this article be defeated, the operating budget shall be \$6,199,493 which is the same as last year, with certain adjustments required by previous action of the school district, or by law, or the governing body may hold one special meeting in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Note: Warrant Article #2 (operating budget article) does not include individual warrant articles #3, #4 and #5)

School Board recommends Approval
Budget Committee recommends Approval

3. To see if the District will vote to raise and appropriate the cost items set forth in the collective bargaining agreement reached between the Allenstown School Board and the Allenstown Paraprofessional Association for the 2000/01 fiscal year which calls for the following increase in salaries and benefits:

<u>Fund I</u>	<u>Fund IV</u>
\$33,003	\$1,925

and further to raise and appropriate the sum of \$34,928 for the 2000/01 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits agreed to by the Allenstown School Board and the Allenstown Paraprofessional Association.

School Board recommends Approval
Budget Committee recommends Approval

4. Shall the School District accept the findings and recommendations contained in a Factfinding Report dated January 3, 2000, made by Factfinder Gary Altman, said report made to the Allenstown School Board and Allenstown Education Association, NEA-NH, pursuant to RSA 273-A:12, and:

Shall the School District raise and appropriate \$117,060, such sum representing the additional costs attributable to the recommendations in salaries and benefits made by the Factfinder for the 2000/01 fiscal year, over those of the appropriation at current staff levels paid in the prior fiscal year.

School Board does not recommend Approval
Budget Committee does not recommend Approval

5. To see if the District will vote to raise and appropriate the sum of up to \$5,000 **from surplus**, to support the efforts of the Claremont Lawsuit Coalition and to authorize the use/transfer of up to \$5,000 from the June 30, 2000 fund balance for this purpose.

School Board recommends Approval
Budget Committee recommends Approval

6. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

7. To transact other business that may legally come before said meeting.

Given under our hands and seal this 28th day of January, 2000.

John Hayward Chair
Roger Blazon
Louis Conley
Karen Dupont
Evelyn Guilbeault

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

December 18, 1999

The School Board
Allenstown School District
Allenstown, New Hampshire

I have audited the financial statements of the Allenstown School District as of and for the year ended June 30, 1999, and have issued my report thereon dated December 18, 1999. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

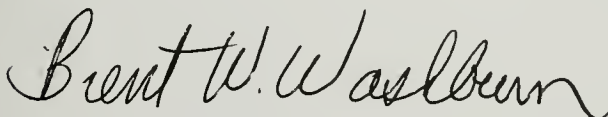

As part of obtaining reasonable assurance about whether the Allenstown School District's financial statements are free of material misstatements, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered the Allenstown School District's internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weaknesses.

This report is intended for the information of the audit committee, management, and federal awarding agencies and pass-through entities. However this report is a matter of public record and its distribution is not limited.

I extend my thanks to the officials and employees of the Allenstown School District for their assistance during the course of my audit.

Brent W. Washburn, CPA

Appendix on Internal Controls

This is an Appendix to the December 18, 1999 Allenstown School District's report on internal controls and compliance based on an audit performed in accordance with Government Auditing Standards. The following are items that came to my attention during the audit regarding the design and operations of internal controls and compliance with laws, regulations, and other provisions of contracts and grants:

1. Inventory of Fixed Assets

Criteria: Inventory of fixed assets represents a significant control tool in monitoring the School District assets and is essential to prepare reliable financial statements.

Condition: The School District does not have a schedule of assets controlled by the School District. Schedules of assets purchased by federal grants has been maintained.

Cause: The normal practice of governmental units in New Hampshire has been to expense the fixed asset as purchase, and not to maintain any detail schedule of assets in use.

Recommendation: The District cause an inventory of these assets as soon as practical. The existence of fixed asset records will not only aid district officials in their control of these assets, but should be an invaluable tool in long range planning. General accepted accounting principles require fixed asset reporting as part of the general purpose financial statements and the audit opinion is being qualified due to the omission of this schedule.

Management Response: The school board has budgeted monies in the fiscal 1999/00 budget to establish a Fixed Asset Tracking System.

2. Unsecured Cash

Criteria: The internal control procedures are designed to safeguard the assets of the School District.

Condition: The bank balance as per the bank statements at times was over the amount insured by federal bank deposit insurance. At one point during the year the balance reached \$749,161.

Cause: The need for manageable request from the town for the money appropriated results in large deposits, and payment by the State result in large deposit balances.

Recommendation: The cash flow should be analyzed to insure that the cash balance is maintained at its lowest possible amount. The School District has joined the New Hampshire Public Deposit Investment Pool. The District has taken the practicable steps to reduce the risk of uninsured deposit. No further steps are considered necessary.

Management Response: The New Hampshire Public Deposit Investment Pool was joined in April 1998 to solve this problem. Discussions with School District Treasurer will continue in order to maximize the use of the Investment Pool as a cash flow tool.

DEPARTMENT OF REVENUE ADMINISTRATION

Concord, NH 03302-0457

To: Allenstown

Your report of appropriations voted and property taxes to be raised for the 1999-00 school year has been approved on the following basis:

STATE EDUCATION TAX ASSESSMENT	737,617.00
TOTAL APPROPRIATION	<u>4,867,727.00</u>

Andrea M. Reid, Director

SUPERINTENDENT OF SCHOOLS REPORT

In the recent past, there has been a marked increase in the number of books and articles which seek to define what students should know and be able to do upon successful completion of their public school education. While students enrolled in public schools represent the widest possible range of skills, abilities, and talents, I believe we would all concur with the basic goal that each should be expected to read, write, reason and cipher at the highest possible individual level. The best way to fully achieve this goal is a subject of much disagreement and debate. However it has been clearly established that students learn best when they find a topic personally relevant and are able to use a variety of learning pathways to ensure understanding and mastery. We offer our students many opportunities to avail themselves of programs which utilize the qualities of relevance and instructional variety. Among them are vocational/technical education and school-to-careers activities, two programs I would like to take the opportunity to highlight.

Our high school-age students have the option of exploring a number of vocational options and subsequently attending classes in a specific skilled trade area at a regional vocational/technical center. These centers, located strategically state-wide, offer students the chance to utilize the very latest equipment and technology, opportunities which would likely be unavailable in each individual district. Through a vocational program the concepts of subjects such as geometry and physics are presented in the context of building construction; science and computer technology through auto mechanics, graphics or culinary arts. Students' knowledge is assessed by actual production as well as by paper-and-pencil tests. The satisfaction inherent in producing a product that is useful, durable and aesthetically pleasing boosts self confidence and motivation.

Students elect vocational classes for a variety of reasons, some to test out a career path prior to college, others to learn entry-level skills necessary for the transition into a particular occupation. On average, ten to fifteen percent of our students attend vocational classes, with graduates about evenly divided between those entering higher education and working world.

The school-to-careers program, which has to date been funded largely by SAU-wide grants, provides students and teachers the opportunity to engage in activities designed to replicate the demands and outcomes of real-life work experiences. School-to-careers involves all students from kindergarten through grade twelve. The program's goals are to assist and challenge students to become aware of career options, understand the relevancy of academic learning and its applications to real world experiences, explore individual career interests, and better understand how school success and career success connect.

School-to-careers engages elementary children in activities which promote basic career awareness, applied learning, and problem-solving skills. Middle level student focus on career exploration while high school students combine these earlier experiences with job shadowing, internship and apprenticeship opportunities. School-to-careers is intended to promote collaboration among schools, employers and the community, affording a seamless transition after high school either to post-secondary education or to employment.

All students can benefit from recognizing their own individual learning styles. The opportunity to master material in different, non-traditional settings can make a significant difference in the academic lives of all our students. I encourage parents to become familiar with the various opportunities SAU #53 offers to its students both within the walls of our schools and in the greater community.

Respectfully submitted,

Thomas Haley
Superintendent of Schools

ALLENSTOWN SCHOOL DISTRICT

PRINCIPAL'S REPORT 1999

Dear Citizens of Allenstown:

The 1999/00 school year in the Allenstown Elementary School and the Armand R. Dupont Middle School has been dedicated to our collective Commitment to Excellence. Staff as well as students have been asked to strive toward being the best we can be in whatever we set out to accomplish. Over 100 staff members are working with 665 students between the two schools in assisting them in working toward this worthy goal.

This year, a tremendous amount of energy has been placed in the evaluation and redesign of our curriculum. With the assistance of our Assistant Principal Terri Kenny and our four curriculum leaders: Debbie O'Connell, Erin Corson, Sue Briggs and Betty Ferguson, I am confident that instruction and student learning will be positively influenced through this worthwhile project. We began by examining our English curriculum and should be completed with this section of our curriculum development by the beginning of the next school year. Future work in all other areas will begin in the fall of 2000.

The school has also invested a great deal of time in the development and maintenance of a strong character education program. Middle school students were introduced to Project Wisdom this year and I feel that it has made a positive impact toward the climate and learning atmosphere at the Armand R. Dupont School. Students at both schools have been introduced to a Student of the Month program that recognizes outstanding student achievement for four of our students each month. Recognition assemblies are held each month where students are recognized for the achievements over the past month's time and each school's student of the month are announced.

The school district has three standing community committees that have been making valuable input toward their charge. The facilities committee has been investigating our space needs for future considerations. The technology committee has made contributions toward our acquisition of technology and teacher computer training and the playground committee is busy seeking funds and making plans for the construction of a new playground at the elementary school.

The school district has been fortunate to be assigned a school resource officer for this year. Officer Stacy Martin has been a terrific asset to the school at-large. She spends a great deal of time assisting students with individual concerns and shares DARE instruction with Officer Shawn Mulholland.

In closing, I would like to take this opportunity in thanking the community of Allenstown for their outstanding support of their schools and most importantly, our children.

Sincerely,
Anthony Silva, Principal
Allenstown School District

Address: _____ City: _____

State: _____ ZIP Code: _____

Our mission is to provide quality recreation for the residents of Allenstown through the use of existing programs and facilities as well as organizing and constructing new ones. Our goal, over time, is to provide an atmosphere where all age groups will have activities to do that will provide family as well as individual enjoyment.
