ANNUAL REPORTS

DEERING

NEW HAMPSHIRE

1967

All property owners in the Town of Deering are reminded that they will be welcome at the Annual Town Meeting at 7:00 P.M. March 12, 1968, whether or not registered voters of the town.

— By order of the Board of Selectmen

The 1967 Town Report is dedicated to Mr. Henry Lothrop Herrick (1890 - 1963) and Mrs. Mary Rosamond Herrick (1890 - 1965). Mr. Herrick will be remembered as a fine artisan and craftsman, while Mrs. Herrick, also an artisan, evokes the memory of her many years of faithful service to the Town of Deering. She served two terms as a State Representative, as well as several years as a Supervisor of the Checklist and Library Trustee. She also was a member of the Hillsboro-Deering School Board, including service as Chairman.

Report of the Selectmen

ROAD CONSTRUCTION

The 1967 Class V Highway allowance was used to widen the Long Woods road around the foot of Hedgehog Mt. There have been several accidents on this section of road in past winters due to it being too narrow. This was an expensive project, yet we felt the Town should not risk the chance of a fatal accident. We are planning to complete this project with the 1968 Class V money.

REAPPRAISAL OF PROPERTY

This year, at the suggestion of the State Tax Commission, we have placed an article in the Warrant to see if the Town will vote for a complete reappraisal. A review by the Tax Commission of recent transfers of property in Deering shows that the assessments for tax purposes are disproportionate. We feel the Selectmen have neither the time nor the proper training to do a complete reappraisal, and strongly recommend passage of Article 29. The estimate of the cost of a complete reappraisal is \$4,500.00 which we propose to pay for over a period of three years. Passage of this article will require a two-thirds vote of the Town Meeting.

GIFTS TO THE TOWN

The Deering Community Club, active for many years, was disbanded this past summer. They have given the cooler and gas stove to the Town, also the use of the coffee maker. Mrs. Ruth Lawson has the coffee maker, and may be contacted for its use.

Deering Planning Board Report

At the Annual Town Meeting on March 14, 1967, the Town Voted to create a five member Town Planning Board in accordance with regulations described in Chapter 36, Sections 1-15, State of New Hampshire R.S.A., 1955. The Selectmen appointed Dr. James M. Carew for four years, Leon Baghdoyan for three years, Ernest Johnson for two years, Irving W. Ireland for one year and Selectman Mark Treacy, ex-officio. The Board elected Dr. James M. Carew, Chairman for one year.

The Deering Planning Board has met ten times over the past year, with two of the meetings in joint sessions with the Hillsboro Planning Board.

Considerable discussion and research on planning for the present and future of Deering has transpired which includes the following:

1. The possibility of purchasing the Herrick Property to be used as a Town Dump was explored and studied but on entering into an agreement with Hillsboro to use their dump at \$300. per year, made this idea impracticable.

2. The Planning Board recommended that the Selectmen direct the Road Agent to improve Zoski Road on Deering Lake.

3. At a Special Town Meeting on July 8, 1967, the Trailer Ordinance as adopted at the Town Meeting 1967, was amended and unanimously approved by the voters, providing guidelines for the Selectmen in granting trailer permits, specifically, that the Selectmen must give substantial weight to the views and wishes of abutters and neighbors after a public hearing. This Amendment received the backing and approval of the Planning Board.

4. The possibility of a Merger of the Towns of Hillsboro and Deering underwent a preliminary study by a Committee consisting of Board Members and Selectmen from both Towns. A brief study proved that consideration of a merger and further study to be non-advisable at this time but to remain under open investigation by the Planning Boards until further study and application of the idea is improved. The Committees agreed that the two Planning Boards and Boards of Selectmen meet in joint session throughout the year to discuss topics of mutual interest.

5. The appointment of a Town Health Officer has been considered. The Selectmen have served in this capacity in the past.

6. A preliminary study on Sub-Division Regulations has been made by the Planning Board as applicable to Deering. This project will receive further investigation during the coming year.

7. A study on the need for road signs at various intersections of Town was made by Mr. Ireland. Members Ireland and Baghdoyan have offered to design and construct twenty such signs to be placed as needed throughout Deering.

8. In 1967, the State of New Hampshire Legislature enacted into law RSA Chapter 147-2 and 149-E regarding Sewage Disposal Systems. The law reads in effect that all future dwellings must have a sewage disposal system approved by the State. To assure compliance of the law the Planning Board recommends passage of Article No. 30 requiring a Building Permit be obtained from the Selectmen prior to the building, erection or placement of any home, or dwelling.

In January 1968, Selectman John Snow was made ex-officio member of the Board filling the vacancy created by Selectman Mark Treacy's resignation.

The Planning Board feels that much has been accomplished during its first year of inception. The members of the Board are appointed by the Selectmen and serve without remuneration in a true civic spirit and in what is believed to be in the best interests of the Town of Deering and are always open to receive suggestions and opinions from residents and non-residents alike relating to matters of future planning for the Town.

Report of the Libarary Trustees

The Deering Library was open, as usual, four hours a week during July and August. Pauline Champagne was in charge and did a very nice job for us.

Books from the State Library Bookmobile were available after the closing of the Library at the homes of the Trustees and the librarian, Mrs. Alberta Segrell.

The total circulation was 252 books, an increase of 23 over 1966. One new book was purchased "Jonathan Dearborn", a story of the war of 1812, by Wallace.

An appeal for antique books for the Children's Historical Book Collection at the State Library was received with interest by the Trustees as we had several, including some Horatio Alger books of which we have duplicates. We presented these and received the following letter from Emil W. Allen, Jr., State Librarian—

"It is a pleasure to thank you for your gift to the State Library of 28 books for the Children's Historical Book Collection. We appreciate your thoughtfulness in remembering the service which the Library tries to give in the State."

We appeal to the citizens of Deering to take advantage of the service we are trying to give through the addition of the latest books of all types from the Bookmobile.

Forest Fire Warden's Report

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fire caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 a.m. - 5:00 p.m. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material - use the ashtray.
