## LIBRARIAN'S REPORT

### Mt. Caesar Union Library

A Multi-media presentation of weekly programs, called "Adventure Time Story Hour", was started in September 1972 for the children in kindergarten through the third grade. Between forty and seventy children have attended the program, which will continue to the end of the school year. This project which is a cooperative effort of six area libraries, Frost Free in Marlborough, administering library; Richmond Public, Conant Public in Winchester; Gay Kimball in Troy; Stratton Free in West Swanzey and Mt. Caesar Union in Swanzey Center, is funded by a Federal Grant through the State Library System. The funds provide for the purchase of additional children's books, and such items as filmstrip projectors, cassette recorder, cassette players, and the necessary supplies for their operation. The schools have been very helpful, and a committee of several interested individuals have worked with the librarian, contributing their time and talents.

The theme for summer reading program for children in grades one through six was "Ashuelot River Clean-Up". The sixty youngsters enrolled in the program read 1100 books. A special ecology program under the direction of Miss Edwina Czajkowski of the N.H. Audubon Society was held in September.

For the year, circulation consisted of 15,484 books, 827 magazines and 168 records. Additional materials requested by patrons were borrowed from the State Library in Concord, Keene Public Library and other libraries in the state. The Bookmobile left over 4500 books in three visits to the library.

# SWANZEY DISTRICT OR VISITING NURSE ASSOCIATION, INC.

Report - July through December 1972

Nursing Services purchased from Winchester is a comprehensive service covering, to a reasonable extent, all health needs.

## Nurse's Report

The Nurse attended a Well Baby Clinic in Gilsum and also the Crippled Children's Clinic in Keene, which is held at the Elliot Community Hospital monthly, except through the summer months. Lectures given by Drs. Gilbert Fuld and Charles McMurphy, both Pediatricians, were attended. The subject matter was "Child Care and Development" and "Child Abuse", respectively.

Conferences were held with the State Public Health Nurse at four different times and proved very helpful. Mrs. Shirley Kendall of the Home Extension services visited with the nurse and a discussion of a nutrition and cooking class was held. It is hoped to involve local women in the area in a program to improve family nutrition and teach practical use of economical foods.

Immunization Clinics were held October 19 and December 14, one on Swanzey Center and one in West Swanzey. The total attendance for both clinics was 32 children. These clinics will be continued every other month and it is hoped that the families of the Swanzey area will take advantage of the free immunizations offered for their pre-school children.

Visits are made to the newborn upon the Nursing Office receiving the health department referral copy of the birth certificate. Apparently many of the young families move between the time of birth and the nurse's call as several have not been located.

A pre-school dental clinic is being formulated for early in 1973, to be held in Winchester, whereby a dental hygienist will clean the teeth and apply topical fluoride, along with a teaching program on how to prevent tooth decay. There is a minimal charge of \$2.75 per child treated.

As the District Nursing Association, Inc., serving the Swanzey area is under Medicare, the services of a Physical and a Speech Therapist are available to treat homebound patients. The Physical Therapist was used for a Swanzey patient with very satisfactory results.

I wish to thank the people who so willingly gave of their time to assist in the clinics and in many other ways have helped to have an active service of nursing available to the residents of the Swanzeys.

## REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen and Voters of Swanzey:

I herewith submit my report from January 1, 1972 to December 31 1972.

Since Town Meeting 1970 we have been following the recommendation of the study committee in regard to education for our men. To date four men have taken Law Enforcement courses at St. Anslems College in Manchester, N.H. Also at present two men are attending the course being given in Keene by the Mt. Wachusett College of Gardner, Mass. We feel that this is very rewarding and will prove to be an asset to the officer and to the Town.

Also your Police Department had as a public relations project this past year, a Safety Coloring Book Contest. This contest was conducted at Mt. Caesar School and the books were judged by impartial judges on the basis of neatness. The program was a great success and there were many happy children. Several prizes were awarded. These were provided as a result of the most generous contributions of our Swanzey businessmen.

Following is a summary of the departments activities for the year:

## SWANZEY CONSERVATION COMMISSION

The Swanzey Conservation Commission met regularly during 1972 and accomplished several of the goals set before it by its five members.

A questionnaire was delivered to all Swanzey residents during January, 1972. Although the number of returns was somewhat disappointing, the contents of the completed forms received were valuable in helping to shape our plans for 1972. Thanks to the many individuals, organizations and businessmen who contributed supplies and labor, the day was a great success.

Several weeks were spent organizing a paper Collection center. The "paper house" was erected at Wilber's Supermarket in North Swanzey in early August, and since that time (as of December, 1972) area residents have deposited nearly 20 tons of newspapers and magazines into the collection site. The papers are eventually recycled.

A student Eco-Action Committee was organized at Monadnock Regional High School. The members are concerning themselves with various ways to improve the environment. Among their activities is the collection of papers from classrooms at the high school and the elementary schools. The Commission is pleased to have a liason with the students through the Eco-Action Committee.

Because of the success of the paper venture, the Commission has been working to bring about the establishment of a bottle collection center for the area so that we may further contribute to the trend of recycling.

Late in 1972, the Commission learned that it will receive a gift of 18 acres in the Sawmill Estates in Swanzey Center. We hope this will be but the beginning of the process of land acquisition, which is an important function of any Commission. Such acquired land is then considered an "open space" area; it cannot be sold or commercially developed. Your town Conservation Commission may receive gifts of money and property and can acquire, (by gift, purchase, lease, easement, etc., in the name of the town, subject to the approval of the selectmen) manage and develop natural resources such as recreation areas, parks, marshes and access to water frontage, but does not have the right to take real property by condemnation. If any citizen wishes to learn more about land donation or easement, or if any citizen wishes to donate funds for the purchase of available lands, please feel free to contact the Conservation Commission.

During 1973, in addition to progress in the areas of bottle recycling and acquisition of open spaces for the town, we hope to work on the establishment of bicycle paths and the education of the public concerning ways in which it can positively contribute to the betterment of the environment.

The Commission meets in the Congregational Church in Swanzey Center of the first Thursday of each month at 7:30 PM. Our mailing address is Swanzey Conservation Commission, East Swanzey, N. H. 03446. We welcome your attendance and/or your ideas.

## Report of the Forest Fire Warden and District Chief

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's Division Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE — 410 fires — 361 acres burned

DISTRICT — 30 fires — 26½ acres — 26 spot fires

TOWN — 1 fire — ¼ acre

HENRY JOHNSON, Forest Fire Warden

ROBERT BURNS, District Chief
