REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p.m.*

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

REPORT OF THE CANAAN HISTORICAL MUSEUM

Founded in Canaan's Bi-Centennial year 1961. Located on second floor of Town Library. Open Saturdays 1-4 July and August. By special appointment for schools and groups. Admission free. Help voluntary. Funds acquired through membership, donations, sales of food, various items and the exhibition "Art of Northern New England" held last August at Cardigan Mountain School.

This was supported in many ways by our townspeople who served a home-cooked supper to raise money, staffed the Museum during the eight extra days it was open and assisted the Art Show as sponsors, workers or both. Due to success of show repairs and alterations have been made. Stairs, walls and shelves painted, portico painted, windows puttied and small yews planted at entrance. Next spring it is planned to paint the building. The Second Annual Art of Northern New England to be held August 21-30, 1970, should keep our finances in order.

Respectfully submitted,
