Analysis of Change in Financial Condition:

(Exhibit B.)

An analysis of the change in financial condition of

TOWN OF LINCOLN

the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues:

(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ending June 30, 1951 are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of \$3,042.14, less a net revenue surplus of \$1,194.24, resulted in a net budget deficit of \$1,847.90.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended June 30, 1951, made up in accordance with the uniform classifications of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of June 30, 1951, is indicated in Exhibit F.

General Comments

Appropriation Overdrafts:

The budget summary (Exhibit D) indicates:

Overdraft of Appropriations	\$ 5,016.16
Unexpended Balances of Appropriations	1,974.02

Net Overdraft of Appropriations	\$ 3,042.14
---------------------------------	-------------

Section 5 of Chapter 52, Revised Laws of New Hampshire, as amended, (Municipal Budget Act) the provisions of which have been adopted by the Town of Lincoln, provides as follows:

"5. Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for

TOWN OF LINCOLN

which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the tax commission and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting where changes occur which made it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes."

It must be stated, therefore, that contrary to the provisions of Section 5 of the Municipal Budget Act,— (1) the expenditures of the School District exceeded total budgetary appropriations and (2) no application was made by the School Board to the State Board of Education for authority to exceed appropriations.

Conclusion:

The accounts and records of the school district officials which we examined were found in good condition and the accounting procedure conformed to the prescribed methods.
