TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Surry in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Surry, on Tuesday, the fourteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see how much money the town will vote to raise for repairs of highways and bridges.

4. To see if the town will vote to repair the Wilbur road, so called and raise the sum of \$500.00 for the same, or vote to discontinue said road, from the east boundary of land of Katherine Wood to the Joslin road.

5. To see if the town will vote to accept State Aid on Highways, and raise money for the same.

6. To see how much money town will vote to raise for repairs and care of the Town Hall or take any action in relation thereto.

7. To see how much money the town will vote to raise for Memorial Day or take any action in relation thereto.

8. To see how much money the town will vote to raise for the aid of poor.

9. To see if the town will vote to raise and appropriate the sum of \$33.00 to the Monadnock Region Association of Southern New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the town in cooperation with the other thirty-seven towns in the Monadnock Region.

10. To see if the town will vote to accept the sum of \$125.00 in trust, the interest to be used for the care of the Edward A. Kingsbury burial lot in the Village Cemetery.

11. To hear the report of the town officers.

12. To allow accounts.

13. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and forty four.

ERNEST W. BALL,
ROBERT M. CRAIN,
HOLLIS W. HARVEY,

Selectmen of Surry.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Surry:

I herewith submit my annual report as Superintendent of Schools:

ORGANIZATION AND ENROLLMENT

Miss Elizabeth Trask, Keene Teachers College, was elected to succeed Miss Evelyn Wanner as teacher at the North End school.

The plan of uniformity in text book adoptions, which was established several years ago, has been continued. Under this plan new books are purchased within budget limits according to a definite list of book adoptions. The books on the list are adapted to the grades for which they are selected and conform with the outline of studies prescribed in the State Program. In most cases the books on the list of adoptions have been selected by groups of teachers or recommended after trial by some of our more experienced teachers. This plan of introducing new books tends to secure a uniformity of instruction in the schools of the supervisory union and benefits those pupils who move about from school to school.

In practically all of the districts of the union the budget limit for books is established each year at the state average cost per pupil. This amount is usually sufficient to purchase the additional books for new pupils and to replace worn out copies. It does not, however, permit much expansion into new or additional material. Our pupils would benefit if the usual budget amount could be supplemented occasionally with an additional appropriation for the replacement of out-dated books. This situation is especially necessary in the field of social science and the language arts where unusually rapid changes in content and instructional method have occurred.

In view of the very acute shortage of teachers, we were fortunate in starting the school year with a qualified teaching staff. Some adjustments were necessary in order to meet the emergency situations, but in every case, the teachers were well prepared for the work assigned to them.

The problem of finding teachers for our rural schools has become very difficult. The few new teachers who are available early in the season, seek positions in larger towns which are convenient to public transportation. The positions in these communities usually offer the added inducement of higher salaries and fewer grades.

Many schools in the state opened last fall with teachers approved only because of the emergency. The supply of this type of teacher is also very limited and vacancies occurring during the year have been practically impossible to fill. The situation next year will be even more serious.

Our teachers have worked unusually hard this year and have willingly accepted all of the increased work and responsibility placed upon them as a result of the special war time activity.

We must continue to operate our schools at the present high standard, if possible. The children cannot relive their school years or make up for the loss of benefits to which they are entitled. A good teacher, qualified by training and experience, is the most important single factor in maintaining standard schools. Each district, I believe, should give attention to the seriousness of the situation and should make every possible effort to retain the teachers who are now in service in the district.

HEALTH

Good health is a vital factor in constructive, happy, and cooperative living. Health education is an integral part of the school curriculum. The teacher has innumerable opportunities to contribute to the healthy growth of children through the development of a working health education program.

A physical examination of each pupil is made annually by the school nurse. When necessary, frequent check-ups are made. A record of defects is kept and every possible effort is made to direct serious attention to correcting them promptly.

A report of the health work conducted by the school nurse from January 1943 to January 1944 follows:

Total number of pupils examined,	42
Number found to have defective vision,	2
Number found to have defective teeth,	12
Number with symptoms of diseased tonsils,	5
Number of impetigo cases,	1
Number of pediculosis cases (cared for),	1
Number of poor posture cases,	2
Number of Orthopedic cases (under treatment),	1

Corrections:

Number of vision defects (corrected to glasses),	3
Number of pupils who had teeth corrected,	6
Number of cases who had tonsils operated upon,	1
Number of home visits,	7
Number of school visits,	36
Number of official visits,	3
Accompanied to Gland Clinic, Concord,	1
Accompanied to Gland Clinic, Manchester,	1
Number of classroom inspections,	13
First Aid Kits replenished,	2
Days given to school work,	13

Some children should be taken to their dentist as soon as possible, in order to save their permanent teeth, and to have infected teeth removed.

The school buildings were cleaned during the summer vacation. The chimney at the village school was cleaned during the Christmas vacation. The following articles of playground apparatus were purchased by the Junior Red Cross Club: Rope rings for games, volley ball, volley ball net, and croquet set. A set of Peoples Encyclopedias was given to the school by Mrs. Harrie Scripture.

STATISTICAL REPORT FOR 1943-1944

Total registration,	43
Average membership,	36.52
Percentage of attendance,	95.15
Cases of tardiness,	153
Visits by superintendent,	39
Visits by citizens and others,	109
Number of pupils not absent or tardy,	2
Half days schools were in session,	357

The unusually high percentage of attendance is commendable.

I wish to thank the members of the school board, teachers, parents and pupils for their cooperation during the year.

Respectfully submitted,

CHARLES D. DALZELL,

Superintendent of Schools.
