SUPERINTENDENT BOYNTON'S REPORT

To members of the School Board and Citizens of New Durham :

As your new Superintendent since December 1st, I have been acquainting myself with the total school situation, the preparation of budget material and copy for the School Report. I have been working with Board Members, Mr. Wyatt and Mr. Smith on the transportation plans for the next school year. Actually, the transportation routes are being modified and it would seem to the advantage of the town to buy a new school bus.

My educational evaluation will be based more on information given me by Superintendent Day than on personal knowledge. However, I am somewhat acquainted with the veteran teachers employed by the School District. Mrs. Walsh and Mrs. Clayton are capable, conscientious teachers and I look forward to working more closely with them.

Your classrooms are tidy and in good repair. The pleasant classrooms are well-equipped and adequate supplies are available. The children benefit from an excellent lunch program.

It appears that some discipline problems on the school bus could be eliminated or at least greatly improved if all concerned, including the Superintendent, make every effort to help.

School officials, parents and citizens must develop long-range education plans.

The Superintendent hopes that an article in the Warrant designed to accomplish more effectively long range planning, will have the support of the voters.

Alton schools will have to increase the number of classrooms and teaching personnel if they are to continue to accept the increasing number of pupils who must be educated outside the District. It will be very important for Alton and New Durham to consider jointly some of these common problems. Possibly New Durham may wish to provide additional classrooms within the District. In any case, careful planning is required.

The teachers report the new road provided in the school yard is a convenience to the bus drivers and contributes to the safety of the pupils.

Linda Hunter, Barbara Swett, Sandra Hughes and Donna Rand participated in the Spelling Contest at Alton last Spring. Congratulations to all and especially to Barbara Swett who won first prize in Grade 3. This Contest was open to all pupils of Union No. 49 and this is no small accomplishment.

The teachers wish me to make it a matter of record that Mr. Corson's faithful service as janitor has been appreciated and they are sorry he had to give up this work.

Mr. Day's capable leadership will not soon be forgotten and I express my sincere appreciation to him for his most valuable help given me during the month of December.

I look forward to becoming better acquainted with the Townsfolk of New Durham and pledge my best efforts to the duties and responsibilities of Superintendent of Schools of Union No. 49.

Respectfully submitted,

JASON E. BOYNTON,

Superintendent of Schools

(a) REPORT OF SCHOOL HEALTH WORK — 1956-57

To the Townspeople, School Board, and Superintendent of Schools of New Durham:

The following is my seventh annual report of the school health work of New Durham:

This Fall, we have had a number of cases of whooping cough in school. However the general health of the children is good.

A dental clinic will be conducted this winter by Dr. Clarkson of Farmington.

The routine school nursing work will be found in the statistical report.

In closing I wish to thank the parents, teachers and all others who are helping with the school health program of your school.

I am always glad to hear from parents at any time regarding their children or pertaining to the health of the school.
