THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in said Deerfield, on Tuesday, the eighth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To decide, by ballot, on the proposed amendments to the zoning ordinances as proposed by the Planning Board.

The polls are to open at 10:00 A.M. and will close not earlier than 7:00 o'clock P.M.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and eighty-three.

Roger C. King	Selectmen

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Deerfield Town Hall in said Deerfield on Saturday, the nineteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To see if the Town will vote to raise and appropriate the sum of \$1,335.94 for Town Road Aid. The State to contribute \$8,906.26. Approved by the Budget Committee.
2. To see if the Town will vote to raise and appropriate the sum of \$20,000 for the purpose of making improvements on Class 5 roads within the Town, such roads to be designated by the Selectmen. Such sum to be raised through the issuance of bonds or notes, under and in compliance with the provisions of Chapter 235, N.H. RSA 1982, and to authorize the Selectmen to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town. Requires 2/3 vote by ballot. Approved by the Budget Committee.
3. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Old Center Road. Approved by the Budget Committee.
4. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of rebuilding Mt. Delight Road. Approved by the Budget Committee.
5. To see if the Town will vote to raise and appropriate the sum of \$39,300 as its share toward the reconstruction of Bridge No. 161/023 on Cotton Road, known locally as the Cotton Road Bridge, to match State and Federal Funds and to authorize the Selectmen to borrow this amount and to issue notes or bonds as necessary. Requires 2/3 vote by ballot. Approved by the Budget Committee.

6. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$13,000 from the Build/Repair Bridges Fund for the purpose of meeting town obligation of Bridge No. 144/109, known as Freeses's Pond Dam Bridge. Approved by the Budget Committee.

7. To see if the Town will vote to raise and appropriate the sum of \$80,000 for the purpose of purchasing a new grader, and authorize the withdrawal of \$40,000 from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and to further authorize the withdrawal of the other \$40,000 from the Highway Equipment Fund. Approved by the Budget Committee.

8. To see if the Town will vote to authorize the Board of Selectmen to continue the Freeses Pond Study Committee and to vote to raise and appropriate the sum of \$2,500 to pay for work previously authorized. Approved by the Budget Committee.

9. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of continuing site preparation to the Old Center Cemetery extension. Approved by the Budget Committee.

10. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the purpose of repairing Cotton Road Bridge and to authorize the Selectmen to transfer any unused monies to the Capital Reserve Fund Build/Repair Bridges established at the Town Meeting in 1980. Approved by the Budget Committee.

11. To see if the Town will authorize the Selectmen:

- a. To purchase all property owned by Mr. Dwight F. Raab in the Town of Deerfield, more particularly described on the plan of T. W. Chesley, Plan No. 2453A, as revised in December, 1974, for the sum of \$50,000;
- b. To borrow all sums necessary to complete the purchase described in paragraph a;
- c. To sell any portion of the property described in paragraph a, with the advice and consent of the Freese's Pond Committee, and apply all sums thereby obtained to reduce the amount of debt mentioned in paragraph b. Requires 2/3 vote by ballot. Approved by the Budget Committee.

12. To see if the Town will vote to raise and appropriate the sum of \$5 000 for the purpose of surveying town owned properties. Approved by the Budget Committee.

13. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriations of the same.

14. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

15. To see if the Town will vote to authorize the Board of Selectmen to contract for the sale of timber and other wood products from any Town Property but specifically the properties known as McNeil Woods, Fife and Wells, and Chase lots. Cutting operations are to be managed by a forester hired and directed by the Selectmen, who shall be reimbursed from the proceeds of timber and cordwood sales. All other revenues are to be deposited to the Town general fund.

16. To see if the Town will authorize the Selectmen to sell the grave sites in town owned cemeteries.

17. To see if the Town will authorize the Selectmen to dispose of the land and any buildings thereon, acquired by Tax Collector's Deeds, in accordance with RSA 80:42 as follows:

- a. Lot #16 on Mt. Delight Rd., formerly Caruso property.
- b. Lot #58 on Griffin Rd., formerly Page property.

18. To see if the Town will authorize the Selectmen to dispose of the land and buildings thereon formerly of Sidney Hackney Estate, acquired by Tax Collector's Deed to the present occupant, Winifred Shattuck, for the sum of \$1,672.11.

19. To see if the Town will vote to accept \$300 from Eric and Linda Behre for the care of Behre lot in the Old Center Cemetery.

20. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

21. To see if the Town will vote to authorize the Board of Selectmen to grant one or more franchises to operate a cable television system in this Town, said authorization to encompass the setting of such conditions as the Board shall deem necessary and appropriate, including the setting of subscription or service rates to citizens and franchising fees to the Town, so long as they are not inconsistent with N.H. RSA Chapter 53-C and the Rules and Regulations of the Federal Communications Commission.

22. To see if the Town will vote to go on record in support of the adoption of a returnable container law for the State of New Hampshire. The record of the vote on this article shall be forwarded by the Town Clerk to the members of the New Hampshire General Court representing the Town. By Petition.

23. To see if the Town will vote to establish the Town Forest in accordance with RSA 31:110 and designate the following Town-owned parcels as such:

Tax Map 2, Lot 11 - An 83 acre parcel off Mt. Delight Road (the Wells lot)

Tax Map 8, Lot 131 - A 37.3 acre parcel off Ridge Road.

Tax Map 4, Lot 70 - A 50 acre parcel on Blakes Hill Road (McNeil Park)

By Petition.

24. To see if the Town will vote to authorize the Conservation Commission to manage the Town Forests in accordance with the provisions of RSA 31-112, Section 2 and direct all proceeds accruing from the management of the Town Forests to be placed in a Town Forest Trust Fund to be managed by said Commission and utilized for the management of the Town Forests. The balance in the fund shall be allowed to accumulate from year to year. "Expenditures from the Fund shall be made for management of the Town Forests and acquisition of other land for the Town Forests." By Petition.

25. To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1982 appropriation, said funds to be placed in the Conservation Fund in accordance with RSA 36-A:5." By Petition.

26. To see if the Town will vote to go on record in support of more stringent clean air legislation which would include provisions for the regulation of the long range transport of pollutants, one of the major causes of acid rain which is harmful to Deerfield's environment. The record of the vote on this article shall be forwarded by the Town Clerk to the New Hampshire Congressional Delegation and to the President of the United States. By Petition.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and eighty-three.

SELECTMEN'S REPORT

The year 1982 was one of many changes in the Town of Deerfield; changes designed to provide more efficient administration, to distribute more equitably the burden of government and in some areas to reduce costs.

Early in the year it was voted to place the town on semi-annual collection of taxes and subsequently at town meeting it was voted to reassess the entire town. This created some confusion as the initial tax bill was one half of the previous years tax based on 1981 assessments and the final tax bill was based on the reassessed values less the tax committed on the early billing.

The task of reassessing the property was awarded to Paul Brown of Raymond using as part of the program the proposals of a special committee appointed by the Selectmen to study the values of land in Deerfield.

Although such a re-evaluation of a town is usually spread over a year, or more, Mr. Brown completed this task in time for the town to complete all the necessary calculations and to ask the Department of Revenue Administration to set a tax rate and send out the tax billing before the end of November, however, an error in calculations, neglecting to incorporate the use of \$59,000.00 of surplus, did not allow the town to make the final mailing until December. The corrected tax rate saved one dollar per thousand.

Paul Brown, Shirley Winslow and Mr. John Lawrence, who did the computer work on the updates and tax billing all deserve the thanks of the town for expediting this project in such a timely manner.

With the approval of the Budget Committee money was included in this years budget to contract with the Albert C. Jones Co. to go over all insurance policies to ascertain that the town had proper coverage and also to see if there was coverage not needed with the goal to compile all into one bid package. As a result, the town is receiving more coverage at considerably less money. In addition all the insurance carried by the Fire Dept. and the Memorial/Library building is included in the overall package as part of the town's insurance payments.

A committee was appointed to look into the problems associated with heating the town hall and through their efforts, a new furnace has been installed, replacing the old furnace, to heat the front entrance and the upstairs offices. The large furnace has been completely repaired and is now used on an as needed basis only. The small heating system is on a clock so that it is not heating needlessly through the night and weekend periods. Although it has not been possible to date to check the savings, future heating bills should be substantially reduced in the amount of oil used.

The severity of the winter storms from January through April placed a severe strain on the highway budget and necessitated the reducing of some summer maintenance in order to have sufficient monies to carry through the year. Fortunately with very little snow and ice through the fall months the town was able to stay within its budget amounts for highway maintenance.

Due to favorable weather in the late fall much work has been accomplished on the extension to the cemetery at the Old Center. Gates and fences have been erected, a road has been constructed from the highway and the area has been completely cleared and stumped. In addition much material has been stockpiled for grading this spring. The coming year should see the completion of this project.

All the property and funds of the Morrison Cemetery Association have been turned over to the town in accordance with the vote taken at town meeting with all trusts now being in the hands of the Trustees of Trust Funds.

The town will be asked to approve, at town meeting, an article to rebuild the Cotton Road Bridge in conjunction with state and federal funds. This is proposed based on the condition report of the bridge and the recommendations of qualified people who studied the bridge and possible solutions for the town.

It is hoped that the Freeses Pond Dam bridge will be placed out to bid during the coming year.

Many citizens of Deerfield have given freely of their time and expertise to help on many projects this year. This citizen participation is most appreciated by the Board and we wish to sincerely thank all those who have so served the town this year.

Roger C. King
John L. Sherburne
Robert B. Sanborn
Board of Selectmen

MUNICIPAL BUDGET COMMITTEE

The MBC has considered the requests of the Board of Selectmen and the School Board, held open hearings on both, and have prepared the two recommended budget contained in this report. The Committee, as a majority, made few changes in the Boards requests.

The Town budget is at an historical high, but due to offsetting funds (prior years prudences) there should be very little need to increase the Towns portion of the tax rate.

The School Districts budget contains a net 8 % increase, three factors are the main culprits: a new two year contract for staff and the ensuing commitments, an increase in the "Disadvantage Child" requirements, and, a reduction in revenues (State/Federal aid).

It should be noted and credit given to the School Board for underspending their budget for the year ending June 1982. \$42,500 was returned to the General Fund and was used to reduce the 1982 tax rate.

John Williams
Chairman

POLICE DEPARTMENT REPORT

As of January 1, 1983, the following were members of the Deerfield Police Department: Chief Paul Dewey, Lt. Robert Assante, Training Sgt. Massad Ayoob, Officers Peter Lindahl, Earle Ray III, Allan Young, John Garland, Elizabeth Garczynski, and Linda Young. Both Lt. Assante and myself completed the NH Police Recruit Academy, at Pease Air Force Base, and the remainder of the department, completed the State's required certification course for part time officers.

I thought it would be of interest, to Deerfield residents, to see how the Police Department has spent its time during 1982. Listed below, is a breakdown, in percentage, of total activity:

Patrol	29%
Administrative	35%
Criminal investigations	17%
Traffic enforcement	12%
Services to the Public	7%

Of the 1,067 calls answered, 9% were handled from midnight to 8:00 AM, 58% were handled from 8:00 AM to 6:00 PM, and 33% from 6:00 PM to midnight.

The following statistics indicate this has been another busy year for the Police Department. Burglaries, theft and criminal mischief continue to be our Town's number one problem area. As the figures show, the burglary rate has been reduced to less than half of 1981's rate. Thefts increased by 70% and criminal mischief (vandalism) decreased by 40%. The total percentage of cases cleared, either by arrests or recovered property was 17% in 1981. In 1982, total cleared cases was 52%.

The citizens of Deerfield can help reduce the theft and burglary rate, by any or all of the following measures:

1. Participate in Project I.D.
2. Be aware of your neighbor's absence and watch his property.
3. Report suspicious vehicles and persons.
4. Let the Police know when you are away on vacation.

In regards to traffic law enforcement, our main problem is still speeders. Route 107 from the Epsom line to the Raymond line is posted at 35 MPH or less, yet we have written 221 speeding citations (60% of all summons written) and approximately 33% of our accidents were speed related. From January 1st to September 30th, we had 23 accidents, and for the period of October 1st through December 31st, we had 37 accidents. Officers issued over 500 verbal and written warnings, for violations during 1982. Less warnings and more summons will be issued in 1983, if warranted.

I wish to thank the citizens of Deerfield for the cooperation rendered me, this my first year, as your Police Chief. A special thanks to the Board of Selectmen, who have allowed me the latitude to accomplish the police mission.

Paul H. Dewey
Chief of Police

PARKS AND RECREATION

From middle April until mid-November, our Community Ball Field was used by young and old alike. Many different groups, i.e. Little League, Babe Ruth, George B. White physical education classes, intramural and soccer teams, Co-Ed softball, 4-H club, pickup softball, baseball, football and soccer teams used the facilities during the year. This year for the first time, and we hope for years to come, an Old Timers Baseball game was held along with a town Softball Tournament on Old Home Day.

The monies budgeted are monies well spent on this well taken care of recreational property. The Parks and Recreation Commission members are, Lana Stevens, John Crummey, Dick Clark and Joe Stone, and are very thankful to the entire community for the loving care being given to the field. The committee is especially thankful for the fine job done by our hired caretaker Bruce Stevens. When you see Bruce, why not thank him.

If you have any constructive ideas on how we can improve the facility or how we can improve recreation in the town on a very low budget, please one of the members a call. They would appreciate hearing from you.

Joe Stone
Chairman

VEASEY PARK

Veasey Park experienced a pleasant summer. The park was used by a large number of people, with good weather taking hold mainly in July and August.

Swimming lessons were largely attended, particularly during the second session, under the direction of Lifeguard Wendy Smith and swim instructors Cathy Johnson and Glenda Smith.

The Police Department did an excellent job of enforcing the evening closing hours, which we're sure helped to keep the vandalism down to a minimum.

A new Park Commissioner was added this summer. Judy Clark has replaced David O'Neal who has resigned due to personal commitments.

The Park Commission wishes to thank everyone involved for helping out with keeping the Park clean and virtually trouble-free.

Judy Clark
Jolene Smith

OLD HOME DAY

Those of us who work on the Old Home Day event hope we provide a day of fun family and neighborly activities. It's a day for citizens who have moved away to return to Deerfield and for those of us living here now, to enjoy family and friends. Judging by the enthusiastic attendance, we believe our goal was met in 1982.

The highlight of Old Home Day, 1982, was the Old Timer's Baseball Game. Bringing together men who had played together forty years ago, the teams put on a great show.

The annual events included the 3.3 mile Road Run, Frog Jumping Contest, Leaky Drum Contest, Children's Treasure Hunt, and Quilt Raffle. A new addition this year was the Hobbies & Collections display at the Town Hall.

There are many people who volunteered their time and services in 1982. Special thanks to Committee members Mark Tibbetts, Judi Sullivan, Sue Sherburne, Howie Maley, Jack Hutchinson, Mary and Jim County, Debbie Clark, Walt Markson, Dottie Andersen, Dee Dee Young, Bob Stevens, Phil Bilodeau and Bud Rollins.

Rebecca Crosby Hutchinson
Chairperson

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission held ten monthly meetings, generally on the first Monday of the month at 7:45 PM at the Soldiers Memorial building. Some of the more significant activities of the Commission included the following:

The Commission sponsored and supported an Article at the 1982 Annual Town Meeting calling for a 20:1 ratio of sand to deicing salt on Town roads during winter months. After some discussion, this Article was passed by the Town.

The Commission also sponsored, what has now become an annual event, a Warrant Article which states that the Town supports the adoption of a returnable container system for the State of New Hampshire. This Article was also passed.

The Commission investigated three lots which the Town had acquired through Tax Collector Deeds and which the Selectmen proposed to be sold. The Commission proposed that the lot on Reservation Road have a restriction placed in the deed to prohibit filling of the wetland at one end of the lot. The proposed amendment was accepted by the Town and was included in the Article as passed.

The Commission held an informational meeting in April which was intended to inform Town residents on the control of Gypsy Moths. Commission member Joseph Brown worked with Frank Bioteau, a Deerfield resident, to make an excellent presentation on the methods of control of these pests.

The second topic discussed at this meeting was the planting and care of shade and ornamental trees. Donald Tordoff, also a resident, had a slide presentation of the various types of trees which would be both attractive and grow well in Deerfield. The meeting was attended by more than 30 people.

The Commission conducted a tour of McNeil Woods off Blakes Hill Road. This land was generously donated to the Town by Burton McNeil, a former member of the Commission, in memory of his wife. Ronald Alie, our local Conservation Officer, showed the group the various activities performed to encourage wildlife on the land. The Commission wishes to thank Mr. Alie and the Pinnacle Point Fish and Game Club for their work at the site.

Two of the members attended the annual meeting of the New Hampshire Association of Conservation Commissions held in New London in November. The members listed to presentations on the New Hampshire Wet Lands Board and the Development and Management of Town Forests.

Commission member Priscilla, "Dusty" Smith resigned from the Commission during the early fall and the Commission is awaiting the appointment of new member by the Selectmen.

The Commission is preparing a complete map of town-owned land in Deerfield and is also working on a wetlands map. These maps should be completed by Town Meeting and will be on display.

Frederick J. McGarry
Chairman

REPORT OF THE PLANNING BOARD

The Planning Board held fifteen hearings for subdivision. Those subdivisions approved resulted in the creation of 18 new lots. The Board took in over \$250 in fees, substantially offsetting operating expenses incurred over the year.

At the March meeting, Jack Brinkler, after long service as Chairman, declined another year at that position and the Board elected Philip Bilodeau Chairman. Other officers elected were: Fred McGarry, Secretary, Joe Dubiansky and Jerry Rollins Alternates, and Jack Brinkler Representative to the Southern New Hampshire Planning Commission.

Other activities included:

- 1) Adoption of revisions to the subdivision regulations
- 2) Concurrence with the Selectmen in renaming Mountain Avenue to Harvey Road
- 3) Increasing the fee for minor subdivision to \$5.00 per lot
- 4) Joint meeting with the Board of Adjustment, Building Inspector, and Board of Selectmen to discuss updating of the Master Plan, Cluster Zoning, Temporary use of mobile homes, and construction on Class VI roads.

The Planning Board has proposed several changes in the zoning ordinance for consideration at the 1983 Annual Town Meeting. These include:

- 1) Temporary use of mobile homes during the construction of a residence
- 2) Rezoning of the North and West corners of the intersection of Routes 107 and 43 from residential to commercial
- 3) Definition of a public way to conform with State Statutes
- 4) Minor editorial changes to the ordinance.

Frederick J. McGarry
Secretary

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment held eight public hearings during the year. Seven were on requests for variance to the Zoning Ordinance and one was the Appeal of an Administrative Decision. Of the variance requests, five related to the 200 foot frontage requirement on a public road and two concerned the side line clearance of building to lot line (37.5 ft.).

The appeal of the administrative decision resulted from the issuance of a building permit on a Class VI Road without a public hearing.

Two requests were denied and six were granted.

RURAL DISTRICT HEALTH COUNCIL, INC. REPORT

The Rural District Health Council continues as a certified Home Health Agency covering nine towns - six in Strafford County and three in Rockingham County.

The priority service is the care of the sick program which includes visiting nurses, home health aide, physical, occupational and speech therapy, providing visits in the patient's home.

A maternal and child health program is offered to all children from any of the member towns, and includes physicals, immunizations, teaching and counseling for ages 0-6 years. It also provides home visits to newborns on request and any follow-up care as needed. Children have gained greatly from prevention and treatment of communicable disease.

A dental program is also provided by the MCH program and the pre-school dental services held for children 3-6 years, which includes cleaning and flouride treatments twice a year with referrals to local dentists as needed. The program also works closely with the Women & Infant Children Nutrition Program and the Strafford County Pre-Natal and Family Planning Program.

The agency also holds monthly adult health maintenance program which provides blood pressure checks, diabetic and anemia screenings, nutrition counseling, special diet and weight control. The first Wednesday they are held at the Farmington Town Hall, the second Wednesday at the Town Hall in Northwood at 1:00 P.M., the third Wednesday they are in Barrington at the Catholic Community Center starting at 11:00 A.M. and the fourth Wednesday they are held in Milton at the Milton Health Center starting at 1:00 P.M. All screenings continue until all patients have been seen. The program is open to anyone in the area. Most heart disease and stroke cannot be explained or predicted.

The Rural District Health Council cooperates with other agencies in the area to provide a continuation of good health and social services to its' member towns.

The Rural District Health Council with the cooperation of Frisbie Memorial Hospital provides a discharge referral coordinator. The hospital funds this program in part with the Council. 236 referrals have been made in the past 10 months.

The Board of Directors had been investigating the relocating of the office to become accessible to the handicap. In June the agency was contracted by Christopher Kenyon from Am Tek Corporation to lease a building at 37 No. Main St., Farmington, N.H. He graciously remodeled the building to meet our needs and on August 2, 1982 the agency moved. As Director of the agency, on behalf of the staff, we would like to thank everyone for all their help and support in making this move possible. The clinics have improved in privacy and efficiency with noticeably less confusion for administrative staff.

On September 7, 1982 an answering service was implemented for patients being cared for by the agency. A nurse is available 24 hours a day, 7 days a week for reassurance and to answer any questions which the patients or the family may have. Home visits are made as indicated.

The Council employs dedicated staff who many times devote themselves above and beyond the call of duty reflecting the nurse who cares for people.

The agency receives funds from grants, united way, town appropriation, medicare, medicaid, and private insurances. A bequest to the Council may be made either for unrestricted use in furthering the general purpose of the Rural District Health Council or for such special or restricted purposes as the donor may desire. Memorial gifts become a lasting honor to the memory of someone special such as a relative or friend.

An acknowledgement is sent to the family without disclosing the amount of the gift. All gifts to the agency are deductible for estate and income tax purposes.

This year has been a year of facing some cuts in funding and with the medicare audit resulting in an agency pay back in April. The Board of Directors has voted to increase the per capita cost by 10¢, a result of \$3.10 per-capita for fiscal year 1983. The total population has increased by 1,011 residents.

During the past year the Council has made for your town 194 skilled nursing visits, 40 home health aide visits, and 83 therapy visits; there have been 33 child health home visits and 74 children have attended the Child Health Program.

Anyone interested in additional information or needing services may contact the Rural District Health Council, PO Box 563, 37 No. Main St., Farmington, N.H. 03835, or telephone 755-2202 between the hours of 8 - 4 P.M., Monday - Friday.

Executive Director

NEWMARKET REGIONAL HEALTH CENTER REPORT

The Newmarket Regional Health Center completed its eleventh year of service in 1982. The health center operates two medical offices, one in Newmarket and the other in Raymond, the Lamprey River Clinic. Both facilities provide general medical care, preventive health services, community outreach, social services, and short term counseling with referral to area mental health agencies.

In 1982, Maude Guerin, M.D., an obstetrician/gynecologist, joined the staff. Dr. Guerin now provides prenatal, delivery and post partum care. In addition, the health center offers nutritional counseling and prenatal classes.

Other members of the medical staff include Sarah Oxnard, M.D., Peter Friedensohn, M.D., Michael Lewis, R.P.A., Barbara Janeway, M.S.N., A.R.N.P., and Anne Fawcett, A.R.N.P. The medical team also includes registered nurses, medical assistants and community health workers. For more information, or to make a medical appointment, call 659-3106 in Newmarket, 895-3351 in Raymond, or toll-free in Newmarket at 1-800-582-7279.

The community health workers coordinate a school health program and preventive screening clinics to detect potential health hazards. They hold informative workshops and act as liaison between the medical providers and the patient.

In November, 1982, the Newmarket Regional Health Center initiated a self-care program for the elderly in conjunction with the Occupational Therapy Department of the University of New Hampshire. The purpose of this program is to enable the elderly to stay in their home setting as well as to maintain a quality of life and independent status within their community. The focus of the program is to provide self-care skills before disability occurs and to anticipate problems with functional activities. Contact Anne Fawcett, A.R.N.P., at 1-800-582-7279 for further information.

The Newmarket Regional Health Center continues to operate the Senior Citizen Transportation Program. Three of the four busses are equipped with hydraulic lifts to provide services to the handicapped. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the needed services, including medical, food shopping and recreational trips. For more information, or to arrange a ride for a senior citizen, call 659-2424 or toll-free 1-800-582-7279.

The Newmarket Regional Health Center wishes to express its deepest appreciation for the support of the town of Deerfield.

Ann H. Peters
Executive Director

SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION REPORT

The Southern New Hampshire Planning Commission is an association of municipalities voluntarily organized and operating under the provisions of New Hampshire Revised Statutes Annotated, Chapter 36:45-53. The Commission's statutory responsibility is to prepare a coordinated development plan for the region and to encourage its cooperative realization through the advisory process.

Directed by representatives of the City of Manchester and the Towns of Auburn, Bedford, Candia, Chester, Deerfield, Goffstown, Hooksett, Londonderry, New Boston, Raymond and Weare, the Commission's professional staff carries out the development of the technical elements of the plan.

The Commission's program is organized under regional, metropolitan transportation, and local technical assistance functions. Within these broad categories, individual tasks often vary on an annual basis according to the needs of the region and those of the Commission's participating communities.

In addition to reviewing detailed technical studies with appropriate area officials and agencies, staff reports on summaries of these and other timely planning items are covered in the Commission's quarterly newsletter "Project" which is widely distributed to approximately five hundred municipal officials and interested residents of the region.

Although several regional planning tasks were accomplished during the year, one stands out as a major achievement which can be directly attributed to the Commission's vigilance and its ability to act quickly and effectively on behalf of its member communities.

Due largely to the efforts of Chairman Ray F. Langer (Hooksett), Vice Chairman Donald M. Babin (Londonderry) and Commissioners Robert L. Wheeler (Goffstown) and John L. Sherburne (Deerfield), and the participation of the region's boards of selectmen, the State's Solid Waste Management Act was successfully amended by the Special Session of the General Court in May, 1982. On July 22, the Tricounty Solid Waste Management District was formally organized and the District by-laws were adopted by the ten participating towns in November. During 1983, the District will undertake the planning process which will ensure local compliance with the requirements of the new Act.

Local assistance services provided during the year included:

- . At the request of the Board of Selectmen, distributed to the Boards of Selectmen in all member towns, a memo concerning Deerfield's concerns for the sale and transport of mobile homes that do not meet federal design standards;
- . Provided the Board of Selectmen with information concerning the availability of Outdoor Recreation and Conservation Project funds;
- . Advised the Board of Selectmen on the provisions of the State's new Solid Waste Management Act, and offered them an opportunity whereby the Town could achieve local compliance;
- . Provided an opinion regarding interpretation of the "Flood Hazard Boundary Map" in relation to a local property;
- . Provided a Deerfield resident with information pertaining to the Deerfield Master Plan and other planning material;
- . Informed the Board of Selectmen of the availability of funding under the U. S. Department of Housing and Urban Development's fiscal year 1982 Community Development's fiscal year 1982 Community Development Block Grant program;
- . Provided the members of the Planning Board, Zoning Board of Adjustment and the Board of Selectmen with schedules of the Fall, 1982 Municipal Law Lecture Series;

Deerfield's representatives on the Commission are:

Board of Commissioners: Mr. John Sherburne Executive Committee: Mr. John Sherburne
Mr. John Brinkler
Mr. Roger C. King, alternate

FREESES POND STUDY COMMITTEE REPORT

The nine member committee established at the 1981 Annual Town Meeting was continued for another year. Early in the year Frederick McGarry resigned and Warren Guinan was appointed by the Moderator. Charles Copeland was elected Chairman and Joseph Dubianski Vice Chairman. Joanne Wasson was reelected Secretary. Other members of this committee are Ronald Alie, Al Daigle, Frederick Dodge, Robert Farr and John Sullivan.

Early in the year negotiations were undertaken to enable the town to obtain title to the area previously covered by water on the easterly side of Route 107. Although an agreement has been made to acquire this bottom land from the developer, it appears that in some instances bottom land was deeded with the shore lots. Resolution of this matter is still being worked out.

On the west side of Route 107 the dam site and most of the property surrounding the former pond is owned by Mr. Dwight F. Raab of Rochester, N.H. Initially the committee attempted to negotiate to obtain the dam site and some land that could be made available for the use of Deerfield residents for recreational use and as an access to the pond. When it became obvious that we weren't going to be successful, the committee concluded the best approach would be to attempt to obtain a purchase option covering the entire tract of land and allow the residents of the town to vote on the purchase at town meeting.

Fortunately, we were successful in obtaining this option and at the 1983 town meeting there will be an article in the warrant to purchase approximately fifty acres surrounding the pond area from Mr. Raab. This article contains a provision authorizing the selectmen to sell lots from this property to recover at least part of the purchase price.

Consideration has been given to the possibility of improving the pond by the removal of muck and gravel base. Although tests have been made to determine the composition of the bottom, it is not felt at this time that the value of the material recovered would offset the cost of removal. However, with the shortage of gravel developing in this area it may be desirable to do this at some future date. The committee recommends that if a dam is built in the future, a provision be incorporated in the design to permit draining the pond in the event recovery of bottom material is desirable.

The committee unanimously recommends purchase of this property. Although it will eventually be necessary to rebuild the dam, purchase of the entire property will allow the town to control this large tract of land. With control of the property, the town can construct the dam at any time in the future, possibly at a time when state or federal funds might be available to assist in the construction.

We hope the residents will consider this matter on a long range basis. An expenditure which can be spread over the next few years, and offset by resale of some of the land, can turn what is now a swamp area into an attractive pond with a much improved tax base bringing additional revenue to the town.

Charles M. Copeland
Chairman

ANNUAL TOWN MEETING, MARCH 9, 1982

Meeting called to order by Moderator James A. McIntyre at 10:00 A.M. at the place appointed.

Warrant read by the Moderator.

Ballot boxes were inspected, shown to be empty and locked.

The following Election Officials were present: Ballot Clerks Mrs. Irene Shores, Mrs. Nettie Farr, Mrs. Jennie Owen and Mrs. Judy Sullivan; Moderator James A. McIntyre; Assistant Moderator Charles Day; Town Clerk Ruth S Sanborn; Assistant Clerk Phyllis Sanborn. Gatekeeper was Robert Stevens.

Moderator stated the polls will be closed while the absentee ballots are checked off this afternoon.

Instructions for voting given by the Moderator.

Polls declared open. Balloting began.

10:10 A.M. Moderator read the complete Warrant for the Annual Town Meeting March 20, 1982.

2:30 P.M. Polls closed. Absentee ballot envelopes opened by the Moderator, names checked off and ballots placed in the ballot box.

Mark Tibbetts	had 10 votes
Scattering	75 votes

and Robert Stevens, Paul Hussey and Mark Tibbetts, having a plurality of all votes cast, were declared elected Auditors for the ensuing year.

Question:

"Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years or older, \$20,000. To qualify, the person must have been a N.H. resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000 and own net assets of \$30,000 or less, excluding the value of the persons residence."

Southmayd, Overseer of Welfare for one year; George W. Owen, Trustee of Philbrick James Library for three years; James A. McIntyre, Moderator for two years; Albert H. Burttt, Supervisor of the Checklist for six years; and Joseph E. Stone, member of the Municipal Budget Committee for three years.

Voted to adjourn.

A true record,
Attest:

Ruth S. Sanborn,
Town Clerk

Moderator James A. McIntyre called the meeting to order at 1:00 P.M.

Election Officials Mrs. Irene Shores and Mrs. Nettie Farr were at the door using the checklist to check off names as people entered the hall.

All non-voters were seated in roped off area at the right.

The Moderator introduced Selectman Roger C. King, Selectman John L. Sherburne, Selectman Robert B. Sanborn, Assistant Moderator Charles Day, Town Clerk Ruth S. Sanborn and Assistant Clerk Priscilla S. Watts.

Moderator made the following announcements:

Meeting will follow Roberts Rules of Order as modified by the Moderator.

There will be "no smoking" except in designated area.

When recognized please proceed to a microphone and state your name. Instructions were given for presenting, amending and voting on a motion and also for secret ballot.

As the entire Warrant was read at the Annual Town Meeting held March 9, 1982, at this meeting each Article will be read as it is taken up.

Article 1.

Roger C. King moved the adoption of Article as printed in the Warrant. Seconded by E. Donald Hersey. It was a vote in the affirmative and so declared.

Article 2.

Roger C. King moved the adoption of Article 2 as printed in the Warrant. Seconded by Mrs. Nancy Guyette. It was a vote in the affirmative and so declared.

Article 3.

Roger C. King moved the adoption of Article 3 as printed in the Warrant. Seconded by Mrs. Nancy Guyette. Kendall Mills asked what specifications are used to build roads. Mr. King answered that they are built to T.R.A. specifications. It was a vote in the affirmative and the motion carried.

Article 4.

Roger C. King moved the adoption of Article 4 as printed in the Warrant. Seconded by E. Donald Hersey. Richard Gilson asked mileage on present police cruiser. Police Chief answered 76,000. After discussion relative to having repairs or reconditioning done at the State Prison, using the State purchasing system and looking into rent-a-car area, the motion was put to vote. It was a vote in the affirmative and the motion carried.

Moderator declared a five minute break at 1:30 P.M.

Meeting called to order at 1:35 P.M.

Article 5.

Roger C. King moved the adoption of Article 5 as printed in the Town Warrant. Seconded by Mrs. Roberta Simoneau. Moderator asked Charles Day and Gary Simon to assist in the count. Vote was yes 89, no 45. It was a vote in the affirmative and so declared.

Article 6.

Roger C. King moved the adoption of Article 6 as printed in the Warrant. Seconded by George Menard. After discussing type of insulation that was used in the building and the type of fuel to be considered, the motion was put to vote. It was a vote in the affirmative, motion carried and so declared.

Article 7.

Roger C. King moved the adoption of Article 7 as printed in the Warrant. Seconded by Joseph Brown. It was a vote in the affirmative, motion carried and so declared.

Article 8.

Roger C. King moved the adoption of Article 8 as printed in the Warrant. Seconded by George Humphrey. It was a vote in the affirmative and so declared.

Article 9.

Moderator stated he would entertain a motion to take up Article 16 at this time.

Mrs. Nancy Guyette moved to consider Article 16 at this time. Seconded by Joseph Brown. It was a vote in the affirmative and the motion carried.

Article 16.

Joseph Brown moved the adoption of Article 16 as read. Seconded by Charles Copeland. Joseph Brown and Mrs. Joanne Wasson spoke on the Article. Eric Behre moved the question. Seconded by Jack Sullivan. It was a vote in the affirmative and so declared. Motion to adopt Article 16 as read put to vote. It was a vote in the affirmative and so declared.

Article 9.

Joseph Dubiansky moved the adoption of Article 9 as read and printed in the Warrant. Seconded by Charles Copeland. Mrs. Joanne Wasson stated she would go along with the Budget Committee's recommendation of \$1950.00 but the extra \$500.00 is for land acquisition under water on the northeast side. John Williams moved to amend Article 9 to read \$1,950.00 instead of \$2,500.00. Seconded by Alvin Upper. Discussion followed. Amendment put to vote. It was a vote in the negative and the motion did not carry. Wadsworth Winslow, Jr. moved the question. Seconded by George Owen. It was a vote in the affirmative and the motion carried. Vote taken on the main motion as made by Joseph Dubiansky. It was a vote in the affirmative, the motion carried and so declared.

Moderator declared a seven minute recess;

Meeting called to order.

Article 10.

John Williams moved that Warrant Article 10 be adopted as read and that \$415,760.00 be raised. Seconded by Robert Farr. Moderator stated the budget would now be taken up by sections.

William E. Sanborn spoke in praise of the Volunteer Fire Department officials and members for the good and faithful work they have done.

Increase in the Police Department Appropriation was questioned. Main increase was to provide for a full time police officer.

Mrs. Martha Humphrey expressed thanks to the Police Department for their work.

Jack Sullivan expressed words of thanks and praise to the Police Department, the Volunteer Fire Department and to the Rescue Squad.

Mrs. Jolene Smith moved to increase the Parks and Recreation Appropriation \$1300.00 to provide for a guard at Veasey Park. Seconded by Judy Sullivan. Discussion followed. Moderator asked Charles Day and Gary Simon to assist with the count. Motion put to vote. Yes 44. No 66. It was a vote in the negative and the amendment did not carry.

Joseph Stone moved to amend the Parks and Recreation Appropriation to read \$6,310.00, an increase of \$610.00 with the stipulation there will be a parking attendant. Motion was seconded by Eric Behre. It was a vote in the affirmative and the motion carried.

The budget, as amended, making a total budget appropriation of \$416,270.00 put to vote. It was a vote in the affirmative, the motion carried and so declared.

Article 11.

Roger C. King moved the adoption of Article 11 as printed in the Warrant. Seconded by Charles Copeland. It was a vote in the affirmative and so declared.

Article 12.

Roger C. King moved the adoption of Article 12 as printed in the Warrant. Seconded by Robert Stevens. It was a vote in the affirmative and so declared.

Article 13.

Roger C. King moved the adoption of Article 13 as printed in the Warrant. Seconded by Felix Gardner. It was a vote in the affirmative and so declared.

Article 14.

Roger C. King moved the adoption of Article 14 as printed in the Warrant. Seconded by Robert Farr. Robert Farr moved to amend Article 14 by adding the following: Lot 22 on Reservation Road shall not be sold unless a provision is included in the deed which would prohibit construction in or the filling of the wetland within 100 feet of the brook on the property. Seconded by Mrs. Martha Humphrey. It was a vote in the affirmative and the amendment carried. Main motion, as amended, put to vote. It was a vote in the affirmative and so declared.

Article 15.

Roger C. King moved the adoption of Article 15 as printed in the Warrant. Seconded by Joseph Brown. Robert Stevens spoke to the question. Attorney James Shirley explained the proceeding. It was a vote in the affirmative and so declared.

Article 17.

Joseph Brown moved the adoption of this Article as read. Seconded by Katharyn Williams. General discussion followed. Willis Rollins, Jr. requested the reading of the petitioners. The Moderator read as follows: Frederick J. McGarry, Madelyn Foulkes, Neil Maynard, Mary K. County, Katharyn E. Williams, Wadsworth Winslow, Jr., Thomas Foulkes, Jonathan C. Winslow, George Humphrey, Martha Humphrey, Frederick E. Dodge, Jean C. Dodge, Robert D. Berger, Penelope L. McGarry.

Charles Copeland moved to amend Article 17 by substituting the words "as is practical" for the words "as is possible." Seconded by Warren Billings, Jr. Moderator asked Charles Day and Eric Behre to assist with the count. Vote taken on the amendment. Yes 37. No 47. It was a vote in the negative and the amendment did not carry.

Robert McGowan moved to close debate. Seconded by Robin Talkowski. It was a vote in the affirmative and the motion carried.

Main motion put to vote, Charles Day and Eric Behre assisting the Moderator with the count. Yes 49. No 45. It was a vote in the affirmative and so declared.

Article 18.

Alf Lindahl moved that this Article be adopted as read. Seconded by Katharyn Williams. Willis Rollins, Jr. requested the reading of the petitioners. The Moderator read as follows: Frederick J. McGarry, Madelyn Foulkes, Neil Maynard, Mary K. County, Jeanette E. Winslow, Katharyn E. Williams, Wadsworth Winslow, Jr., Thomas A. Foulkes, Jonathan C. Winslow, George Humphrey, Martha Humphrey, Robert Berger, Penelope L. McGarry.

Willis Rollins, Jr. asked if Article 18 is the recommendation of the Conservation Commission. Joseph Brown stated the Conservation Commission is in favor of the Article as presented. After discussion the motion was put to vote. It was a vote in the affirmative and so declared.

Article 19.

Roger C. King moved the adoption of Article 19 as printed in the Warrant. Seconded by Warren Guinan. It was a vote in the affirmative and so declared.

Article 20.

Roger C. King moved the adoption of Article 20 as printed in the Warrant. Seconded by Richard Lovering. After much discussion, motion put to vote. It was a vote in the affirmative and so declared.

Alvin Upper moved to adjourn. Seconded by Louis Nephew. It was a vote in the affirmative and the Moderator declared the meeting adjourned at 5:53 P. M.

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF DEERFIELD, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Town Hall in said District, on the 12th day of March, 1983 at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.

2. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$7,500.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; such funds to be used for the following areas:

Block Grant	\$2,500.00
PL 89-313	5,000.00
	<u>\$7,500.00</u>

provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure, of \$7,500.00. (Budget Committee recommends approval)

3. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other government unit or a private source which becomes available during the 1983-1984 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money and have the approval of the Municipal Budget Committee.

4. To see if the District will vote to raise and appropriate the sum of \$276,976.90 to fund all cost items relating to teachers' salaries and benefits for the 1983-1984 school fiscal year, \$36,368.64 of such sum representing additional costs attributable to the latest collective bargaining agreement entered into by the School Board and the Deerfield Teachers Association. (Budget Committee recommends approval)

5. To see if the School District will vote to adopt and approve the cost items as set forth in the latest collective bargaining agreement with the Deerfield Teachers Association for the 1984-1985 school fiscal year.

6. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

7. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

8. To transact any other business that may legally come before said meeting.

SCHOOL PRINCIPAL REPORT

This year continues to be one of positive growth and improvement for the Deerfield School District.

Our four-day week schedule has become the focus of attention of school systems throughout the country. I would like to share with you some of the results of the first year evaluation.

1. The Stanford Achievement testing results were extremely positive. In September 1981, we had three grades in reading and five grades in math scoring above the national norm. However, when these same students were tested again in April 1982, all eight of our grades in reading and six in math were above the national median. Also, all of our classes had demonstrated more than an 8 month growth during the time span -- September through April.

2. Sixty-three percent of all parents felt that their child's performance in school had improved this year, while twenty-eight percent stated that there was no decrease in their child's performance from the previous year. Only 9 percent felt that there was a decrease in performance.

3. Economic savings have been realized in four main areas: energy savings in heat and electricity, transportation savings in reduced gasoline consumptions and lower payroll, and salary savings in the non-certified staff (due to reduced hours). Substantial savings were also realized in the area of substitute teacher salaries.

In addition to the four-day week, we have successfully incorporated UNH's Writing Process in a majority of our classrooms. This technique of teaching children how to write has given many of our students the opportunity to become authors of their own published manuscripts. From all indications, children who have been exposed to writing through this process have become more proficient writers.

This year we have introduced computer literacy to our school's curriculum. As of now there are students in the 6th, 7th and 8th grades who are writing their own computer programs. Eventually this will be offered to all students in grades 1-8. Also, adults in Deerfield are beginning introductory lessons in the use of microcomputers.

Our Parent/Teacher Organization has been changed this year. A new organization, FOCUS, has been formed, which includes representatives from all segments of Deerfield's population and members of the George B. White School's staff. The members of this organization already have organized a Family Game Night and have initiated an Adult Education Program for Deerfield's citizens. I would like to congratulate the members of FOCUS, Hal Stevens, Carol Lobdell, Mary County, Charlie Day, Noreen Dubianski, Fran Menard, Rachael Bloomfield, Paula Amazeen, Mona Stevens, Diane Marquis, Sue Sherburne, Evelyn Cronyn, Mary Ellen Carter and Mary Maloney, for the contributions they have made both to the school and the community.

Also, in addition to FOCUS, we have incorporated other changes to bring the school and community closer together. A newsletter, The Communicator, is now sent monthly to all families in Deerfield. Koffee-Klatches are conducted in various neighborhoods to allow an informal forum of issues pertaining to the school and the community. Activities are offered on Fridays for all members of the community. A great deal of time and effort has been placed on improving this vital area of good school/community relationships; the majority of credit for the initial success must be given to Sue Sherburne.

In the area of maintenance, the school board has coordinated renovation of the George B. White School to help achieve better energy conservation and more security. Some of these improvements have been: adding insulation to the middle section of the building,

replacing the roof on the Junior High, putting suspended ceilings in the Junior High section, a new front door, an alarm system, a viscosity stabilizer, a new burner, and a variable aquastat (7 day automatic setback lock).

In conclusion, I would like to reiterate my appreciation to the George B. White School Staff, Superintendent of Schools, George Blaisdell, Assistant Superintendent, Patsy Baugh, Special Education Director, Jackie Adams, the entire SAU #53 Staff, School Board Members, Judy Bush, Thomas Foulkes, George Humphrey, and all the other individuals who have contributed countless hours for the betterment of the quality of education being provided to our students.

Peter J. Sweet
Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Thanks to the hard work of many people, a great deal of progress has been made this year within the school district. As most of you know, the State Board of Education gave approval for the district to continue the four day week for a second year. I want to call your attention to the really hard work done by Mr. Sweet, building principal, and the teaching staff to bring about the success achieved in the first year of the program. Without their efforts the program would not have worked as well as we believe it did and the state would not have given approval for any extension of the concept. The plain fact is that a great deal of extra work was involved for many of our staff members and they did a good job of meeting both state and local requirements. A much more extensive list of requirements has been established by the state to evaluate the program in its second year. It is my opinion that this year's evaluation will be critical to any continuation of the four day week program. Your continued support for our efforts will be important.

Mr. Sweet, working with the staff, developed both a Yearly Curriculum Plan, which outlines the district's plans for program review and evaluation during the current school year, and a longer range plan, which indicates future directions. Both plans will be rewritten annually so that we will always have a forecast of our curriculum efforts. This approach will both allow and require us to review and evaluate every single aspect of our instructional program and cause us to answer the question, "Are we doing the best possible job of teaching our students with the resources available to us?" These efforts will, I believe, help us to strive for academic excellence on the part of our students and staff. I am pleased with work done in the areas of the writing process and the work which has begun in the area of computer literacy for all children. I should also point out to you the large number of community residents who give time and assistance to the school as volunteers. Their efforts are helpful and important to us and help to make the school the special place we think it is.

Special Education Services, under the direction of School Administrative Unit (SAU) Special Education Administrator, Jaclyn Adams, were provided as required by federal and state law. All students with special educational needs in grades 1-8 are educated within the George B. White School, a practice which allows us both fully to control the student's program and to achieve some financial savings. We will, of course, continue that approach to the maximum extent possible. That it has worked as well as it has thus far is a credit to the imaginative planning of the special education staff.

A study of the central SAU office was completed by the Center for Educational Field Services at the University of New Hampshire. As a result of the study some office reorganization has taken place and an additional clerical person was added to the staff. Real efforts have gone into improving services of purchasing, financial planning and accounting, program supervision and evaluation, special education, hiring and the like. Some of those efforts have resulted in cost savings to the district. As an example, we have been able to improve the district's insurance coverages while saving almost three thousand dollars,

a savings that will continue each year. We still have improvements to make, but you should know that we are working hard to deliver the most cost effective services we can to the district.

News from the state is not as positive, Federal and State revenues are declining. This decline in revenues, without any similar decline in requirements, makes our mutual job of running and financing the schools more difficult. As of this writing, we have been told to plan for less revenue in building aid, sweepstakes, block grants, and special education. This year, the state has not paid the share of the salaries for the Superintendent or Business Administrator which it formerly paid. Because of events such as these, several school districts are participating in a lawsuit against the state contesting the way it funds education. The case, already before the New Hampshire Supreme Court, is expected to be decided by the end of the current school year.

As your Superintendent, I am pleased with and grateful for the professional efforts of our staff. Under Mr. Sweet's leadership, they have worked hard at improving their work with students. Their efforts, supported by the very real efforts of the School Board, have a great deal to do with our progress as a school system. I also wish to thank the community for their continued interest and support. We really are in a joint effort on behalf of our students.

George I. Blaisdell
Superintendent of Schools

DEERFIELD SCHOOL DISTRICT ANNUAL MEETING

Saturday, March 13, 1982, Deerfield Town Hall

The meeting was called to order at 10:00 a.m. by Moderator James McIntyre.

The Moderator listed the rules for the meeting: Robert's Rules, as modified by the Moderator; no smoking except in designated areas; non-voters to sit in designated area; no more than two amendments to any warrant article. On motions, when discussion has begun, the Maker will speak first, then others may raise their hands and wait to be recognized. Speakers will be allowed three minutes. Please use the microphone and state your name.

The Moderator introduced the following persons: Mr. George Blaisdell, Superintendent of Supervisory Union #53; Mr. George Humphrey, Mrs. Judy Bush and Mr. Tom Foulkes, members of the Deerfield School Board; Mr. Peter Sweet, Principal of the G. B. White School; Mr. Jack Hutchinson, Assistant Moderator; Mrs. Karen Fowler, School District Clerk; Mrs. Paula Assistant Clerk.

A voice vote in the affirmative allowed teachers to address the meeting if they so desired.

A voice vote in the affirmative permitted the video-taping of the meeting as an educational project for the seventh and eighth graders.

The Moderator read the Warrant:

ARTICLE 1. Mrs. Judy Bush moved the article be accepted as read; seconded by Nancy Guyette. It was a voice vote in the affirmative and the motion was declared carried.

ARTICLE 2. Mrs. Judy Bush moved the article be accepted as read; seconded by Waddy Winslow. Mrs. Bush explained that the Title IV funds go towards library and video equipment and PL 94-142 and PL 89-313 involve funds for special education. In answer to Senator William Sanborn's question about being assured of these monies, Mrs. Bush explained that if the monies were not forth coming they could not be spent. It was a voice vote in the affirmative and the motion was declared carried.

ARTICLE 3. Mrs. Judy Bush moved the article be accepted as read, seconded by Mr. Al Upper. It was a voice vote in the affirmative and the motion was declared carried.

The Moderator declared a five minute break; the meeting resumed at 10:26 a.m.

ARTICLE 4. As a point of order, John Williams requested that "Approved by the Budget Committee" be removed from the article as the Municipal Budget Committee does not take up non-fiscal matters. The article is moved by Mr. Bob McGowan and seconded by Robin Talkowski. Mr. McGowan made a motion to amend the article by changing "feasibility of building" to options for; seconded by Robin Talkowski. Mr. McGowan explained that there are many options, not necessarily building (e.g. someone's barn). A voice vote in the affirmative was declared for the amendment to the article. Joe Stone asked if the School Board would use the Advisory Committee in exploring the possibilities. Mrs. Bush stated that that was probable. A voice vote was not determined. The Moderator called for a show of hands; the results were 65 yea and 65 nay. The Moderator, not wishing to break the tie, called for a division of the house. The results were 70 yea and 82 nay. The motion was declared defeated.

ARTICLE 5. In view of the negative outcome of Article 4, Article 5 was ruled out of order by the Moderator.

The Moderator declared a break; the meeting resumed at 10:51 a.m.

ARTICLE 6. John Williams moved the article be accepted as read; Waddy Winslow seconded. Mr. Williams stated that the Municipal Budget Committee approved the school budget and that the increase was due to the decrease in state revenues. Mrs. Bush said that if the four day school week is denied for next year a special School District meeting would have to be called. The budget being presented is reflecting a continuation of the four day week.

The Moderator stated that the article would be taken up by section, as shown in the handouts.

Section 1100 Regular Programs:

Senator William Sanborn questioned the per cent of increase in the teachers' salaries. Mr. Humphrey stated that it was about 10% as described in the two year contract with the teachers.

Section 1200 Special Programs:

Mrs. Paula McCoy questioned if the program included gifted children as well. Mr. Humphrey stated that the state does not define the gifted as special education.

Section 1400 Other Instructional Programs:

No discussion.

Section 2110 Attendance and Social Work:

No discussion.

Section 2120 Guidance:

No discussion.

Section 2130 Health:

No discussion.

Section 2200 Instructional Staff Services:

An explanation of inservice training was asked for by Mr. Geroge Keech. Mr. Humphrey responded that these monies are used for speakers and training materials brought into the school.

Section 2300 General Administration:

Mr. Don Tomilson spoke on the 65% increase over the past two years and called it unconscionable. Mr. Humphrey stated that the increase was due to a decrease in state funds. Mr. Jack Sherburne asked for the per pupil cost to support the Supervisory Union. Mr. Blaisdell explained that the Supervisory Union is funded by equalized evaluation of property and includes only the number of students in the town itself. The following breakdown was shared:

	Evaluation %	Cost per pupil
Allenstown	18 %	\$ 64.66
Chichester	12.5%	97.05
Deerfield	25.4%	129.44
Epsom	16.9%	89.45
Pembroke	27.2%	53.97

Mrs. Terry Penny asked if Deerfield high school students were included. Mr. Blaisdell replied no. Mr. Stan Penny asked if other towns' high school students were counted. Mr. Blaisdell explained that they were if they were students in the town itself. Mr. Blaisdell also explained that due to a loss of \$21,000 from State revenues and the change in Deerfield tax evaluation the increase had to come.

Section 2400 School Administration Services:

Mrs. Elaine Alexander asked for an explanation of the four day salary expenses. Mr. Humphrey stated that additional secretarial staff and materials are needed to complete the many reports the state has required due to the four day week trial period. Mr. Al Upper asked how many secretaries were included in the \$6000 figure. Mr. Humphrey indicated that this was for one secretary for approximately 210 days.

Section 2500 Business Services:

An inquiry by George Keech on how many custodians are employed by the school. Mr. Humphrey indicated that there are two full time custodians and part time young people for the summer. Mr. Joe Stone questioned the savings on fuel and electricity due to the four day week. Mr. Humphrey told the group that the power company was doing an audit to try and get a handle on the problem. Electricity has gone up even with the four day week but some of the increase is due to rate hikes. Mr. Humphrey also explained that no money has been spent for oil so far this year, and that energy improvements will get matching funds.

Section 2550 Pupil Transportation:

An inquiry into the cost of running the busses produced the following figures: \$9500 for regular busing, \$1600 for special education busing and \$4500 for the Central High busing. Terry Penny explained that the Central bus is totally offset by the parents and Mr. Humphrey indicated that it showed in the revenues.

Section 2590 Other Business Services OASI:

Mr. Blaisdell explained that this was Old Age Survivors Insurance.

The Mott Grant was explained as being a three year grant for school-community involvement and is coordinated by Suzie Sherburne.

Section 4000 Facilities Acquisitions and Construction:

Jack Sherburne complimented the School Board on the new school roof under contracted services and their management of funds for that project.

Section 5000 Other Outlays: No

No discussion - wash item.

Mrs. Paula McCoy asked what the overall per pupil cost was in Deerfield. Mr. Humphrey explained that there are three kinds of students: high school - \$2200 per pupil; elementary and special education - \$2100 per pupil. It was also noted that due to the large area of Deerfield, transportation costs are much higher than some surrounding towns. Mrs. Bernie Cameron expressed her appreciation to the members of the School Board for all their efforts in keeping the budget down. It was a voice vote in the affirmative and the motion was declared carried. The final budget figure being \$892,872.00.

A move to adjourn was made by Mr. Mal Cameron and seconded by Mrs. Nancy Guyette. It was a voice vote in the affirmative.

The meeting was declared adjourned at 12:14 p.m.

Karen Fowler
Deerfield School District Clerk
