

Annual Reports of the
Town of Seabrook

New Hampshire

1986

**For the Year Ending December 31st
As Compiled by the Town Officers**

COVER: Town Office Building Weather Vane

The selection of the motif for the weather vane was made by the Board of Selectmen. The familiar "seagull" is appropriately symbolic of the general seacoast area. This unique weather vane, believed to be one-of-a-kind, was made of gold-leafed copper and was designed and manufactured by E.G. Washburne & Company of Danvers, Massachusetts. It was placed on top of the cupola on May 21, 1982.

**Annual Reports
of the
Town of Seabrook**

New Hampshire

For the Year Ending December 31st

1986

As Compiled by the Town Officers

IN MEMORIAM

April 28, 1923

FREDERICK B. FELCH, SR.

March 21, 1986

Fred, a native son, was born on Farm Lane, son of Myron B. and Sadie Felch. He retired as a foreman from the Portsmouth Naval Shipyard in 1975.

He served the town from 1939 to 1985, as a Selectman (6 years), a School Treasurer (20 years), Tax Collector (7 years), a member on the Planning Board, Zoning Board of Adjustment, Budget Committee, Solid Waste, Incenerator, and Water Research committees. He served on the Recreation Commission, was a Boy Scout leader, a member of the School Board, P.T.A. President, a special police officer in the 1950's and a volunteer firefighter from 1939 to 1956.

He accepted a state appointment as a member of the Shore Fisheries Committee (1960 - 1984) and was elected to the N.H. Constitutional Convention (1978-1984).

Fred was a dedicated public servant, greatly admired by all who knew him. He is remembered and sadly missed.

ARTICLE 2: To see if the town is in favor of the adoption of Amendment No. 1, as proposed by the Planning Board, for the Town of Seabrook Zoning Ordinance:

1. To amend the official Seabrook Zoning Map under Section II of the Zoning Ordinance to incorporate a Zone 1A as follows:

All area of land currently in Zone 2 and located in the Lakeshore area, to include Forest Drive, Ayer Circle, Forest Court, Pinecone Drive, Evergreen Drive, and Timber Court, as shown on the Revised Seabrook Zoning Map and more specifically shown on the Seabrook Property Tax Map and described as follows:

Beginning at the northeast corner of Lot 75 and running southerly along the easterly boundary of Lots 74 through 68, through Lakeshore Drive, along the southeastern boundary of Lot 146, thence turning westerly following the southern boundary of Lot 146 through 124, thence turning in a northerly direction running along the western boundary of Lot 123 through Lot 122, thence turning easterly at the northwest corner of Lot 122 and running to the southwest corner of Lot 119, thence turning northerly and running along the western boundary of Lots 119 through 116, thence turning easterly and following the northern boundary of Lots 115 through 112, thence turning southerly and following the northern boundary of Lot 111 through 96, thence turning easterly along the northern boundary of Lot 95 through Lot 75 to the point of beginning.

(All section references shall also refer to the comparable reference under the Code of the Town of Seabrook.)

YES 451 NO 501

ARTICLE 3: To see if the town is in favor of the adoption of Amendment No. 2, as proposed by the Planning Board, for the Town of Seabrook Zoning Ordinance:

2. To amend the Zoning Ordinance by including an additional zone to be called "Zone 1A" and more specifically to amend Section II to add to the list of use districts the "Zone 1A" and amend Section III to include a use district as follows:

F. Zone 1A.

In Zone 1A no buildings, structures or portions thereof shall be erected, altered, moved, or used and no land or building or part thereof shall be used, arranged, or designed to be used except for one or more of the following uses:

1. Single family dwellings.
2. Two-family dwellings shall be permitted as a special exception by the Board of Adjustment only if adequate land for parking is available and the sewage disposal system complies with all town and state regulations covering two-family dwellings.
3. Dead storage of travel trailers not more than twenty-seven (27) feet in length and boats used by residents or tenants.
4. Accessory buildings not for human habitation which are incidental to the primary uses and accessory uses by owner or tenant incidental to the above permitted uses, such as swimming pools, which are not detrimental to a residential neighborhood.

(All section references shall also refer to the comparable reference under the Code of the Town of Seabrook.)

YES 499 NO 520

ARTICLE 4: To see if the town is in favor of the adoption of Amendment No. 3, as proposed by the Planning Board, for the Town of Seabrook Zoning Ordinance:

3. To amend the Zoning Ordinance Booklet by changing the numbering, titling, and formatting thereof, the entire text of which is as published by General Code Publishers Corp. in "The Code of the Town of Seabrook" on file with the Town Clerk, effective on passage; this amendment shall repel, supersede, and replace by reference to said Code the prior Zoning Ordinance of Seabrook.

YES 438 NO 537

ARTICLE 5: Shall the municipality approve the Charter Amendment reprinted below?

1. To amend Part II, Section I entitled "Town Meeting Authority" so that the first sentence is deleted and replaced with the following sentence:

The form of government provided by the Charter may be either the Selectmen-Open Meeting with the Municipal Budget Act of the Selectmen Town Manager-Open Town Meeting with the Municipal Budget Act, as may be more specifically voted at an Annual Town Meeting in accordance with the Revised Statutes Annotated.

YES 406 NO 635

ARTICLE 6: Shall the municipality approve the Charter Amendment reprinted below?

2. To amend Part III, Section XVIII entitled "Administrative Assistant" so that the first two sentences are deleted and replaced with the following two sentences:

The Town may have an Administrative Assistant. The individual holding that position is directly responsible to the Board of Selectmen or the Town Manager, as the case may be.

YES 437 NO 631

ARTICLE 7: Shall the municipality approve the Charter Amendment reprinted below?

3. To amend Part II, Section XXVB entitled "Overseer of the Poor" so that the first sentence is deleted and replaced with the following sentence:

The Selectmen, or the Town Manager, as the case may be, shall be the overseers of the poor and may appoint a person as Welfare Agent.

YES 459 NO 604

ARTICLE 8: Shall the municipality approve the Charter Amendment reprinted below?

4. To amend the Seabrook Home Rule Charter by changing the numbering, titling, and formatting, of the Charter to conform to the text of the Charter as published by General Code Publishers Corp. in "The Code of the Town of Seabrook" on file with the Town Clerk, effective on passage; this amendment shall repeal, supersede, and replace by reference to said Code the prior Seabrook Home Rule Charter.

YES 424 NO 582

ARTICLE 9: Do you favor adoption of the town manager plan as provided in chapter 37 of the Revised Statutes Annotated?

YES 435 NO 668

ARTICLE 10: Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00?

YES 771 NO 376

Motion by Clyde O. Brown, second by Elizabeth A. Thibodeau, to adopt Article 11 as read. ARTICLE 11 ADOPTED.

Article 33: To see if the town will vote to raise and appropriate the sum of Two Hundred Thousand (\$200,000.00) Dollars for the purpose of designing and constructing a new solid waste transfer station; and to authorize the Selectmen to enter into such contracts and agreements as are necessary for this purpose.

(Recommended by the Budget Committee)

Motion by Lydia M. Gould, second by David Anderson, to adopt Article 58 as read. Article explained by Lydia M. Gould. YES and NO ballots requested. Engineers, Don McElhinney and E.C. Jordan explained this article. The proposed system will serve the entire town. The tax increase will be \$3.00/\$1,000 valuation. Sewer hookup charge between \$400 and \$1200 per home. Wright's Island recommended site. No Federal Funding for Seabrook. Gordon Dow requests YES and NO ballots using the check-list. YES 189 NO 89. ARTICLE 58 ADOPTED.

Article 59: On petition of Lydia M. Gould and thirty six (36) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Three Million Five Hundred Thousand (\$3,500,000.00) Dollars for the purpose of adding said amount to the Capital Reserve Fund, known as the "Sewer Fund."

(Recommended by the Budget Committee)

Motion by Lydia M. Gould, second by Benjamin Moore, to adopt Article 59 as read. Lydia Gould explained if this article is passed this money will pay for the first year of construction. Paper Ballots with check-lists used. YES 182 NO 50. ARTICLE 59 ADOPTED.

Motion by Ernest B. Sanborn, second by Clayton Jeffers, to take up Article 34 at this time. MOTION ADOPTED.

Article 34: To see if the town will vote to raise and appropriate the sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars for the purpose of designing and constructing a new fire station to be located on land owned by the town on Centennial Street; and to authorize the Selectmen to enter into such contracts and agreements as are necessary for this purpose.

(Recommended by the Budget Committee)

Motion by Ernest B. Sanborn, second by Howard Page, Jr., to adopt Article 34 as read. ARTICLE 34 ADOPTED.

Article 12: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

Motion by Earlene U. Locke, second by Clyde O. Brown, to adopt Article 12 as read. ARTICLE 12 ADOPTED.

Article 13: To see if the town will vote to authorize and empower the Selectmen to appoint such permanent police officers, firemen and employees for all other departments of the town as they deem necessary.

Motion by Earlene U. Locke, second by Clyde O. Brown, to adopt Article 13 as read. ARTICLE 13 DEFEATED.

Article 14: To see if the town will vote to authorize the Board of Selectmen to sell at public auction or by advertised sealed bids such town property as is no longer used by the town.

Motion by Clyde O. Brown, second by David Anderson, to adopt Article 14 as read. ARTICLE 14 ADOPTED.

Article 15: To see if the town will vote, pursuant to authority under RSA 80:42 and RSA 80:42-a, to retain and hold all real property located within the marshlands and to authorize the Selectmen to sell all other tax title property, in the first instance to former owners of the property, or the grandparents, parents, children, and spouses of said former owner, for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertized sealed bids or public auction, at the discretion of the Selectmen.

Motion by Clyde O. Brown, second by Ann Downer, to adopt Article 15 as read. ARTICLE 15 ADOPTED.

Article 16: To see if the town will vote to ratify the following amendments to the Public Health Regulations; which amendments were adopted on November 6, 1985, and February 5, 1986, respectively, by the Town Health Officer and the Board of Selectmen:

1. Amend Section B-1 to read as follows:

All dwellings and commercial, public or industrial buildings from which sewage will discharge must have a private sewage disposal system of a type, size and construction that meets or exceeds the minimum requirements of the New Hampshire Water Supply and Pollution Control Commission or such other requirements as may be necessary for the protection of the public health and safety as determined by the Health Officer for the proposed or actual use of said building. Any enlargements, changes, or intensification of the existing uses of a building shall require the private sewage disposal systems to be modified or enlarged so as to fully comply with the then existing requirements and regulations of the New Hampshire Water Supply and Pollution Control Commission (as they may be amended from time to time) as they apply to the said enlarged, changed, or intensified use. All said systems, whether original or later modified, shall be installed and used so as not to create a health or safety hazard.

2. Amend Section B-2 to read as follows:

Permits required to construct septic systems: Any persons intending to construct, retrofit, enlarge, or modify a private sewage disposal system shall first obtain approval from the New Hampshire Water

Supply and Pollution Control Commission for said new or modified system and then obtain a written permit to do so signed by the Town Health Officer. In the event that the New Hampshire Water Supply and Pollution Control Commission does not require an approval or permit for any retrofit, enlargement, or modification of an existing system, the person applying for the town permit or constructing said system must satisfy all existing requirements or regulations of said commission for the installation or construction of the retrofit, enlargement, or modification of the existing system. The Town Health Officer shall, in all cases, determine compliance with these requirements and shall be authorized to hire such expert advice as may be necessary in these duties.

3. Amend the Public Health Regulations generally by adding an additional section to be designated as Section D entitled "Rules for the Sanitary Production and Distribution of Food" and to adopt thereunder all the provisions of the New Hampshire rules for the sanitary production and distribution of food specifically known as He-P2300 with the exception of He-P2301 and He-P2302. Said rules are specifically adopted and incorporated herewith as a part of this ordinance and reference is made therein for the specific provisions. Further, all food processing establishments and food service establishments shall be licensed by the Town Health Officer and shall be subject to the regulations contained herein.

Motion by Clyde O. Brown, second by Ann Downer, to adopt Article 16 as read. ARTICLE 16 ADOPTED.

Article 17: To see if the town will vote to adopt written Welfare Regulations as proposed by the Board of Selectmen. Chapter 380 of the Laws of 1985 require the town to adopt written welfare regulations prior to April 1, 1986. (Copies of the full text of the proposed regulations are on file with the Town Clerk.)

Motion by Earlene U. Locke, second by Elizabeth A. Thibodeau to adopt Article 17 as read. ARTICLE 17 ADOPTED.

Motion to adjourn until Monday evening by James S. Eaton, second by Oliver Fowler. MOTION DEFEATED. Amendment to adjourn until Friday evening at 7 PM by Elizabeth A. Thibodeau, second by Frank Thibodeau. Hand vote taken. YES 104 NO 63.

Meeting adjourned until Friday evening at 7 PM.
Meeting adjourned at 11:40 PM.

MARCH 14,1986

Meeting called to order by Moderator, Charles H. Felch Sr. at 7:10 PM.

Article 18: To see if the town will vote to enact the following ordinance regulating the use of sailboats and windsurfers on Seabrook Beach in order to protect the health and safety of the general public. This ordinance shall be known as Chapter 229 of the Code of the Town of Seabrook.

229-1 Use of Sailboats and Windsurfers Restricted at Seabrook Beach

The individual use of sailboats and windsurfers from the beaches of Seabrook Beach shall be prohibited at all times.

229-2 Violation and Penalties

There shall be, in addition to any other penalties imposed by law, a fine of One Hundred (\$100.00) Dollars for each violation of this chapter.

229-3 Effective Date

This chapter shall be effective as of the date it is adopted at the Town Meeting.

Motion by Clyde O. Brown, second by Elizabeth A. Thibodeau, to adopt Article 18 as read. Amendment by Timothy Willis, second by James C. Falconer, to see if the town will vote to enact the following ordinance regulating the use of sailboarding and windsurfers on Seabrook Beach in order to protect the health and safety of the general public. This ordinance shall be known as Chapter 229 of the code of the Town of Seabrook: 229-1: Use of sailboats and windsurfers restricted at Seabrook Beach. The individual use of sailboats and windsurfers shall be restricted to use by residents, only by issuance of permits. Amendment passed. ARTICLE 18 ADOPTED AS AMENDED.

Article 19: To see if the town will vote to enact an exemption for prisoners of war pursuant to RSA 261:157-a waiving the fee to be charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for thirty days or more while serving in a qualifying war or armed conflict as defined in RSA 72:28 IV, and who was honorably discharged; provided the person has provided the Town Clerk with satisfactory proof of these circumstances.

Motion by Bruce G. Brown, second by David Anderson, to adopt Article 19 as read. ARTICLE 19 ADOPTED.

Article 20: On petition of Milan W. Knowles, Sr., and seventeen (17) other legal voters of the town: To see what action the voters of Town Meeting will take on the following: That the voters instruct the Board of Selectmen to change the personnel policy to allow police officers to wear beards.

Motion by E. Albert Weare, second by Robert Loud, to postpone Article 20 indefinitely. ARTICLE 20 POSTPONED INDEFINITELY.

Article 21: To see if the town will vote to rescind the action of the town taken under Article 25 of the 1985 Town Meeting [to expend a portion of moneys raised in 1984 for the purchase of the Straw-Grasso parcel of land for a fire station] and to reconfirm the intent of the town vote raising this money under Article 31 of the 1984 Town Meeting.

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 21 as read. ARTICLE 21 ADOPTED.

Article 22: To see if the town will vote to rescind Article 31 of the 1977 Annual Town Meeting, being the \$50.00 exclusion from the Social Security Plan for election officials and workers, in order to eliminate the exclusion.

Motion by Earlene U. Locke, second by Clyde O. Brown, to adopt Article 22 as read. ARTICLE 22 ADOPTED.

Article 23: On petition of Gertrude B. Humphrey and sixteen (16) other legal voters of the town: To see if the town will vote to sell a certain tract of land at Seabrook Beach to its abutters for Fifty Five Thousand Six Hundred (\$55,600.00) Dollars. Said land is bounded on the north by Lawrence Street, on the east by Atlantic Avenue, on the south by Haverhill Street, and on the west by several owners and was acquired by the town as a result of the adoption of Article 11 at the Adjourned Town Meeting held on March 17, 1951. Each abutter would buy the section of land directly east of their existing property and the sale would be subject to a restriction that it could never be built upon.

Motion by Gertrude G. Humphrey, second by Timothy Willis, to adopt Article 23 as read. ARTICLE 23 DEFEATED.

Article 24: On petition of George S. Mowbray, Jr., and fifteen (15) other legal voters of the town: To see if the town will vote to accept as a public street, Brooks Road Extension, together with the improvements thereon.

Motion by George S. Mowbray Jr., second by Pauline Super, to adopt Article 24 as read. ARTICLE 24 ADOPTED.

Article 25: On petition of John A. Crandall and twenty two (22) other legal voters of the town: To see if the town will vote to accept the street known as Whittier Drive, said street being shown as a proposed road on a plan approved by the Seabrook Planning Board and recorded in Rockingham Records No. D-11102.

Motion by Vernon G. Dow, second by Bruce G. Brown, to adopt Article 25 as read. This Article explained by Road Agent, Vernon G. Dow. Road has been inspected by the State and has been approved. Hand vote taken. YES 78 NO 47. ARTICLE 25 ADOPTED.

Article 26: On petition of Corydon F. Perkins and fifteen (15) other legal voters of the town: To see if the town will vote to increase the Weight Limit on Old New Boston Road to fifty five thousand (55,000) pounds, this includes portion of New Boston Road that lies easterly of existing gates and bars on New Boston Road to New Zealand Road; also to include any portions of True Road that lie between New Boston Road and New Zealand Road.

Motion by Clyde O. Brown, second by Elizabeth A. Thibodeau, to adopt Article 26 as read. Amendment by Warner Knowles, second by David Anderson, to increase the Weight Limit on Old Boston Road to thirty-five thousand (35,000) pounds. ARTICLE 26 ADOPTED AS AMENDED.

Article 27: On petition of Brenda L. Perkins and eleven (11) other legal voters of the town: To see if the town will vote to resolve: That the title to the parcel of real property located at Worthley Avenue, Seabrook, County of Rockingham, State of New Hampshire, and more particularly described as follows:

A certain tract or parcel of land situated in the Town of Seabrook, aforesaid, taxed by the Selectmen/Assessors in 1976 to the Estate of Peter Juliano and described in the Invoice Books as Land - Worthley Avenue Known as Lester Fowler Land; Bought by the Town of Seabrook at a Tax Collector's sale held at the Town Office in said Town of Seabrook, New Hampshire, on the first day of April, 1977;

and presently held by the Town of Seabrook as a result of said tax taking in 1977 and it being past the time for the redemption of said property by any alleged owner thereof, that the said title to the property be conveyed to and confirmed in the ownership of Ronald Welch, Sr., upon payment by the said Ronald Welch, Sr., of any and all unpaid taxes due to the Town of Seabrook.

Motion by Ronald Welch Jr., second by Robert Johonette, to adopt Article 27 as read. Bruce G. Brown gave history of this land. ARTICLE 27 ADOPTED.

Article 28: On petition of Robert R. Cushing, Jr., and twelve (12) other legal voters of the town: To see if the town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Seabrook and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the

U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan.

Motion by Clyde O. Brown, second by Robert Cushing, Jr. to adopt Article 28 as read. Hand vote taken. YES 43 NO 67. ARTICLE 28 DEFEATED.

Article 29: On petition of Elizabeth A. Thibodeau and eleven (11) other legal voters of the town: To see if the town will vote to state that the emergency planning which has been done to date is ineffective in meeting the federal regulations of "providing reasonable assurance that adequate protective measures can and will be taken in the event of a radiological emergency" at Seabrook Station.

Motion by Elizabeth A. Thibodeau, second by Timothy Willis, to adopt Article 29 as read. Hand vote taken. YES 36 NO 68. ARTICLE 29 DEFEATED.

Article 30: On petition of Francis L. Thibodeau and eleven (11) other legal voters of the town: To see if the town will vote to require that: prior to the town's determination that the Radiological Emergency Response (Evacuation) Plan is approved and capable of being implemented, all officials, agencies, organizations, and individuals given an emergency response role in the plans sign a Letter of Agreement (as required by federal regulation NUREG 0654) indicating that they understand, are capable of and are willing to carry out their responsibilities listed in the town's Radiological Emergency Response Plan.

Motion by Francis Thibodeau, second by Elizabeth A. Thibodeau, to adopt Article 30 as read. ARTICLE 30 DEFEATED.

Article 31: On petition of Kevin Fleming and twelve (12) other legal voters of the town: To see if the town will vote to require that all town officials, agencies and department personnel NOT participate in nuclear emergency response exercises, drills or other related activities until the town's Radiological Emergency Response (Evacuation) Plan has been approved by Town Meeting.

Motion by Kevin Fleming, second by Robert Cushing, Jr., to adopt Article 31 as read. ARTICLE 31 DEFEATED.

Article 32: To see if the town will vote to authorize withdrawal from the Federal Revenue Sharing Fund for use as an offset against the following debt service:

<u>Bond</u>	<u>Purpose</u>	<u>Amount</u>
1975 Water Bond	Principal	\$50,000
	(Recommended by the Budget Committee)	

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 32 as read. ARTICLE 32 ADOPTED.

Article 35: To see if the town will vote to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars for the purpose of conducting the necessary re-appraisal of the taxable property in the Town.

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 35 as read. ARTICLE 35 ADOPTED.

Article 36: To see if the town will vote to raise and appropriate the sum of One Hundred and Sixty-Five Thousand (\$165,000.00) Dollars for the purpose of completing the construction of Ledge Road and Lower Collins Street.

(Not Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 36 as read. Amendment to Article 36 by E. Albert Weare, second by Frederick Moulton, Jr.: provided that no funds be expended for the purchasing of land or obtaining an easement to land to build said road. ARTICLE 36 ADOPTED AS AMENDED.

Article 37: To see if the town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000.00) Dollars for the purpose of improving a portion of Old New Boston Road.

(Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by Clyde O. Brown, to adopt Article 37 as read. ARTICLE 37 ADOPTED AS READ.

Article 38: On petition of Betty Janvrin and sixteen (16) other legal voters of the town, to see if the town will appropriate the sum of Seven Thousand Four Hundred (\$7,400.00) Dollars to provide air conditioning for the Brown Memorial Library.

(Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by David Anderson, to adopt Article 38 as read. ARTICLE 38 ADOPTED.

Article 39: To see if the town will vote to raise and appropriate the sum of One Hundred Thirty-Two Thousand (\$132,000.00) Dollars for the purpose of completing the road to the Police Station.

(Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by Clyde O. Brown, to adopt Article 39 as read. ARTICLE 39 ADOPTED.

Article 40: To see if the town will vote to raise and appropriate the sum of Sixty Thousand (\$60,000.00) Dollars for the purchase of a new four-wheel drive forestry fire truck.

(Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by Clyde O. Brown, to adopt Article 40 as read. ARTICLE 40 ADOPTED.

Article 41: To see if the town will vote to raise and appropriate the sum of Seventy-Five Thousand (\$75,000.00) Dollars to move and relocate the main section of the Josiah Chase Homestead on town-owned land behind the First Meeting House on the corner of Route 1 and Route 107 to be used as a museum under the care of the Historical Society as recommended by the Chase Homestead Committee.

(Recommended by the Budget Committee)

Motion by James Champoux, second by Frederick Moulton, Jr., to adopt Article 41 as read. ARTICLE 41 DEFEATED.

Article 42: To see if the town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000.00) Dollars to survey town roads in order to establish accurate road widths for the purpose of planning drainage, sidewalks, and shade trees.

(Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by Elizabeth A. Thibodeau, to adopt Article 42 as read. (Six year capital improvement program.) ARTICLE 42 ADOPTED.

Article 44: To see if the town will vote to raise and appropriate the sum of Thirty-Five Thousand (\$35,000.00) Dollars to purchase and install an electric generator at the town offices.

(\$25,000.00 Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by Elizabeth A. Thibodeau to adopt Article 44 as read. ARTICLE 44 DEFEATED.

Article 45: To see if the town will vote to raise and appropriate the sum of Eleven Thousand Seven Hundred (\$11,700.00) Dollars for the purpose of completing the existing town office computer program.

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Lillian Knowles, to adopt Article 45 as read. ARTICLE 45 ADOPTED.

Article 46: To see if the town will vote to raise and appropriate the sum of Twenty-Eight Thousand (\$28,000.00) Dollars for the purchase of voting machines to be used for town elections.

(Not Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Elizabeth A. Thibodeau, to adopt Article 46 as read. ARTICLE 46 DEFEATED.

Article 47: To see if the town will vote to raise and appropriate the sum of Twelve Thousand Five Hundred (12,500.00) Dollars for the purchase of a four-wheel drive one-half ton pick-up truck for use by the Mosquito Control Department.

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 47 as read. ARTICLE 47 ADOPTED.

Article 48: To see if the town will vote to raise and appropriate the sum of Twenty-Three Thousand (\$23,000.00) Dollars to be added to the sum of Twenty-Two Thousand (\$22,000.00) Dollars encumbered in Article #44 in 1985; making a total of Forty-Five Thousand (\$45,000.00) Dollars to purchase a backhoe. The present 1980 Case vehicle is to be traded.

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Vernon Dow, to adopt Article 48 as read. ARTICLE 48 ADOPTED.

Article 49: To see if the town will vote to raise and appropriate the sum of Forty Thousand (\$40,000.00) Dollars to purchase a Wheel Loader; the present 1980 Caterpillar vehicle is to be traded.

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Vernon Dow, to adopt Article 49 as read. ARTICLE 49 ADOPTED.

(Recommended by the Budget Committee)

Motion by Diana Randall, second by Harry Knowles, to adopt Article 56 as read. Sandra Beaudoin explained this article. ARTICLE 56 ADOPTED.

Motion by Clyde O. Brown, second by Elizabeth A. Thibodeau, to adopt Article 33 as read. Design and construction of transfer station explained by Malcolm Chase. ARTICLE 33 ADOPTED.

Request by Selectmen to vote on Article 43. REQUEST ADOPTED.

Article 43: To see if the town will vote to raise and appropriate the sum of Twenty-Four Thousand (\$24,000.00) Dollars for the purpose of completing the Seabrook Beach drainage and right-of-way survey.

(Recommended by the Budget Committee)

Motion by Elizabeth A. Thibodeau, second by Earlene U. Locke, to adopt Article 43 as read. Surveying from air and drainage problem explained by Malcolm Chase (Engineer). ARTICLE 43 ADOPTED.

The moderator will now take up the following Articles.

Article 52: To see if the town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000.00) Dollars for the purpose of beginning the necessary engineering and construction of improvements to the town's street drainage systems, with the first area of concentration to be the roads to the east of Route 1A.

(Recommended by the Budget Committee)

Motion by Earlene U. Locke, second by Elizabeth A. Thibodeau, to adopt Article 52 as read. Article explained by Selectmen. ARTICLE 52 ADOPTED as read.

Article 58: On petition of Lydia M. Gould and thirty-seven other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Two Million Two Hundred Fifty Thousand (\$2,250,000.00) Dollars for the following purposes:

1. For the purpose of acquisition of land by purchase or eminent domain under terms deemed necessary and advantageous by the Selectmen located on Wright's Island as recommended by the Contract Engineers; or such other land as may be necessary for the use as the location for a treatment plant for the proposed wastewater collection, treatment, and disposal facilities of a municipal sewage system.

2. For the design, plans and specifications, for the proposed wastewater collection, treatment and disposal facilities of a municipal sewage system.

(Recommended by the Budget Committee)

Article 57: On petition of Priscilla L. Marshall and nineteen (19) other legal voters of the town: To see if the town will raise and appropriate Fifteen Thousand (\$15,000.00) Dollars for the purpose of placing lifeguards on Seabrook Beach during the twelve (12) week summer school vacation period, and to erect lifeguard stations (chairs and towers) as needed, and for the purchase of lifeguard rings and any other necessary equipment to initiate a lifeguard program for the Town of Seabrook.

(Not Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Sandra Beaudoin, to adopt Article 57 as read. Amendment by Sandra Beaudoin, second by Harry Knowles, to increase the amount to Twenty Eight Thousand Two Hundred Sixty Five (\$28,265.00). Town Counsel Gary Holmes was asked to explain the town's liability insurance. AMENDMENT ADOPTED. ARTICLE 57 ADOPTED AS AMENDED.

Article 60: On petition of Marilyn Erickson and thirty-seven (37) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of One Hundred Ninety-Two (\$192.00) Dollars a year to install and maintain two street lights on Cross Beach Road, pole numbers 1663 and 1666; estimated cost for two lights will be One Hundred Ninety-Two (\$192.00) Dollars per year.

(Not Recommended by the Budget Committee)

Motion by Robert Erickson, second by Harry Knowles, to adopt Article 60 as read. Street Light Committee Chairman E. Albert Weare confirmed four street lights were requested previously. Two street lights were put on Cross Beach Road. The other two were denied. When road is built these lights will be put in. ARTICLE 60 ADOPTED.

Article 61: To see if the town will vote to raise and appropriate the sum of Thirty-Eight Thousand Four Hundred Eighty-Six Dollars (\$38,486.00) for the purpose of making final payment of principal (\$38,036.00) and interest (\$450.00) due the Farmers Home Administration for the town's 1966 Water Extension Notes.

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 61 as read. ARTICLE 61 ADOPTED.

Article 62: To see if the town will vote to raise and appropriate the sum of Five Hundred Thousand (\$500,000.00) Dollars for the purpose of adding said money to the Capital Reserve Fund known as the "Municipal Building Fund."

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 62 as read. ARTICLE 62 ADOPTED.

Article 63: To see if the town will vote to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars for the purpose of adding said money to the Capital Reserve Fund known as the "Motor Vehicle Fund."

(Recommended by the Budget Committee)

Motion by Clyde O. Brown, second by Earlene U. Locke, to adopt Article 63 as read. ARTICLE 63 ADOPTED.

Article 64: To see what sums of money the town will vote to raise and appropriate for the expense of the general government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and for all necessary expenditures for the ensuing year.

Motion by E. Albert Weare, second by Earl Perkins, to accept the budget at \$13,071,676.00. TOTAL BUDGET ADOPTED - \$13,071,676.00.

Article 65: To transact all other legal business that may come before this meeting.

Motion by Robert Erickson, second by Vernon R. Small, to adopt the following resolution: "Resolved that the Selectmen be instructed to apply for a re-hearing before the Wetlands Board of the State of New Hampshire for the necessary permits for the improvements to Cross Beach Road as proposed by Kimball-Chase Engineers." This resolution is to be typewritten and given to the Selectmen.

Motion by Gordon Dow, second by James C. Falconer, to ADJOURN this meeting.

Meeting ADJOURNED at 11:50 p.m.

ADJOURNED SPECIAL TOWN MEETING

SEPTEMBER 15, 1986

Adjourned Special Town Meeting called to order by Moderator, Charles H. Felch Sr. at 8:12 PM.

Salute to flag led by Elizabeth A. Thibodeau.

Introduction of head table by Moderator.

ARTICLE 4: To see if the Town will vote to enter into an exchange of Land with Harold J. Perkins II and Beverly Perkins of 79 Centennial Road, by which the Town will convey to Perkins a thirty (30') foot wide strip of its own Land from the police and fire station parcel along the northerly sideline of Perkins' Land in exchange for the transfer by Perkins to the Town of the northwesterly parcel of their Land with approximately three hundred (300') feet of frontage on the B & M Railroad; and to authorize the Selectmen to enter into any agreements and execute all documents, including deeds, as are necessary to affect this exchange.

Motion by Clyde O. Brown, second by Elizabeth A. Thibodeau to adopt Article 4 as read.

Selectman, Clyde O. Brown, explained that it is a matter of land swap with Harold and Beverly Perkins, 79 Centennial Street, Seabrook. Resulting in more frontage for the new police and fire complex.

Brown also explained that this swap would not interfere with plans for the new fire station.

Brown also stated that this land has not been appraised.

ARTICLE 4 ADOPTED

Moderator Charles H. Felch Sr. stated that all amendments must be in writing and signed, and sponsor will be recognized.

Motion by Marilyn Erickson, second by Nancy Crossland, to act on Article 10 next. MOTION ADOPTED

ARTICLE 10: Onpetition of Marilyn Erickson and other legal voters of the Town: To see if the Town will vote to instruct the Selectmen to applyfor rehearing before the Wetlands Board of the State of New Hampshire to secure the necessary permits for the improvement of Cross Beach Road according to plans prepared by Kimball Chase Co., Inc. The Selectmen are to do this within thirty (30) days of the approval of this Article. And further, that the Selectmen will notify the townspeople and any other interested persons who wish to attend said hearing of the Wetlands Board of the State of New Hampshire.

Motion by Clyde O. Brown, second by Robert Erickson to adopt Article 10 as read.

Selectmen Clyde O. Brown explained that this Article is to apply to the state for a rehearing to obtain from the State Wetlands Board the permits to improve Cross Beach Road.

ARTICLE 10 ADOPTED

ARTICLE 5: To see if the Town will vote to authorize the Selectmen to expend such portion of the funds raised and appropriated under Article 31 of the 1984 Annual Town Meeting as may be necessary to negotiate and purchase Land from the B & M Railroad Company and other landowners located between the existing fire and police station site on Centennial Road and Route 1 for the purpose of creating an access from these facilities to Route 1.

Motion by Elizabeth A. Thibodeau, second by Clyde O. Brown to adopt Article 5 as read.

Selectman, Clyde O. Brown, explained there has been no figures involved in the purchase of this land only because it hasn't been appraised.

Amendment by Eric N. Small, second by Stanley A. Hamel, to amend this Article to read Boyntons Lane access only.

AMENDMENT ADOPTED.

ARTICLE 5 ADOPTED AS AMENDED

ARTICLE 6: On petition of Ronald M. Eaton and other legal voters of the Town: To see if the Town will vote to instruct the Board of Selectmen to accept the Fire Station Building Committee's recommendation to place and build the new fire station on the southeast corner of Town-owned land on Centennial Street. Said fire station entrance doors to be not more than two hundred (200') feet from Centennial Street.

Motion by Ronald M. Eaton, second by Ernest N. Sanborn to adopt Article 6 as read.

Letter read by Clyde O. Brown from Diana Beckman about Fire and Police station.

Amendment by Bruce G. Brown, second by Charles Polito, Jr. to study site further and to report at next Town Meeting.

Ballot Vote request by Bruce G. Brown and five voters.

Paper Ballots used with check-list.

YES 59 NO 117

Amendment defeated.

ARTICLE 6 ADOPTED AS READ.

ARTICLE 7: On petition of Ernest B. Sanborn and other legal voters of the Town: To see if the Town will vote to purchase a 1986 mini-pumper as submitted by bid to the Board of Selectmen from Greenwood Fire Apparatus, Inc., for the price of Fifty-Nine Thousand Four Hundred Sixty (\$59,460.00) Dollars, using the monies that were appropriated at the adjourned Town Meeting on March 14, 1986.

Motion by Ernest N. Sanborn, second by James S. Eaton to adopt Article 7 as read.

Article 7 explained by Ernest N. Sanborn.

ARTICLE 7 ADOPTED AS READ.

ARTICLE 8: On petition of Ernest B. Sanborn and other legal voters of the Town: To see if the Town will vote to instruct the Board of Selectmen to appoint four (4) new permanent firefighters to the Seabrook Fire Department. The monies for these four (4) permanent firefighters were approved by the Board of Selectmen, the Budget Committee, and the Town of Seabrook voters by approving the Fire Department budget, which included salaries for four (4) permanent firefighters at the adjourned Town Meeting on Friday, March 14, 1986.

Motion by Ernest B. Sanborn, second by Richard Hale to adopt Article 8 as read.

Amendment by Ernest B. Sanborn, second by David Anderson, to instruct the Board of Selectmen to appoint four (4) new permanent firefighters to the Seabrook Fire Department, and these men shall be appointed within (30) days of the passing of this article, and that these men shall be taken from the present existing list of qualified firefighters.

ARTICLE 8 ADOPTED AS AMENDED.

ARTICLE 9: On petition of Ernest B. Sanborn and other legal voters of the Town: To see if the Town will vote to instruct the Board of Selectmen to appoint reserve firefighters to the Seabrook Fire Department not to exceed the number of twenty (20), as has been a practice for a number of years, and is stated in the Town Charter under Public Safety Code C-35:B.

Motion by Ernest B. Sanborn, second by James S. Eaton to adopt Article 9 as read.

Moderator Charles H. Felch Sr. asked Assistant Moderator James Champoux to take over chair so he may speak.

Charles H. Felch Sr. recognized by chair and explained how the Fire Department started and how the volunteers are the back bone of the Fire Department.

ARTICLE 9 ADOPTED AS READ.

ARTICLE 11: To transact all other legal business that may come before this meeting.

Motion by Ronald M. Eaton, second by Elizabeth A. Thibodeau that there shall not be anymore elections and/or Town Meetings held in the Seabrook Recreation Center Building, until such time that adequate parking is provided.

Motion to adjourn by Virginia L. Fowler, second by William Hale.

MEETING ADJOURNED AT 11:20 PM.

SELECTMEN'S REPORT

The town has made progress toward completion of a variety of projects in 1986.

Money was raised and appropriated to purchase land and hire a design engineer for the town sewer system. The board conducted numerous interviews of engineering firms and visited treatment plants in New England. At the end of 1986 the board was nearing a decision regarding the selection of an engineer. The selection will be finalized in 1987 and construction begun in 1988.

During 1986 bids were reviewed for installation of a fourth deep rock well. The original design engineer and well drilling company will be hired to install the pump in the existing well hole. This will result in a substantial increase to our existing water supply at a cost less than half the original low bid.

In the spring of 1986 virtually all of the town's liability insurance was canceled when its insurer went bankrupt. Thanks to the efforts of our secretary, Margaret Wetherington, Town Counsel Gary Holmes and Insurance Consultant Richard Larrabee, insurance was secured to protect the town. In early summer, we joined the New Hampshire Municipal Association property/liability insurance pool. We now have reliable and affordable insurance for the town, despite the instability of the insurance market.

Work on the new Police Station continued and occupation is expected in the spring. The new Fire Station was brought closer to reality with the hiring of an architect. Construction will begin in 1987.

Several drainage projects were completed, most notably Pine Street, Pine Cone Drive and Adams Avenue. Most drainage projects will be coordinated with next year's sewer construction program.

The new solid waste transfer station was designed, and plans forwarded for state approval. Construction will start in the Spring.

The Ledge Road construction and Old New Boston Road intersection improvement projects are designed. The funds were not adequate for the project. Additional funds will be sought this year so that both of these projects can be completed.

A Wetlands hearing on Cross Beach Road construction was requested and approved in the fall of 1986. Design work can take place this summer, if funded.

The metes and bounds of town roads on the east side of Route 1A were surveyed and a plan prepared. It will now be possible to correct encroachments on a town way. Completion of drainage plans for the area will be coordinated with sewer construction.

The selectmen and the town reaffirmed its commitment to protection of our most valuable resource, the ocean and its environs,

by purchasing the sand dunes to the west of Route 1A. It is an effort for which the town's future generations will be grateful.

Substantial progress toward a first contract for the Seabrook Employee's Association was made and a new multi-year fireman's contract was completed.

The long-standing N.H. Public Service tax appeal has been settled. Although the town prevailed on many points, the tax refund will still total over \$5 million plus interest, due to the court's decision.

This money, along with the necessary sewer funding and regular operating costs will test everyone's resolve to fund these continuing projects. We have tried to limit the number of additional expenditures this year. We have worked closely with the Budget Committee and department heads to produce a realistic but streamlined budget. We hope town meeting will support our efforts. Otherwise, the low tax rate which the town has enjoyed for several years now, will increase to unparalleled proportions.

In June of 1986 we hired Kevin Paicos as our Administrative Assistant. It is hoped that his expertise will make our burden as selectmen a bit lighter. We would like to publicly commend our clerical staff, Margaret Wetherington, Nona Griggs, and part-timer Joyce Brown, who did tremendous work for the town this year during the six-month period the Administrative Assistant's position was vacant. It is due to their efforts, and especially Margaret, that the office functioned smoothly and progress could be made on so many projects simultaneously.

We hired a new Police Chief, Paul Cronin, in the spring of this year. Paul is no stranger to town. We are confident that he will bring a high degree of professional police-management expertise to the department's operation.

It has been a year of great accomplishment. Much remains to be done. Projects begun in 1986 will be completed in 1987. We are hopeful that a major reform effort will receive your positive review -- approval for the formation of a Department of Public Works. Such action will result in better sharing of manpower and equipment and will result in substantial savings to the town. Of course, another major improvement in our town government is still needed -- adoption of a Town Manager position. This effort remains high on our priority list for future action.

We look forward to the year to come, and to working with the many town employees and volunteer citizens who together help to make Seabrook a better place to live.

Respectfully yours,

Earlene U. Locke, Chairlady

BOARD OF SELECTMEN

Clyde O. Brown

Elizabeth A. Thibodeau

ADMINISTRATIVE ASSISTANT'S REPORT

In June of 1986 I began work for the town as the new Administrative Assistant.

In the few months that I have been here so far, I have discovered that Seabrook is a unique town. It is blessed with truly unique and valuable natural resources in its beaches and marshlands, and most importantly in its people.

It has been a privilege for me to work with the selectmen, town employees and the many volunteers who help to make Seabrook's government the asset to the town that it is.

I have been pleased to assist the selectmen in beginning to gain control over the town's insurance situation -- both liability and workmen's compensation -- and to help with new policies to make the Selectmen's Office and Town Hall function more smoothly.

We adapted the existing budget format to the town's new computer system and in so doing should save countless hours of employee time.

As we look forward to 1987, I see many projects that will require substantial effort to complete. I hope to be instrumental in assisting the selectmen and other department heads in the completion of those projects.

Respectfully submitted,

Kevin E. Paicos
Administrative Assistant

ASSESSING DEPARTMENT

During the year we placed all data pertaining to property valuation into the new computer. We went "on line" in May of 1986. In June we were able to do the first in-house tax billing on property. The new system has allowed the office to compile and distribute information to the Building and Health Department, Planning Board and Board of Adjustment, Fire and Police Departments. We all feel it has been money well spent for this system.

A team of field personnel was hired in mid-summer for the revaluation of property in town. They are utilized to measure buildings and view property interiors only; photos were taken of the exteriors only of all property. This gives a unique history of properties through the years and is visible assurance to the revaluation process. This process will continue through mid 1987 ; the new valuations will be evident on the tax bills for the second billing in 1987.

The tax suit against the town for 1978 - 1982 is finally through the Lower Courts and Supreme Courts Public Service Co. of New Hampshire was seeking nineteen million dollars (\$19,000,000) in abatements, claiming the utility was improperly and unfairly assessed. The Court allowed a variety of depreciations which left the town with an abatement of \$5,800,000 as opposed to the far greater amount that Public Service was seeking. The Supreme Court is a trier of legality, not opinion; as a result the Supreme Court would not rule on the depreciation amounts assigned by the Lower Court Judge.

Respectfully submitted,

Margaret B. Weare

1986 SUMMARY INVENTORY OF VALUATION

Land	\$ 75,408,850

SEABROOK BEACH VILLAGE DISTRICT

The Seabrook Beach Village District held its annual town meeting on Tuesday, March 25, 1986, at the Warren West Memorial Building on Route 1A. Officers for the 1986-1987 term were elected as follows:

John J. O'Neil	Commissioner
Dorothy C. Nicholson	Clerk
Emma Devaney	Treasurer
Edward Maguire	Moderator

The commissioners meet on a regular basis on the second Wednesday of the month.

Prior to the March annual meeting, two public hearings were held to go over proposed zoning changes that would be on the warrant. During the first hearing on February 4th, a petition was submitted that would also be on the warrant. Submitted by Robert Preston, the petition, if approved by voters, would have allowed commercial parking on the westerly side of Route 1A. The petition was not approved by the heavily attended annual meeting.

Another public hearing, held on June 17th, was also held at the Warren West Memorial Building. This hearing was held to go over the new flood control regulations. Zoning changes were necessary as a result of new Federal regulations relative to the National Flood Insurance Program. The proposed changes had to be made in order for the district to participate in the National Flood Insurance Program. During a special meeting of the Village District, the proposed changes were approved by voters on Tuesday, July 22nd.

On April 9th during their regular meeting, the commissioners appointed new members to the District Board of Adjustment. The appointments went as follows: Patricia M. O'Keefe, Mary Patricia Vivenzio, William H. Rathgeber, Thomas E. Battles and John J. O'Neil. Alternates appointed were Marion B. Kinlock, Warren G. Crawford and Edmund F. Xavier, Jr.

Respectfully submitted,

Edmund F. Xavier, Jr.
Timothy F. Willis
John J. O'Neil

Beach District Building Inspector's Report

Thirty-seven (37) building permits were issued for various additions and alterations at Seabrook Beach District. There were no new houses constructed for the year. Total estimated costs for the 37 permits were \$373,251.00.

Respectfully submitted,

Louis E. Janos, Building Inspector

BOARD OF ADJUSTMENT

For the year 1986 members of the Board of Adjustment for the Town of Seabrook were as follows: Nancy A. Crossland, Chairman; Robert C. Lebold, Vice-Chairman; James Falconer, Clerk; Members Phila Sturgis and Susan Crowley; and Alternate Members Lucille Moulton and William Kelley.

With the help of Regional Planner, Tom Morgan, the board revised the By-Laws and brought them up-to-date according to the Revised Statutes Annotated. The board also updated the Application for a Variance. A first for the board this year was a joint meeting held with the Planning Board.

The board heard twenty-two (22) applications for variances; thirteen (13) were granted and nine (9) were denied.

Respectfully submitted,

Nancy A. Crossland, Chairman

ANNUAL REPORT - BROWN LIBRARY - 1986

1986 was an extremely exciting year at Brown Library. Elizabeth Heath, Director, Sharon Rafferty and Joyce Fry, Assistants, continued on in their existing positions, and Anne Ferreira was hired in early March to fill the then-vacant Children's Librarian slot, thus bringing the library staff up to full strength. A new Trustee, Evelyn Fowler, was named this year to fill an existing vacancy on the Board.

Mrs. Ferreira has since done a wonderful job of organizing and upgrading services to children. There have been several series of regularly scheduled storyhours throughout the year for youngsters of all ages, as well as frequent, special evening presentations. Some of these have featured guest storytellers; all have proven to be very popular with the younger crowd. Additionally, during the summer many special childrens' events and programs were held, among which were the popular Talking Leaves Reading Program, a wildly successful performance by the Ha'Penny Puppet Theater, a talk and demonstration by the SPCA of Stratham, and a stuffed animal contest held with the aid of McDonald's Restaurant of Seabrook. Also, the Seabrook Recreation Center held a summer-long youth program at the library. Mrs. Ferreira has also made it a point to make personal visits to the school, as well as to have school groups visit the library.

The adults at the library have also been busy. A Book Appraisal Day program was held which proved to be most well-attended, and several exhibits on display managed to achieve area-wide popularity. The Friends of Brown Library was re-started in May of 1986 and during the year three successful booksales were held, including one at a booth at Seabrook Old Home Days. With the proceeds from these activities as well as with profits from the sale of library logo ballpoint pens, the Friends were able to purchase a long-needed refrigerator and a hotplate for the library staff, and ten magazine subscriptions for the library.

The library building gained some new features this year, the most notable of which was the air-conditioning system which was up and running on July 9, 1986. The adult magazine display area has been newly designed and there is now new, improved shelving for children's picturebooks. The interior of the entire building has been repainted to give it a clean and even more welcoming appearance: the upstairs in its traditional mellow yellow, the children's room in the "fun" color of raspberry ice cream.

Equipment purchases included comfortable new furniture for the children's room thereby filling a longstanding need for additional seating in that area, an answering machine, a filmstrip projector, a typewriter for the Children's Librarian, and a printer and modem for the library's computer.

With the acquisition of the modem came an immediate increase in the ability of the Library to more rapidly locate and acquire materials for its patrons via inter-library loan from other New Hampshire Libraries through direct on-line access to the New Hampshire Automated Information System (NHAIS) located at the New Hampshire State Library in Concord.

Gifts to the library from individuals included many donations of used books, several magazine subscriptions, and both new books and/or funds to purchase same - often in memory of loved ones.

During the year 1986 the Library maintained its book collection by purchasing both relevant newly-published titles and some older, classic and necessary volumes. The library also began a systematic weeding program to rid the shelves of outdated materials in order to make way for the newer books which seem to arrive daily.

All of this effort paid off handsomely in 1986 for during that year the total adult and child patronage was 10,624 which represents an increase of 38% over last year's figure. Total circulation was up as well in 1986, being 14,667 - an increase of 39% over last year. Children's circulation and patronage increased over that of the previous year by 100+%. Interestingly, the Library has seen a ten-year increase in circulation, from 1976 to 1986, of 386%.

BUILDING INSPECTOR

I would like to take this opportunity to address the continuing problem of JUNK MOTOR VEHICLES. You should be aware that Town Zoning Ordinances and State Regulations prohibit the storage of more than one (1) unregistered motor vehicle on a lot.

Recent regulations by the E.P.A. have declared that all fluids in these junk vehicles, i.e., oil, antifreeze, transmission fluid, etc. are hazardous waste.

The junk dealers will have to pay extra for the removal of the hazardous waste from these junk vehicles. This will make it difficult and expensive to have these vehicles removed in the near future. Anyone having more than one unregistered motor vehicle should have them removed as soon as possible to avoid large removal fees and possible court action.

1986 Report

1986 has been another year of increased building in the town. Four-hundred six (406) permits were issued with a dollar value of \$7,918,299. This is an increase from 1985 and this figure has doubled in two years. There has been an increase in new homes with twenty-four (24) new buildings. Thirteen of these are duplexes with a total of 37 new living units over all. Mobile homes have decreased in 1986. This trend should continue as the mobile home parks become filled. The largest increase in 1986 has been in construction and remodelling of commercial buildings. Permits with a value of \$2,784,836 were issued. This is an increase from \$1,333,217 in 1985.

TOTAL PERMITS ISSUED: 406

TOTAL ESTIMATED VALUE: \$7,918,299.

11 Single Family Homes	Valued at:	484,950.
13 Duplex Homes	"	740,000.
53 Mobile Homes	"	1,370,090.
14 Garages	"	102,850.
13 Commercial Buildings	"	2,032,819.

Robert S. Moore,
Building Inspector

REPORT OF THE CIVIL DEFENSE DIRECTOR

I submit the following report to the Board of Selectmen and the citizens and taxpayers of the Town of Seabrook, N.H.

I would like to thank the Board of Selectmen, Fire Chief, Police Chief, Water Department Superintendent, Road Agent and many others who have been involved in assisting me with this office of our town government and its operations.

Again, I have to mention the addition of the secretary to this office and her efficiency with the operations of this department.

The Basic Town Emergency Plan has been signed by the selectmen for 1986. The Emergency Operations Center (EOC) has been activated and has been in operation several times this year along with exercise testing of the Radiological Emergency Response Planning.

There has been a lot of planning going on since the Civil Defense Office was found to be going into the new Fire Station. I find this decision to be in the best interest of the townspeople and their safety.

The Civil Defense Office has purchased a word-processor to go with the new typewriter which was purchased last year; this will be an updated asset for efficiency.

The Emergency Management Agency of N.H.C.D. Headquarters is still working closely with this office and assisting in the 50/50 reimbursement to the town.

The Seabrook Search and Rescue Dive Team has gone out several times during the year for one request or another by the Police Chief, Fire Chief and Civil Defense Office, of which all of the divers are members.

Respectfully submitted,

Norman L. Brown
Civil Defense Director

CONSERVATION COMMISSION

1986 was a good year for our commission. We have now completely mapped and evaluated the wetlands in Seabrook. This is proving to be invaluable in helping us evaluate various projects concerning the wetlands.

The commissioners are also pleased to announce that the town has finalized the purchase of the sand dunes on the west side of Route 1A. The purchase involved 56 acres and was completed in the last few hours of 1986. This land, if managed properly, will be a great asset to the town.

The commission is looking forward to 1987 and the various projects we wish to undertake.

Timothy F. Willis, Chairman
Jacqueline A. Fushpanski
Stanley A. Hamel
Gertrude B. Humphrey
Betty Jane Janvrin
Arnold D. Knowles

FIRE DEPARTMENT

I wish to express my thanks to the residents and taxpayers of the Town of Seabrook for all of the support that was given to me and this department in our efforts to improve upon our services. I would also like to thank all of the department heads for all of their special help this past year.

Once again I would ask that you be sure to make periodic checks on your smoke detector batteries; this past year alone we have had several situations in which they definitely have prevented the loss of life.

The new mini pumper will be here hopefully by the end of March, 1987. This piece of apparatus will be used to back-up the ambulance in life threatening situations; it will carry all types of rescue equipment.

In closing, I wish to thank all of the men in the department for their loyal efforts, and to all of you a happy and safe new year.

Respectfully submitted,

Ernest B. Sanborn
Fire Chief

SEABROOK MOSQUITO CONTROL 1986

Surveillance of freshwater breeding sites began on March 31st. Larvicide treatment of sites found to support larvae of man-biting mosquito species started on April 16th. Because of the light snowfall over the winter and a very dry spring (only 1.5" rain in May), 'spring' Aedes mosquito breeding spots were greatly reduced. June and July, however, were very wet (7.9" rain in June, 5.0" in July). Because of this, 'summer' mosquito species populations were higher than previous years.

Surveillance and treatment of salt marsh breeding sites commenced on April 28th. Further treatments were necessary throughout the summer after the monthly, high-run "flood" tides (caused by the full moon). Additional treatments of these sites were done after the heavy summer rains which also can activate mosquito breeding. The larvicide used mainly this year was Abate 5% granular sprayed from motorized Echo DM-9 back-pack sprayers. Also Abate 4% EC (liquid), Altosid briquets, and Flit MLO were used in appropriate situations.

Adult mosquito species populations were monitored weekly at three locations in town using CO₂ (dry ice) baited traps (CDC). Specimens were identified, counted, and recorded with results being sent to state health officials as part of the Eastern Equine Encephalitis monitoring program.

The adulticiding phase (evening treatments of public roadways with the spray truck) of the program commenced on June 10th. Adulticiding treatments were carried out on 28 different nights with the west part of town being done 11 times, the middle portion 13 times and the south section 12 times. During times of high Aedes sollicitans (vicious day-time biters) population, additional spot adulticiding was done on certain woods roads and public grounds. Cythion adulticide was sprayed using the Leco ULV sprayer which is mounted on the new Mosquito Control truck.

Greenhead Fly Traps

24 new greenhead fly traps were constructed this year, bringing the total up to 78. These were placed along the perimeters of salt marshes around town (using the old pick-up truck). Thousands of the vicious biting greenheads coming off the marshes are trapped and die before they can reach higher ground. The flies are attracted to the shade of these dark boxes, fly up inside and are trapped in the screened-in section where they die of dehydration.

Stream Clearance

Once again, this phase of the program did not get off the ground because of lack of personnel. If this phase of the program is to be continued, competitive wages must be offered to get summer help for this labor-intensive job.

Respectfully submitted,

Lee G. Brooks, Supervisor

REPORT OF POLICE CHIEF

I am pleased to serve once again as your Chief of Police. I intend to structure a Department that is well trained and educated as well as highly professional.

The Seabrook Police Department will be responsive to all our citizens needs in the area of protecting life and property and one of which the citizens of our Town can be proud.

During 1986, protests at Seabrook Station resulted in the arrests of 176 individuals. The year was also one that plagued us with injuries to several officers.

Several personnel changes were made during the year, one of which included the transfer of Patrolman Carlene Thompson to the position of Youth Services Officer. Statistics have shown us that nearly 70% of all crimes in some way touches a person under the age of 18. Whether as participants or, in many instances, victims of crimes, the needs of our youth have to be met quickly, efficiently, and professionally. While many people may not be aware, once a juvenile enters the legal process, many hours are spent preparing for Court hearings as well as trips to social agencies which are often mandated by the Courts. Court decisions such as the "Kingston Decision" will have a great impact on all law enforcement agencies in our State especially for towns such as ours where youths travel through Seabrook transporting alcoholic beverages enroute to the beaches. Seabrook's future lies in the youth of our Town.

The hiring process was completed to fill the long-time vacant position of Animal Control Officer. I am pleased with the appointment of John Tougas and Jeff Baillargeon who work part-time in providing this important service. Although these individuals had little experience, their desire to learn and ability to handle the various calls has been very positive.

Seabrook is one of a few towns which does not provide firearms for its police officers. Our present policy of police officers providing their own sidearms brings a great liability against the Town in the event of a lawsuit. This can be corrected by means of purchasing and issuing sidearms to all sworn officers.

Finally a word on the men and women who make up the Seabrook Police Department. The year 1986 was a time of transition of all of us. I firmly believe that the Police Department can and will become a leader for others to follow and one which the residents of our Town will continue to be proud of and support.

Respectfully submitted,

Paul J. Cronin
Chief of Police

OF
SEABROOK**

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TOWN OF SEABROOK

TOWN WARRANT FOR 1987

To the inhabitants of the Town of Seabrook, in the County of Rockingham, in said state, qualified to vote in town affairs:

You are hereby notified to meet in the auditorium of the Seabrook Elementary School, Walton Road, on Tuesday, March 10, 1987, at 10:00 o'clock in the forenoon and to cast ballots until at least 7:00 o'clock in the evening of the same day, and to meet in the auditorium of the Seabrook Elementary School, Walton Road, on Thursday, March 12, 1987, at 7:00 o'clock in the evening to act on the articles below.

Further, you are hereby notified that the moderator will process the absentee ballots at 1:00 o'clock in the afternoon on Tuesday, March 10, 1987, pursuant to RSA 659:49.

Article 1: To elect by non-partisan ballot: one (1) Selectman and Assessor for a term of three (3) years; one (1) Trustee of the Trust Funds for a term of three (3) years; one (1) Road Agent for a term of one (1) year; one (1) Fire Chief for a term of one (1) year; one (1) Town Clerk for a term of three (3) years; one (1) Treasurer for a term of three (3) years; three (3) Constables for a term of one (1) year; two (2) members of the Planning Board for a term of three (3) years; one (1) member of the Planning Board for a term of two (2) years; two (2) members of the Budget Committee for a term of three (3) years; and one (1) Park Commissioner for a term of three (3) years.

(On the Official Ballot)

Article 2: Shall the municipality approve the Charter Amendment reprinted below?

To amend the Seabrook Home Rule Charter, Part II, by adding Section XXIV, Public Works, as follows:

There is hereby created the Department of Public Works. It shall consist of a Director of Public Works who shall be head of the department and all officers and employees assigned thereto. The Director shall be appointed by the Selectmen. All officers shall perform their duties subject to the supervision of the Director.

A. The Department of Public Works shall have charge of and supervision over the construction, management, and control of the Town's water system and all storm, water, and sanitary sewers, including the setting of rates which shall be done only with the approval of the Selectmen.

B. The department shall have charge of the care, maintenance, and construction of public dumps, public parks and playgrounds, cemeteries, public beaches, public forests, shade and ornamental trees, and the collection of waste and refuse. These duties shall not, however, conflict and interfere with the duties and responsibilities of the Recreation Commission so long as said Commission continues in existence.

C. The department shall have charge of the street lighting system and shall be responsible for the maintenance, repair, and extension thereof.

D. All physical properties of the Town, including water distribution, parks, playgrounds, and all municipal utilities not assigned to some other department or office shall be and are hereby assigned to the Department of Public Works.

E. The Director of Public Works shall be custodian of all tools, equipment, and other personal property belonging to the Town and not assigned to the care of any other public officer.

F. All persons currently holding office or performing duties in conflict with or duplicating the authority granted to the Department of Public Works herein, shall continue in office or in performance of these duties until the Selectmen appoint a director, at which time the said office and duties shall be discontinued.

G. The effective date of this amendment is July 1, 1987.

(On the Official Ballot)

Article 3: To see if the town is in favor of the adoption of Amendment No. 1, as proposed by the Planning Board, for the Town of Seabrook Zoning Ordinance:

1. To amend the Zoning Ordinance Article 1, Section X, DEFINITIONS, by adding the following definition of "SIGN" as follows:

SIGN - A sign is a name, identification, description, display or illustration or any other visual display which is affixed to or painted or represented directly or indirectly upon a building, structure, or piece of land in view of the general public and which directs to an object, product, place, activity, person, institution, organization, or business.

However, a sign shall not include any display of official court or public notice nor any official traffic control device, nor shall it include the flag, emblem, or insignia of a nation, state, county, municipality, school, or religious group.

(On the Official Ballot)

Article 4: To see if the town is in favor of the adoption of Amendment No. 2, as proposed by the Planning Board, for the Town of Seabrook Zoning Ordinance:

2. To amend the Zoning Ordinance by adding a new section as follows:

SECTION XI SIGNS

ARTICLE 1 GENERAL REGULATIONS

- A. The intent of this Article is to allow the erection of signs for the purpose of providing information and advertising in an orderly, effective and safe manner. Restrictions on type, location, and size of signs protect the public from hazardous and distracting displays and create an attractive environment which is conducive to business, industry and tourism.
- B. All signs shall comply with the regulations affecting the erection and construction of signs as required by such State and Federal Agencies having jurisdiction over the location and erection of same.
- C. Any traffic or directional sign owned or installed by a governmental agency shall be permitted.
- D. All signs to be located ten (10) feet from a Street Lot Line or a Public Right of Way except by special exception by the Board of Adjustment.
- E. The maximum height for all signs shall be thirty-five (35) feet.
- F. The minimum ground clearance for all permanent signs shall be six (6) feet.
- G. Signs, any part of which moves or flashes, and all signs with traveling light(s) or of an animated type are prohibited, except by special exception by the Board of Adjustment. Any signs, if lighted, shall be illuminated by a luminous tube or by an indirect shielded light. A sign or its illuminator shall not, by reason of its location, shape or color interfere with public traffic or be confused with or obstruct the view or effectiveness of any official traffic signal.

ARTICLE 2 SIGNS IN ZONES 1 and 5

- A. No more than one (1) nameplate and/or identification sign shall be allowed for each dwelling unit.
- B. No sign may be larger than four (4) square feet per side.

ARTICLE 3 SIGNS IN ZONES 2 and 3

Business signs are permitted in Zones 2 and 3 in accordance with the following regulations:

- A. No more than two (2) signs shall be allowed for any one business.
- B. One wall or projecting sign for each lot street frontage on each establishment. Maximum surface area shall not exceed two (2) square feet for each foot of building frontage for all wall signs and fifteen (15) square feet for projecting signs.
- C. One pole or free-standing sign for each lot street frontage. Maximum surface area shall not exceed forty (40) square feet per side except that a shopping center or industrial park having two (2) or more businesses may have a common sign containing a registry of all tenants and/or occupants with a maximum surface area of eighty (80) square feet per side.

ARTICLE 4 TEMPORARY SIGNS

One temporary sign per business shall be allowed. Such sign shall have a maximum surface area of thirty (30) square feet per side.

ARTICLE 5 SIGN PERMITS

- A. No sign shall be erected until a permit for same has been obtained from the Building Inspector and appropriate fee paid. No permit or fee is necessary for the following:
 - 1. Yard Sale and Flea Market
 - 2. Real Estate Sale or Rental Signs
 - 3. Institutional Signs
 - 4. Political Signs
 - 5. Signs indicating the name and nature of approved home occupations.
- B. There shall be no fee charged to non-profit organizations for temporary signs.
- C. All political signs shall be removed within seven (7) days after the election.

(On the Official Ballot)

Article 5: To see if the town will vote to establish a scholarship/trust fund for the purpose of accepting yearly royalties from the town's cable T.V. franchise and expending such sums to benefit high school graduates residing in the Town of Seabrook who are pursuing post-secondary education or training in the mass-media field, and to transfer into said fund the sum of Three Thousand Four Hundred Nine Dollars and Eight Cents (\$3,409.08) which represents accrued franchise fees paid to the town. And further, to establish a Scholarship Fund Committee of three citizens, one of whom shall be a Trustee of the Trust Funds, appointed by the Board of Selectmen to establish qualifications and procedures for the use of said fund and make yearly recommendations to the Trustee of the Trust Funds for awarding of scholarships.

(Not Recommended by the Budget Committee)

Article 6: To see if the town will vote to fund the Cemetery Trust Fund entitled "Care of Cemetery Lots" by depositing in said fund an amount of money from accumulated surplus in the amount of Six Thousand One Hundred Twenty-Five (\$6,125.00) Dollars (being the amount of receipts from sale of cemetery lots).

(Recommended by the Budget Committee)

Article 7: To see whether or not the town will vote to adopt the ordinances and regulations, together with a change of numbering, titleing and formatting thereof, the entire text of which are as published by General Code Publishers in "The Code of the Town of Seabrook" on file with the Town Clerk, effective on passage; this vote shall supersede and replace by reference to said Code the ordinances and regulations heretofore adopted by the Town of Seabrook.

Article 8: To see if the town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes and to renew and refund town notes.

Article 9: To see if the town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

Article 10: To see if the town will vote to authorize and empower the Board of Selectmen to appoint such permanent police officers, firemen and employees for all other departments of the town as they deem necessary.

Article 11: To see if the town will vote to authorize the Board of Selectmen to sell at public auction or by advertised sealed bids such town property as is no longer used by the town.

Article 12: To see if the town will vote, pursuant to authority under RSA 80:42 and RSA 80:42-a, to retain and hold all real property located within the marshlands and to authorize the Board of Selectmen to sell all other tax title property, in the first instance to former owners of the property, or the grandparents, parents, children, and spouses of said former owner, for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertised sealed bids or public auction, at the discretion of the Board of Selectmen.

Article 13: To see if the town will vote to raise and appropriate the sum of Seven Million Eight Hundred Sixty Thousand Nine Hundred Twenty-Four (7,860,924.00) Dollars or such other sum as may be necessary, to pay and/or settle judgments of the Superior Court against the town for refund of a portion of the taxes assessed against the owners of the Seabrook project for the years 1978-1982 inclusive, and to authorize the selectmen to calculate and pay additional interest at the rate of six (6%) percent per annum on the principal sum of these judgments, from the date of the 1987 town meeting to date of payment, adding such additional interest to the total amount to be raised and appropriated; and to take any other action relating thereto.

(Recommended by the Budget Committee)

Article 14: To see if the town will vote to authorize withdrawal from the Federal Revenue Sharing Fund for use as an offset against the following debt service:

<u>Bond</u>	<u>Purpose</u>	<u>Amount</u>
1975 Water Bond	Principal	\$50,000

(Recommended by the Budget Committee)

Article 15: To see if the town will vote to raise and appropriate the sum of Seven Million Five Hundred Thousand (\$7,500,000.00) Dollars for the purpose of beginning construction of a municipal sewage system; and to authorize the selectmen to enter into such contracts and agreements as are necessary for this purpose.

(Not Recommended by the Budget Committee)

Article 16: To see if the town will vote to appropriate Sixty-Two Thousand Five Hundred (\$62,500.00) Dollars as the total cost of a Coastal Zone Management (CZM) grant, to apply for Fifty Thousand (\$50,000.00) Dollars from the state and federal governments as the 80% match towards said grant, and to raise Twelve Thousand Five Hundred (\$12,500.00) Dollars from taxes as the town's 20% match to the above CZM grant.

(Recommended by the Budget Committee)

Article 17: To see if the town will vote to raise and appropriate the sum of Seventeen Thousand (\$17,000.00) Dollars for the purpose of paying the salary of a Department of Public Works Director.

(Not Recommended by the Budget Committee)

Article 18: To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars to pay 1986 salary increases for members of the Seabrook Employees' Association.

(Recommended by the Budget Committee)

Article 19: To see if the town will vote to raise and appropriate the sum of Eighty-Five Thousand Three Hundred (\$85,300.00) Dollars to purchase and install a central heating system at the Town Hall.

(Not Recommended by the Budget Committee)

Article 20: To see if the town will vote to raise and appropriate the sum of Thirty-Five Thousand (\$35,000.00) Dollars to purchase and install an electric generator at the Town Hall.

(Not Recommended by the Budget Committee)

Article 21: To see if the town will vote to raise and appropriate the sum of Eleven Thousand Three Hundred Eighty (\$11,380.00) Dollars to purchase and install additions/enhancements to the Town Hall computer system.

(Recommended by the Budget Committee)

Article 22: To see if the town will vote to raise and appropriate the sum of Two Hundred Thousand (\$200,000.00) Dollars for the purpose of completing improvements to Old New Boston Road and Ledge Road and to apply the balance of accounts under Article 46 (1983 - Ledge Road, Pine Street and Lower Collins Street), Article 30 (1985 - Ledge Road and Lower Collins Street), and Article 36 (1986 - Ledge Road and Lower Collins Street) towards these projects.

(Not Recommended by the Budget Committee)

Article 23: To see if the town will vote to raise and appropriate the sum of One Hundred Seventeen Thousand Two Hundred (\$117,200.00) Dollars for the purpose of supplementing Article 33 of the 1986 adjourned session of the town meeting for the purpose of completing improvements to the solid waste transfer station.

(Not Recommended by the Budget Committee)

Article 24: To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars for the purpose of beginning the necessary engineering and construction of a drainage system along Boynton's Lane.

(Not Recommended by the Budget Committee)

Article 25: To see if the town will vote to raise and appropriate the sum of Fifteen Thousand (\$15,000.00) Dollars for the purpose of designing a public works garage to be located on town-owned land.

(Recommended by the Budget Committee)

Article 26: To see if the town will vote to raise and appropriate the sum of Seventy-Six Thousand Six Hundred Seventy-One (\$76,671.00) Dollars to purchase and install a central refueling system for town vehicles.

(Recommended by the Budget Committee)

Article 27: On petition of Louis F. Sampson and thirty-five (35) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars to demolish the Chase Homestead Building and replace with hot top to improve the parking lot at the present site.

(Recommended by the Budget Committee)

Article 28: On petition of Ernest B. Sanborn and nine (9) other legal voters of the town: To see if the town will vote to adopt the following ordinance:

Any new hotel or motel with sleeping or overnight stay with accommodations for six (6) or more units shall install a sprinkler system said such system must be approved by local officials, fire chief and building inspector.

Article 29: To see if the town will vote to raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars to purchase and install a photocopier at the Police Station.

(Recommended by the Budget Committee)

Article 30: On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see what action the annual town meeting will take to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for the purpose of widening the extreme Easterly Section of Farm Lane Road so-called and to eliminate a hazardous condition of vehicular and pedestrian traffic.

(\$5,000.00 Recommended by the Budget Committee)

Article 31: On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see what action the town meeting will take to authorize the trustees of the trust funds to withdraw a sum not to exceed Four Hundred Thousand (\$400,000.00) Dollars from the Capital Reserve Fund known as the Municipal Building Fund for the purpose of obtaining Design specifications and constructing a Water Department Garage, workshop, and storage of parts, material, tools and instruments and the building to be located on town owned land on Centennial Road and to name the Selectmen of the town as agents for the purpose of expending the monies for this use; and to further authorize the Selectmen to enter into the necessary contracts and agreements as may be necessary for this purpose.

(Not Recommended by the Budget Committee)

Article 32: On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see what action the town meeting will take on the following: To authorize the appointment by the Selectmen "A clerk of the works

or supervisor on an "ad hoc" basis for the specific purpose of monitoring any project, subdivision, or private development which involves compliance with local, state, or federal regulations and has the potential for impact on health, safety, and welfare of the town and its citizens.

Article 33: To see if the town will vote to raise and appropriate the sum of Nine Thousand Nine Hundred Eighty (\$9,980.00) for the purpose of supplementing an appropriation made under Article 57 of the 1986 adjourned session of the town meeting, regarding the establishment of a lifeguard program.

(Not Recommended by the Budget Committee)

Article 34: To see if the town will vote to rescind the provisions of Article 57 of the 1986 adjourned session of town meeting, regarding the establishment of a lifeguard program.

Article 35: To see if the town will vote to raise and appropriate the sum of Four Thousand Six Hundred Forty-Two (\$4,642.00) Dollars for the purpose of purchasing and installing a Merlin Telephone and Paging System in the Seabrook Community Center.

(Not Recommended by the Budget Committee)

Article 36: To see if the town will vote to raise and appropriate the sum of Thirty-Five Thousand (\$35,000.00) Dollars for the purpose of purchasing and installing a back-up generator for the Seabrook Community Center.

(Not Recommended by the Budget Committee)

Article 37: To see if the town will vote to raise and appropriate the sum of Six Thousand (\$6,000.00) Dollars for the purpose of purchasing and installing the following new equipment for the Seabrook Community Center: (1) American flag with stand; (1) state flag with stand; (1) 48" commercial gas stove with hood, light and fan; and (1) set of heavy duty hideaway stairs.

(Recommended by the Budget Committee)

Article 38: On petition of Elliot L. Eaton and twenty-four (24) other legal voters of the town: To see if the Town will vote to raise and appropriate the sum of Thirty-Five Thousand (\$35,000.00) Dollars, said funds to be administered by the Recreation Commission, for the purpose of purchasing and installing Lights for the main Little League Field at Governor Weare Park.

(Not Recommended by the Budget Committee)

Article 39: On petition of Lita M. Brown and twenty-two (22) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Seven Thousand (\$7,000.00) Dollars, said funds to be administered by the Parks Department, for the purpose of adding a second track route to the current BMX Track located at the Seabrook Rt. 107 wells properties, as well as build up portions of the existing track which will be used by both routes.

(Recommended by the Budget Committee)

Article 40: On petition of Lita M. Brown and twenty-three (23) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Two Thousand One Hundred and Forty (\$2,140.00) Dollars, said funds to be administered by the Recreation Commission, to purchase new equipment for the Seabrook BMX Track including: (1) Electric Start Gate; (1) Electric Gate Control; (1) Gasoline 550 Generator and (2) Picnic Tables.

(Recommended by the Budget Committee)

Article 41: On petition of Edna Hannon and nineteen (19) other legal voters of the town: To see if the town will vote to support the Retired Senior Volunteer Program by allocating One Thousand (\$1,000.00) Dollars to help defray some of the expenses for the fiscal year 1987-1988.

(Not Recommended by the Budget Committee)

Article 42: On petition of Warner B. Knowles and eleven (11) other legal voters of the town: To see what action the town meeting will take on the following: To make a by-law which shall require that whenever any question appears on the official ballot and the governing body or any other constituted for charter changes, zoning changes, or any other referenda questions which uses public funds or personnel to promulgate propaganda or any other form of communication to influence the decision of the voters on any question; than any responsible citizen or group of citizens who have an opposing view shall be afforded "Equal Opportunity" and access to "Equal Funding" to offer their opinion on questions or "Charter Changes" so placed on the town meeting ballot and warrant.

Article 43: On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see what action the annual town meeting will take on the following: Pursuant to the Cable Communication Policy Act of 1984, U.S. Public Law 98-549, and RSA 53-c to establish a "Study Committee" of not more than five (5) for the purpose of exploring the possibility of the Town of Seabrook to acquire, purchase, own and operate a Cable Television system; and/or to "establish a separate chartered municipal cable television authority" to acquire, own, and operate said system. The Study Committee to report back to the March 8, 1988 annual town meeting on their findings, and recommendations; further to raise and appropriate the sum of Five Hundred (\$500.00) Dollars for expenses of this committee for study, travel, and legal advice. The study committee to be constituted as follows: To be nominated and elected from the floor of the adjourned annual town meeting.

(Not Recommended by the Budget Committee)

Article 44: On petition of Warner B. Knowles and eleven (11) other legal voters of the town: To see what action the town meeting will take to raise and appropriate the sum of Seven Million Five Hundred Thousand (\$7,500,000.00) Dollars for specific purpose of adding this amount to the Capital Reserve Fund known as the "Municipal Sewer Fund."

(Recommended by the Budget Committee)

Article 45: On petition of Eric N. Small and fifteen (15) other legal voters of the town: To see if the town will vote to rescind the action taken by the Board of Selectmen in December, 1986, in which an engineering firm was selected to design the wastewater collection, treatment, and disposal facilities of a municipal sewage system, funding for this project (\$2,250,000) was approved in accordance with Article 58 of the 1986 annual town meeting.

A special committee, consisting of the Board of Selectmen and two members of the 1986 Town Sewer Committee, shall be authorized to make the final selection of an engineering firm to design and coordinate the above project in the best interest of the town of Seabrook. The two Sewer Committee representatives shall be chosen by the Town Sewer Committee.

Article 46: On petition of Lydia M. Gould and sixteen (16) other legal voters of the town: To see if the town will vote to extend the duties of the Seabrook Pollution Control Committee (Sewer Study Committee) established on November 24, 1980, to include active participation with future Boards of Selectmen, throughout the design and construction phases of the town-wide sewer system, until the need for a Sewer Commission is determined and voted at an adjourned Town Meeting.

Article 47: On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see what action the town meeting will take on the following: To authorize and direct the Selectmen to use all unencumbered surplus

funds now remaining on hand at the end of the fiscal year, for the purpose of re-payment and defraying the expense and fiscal impact on the towns tax rate as the result of the Court ordered settlement resulting from over assessments and taxes levied against Public Service Company's Seabrook Station Nuclear Fired Electrical Generating Facility.

Article 48: To see if the town will vote to raise and appropriate the sum of Twenty Nine Thousand (\$29,000.00) Dollars for the purpose of supplementing Article 47 of the 1984 and Article 31 of the 1985 adjourned sessions of those town meetings for the purpose of improving the Cross Beach Road.

(Not Recommended by the Budget Committee)

Article 49: On petition of Paul J. Cronin and eleven (11) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Sixty-Eight Thousand (\$68,000.00) Dollars to purchase a Computer System (Wang hardware-Cogebec software) for use by the Police Department.

(Recommended by the Budget Committee)

Article 50: On petition of Paul J. Cronin and eleven (11) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Twenty-Nine Thousand and Three Hundred and Eighty (\$29,380.00) Dollars to purchase two state bid police cruisers. These are to replace a police sedan that was in an accident and the Chief's vehicle.

(Not Recommended by the Budget Committee)

Article 51: On petition of Paul J. Cronin and ten (10) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Seventeen Thousand and One Hundred and Fifty (\$17,150.00) Dollars to replace the Ford Transport Van.

(Not Recommended by the Budget Committee)

Article 52: On petition of Ernest B. Sanborn and forty-eight (48) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Sixty Thousand (\$60,000.00) Dollars for the purpose of replacing ambulance forty-five (45), said such vehicle to be sold or traded.

(Recommended by the Budget Committee)

Article 53: On petition of Warner B. Knowles and twelve (12) other legal voters of the town: To see what action the town meeting will take on the following: To raise and appropriate the sum of Twelve Thousand (\$12,000.00) Dollars to purchase a 1/2 ton pickup truck for the water department to replace its present 1982 1/2 ton pickup truck.

(Not Recommended by the Budget Committee)

Article 54: To see if the town will vote to raise and appropriate the sum of Five Thousand Five Hundred (\$5,500.00) Dollars to purchase a salt and sand spreader for the Highway Department.

(Recommended by the Budget Committee)

Article 55: On petition of Norman L. Brown and thirteen (13) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Two Thousand Five Hundred (\$2,500.00) Dollars for the purpose of purchasing one new complete diving suit and related equipment and to use the balance to repair and update present town diving equipment, said monies to be added to the Civil Defense budget for this purpose only.

(Recommended by the Budget Committee)

Article 56: On petition of Vernon G. Dow and twelve (12) other legal voters of the town: To see if the town will raise and appropriate the sum of Eleven Thousand (\$11,000.00) Dollars to purchase a V-6 pick-up truck.

(\$9,500.00 Recommended by the Budget Committee)

Article 57: On petition of Vernon G. Dow and twelve (12) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Nineteen Thousand Five Hundred (\$19,500.00) Dollars to purchase a one ton rack body truck, complete with plow and Tommy-Gate.

(Recommended by the Budget Committee)

Article 58: To see if the town will vote to raise and appropriate the sum of Two Thousand (\$2,000.00) Dollars for the purpose of adding said money to the Capital Reserve Fund known as the "Municipal Building Fund."

(\$1,000.00 Recommended by the Budget Committee)

Article 59: To see if the town will vote to raise and appropriate the sum of Two Thousand (\$2,000.00) Dollars for the purpose of adding said money to the Capital Reserve Fund known as the "Motor Vehicle Fund."

(Recommended by the Budget Committee)

Article 60: To see what sums of money the town will vote to raise and appropriate for the expense of the general government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and for all necessary expenditures for the ensuing year.

Article 61: To transact all other legal business that may come before this meeting.

Given under our hands and seals this 18 day of February, in the year of our Lord One Thousand Nine Hundred and Eighty-Seven.

Other animal complaints handled	49
Dog bites investigated	20
Dogs picked up by ACO's	49
Animals destroyed	47
Dogs brought to kennel	33
Warnings issued to owners	92
Conditional summonses issued	21

Total amount of monies turned in: \$290.00
Animal Control Unit went into operation on May 16, 1986.

OFFICE OF THE PROSECUTOR

This was a year of progressive changes. A prosecution policy was developed with three things in mind: improving the quality of arrests and cases brought before the Court, maintaining fair and consistent sentence recommendations, and upholding the power of the Court by bringing forth abused suspended sentences.

Continued attendance at the New Hampshire Police Prosecutors Association, in-service schooling at Northern Essex Community College for paralegal courses, and attendance at various seminars sponsored by the New Hampshire Police Standards and Training Council has aided in keeping abreast of changes in the law, legislative action, and courtroom techniques and actions. An integral part of learning is teaching. This office offered seminars to newly-hired officers, Amesbury High School seniors, N.H. Police Cadet Academy Corps of Cadet, and a small group of Town employees.

The following is a statistical synopsis of the year's activities:

<u>1985</u>	<u>1986</u>	
2,480	3,151	Total cases presented to Court
1,572	1,982	Guilty findings
23	16	Found not guilty
345	534	Cases scheduled for trial
283	312	Continued to another date for hearing/ disposition
130	112	Defaulted by defendant
62	67	Cases nolle prosecuted or dismissed to plea bargaining, altering of charges, Grand Jury indictments, civilian witnesses not available for Court, etc.
55	74	Disposed of without findings
2	1	Probable cause hearings
5	3	Extradition hearings
3	39	Miscellaneous hearings
	23	Grand Jury indictments

Respectfully submitted,

Melissa G. Walker
Prosecutor

REPORT OF YOUTH SERVICES DIVISION

1986 witnessed a new beginning and separate approach in the Youth Division. In August of this year the transferral of officers within the department brought many changes which began with a complete reorganization of all files and records with the result being a more efficient and controlled system which is computer ready should that need arise.

This office gained access to intrastate Juvenile Associations as well as Prosecutorial Associations, thus, allowing it to remain updated on the ever-expanding and changing Juvenile Justice System procedures, Legislative actions, courtroom techniques and methods. The Youth Services Officer has been actively involved in a local group of Judges, Juvenile Officers, Attorneys and Social Services personnel who are attempting to establish a local emergency placement for children in need within our own area. A review of the rising number of truancy difficulties within our schools has mandated a need for more court intervention as well as adult prosecution where applicable.

Delinquency - handled in court	88
Delinquency - handled out of court	36
CHINS: Children in Need of Services	34
Neglect Petitions	16
Truancy handled in Court	29
Sexual Assault Investigations	12
Runaways	6
Adult Arrests (Juvenile matters)	5
ExPartes/Placements	21
Crisis Intervention	14

Total cases to Court (Juvenile)	182
Total cases to Court (Adults)	5

Investigations	39
Meetings with parents	51
School visits	148
Coordination/Information meetings with DCYS and Social Services	67
Meetings with Attorneys	28

Programs for Court Diversion were tried on several occasions, inclusive of daily or weekly reporting to the YSO, homework assignments, labor at P.D. A few days is maximum for any child placed within that system.

We take this opportunity to thank teachers and merchants and recreational personnel for their support in programs that have been done and will be done with our youth's safety and welfare in mind. When one considers the statistic that at least 70% of all crime actively is perpetrated by juveniles or touches a juvenile victim, may we state that it is our duty as parents and civic minded people to afford our town's children any and all possible avenues by which they may avoid becoming another STATISTIC.

Respectfully submitted,

Carlene Thompson
Youth Services Officer

REPORT OF THE POLICE STATION BUILDING COMMITTEE

On October 19, 1985, work was started to clear the building site. Maxam Company began work on April 7, 1986, and Leonard DiBartolomeo assumed his duties as Clerk of the Works on April 14th. There was an official ground-breaking ceremony shortly after 9:00 a.m. on April 30, 1986.

Although progress has been slow, we can be assured that the station will be of good quality and one that the townspeople can be proud of. Delays have been caused by shortages and delays in delivery of materials, shortage of help, and bad weather.

In February of 1987 the project was 55% complete. The original completion date was October 30, 1986, and the anticipated date of completion now is April 30, 1987. The building is being completed within the budgeted amount and there haven't been any change orders on the contract.

Boynton's Lane Extension was completed with a base asphalt course and will have the finish applied in the spring. Landscaping, hot topping and some exterior work will be done after April 30th. The second floor of the building will be reserved for future expansion. The station will be "fire-safe" and equipped with a sprinkler system.

Much credit should go to Leonard DiBartolomeo who has been overseeing the project on the town's behalf. He feels the project will be the envy of all police departments in the state.

We would like to extend to you a personal invitation to visit our new station during open house. Specific dates and times will be announced through the news media as well as cable television.

Respectfully submitted,

Paul J. Cronin, Chairman
Roy F. Crossland
Earlene U. Locke
Marion B. Kinlock

POLLUTION CONTROL COMMITTEE

The committee worked very hard and had many meetings (some public) early in the year.

We chose Wright's Island as the site for the treatment plant and put articles in the warrant for the purchase of same and monies for the design. After much difficulty, the townspeople supported our efforts.

After March, 1986, town meeting, we tried to push the project along but we didn't receive the support from the selectmen that we expected to carry out the people's wishes. It was June before the selectmen asked for more engineering proposals, as they didn't seem to be happy with the committee's choice. It was July before we were asked to submit our three preferences from the new list of proposals.

The committee submitted the names of E.C.Jordan, Kimball-Chase and Underwood & Weston to the selectmen. We were quite astonished when the selectmen not only waited until January to announce their choice but they chose the firm that this committee would not even consider.

We feel that not only have we lost a whole year but the selectmen have now by-passed us and are taking over the sewer project. We feel that this board should continue to function as this is too big a project to be left to the petty whims of politics.

Respectfully submitted,

Priscilla Palazzo, Secretary

STREET LIGHT COMMITTEE

The Street Light Committee, as in the past years, has reviewed all applications and made recommendations to the Board of Selectmen. When the committee has been out checking the areas for which the requests have been made, several malfunctioning lights were noticed and requests for their repair were made. At the request of a resident for a light, we found that relocating an existing light to another pole illuminated the area much better. Five additional street lights were added to streets in various sections of the town in 1986. It is hoped that the effort put forth by this committee has met the needs of the town and its citizens and should anyone have any request or need assistance, please feel free to contact us at any time.

Respectfully submitted,

E. Albert Weare, Chairman
Marion B. Kinlock, Clerk

1986 ANNUAL REPORT OF THE SEABROOK RECREATION COMMISSION

The members of the Seabrook Recreation Commission are: Vernon Small, Chairman; William Moore, Vice Chairman; Charlotte Dow, Secretary; John B. Fowler, Jr., Parks Department; Earlene Locke, Selectlady; Harry Knowles, Sr. and Salvatore Rubera. The administrative staff of the Recreation Department are Sandra Beaudoin, Director of Recreation and Edward Pickard, Assistant Director.

The Recreation Commission and Department continued to provide a wide variety of program for residents preschool thru Senior Citizens. The majority of the department's function during the past two and one half years involved the operation and development of the Seabrook Community Center. The Center continued to be open seven days per week, except during the summer months when it is closed on weekends. Even though the Center was closed on weekends during the summer, the Center's play area and tennis courts were supervised and open on Saturdays.

Below displays the usage of the Community Center as well as the activities which occurred during 1986.

THANKS TO SEACOAST COCA-COLA WE HAVE MORE

The local Seacoast Coca-Cola Bottling Co. has become the largest co-sponsor for many of the town's programs. They have assisted in providing uniforms, T-shirts, beverages, banners, patches and other donations for many of the following programs: Youth Basketball League, Youth Basketball Cheerleading Squads, Rams Football & Cheerleaders Program, Teen Basketball Team, BMX Raceway, Little League Boosters, Track & Field Team, Women's Softball and Miss Seabrook Pageant. They also donated a color T.V. and VCR to the town for the Community Center during 1986. They are planning to help this department even more in 1987.

SEABROOK OLD HOME DAYS

The Commission and Recreation Department continued to provide the towns largest special event, Seabrook Old Home Days, in which over a thousand residents and friends participated. The 1986 Old Home Days were during August 14th thru 17th. The event kicked off with the Miss Seabrook Pageant on August 14th, sponsored by the local American Legion Auxiliary and Firemen's Association with over 300 attending. Miss Shelley Dow was crowned Miss Seabrook of 1986 and will reign until August of 1987. The big event continued with the Junior Miss Seabrook Contest sponsored by the American Auxiliary Juniors on August 15th. Over 200 observed April Fowler's victory and crowning ceremony. On Saturday over 20 non-profit groups, town departments and craftsmen provided booths of food, crafts, and activities. Special activities and contests were held throughout the day and included, Softball Tournament, Pie Eating Contest Best Pie Contest, Corn Husking Contest, Cribbage Tournament, Arm Wrestling Contest, Horseshoe Tournament, Bingo, Egg Throw, Field Races, Doll Carriage Parade, Diaper Derby, Musket Shoot, Entertainment, Food Feast, Record Hop, Monte Carlo, Fireworks and more. On the 17th, the last day of the big event the Lions Club held the 6th annual 10K Road Race and the Seabrook BMX Raceway, Inc. held their special Old Home Day BMX Races.

In addition to providing recreational programs throughout the year, the Commission and department continued to fulfill capital improvement projects such as installing a fire sprinkler system in the Seabrook Community Center, constructing a storage building at the BMX Track, installing protective wall panels in the Seabrook Community Center gymnasium replacing upper storage access stairs in the Community Center. The planned maintenance garage for the Community Center began being constructed in December of 1986 and should be completed by February of 1987. The gymnastic program planned in 1986 had to be postponed due to our search for instructors, therefore we hope to provide this program by the end of March 1987.

The Recreation Commission and Department also extend their thanks to all those volunteers who helped to make each special event and sports program a success during 1986. As we expand our sports programs more volunteers are needed such as coaches for indoor soccer. We would like to encourage other people in the community to come forward in 1987 to share their expertise and join in the expansion of recreational opportunities for the community.

Respectfully submitted,

Director of Recreation and
Recreation Commission

ROAD AGENTS REPORT
1986

We began the year by cutting trees and hauling away brush. There were winter snow storms so there was considerable time spent in plowing, sanding and salting. We hauled many loads of salt from Portsmouth to Seabrook. The usual vehicle maintenance was done during the year. During March all the town vehicles had to be inspected. There was work done on the drains at South Main Street. The concession building at Veteran's Park burned and the Highway Department cleaned up the debris. There was considerable time put in on cleaning street drains and catch basins. The part time men were laid off to return in the spring. It was necessary to stockpile gravel and a vibrator was rented to separate the rocks from the sand. The necessary cold patch and shoulder work was done during the year. Some time was spent in cutting brush on Fogg's Lane to widen the shoulders of the road. After winter was over the plows were scraped, painted and stored away until next season. Now the sweeper is brought out and used to clean up sand that has accumulated during the winter. Some places had to be swept by hand. Pine Street was graded to eliminate the ruts caused by winter weather. Hot top work was scheduled for Pine Cone Drive, Lower Collins Street, Pickens Avenue and Parkersville Lane. This was completed by November. Some hot top was done on Causeway Street, Farm Lane, Forest Drive and Lake Shore Drive. Twice during the year we had to install snow fence and then remove it behind the Old South Meeting House because of the anti-nuclear demonstrations. Signs were put up on the beach such as No Parking, One Way, Residents Only, No Alcohol. The farm tractor was used to mow the grass along the sides of the roads. The men of the Highway Department helped out at the Old Home Day celebration building a stage for the beauty pageant and transporting it where it was needed. A new GMC dump truck was purchased for the Highway Department as well as a new wheel loader.

The men of the Rubbish Department made the usual rubbish runs. In the summer months the runs increased to double runs. Twice this year we had clean-up week; once in April and again in November. The men collected the barrels at the beach, cleaned them, painted them and replaced them at the beach. There is one man who works during the summer cleaning up around the police station and public toilets. There were repairs made to the fence at the dump. The men cleaned up the grounds at the Elementary School and emptied the barrels after Old Home Days. A new rubbish truck and back hoe were purchased this year. The beach rake was used to clean up the seashore several times from April until Labor Day.

In the cemeteries a fence was installed at Hillside. During the spring there was a lot of cleaning, raking and mowing done prior to Memorial Day. The part time men were recalled in the spring to do work in the cemeteries. Barrels were placed in the cemeteries and signs were put up in Hillside Cemetery to clearly mark the sections there.

Vernon G. Dow, Road Agent

WELFARE OFFICER'S REPORT

Again this year I am pleased to report that less monies are being recommended in the town's welfare budget. Last year \$31,595 was appropriated. This year \$22,925 is being recommended. As you can see, this is \$8,670 less than the previous year.

As you will see from last year's Welfare Report, 1986 was the first year the re-codified welfare law went into effect and no one was certain what this would portend as to expense of welfare impact on the towns and cities throughout the state.

Seabrook is fortunate in that there we have low taxes, and bountiful employment opportunities close-by, which of course means we have less indigent persons; however, because the new law made radical changes in "the residency" requirements to qualify for town welfare, the potential exists for a considerable fiscal impact if the welfare program and the laws and regulations are not carefully administered.

By referring cases to all of the programs which are available to our indigent citizens, it can and does reduce the cost to our local budget and taxpayers.

James C. Falconer
Welfare Agent

WATER DEPARTMENT REPORT

There were 436,655,330 gallons of water pumped in 1986. This was a 27,213,183 gallon decrease over the previous year. This was found in the commercial use which had a 19,000,000 gallon decrease and in the domestic use which showed a decline in the summer months.

Commercial/industrial use decreased from 169,202,800 gallons in 1985 to 155,765,810 gallons in 1986. Although many commercial customers had increases, Public Service Company and Bailey Company decreased their water usage by 12,000,000 gallons and 4,000,000 gallons respectively.

There were 72 new services installed in 1986. Of these, seven were industrial, commercial or subdivision services which included: Hampton Motors, L & S Realty Trust, Midas Muffler, new police station, Pheasant Ridge, Straw-Brook, and the Greenhouse (Hampton Falls).

There were 19 water leaks repaired by the crew this year. The crew also assisted in the turning-off or repair of about 48 customer leaks, of which two 8" water main leaks in Staples Park were the largest.

Only one fire hydrant had to be repaired in 1986, located on Folly Mill Road.

The crew accomplished many special projects this year in addition to their regular and routine work. In the spring an 8" water main and fire hydrant was installed to the new police station site on Centennial Road. In the summer months the crew installed about 1,100 feet of 8" water main and 2 fire hydrants on Parkersville Lane. Also on Parkersville Lane, all the water services were replaced, the old 2" water main disconnected and the lower-half of the road hot topped.

In the fall, private contractors took up a lot of our time. The crew oversaw two subdivision projects: Pheasant Ridge and Straw-Brook. Both projects had 8" water mains and fire hydrants. A 6" water main was supervised from our new main on Boynton's Lane Extension to the police station.

Also in the fall, the crew assisted the highway crew on Pine Cone Drive. This drainage project included installing catch basins and laying of drainage and under-drain pipes.

Other projects included painting of hydrants, painting of the interior and exterior of pump stations, installing transducers in the rockwell pump houses, and hot topping around town where previous work had effected the road surfaces.

An attempt was made to install a pump into a fourth rockwell. It was discovered that the well has a curve to it -- enough so that a pump cannot be installed. This coming year a smaller pump will be installed in this well, hopefully.

Again, our Rules and Regulations, along with Cross-Connection Rules and Regulations, were revised and worked on by the Board of

Selectmen, our engineers and myself. Anyone wishing to view these may do so at their convenience during normal working hours at the Water Department Office in the Town Hall.

In the office, our clerk/secretary has been busy setting up new filing systems with all accounts. With the new computer, she was the first to use the new Zip Code Plus 4 System of mailing in the town. This saved money because the computer was programmed to presort the bulk rate mail.

Nature was good to us in 1986 with its supply of rainfall. As I write this report and see the depth of snow outside, I feel this spring also will be a wet one, replenishing the ground water table. Even with this in mind, we hope our water users will still try to conserve. We again had no restrictions on our use of this precious resource. Hopefully, this will continue -- with everyone's help.

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Seabrook
Seabrook, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Seabrook, New Hampshire as of and for the year ended December 31, 1985, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted government auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Seabrook at December 31, 1985 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Town of Seabrook. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

Carri-Plodzik-Sanderson

March 14, 1986
